West Texas Utilities

Company

HIS year, West Texas Utilities Company is expanding its area development activities because we believe the growth opportunities ahead demand it.

We believe our service area faces growth unlimited because we are the center of the Southwest, and the Southwest is growing faster than the Nation.

This is the kind of story we are telling American industrialists in our national area development advertising. It is being supplemented by colorful folders depicting the industrial advantages of the area, and by personal visits which our representatives will make during the year.

Through the expanded area development program, we are working to help build this community, because as the Southwest grows, so should West Texas Utilities grow ... and the communities we serve.
