AROUND THE COUNTY by

ARTHUR BARLEMANN, JR. COUNTY AGENT

A number of people were quite interested in the head-gates used by the brucellosis testing crews while working here. The gates impressed them because they were simple to operate and did not choke the cattle since there was nothing beneath the animal's throat.

Plans for the gate are available in the county agent's office. They were drawn up by the Extension Service Agricultural engineer and distributed to all county agent's offices after the gate attracted much attention all over the state.

The gate is simple to construct, either of oak or pipe. It can be constructed with tools usually found around the ranch or in a welding shop if it is to be made of pipe.

Anyone wanting a plan for the gate can have one by calling, dropping a card or coming by the office. The plan also includes a complete bill of materials.

At least four Sterling County ranchers are planning to attend the sheep and wool, goat and mohair school at Junction for producers next Tuesday and Wednesday. Those presently planning to go are Gene Alley, Dayton Barrett, Clinton Hodges and Charles Probandt. There is still time to get your name on the list if you would like to attend.

There is no charge other than that for meals and lodging while at Junction. Reservations have been made for those who have indicated they will attend but we can still take others. Several others have said they would like to go if circumstances permit.

Dr. O. E. Sperry of the Texas Agricultural Experiment Station was in the county last week. Purpose of the visit was to do some early spraying of perennial broomweed or turpentine weed but the weather put a halt to the operation before it got started.

Dr. Sperry was here on Thursday afternoon but by the time the plots were staked off and lined up, the squall line ahead of the cold front had struck and halted the operation. The equipment and chemicals were left here on Friday and Dr. Sperry returned to College Station.

Plots to be sprayed are located on the J.T. Davis Estate ranch. They are to be sprayed this week by the county and local men interested in the test. These three plots of about five acres are to determine the effect of early spraying.

In April, a number of plots will be sprayed on the Davis ranch and the Dayton Barrett ranch. Ground equipment and air equipment will be used. Several chemicals will be used to determine the most effective.

Some people would like to kill the ryegrass which is flourishing in their lawns now. It comes out early but later on when the bermuda and other lawn grasses should take over, it competes for awhile and is unsightly.

Ryegrass can be killed by spraying with endothal or using it as a mop solution. It will also kill many of the broad leaved weeds such as clover.

For ryegrass and rescue grass, use 6 or 7 tablespoons of endothal in a gallon of water. Add one teaspoon of liquid household detergent or three tablespoons of dry household detergent. Apply the mixture as a spray or mop it on until the leaves and stems are wet.

If weeds and grass are tall

R.E. Martin, 84, Dies; Funeral Today

R. E. Martin, 84, died in the Sterling County Hospital at 6:55 a.m. Thursday of this week. He had been a patient off and on for several weeks, but he was active up until his last confinement.

Funeral services will be held today at 3 p.m. at the First Methodist Church with the pastor John Gibbs and the Presbyterian minister, H. C. Travis, officiating. Burial is to be in the Foster Cemetery.

Mr. Martin was born in Comanche County December 23, 1876. He and Nettie E. Payne were married there on September 22, 1897. She died here July 27, 1957.

Mr. Martin had been a resident here for 30 years, having moved here from Sanco.

The Lowe Funeral Home is in charge of arrangements.

Survivors include three-sons all of Sterling City: W. L. Jake and Roy Martin; and three daughters, Mrs. T. A. Garman of Sterling City, Mrs. Opal McManus of Corpus Christi and Mrs. George Keessse of San Angelo and a large number of grandchildren and great grandchildren.

Pallbearers named include S. M. Bailey, John Brock, C. C. Ainsworth, W. W. Durham, Jim Hinshaw and Bob Fields.

Mrs. Forrest Foster Noratadala Hostess

Mrs. Forest Foster was the hostess when members of the Noratadala Club met on Thursday evening of last week. The meeting was held in the community center. A salad plate was served.

A thank-you note for the club's stock show award was read from Betty Jo Barrett. The club discussed helping buy some stainless steelware for the community center kitchen.

Delegates to the district convention (Heart o' Texas) were named—being Mrs. Robert Foster, and Mrs. Worth Durham, alternate.

Mrs. J. R. Dillard discussed "A New Beauty in Texas—the Sonora Cavern".

Bridge was played and high club prize went to Mrs. Worth Durham and Mrs. Robert Foster bingood.

Others present were Mrs. Joe Emery, Mrs. Bill Brooks, Mrs. Hubert Williams, Mrs. Foster S. Price, Mrs. Chesley McDonald, Mrs. Martin Reed, Mrs. Alvie Cole, Mrs. Dayton Barrett, Mrs. Finis Westbrook and Mrs. Neal J. Reed.

FFA Barbecue Supper March 24

The local FFA chapter is having a barbecue supper and entertainment on the night of Friday, March 24. A barbecue supper will be served in the school lunchroom beginning at 5:00 p.m. An entertainment is to be offered at 7:30 in the auditorium, said C. L. King.

Cost will be \$1.25 for adults and 75c for children. Money raised will be used by the local chapter in putting on the annual banquet

—more than three inches tall mow closely and treat three or four days later. Be careful when using endothal as it is poisonous to all warm blooded animals when taken internally. Pets should be kept off the lawn for several days after using.

Red Cross Drive Lagging Here

Less than 25 persons from Sterling have sent in their requested \$1 memberships, according to Maurine Prescott of the San Angelo office. Appeals were made earlier this month in letters from W. R. Brooks, Sterling County roll call chairman.

Red Cross support is needed to provide from training in First Aid, and Water Safety to prevent trouble and make for healthier and safer families. 40 percent of the Red Cross budget goes for the armed forces. Most men in service use Red Cross services sometime during their enlistment; when sick, wounded or in need of welfare or recreation; money is advanced in emergencies, but Red Cross is not a loan agency, and charges no interest. Red Cross gets facts on home conditions to help the military authorities decide on emergency leaves, but does not grant or recommend leaves. Families of servicemen are helped with personal problems. Veterans are assisted by helping them in connection with appeal claims for disability, service records, discharge papers, hospitalization or death benefits. In disaster Red Cross provides food, shelter, clothing and medical care. This relief is based on need, not on loss.

EDUCATION ALERT PROJECT SPONSORED BY LOCAL PTA

Members of Sterling City PTA will contact friends and neighbors on Thursday, Mar. 3 in a program of public information, concerning educational needs for the community's children and youth.

The project, known as EDUCATION ALERT, is a voluntary public service, undertaken by the Texas Congress of Parents and Teachers, through its member units, to awaken citizens to the need of support for quality education.

Information about basic educational needs will be furnished, and people will be given an opportunity to let members of the Legislature know whether they are in favor of quality education for Texas children and youth, and whether they are willing to pay their fair share of the cost.

Stated the organization's board of Managers, at its January meeting in Austin: "Since we are an educational organization, it would be out of character for parent-teacher associations to recommend or endorse a specific tax or proposed tax bill"; however, Mrs. T. W. Whaley of Kosse, president of the Texas Congress, added "Individuals, acting in individual capacity, should freely express preferences for or against any particular tax or tax bill or any legislative program. Good citizenship requires that individuals advise freely and constructively with legislators."

Mrs. Whaley emphasized that Education Alert is a project undertaken solely in the interest of the state's future citizens.

Local PTA members, taking part in the project are as follows: Mrs. David Glass chairman, Mrs. Chesley McDonald, Mrs. Neal J. Reed, Mrs. John Gibbs, Mrs. J.R. Dillard, Mrs. Alvie Cole, Mrs. Leslie Payne, Mrs. H. S. Latham, Mrs. Roy Morgan, Mrs. Ross Foster, Mrs. C.L. King and Mrs. C.J. Copeland.

To Gulfport, Mississippi

Mrs. Wm. J. Swann, Mrs. Lester Foster and Mrs. Lee Augustine left Wednesday morning for a visit in Gulfport, Mississippi. There they will visit a sister of Mrs. Swann, Mrs. James Crossland. The trio flew to New Orleans and were met there by Mrs. Crossland.

In Case of Fire Dial 8-2121

MRS. CHESLEY McDONALD

Presides at P-TA District Conference This Week

Mrs. Chesley McDonald of Sterling City, president of the 16th District, Texas Congress of Parents and Teachers, presided at the 1961 Spring Conference at Big Spring Tuesday and Wednesday of this week. Most of the meetings were held in the Cosden Country Club.

Theme of the conference was "Homes Develop Character for Tomorrow's World." As president, Mrs. McDonald had worked up the conference with her district and some state officials of the P-TA.

Workshops were held to develop leaders. A number of local persons had parts in the workshops as well as the general program. School superintendent O. T. Jones gave the invocation at the Wednesday luncheon. Mrs. Alvie Cole, secretary of the 16th district, helped put on a skit, and had other duties. Mrs. Leslie Payne was in charge of exhibits and took part in the workshops.

Also attending from Sterling as delegates were Mrs. Roy Morgan, president, Mrs. Ross Foster, president-elect, Mrs. John Gibbs, Mrs. Billy Ralph Bynum and Mrs. David Glass, chairman of the Education Alert Committee. Also attending from Sterling City were Mrs. W.N. Reed, Mrs. J. C. Reed and Mrs. N. H. Reed.

The affair opened on Tuesday afternoon with the registration of State and District Board Members at the Settles Hotel. A tea was held there in the home of Mrs. J.H. Homan before the district board meeting at 4 p.m. in the hotel.

Following a TV program over KEDY, Big Spring, the officials were honored with a dinner, courtesy of the Big Spring Board of Education.

The program proper took place Wednesday all day at the Cosden Country Club. Among the state representatives that Mrs. McDonald had lined up to help were Mrs. F. C. McConnell, State Vice President; Mrs. Vernon Jackson, State Cultural Arts Chairman; and Mrs. W. F. Miether, president of the 17th district. Odessa.

Ten Music Pupils in Midland Recital SUNDAY AFTERNOON

Ten piano music students of Mrs. Dick Mitchell, appeared in a recital Sunday afternoon in Midland. The two-hour recital was held in the Stephen F. Austin Junior High School Auditorium there.

Sixteen music teachers of the Midland Music Teachers' Association had pupils in the recital which featured 270 pupils from the area.

Music students from Sterling City in the recital were Lynn Alexander, Charlotte Foster, Jay Clark, Beverly Brooks, Betty Jo Barrett, Barbara Durham, Rosanne Foster, Lee Douthit and Elaine and Shirley Price.

Hill Allen of Throckmorton father of Mrs. Foster Price, is seriously ill with a heart attack. Mrs. Price has gone to Throckmorton to be with her father.

71 Names Listed On Senate Ballot

SET FOR APRIL 4

LIONS CLUB

Track Coach Joe Douglas told the Lions Club members about the Sterling track teams when the club met on Wednesday for the regular weekly luncheon.

Douglas said the track boys had already participated in track meets at Graham and Sonora and would go to the Grandfalls meet this Saturday.

Lion John Gibbs was named chairman of the club's committee to work up a summer program of recreation, etc. for the young people here. Also on the committee were M. H. Hays and Rex McCleave.

The prize went to Wayne Loury. It was reported that a net profit of 55.78 was made on the picture show that the club sponsored last weekend. Other guests included a Mr. Lancaster and a Mr. Sander-son.

School Trustee Election April 1

There will be a school trustee election here on Saturday, April 1. Three board members' terms are expiring, being David Glass, R. T. Foster, Jr. and W. R. Morgan.

Other board members whose terms are not expiring this year are Finis Westbrook, Reynolds Foster, John Copeland, Jr. and Chesley McDonald.

The election will be held in the courthouse and Mrs. Lee Augustine is the judge in charge of the election.

City Election Here On April 4

Three City of Sterling City councilmen will be named in the city election here on April 4—Tuesday. No names are printed on the ballot, but the three men whose terms are expiring are Fred Hodges, H. D. Glass and Hugh Harzke.

The election will be held in the city hall back of the drug store as usual. Seemingly in competition that day is the special Senate election. It will be held in the courthouse here in town and in the usual boxes at the regular polling places.

There are 71 names printed on the ballot for the special election to name a successor to Lyndon B. Johnson's Senate seat. The election will be held statewide on April 4, and there is most likely to be a runoff election a month later.

Voters can take their choice of names from Allen to Zertuche. Odd names like "Chefe" Vela, Homer Hyrim Stalarow, George Red, Al Savage, Frank Madera, Knoblauch, Nemecek appear on the list. Also Dr. Mali Jean Rauch Barraco of Harris County, along with Jake Bergolofsky of Wichita County. Then some little old plain names like Allen, Amos, Brooks, Gay George, Hill and Red are for those wanting a simpler name.

Bing Crosby's father-in-law is in the race. He is Delbert E. Grandstaff, the father of Kathy (Grant) Crosby.

Only six are given an outside chance of making the run-off—being Bill Blakley, who is now serving, Will Wilson, attorney general of the state, Jim Wright, the Fort Worth Congressman, Maury Maverick, Jr. of San Antonio because of his name, State Senator Henry B. Gonzalez of San Antonio, and the Republican John Tower, because he ran a good race against Lyndon Johnson in the general election in November.

Voters Must Scratch Out Names on Ballot

According to the Texas law on marking ballots, voters must leave the name he or she wants to vote for and mark or scratch out all other names. This is the old Texas way of marking the ballot.

The Texas Election Bureau in Dallas wants returns of all counties as soon as possible that night. Jack Douthit will tabulate the votes at the News-Record shop and call in the returns. He asks that all the judges please call in to the News-Record soon as possible that night. Phone is 8-3251. Results will be posted on a cardboard in front of the shop that night.

Master Sergeant Bobby H. Lindsey, stationed at the Air Force Base, Roswell, N.M. recently visited here with his aunt, Mrs. Jack Reeves.

In case of fire dial 8-2121.

GENERAL SYSTEM America's Largest Independent Telephone System

Measuring the worth of a message

Today's telephone is a far cry from the old pony express — an enormous advance in communications.

There it is, available for use around the clock. And the call you make can be local, across the continent, or overseas.

What's more, the lines and the intricate electronic equipment behind your telephone are maintained continuously, as an unseen part of the service you get.

Any way you measure it, the modern telephone is one of today's big bargains.

GENERAL TELEPHONE

COMPANY OF THE SOUTHWEST

OUR WASHINGTON Letter

By Congressman O. C. FISHER

A revival of FEPC (Fair Employment Practices Committee) has been directed by President Kennedy. But the coverage will deal only with employment by contractors holding government contracts.

Under this policing plan, a committee will hear complaints from any dissatisfied job-seeker who claims he or she was denied a job or promotion because of race or religion. If found guilty the contractor could be penalized in various ways. The President appointed Vice-President Lyndon Johnson to head the committees that will run herd on the hundreds of government contractors and sub-contractors who had better watch out. Small wonder business complains about too much government meddling and interference in their affairs.

The Supreme Court showed some signs of being judicial minded in a 5 to 4 decision the other day which upheld a contempt of Congress conviction of two men who refused to answer questions asked by the House Un-American Activities Committee. They had been questioned about subversive connections.

As you might expect, the dissent came from Justices Black, Brennan and Chief Justice Warren. This decision may indicate a switch in the balance of power on the Court in favor of the moderate-conservative wing that does not choose to treat the communists as just another political party but rather as a menace and a conspiracy.

The drive to up the minimum wage to \$1.25 per hour and extend coverage is due to be decided in the House this week. A mass of evidence has been presented at hearings tending to show that a considerable number of people will be thrown out of work if this effort succeeds.

As an example of this, the other day a man telephoned me from our district and said his firm employs on a part-time basis 5 high school and college students, pays them a dollar an hour, but that it will not pay the firm to keep them at a \$1.25 an hour. They simply do not produce enough to justify the raise, and the increase will cause all five to be laid off. All that glitters is not gold.

Among recent visitors have been Sam De Chearo, Alton McEver, George Gann and Fred Tarris, all of San Angelo; L. V. Ruffin of Brady; R. C. Crabb of San Angelo; Larry Rabb of Robert Lee, now stationed at Ft. Jay, N. Y.; Houston Harte, Weldon Jones, John Taylor, Tom Wallace, and Mrs. Matthew Kane, all of San Angelo; and Capt. Alan W. Saunders of Sonora, now stationed at San Francisco.

WANTED, NEEDED, rocking chair, a rug, Bible books for children, and a child's walker or jumper chair for nursery at Methodist church. See or call Mrs. Billy Ralph Bynum.

Brucellosis Data

Requirements Governing Removal of Cattle From Livestock Markets

After cattle are purchased and before removal from livestock markets, it shall be the joint responsibility of the purchaser and the livestock market operator to have all cattle subject to brucellosis tests or vaccinations, tested or vaccinated.

1. All cattle—except steers, spayed heifers, calves under 8 months of age and official brucellosis vaccinates under 30 months of age—leaving this market to premises in any county in which Type II Brucellosis Work is being conducted or has been completed, will have to comply with the following:

a. Cattle originating in a Modified-Certified Brucellosis County or Certified Brucellosis Free Herds and accompanied by health certificate, when kept separate and apart from other cattle in clean pens used for that purpose ONLY, can move without further tests.

b. Cattle from other than Modified Certified Counties accompanied by official health certificate showing negative to brucellosis test within 30 days, kept separate and apart from other cattle in clean pens used for that purpose ONLY, can be moved directly to owners premises, under

quarantine, retested in not less than 30 nor more than 60 days, and, if negative, released.

2. In the event laboratory facilities are not available in the town where the livestock market is located, the livestock market will be required to furnish space and install necessary brucellosis testing equipment required under regulations of the Texas Animal Health Commission.

3. The veterinarian, before conducting and certifying to results of brucellosis tests at the livestock market, shall be specifically approved to conduct such tests.

Good Friday Services at First Presbyterian Church

There will be a Good Friday service at the First Presbyterian Church here at 7:30 p.m. it has been announced.

A choir, made up of singers from the participating churches, will sing six special numbers. Stan Horwood is in charge of the music.

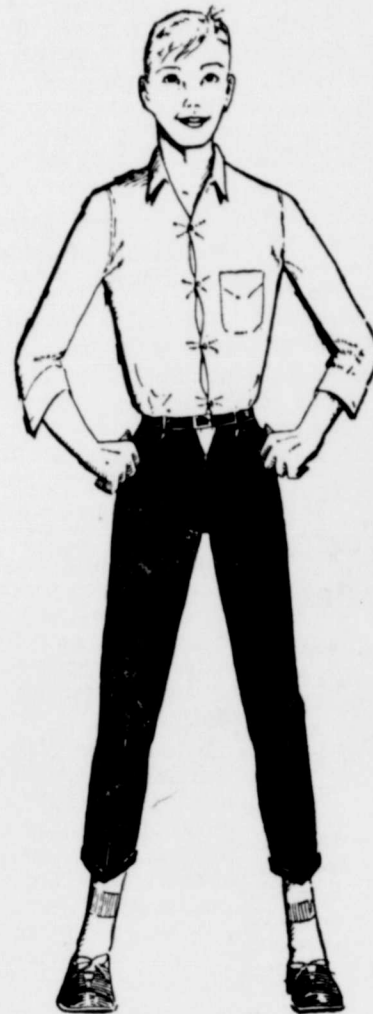

The singing and scripture reading will constitute most of the program, it was said.

Easter Week at First Methodist Church

On Palm Sunday, March 26 children who have made a profession of their faith and are in the church membership class will unite with the church, said pastor Rev. John Gibbs this week.

Sunday through Wednesday, March 26-29 Vesper Services will be held each evening at 7:30 in the church sanctuary. On Thursday at 7:30 to 9:00 there will be the observance of Holy Communion at the church services.

Good Friday Services
 On Friday evening, March 31, the church will cooperate in the interdenominational service of music and worship at the First Presbyterian Church here.

Bustin' out at the seams!

The WTU service area is growing fast and the facts prove it. Personal income, retail sales, value added by manufacture, bank deposits, savings, construction and other growth factors all are on the way up.

This company's own record of growth in the past decade is further evidence. Our KWH sales have increased 154 per cent, and our generating capability has increased 212 per cent.

Notice that our capacity to serve has increased even faster than our sales. That is because we are working hard to stay ahead of area growth — to have facilities available to serve more people, businesses and industries as they come.

Such an objective is back of our current multi-million-dollar expansion program. One example of it is the new generating station under construction at Oak Creek Lake. When completed it will provide in the very beginning an additional 75,000 kilowatts to our system.

Such long-range expansion plans and the cost figures are significant for one very simple reason. They stand as living testimony to our faith in the future of this area — as evidence of our belief in GROWTH UNLIMITED.

REWARD NOTICE

A reward of \$500.00 will be paid by the Texas Sheep and Goat Raisers Association to any person (other than law enforcement officers) giving information causing the arrest and final conviction of any person or persons found butchering or stealing any sheep or lambs or goats belonging to any Association member in good standing. When two or more persons give information, the above sum will be divided at the discretion of the Board of the Association. When two or more defendants are involved in a single crime, the total reward is limited to \$500.00, but the conviction of one defendant, even though the other defendants are acquitted, will entitle the claimant or claimants to said sum of \$500.00. All claims must be submitted within ninety (90) days following conviction. If, upon conviction, a defendant confesses other thefts, no additional reward will be paid. All decisions concerning the payment of such reward and the conditions of payment will be made by the Board of Directors of the Association.

THE AMERICAN WAY

HOW TO LOSE YOUR MONEY...

Either Way—You Lose

YOUR BREATH CAN SAVE A LIFE!

Here's the Red Cross-approved "mouth-to-mouth" method that's saving thousands of lives.

1. Clear Victim's Throat of water, mucus, food, if present.
2. Tilt Head back to open the air passage.
3. Hold Jaw in jutting-out position.
4. Blow into mouth (and nose, if victim is a small child) until you see the chest lift.
5. Remove your mouth; listen for air return from victim's lungs.
6. Repeat about 12 times a minute for an adult, about 20 times a minute for a child.

This form of artificial respiration has already saved thousands of lives. Your generosity helps Red Cross find new ways to save lives.

Good things happen when you help!

IN THIS WORLD

THE NATION'S FIRST GASOLINE TAX WAS IMPOSED BY THE STATE OF OREGON IN 1919... PURPOSE: TO PAY FOR HIGHWAYS.

LOYAL M. GRAHAM, OREGON LEGISLATOR WHO PROPOSED THAT TAX, RECENTLY SAID: 'I NEVER THOUGHT IT WOULD GET OUT OF OREGON... BUT IT DID!'

TODAY EVERY STATE HAS A GASOLINE TAX. ON A NATION-WIDE AVERAGE THESE TAXES COME TO 10 CENTS A GALLON, INCLUDING A 4-CENT FEDERAL LEVY, AND THEY BRING IN MORE THAN 5 BILLION DOLLARS A YEAR.

L. M. GRAHAM OF FOREST GROVE, ORE. CELEBRATED HIS 100TH BIRTHDAY, NOV. 20, 1960.

ON JUNE 30 THE FEDERAL GASOLINE TAX IS SCHEDULED TO RETURN TO 3 CENTS A GALLON, AT THE SAME TIME SOME OTHER HIGHWAY-USER TAXES NOW SPENT FOR GENERAL PURPOSES WILL GO TO HIGHWAY FUNDS, RESULTING IN A NET GAIN OF OVER 200 MILLION DOLLARS PER YEAR FOR THE FEDERAL GOVERNMENT'S HIGHWAY FUND.

Get the NEW 1961-1962 Texas Almanac

Off the press in January. Order your copy now!

1961 1962 TEXAS ALMANAC

NEWEST CENSUS FIGURES

Actually an amazing complete encyclopedia of Texas, the new Almanac (with the final 1960 census figures to work from) contains millions of facts and figures about the Lone Star State heretofore unpublished. An invaluable reference source for businessmen, teachers, students, salesmen, farmers, etc. Ideal as a gift!

Over 700 pages!

Contains a big, up-to-date foldout map of Texas. Full details on each county — an individual map, killing frost dates, growing seasons, average rainfall, production figures, etc. Exhaustive information on all phases of manufacturing, livestock, crops, oil, transportation, history. Complete statewide election results.
