

STERLING CITY NEWS-RECORD

VOL. 72 "Since 1890" PUBLISHED EVERY FRIDAY AT STERLING CITY, TEXAS APRIL 17, 1964 No. 16

LeRuth Reed To Marry Danny Stewart in June

The engagement of LeRuth Reed and Danny Stewart was announced last Saturday at a tea in the home of her parents, Mr. and Mrs. L.R. Reed. Mr. Stewart is the son of Mr. and Mrs. Nolan Stewart of Sterling City.

The table was covered with a white embroidered linen cloth. It was centered with an antique silver bowl holding an arrangement of spring flowers. The wedding date of June 27 was revealed on satin streamers extending from the arrangement.

Greeting guests at the door were Mrs. W. N. Reed and Mrs. L. C. McDonald. In the receiving line were Mrs. Lee Reed, the honoree and Mrs. Nolan Stewart.

Alternating at the silver punch bowl were Misses Cecilia McDonald and Jeanie McDonald. Mrs. Don McDonald of College Station and Mrs. N. H. Reed served cake. Mrs. Walter Mann of San Angelo and Mrs. J. C. Reed registered guests.

Mrs. Reynolds Foster and Mrs. I. W. Terry furnished the background music.

Others in the house party were Mrs. Dean Johnson of Abilene, Mrs. Allen LeCout of San Angelo, Mrs. Claude Collins of San Angelo, Mrs. M.C. Reed, Mrs. Neal J. Reed, Mrs. Roland Lowe, Mrs. Foster Conner, Mrs. Harvey Glass, Mrs. Frank Milligan and Miss Nola Gave Stewart, all of Sterling City.

Out-of-town guests registered from Lubbock, Big Spring, San Angelo, Water Valley, Robert Lee, Forsan, Big Lake, Brady, Mertzon, Loraine, Midland, Odessa, Garden City, Brownwood, Bronte, Paint Rock, and Abilene.

The honoree was a 1960 graduate of Sterling City high school. She will be a spring graduate of Abilene Christian College with a major in home economics. She is a member of the Gata Social Club, Keppa Delta Pi, Student Education Association, Campus Service Organization, President of the home economics club, secretary of the Kitten Club. She was recently elected to Whos Who in American Colleges and Universities. She is secretary of the senior class. She was second place winner in the state with a coat in the Make It Yourself with Wool contest.

Mr. Stewart was a 1960 graduate of Sterling City high school. He was given the Lions Club good citizenship award two years in succession. He was selected as best all around boy in his senior year. He will be a spring graduate of Texas A&M University with a major in agriculture education. He was a member of the Freshman Agricultural Society, is a member of the Saddle Club,

LIONS CLUB

The Lions Club met for the regular weekly luncheon on Wednesday noon in the community center. Mrs. T. J. Finigan was hostess for her first time.

A committee to raise money for repainting the community center living quarters and the main room was appointed by president Frank Jackson. He named S. M. Bailey, Wayne Loury and Skip Lively.

R. P. Brown talked on the program. He told of what had happened during the past 80 years, in the way of changes.

It was announced that Julius Bade had been appointed new nightwatchman. He replaces Orb Fincher who resigned.

The prize went to Arthur Barlemann.

One Act Play to Be at School Auditorium April 21 Repeat Performance! All Star Cast Returns

Sterling City's winning one act play, "Early Frost," will be presented again Tuesday night, April 21 at 7:30. Many people have expressed regret at not seeing the play previously, so the public is invited to attend the dress rehearsal of the play before it is presented in regional competition.

Dr. Rex Kyker, the critic judge, was most complimentary in his critique of the play. He said the acting was superb for high school students even to the straight part (played by Rosanne Foster) which he said could hurt the entire play if it was not done correctly.

The local students will put on the play in regional competition in Big Spring at the Howard County Junior College auditorium in the afternoon of April 23.

The members of the cast are Lois Ethel Price, Cecilia McDonald, Mitzi Davis, Rosanne Foster and Jeanie McDonald.

Sponsors of the play are Fred McDonald and Miss Radora Massey. The cast won high praise when they won the district top spot, and it is hoped that the Sterling girls will go on to win regional and state top spots.

Don't Molest City Property!

The city council in session here Monday voted unanimously to enforce the city ordinance on molesting city property. A fine of \$100 and costs may be assessed against anyone that molests city property, such as water meters after they have been cut off, etc. The city plans to prosecute anyone violating this ordinance, it was said.

Absentee Balloting Begun

Absentee balloting for the May 2 Democratic Primary began in Texas this week. Several applications for absentee ballots have been received by the clerk's office here.

The Democratic primary election will be held here on Saturday, May 2 at all the five voting boxes over the county. The Republicans plan to hold a primary in Sterling County, with voting in one box only—at the American Legion Hut, it was said, by Finis Westbrook, county chairman.

The Republicans do not intend to have any local contests, only state and perhaps district races, it was said.

Robert Lee FHA Banquet

Cecilia McDonald was guest speaker at the Robert Lee High School Future Homemakers of America Degree of Achievement Banquet Friday, April 1. She reviewed a book, "The Complete Book of Absolutely Perfect Housekeeping," which is in very light vein. Her talk concluded with a challenge to girls in homemaking and FHA to continue to set higher goals with each accomplishment.

Several Robert Lee girls were awarded Degrees of Achievement. Others who attended the banquet from Sterling City were Nelwyn King, Rosanne Foster, Jeanie McDonald, and Miss Radora Massey, local FHA advisor.

Named to ACC Development Council

Sterling City rancher Chesley McDonald has been named to the Abilene Christian College National Development Council by the college's Design for Development, a program of academic, endowment and physical plant growth for ACC. National chairman of the council is Dean Walling, president of Western Geophysical Company of America and Canada, a division of Litton Industries.

McDonald is a 1939 alumnus of Abilene Christian College where he was a football letterman and president of the student body. His wife, the former Cecile Irene Reed, is also an ACC alumnus. Their son, Don, attended ACC before entering the Texas A&M School of Veterinary Medicine. The McDonalds have two daughters, Cecilia 18 and Jeanie 16.

He was formerly principal of Sterling City High School after teaching at Anson and Colorado City. He has been a member of the Sterling Independent School Board since 1951. For five years McDonald was chairman of the Sterling County Agricultural Stabilization. He is active in Red Cross, Boy Scout, 4H and FFA activities. McDonald is an elder of the Sterling City Church of Christ and a member of the A C C Advisory Board.

Noratadata Club Meeting

Mrs. Ross Foster was hostess when the Noratadata Club met Monday evening. "What I Can Do to Further International Goodwill" was given by Mrs. Robert Foster for the program discussion.

Bridge was played and his score was won by Mrs. Worth Durham, Mrs. D. Kirk Hopkins was second hi, and Mrs. Burl Carey bingoed.

A dinner plate was served to Mrs. Bill Brooks, Mrs. Leroy Butler, Mrs. Bill J. Cole, Mrs. J. I. Cope, Mrs. Nan Davis, Mrs. Joe Emery, Mrs. Reynolds Foster, Mrs. Robert Foster, Mrs. Stanley Horwood, Mrs. Chesley McDonald, Mrs. Kenneth Peel, Mrs. Foster Price, Mrs. Martin Reed, Mrs. I. W. Terry, Mrs. Finis Westbrook, and Mrs. Hubert Williams, and a guest, Mrs. William Foster.

District Literary Meet Saturday

Some Literary Events To Be Held in Churches Here

Saturday morning here in literary events, the local churches are to be used in speaking events. Debate will be held in the Presbyterian church at 9 a.m. and poetry interpretation will be held in the Church of Christ at that time.

Prose reading will be held in the Church of Christ at 10 a.m. and extemporaneous speaking will be held there at 11 a.m. Persuasive speaking will be held there at 12.

All other literary events are to be held at the Sterling City School.

Two Receive Summer Scholarships

Two Sterling City High School students have been awarded summer scholarships for this summer. The two had to take competitive examinations for such consideration.

Lee Douthit has been awarded an all expense paid scholarship in chemistry at Texas Women's University at Denton. She was also named an alternate in a math program at Ohio State University.

Troy Murrell, son of Mrs. and Mrs. Loyd Murrell, has been awarded a summer scholarship in chemistry at the University of Texas, Austin. He was also accepted in the summer program at Texas A&M University, and was named alternate in the math program at SMU. He has accepted the offer at Austin.

Here Sunday helping Mrs. Ben Brooks observe her birthday were Mr. and Mrs. Albert McGinnes and Mary Lynn and Mr. and Mrs. Sam McGinnis of Eldorado and Mr. and Mrs. Roy Baker and Mr. and Mrs. Louis Baker of Tennyson.

In case of fire dial 8-4771.

Track Meet Held Last Saturday

The District 73-B Track and Field Meet was held in Big Spring last Saturday.

Sterling high school placed third in the high school senior division second in the high school junior division and 2nd in the grade school division.

High School Division
In the senior high school division Sterling's 440 yard relay team placed 5th. The team was composed of Mike Foster, Bill Foster, Mike Arp and Dusty Dillard. Ed Smith was 3rd in the 880 yard dash and Crisp Williams placed 4th.

Danny Bailey was 4th in the 120 yard hurdles.

Andy Gaston was 4th in the 440 yard dash and Dusty Dillard was 6th.

Mike Foster placed 5th in the 180 yard low hurdles.

Sterling's Ernest Longoria was second in the mile run, Frank Alejandro was 3rd and Royce Sparks was 6th. In the mile relay Sterling placed 4th with Danny Bailey, Ed Smith, Dusty Dillard and Andy Gaston, making up the team.

Danny Bailey racked up a first in the pole vault, Ernest Longoria was 2nd and Crisp Williams placed 6th.

High School Juniors
In the high school junior division the 440 yard relay team from Sterling placed 4th. The team members were Jimmie Cole, Johnny Copeland, Jerry Currington and James Ross. Collin Douthit placed third

The literary events of the District 73-B will be held in Sterling City Saturday, April 18. Most of the events will be held at the school, but some of the speaking events will be held in the Presbyterian and Church of Christ churches.

Among the Sterling high entrants in the events are as follows:

In DEBATE—Ollema Davis and Temple Ann Foster

EXTEMPORANEOUS Speaking—Danny Bailey, boys and Mitzi Davis, girls

PERSUASIVE SPEAKING—Troy Murrell, boys and Cecilia McDonald, girls

POETRY INTREPRETATION—James Morgan, boys, and Lois Ethel Price, girls

PROSE READING—Royce Sparks, boys, and Jeanie McDonald, girls

READY WRITING—James Morgan and Janie Copeland

Spelling—Lois Price and Jeanie McDonald

TYPING—Elaine Price and James Ross

NUMBER SENSE — Lee Douthit, Troy Murrell and Collin Douthit

SCIENCE—Lee Douthit and Troy Murrell

SLIDE RULE—Lee Douthit

Grade School Contestants
In junior boys declamations Pat Dearen is the entrant and David Currington is alternate

In junior girls declamations Lynn Alexander is the entrant with Nona Gaye Blair as alternate

5th and 6th grade spelling—Susan Terry and David Currington with Donna Noble alternate

7th and 8th grade spelling—Pat Dearen and Karen Jackson with Jaynell Cope alternate

Ready Writing — Debbie Reed and Beverly Brooks

Number Sense—Debbie Reed, Pat Dearen, John Cooney and Beverly Brooks

Story Telling—Judy Copeland with Gail Currington as alternate

Picture Memory—Susan Terry, Marilyn Foster, Terry Seago, Clark Kilpatrick and Karen Currington, alternate.

Wayland Foster was first in the 60 yard high hurdles and second in the 100 yard dash.

Jimmie Cole placed first in the 100 yard low hurdles and he and Wayland Foster tied for first in the 50 yard dash.

Sterling placed 3rd in the 880 yard relay, with members Johnny Copeland, Alex Sedillo, Jerry Currington and James Ross.

Wayland Foster was first in the pullup with Alex Sedillo third.

Johnny Copeland placed 4th in the shotput.

In the pole vault Alex Sedillo placed 2nd and Larry Wilson third.

Silver won the junior division with 42 points and Sterling second with 39.

Grade School Division
In the grade school division John Cooney was 1st in the 440 yard run with Esau Vargas 2nd.

Mike Payne placed fourth in the 60 yard high hurdles and 3rd in the 100 yard low hurdles. He was first in the pole vault with Johnny Joe Medina 2nd.

In the pullups Benny Balderaz and Gary Foster tied for 1st and Johnny Joe Medina was third.

Regional Meet in Big Spring April 24 and 25

The regional track meet is to be held in Big Spring next week, April 24 and 25. Danny Bailey and Ernest Longoria are qualified to go in the pole vault and Longoria in the mile run.

McDonalds Honor Seniors with Supper

The Chesley McDonalds honored the seniors of Sterling City high school with a chicken barbecue supper at their ranch home Tuesday evening. Barbecued chicken, beans, salads, hot bread, tea and coffee, and cake made up the menu.

Class members present included Temple Ann Foster, Lois Ethel Price, Mitzi Davis, Ollema Davis, Lee Douthit, Cecilia McDonald, Danny Bailey, Freddie Fields and Billy Bauer. Parents of the class members were guests as were the high school faculty members and others.

The guests played dominoes, and bridge and visited following the supper.

Little trip diaries were given to the seniors by the McDonalds.

Epsilon Zeta Club Elects Officers

The Epsilon Zeta Club met April 9 in the community center with Mrs. Charles Allen as hostess. Fourteen members and one guest were present.

New Officers Elected
New officers were elected as follows:

Mrs. Charles Williamson, president
Mrs. Louis Watson, vice-p.
Mrs. Mims Reed, secretary
Mrs. Charles Allen, treas.
Mrs. George White, scrapbook
Mrs. Wayne Loury, federation counselor
Mrs. Troy Templin, parliamentarian

It was reported that \$28.00 was netted on the recent bake sale.

Mrs. Eschol Crook gave a program on ceramics.

Members voted to have a linen shower for the hospital the first Sunday in May.

HOSPITAL NOTES

Patients in the Sterling County Hospital on Wednesday morning of this week included—

Lee Hunt
W. H. Spraggins
Mrs. Winn McClure
Mrs. Louis Coronado

Dismissals since Thursday of last week include:

Mrs. Ella Ligon
Mrs. George Demere
Mrs. Bicente Gaitan and infant daughter
Mrs. Ella Ligon
Johnny Copeland

the FFA Club, president of the Collegiate 4-H Club, and treasurer of the Student Agricultural Council.

Ten March of Dimes Medical Advances Are Listed for Year

Ten March of Dimes-financed projects in birth defects and arthritis have been cited by The National Foundation for outstanding progress in 1963.

"In 1963 the arthritis riddle continued to baffle the experts and despite many informative studies by scientists, no significant breakthroughs concerning cause or prevention were reported," according to Dr. Theodore E. Boyd, the organization's director of scientific research.

"In birth defects research, progress was more promising," he stated. "New light was shed on the genetic code of life, on how a baby develops normally and abnormally in the womb and on the causes of some of the hundreds of defects which affect more than a quarter of a million newborns in the U. S. each year."

Dr. Boyd reported that in 1963 The National Foundation-March of Dimes awarded more than \$3,812,000 for research grants. Dr. William S. Clark, medical director, also called attention to the continued rapid growth of the Foundation's treatment and research center program.

There are now 48 March of Dimes centers for birth defects and 29 for arthritis across the country, he said. Approximately 1,000 National Foundation chapters granted more than \$1,500,000 to finance such centers in 1963.

The list of top ten March of Dimes-financed projects and achievements follows:

1. Test for Galactosemia. Development of an accurate blood test to detect both victims and symptom-free carriers of an inherited chemical defect called galactosemia, which causes mental retardation in babies when they drink milk. Test perfected by Dr. Arthur Robinson and associates at the University of Colorado.

2. Test for Maple Syrup Urine Disease. Development of a simple blood test to identify infants with an inherited condition named maple syrup urine disease, because of a telltale odor to the urine of its victims. The condition involves abnormalities in body chemistry and generally results in death by the age of two. Test devised by Dr. Joseph Dancis and colleagues at New York University.

3. Homograft Barrier Cracked? Apparent cracking of the "homograft barrier," a notable achievement in efforts to make adult animals permanently tolerant to organ transplants and skin grafts, which open the way to solving the problem in man. This potential major breakthrough accomplished by Dr. Robert A. Good and research team at the University of Minnesota.

4. Clues to How Cells Specialize. Evidence found to show the existence of chemical messengers between living cells which instruct cells of one kind to change their specific job. Some birth defects may be caused by errors occurring during pregnancy in this cell specialization messenger system. Research conducted by Dr. John Papaconstantinou and others at University of Connecticut.

5. New Kind of Gene Discovered. Studies of inner workings of cells revealed new kind of gene (unit of heredity) which controls the putting together of proteins into proper form. This significant research directed by Dr. Robert S. Edgar of the California Institute of Technology.

6. Viruses and Birth Defects. Tentative identification of several viruses as causing miscarriage, stillbirths and birth defects when mothers-to-be are infected during pregnancy. These preliminary findings reported by Drs. Gordon C. Brown and Thomas Francis Jr. of the University of Michigan.

7. Synthesis of Biologically Active DNA. For the first time the master code-of-life chemical DNA (deoxyribonucleic acid) has been synthesized in the laboratory in a form that is biologically active. This is as close as anyone has come to creating life in the test tube. Achievement by Drs. Rose M. Litman of the University of Colorado and Dr. Waclaw Szybalski of the University of Wisconsin, and their fellow investigators.

8. New Clue to Birth Defect Cause. New lead to causes of

Dr. Ralph F. Jacox, who is cited in the accompanying article, talks to a young arthritis patient.

certain birth defects produced in studies of fluid imbalance in chick embryos. Several factors, such as too little oxygen, too much salt, foreign substances, resulted in salt imbalance in the blood, followed by excess accumulation of body fluids and the development of major defects and often the death of the chick. Reported by Dr. Casimer T. Grobowski, University of Miami.

9. Outbreaks of Spinal Birth Defects. Three reports made of unusual outbreaks of a serious birth defect involving the spine, two by staffs of March of Dimes birth defects centers. Increased referral centers for birth defects patients and vastly increased concern about the problem considered responsible for spotting these "epidemics" of spina bifida. Reported in Atlanta, Ga., by Birth Defects Center there; Fort Campbell, Ky., by Birth Defects Center in Nashville, Tenn., and in Vermont by Burlington physicians. The outbreaks remain unexplained despite intensive inquiry.

10. Arthritis Clues in Twin Study. Strong evidence that emotional stress triggered onset of rheumatoid arthritis was found in a study of five sets of identical twins in which one of each pair had the disease. Reported by Drs. Ralph Jacox and Sanford Meyerowitz of the March of Dimes Arthritis Center, University of Rochester.

High School Library Receives Memorial Books

In memory Mrs. J. L. Seal, mother of Mrs. Neal J. Reed: Gertrude Mallette's career story of a young nurse, "Into the Wind", by Mr. and Mrs. L. C. Alexander.

Esther Forbes historical story, "Paul Revere's World", by Mr. and Mrs. Frank Milligan.

In memory of Rogers McDonald, father of teacher and coach Fred McDonald; Sterling Hayden's autobiography, "Wanderer", by Mr. and Mrs. Ross Foster.

Eleanor Ruggles' biography of America's great Shakespearean actor, "Edwin Booth, Prince of Players", by Mr. and Mrs. L. C. Alexander.

In memory of Marvin Churchill:

W. A. White's biography, "Woodrow Wilson, the Man, His Times, and His Task", by Mr. and Mrs. Frank Milligan.

Curtis Bishop's football story, "The Lost Eleven", by Mr. and Mrs. L. C. Alexander.

In memory of Fr. and Mrs. Marvin Churchill:

John Gunther's contemporary history, "Inside Europe Today", by Mr. and Mrs. Eschol Crook.

In memory of Mrs. Marvin Churchill:

Treble and King's history, "Everyday Life in Rome in the Time of Caesar and Cicero" by Mr. and Mrs. L. C. Alexander.

George Eliot's classic, "The Mill on the Floss", by Mr. and Mrs. Frank Milligan.

In memory of Will Meyer: Billy Warren's story of pioneer days, "Ride West Into Danger", by Mr. and Mrs. L. C. Alexander.

John B. Prescott's historical account of early day America, "Meeting in the Mountains", by Mr. and Mrs. Frank Milligan.

The high school library is grateful to Mr. and Mrs. Ross Foster, Mr. and Mrs. David Glass, and Mr. and Mrs. O. T. Jones for useful magazines.

AUTO WASH—

Be the first to enjoy this amazing opportunity. Become part of the Multi Million Dollar Auto Wash Industry. Enjoy these advantages as an owner of a coin operated automatic car wash; no land to lease; no building to buy; no fixed overhead; no labor problem.

No Experience Necessary Can be handled part time. Please apply only if you have a sincere desire to be in business for yourself and can make a total investment of \$2,500.

FAST CAR WASH COMPANY
5009 Excelsior Boulevard
Minneapolis 16, Minnesota

JIM LANGDON—A WINNER!

Railroad Commissioner Jim Langdon is a 49-year-old native Texan with a winning record in public office. When John Connally appointed him to the Railroad Commission, the Governor said:

"I have for several weeks been attempting to find a man I consider to have outstanding ability, integrity and honor... I am happy we have found that man — Judge Jim C. Langdon."

Jim Langdon has fully lived up to Governor Connally's expectations. He has conducted his office in the spirit of Governor Jim Hogg, who had the Commission set up in 1891 to look after the public interest in railroad and freight rates. It now regulates also truck and bus rates and the production of oil and gas. Judge Langdon will continue to keep transportation rates in line and see to it that our oil reserves are protected against waste and greed. This will help keep down Texas gasoline prices, already among the lowest in the nation.

Jim Langdon was elected District Judge twice and re-elected Chief Justice of the El Paso Court of Civil Appeals.

ON THE OTHER HAND—

Jim Langdon's Opponent Is a 10-Time Loser!

Jesse Owens, 69-year-old attorney, is still running for office after 38 years and TEN DEFEATS. He has lost the following races:

- 1926—Defeated for Sheriff of Foard County by L. D. Campbell.
- 1930—Defeated for District Attorney by John Meyers.
- 1932—Defeated for District Attorney by Ed Gossett.
- 1940—Defeated for District Attorney by T. Gene Rogers.
- 1946—Defeated for Court of Criminal Appeals by Tom L. Beauchamp.
- 1952—Defeated for Court of Criminal Appeals by K. K. Woodley.
- 1956—Defeated for Court of Criminal Appeals by W. A. Morrison.
- 1958—Defeated for District Judge by Tom Davis.
- 1960—Defeated for Court of Civil Appeals by James Denton.
- 1962—Defeated for Texas Supreme Court by Meade F. Griffin.

A Winner All the Way—

Jim C. Langdon

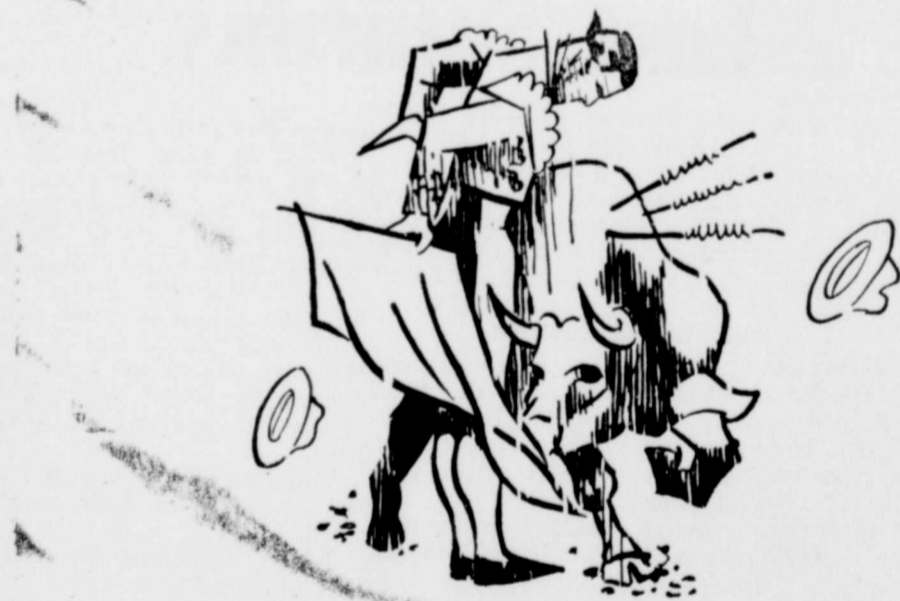

for Railroad Commissioner

(Pol. Adv.—Paid for by Jim Langdon Campaign Committee, Charles C. Langdon, Chairman)

REWARD NOTICE

A reward of \$500.00 will be paid by the Texas Sheep and Goat Raisers Association to any person (other than law enforcement officers) giving information causing the arrest and final conviction of any person or persons found butchering or stealing any sheep or lambs or goats belonging to any Association member in good standing. When two or more persons give information, the above sum will be divided at the discretion of the Board of the Association. When two or more defendants are involved in a single crime, the total reward is limited to \$500.00, but the conviction of one defendant, even though the other defendants are acquitted, will entitle the claimant or claimants to said sum of \$500.00. All claims must be submitted within ninety (90) days following conviction. If, upon conviction, a defendant confesses other thefts, no additional reward will be paid. All deviations concerning the payment of such reward and the conditions of payment will be made by the Board of Directors of the Association.

For Social Security

"Area residents should file their social security claims before they retire in order to insure prompt payment of benefits," Floyd B. Ellington, social security district manager in San Angelo, said today.

Many people of retirement age do not get their first social security checks as early as they might, simply because they waited too long to apply for their benefits, Ellington pointed out.

Applications may be filed any time within three months of when a person wants benefits to start. Since the average processing time of a claim is 4 weeks, Ellington advised people to take advantage of this early filing and submit their applications as soon as possible.

Many claims are delayed because the applicants do not have the necessary information or papers to establish their eligibility for benefits, he said. These delays could be avoided if people would get in touch with social security office ahead of time to find out what they should bring with them when they apply for benefits.

Civil Service Opportunities

The U.S. Civil Service Commission has announced new examinations for Recreation Resource Specialists (paying \$6,675 to \$14,565 a year) and Public Health Educators (paying \$6,675 to \$12,845 a year) for work in Washington, D.C., and throughout the United States.

Recreation Resource Specialists are employed mainly in the Department of the Interior to provide technical advice and guidance to Federal, state, and local governments in connection with outdoor recreation needs and resources. Related experience is required although appropriate education may be substituted for some of the experience. Applications will be accepted until further notice by the Board of U.S. Civil Service Examiners, Department of the Interior, Washington, D.C. 2240. See Announcement No. 308 B.

Public Health Educators are employed chiefly in the Public Health Service of the Department of Health, Education, and Welfare; they provide leadership in developing sound educational methods of solving health problems. Appropriate education and experience are required. Applications should be filed with

NEVER FELT BETTER!

Health checkup? Not for him . . . he knows he's in fine shape! What he doesn't know is that cancer has a "silent" stage . . . before it reveals any symptoms. Doctors say their chances of curing cancer are so much better when they have an opportunity to detect it "before it talks."

That's why it's important for you to have an annual checkup, no matter how well you may feel.

Call in and leave your name early, as we will be in Sterling City one day only.

Need More Time?

The housewife of the *Young Married Set* is involved with so many activities, she needs all the time she can lay her hands on. A Gold Medallion Home is the answer! It provides so many time-saving conveniences, it's just like adding more days to the ordinary 7-day week. For instance, the electric clothes dryer alone saves 3 hours weekly and even the electric dishwasher saves 7 hours a week...why, that's 10 hours already! Not to mention that the electric range is so automatic, it's like having a hired cook to do all the watching. And the electric water heater provides hot water instantly upon demand. Heating and cooling systems are automatic too... the thermostat is set at the start of the season and forgotten until the season changes.

This is just a smattering of the many ways the total electric Gold Medallion Home saves time for the *Young Married Set*. Oh yes, with a *flameless* total electric Gold Medallion Home, there's one less bill to pay each month.

ARTHUR BARLEMANN, JR. COUNTY AGENT

The Sterling County 4-H Club range judging team won second place in the contest sponsored by the three soil conservation districts and San Angelo College Saturday. Districts that sponsor the contests are the North Concho River, the Concho, and the Eldorado-Divide districts. Site of the contests was the college farm on the lake shore area.

Team members who took part were David Foster, Larry Stewart, James Morgan and Tommy Foster. Twelve teams participated. They were from a wide area from Alpine to Abilene, and Kerrville to Garden City.

David was high individual in plant identification; James was high individual in range plot placing, and Larry was second high in the range condition, classification, and treatment division of the contest. In the three divisions that make up the contest, David was fourth high, Larry eighth high, and James ninth high individual.

The team was high in plot placing, second in the condition, classification, and treatment division, and third high team in plant identification. The boys received ribbons for their individual awards in the various parts of the contest. A plaque was awarded the team for their overall performance in placing second. The awards were made possible by the conservation districts sponsoring the contest.

At noon, the boys and their coaches were guests of the 3 districts at a barbecue in the park on the lake shore. This was sponsored by the 3 districts. The sponsors are to be commended for their interest in sponsoring this contest. Excellent training is provided for those who take part.

The time for fertilizing lawn grasses for the best results is near. For the best results, two lawn grasses should be fertilized about the time they be-

gin growth. That time should be with us—at least we hope that winter is about over and has made its last call.

Bermuda grass, which makes up most of the lawns here, should get two pounds of nitrogen now to kick it off when it begins to grow. In this area some phosphorus is needed but no samples sent in have ever required any potash. With this in mind, you can purchase a fertilizer such as 16-20-0 for use now. Apply it at the rate of twenty pounds per thousand square feet. Follow it with a good watering; soak the lawn thoroughly. Fewer soakings will do more good than a number of light waterings.

For the best lawn, later applications of fertilizers such as ammonium nitrate, ammonium sulfate, or cottonseed meal should be made at thirty day intervals during the summer. One pound of actual nitrogen will keep the lawn growing well; it will also keep you in shape by requiring mowing. The required amount of nitrogen will be supplied by either three pounds of ammonium nitrate, five pounds of ammonium sulfate, or fifteen pounds of cottonseed meal per thousand square feet. Follow with good soakings.

Range conditions improved during March according to the range report. The eastern part of the state is in good condition; the High Plains wheat area is somewhat dry according to the report.

There are localized areas like our own which are not in this category of course. Grass is greening up here but is very short. Some relief is in sight for sheep since they can find some grazing on the short, green stuff, but such is not the case for cattle. As several have said, they can't see around the corner yet and stop feeding the cattle. Two things are necessary; moisture and warm weather before

before that can happen here.

Screwworms have moved into the hill country. Cases were confirmed last week in Medina and Val Verde Counties. Within the last few days, a case has been confirmed in Uvalde County.

The pattern is following last year's path thus far. During April, the build-up occurred south and west of San Antonio. If the screwworm continues to follow last year's pattern, they will appear in this area in late April or early May. Our first case last year was confirmed after being found on May 1.

With this in mind, check your sheep after shearing. Better yet, the foundation urges spraying out of the shearing pen. This will protect the animals for two or three weeks if Co-Ral or Korlan is used. Then follow up by checking the animals, send in all suspected samples, and treat all suspected cases.

STERLING CITY FUTURE HOMEMAKERS MEET

The Sterling City FHA had their regular meeting Monday, April 1 at the home of Rosanne Foster. Several things were discussed during the meeting, such as planning a trip to Lake Buchanan sometime in July, to plan for next year's programs.

The program was given by Miss Massey, the FHA sponsor. Her topic was "The Basic Needs of a Teenager." This stressed the ideas of any typical teenager of today.

Refreshments were served by the hostess for the meeting. The next program on April 27, will feature a book review by Mr. Fred McDonald.

To New York

Mr. and Mrs. G. H. Cannon will leave Love Feld at Dallas on Monday, April 20 for New York for a visit with their son, Garland and his family. Garland is a graduate professor in Queens College in New York. They have purchased a home on Long Island. While there, the Cannons will attend the World's Fair and other points of interest.

THE FIRST NATIONAL BANK
STERLING CITY, TEXAS

Skirmishes on the poverty front sparked the political scene in Washington last week. Beginning with 27 officials, consultants and advisers, in addition to clerical help, the Office of Economic Opportunity came to life, though yet unofficial. Headed by Sargent Shriver, this new venture in bureaucracy gained momentum. Forty telephones were installed, along with borrowed desks, typewriters, etc. All this happened even before the Congress formally creates the new office.

On Capitol Hill the House gave the green light to an expanded welfare phase of the anti-poverty drive by approving a \$360 million food stamp bill. Although this is not a part of the \$1-billion anti-poverty package which is being pushed by the President, it was sold in the House as a vital factor in the war against poverty.

The Food Stamp Bill will enable people in approved areas to buy food stamps and then trade them in at grocery stores at a value in excess of their cost, thus creating a direct federal subsidy on food bills for the recipients. The lucky recipients are supposed to be making a little less money than other people, and hence alleged to be proper subjects of this form of charity.

Behind the scenes, the substantial showing of Governor Wallace in the Wisconsin Presidential preference primary has created quite a stir in Washington. The Governor ran on one issue -- the civil rights bill pending in the Senate. Polling over 260,000 votes, more than one-third of those cast in the Democratic primary and about one-fourth of the combined Republican-Democratic total, Wallace had done little campaigning in the Wolverine State before the voting took place.

In the Senate, where the civil rights bill is being debated, the Wisconsin showing against the bill caused Senator Hubert Humphrey, the bill's leader, to explode incoherently. In fact, he was so distracted by the tremendous vote that favored Wallace that he shouted, victoriously, "A flop... a fizzle!"
