AROUND THE COUNTY

ARTHUR BARLEMANN, JR. COUNTY AGENT

If you are being troubled with snakes around the house, there are snakes repellants on the market now which are designed to repel snakes. These repellants, according to Ed Cooper, Extension Wildlife Specialist, are granular chemicals which are sprinkled around the house, yard, or garden.

If you are interested in knowing more about these chemicals, or in getting some for use around your house, the address of the company handling them in Texas is available in the county agent's office.

Checks for \$205,187.81 were mailed out to Sterling County sheep producers the first part of this week according to Eddie Braswell, local ASC office manager. These checks were payment to producers under the wool incentive program.

Payment for shorn wool amounted to \$182,622.14 while payment for unshorn lambs amounted to \$22,565.67 according to Braswell.

The wool payment was made on 1,012,805 pounds of shorn wool which brought producers \$412,169.32 when sold last year, or up to and including April 30, 1961. Compared to the 1959 marketing year, this is an increase for the county, in production, of 144,585 pounds of shorn wool. 1959 production was 868,220 pounds and the incentive payment was \$165,547.25. Average price per lb. to the grower before incentive in 1959 was 44.1 cents while in 1960 it was 40.7 cents per pound.

Payment this year was made on 3,009,670 pounds of unshorn lambs. Unshorn lamb payment was based on the rate of 80 cents per hundred pounds while shorn wool payment was \$47.60 for each hundred dollars worth of wool sold.

Deductions for the promotion fund were made in accordance with the law. Shorn wool deductions amounted to \$9,298.57 while lamb deductions amounted to \$1,504.34. This money is used to promote the use of wool and lamb through national advertising.

The recent rains could make this summer one of the best in years for a rancher to defend some of his rangeland. Native grasses will make seed in 4 to 6 weeks but it is best to defer a pasture all summer if possible. In this time, the grasses will seed and have a much better chance of establishing seedlings.

Tom and Bill Humble sprayed the weeds on the rootplowed plot along the highway last Friday. The June rains had brought up a luxuriant crop of annual broomweeds, tumbleweeds, and lamb's quarter on the plot.

The plot was reseeded with native grass on April 20 with the range seeder belonging to the range experiment station near Amarillo. Some seedlings are coming up on the plot as a result of the seeding and it was necessary to remove the weeds from competition for the moisture if there was to be any chance for the seedlings to survive and grow.

The April reseeded operation was the fifth time that the plot has been reseeded since rootplowed in April of 1956.

BRASWELL COON DOG TOPS

Eddie Braswell's coon dog, Duster, was top dog in three events at the Concho River Coon Hunter's Association Field Trials on June 25. The J.T. Nelson farm near San Angelo.

Duster placed first in Coon in Hole Contest, Coon on Log and Coon Drag Race.

Stricter Rules?

DOCTORS ASK FOR STRICTER CONTROLS ON AUTOMOBILE DRIVERS

A highway billboard illustrating the bloody, crumpled body of an automobile accident victim may have little effect on a holiday driver.

But, would he be more cautious if threatened with loss of his drivers' license?

Two doctors, one from Wichita Falls and one from Detroit writing in the June issue of the TEXAS STATE JOURNAL OF MEDICINE, plead for stricter controls on all drivers.

Dr. Donald N. Sweeney, Jr., of Detroit, whose article, "A Privilege-Not a Right" was first published in the Detroit Medical News, calls on physicians to convince their patients who are not qualified to drive to give up the privilege.

Inproper organic defects or emotional disturbances which prevent the proper management of a motor vehicle should be reportable, "Dr. Sweeney declares. "These medical aspects of traffic safety are fundamentally the responsibility of the medical profession. In this area, there can be no regard for 'hardship cases'. You may be the next accident victim. Survival depends on a driver who is mentally alert, in good physical condition and emotionally aware of the dangerous task as is performed."

Dr. Sweeney thinks that the basic solution "to our national public health problem of highway destruction" lies in more education. If necessary, he thinks courses in art, music, and home economics should yield to driver training in the schools. In addition, he believes that courses should be required for the public not only for beginners but also for those whose licenses have been in jeopardy or revoked.

Other points Dr. Sweeney makes: a chemical test of breath or blood must be demanded in all instances in which driving while drinking is suspected; and automobile designers must assume that some crashes are unavoidable and others inevitable.

"Extra cost and safety devices such as harnesses, doorlocks, polarized headlight lenses, high extension seats, shock absorber bumpers can be compensated for by less chrome, less hood ornaments, fewer knick-knacks and knobs. It is astounding to see how little has been spent on safety devices compared to advertising for sale of an automobile."

Dr. C. MacGeyer of Wichita Falls reports in his article, "Connecticut Highway Safety", on the positive program initiated in Connecticut to halt highway slaughter.

The program is based on the premise that fear of death does not slow drivers but fear of loss of license does.

Deaths in Connecticut were drastically reduced after the strict program was initiated in 1953. By 1959, Connecticut had the nation's lowest traffic death rate.

"In Connecticut," Dr. Geyer notes, "the first speeding conviction means loss of license for 30 days, second offence 60 days, and third conviction an indefinite suspension."

According to the Wichita Falls physician, statistics show that excessive speed, the greatest killer, causes 37 per cent of highway fatalities and drunkenness causes 30 per cent. For the latter, first offenders in Connecticut lose their license for one year, second offenders for five years, and third offenders permanently. In addition, there are mandatory jail sentences—a month for the third offence, a minimum of 60 days for second offenses and a minimum of six

Quarterhorse Show Here July 8

There will be a Quarterhorse Show here on Saturday, July 8, it has been announced. The horse show will start at 9:00 o'clock that morning and is to be held at the rodeo pens just west of town.

J. D. Craft of Jacksboro is to be the judge of the show, said Mrs. Alvie Cole, secretary of the affair.

Division for Youngsters

There is to be a division for younger horse owners this year said Mrs. Cole. Their horses do not have to be registered. Events for the group, ages 12 to 18 include roping, reining, barrel racing and western pleasure.

LITTLE LEAGUERS BEAT FORSAN TWO GAMES LAST FRIDAY

Little Leaguers Play Forsan

Coach Leonard Wright took his Little League baseball boys to Forsan last Friday night and the boys took two games from the Forsaners. Wright plans to take his boys back to Forsan this Friday for another two games.

All interested persons are cordially invited to go to the games. The team and their followers usually leave Sterling City about 6:00 p.m. and the game usually starts at 7 p.m.

Wright's boys won the first game last Friday 4-3 and the second by 12-11.

North Concho River Soil Conservation News Column

The Soil Conservation District Supervisors of Area II will meet in Sterling City at the community center on July 24.

C. N. Webb of Tennyson, Texas will act as chairman of the program. Webb is director of the State Association of SCD's for Area II.

Soil Conservation District Supervisors from Odessa to Ballinger will attend the meeting.

The main topic for discussion will be progress and problems of getting conservation applied on the land within the boundaries of Area II.

Several district supervisors will have parts on the program along with Dr. Leo Merrill of Sonora, Paul Walser of the SCS in Temple and L. F. Stewart of the State Soil Conservation Board from San Saba.

Great Plains Conservation Program regulations have been revised to delete requirement that there must be one year in contract for each \$2500 government cost share.

Course for Drivers

DRIVER EDUCATION TO START JULY 10

Thirteen students have indicated they would take the driver education course to begin Monday, July 10 at the Sterling School with W. M. Romans and Thomas Spell of the Forsan schools as instructors. Eddy Coleman, Billy Bauer, Janie Copeland, Tommy Williams, Bill Foster, Reynolds Lee Foster, Lois Ethel Price, Shirley Price, Royce Sparks, Tommy Foster, Terry Garrett of El Paso, Temple Ann Foster, Jerry Payne and Danny Bailey (all teenagers) have preregistered. There is room for 7 more, making a class of 20 is anyone wishes to enroll by July 10.

Tuition is \$25.00 and brings 1/2 credit with reduced insurance rate, etc. it is said.

Dr. Geyer would like to bring the program to Texas: "The results obtained warrant the earnest consideration of the merits of such a program."

The TEXAS STATE JOURNAL OF MEDICINE is published monthly by the Texas Medical Association.

GOOD RAINS HERE MONDAY

A good rain, amounting to 1.6 inches fell here in town Monday afternoon, July 3. A less amount was reported in every direction from town except to the north and north-east.

Coming on top of the fine slow rains of two weeks ago and the heavy rain in May, ranges were never in better condition, aver ranchers. It has assured ranchers of the best summer in many years for grazing.

Local Girl in Miss Wool Contest

JEANNINE JONES FINALIST IN MISS WOOL OF TEXAS

Jeannine Jones, daughter of Mr. and Mrs. O. T. Jones, was selected as one of eleven finalists in the Miss Wool of Texas contest.

Jeannine, a student in Texas Tech at Lubbock, entered the contest last week and was notified of her acceptance as a finalist on Monday of this week. Final selection is to be made in San Angelo this week end.

The eleven finalists will go to San Angelo for several appearances—at luncheons, TV, appearances parties etc. They will be judged on qualifications, etc. The final show and announcement of the winner is to be at the Sarah Bernhart Theater at the high school on next Monday night. The winner will receive a \$1,000.00 wardrobe, a new car for a year and will be the State of Texas entrant in the National Miss Wool Contest next spring.

This is the first time that there has been an entrant in the contest from Sterling and all locals are rooting for Miss Jones to win.

LIONS CLUB

Civil Defense coordinator W.R. Brooks and Arthur Barlemann presented a program on civil defense at the Lions club meeting Wednesday at the community center. Slides were shown by Brooks and Barlemann acted as commentator.

Rex McCleave reported that a total of \$50.75 had been raised for the bum fund.

Henry Bauer reported that the baseballs for the Little League and Pony League had been ordered by the club.

The prize went to Leslie Payne. Guests included Don Griffin of Sterling City and Dr. Baxter D.D. Greer, former member of the club, now living in Comanche.

GRAND JURY TO MEET MONDAY

The 51st District Grand Jury will reconvene here Monday to look into some criminal charges. Particularly, the jury will investigate charges of the group of persons that are charged with a burglary of the Worth Allen ranch house here on June 20.

Among those charged in that offense are Robert Huff, Nancy Simmons, Robert Hall and Jimmy Hall Huff, who was employed at the ranch at that time, was picked up in New Mexico by Sheriff Jim Cantrell last week. The others had been arrested by Cantrell in Big Spring earlier.

Martin C. Reed, local ranchman who underwent an operation for a bursted appendix last month, underwent another operation Monday for an obstruction. He is in the Shannon Hospital in San Angelo. There is still some worry by the family about Martin's condition.

Dr. and Mrs. Baxter Greer and Baxter, Jr. were here visiting friends Wednesday. Dr. Greer is pastor of the First Presbyterian Church in Comanche. He was the former pastor of the First Presbyterian Church here. Baxter, Jr. now has his M.D. and is to enter the practice of medicine this summer.

Mr. and Mrs. Ralph Gonzales and children of San Antonio have been here visiting Ralph's mother, Mrs. Lula Gonzales and visiting Mrs. Gonzales' relatives in San Angelo.

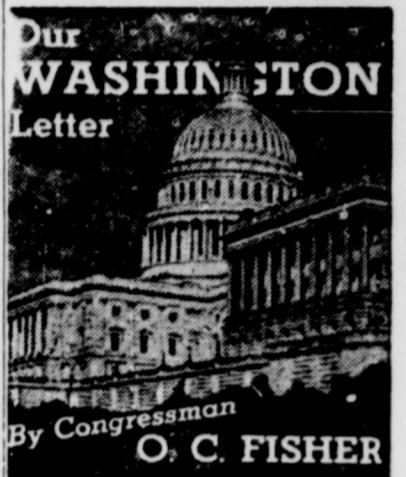

Bill Young was in Sterling last weekend visiting friends. He finished Sul Ross College in the spring and has a job as coach of junior high school at Levelland beginning next fall.

It is reported that Darrell Flynt, who taught English in the high school here for several years, has resigned and is to be principal of the Elbow school near Forsan next fall.

Mrs. Jim Coleman is working at the West Texas Utilities office while Mrs. Leah Wycroff is on her vacation.

Mrs. Roy Morgan and James and Mrs. Rufus Foster and Rosanne Foster went through the Sonora Caverns last week end. Mrs. Foster and Mrs. Morgan attended a porcelain ceramic school in Sonora while there.

The Fred Counsels of Paris visited the Earl Baileys here over the weekend.

The administration's farm bill was completely overhauled last week by both the House and Senate Committees on Agriculture. The controversial Sec. 1 was almost completely deleted. The Committees' refusal to accept the proposal was expected. For weeks the majority of the members of the House Committee had held out against the measure, and finally a show-down vote was taken.

This is taken to mean there will be no sharp change in farm policy direction this year. There will be a program that will cut wheat production by 10 percent and reduce the production of corn and other feed grains by about 25 percent.

The Wool Act, a section of the omnibus bill, remains intact. It is up for extension this year and has been tentatively approved by both the House and Senate committees. It is due to be included in any farm bill that is reported.

The first Negro District Commissioner for the District of Columbia is due to be appointed this year. President Kennedy ran into trouble on his first effort. He sent to the Senate the name of Frank D. Reeves, Democratic National Committeeman for the District of Columbia, and it looked as if his confirmation was in the bag. But questions were asked about his tax delinquencies, numbering four instances in recent years, and a housing transaction, and the White House promptly announced his withdrawal.

It developed during hearings that Reeves had recently borrowed \$40,000 from Milton Kronheim, Washington's largest wholesale liquor dealer, for payment on a home. And since the three-man City Commission has a lot to do with the licensing of retail liquor stores here, sparks began to fly. The next day the withdrawal was announced.

Recent visitors to our office have included Douglas Williams of San Angelo; Grover Sellers of Sulphur Springs; Mrs. A. R. Davis and daughter, Mrs. Carl Rosenberger of Brackettville; C. D. Woods of Brownwood; and Conrad Hartman and Clayton Orrison, both of San Angelo.

The Babe Ruth Story

July 14th and 15th

A fine film "THE BABE RUTH STORY" will be shown in the school auditorium Friday night July 14th at 8 P. M. Also a Saturday afternoon matinee at 3 P. M. and a Saturday night July 15th showing at 8 P. M. Admission is 25 cents for students and 50 cents for adults. Children below school age will be admitted free.

William Bendix plays the part of Babe Ruth with Claire Trevor and Charles Bickford in the life and times of America's greatest baseball player from a warm and human story by Bob Considine a famous sportswriter. This film is being sponsored by the school athletic fund. Several fans will cool the auditorium.

This is a full length movie and a comedy will also be shown.

Wilbur Stone, student at Texas Western, El Paso, was in Sterling City last weekend. He came primarily to see his sister, Ginger who is here on a visit from Florida.

THE AMERICAN WAY

The Gathering Storm

Take-It-Easy Outdoor Meal

Much of the fun of eating outside is relaxation. Away with work... and on with easy-do good food for a successful outing. Make it hearty, make it tasty and be prepared with meal plans for a sudden whim to go camping or eat outside close home. The same packable easily prepared foods will suit either occasion. Hearty grilled ham slices from canned ham, a skillet vegetable casserole, sliced tomatoes or a tossed salad, hard rolls, pickle relish and mustard, are the main part of the meal. For dessert have either canned or fresh fruit and cookies, or pick up an iced melon. Iced tea or fruit juice drink are choice beverages.

Grilled Ham

Cut canned ham in fairly thick slices and grill until lightly browned. Canned hams come in several convenient sizes. Better plan on a half pound of ham per person to allow second helpings for hearty outdoor appetites.

Skillet Vegetable Casserole

- | | |
|-------------------------------------|--|
| 2 cans (1 lb. each) cut green beans | 1 can condensed cream of mushroom soup |
| 1 can (1 lb.) white potatoes | 1 medium size onion |
| Celery salt, pepper | 1 cup diced cheddar cheese |

Alternate layers of drained green beans and sliced potatoes in skillet, sprinkling each layer with celery salt and pepper. Mix soup and diced onion; pour over vegetables. Sprinkle cheese over top. Cover and heat. Stir once or twice while heating. Six generous servings.

CHURCH OF CHRIST SETS NEW ATTENDANCE RECORDS

The average daily attendance for the Vacation Bible School held recently at the Church of Christ was 80 with 122 present for the closing program.

The gospel meeting with Ted Norton of Manhattan, Kansas which closed last Sunday was the best attended meeting in the history of the congregation.

Another record was set with 103 in Bible Classes Sunday morning and 143 for morning worship.

Marion Hays will teach in a V.B.S. and conduct a gospel meeting in Cabot, Arkansas July 9-16. Mr. Fred Barton, head of the speech dept. at Abilene Christian College will speak at both morning and evening services here Sunday. The morning service will be held at the usual 11:00 hour and the evening service has been moved up one hour to 7:00 P.M. to enable Dr. Barton to return to Abilene at an earlier hour.

CARD OF THANKS

I want to thank everyone for the visits, food, and gifts they sent me while in the hospital in San Angelo and since coming home.

REWARD NOTICE

A reward of \$500.00 will be
 paid by the Texas Sheep and
 Goat Raisers Association to
 any person (other than law
 enforcement officers) giving
 information causing the ar-
 rest and final conviction of
 any person or persons found
 butchering or stealing any
 sheep or lambs or goats be-
 longing to any Association
 member in good standing.
 When two or more persons
 give information, the above
 sum will be divided at the
 discretion of the Board of
 the Association. When two or
 more defendants are involved
 in a single crime, the total
 reward is limited to \$500.00,
 but the conviction of one de-
 fendant, even though the oth-
 er defendants are acquitted,
 will entitle the claimant or
 claimants to said sum of
 \$500.00. All claims must be
 submitted within ninety (90)
 days following conviction. If,
 upon conviction, a defendant
 confesses other thefts, no ad-
 ditional reward will be paid.
 All deviations concerning the
 payment of such reward and
 the conditions of payment
 will be made by the Board of
 Directors of the Association.

It seems like the adminis-
 tration is trying to build up A
 long range program they need
 and that is A good case of let-
 ting them alone. Get our stuff
 together as best we can, kiss
 the money and the other
 things we have put out over-
 seas. Goodbye, it's gone any-
 way.

Spend the money at home
 that they want to give to them
 guys building roads, schools
 and water conservations, raise
 these groceries and meat. It
 won't be long till they are
 coming to get it. When they
 come here say, Yes, Tobe
 Jacobs, we have what you
 want IF you have the money
 and I don't mean promises.
 Now listen at the big howl.
 They would go communistic.
 Fine let them go they are go-
 ing anyway. It ain't now. We
 are loosing ground every day.
 And when one of these diplo-
 mats wants to go on one of
 them good will tours buy him
 A one way ticket and A nice
 comfortable pair of walking
 shoes. We have give ourselves
 away to the tune of nearly
 three hundred billion. WHAT
 HAVE WE GOT IN RETURN?
 Insults and the double cross.
 We have furnished the money
 to educate their Kids so they
 know how to insult our Presi-
 dent.

It looks like it is high time
 we built AMERICA, educated
 our own kids and that can be
 done with the money we are
 sending abroad. Then we could
 say PROUDLY, this is what
 Democracy can do. You can't
 tell them birds anything, we
 have got to show them. As
 things stand now we ain't got
 anything to show them but
 mortgage paper. This is the
 best covered country in the
 world, 1/4th by federal land
 and the other 3/4ths by mort-
 gages.

With what we have got if
 we would take care of it we
 could AGAIN be the proudest,
 most independant nation in
 the world. And that would end all
 fears of any communism in
 this country.
 Charity begins at home and
 it is about time we found that
 out.

DECLARATION OF INDEPENDENCE REFLECTS BASIC AMERICAN PRINCIPLE

What do we mean when we say that in the United States we have a "government of law" and not a "government of men"? Basically we mean that we have certain individual rights, guaranteed by our federal and state constitutions and laws, which may not be denied by any governing body.

The early American colonists had their fill of government by men, and the Declaration of Independence, signed 185 years ago, set out their complaints against that type of government and revealed their belief in a principle which we now accept as basic to our American way of life.

The indictments set out in the document against King George III of Great Britain charged him with numerous violations of that principle. Among the complaints enumerated are the following:

"He has dissolved Representative Houses repeatedly, for opposing with manly firmness his invasions on the rights of the people."

"He has obstructed the administration of justice, by refusing his assent for laws for establishing judiciary powers."

"He has made judges dependent upon his will alone, for the tenure of their offices, and the amount and payment of their salaries."

"He has refused his assent to laws, the most wholesome and necessary for the public good."

"He has combined with others to subject us to a jurisdiction foreign to our constitution, and unacknowledged by our laws; giving his assent to their acts of pretended legislation: . . . For depriving us, in many cases, of the benefits of trial by jury; For transporting us beyond seas to be tried for pretended offences; . . . For taking away our charters, abolishing our most valuable laws, and alternating fundamentally the forms of our governments; . . . For suspending our own legislatures, and declaring themselves invested with power to legislate for us in all cases whatsoever."

Our forefathers who subscribed to the principles of the Declaration of Independence were willing to fight for their beliefs. The Revolutionary War

followed, dragging through weary years of suffering and suspense. Each of us takes pride in their eventual triumph over gigantic obstacles.

In 1787 when the framers of our Constitution met at Independence Hall in Philadelphia, where the Declaration of Independence had been signed 11 years previously, they set to work to create a system of checks and balances in government which was to perpetuate the fundamental theory mentioned in the preamble of the earlier document:

"We hold these truths to be self-evident: That all men are created equal; that they are endowed by their Creator with certain unalienable rights; that among these are life, liberty, and the pursuit of happiness."

"That to secure these rights, governments are instituted among men, deriving their just powers from the consent of the governed; . . ."

Some 5 years later, the first ten amendments to our Constitution were adopted at one time specifically detailing various basic civil rights stemming from the underlying theory of the Declaration of Independence.

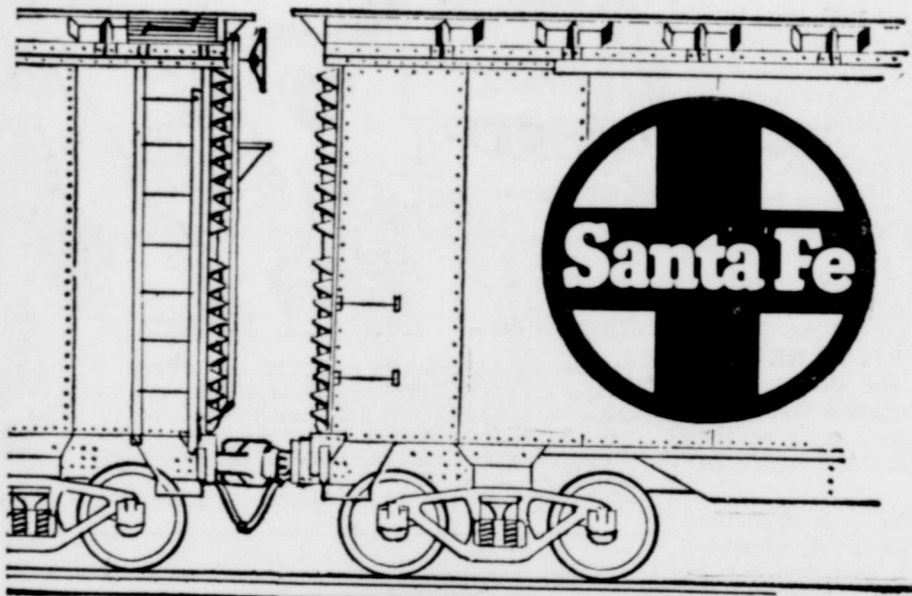

Our courts day by day guard these rights for us.

SCOUT CAMP ABOUT OVER

More than nine hundred Boy Scouts and Explorers have camped six days this summer at the Buffalo Trail Scout Ranch in the Davis Mountains. It was reported today by James E. Payne, Chairman of the Council committee on Camping and Activities.

The camp opened June 4th and is now in its fifth week of operation. The last period being from July 2nd to July 8th. Additional attendance this week is expected to bring the total number of campers to over one thousand. Scouts from the following places have been in camp: Lenora, Loraine, Goldsmith, Pecos, Colorado City, Kermit, Alpine, Snyder, Sterling City, Garden City, Stanton, Van Horn, Monhans, Andrews, Odessa, Big Spring, Pyote and Midland.

The largest number from any community was 286 from Midland followed by 111 from Odessa, 97 from Big Spring and 50 from Pecos.

Camp Ed Murphy on Lake J.B. Thomas will open July 16th and continue two weeks. A capacity of 200 Scouts is expected.

Carl Corbin, Assistant Scout Executive is directing both camps.

The Reynolds Fosters visited relatives near Bracketville last week.

Mr. and Mrs. Roland Lowe returned home Wednesday from a weekend spent at Ruidoso.

The Finis Westbrooks are vacationing in Colorado.

The John Gibbs family visited relatives in Lubbock the first part of the week.

WILL DO ironing in my home by the dozen \$1.50 or by the piece. First house west of highway dept. on highway, the old Ratliff (dairy) place. Mrs. E.M. Garwood
