

STERLING CITY NEWS-RECORD

Vol. 69 "Since 1890" PUBLISHED EVERY FRIDAY AT STERLING CITY, TEXAS JUNE 3, 1960 No. 22

NICE RAINS WET AREA

Nice rains left more than an inch in Sterling City Monday. In fact 1.4 fell here in town and all the county got varying amounts. The ranges were drying up and the rain was beneficial.

On Tuesday night a tenth of an inch fell here in town and fall was heavier to the west. That night heavy rains fell to the far western area of the state, doing damage in towns

New Methodist Pastor Here

The Rev. John Gibbs is the new Methodist pastor for the First Methodist Church here.

The Rev. Mr. Gibbs and his family arrived here this week from Austin where he has been with the Wesley Foundation at the University of Texas. It is sponsored by the Methodists for work with the young Methodist students in the school.

The Gibbss have three children, the oldest being seven. He once served as pastor of the Methodist church in Bandera, Texas.

The Rev. Mr. Gibbs replaces Asa Avant, who is to take a year of leave from the active ministry, due to a heart attack.

Roland Lowe, local hardware merchant, is due home from the Shannon Hospital in San Angelo this week end. He underwent an operation there last week and is doing fine, it is reported.

HOSPITAL NOTES

Patients in the Sterling County Hospital on Thursday morning of this week were—
D. P. Glass
Fannie Copeland
Fred Hodges
Spencer Jackson
Dismissals since Thursday morning of last week include:
Q. M. Shelton
W. D. Augustine
Larry Horwood, removed to Shannon Hospital

WIMODSAUIS CLUB HAS NO-HOST PICNIC HONORING HUSBANDS

Members of the Wimodausis Club honored their husbands with a no-host picnic at the Nick Reed river park last Saturday night. Approximately 40 persons were present.

Served was fried chicken, salads—both fruit and vegetable, beans, cake and tea. A visiting hour followed the picnic supper.

To Methodist Summer Camp

Three local juniors from the Methodist Church are attending summer camp at Mt. Wesley, Kerrville, this week. They went to camp Monday and will return Friday night. Going were Wayland Lee Foster, Johnny Copeland and Collin Douthit.

Counselor at Camp

Mrs. Jack Douthit went to the camp as a counselor for a group of junior girls at the camp this week. George Skeete of Water Valley is a counselor for a group of the boys there.

NEED good homes for two little gray-tiger kittens, one male and one female. Kinda slim but cute. Ph 8-4671.

Rev. Geo. M. Bastian

Baptist Revival June 5-12

Revival services will begin Sunday, June 5 at the First Baptist Church. The Rev. George M. Bastian, pastor of the First Baptist Church of Fort Stockton is to be the evangelist for the meeting. Rev. Bastian will preach at the Sunday evening worship service and continue preaching each morning and evening through June 12. The evangelist is a former pastor of the Lakeview Baptist Church, of San Angelo, where the local Baptist pastor, Billy Crews, grew up.

The music for the revival will be directed by the pastor and Mr. George White, local music director.

Morning services will be held Monday morning through Friday morning, beginning at 10:05 a.m. Evening services will begin at 8:00 p.m. with the "Parson's Pals" meeting in the basement of the church at 7:30 p.m. each evening.

Special youth fellowship will be held following the services on Monday, Wednesday and Friday nights.

The church nursery will be open each evening at 7:25 p.m. Everyone is welcome to attend all of these services.

Lions To Try To Work Up Little League

The Lions Club voted to sponsor a Little League team here for the summer, and a committee was named by the president to work out a schedule for a league with other sponsors of the town. All games will be played here in Sterling in late afternoons, it was said.

The committee named to work on the little league project included Leslie Payne, E. L. Bailey, R. P. Brown, Eddie Braswell and Bill Crews.

Doyle Maddux was a guest at the meeting Wednesday. The prize went to Elroy Butler.

Ladies night and installation of officers will be held here on the night of June 28. A program of entertainment has been set up and a good crowd is expected. Tickets are now on sale at \$2.00 per person.

Mr. and Mrs. D. L. Hunt of El Paso visited D.L.'s parents, the Lee Hunts, here over the Memorial Day holiday weekend.

Has 79th Birthday

R. P. Brown, pioneer local businessman, was 79 years old last Friday. A group of friends gathered at the Brown's last Friday for a surprise party. Present were Mrs. W. B. Everitt, Mrs. E. B. Butler, Mrs. H. L. Pearce, Mrs. D. C. Durham and Mrs. Bartha McCabe.

FOR SALE—1 Siamese kitten, 1 fox terrier puppy and 1 male peacock. See Mrs. O. V. Anderson.

Cope-Ferguson Wedding Saturday

Miss Carolyn Joy Cope and Leon Ferguson were married last Saturday evening in the First Baptist Church in San Angelo. The Rev. James B. Leavell, pastor read the ceremony.

The bride is a daughter of Mr. and Mrs. R. K. Cope of San Angelo and Mr. Ferguson is a son of Mrs. V. T. Ferguson and the late Mr. Ferguson of Sterling City.

A reception was held immediately following the ceremony in Wilson Hall at the church. Mr. and Mrs. Pat Jackson and Mr. and Mrs. Wren Jackson were hosts at a rehearsal dinner Friday evening in the English room of the Cactus Hotel.

The bride was given in marriage by her father, Bernard Petty of Sterling City was best man. Brothers of the groom, Merton of Sterling and Garland of Saginaw, acted as groomsmen. Ushers were J.B. Anderson, Jr. and Jack Conway, both of San Angelo.

Roy Ferguson of Saginaw, nephew of the groom, was the ringbearer.

The bride carried a formal bouquet of calla lilies adorned with a large purple orchid in the center. There were streamers of love knots and leather-leaf fern.

Mrs. G. H. McLaughlin was organist and soloists were Dallas Goss and John Ed Carlson both of San Angelo.

A sister of the bride, Mrs. J. B. Anderson of San Angelo, was matron of honor. Bridesmaids were Mrs. Jack Conway and Mrs. Bobby Fletcher. Junior bridesmaid was Miss Donna Cope, sister of the bride. Flower girl was Miss Brenda Conway, niece of the bride.

The bride wore a dress with the waist of hand clipped French lace, with a sabrina neckline, cap sleeves, and a wide cummerbund of delustrous satin with a double bow bustle effect for back interest. The style of the skirt was a sheath of delustrous satin covered with the lace and pure silk organza.

A double silk organza overskirt made an airy chapel train. It was shadowed with motifs of the re-embroidered lace down the front extending around the train. The crown was of seed pearls with waist length veil of French illusion. She wore a strand of cultured pearls, a gift from the groom. Her gloves were lace gauntlets. She carried a handkerchief which her sisters carried at their weddings.

The bride is a graduate of San Angelo High School and San Angelo College. She was a member of the Lambda Tau Sorority, the Rameettes, BSU, and was voted "Most Photogenic" in her freshman year at college. She is now a member of the National Secretaries Association. She was a secretary at Hemphill-Wells Co., San Angelo, until May 14 when she terminated her employment there.

Mr. Ferguson is a graduate of Stephenville High School and Tarleton State College.

The couple will ranch near here on the Ferguson ranch.

Approaching Wedding Announced

The approaching marriage of Miss Carolyn Sue Gann of Lubbock and Dennis L. Bailey has been announced by Miss Gann's mother, Mrs. George Gann of Lubbock. Dennis is a son of Mr. and Mrs. H. L. Bailey of Sterling City and a Texas Tech student.

The wedding is set for June 9 at the First Christian church of Lubbock.

Miss Gann is a graduate of Monterrey High School and Draughon's Business College.

Mr. and Mrs. Horace Donalson spent last weekend in Richardson, Texas visiting the Bill Barbees. Mrs. Barbee is their daughter, the former Betty Jane Donalson.

Democratic Run-off Election Saturday

Only Two Races On Ballot

The Democratic run-off primary election will be held over Texas this Saturday, June 4. No local races are to be voted on, but there is one statewide race and a district one for local voters to cast their ballots.

All Voting To Be in One Box at the Courthouse

All voting boxes have been consolidated in one box and all voters can vote at the courthouse box, said Democratic chairman Jack Douthit this week. O. T. Jones is to be in charge of the voting at that box, said the chairman.

The polls will open at 8 a. m. and close at 7 p.m.

District Race Interest

Of the two races to be voted on, the one that holds the most interest for local voters is that for the State Representative 101st District. Angy Glenn and David Read are on the ballot and face each other in the run-off. Read led by 2838 votes in the May 7 primary to 2810 for Glenn. The three other men in the race at that time polled almost 4000 votes so the outcome is scheduled to be close.

Glenn is presently credit manager for Cosden Petroleum Corporation at Big Spring and Read says he is a young man with an interest in serving in government.

In the state race Judge W. T. McDonald of Brazos County is facing a run-off with Judge Lloyd W. Davidson of Travis County for Judge, Court of Criminal Appeals.

All other races—local, district and state, were decided in the May 7 primary, said the chairman.

Arriving here last Tuesday were Mrs. F. L. Matthews of Waco and Mrs. Charles Mahaffey of Tombaugh, mother and sister of Mrs. Frank McCabe. They brought Melinda and Beth McCabe, daughters of Mrs. McCabe, who had been in Tombaugh attending school.

southwest and the possibility of establishing a barrier area in which sterile flies are released continuously to prevent migration from across the Rio Grande. . . . We believe that if the screw-worm problem could be approached on the basis of research and large-scale pilot testing, an over-all effective and practical large-scale eradication effort in the

A \$1.3 billion federal school aid bill squeezed through the House last week. I voted against it. A four-year program, it would grant, on a 50-50 basis, funds for class room construction. Since it is substantially above the President's recommendations, it may run into a veto. The Senate version of the bill calls for federal grants amounting to nearly \$2 billion, over a two year period, and includes direct payments on teachers' salaries as well as construction. The two versions now go to a joint conference committee to iron out the difference.

A delay seems unavoidable in efforts to eradicate the screw-worm in Texas. A program of releasing large quantities of sterile male flies in infested areas has succeeded in completely eradicating that pest in Florida and most of the Southeast.

I have repeatedly urged USDA's Research Service to pursue this program in the southwest relentlessly. In a formal report based upon preliminary survey work, the Department reported last October that pending further studies the plan is not considered feasible in our area.

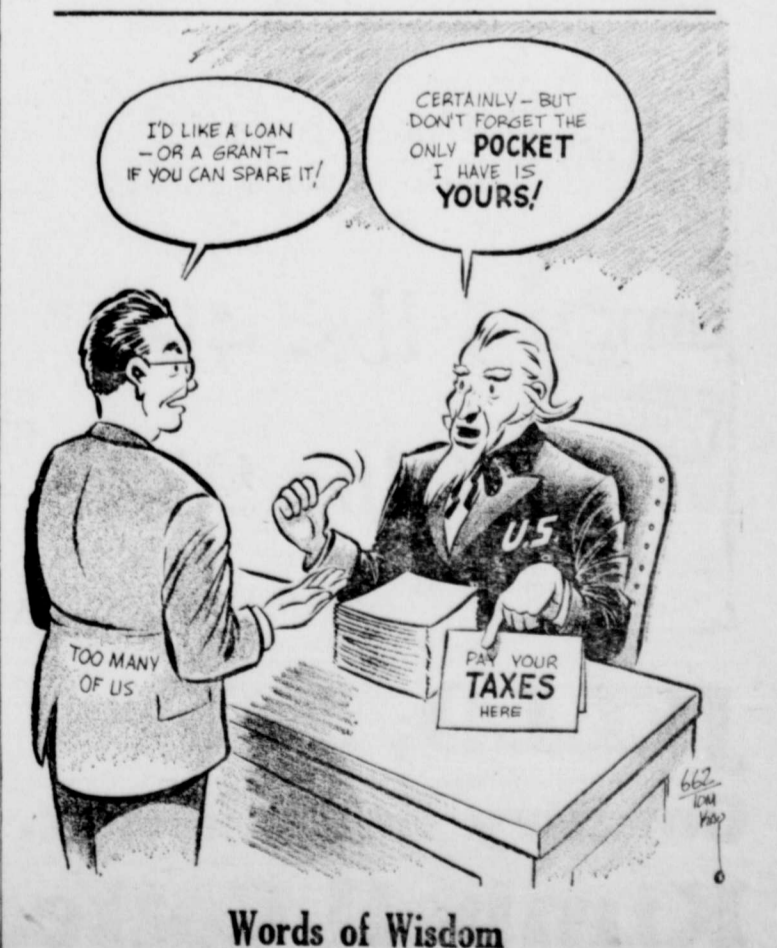

The difficulty, states Dr. E. F. Knipling, Director of Entomology Research, in a recent report to me, is that if the area this side of the Rio Grande were cleaned, it would be subject to immediate reinfestation by flies from Mexico.

"It would seem advantageous to obtain some additional research information under southwestern conditions before entering into a large-scale eradication program," Knipling continued.

"It is our thinking," he added, "that an intensive laboratory and field investigation program is necessary to determine the practicability of a large-scale eradication effort in the

Arriving here last Tuesday were Mrs. F. L. Matthews of Waco and Mrs. Charles Mahaffey of Tombaugh, mother and sister of Mrs. Frank McCabe. They brought Melinda and Beth McCabe, daughters of Mrs. McCabe, who had been in Tombaugh attending school.

THE AMERICAN WAY

Words of Wisdom

Enough time in days has elapsed for ranchers to begin aerial spraying of mesquite but in many cases, leaf development is not far enough along to give a blanket recommendation to spray. In some cases, particularly in low-lying areas, the leaves were burned by a late freeze and new leaves had to put out.

To get the most effective use of the herbicide, 2,4,5-T, the leaves should be dark green in color. This coloring shows that the leaves have reached full development and spraying can be started anytime. Leaves that are light green or yellowish in color are not fully developed and spraying should be put off until they have turned dark green. Leaves that are not fully developed will not translocate the herbicide as they should. They are tender and the diesel oil in the mixture will only burn the leaves.

This year the recommendations have been changed for aerial spraying mesquite by the Extension Service and Experiment Station range specialists. They are calling for the use of 1/2 pound of 2,4,5-T, one gallon of diesel oil and enough water to make 4 gallons of solution per acre. These recommendations have also been incorporated into the county handbook by the ASC county committee. Results by many stations have shown this new recommendation to be more effective than the old one of 1-3 pound for original growth mesquite.

If you are considering aerial spraying this year, make an inspection of the area you are going to spray before starting to spray. If the leaves are not developed and dark green, hold off until they have reached this stage. Recommendations say that you can spray anytime 40 to 90 days after the green growth appears at the buds.

Did you know that the blades on a rotary power mow-

er travel at speeds up to 150 miles an hour? It will also throw sticks or stones or other objects at the same speed and these objects can be quite dangerous as we all know from reading of incidents where people have been seriously hurt or killed by such flying objects thrown by the blades of a rotary mower.

The majority of the mowers in use today are power mowers or either the rotary type or the reel type. As the use of power mowers has increased, the number of accidents involving these machines has increased.

Here are several precautions to follow when using a power mower:

Never operate the mower without the protective shield. Disconnect the spark plug wire, or unplug electric mowers, when working on mower. Keep children and pets away from mower while operating.

Remove rocks, stones, and other objects from lawn before starting to mow. Clean sharp blades require less power and do a better cutting job.

Run mower as slow as possible to do a good job.

The annual 4th Annual Reagan County Junior Rodeo, sponsored by the Reagan County 4-H Club and the Sheriff's Posse will be held on June 17 and 18 in Big Lake. Events include calf roping, ribbon roping, hair pulling, steer riding, barrel races, pole bending, flag races, goat sackling and boot scramble.

There are three divisions: Sub-junior, 12 years and under; junior, 13-15; and senior, 16-19. A few entry blanks have been received and interested boys or girls can pick up one at the county agent's office here in Sterling City. Entries are due in the county agent's office in Big Lake at 6:00 p.m. June 16. The best all around contestant will receive a saddle.

Fallout Shelters Can Save Millions of Americans

Many Americans near the points of bomb impact could be killed in a nuclear attack by blast, heat and initial radiation. But millions could survive by the simple expedient of protecting themselves against radioactive fallout.

PRESIDENT EISENHOWER has called fallout shelters "the best single defense measure for the protection of the greatest number of our people." For about \$25 to \$150 per person, families can construct shelters, on a do-it-yourself basis, into which they can go after any nuclear attack to stay alive until radiation intensity outside lessens to safe levels, civil defense authorities point out.

Any shelter must be equipped with the necessities of life, including food, water, first aid and sanitary supplies and lights. There must be enough for all shelter occupants for at least 14 days.

Two pamphlets are available to help you construct a suitable

basement or underground shelter. One is MP-15, "The Family Fallout Shelter," which details five basic designs of concrete block, reinforced concrete and preshaped metal. The other, MP-18, "Clay Masonry Fallout Shelters," shows five other plans for basic shelters, calling for use of clay products (brick or tile).

THESE PAMPHLETS can be obtained from your local or State civil defense offices, or by writing to Box Home Shelter, Office of Civil and Defense Mobilization, Battle Creek, Mich.

Many persons building shelters are setting them up as recreation rooms, dens, or extra bedroom space, thus gaining multiple use of the facilities, civil defense officials report.

OCDM encourages multi-purpose use of shelter space. Its prime concern is that such radiation-proof shelter be provided now, officials say. On the day of any attack, such efforts would be too little and too late.

Sterling Alumni To Meet June 18

The Sterling Alumni Association will meet for the annual gathering on June 18. Such announcement was made this week by Mrs. I. W. Terry, president.

The meeting will be held at the Town and Country Club in San Angelo. A steak dinner will start at 7:30 p.m. and the cost is \$2.50 per plate.

A dance follows at 9 o'clock and the cost is \$3.00 per couple.

Reservations may be made with Mrs. Terry, Box 356 in Sterling City.

The alumni dinner is for alumni, but the dance is open to all who care to join in, it was said.

CARD OF THANKS

I want to thank everyone for all the nice things done for me while I was hospitalized in the Shannon Hospital. All were appreciated.

Sincerely,
Mrs. Mable Ferguson

BAPTIST CHURCH

Revival Meeting June 5-12
Revival services will begin at the First Baptist Church on Sunday, June 5 and continue through Sunday, June 12. The evangelist for the meeting, Rev. George Bastian, will preach his first service on Sunday night, June 5. The Rev. Bastian is pastor of the First Baptist Church, Fort Stockton, Texas. Services will begin at 7:30 p.m. on Sundays and 8:00 p.m. through the week. Morning services will be at 10:05 a.m.

REWARD NOTICE

A reward of \$500.00 will be paid by the Texas Sheep and Goat Raisers Association to any person (other than law enforcement officers) giving information causing the arrest and final conviction of any person or persons found butchering or stealing any sheep or lambs or goats belonging to any Association member in good standing. When two or more persons give information, the above sum will be divided at the discretion of the Board of the Association. When two or more defendants are involved in a single crime, the total reward is limited to \$500.00, but the conviction of one defendant, even though the other defendants are acquitted, will entitle the claimant or claimants to said sum of \$500.00. All claims must be submitted within ninety (90) days following conviction. If, upon conviction, a defendant confesses other thefts, no additional reward will be paid. All deviations concerning the payment of such reward and the conditions of payment will be made by the Board of Directors of the Association.

Short and Sweet Treats

By Betty Barclay

In fall, when days hum with added activities, turn to short-cut dessert recipes to help make the most of time spent preparing the evening meal. An easy-to-please Raisin Nut Pudding made with pudding and pie filling mix can be prepared in about fifteen minutes, and, when served as a sweet ending to the meal, will bring extra dividends of praise from the family.

Raisin Nut Pudding
1 package butterscotch pudding and pie filling mix; 2 1/2 cups milk; 1/2 cup cut raisins; 1/4 cup chopped walnuts.

Combine pudding mix and milk in saucepan. Then add raisins. Cook and stir over medium heat until mixture comes to a full boil. Remove from heat and add walnuts. Pour into sherbet glasses. Chill. Serve plain or with cream. Makes 5 or 6 servings.

\$400 MONTHLY SPARE TIME
Refilling and collecting money from New Type high quality coin operated dispensers in this area. No selling.

Pat Jackson, 82, Buried Tuesday Afternoon

Funeral services for Pat H. Jackson, 82, a prominent pioneer ranchman, were held Tuesday afternoon in the First Presbyterian Church in San Angelo. The Rev. Harold Odum, pastor, and Dr. B. O. Wood, pastor emeritus, officiated.

Burial was in Fairmount Cemetery under the direction of the Robert Massie Funeral Home.

Mr. Jackson, an area ranchman since 1901, suffered a fatal heart attack Sunday morning in his apartment in the Hotel Cactus. He and Mrs. Jackson were preparing to attend church when he suffered the attack.

The death ended a most unusual partnership between Mr. Jackson and his brother. Wren Jackson of Best. Since the two become partners in a Schleicher County ranch, there never was a separate bank account or separate piece of property.

The partnership for many years had one of the largest herds of Aberdeen Angus cows in the nation on their seven ranches, which at one time consisted of 214 sections of land.

Mr. Jackson was born Mar. 2, 1878 near Stephenville. He and Wren Jackson entered the Schleicher County land rush in 1901 at the suggestion of a family friend, G. E. Toliver, who also financed the venture.

Despite an eager crowd waiting to file for the state-owned land in Schleicher County, the two were among

the first half dozen into the small cabin, where they promptly homesteaded seven sections. The land cost \$1 an acre, 17 down and 3 percent interest on the balance with years to pay for it.

Those seven sections make up a part of the brothers' Schleicher County ranch that is owned today by the partnership and has been operated by them for almost 60 years.

Each of the brothers built a house on seven sections. Mr. Jackson once recalled the houses cost less than \$25 each. While one brother stayed on the ranch, the other would work out as a ranch hand. They alternated the outside work.

The brothers borrowed money from Stephenville friends to purchase their first herd of cattle, 100 whiteface steers at \$10 a head. A year later the cattle sold for \$18.

Later, the two acquired ranches in Sterling, Fisher, Edwards and Lampasas counties, a University lease in Reagan County and for years they operated a large ranch in New Mexico.

Mr. Jackson and Miss Minnie Kennedy were married Feb. 3, 1942 in San Angelo.

Survivors include his wife; two brothers, Wren and R.H. (Dick) Jackson of San Angelo; a sister, Mrs. V. T. Ferguson of Sterling; six nephews and three nieces.

Pallbearers were Bertram Gray, Claude Gibbs, Jr., Tom Ault, W. B. Wilson and Carl Runge, all of San Angelo; W. R. Stumberg of Sanderson, Jess Koy of Eldorado and Charles Speck.

In case of fire Dial 2121.

Notice of Board of Equalization Meeting

In obedience to an order of the Board of Equalization, regularly convened and sitting, notice is hereby given that said Board of Equalization will be in session at its regular meeting place in the Courthouse in the town of Sterling City, Sterling County, Texas, at 9:00 o'clock A. M. beginning on Monday the 13th day of June, 1960, and from day to day thereafter, for the purpose of determining, fixing and equalizing the value of any and all taxable property situated in Sterling County, Texas, until such values have been determined for taxable purposes for the year 1960, and any and all persons interested or having business with said Board are hereby notified to be present.

Widows Get Full Social Security Benefits at Age 62, Says Ellington

"Widows should apply for social security benefits as soon as they are 62", Floyd B. Ellington, Manager of the San Angelo District Office advises. "It would be even better if they applied a month or two before they are 62. Of course no one should delay, but widows in particular should be careful to apply for benefits promptly."

A woman's benefit based on her own account, or on the account of a living husband is reduced if she applies before age 65, but a widow's benefit is different. Widows' benefits are not reduced and the full amount is paid at age 62.

"So, if you are a widow", Ellington explained, "And we once paid you a lump-sum or monthly benefits, you should apply again when you are 62. In fact, you can speed your first check by applying a month or so before."

Refilling and collecting money from New Type high quality coin operated dispensers in this area. No selling.

To qualify you must have car, references, \$600 to \$1900 cash. Seven to twelve hours weekly can net up to \$400 monthly. More full time. For personal interview write P.O. Box 1055, Boise, Idaho. Include phone number.

"Who owns the Electric Company?"

A lot of our own customers can't answer that one. But there's certainly no secret about it.

The electric company is owned by people. Thousands of people, like you, who invest their money and help the company to grow.

Your electric company is not owned or run by the city. Not by the state either. Not by any kind of government. It is an independent business.

That's an important reason why you get the best possible electric service at such a low price.
