Rains Fall Here First Part of Week

Varied amounts of rain fell in Sterling County beginning Monday afternoon about 5:30, giving about 30 here in town. Tuesday night .70 fell here in town with larger amounts being gauged north and west of town.

Wednesday night about 7:00 the high winds came up first blowing dust and finally turning to a shower. Very little was recorded here in town but some spots got measurable rain. All of which helps the range picture. Some counties not too far away got more than an inch really doing some good.

Areas where not much cover is left on the ground, do not get all the good from the rains. The hard pan that has formed on the surface lets the water run off before soaking in.

Social Security Payments

Social security beneficiaries were receiving monthly checks at the rate of over 2 million dollars a year at the end of 1955 in the San Angelo district, according to figures just released by Ed Bowers, District Social Security Manager. The district is composed of 13 counties which includes Sterling county.

When announcing the figures, Bowers said that many persons still thought of the social security program as providing protection only for retired persons. He pointed out that, nationwide, at the end of 1955 there were 1,275,000 children under 18 getting monthly payments. Of these, 120,000 were children of a retired parent, and the others were children of a deceased parent. About 300,000 mothers of children under 18 also were receiving benefits.

"With the bringing in of many groups of employed and self-employed persons previously excluded, the social security system achieved almost universal coverage at the beginning of 1955," Bowers said. He pointed out that 68 million persons had taxable earnings under the program in 1955, and that 70 million were insured at the end of the year. Of this number, 32 million are permanently insured and can qualify for benefits at 65, regardless of future employment. Also in case of death, their survivors can qualify for payments.

Roland Lowe was taken to a San Angelo hospital Sunday morning and is not to be released until this weekend, it was said.

Visiting Mr. and Mrs. M. Z. Brown last week were Mrs. Browns parents, Mr. and Mrs. J. C. Smith of Slaton. Visiting the Browns on the week-end were Mrs. Brown's brother and wife, Mr. and Mrs. Curtis Smith of Levelland.

Mrs. Forrest Foster Is Noratadata Hostess

The Noratadata Club members met at the community center Monday night with Mrs. Forrest Foster as hostess.

A business meeting was conducted by Mrs. J. Q. Foster, club president.

A dessert course was served to Mrs. Neal J. Reed, Mrs. G. C. Murrell, Mrs. Chesley McDonald, Mrs. Roy Thomas Foster, Jr., Mrs. Billy Roland Conger, Mrs. Bill J. Cole, Mrs. Dayton Barrett, Mrs. William Foster, Mrs. Nan Davis, Mrs. Joe Emery, Mrs. Foster S. Price, Mrs. Martin C. Reed, Mrs. Alvie Cole, Mrs. J. Q. Foster, Mrs. Delbert Haralson, Mrs. J. S. Augustine, Mrs. Hubert Williams, members; guests included Mrs. Bill Brooks.

Bridge was played. High score award was made by Mrs. Haralson, high cut by Mrs. R. T. Foster, Jr., and Mrs. Dayton Barrett bingo.

Big Spring Cowboy Reunion Aug. 1-4

Plans have been completed by the Big Spring Cowboy Reunion Association for the organization's 23rd annual rodeo which will be held on the evenings of August 1, 2, 3, and 4, it has been announced by Tom Good, president.

This year's rodeo, which will be held in the Rodeo Bowl, which is the finest of its kind, in the southwest part of Big Spring. The rodeo will be produced by Gene Autrey and Everett Colburn. Colburn, who lives in Dublin, will be the arena director. He is considered tops in rodeo producing, and is often referred to as "Mr. Rodeo." The rodeo will include bare back riding, saddle bronc, calf roping, steer wrestling, bull riding, girl events, wild cow milking, cutting horse contest, and a number of the rodeo world's outstanding specialty acts, including the famous "Sheep Dog Act."

The rodeo parade will take place at 4 p.m. Wednesday, August 1, through downtown Big Spring, and will include city, county, and rodeo officials. Contestants, floats and scores of cowboys and cowgirls will complete the spectacle. Sheriff's Poses from several neighboring towns will participate in the parade and attend the big barbecue at the city park where members of the association and their wives will host the group.

This year's prize money will be \$3,700, plus entrance fees, and cowboys and cowgirls from many distant points are expected to enter the contests.

W. R. Payne, 72, brother of Mrs. R. E. Martin of Sterling City, died at his home in Clarksdale, Arizona last week.

The Delbert Haralsons left Wednesday noon for Louisiana for a visit with Mrs. Haralson's family.

Holiday Quiet Here

The July 4th holiday here was quiet with no businesses other than cafes and stations open. The main noise was that of fireworks being shot by the younger set.

A number of people went to the affairs at Colorado City and San Angelo, but the rains and dust storm put a crimp in all such affairs.

No Lions Club Meeting

There was no Lions Club meeting here Wednesday noon due to the July 4th holiday. And there will not be a meeting on next Wednesday, it was announced. A ladies night program along with installation of officers will be held on the night of July 12, club officials said.

The rain clouds promise and on Monday night or rather early evening, about .25 inch fell here in town. On Tuesday night about .70 inch fell. If we could get a rain like these every night, this country would soon be all right.

8-BALL

The three bank robbers all got different sentences. Pete Moulton, who pleaded not guilty got six years in the pen. Percy Allen Warren, who pleaded guilty got 16 and Charles Peebles, the first one to plead guilty got 22 years.

Do you reckon one was more guilty than another? Or is justice still wearing the old blindfold?

Of course, Peebles and Warren had both been in the pen before and Moulton was a beginner at the game—so to speak.

8-BALL

WHEN I HAVE TIME

When I have time, so many things I'll do

To make life happier and more fair
For those whose lives are crowded now with care.

I'll help to lift them from their low despair,

When I have time.

When I have time, the friend I love so well

Shall know no more these weary, toiling days;

I'll lead his feet in pleasant paths always,

And cheer his heart with words of sweetest praise.

When I have time.

When you have time—the friend you hold so dear

May be beyond the reach of all your sweet intent;

May never know that you so kindly meant

To fill his life with sweet content—When you had time!

Now is the time! Ah friend, no longer wait

To scatter loving deeds and words of cheer

To those around whose lives are now so drear.

They may not be here in the coming year—

Now is the time!

8-BALL

A wasp-hopper got our P.D. on the forehead Wednesday and made his eyes close shut enough to look like a Chinese. Yessir, the J. B. is wearing his eyes slanted for a period of time.

The time for the Democratic Primary election here is growing close. The first primary will be held on July 23 at the five voting boxes. Another primary—the run-off primary—will be held a month later in case there are any state or district races left undecided. Usually there is one or two races that are not decided and consequently, a run-off election has to be held.

8-BALL

A rain squall or shower rained out the Little League Ball game in Sterling Monday evening—much to the disgust of the little leaguers.

Bank Robbers Get Varied Terms

THAT ROAD BILL, recommended more than a year ago by President Eisenhower, was signed by him last week after final approval by the House three days earlier. It's a 13-year, \$33 billion highway building program, the biggest of its kind in the Nation's history.

The financing will come from a 1-cent raise in gasoline tax plus new levies on other fuels, tires, tread rubber, trucks, buses and trailers.

It is claimed the average motorist, aside from truckers, buses, etc. will pay an average of less than \$10 per year for this self-financing deal.

The master plan is to build a 41,000-mile interstate system of super-highways linking the Atlantic and Pacific, the Canadian border and the Gulf and Mexican border. Most of these will be four lanes or more.

Uncle Sam will foot about 90% of the bill for the interstate system. Also, there is a three-year program for federal aid highways outside the interstate part, for which the states will share the cost 50-50.

When you stop to think about it, this Nation is really on wheels and rolling these days. Today there is better than one auto for every three persons in the country. There are more than 48 million automobiles!

And the tragic accident rate is keeping pace this year. Last year highway casualties totaled 1,350,000, including 38,300 killed—to say nothing of the hundreds of millions in property damage.

A reckless driver reminds one of a crazy man with a gun!

TEHERE IS HOPE that this new Nation-wide road building will reduce the accident rate. And, since highway travel is tied in with our business life, the new program may be expected to perk up our economy, and at the same time help

The three Sterling City bank robbers got varied terms in the state penitentiary at their trials in Odessa last week. The shortest term was assessed Pete Moulton who pleaded not guilty. A jury assessed him six years in the pen.

Charles Peebles decided to enter a plea of guilty after one juror was chosen in his case, and his attorneys and the prosecutors reached an agreement on a term in the pen of five to twenty-two years.

Percy Allen Warren also reached an agreement and pleaded guilty. He got from five to sixteen years.

The men were all three charged with the armed robbery of the First National Bank here on May 2. They were caught on the same day after a chase by officers from this area of West Texas.

The trials were scheduled in the 51st district court here, but no jury could be assembled. Judge Joe Mays then transferred the cases to the Odessa district court.

Among the witnesses going to Odessa each day for the trial were Mrs. Nan Davis, Mrs. Bill J. Cole, Jake Martin, Bill Green, Thomas Earl Martin, W. R. Brooks, Hubert Williams, Will Durham, J. S. Cole, Hilario Rodriguez and Joe Longoria. Elton Mims from Water Valley was also a witness.

Absentee Balloting

Absentee balloting for the Democratic primary may begin here on Monday, July 9. Absentee balloting for those who will not be in the county on the day of the election may be between July 8 and 24.

The ballots are in the county clerks office and ballots may be secured there.

File This Mousse!

By Betty Barclay

A MOUSSE is one of the elegant desserts—perfect to follow a heavy dinner. Here's a simple and inexpensive variation using raisins, nutmeg and maple-blended syrup.

Log Cabin Raisin Mousse

2 egg yolks, slightly beaten; 1/2 cup maple-blended syrup; 2 egg whites; 1/4 teaspoon salt; 1/2 teaspoon nutmeg; 1/2 cup whipping cream; 1/2 cup chopped raisins.

Combine egg yolks and Log Cabin Syrup in saucepan. Cook and stir over low heat until mixture thickens and coats a spoon. Cool about 5 minutes. Beat egg whites with salt and nutmeg until stiff peaks will form. Fold egg yolk mixture into egg whites. Whip cream and fold into egg mixture; blend well. Add raisins. Place in freezing tray of refrigerator. Set control for coldest freezing temperature and freeze until firm. Freezing time: 2 to 3 hours. Makes 5 servings.

HUMBLE RESEARCH

presents to the motorists of Texas
 the world's finest automotive gasoline . . .

This new gasoline is designed for the growing number of automobile engines with very high compression ratios, and for cars that tend to knock on "premium" gasolines. In many cars, it is the only gasoline that will give you knock-free performance.

It has the highest octane rating of any automotive gasoline in town—the highest by far.

But octane rating is only one performance quality. Other improvements match Golden Esso Extra's increase in octane rating: this new gasoline also sets new quality standards for quick starting and fast warm-up, for protection against vapor-lock, for

minimizing engine deposits, for maximum acceleration, for protection against gum formation, for long mileage and maximum power.

It is the finest gasoline Humble has ever made—its performance rates it "premium over premium."

If yours is a car with a very high compression ratio—if your high compression engine tends to knock on "premium" gasoline—fill up with Golden Esso Extra at the golden pump under the Humble sign. You'll save the extra cost through performance, operating economy, and added gasoline mileage.

Golden Esso Extra is One of Three Great Humble Gasolines

Golden Esso Extra is for cars with very high compression ratios. But there are hundreds of thousands of automobiles in Texas that give perfect performance on Humble's famous Esso Extra gasoline, and there are others that perform well on regular grade Humble Motor Fuel.

Humble provides all three grades: Golden Esso Extra—premium over premium; Famous Esso Extra—premium; Humble Motor Fuel—regular.

Thus: you pay only for the quality your car requires.

Those whose cars require Golden Esso Extra quality will find it profitable to pay more for this new gasoline.

But for many, Famous Esso Extra is the best gasoline they can use, No. 1 in Texas, first in sales among the "Premiums" because it's first in quality. This great gasoline will continue to be the leader in its field.

For others, Humble Motor Fuel sets the pace for performance and mileage among the "Regulars." It is the only regular gasoline in Texas that contains a patented solvent oil to keep your engine clean.

Use and pay only for the gasoline your car requires . . .
 You'll find it under the Humble sign.

Pretty Party Parfait
RECIPE OF THE MONTH

By BETTY BARCLAY

Whipped cream, tinted pink and flavored with peppermint, separates the layers of dark chocolate sponge in a party dessert that's beautiful to behold and downright wonderful to eat. The parfait is best when served well chilled which makes it a perfect choice for entertaining because you can prepare it early in the day.

Chocolate Sponge Parfait
1 envelope (1 tablespoon) gelatin
2/3 cup sugar
1/4 teaspoon salt
1 1/2 cups milk
2 squares unsweetened chocolate
3 egg yolks, slightly beaten
3 egg whites, unbeaten
1 teaspoon vanilla
3/4 cup tender-thin flaked coconut
1/2 to 1/3 cup chilled whipping cream
Red coloring
Peppermint extract

with egg beater. Pour slowly over egg yolks, stirring constantly. Return mixture to double boiler and cook three minutes longer, stirring constantly. Cool, then chill until slightly thickened.

Beat egg whites until foamy throughout. Add remaining 1/3 cup sugar gradually and continue beating until mixture will stand in stiff peaks. Fold in chocolate mixture gradually, blending well. Add vanilla and coconut.

Place cream in small bowl. Add few drops red coloring to tint a delicate pink. Beat with egg beater until fluffy and thick. Then fold in few drops peppermint extract.

Place alternate layers of chocolate mixture and peppermint whipped cream in parfait glasses. Chill. Just before serving, top with additional whipped cream and crushed red peppermint candies. Makes nine servings.

Mix gelatin, 1/3 cup of the sugar, salt, and milk in top of double boiler. Add chocolate. Cook over hot water until chocolate is melted and gelatin is thoroughly dissolved. Blend well

Something New Under The Sun

By Betty Barclay

DON'T think for a minute that there's nothing new in the dessert department! Not when you can make a half-dozen tart shells out of caramels, peanuts and cereal! Prepare 'em shortly before dinner . . . no oven, no heating up the kitchen . . . and at dessert time you can pile each tart lusciously high with coffee ice cream . . . or a chiffon filling . . . for a real desert thrill for your family.

Caramel Cereal Tart Shells
2 cups grape-nuts flakes; 1/4 pound (14) caramels; 1 1/2 table-spoons water; 1/2 cup coarsely chopped peanuts.

Measure cereal into a large bowl. Place caramels and water in top of double boiler over boiling water. Heat, stirring frequently, until caramels are melted and mixture is smooth. Add peanuts and mix well. Pour caramel mixture over the cereal and mix lightly until flakes are well coated. Press mixture firmly on bottoms and sides of 6 to 8 greased tart pans (depending on the size). Let stand at room temperature until firm. To serve, fill with a chiffon pie filling or with ice cream.

happy vacations begin in a Chevy

You'll love to travel in it, because it loves to travel! When you get this Chevrolet out on the road, you'll want to keep going—and so will the whole family.

America's largest selling car—2 million more owners than any other make.

Of course, even in a Chevrolet the happiest vacations may involve one or two minor problems. Like fidgety small fry who want gallons of water and keep asking if you're almost there. The big things, though, are beautifully taken care of by this roomy Chevrolet's smooth and easy way of going. That's for sure.

The fact is, few cars at any price hold the road with Chevy's grace, with its solid feeling of stability. And with horsepower up to 225, Chevrolet moves out like a whiplash, for safer passing. It's no wonder that so many people who used to buy higher priced cars are changing to Chevrolet! Stop by soon for a ride.

Girls Auxiliary

The Lottie Moon G. A.'s met Tuesday at 4 p.m. at Mrs. Nolan Stewart's house. We took sack lunches and had a picnic supper. The program was "Fifty Years of Royal Service." Taking part in the

program were Edna Davis, Judy Hamilton, Marsha Stewart, Joanna Murrell, Bonnie Gartman, Ollema Davis and Lee Douthit. Leaders were Mrs. John Hamilton and Mrs. Nolan Stewart.

CARD OF THANKS

I want to thank my friends for the flowers, cards and other remembrances during my illness. I plan to return to home in Sterling City after Dr. Swann returns.

There will be a supply pastor at the First Baptist Church pulpit on Sundays until I am again able to preach.

Landmark of the Bible

MOUNT OF OLIVES: Arab Jerusalem is the religious capital of the Kingdom of Jordan, one of the Bible Lands, and is divided into two parts: The Old Walled City containing the Church of the Holy Sepulchre and many other Christian shrines, and the modern city sprawling just outside the walls amid the hills of Judea. The modern city embraces the Garden Tomb, regarded by many Protestants as the true burial place of Jesus. (Math 27:33). Shown in this picture are the Mount of Olives in the background, whence the Master is believed to have ascended into Heaven, the Stately Church of All Nations in the right foreground flanked by the Garden of Gethsemane and the seven-domed Church of St. Mary Magdalena, just behind the former church. Springtime has splashed this sacred site with all the colors of the rainbow.
