SOCIAL SECURITY NOTES

Social security beneficiaries who are still working should report any increase in their earnings that would change their estimated incomes for 1962, cautioned Floyd B. Ellington, District Manager, San Angelo Social Security Office.

Beneficiaries who work and earn over \$1200 a year make an annual report of their estimated earnings for the coming year, Ellington explained. The amount of benefits withheld by the Social Security Administration is based on this estimate.

To avoid overpayment in social security benefits, any increase in earnings above the estimate should be reported to social security promptly. If a beneficiary receives more in benefits than he should have, his checks may be suspended to make up for the overpayment, Mr. Ellington pointed out.

Revisions in the estimates may be made on post card forms furnished beneficiaries or at any social security office. To delay may cause hardship later, Ellington warned.

Over fifty million people have worked long enough under social security to qualify for cash disability benefits if they become disabled. This means that they have social security credits for five years (20 quarters) out of the past ten years, Floyd B. Ellington, district manager of the San Angelo Social Security office said. In the case of a severe disability, the worker and his dependents may be eligible for monthly cash social security disability benefits if he meets this work requirement.

It is not necessary to be completely helpless to qualify for social security disability benefits. These benefits are payable to those who suffer from a crippling disease or a severe impairment which makes them unable to do any substantial work.

Disabled adult sons and daughters of retired, deceased, or disabled workers may also receive childhood disability benefits if they become disabled before they reached age 18.

REWARD NOTICE

A reward of \$500.00 will be paid by the Texas Sheep and Goat Raisers Association to any person (other than law enforcement officers) giving information causing the arrest and final conviction of any person or persons found butchering or stealing any sheep or lambs or goats belonging to any Association member in good standing. When two or more persons give information, the above sum will be divided at the discretion of the Board of the Association. When two or more defendants are involved in a single crime, the total reward is limited to \$500.00, but the conviction of one defendant, even though the other defendants are acquitted, will entitle the claimant or claimants to said sum of \$500.00. All claims must be submitted within ninety (90) days following conviction. If, upon conviction, a defendant confesses other thefts, no additional reward will be paid. All devisions concerning the payment of such reward and the conditions of payment will be made by the Board of Directors of the Association.

**ABOUT READY TO
RETIRE?**

Are you about to retire? Then ask the social security office for their new booklet, "Now That You Are Retiring." It contains advice and useful information for persons nearing retirement. Floyd B. Ellington, social security district manager in San Angelo, said the publication was prepared because of numerous requests from persons at retirement age. They wanted information that would help them get full satisfaction and enjoyment from their later years. The draft of the booklet got enthusiastic approval at the recent White House Conference on Aging.

The booklet covers such subjects as decisions to make and changes to face, working while getting social security payments, part-time work available to older people, community activities, recreation, adult education, where to live after retirement, health care, stretching retirement income, and counseling and information services. A copy may be obtained free by writing or telephoning the Social Security Administration District Office in San Angelo.

December 31st and I can kiss 1962 goodbye with A deep sigh. It was very good to me. I done A wonderful lot of business besides having two major operations. I have come through with my head up like the spout on A coffee pot. I still have everything that money will buy, three meals A day, A soft bed and A warm toilet and the satisfaction of knowing how lucky I am to be alive.

The Dear doctors took off most of my belly and the eternal revenue boys will get my rear anatomy for income. So there won't be much of me but the odor. But that is all right, I feel good and I wouldn't be back physically like I was for many times what it cost me.

Congress can meet, rave, rant and argue with Kruchev and Castro, raise taxes and throw the money away on political junkets and foreign aid but as long as I got what I have mentioned above I shore won't squawk. They can have the money, for if they don't handcuff me or throw me in the jug I can make more of that.

If I can't make A living on what I make. And as I climb SLOWLY up the ladder of success, I will meet A lot of them hurry up boys coming down, that has built their success on selfishness and greed (if they have any success).

I don't own any credit cards. When you get your billfold stuffed with them things, you are on the brink of being broke. For this buy now, pay later is what is the matter with this country now, both national and individual.

So I say, good morning Little '63. You shore look good with that three hundred BILLION dollar mortgage wrote across the bottom of your first diaper. So do the best you can little fellow with what you have to work with. And may your stay be beneficial to everybody.

Livestock Show Judge Named

Thomas C. Newman, assistant County agent of Midland County, has been secured as judge for the Sterling County Livestock Show on January 14 according to Arthur Barlemann, Jr. Newman will judge all classes at the county show.

Tommy is a Coleman native. A graduate of A&M College, he was a member of the college livestock judging team and took part in judging contests at Chicago, Kansas City, Denver, Fort Worth and other places. After graduation he went to Midland County where he is assistant county agent. During the time he has been in Midland, he has worked with a number of good lamb feeders and has produced winners in a number of state and district shows.

I have A white elephant for sale

It is nothing now but has more potentials than A seat in Congress. A building with over seven thousand foot floor space. Space forbids explaining it but if your ambition is to make money this will do the job. And say, this is priced at half the cost of the building alone. If you are interested in A business of your own and A cheap way in, contact me for full information.
