The experimental program will in no way effect the Navy's current stay in school policy, young men will continue to be encouraged to stay in school.

Many people may be losing social security benefits according to Floyd B Ellington, Manager of the San Angelo Social Security Office, because of failure to file an application

for payment. Most of them are aware of the \$1200 yearly earnings restriction for social security beneficiaries, but may not relize that they are eligible for some benefits even if their earnings are more than \$1200 per year.

An employee can receive a check for any month that his earnings are \$100 or less regardless of his total earnings for the year. A self-employed person can recieve a check for any month he does not render substantial services in the operation of his business, regardless of his net profit for the

year Anyone who earns over \$100 in every month, and over \$1200 in the year as well, may still be eligible for some payments Each two dollars earned between \$1200 and \$1700 a year, costs only one dollar in social security benefits; over \$1700, each additional dollar

Ellington said that anyone who has reached retirement age should inquire at his nearest social security office. He applying now.
