RESISTANCE TO FEDERAL encroachment upon powers and functions reserved by the states when the Constitution was written, was voiced last week by more than 100 members of Congress. I joined with a half dozen of my Texas colleagues in this Declaration of Constitutional Principles.

It's not just a matter of being for or against segregation. The issue is much more important and fundamental than that. It strikes at a trend which threatens by judicial fiat to gobble up many of the basic rights and powers clearly retained by the states when the Constitution was drafted in 1787.

The integration decision was made 22 months ago. The big question now is: Where will the Supreme Court strike next?

In scores of decisions covering a hundred years of judicial history the Supreme Court has repeatedly scoffed at the very idea that local school trustees—and individual States—did not have the right to separate students, in equally desirable facilities. That included the discretion to separate boys and girls negroes and whites, if local trustees thought best.

But a new Supreme Court comes along and wham!—away goes the precedents of a hundred years, and for the first time in American history Uncle Sam rides herd on local school boards.

No, the matter of integration now becomes secondary in importance. The big question is: what does the future hold in store for America and for our Constitution? Where will the Supreme Court strike next?

THE SIMPLE FACT IS that the original Constitution does not even mention education. Nor does the 14th amendment. The framers enumerated the powers the Federal Government would be allowed to exercise—spelled them out, 18 of them. Control over education was NOT one of them. And to clinch the meaning, Art. 10 of the Bill of Rights came along to provide: "The powers not granted to the U.S. by the Constitution, nor prohibited by it to the States, are reserved to the States . . ."

How could language be more definite, more positive, more understandable?

But now we find the Supreme Court in a completely new role of legislating; of not only going contrary to the wording of the Constitution but also going contrary to more than 50 prior court decisions! Clearly, the Court now acts not on the written word or precedent but according to the Court's whims, philosophy or shade of political thinking.

What can we do about it? Well, the least we can do is to assert our selves and hope that an aroused public opinion will make itself felt in opposing future encroachments. Playing ostrich will not suffice. The great Edmund Burke once said: "For evil to succeed it is only necessary for good men to do nothing."

INTERSCHOLASTIC LEAGUE DISTRICT MEET SOON

The district meet of the Texas Interscholastic League will begin the latter part of March and run in through the first part of April. O. T. Jones, local superintendent, is director-general of this district 124-B. All entries must be in his office by Monday, March 26.

The typewriting events will be held here in the Sterling school today, March 23.

Girls' volleyball events will be held in Garden City on April 3.

The track and field meet will be held in Big Spring at the Howard County Junior College on April 5.

Tennis events will be held in Forson on Friday, April 6.

Knott's shorthand team is automatically qualified for the Regional meet, as is Sterling City's boys' extemporaneous speech team. Sterling City's girls' declamation team, Sterling City's number sense teams are qualified as they have no district competition.

Talent Show Pleases Large Crowd

The talent show, sponsored by the local senior class, pleased the over 300 patrons at the affair Tuesday night. The show was held in the high school auditorium.

Some of the success of the show must be credited to the master of ceremonies, Roy Thruston of Garden City, and Mrs. Rube Ricker, also of Garden City, who brought a number of her pupils in voice and instruments.

Mrs. David Dean presented three dancing pupils from the Bingham School of Dancing of San Angelo. The audience was highly appreciative of all numbers.

Appearing on the show from Sterling City were Claudia Collins, Sandra Williams and Jackie Cole, Wilene Glass, Elizabeth Cole, Judy Stewart; and from Garden City were Gail McDaniel, Bruce Ashcraft, Sissy Cook, Bud Sanders and Martha Duncan. Daylene Little, Kathy Crabtree, Harold Jones, Gene Davee and Rob Childress, and Frank Cline, Gerald Crabtree, Jimmy Linthicum, Gary McDaniels, David Harris, Darla Williams, Jean Stanton, Sharon Gray, Dorothy Rumpy and Deanna Kay Overton; while from San Angelo were Sammy Bingham, Barbara Bingham and Sarah Matlox.

E. B. Hosea, senior class sponsor, and the class members expressed their appreciation for the good turnout and support of the show.

Wimodausis Club Studies Youth Conservation

The Wimodausis Club had a program on Youth Conservation, The Challenge of Our Generation, at its meeting Wednesday in the community center.

In a panel discussion, Mrs. Harvey Glass discussed "What Youth Expects from the Ideal Home"; Mrs. L. S. Dubberly spoke on "Family Councils Solve Home Problems"; and Rev. L. S. Dubberly, guest speaker, discussed "Family Worship and Its Contribution to the Development of Character."

Mrs. W. N. Reed gave the Federation Counselor's report.

Mrs. Roy Morgan, club president, read the official call to the convention in San Angelo on March 26-27 for 6th District Federated Clubs as well as the program. A number of the club members are planning to attend the convention.

Mrs. John C. Reed reported that the scrap book for the club had been completed and sent in to the District chairman for judging.

As one of the club projects, members are asked to bring gifts of magazines, clothing or toys to the next meeting, for delivery to the Children's Hospital at McKnight State Sanatorium.

Hostesses during the social hour were Mrs. T. S. Foster, Mrs. H. L. Hildebrand and Mrs. N. H. Reed.

Easter School Holiday Set for April 2

Monday, April 2, will be a school holiday at the Sterling City school, it has been announced by superintendent O. T. Jones. Easter is on April 1 and the Monday holiday is given to make for the best off-school day.

Classes will be resumed Tuesday, April 3.

School Trustee Election April 7

There will be a school trustee election here Saturday, April 7. Two board members' terms are expiring at that time. They are Foster S. Price and Reynolds W. Foster.

Other members of the board are Chesley McDonald, Delbert Haralson, David Glass, Tommy Foster and Worth Durham.

AMOCO CLUB MEETING

The Amoco Club held its regular monthly meeting Friday night in the community center. A new family joined—Mr. and Mrs. Van Deussen and family who have recently moved here from Colorado City.

Three guests were present—Mr. and Mrs. Leland Gregg and Annie Ruth Kirksey from San Angelo.

Games and refreshments filled the evening's entertainment.

City Cafe Loses Awning

The front awning of the City Cafe fell off Sunday night about midnight. The fall-in broke the two front glass plate windows and closed the cafe for repairs.

The building is owned by Earl Bailey, and he was having it repaired this week. The cafe is operated by Joseph Blanek.

High winds Tuesday afternoon blew in one of the plate glass windows of the Caperton Chevrolet Co. The glass did very little damage to the inside contents. The Foster Estate owns the building.

Mrs. H. F. Donalson has returned from a week's visit in Dallas with her daughter and family, the Bill Barbees. She was accompanied home by her grandson, Hull Barbee for a visit.

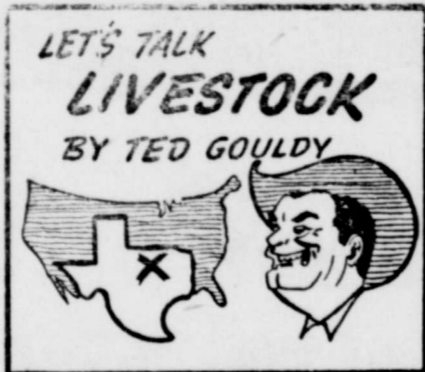

Son to the Joe David Crossnos

A son was born to Capt. and Mrs. Joe David Crossno last Friday in England. The boy weighed five pounds and nine ounces, he told his mother, Mrs. Jake Crossno, when he called her Saturday. Capt. Crossno is in the medical corps of the Army Air Forces stationed in England.

Teachers Attend District Meeting

The teachers of the Sterling City school attended the district meeting of the State Teachers Association in San Angelo last Friday. The local school children got a holiday while the teachers were at the meeting.

Mrs. B. J. Crossno, teacher of the third grade at the Sterling school, fell and hurt herself Wednesday. She fell in the corridor as she was leaving the lunchroom.

OVER 16,500 SHEEP MARKETED MONDAY

Fort Worth—The Easter lamb trade Monday at Fort Worth featured the arrival of more than 16,500 sheep and lambs. It was the largest run in almost a year at the market and exceeded the general expectations, because the earlier Easter and the dry conditions which slowed development of milk fat lambs in much of the Southwest had indicated a much smaller crop than usual.

The market wound up about 50 cents lower with the new crop milk fat lambs topping at \$21, and old crop shorn lambs topping at \$18.50. However, most of the old crop lambs sold from \$18 down. Good and choice milk fat lambs scored \$19 to \$21 and medium and lower grades sold from \$13 to \$18. Old crop shorn lambs of good and choice grades scaled from \$16 to \$18.50 with No. 1 and Fall shorn pelts at \$17 to \$18.50 and No. 2 pelts from \$17 to \$17.50 and shorter skins from \$16 to \$17. Cull to medium shorn lambs drew \$13 to \$15.50. Old ewes cashed at \$6.50 to \$8.

CALVES STRONG; MOST CATTLE STEADY

Fed steers and yearlings opened steady, spots strong at Fort Worth on Monday. Some sales to the shipper and independent packer trade.

Baptist Revival Begins Here Sunday

A week's revival will begin Sunday at the First Baptist Church here, announced pastor Claude B. Stovall this week. The meeting will run for a week, ending Easter Sunday, April 1. Service will be held daily at 10 a.m. and 7:30 p.m., said Stovall.

Doing the preaching for the revival will be Rev. C. Eugene Garrison, evangelist from Phillips, Texas. Clyde Arender of Big Spring is to lead the singing. He is well known in the field of music and educational work, said Stovall.

A cordial invitation to all to attend the services is extended, said the local pastor.

In German Maneuver

10—th Division, Germany—Pfc. Pascal A. Brown, whose wife, Cleta, and parents, Mr. and Mrs. Ted Brown, live in Sterling City, recently took part as an "aggressor" in a 10th Infantry Division field training exercise in Germany.

The aggressor force, a regimental combat team, was used to add realism to the division exercise, which included a crossing of the frozen Main River.

Brown, a radio operator with Headquarters Battery of the division's 35th Field Artillery Battalion, entered the Army in December 1954 and completed basic training at Fort Riley, Kansas. He arrived overseas in July 1955.

The 22-year-old soldier was graduated from Sterling City High School in 1951.

HOSPITAL NOTES

Patients in the Sterling County Hospital on Thursday morning of this week included—

- Mrs. W. B. Atkinson
 - Neill Munn
 - Mrs. Neal Reed
 - Fannie Copeland
 - Mrs. B. J. Crossno
 - D. P. Glass
 - Mrs. Orban Ortega
- Dismissals since Thursday morning of last week include—
- Robert Dill
 - Mrs. J. A. Revell
 - Pamela McEntire
 - Andrew Medina

Boy Scouts Have Fishing Trip

The local Boy Scouts had an overnight fishing trip last Friday on N. H. Reed's place west of town. Accompanying the boys were the Scoutmaster Fred Igo, Assistant Scoutmaster Chesley McDonald and James Craig.

Scouts making the trip were Lee Foster, David Durham, C. L. King, Jr., Don McDonald, Jerry Craig, Wayne Cammack, Jimmy McCarty, Johnny Augustine and Milton Reed.

The boys cooked three meals on the outing and some passed tests for advancement.

LIONS TO SELL BLIND CARAVAN PRODUCTS MARCH 28

Made By the Blind—Brooms, Mops, Mats, and Other Articles

The members of the Sterling City Lions Club will sell brooms, mops, door mats, aprons, brushes, pot holders, etc. next Wednesday morning from house to house here. The canvassing will begin after 9 o'clock and end at noon it was said.

Last year the members sold such merchandise as a club project. The profits going to the Lighthouse for the Blind, and other blind workshops in Texas. Blind people manufacture the products and Lions Club members sell them over Texas. The club keeps 25% of all money as a profit to the club.

The Red Cross drive by the individual members was begun this week and it is hoped that the drive will be completed by March 31. Each member has a list of names to see for contributions.

Santa Fe Granted Right to Cut Train Service to Twice Weekly

The Santa Fe railroad asked the club to approve cutting the freight service here to twice weekly—instead of the thrice-weekly now in effect. The railway company will make runs up here each Monday and Friday evening, returning to Brownwood the next morning. The freight runs are being made at an expense to the company—no freight at all on many days makes the change necessary. Horace Donaldson, local agent, presented the case for the company and the club voted to approve such a change.

Guests were Hull Barbee and Harry C. Lawson. Hull sang two songs standing on a table—"The Yellow Rose of Texas" and "The Bible Tells Me So."

Locals Play Big Spring Netters

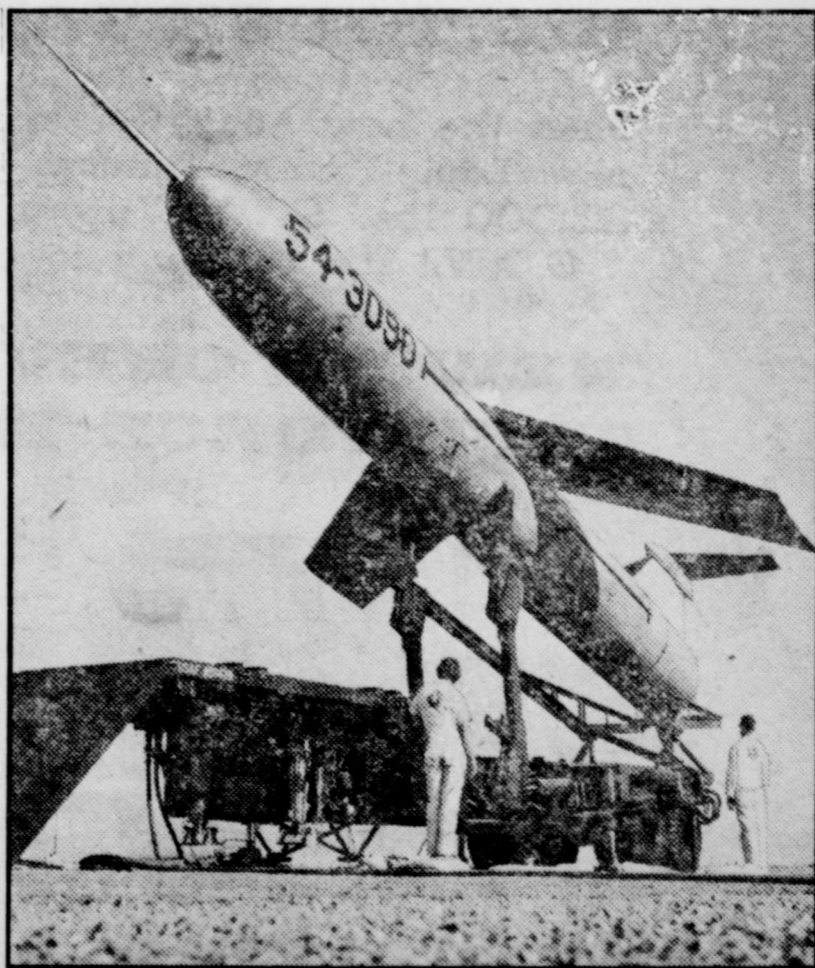

A. T. Barrett, high school principal took some high school tennis players to Big Spring and played several matches with their netters. Barrett's boys won all of their matches and the girls all lost.

Lewis Blackman won his two sets 6-1 and 6-1. In doubles, Jimmy McWhorter and Kelton Gaston won 8-6 and 6-0.

In the girls' matches, Barbara Smmons lost 2-6 and 1-6, while Sandra Williams lost 4-6 and 5-7. In the girls' doubles, Christine McCarty and Glenda Sparks lost 4-6 and 4-6.

Dick Bailey Now Air Force Auditor

Dick Bailey, son of Br. and Mrs. Seth Bailey, is now in the auditing department of the Army Air Forces with Webb Air Base, Big Spring. Dick, an accountant, took a civil service position in the auditing department of the Air Forces. He recently spent two weeks in Washington on the job.

MORE MUSCLE FOR MISSILE—Longer and with a bigger nose for trouble, a new version of the Matador-guided, tactical missile stands on its trailer-launching ramp at Holloman Air Force Base, N.M., where Air Research and Development Command has conducted test firings of the new weapon, known as the TM-61B. An entirely new electronic-guidance system will be installed in the jet-propelled weapon when it is used on tactical missions.

Bible Comment:

Home Is True School Of Christianity

THE home is even more important than the church or school in the exemplification and teaching of Christianity.

Nearly all recognize this fact, yet the home situation in the land constitutes one of the greatest perils and problems of our time.

It is appalling to think of the number of children who grow to adulthood with no real home life at all. It is tragic to contemplate broken homes caused by divorce or separation. It is a cause for heartache to consider the barrenness of an environment in which love is missing.

Perhaps most appalling of all is the realization that there are numerous homes in which parents are neither divorced nor separated, but where they might as well be so far as healthy and happy home life is concerned. What a heritage for a child who grows up in the midst of such home antagonism and strife!

In contrast, let us consider the blessedness of the truly Christian home. Daily prayer, Godly living, example and a spirit of kindness and fairness toward all makes up the soil in which true happiness thrives.

Truly, our salvation and the salvation of all that is good in life must spring from a basic, Christian home. Let us pray that all society may some day enjoy the manifold blessings of such a way of life.

Mexican Baptist Institute Held Here Last Week

Mexican pastors and workers of this area met here the first part of last week for a church institute at the Mexican Baptist Church. Among those meeting here were E.L. Rios of Levelland, former president of this association; president N. B. Mendez of Sweetwater and secretary Silviano Lara of Menard; and some American workers—Dr. Patrick Sullivan of Snyder, E. R. Hammock of Big Spring and Scott Cotton of Pecos.

Discussed at the institute were problems of the local churches as well as doctrinal discussions. Among the speakers were the local pastor, Rev. Benjamin Diaz and Scott Cotton of Pecos.

The local church members entertained the visiting workers and the institute is to meet here each year in the future.

accounted for the strength. Cows were fully steady to strong and scarce. Bulls ruled weak to 25 or 50 cents lower.

Slaughter calves were active and strong. Stockers and feeders were strong.

Comparative prices: Good and choice fed steers and yearlings, \$16.00—18.25; common and medium \$12.00—15.50. Fat cows \$11.50—13.00; canners and cutters \$7.50—11.50. Bulls \$10.00—14.22. Good and choice fat calves \$16.00—19.50, medium and lower grades \$11.00—16.00; stocker steer calves \$15.00—20.00; yearlings, \$19 downward; older steers, \$16.50 down. Stocker cows \$10.00—13.00, some cows late last week at \$13.35 had calves at side at \$21, making the pairs bring over \$150.00

HOGS SOAR AS RECEIPTS LIGHTER ON MONDAY

The major markets on Monday reported receipts of hogs around the 75,000 marker again, and this spurred the buyers at Fort Worth into considerable activity. When the dust settled, the butcher hogs were 50 to 75 cents above last week's close and sows were 50 cents higher.

Choice meat type hogs cashed at \$14.50 to \$14.75. Less desirable weights and grades scaled from \$11 to \$14. Sows drew \$9.50 to \$11.50.

OVER HALF OF LAMBS EATEN IN THREE STATES

New York, California and Massachusetts people eat over 50% of the United States entire lamb crop. Seven states consume 76% of the entire lamb crop. Distribution of the consumption of lamb is the most narrow of all meats, on the basis of USDA figures on the subject.

Here's the way they rate 'em: New York eats 24% of the entire lamb crop; California 21%;

Massachusetts 8%; Pennsylvania 6.2%; Illinois 6.2%; New Jersey 5.9%; and Michigan 4.3%.

EASTER HAMS NOT SO PLENTIFUL AS 1955

The big Easter push on hams will be staged as usual this year but packers tell me they are not under as much pressure as a year ago despite the huge crop this season. They say pork products have been moving surprisingly well and the Government's pork buying program has taken lots and lots of hams out of circulation. Most of these hams were purchased as boned, canned hams. Seasonally, smaller offerings of fed cattle and fat hogs have some observers hoping prices will continue to improve a little.

Photographed at world's most modern test track—Ford's new desert proving grounds at Kingman, Arizona.

It's the 225-h.p. Thunderbird Special V-8 you can have now in Ford!

At 6 p.m. on Saturday, February 25, a '56 Ford set out to re-write the record book at the new Ford Proving Grounds, Kingman, Ariz. Just a little over one hour later, this 225-h.p. Ford had set 30 new world marks—ranging from short runs to 100-mile performance! To you this record-breaking performance promises the most exciting response ever delivered for so little money. Hills you've long known will disappear. Stop lights will be fast fading memories within instants after your foot nudges the throttle. And when it comes to passing, you'll pass in a wink with plenty of "whoosh" in reserve.

Thunderbird looks, too

But you get more than record-breaking performance when you drive a Ford V-8. You get the long, low look of the Ford

Thunderbird. It's the kind of sleek, years-ahead styling for which Ford is famous.

Let Lifeguard Design Start Protecting You

And, of course, you get Ford's exclusive Lifeguard Design. Among all cars in the low-price field, only Ford gives you this extra protection. Doesn't your family deserve this extra safety in the event of an accident?

More real economy, real stand-up

So whether you judge a car on performance . . . or safety . . . or styling, it's easy to see that your best buy is a Ford V-8. And as an added benefit, you get the economical upkeep and built-in value that are part of the Ford tradition. So . . . come

in today, won't you? Slide behind the wheel of this 225-h.p. Ford that set 30 world performance records! Take it out on the road . . . and let it whisk you from "whoa" to GO as you've never gone before! When you return you'll understand why Ford is the V-8 with the world's biggest following.

The GO is great in a **FORD V-8**
