

STERLING CITY NEWS-RECORD

VOL. 72 'Since 1890' PUBLISHED EVERY FRIDAY AT STERLING CITY, TEXAS FEBRUARY 21, 1964 No. 8

AROUND THE COUNTY by

ARTHUR BARLEMANN, JR. COUNTY AGENT

The San Antonio Livestock Show ended Sunday and this year's show, the fifteenth annual one, broke all records for attendance. Final count for attendance was 293,794. The large crowd can be attributed to the good weather for this year's show; the temperatures were cool enough for the livestock but not too cool for the crowds to come out and take in the show.

Entries in most divisions of the show were up this year also. More lambs and pigs were ready for the judging than is usual. Each of these divisions filled their barns with right at one thousand head or a little over. There were 280 lambs in the fine-wool class of the junior show. One Sterling County 4-H Club member placed his lamb in the junior show. Bobby Bynum's crossbred lamb placed 20th in a class of 207 lambs. His lamb sold in the auction sale for 37 cents per pound to L. A. Jordan of San Antonio.

Quality in the lamb show was up this year also. The judge, Herman Carter of San Angelo, commented that the crossbred lamb he made champion of the fine-wool cross show was the best he had ever felt. No lambs were sifted; the man doing the sifting said that they were the best bunch of lambs he had ever felt.

The Sterling County club members competing in the Junior Rambouillet breeding sheep show managed to fare better than the lamb exhibitors in the judging arena. Betty Jo Barrett and Janis Igo who were the two exhibitors in the breeding sheep show placed all of the animals they had in the show. In the two-tooth ram class, Betty Jo had sixth and tenth places; Janis had the seventh place ram. Betty Jo's ewe lamb was first in that class and went on to win the champion ewe banner. Her two-tooth ewes were fourth and twelfth while Janis's ewes were tenth and fifteenth. In the get of sire class, Betty Jo won first place; Janis did not have an entry in this class.

The junior Rambouillet show was better than usual this year. There were more entries than usual and the quality, according to the judge, Billy Kidd, county agent of San Saba County, was excellent. In the competition for the silver shears trophy in memory of Leonard Richardson, fifteen points separated the top five money winners; usually, there is a battle between two or three exhibitors for the trophy but this year five fought it out to the last class. Winner was Jimmie Ruth Wittenburg of Rocksprings; she had a total of 65 points while Betty Jo was fifth with 50 points. Neither Janis of Betty Jo had a chance in the lamb classes; Janis had no lambs of any kind while Betty Jo had only one, the ewe lamb which won its class and was champion ewe. Teeth removed them from competition for the trophy pretty early in the show.

Weather has been a topic of conversation at the shows this year. Thus far, all the shows have enjoyed excellent weather. But there are two shows to go yet, Houston and San Angelo. Anything can still happen.

Exhibitors in the Houston Show next week include Janis Igo and ary and Pat Foster. Janis has her Rambouillet entered there as well as some lambs. Gary and Pat are both showing lambs.

WILL be available for day labor after March 1st. Phone 8-3164 Foster Conger ranch or 8-4171. O.F. CARPER, Jr.

BASKETBALL FORSAN TAKES LOCALS

Last Friday night the Sterling Eagles dropped two conference games to Forsan. The Buffaloes won the boys game 51 to 45 in a hard fight. Butch Seago was high point man with 24 for the Eagles and Kenneth Soles had 17 for the Buffaloes.

In the girls game Sterling lost 33 to 71. Betty Conger of Forsan was high with 30 and Rosanne Foster was high for the Eagles with 17.

Win Over Water Valley
Tuesday night the Eagles wound up the conference play by winning two games from Water Valley. The girls won a tight one 45 to 43 in two overtime periods. The last period was sudden death and the Eagles garnered two via the free shot row. The game was a thriller all the way.

The boys won 51 to 41 but did their winning in the last quarter. Water Valley led the first three quarters and the playing of Wayne Fincher and Barney Sisco almost led the Wildcats to victory.

The Water Valley games wrap up district play for this season.

FORSAN JUNIORS BEAT STERLING

The Forsan junior basketball teams beat the Sterling boys and girls here Monday night. The girls game was 32 to 23 and the boys lost by the score of 53 to 21.

The junior high teams will wind up the season here next Monday night with games with the Sacred Heart Academy of San Angelo.

SENATOR HARDEMAN Dorsey Hardeman Out for Re-election

Dorsey B. Hardeman of San Angelo has announced his candidacy for re-election as State Senator from the 25th District.

Senator Hardeman has been a member of the Senate since 194 and has served as chairman or member of all major Standing Committees of the Senate, as well as on many important special and interim committees. He is presently chairman of the influential Jurisprudence Committee and a member of the Senate General Investigating Committee, of which he has served as Chairman, and is a member of the Legislative Budget Board, on which he has served for twelve years. Senator Hardeman is recognized as being one of the three most powerful members of the 58th Legislature, along with the Speaker of the House and the Lieutenant Governor, who presides in the Senate. Senator Hardeman was elected President Pro Tempore of the Senate and served as acting Governor of the State on December 3, 1954, during the absence of then Governor, Allan Shivers, and Lieutenant Governor, Ben Ramsey.

Senator Hardeman is respected by his colleagues as an authority on constitutional law and Texas and American history. He often has been invited by his colleagues to address the Senate on Constitutional questions and historical subjects. He was awarded honorary life membership in the Texas State Historical Association for outstanding service rendered to Texas, which is the highest honor the Association bestows. Only five other persons currently hold this honor. Senator Hardeman also has been awarded the Distinguished Service Medal by the Texas Heritage Foundation in recognition of "Distinguished and Meritorious Public Service in Preserving the Texas Heritage."

Mr. Hardeman is married to the former Geneva Moore, daughter of the late Lawrence Moore and Mrs. Moore of Schleicher County, Texas. They have two sons, Mark and Bryan, attending public school in San Angelo. Mr. and Mrs. Hardeman are members of the Church of Christ.

Senator Hardeman, a lawyer, is a partner with Earl W. Smith and Joe H. Foy in the law firm of aHrdeman, Smith & Foy in San Angelo. Mr. Hardeman is a former Mayor of San Angelo and former State Representative, which latter office he resigned and volunteered as a private in the Air Force in November 1942. He attended Officer Candidate School and upon graduation received a commission in the Judge Advocate General's Department and was assigned to the 2nd Air Force. He later was aide to Major-General U. G. Ent and was honorably discharged with the rank of Captain in February, 1946.

Senator Hardeman is a native of Tennessee and came to San Angelo in 1832, where he has since resided. He is a Democrat and holds membership in the Son of the American Revolution, Sons of the Republic of Texas, Sons of the Confederate Veterans and the

PTA Next Monday

The Sterling Parent-Teacher Association will have its regular meeting next Monday at 3:15 p.m. in the school auditorium. The program will be a Funders Day affair.

Lois Ethel Price will give the devotional. Mrs. Ross Foster will introduce the past presidents and give some of the accomplishments of the past.

The fifth grade pupils will present a special feature. A tea will be held following the meeting, being a Founder's Day Tea and served by the Homemaking girls.

TO COMPLETE WELL ON REYNOLDS FOSTER

W. A. Moncrief, Fort Worth, has set 4½-inch casing at 8,551 feet, on total depth of 8,553 feet, and is preparing to move in a completion unit of the No. 1 R. W. Foster, Sterling County Fusselman wildcat, 10 miles southwest of Sterling City.

While being drilled, cores cut between 8,449-63 and 8,463-75 feet, recovered lime scattered stains. Flow was said to be four barrels an hour along with a half million cubic feet of wet gas. Project will be tested soon for possibilities.

American Legion.

In his announcement, Senator Hardeman said:

"As a candidate for re-election to the office of State Senator, I respectfully solicit the support and votes of all the people of the twenty counties comprising the 25th Senatorial District. I shall try to see as many, personally, as I am able during the campaign. "My record in office has been made on the basis of my deep and abiding respect for the principles of our Constitution and for conservative and economical government. This is not a single-issue office. It involves numerous matters of vital importance to Texas and to the 25th District.

"Many controversial issues have arisen during my tenure which has been met with courage and due deliberation and with the best interests of my State, and this District, ever in mind. "Legislation of local interest to the various counties of the district has been handled with dispatch, as is well known by the Representatives and the people of those several counties.

"My experience and the seniority I have attained will enable me to continue effective representation of the District and the State.

"On such record, I submit my bid for re-election with the pledge to continue my support of constructive, progressive and Constitutional measures."

LIONS CLUB

Frank Perkins of the State Highway Patrol showed a film on the high cost of highway littering at the Lions Club luncheon Wednesday. He was the guest of Jack Asbill.

Guests present were Perkins, Bill McRee of Big Spring and Raymond Duffy of San Angelo.

McRee asked the club to consider sponsoring the Boy Scouts here. The members or sponsoring body would be asked to form a committee and be responsible for a leader for the Scouts.

Fire Department Meets Next Monday Night

It was announced that the regular meeting of the Sterling Volunteer Fire Department would be held at the fire house Monday night at 7. All members are urged to be present.

MONEY BEING RAISED FOR LIGHTED FIELD

A movement to raise money (at least \$2,500) to light a ball field here is underway. Lights will be installed and the field may be used by the Little Leaguers, the softball teams or regular hard ball clubs, said H. L. Bailey.

If you want to donate to the fund, please contact Bailey, Jack Peel, Jack Asbill or Marshall Blair.

To Germany

Pvt. Billy Charles Daves, E-2, son of Mr. and Mrs. Doc Daves has sailed to Germany with the U.S. Army.

Day of Prayer Offering

A total of \$26 was collected at the offering at the World Day of Prayer meeting at the Presbyterian Church last Friday. Women from the host church, the Methodist and Baptist churches participated in the day of prayer.

SNOW THURSDAY COVERS COUNTY

Starting out as rain and sleet early Thursday afternoon and changing into snow before nightfall, a covering of white was evident even before dark. By the time it had quit, about an inch of snow had settled and during the night crusted over.

SCIENCE SKETCHES

HOW do you draw a line two miles long without deviating more than one centimeter from dead center? Solution to this problem is required for the construction of a two-mile-long atom smasher at Stanford University's Linear Accelerator Center. Electrons will travel through the 10,000-foot unit at the speed of light.

NEW-CAR buyers prefer light colors in summer, darker hues in winter, according to a survey by Holland Color. Weather conditions, time of year and, of course, individual preference affect color choice.

MICE can crawl up 10-foot-high "mouseproof" walls, reports the British Ministry of Agriculture. To prevent the rodents foraging in a government food warehouse, the walls were covered with high-gloss paint. The mice slip to the ground and become discouraged.

Want Some Fish? FOR YOUR POND

Uvalde, Texas, Pond owners who desire to secure fish for stocking farm and ranch tanks should make application now for fish to be delivered this spring, according to J.H. Pratt, manager of the National Fish Hatchery, Uvalde, Texas. Fish can be allotted only to persons whose applications have been approved.

The fish are furnished free of charge and spring distribution will start at the Uvalde hatchery about April 15. Application forms may be obtained from your local county agent, Soil Conservation Service office or from the Uvalde hatchery.

Anyone having a tank one-fourth acre or more in size, which has not been previously stocked is eligible to receive the fish. Consideration is also given to restocking tanks and lakes that have refilled following drouth periods, and for restocking where the undesirable fish population has been eliminated.

Large-mouth black bass, redear sunfish and channel catfish are available at the Uvalde National Fish Hatchery. Applicants are given a choice of four different stocking methods: 1. 150 bass and 100 redear per acre; 2. 100 bass, 100 redear and 50 catfish per acre; 3. 75 catfish per acre when stocked alone; 4. 150 bass when stocked alone. Ponds of less than one acre are not stocked in combination with catfish.

The fish are delivered to central meeting points, usually the county seat, by the hatchery's distribution trucks. Applicants will be notified by the hatchery of the time and place to pick up their fish.

Over one and one-half million fish are normally produced each year by the National Fish Hatchery at Uvalde and most of these are distributed throughout the hatchery's distribution area of 67 counties in Southwest Texas. Federal and state agencies are encouraging the construction of fish ponds and lakes as an aid to conservation of water and wildlife resources.

First Lady Offers Heart-Warming Salute to Heart Fund Volunteers

THE WHITE HOUSE
WASHINGTON

Dear Friends,

My highest praise goes to the 1,750,000 volunteers who will visit their neighbors on Sunday, February 23rd, to raise funds for the campaign against heart disease and other circulatory diseases. This campaign gives us all the chance to help the scientist in his laboratory, the doctor and the nurse in their work of healing, and the patients in their urgent need.

Heart disease respects no barriers of class or region or sex. Many homes have known its mark of pain and suffering. Its challenge is constant and our response cannot be less than the need and the opportunity. I am sure that the volunteers will be received most cordially as they go on their errands of mercy and good citizenship.

Sincerely,

Lady Bird Johnson
Mrs. Lyndon B. Johnson

NO. 1 HEART VOLUNTEER is Mrs. Lyndon B. Johnson, who, in her capacity as National Honorary Heart Sunday Chairman, has directed the message shown at left to the 1,750,000 volunteers who will call on their neighbors this week-end to distribute heart-guarding information and to receive contributions to the Heart Fund. She has long been an active and influential figure in the fight against heart and blood vessel disease.

MEN WANTED to meet the growing need for CLAIM ADJUSTORS. Earn \$450 to \$1,000 a month.

We train you at home in your spare time for a job that can pay you a big income, provide your car, pay your expenses and give you lifetime security. Opportunities in the field of investigating auto accident claims for insurance companies or from your own office are wide open for men who want extra income or a full time, fascinating career. Nationwide placement assistance given. Write today to: Nationwide Claims Adjustors Training Division 5904 E. Colfax, Denver, Colorado, 80220

REWARD NOTICE

A reward of \$500.00 will be paid by the Texas Sheep and Goat Raisers Association to any person (other than law enforcement officers) giving information causing the arrest and final conviction of any person or persons found butchering or stealing any sheep or lambs or goats belonging to any Association member in good standing. When two or more persons give information, the above sum will be divided at the discretion of the Board of the Association. When two or more defendants are involved in a single crime, the total reward is limited to \$500.00, but the conviction of one defendant, even though the other defendants are acquitted, will entitle the claimant or claimants to said sum of \$500.00. All claims must be submitted within ninety (90) days following conviction. If, upon conviction, a defendant confesses other thefts, no additional reward will be paid. All deviations concerning the payment of such reward and the conditions of payment will be made by the Board of Directors of the Association.

Two Southwest Texas youths are among the state's delegation to the 42nd National 4-H Club Congress in Chicago.

Carey Wilson, 18, of Pyote, and David Pape, 19, of Prade Ranch in Edwards County, won expense-paid trips as 1963 state award winners in their club projects.

They expect to visit the International Live Stock Exposition. Guided tours of two world famous museums, serious discussions, a whirl of parties, and a concert are a few of the highlights of the congress program.

Wilson, the electric winner, got sidetracked into electronics in 1958 when he was showing a steer at the Fort Worth Stock Show. He became fascinated with a ham radio operator's display.

The youth soon bought his own short-wave set and then greatly expanded it, building his own power supply and transmitters. He also built a tape recorder and a water pump.

Wilson, the son of Mr. and Mrs. John H. Wilson, is a student at Texas A & M University. His trip is sponsored by the Westinghouse Educational Foundation.

Wilson has grossed over \$6,500 from his club projects. "It was some time before I realized the human and cultural advantages of 4-H, in addition to its financial aspects,"

Wilson Pape

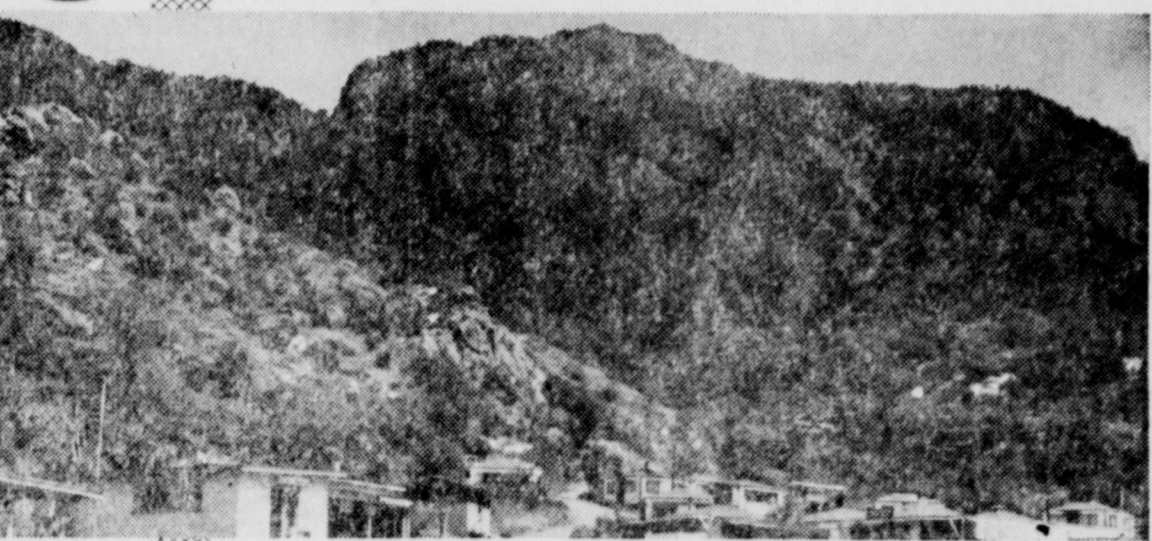

he relates. "I began to find more satisfaction in helping younger 4-H members than I did in winning the stock show." His parents operate a 15,000 acre ranch in Ward County.

Pape, the agricultural award winner, built up herds of angora goats, horses, cattle and sheep and is using income from them to pay his expenses at West Texas State College.

Last year he showed the grand champion fat lamb at the Edwards County Junior Livestock Show. His trip was provided by International Harvester Company.

PATTERNS FOR PROGRESS

TOURISM . . . its value to you

WTU is proud to be a part of your community

America is on the road . . . going places . . . seeing things. Texas had 9.6 million out-of-state visitors in 1963 who spent \$471 million plus \$25 million in direct state taxes. As an example in WTU territory, more than 100,000 last year visited Big Bend National Park (pictured above).

A mere eight tourist cars a day that stop in a community is the equivalent of an added \$100,000 annual payroll. Travel and tourism in Texas will grow even faster because of vastly increasing tourist promotion on both the state and local level. This makes tourism of value to every community in the WTU service area, and one of our major economic factors.

Many communities are benefiting from tourism as one of the important PATTERNS FOR PROGRESS. These communities are:

1. Developing tourist attractions (even a rodeo or county fair is a "tourist attraction").
2. Building facilities to care for tourists and other travelers no matter where they are headed (Alpine's Ponderosa Restaurant, pictured left, is one of many such facilities).
3. Creating facilities for the growing number of business and family non-vacationing travelers who fill the highways day after day.

That is why we suggest that you evaluate the importance of tourism to you, and consider seriously how your community can benefit from it.
