AROUND THE COUNTY by

ARTHUR BARLEMANN, JR. COUNTY AGENT

The San Antonio Livestock Show closed Sunday and despite three days of bad weather during the week, the second largest crowd attended the show. Attendance for the livestock show was better than 225,000. The rodeo itself drew the largest crowd ever.

Sterling County 4-H Club members brought home \$102 in prize money from the show on fat lambs, Rambouillets, Angora goats and horses.

Diana Cole showed her horses in the open horse show. Her 1961 gelding took fourth place, in the Junior Angora goat show, she showed the 9th and 11th place two to four tooth does; there were 26 does in the class.

Tommy Foster had the 60th place finewool lamb in the boys market lamb show. There were 270 lambs in this class. Tommy's lamb was the last lamb in the class to be awarded a ribbon and to make the auction sale. A boy next to him commented that he sure would like to have that ribbon. In the auction sale of fat lambs, Tommy's lamb brought 40 cents per pound and was purchased by E. George Luckey of San Antonio. Luckey operates the T-Cross cattle company and feedlots in San Antonio and California.

Janis Igo had the ninth place finewool lamb in the open fat lamb show. There were 46 lambs in the class. Her lamb sold in the auction sale for 35 cents per pound. The purchaser was Fred Shield an independent oil producer and member of the stock show's executive committee.

Betty Jo Barrett's Rambouillets brought home \$70 in prize money. Her winnings were as follows: third place ram lamb, second and third place yearling rams, fifth place ewe lamb, third and fifth place yearling ewes, and second place get of sire group. Betty Jo tied with Tom Glasscock of Sonora for the Silver trophy awarded to the premier exhibitor in the Junior Rambouillet show. This award, presented in memory of Leonard Richardson, is a prized award and competition is keen for it. Since both Betty Jo and Tom were tied with 70 points, a committee decided after much deliberation that it should go to the exhibitor with the most champions or reserve champions and on that basis, it went to Tom.

Other club members who showed animals at San Antonio were Charlotte and Rosanne Foster. They entered lambs in the open market lamb show. Their lambs were pulled out for consideration by the judge but missed the final placings. The entire show this year was larger than ever. The lamb show, the goat show, the Rambouillet show, and all other divisions had more entries than ever.

## Screwworm Meeting Monday Night at Courthouse

There will be a meeting of Sterling County Livestock producers in the district court room of the courthouse in Sterling City at 7:30 p. m. Monday, February 25 to discuss the screwworm eradication program. Producers will be brought up-to-date on what has been done during the past year and the future of the program. Slides to illustrate the program in operation will be shown.

Sterling County producers contributed \$10,790.50 to the program early in 1962. This represented contributions from the 100 percent of the ranchers in the county and, dollarwise, more than the county's potential based on the 1959 census of agriculture. This mark was achieved at that time by only 23 counties in Texas.

Alvie Cole, chairman of the Sterling County Animal Health Committee and member of the foundation's board of trustees, will preside. He, along with Gene Alley, Jim Bob Clark, Jim Hinshaw and Ross Foster, attended a statewide meeting in Austin on January 23 to discuss the future of the program. They will discuss this meeting with the county producers Monday evening.

## Administrators Are Reelected at School

The three school administrators here were reelected by the school board here earlier this month. Renamed were O.T. Jones, Earl Seago and J.R. Dillard.

High school principal Earl B. Seago was reelected for his 5th year as principal. He also teaches math and sciences.

Grade school principal Dillard was named for his 9th year as principal. He also coaches and works on the physical education program.

## doughBelly Price Reports

I have learned two things in the last few days. I thought they couldn't get along without me at the real estate board meeting but they did.

On the way down the little chivvy come into contact with the concrete abutment of a bridge. You can talk all you want about the N.M. highway building but they shore build their concrete things solid. That one didn't give one bit when the chivvy hit it. Me and the chivvy took second money in that fight but that ain't the first time. Nobody hurt.

I got one of them citation things, I don't know just exactly what it was for but I think it was for using my perogative to drive in the wrong side of the road and for damages done to state property. As aforesaid, whereas, I have come to the firm conclusion that I ain't got no business taking long drives without some rest.

We are going to fly JET to California and I hope he stays high enough to not contact one of them abutments on A bridge. From all I hear and going no further than Cal. on A jet, by the time you get the belt buckled and roll a bull durham it will be time to get off.

I don't think I will try to hob nob with the elite this time, they are too high up the bush for little doughBelly. I like A haven of rest, for I don't like California. But that don't hurt or help them any, as what I don't like, it won't matter.

## Forsan Takes B'Ball Crown Tuesday

The Forsan Buffaloes took a close tie play off basketball game from the Sterling City Eagles in Garden City Tuesday night. The final score was 45 to 42, but the score with only 30 seconds remaining in time was 43 to 42 in favor of the locals.

Sterling outplayed the Buffaloes the first half without any trouble. The score was 25 to 21 at the half in favor of Sterling.

Sometime in the second half of the game Forsan had a free shot and made a point; then the ball should have gone to Sterling after play. But instead Forsan took the ball and the officials let 'em. Sterling's coach called the officials attention to the error, and the play was rectified, even to giving Sterling a free shot on technical foul. But it seemed to turn the officials against the locals and seemingly ruled against us in favor of Forsan thereafter. With such turn of events, the locals got tense and overanxious and were prone to make mistakes.

Forsan had a number thirteen player whose contribution to the game was to screen for their star O'Brien and actually foul a Sterling player but do it in such a way as to get the Sterling player fouled out. If a Sterling player got near him he would fall down and act like he had been knocked down.

Forsan has a oneman team (O'Brien) and it does not seem possible that the team can go too much higher in bi-district play. Too much depends on one man.

At any rate at the end of the game Sterling's Payne had 21 points, Butch Seago 15 while Forsan's O'Brien had 14 and Donnie Gooch had 12.

The Eagles did mighty well this year, ending district play with a tie with Forsan. They lost the tie playoff but only by a hair-breadth.

## LIONS CLUB

District Governor Doc Ellis of Midland was a guest at the Lions Club luncheon here Wednesday. The governor was not on an official call or visit to the local club, but just happened to be here at meeting time. Other guests present were Bill McRee of Big Spring, Mason Davison of San Angelo and Billy Vern Davis and Donald Butler.

Davison, an electrical engineer with the West Texas Utilities Co. made a talk to the club on National Electrical Week. He appeared on the program for Wayne Loury.

President Bill Brooks appointed or named all executives to be the nominations committee this year.

Brooks also named an auditing committee to audit the treasurer's books; he named Hal Knight, Roland Lowe and Jack Douthit.

The group reminisced about other days in Sterling and just visited during the party hour.

## PTA Next Monday Afternoon

Other members of the local board are David Glass, John Copeland, Jr., Reynolds Foster, Tommy Foster and Roy Morgan.

## Style Show Set for March 2

The Senior Class is sponsoring a Style Show March 2 8:30 p.m. in the school auditorium. Admission will be \$1.25 for adults and \$.75 for children through 8th Grade. This will include pie and drink after the show.

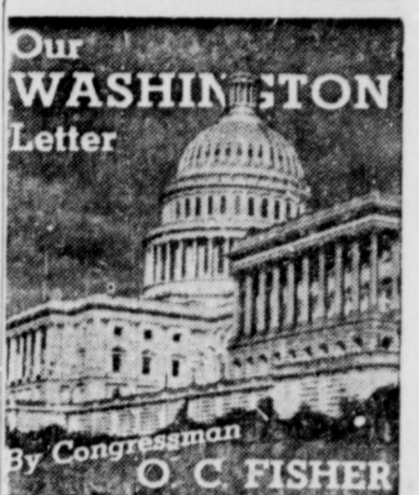

Over sixty beautiful models will model fashion for Florence & Martha's and The Fashion stores from San Angelo.

Special entertainment will be featured at the half time intermission. Proceeds of the style show will be used by the Seniors for their class activities.

Everyone is cordially invited.

Little Manuel Sanches, who suffered bad burns on his legs and feet recently was given a real Valentine party in the hospital here last week on Valentine day. Manuel, who lives on the James Currier ranch in Glasscock County, got valentines, toys, cakes, etc. from school students here and other friends, really had a roomful of gifts when the day was over. Mrs. Tom Asbill's third grade room here made a box for Manuel and special valentines were given him by other students, some were made and some bought.

He got his legs burned at the ranch home when some gasoline somehow got on his legs and ignited.

The announcement that \$1.5 million is to be spent by the United Nations to promote agriculture in Castro's Cuba is both shocking and unbelievable. I have urged the Secretary of State to take appropriate steps to stop this unwarranted perversion of our taxpayers' money.

The spending was directed by UNESCO, a U.N. Committee of which Paul Hoffman, our UNESCO representative, is chairman. The U.S.A. contributes 40% of the money that is spent by that group. If this goes through, the Congress should expressly prohibit any American money being contributed to UNESCO in the future. Indeed, this incident, along with some other strange developments that have taken place in the U.N., raises again the question of justification for our membership in that organization. Certainly, some drastic changes are overdue.

Shades of the old new deal, reminiscent of depression days, turned up last week when the President asked Congress to revive the old Civilian Conservation Corps -- a product of the depression. The cost, which would probably be fairly modest at first, can be expected to run into the hundreds of millions in th years ahead. But right now it appears likely this new welfare measure will sail through Congress.

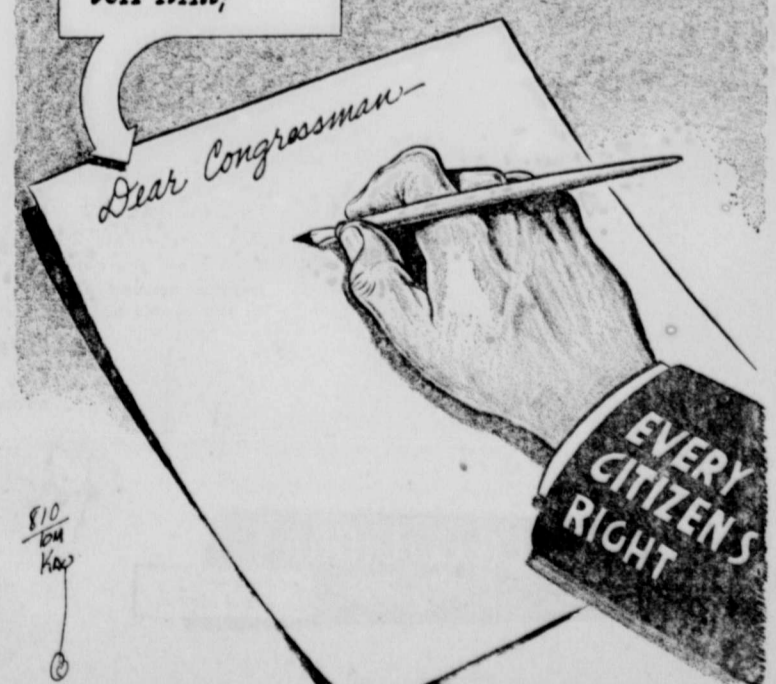

The President is also plugging for another similar and over-lapping agency he has come up with would channel more people into the federal payroll, to work in so-called community service establishments -- such as hospitals, playgrounds, welfare agencies, and migrant farm labor camps. It is proposed to limit enrollees to 50,000 the first year.

These are but a few of a number of pending proposals to expand governmental activities, and further involve the federal government in welfare projects which have always been treated as local responsibilities.

This reminds us, the deficit of fiscal year is estimated to be \$8.8 billion, and next year at \$11.9 billion -- plus any loss in revenue by reduction in taxes that may be voted this year.

### Quick Roast Chicken Stuffing

Dinner parties present a true test of a homemaker's table-setting arrangement as well as her culinary skill. The food served must measure up to the table finery, hopefully without chaining the hostess to the kitchen. Modern convenience foods such as instant whipped potatoes and Brandywine canned sliced white button mushrooms help the modern hostess to short-cut dinner preparation. The Borden Kitchen shows how this can be accomplished in this recipe for a roast chicken stuffing:

- Instant Whipped Potato Stuffing**  
(Makes enough stuffing for one bird)
- |  |  |
|--|--|
| 1 (4 to 4½-lb.) roasting chicken                     | 1 teaspoon salt                                    |
| 4 tablespoons butter                                 | ¼ cup milk   |
| 2 medium-size onions, chopped                        | 1½ cups (4 servings) instant whipped potato flakes |
| 3 (4-oz.) cans sliced button mushrooms, drained well | ½ teaspoon black pepper                            |
| ¼ cup mushroom liquor                                | ½ teaspoon poultry seasoning                       |

Clean and truss bird; salt the inside. Melt butter in small skillet; saute onions and mushrooms in butter until onions are tender and slightly transparent. Pour mushroom liquor and salt into small saucepan. Cover and bring to a boil. Remove from heat and add milk immediately. Add potato flakes. Stir with a fork until all moisture is absorbed. Whip briskly. Add sauteed vegetables, pepper and poultry seasoning and mix well. Cool slightly. Lightly stuff bird with dressing and close cavity. Cover bird with clean cheese cloth which has been dipped in melted butter. Roast, breast side down, on rack, in an open roaster in slow oven (325° F.) about 1¼ hours or until tender. Remove cloth, turn bird breast side up and continue to roast 15 minutes longer. If desired, garnish with small bunches of green Thompson grapes, spiced red peaches, green minted pears . . . and parsley.

### For Social Security

Over fifty million people have worked long enough under social security to qualify for cash disability benefits if they become disabled. This means that they have social security credits for five years (20 quarters) out of the past ten years, Floyd B. Ellington, district manager of the San Angelo Social Security office said. In the case of a severe disability, the worker and his dependents may be eligible for monthly cash social security disability benefits if he meets this work requirement.

It is not necessary to be completely helpless to qualify for social security disability benefits. These benefits are payable to those who suffer from a crippling disease or a severe impairment which makes them unable to do any substantial work.

Disabled adult sons and daughters of retired, deceased, or disabled workers may also receive childhood disability benefits if they become disabled before they reached age 18.

Anyone suffering a severe disability which prevents him from doing any substantial work should get in touch with the local social security office to determine his eligibility under the Social Security disability program, Ellington stated. He may be losing benefits if he fails to apply for them promptly. The social security district office will explain to disabled workers and their families their rights under the law.

Slip foil off the spoon handle onto a baking sheet. Repeat for each biscuit. Brush biscuits with butter; sprinkle with salt and caraway seeds. Bake in very hot oven (450 F.) about 12 minutes or until browned. Remove from oven. Twist ends of aluminum foil in opposite directions; carefully slip biscuits from foil.

#### Bacon Biscuits

- (Makes 10)
- 1 (8-oz.) package biscuits
- 2 to 3 slices uncooked bacon, finely cut

Press each biscuit between thumb and finger to about 2 1/2-inch diameter; shape a slight rim around edge. Place on baking sheet. Sprinkle with bacon. Bake in very hot oven (450 F.) about 12 minutes or until biscuits are browned and bacon is crisp.

#### Poppy Seed Biscuit Knots

- (Makes 10)
- 1 (8-oz.) package biscuits
- 2 tablespoons butter, melted
- Poppy seeds

Roll each biscuit between hands stretching to a rope about 3-inches in length. Shape dough into a loop; pull one end of dough partly through the center. Place on baking sheet. Brush biscuits with butter; sprinkle with poppy seeds. Bake in very hot oven (450 F.) about 12 minutes or until browned.
