Richards Wins Latest Contest

The Journal's football contest is still up for grabs. This week we have another new winner, being Earl Richards. Richards was correct on the first eight games, but missed the score on the Texas A&M and Baylor game. This gives him ten points and puts him in the running for second place, along with five others.

Winning second place was Judy Brockman. She missed one game on the regular games of Tulsa and Indiana State, however, she was 45 points off on the tie breaker games.

A previous winner, Hazel Gilbreath took third place this week. She missed two regular game predictions and was four points off on the tie-breaker games.

So, still in the lead on overall points is David McVicker with sixteen points. However, Margrethe Taylor, Marilyn Engelking, Cont. Page 6, Col. 1

Texas Drivers To Furnish Liability Proof In 1982

Beginning January 1, 1982, Texas drivers contacted by Department of Public Safety officers during traffic stops and vehicle accident investigations will be required to furnish proof of compliance with the new compulsory liability insurance law.

Under House Bill 197, an amendment to the Safety Responsibility Act approved this year by the Texas Legislature, all drivers must carry minimum liability coverage for medical expenses of \$10,000 per person (\$20,000 for two or more persons) and property damages of \$5,000.

Colonel Jim Adams, DPS director, said troopers will accept as evidence of insurance coverage the policy for the vehicle being operated or a document issued by the insurance company.

"Such a document must

be in a completely new world. Olton has an excellent running back in Edward Wright. He got loose against a tough Littlefield team and ran a 55 yard touchdown last week, as well as going over for two extra points. Their quarterback, Blake Buchenau, is a former Lazbuddie player and really handles himself well, he just doesn't get caught."

Olton may prove to be one of the biggest teams the Mules have had to face. In addition to the fine running back and quarterback, Olton has two all-district performers in line-backer Johnny Hutson and tackle Doug Smith. In a Journal interview, Olton Coach Dick Rogers says the "team is healthy, they play hard and have a super attitude although they have suffered from some mistakes." Olton presently stands 7-0.

contain a statement that the liability coverage for the motor vehicle is the minimum prescribed by the law," Adams said. "The documents must also include the name of the insurance company, name of the insured person, policy period and policy number. This document may take the form of a letter or a card, depending upon the preference of the insuring company."

Adams pointed out that DPS troopers will be en-

*** Increase Shown In City Rebate

State Comptroller Bob Bullock's office Thursday issued checks totaling \$37.9 million to Texas cities as their share of the one percent city sales tax for October.

This month's payment is about \$9 million more than the cities received during a comparable period in 1980.

The October payments push the 1981 yearly total of city sales tax payments to \$518.3 million, up 16 percent over the same 10 month period in 1980.

Muleshoe's check this month will be for \$12,926.32, bringing the city's 1981 payments to date to \$157,491.60. The city's 1981 payments are up about 13.76% from total 1980 payments of \$138,445.94.

The nearby city of Morton shows \$2,802.12 net payment for this period by giving 1981 payments to date to \$37,498.75 which is down by -1.89% over 1980 payments. Last years total was \$38,141.88.

Spring Forward Fall Back

Daylight savings time ends in most of the nation Sunday, October 25 at 2 a.m.

Most people find it easier to set their clocks and watches back one hour before retiring Saturday night. Many use the phrase "spring forward, fall back" to remember which way to turn their clocks.

So, whichever method is most effective remember that 2 a.m. Sunday automatically becomes 1 a.m., when the official time change becomes effective.

forcing the provisions of this law along highways and rural roads.

"Local police officers and sheriff's deputies also have the authority to request this information from drivers," the DPS director said. "I am sure most law enforcement agencies in our state will also be enforcing this statute in their respective jurisdictions."

Drivers who do not maintain the specified coverage risk being fined at least \$75 for the first offense and a minimum \$200 for subsequent violations. In addition, a conviction under this new law will result in the suspension of the violator's driver license and motor vehicle registration unless the violator establishes and maintains proof of financial responsibility for five years from the conviction date. A SPECIAL THANKS TO:

Muleshoe Journal, Channel 6, Cindy Purdy, Ruby Waltrip, Jaycee Wives, Five Area Telephone

To the Contestants, Parents, Sponsors, Patrons, Jaycees, Wives and guests —

I would like to take this opportunity to thank everyone who contributed their time, talent, money and help to make this pageant possible.

Our biggest project of the year, this pageant has been designed to help all contestants by allowing them to compete in a formal pageant in friendly surroundings. By competing among friends, these young ladies will have an opportunity to improve their social graces, their personality and charismatic appeal, which we hope will benefit them in later years. As a Jaycee and chairman, I tried to involve many Jaycees and under close supervision of the Board, teach them to work with the wonderful people of our community and to solve the imminent problems which are encountered.

I myself have benefitted greatly from exposure, not only to Jaycees, but the wonderful people of Muleshoe and the surrounding communities as well.

Once again, My sincerest thanks to all involved and especially to all the young ladies who really make this pageant possible.

Thank you,

Pageant Chairman

MR. AND MRS. GALEN DON BOCK
(nee Becky Lea Evans)

Miss Evans, Bock United In Candlelight Ceremony

Becky Lea Evans became the bride of Galen Don Bock in a formal, double ring, candlelight ceremony on August 15 at the Cuba Avenue Church of Christ. Harvey Widner read the double ring vows.

The bride is the daughter of Mr. and Mrs. Fred B. Evans of Alamogordo. Bock is the son of Mr. and Mrs. Melvin Bock of Earth.

Two candelabras holding floral arrangements of gladiolas, carnations, roses, spider mums, and aster-meria, grace the setting.

Special nuptial music was written by Mrs. Gina Moore and Miss Sherry

Butler and presented by Mrs. Moore, Miss Butler and Miss Tambia Fincher.

Given in marriage by her father, the bride was attired in her mother's wedding gown, made of ivory slipper satin covered with tiers of Chantilly lace. The skirt flowed into a cathedral train and the fingertip veil of illusion accented with silk flowers, was held in place with a Juliet cap.

An ivory fan adorned with silk flowers, made by Debbie Ratliff completed her bridal attire. She carried a handkerchief made by her paternal grandmo-

ther and a lucky sixpence in her shoe, a gift from her aunt Mrs. J.K. Nickless.

Attending the bride were Mrs. Gina Moore and Mrs. Debbie Bailey, both of Ft. Worth.

Chuck Smith of Muleshoe attended the bride-groom as his best man, and Bruce Woods also of Muleshoe served as groomsmen. Ushers were Tom Reynolds and Kem Bock of Earth.

Sherry Butler was the candlelighter and Raebeca Reynolds and Jennifer Bock were the flower girls.

A reception was held in the family home following the wedding. Miss Lee Ann Morren of Midland

presided over the guest book.

Special guest included Mrs. E.M. Dale, grandmother of the bride; Mrs. Val Lane, aunt of the bride; Miss Katherine Dale, aunt of the bride; Max Lane of Torrance, Calif., cousin of the bride; Mrs. Bob Hite of Tacoma, Wash., cousin of the bride; Mr. and Mrs. Tom Reynolds, brother and sister-in-law of the bride; Mrs. Hoyt Lewis of Ft. Sumner, grandmother of the groom; and Mr. and Mrs. Kem Bock of Earth, brother and sister-in-law of the groom.

Following a honeymoon trip to Ruidoso, the groom plans to work as office

manager for Emron and the bride will be a music and art teacher for the Midland Christian Schools.

Sudan School Board Holds Meeting

"Sudan Schools' new reading program is a good one which should benefit students greatly." Elementary Principal Tommy Lacey told members of the Sudan school board last Monday as the board held its October meeting.

Lacey said "the Houghton-Mifflin Series is working out well for students in the lower grades, and indicated that it should result in higher level of proficiency in reading."

cloth and enhanced with an arrangement of silk flowers in fall colors. The honorees corsage was made of silk fall colored flowers.

Make Test Garment Of Muslin

When using a new pattern or when sewing with expensive fabrics, it's a good idea to make a test garment of muslin, suggests Nancy Brown, a clothing specialist.

This will allow for needed alterations, she explains.

Ms. Brown is on the home economics staff of the Texas Agricultural Extension Service, Texas A&M University System.

Special guests included Loyce Davis, mother-in-law of the honoree and Nancy Davis, sister-in-law of the honoree.

The hostesses gifts were a magnalite cookware set and a cream pitcher and sugar bowl. Hostesses for the occasion included: Mrs. Ernest Ramm, Mrs. I.L. Kitchens, Mrs. Calvin Embry, Mrs. Don Prather, Cleta Williams, Mrs. George Williams, Mrs. Leland Jones, Mrs. Hazel Cunningham, Mrs. Loyd Garlington, Glenna Raney, Mrs. Jody Barrett, Mrs. Viva Lindsay and Mrs. Arnold Prater.

The best way to make a fortune is to work for it and to begin while young.

Mules Kick The Indians

The 8th grade Mules played the Morton Indians in the last game before the beginning of district play. The Mules came out "muddy" but on top 16-0.

The Mules first score came on the second play from scrimmage when David Vela took a pitch from quarterback Mike Holt and romped across the goal line for six. The two-point conversion was good and the Mules lead 8-0. This was set up by a Morton fumble.

When the game continued after a delay of thirty minutes because of lightning, both teams played nip and tuck. The Mules finally broke the barrier

The Annual Staff bought a new Olympus camera this past week. It is really a nice camera and will take super pictures. Will it get a picture of you?

Have you forgotten the annuals? Well, they are still on sale. They are still \$7.00 but on October 26 they go up to \$8.00. November 16 is the last day to purchase your annual. Buy your annual before it's too late!

Congratulations to the eighth grade Mules on their victory. Next week the Mules travel to Olton. The game starts at 5:00, so come out and support the Mules.

Art, Speech, and Band are still doing various fund raisers. Some of those include skating, bake sales and car washes. Good Luck!!!

Student Council is still collecting Campbell Soup labels. Bring them to Mrs. Mary Scoggin in Room 9 or Mr. Mike Richardson in Room 2.

I would like to welcome Mrs. Gloriz Weaver. She is a student teacher and is in life science. Welcome to M.J.H.!!!!

"Welcome to Blink College," said the counselor to the freshman. "I assume you graduated in the top third of your class."

"No," said the freshman, "but I made it easier for lots of others to get into that top third."

Hogs, Pigs At Lowest Level In 16 Years

AUSTIN--The total number of hogs and pigs in Texas dropped to 700,000 head in September, the lowest level since 1965.

Agriculture Commissioner Reagan V. Brown said inflation is one reason for the big drop. "If you are not making any money you cannot keep expanding," he said. "Texas producers have found it

necessary to make deeper cuts than their counterparts in other states."

Dropping for the fifth straight quarter, the hog and pig inventory is 24 percent lower than it was a year ago and seven percent below last quarter.

A decrease in breeding stock will have long term effects on production, Brown

said. Breeding stock dropped 36 percent between June 1 and Sept. 1, falling from 100,000 to 90,000 head. Brown said the figure is the lowest inventory on record.

More immediate effects will be seen in a 22 percent decrease in the number of marketable hogs. Some 610,000 hogs were classified as marketable in September.

Brown said that farrowing intentions for December, 1981, and February, 1982, are expected to be down 17 percent from a year ago to

33,000 head. Farrowing intentions for the September-November quarter remained unchanged, at 31,000 head.

The Texas Crop and Livestock Reporting Service reports that for the 14 states that conduct quarterly hog surveys,
