AROUND THE COUNTY by

ARTHUR BARLEMANN, JR. COUNTY AGENT

Have you ever been in a dark room about 15 by 50 feet with sixty-three million flies? This was one of the experiences those of us touring the fly production plant at Mission had while attending the state meeting of the Texas County Agent's Association in McAllen.

The room with the sixty-three million flies is the room in which the fertile flies lay the eggs for the production of sterile flies dropped in the screwworm eradication program. In this room, the flies, kept in cages, lay their eggs in trays at the bottom of the cages. The room is kept totally dark. The only light in the place other than some light at the trays to attract the flies to lay their eggs, were the three flashlights the fourteen persons in the group had. When the flashlights are turned on the the flies begin buzzing around and the longer the light remains on the more the flies buzz. It builds up until it sounds somewhat like a jet plane. The room is kept dark because the flies in the cages would kill themselves and each other in a lighted room by flying around.

The flies lay only one group of eggs. When they are finished, the cages are wheeled into a cold room where they drop off to the floor and are boxed up and taken to an incubator. The eggs are taken to another room where they hatch in 24 hours. The newly hatched larva are then taken to a room where the temperature is maintained at 102 degrees and 90 percent humidity. They are kept in this room for thirty-six hours and then moved onto the rearing floor area.

In the rearing area, the pupa move along on trays on carts where they are fed and grow for 3 to 5 days. At the end of 5 days, they have reached their full growth as screw-worms and are ready to crawl out of the wound, in this case an artificial one made up of the feeding media. As they crawl out, they drop into streams of water and are carried to a separating room. From here, the worms begin the stage where they turn into the pupa or hard-shelled stage. This is done in hardwood sawdust, the only kind that has worked for the plant. After 80 hours, the pupae and the sawdust are separated by a shaker and the pupae go

through another room where they are held for 5 1/2 days after which they go to the Cobalt 60 room for radiation and packaging for distribution.

There are many precautions taken to see that no fly escapes from the rearing plant or "factory" as it is referred to in the area. There are three doors to the room where the 63 million brood flies are kept. Only one door can be opened at a time; no two are ever supposed to be open at the same time. Every one going through the plant removes their clothing and is given sterilized clothing to wear; this includes shoes. At the end of the tour, everyone must shower before dressing. The official who guided our group of 14 took his third shower for Monday; he said he had taken as many as five in a day.

Plant officials said that about one fourth of the people—men only, no women are allowed to tour the plant—drop out before making the tour. While the plant does not have the odor of a bakery, it is not impossible. Every part is maintained spotlessly clean but there is a certain odor from the horse meat, blood, and other materials used to feed the worms.

In the briefing room, a large map of the Southwestern United States and Mexico is maintained showing the areas of trouble. A large black square around Sterling County and parts of the surrounding counties marks the site of the recent infestation. Dr. Meadows, who is in charge of the plant presently, remarked that he was still surprised that the recent infestation here was halted so quickly. The combination of sterile fly drops, dry weather, and the cooperation of the ranchers really halted the thing in about half the time they thought it would take.

The tour was most interesting. I had been told by some who had toured the Kerrville plant that there was no good time to make the tour, that it was hard to make before lunch or after lunch. It is quite an experience and amazing that such an operation could be devised.

Football Practice to Start Monday

Demolition Squad to Demonstrate Here

A demolition squad from Ft. Hood, Texas will put on demolition exhibitions in fire fighting during the week of September 13, said Ross Foster this week. The squad, under command of 1st Lt. David M. Tisdale, is with the 47th Ordinance Detachment at Fort Hood.

The Sterling Volunteer Fire Department is sponsoring the exhibitions here, which is in the interest of fire fighting.

NEW STREET LIGHTING SCHEDULES

As an additional service to the communities, towns and cities it serves, West Texas Utilities Company has extended its street lighting services. The new street lighting schedules provide for mercury-vapor street lights in ratings of 8,000 lumen, 21,500 lumen and 43,000 lumen (two lights per pole).

Mercury-vapor lamps, Wayne Loury, Local Manager said, are more efficient than incandescent lamps and are considered by authorities as the desirable primary source of illumination for modern street lighting. This new service is designed to help communities improve the quality of their street lighting.

He said, "That the cost of new mercury-vapor street lights on either conventional wood poles or standard steel poles is low and compares very favorably with rates of other Texas companies."

Mr. Loury pointed out that this new street lighting service would be extended to all towns and communities the Company serves. The Company is eager to assist the progressive, "up-and-coming" communities it serves in having and maintaining good street lighting. Good street lighting is an important plus for a community in attracting new industry. A well lighted town is considered to be one of the sure indicators of a progressive, wide-awake community.

In addition to the deserved Civic pride of a well lighted community, Wayne pointed out, modern street lighting contributes substantially to crime reduction. It is a positive deterrent to vandalism and hoodlums.

Another benefit of modern street lighting is improved public safety. Statistics clearly show that well lighted arterial streets and main thoroughfares reduce the number of traffic accidents and fatalities.

NEW EXAMINATION ANNOUNCED BY THE CIVIL SERVICE COMMISSION

A new examination for Communications Specialist has just been announced by the Civil Service Commission. These jobs, located in the Department of Defense and other Federal agencies in the Washington area, require experience in one or more fields of communications, such as telephone, typewriter, data transmission or other media of communications. Salaries range from \$7,220 to \$10,250 a year. Other specific details are in Announcement No. 362-B. File applications with the Board of U. S. Civil Service Examiners, Department of the Army, The Pentagon, Washington, D. C. 20310.

Also announced today was a new examination for work in Washington as a Photographer in such branches as aerial, laboratory, medical, motion picture, scientific, still, television, and underwater. The jobs pay from \$4,480 to \$7,220 a year and require appropriate experience. The requirements are in Announcement No. 363-B. File applications with the Board of U. S. Civil Service Examiners, Washington Navy Yard, Washington, D. C. 20390.

These two new examinations require no written test and applications for them will be accepted until further notice. Announcements and appropriate application forms may be obtained from many post offices located throughout the country, or from the Boards of Examiners above.

The much ballhooped voter registration bill, which finally cleared the House and Senate and was signed by the President last week, is more a grab for power by the federal government, at the expense of the states, than it is a protection for Negro voters. Make no mistake about it — there was in reality no need for any more law to protect voter rights.

Last year the Congress passed a bill which fully authorized the courts to enjoin against arbitrary rules which might interfere with the voting privilege. The courts were given all the authority they needed, and all they could use, to prevent any form of discrimination against Negroes in the use of the ballot.

But the new voter bill goes much further. In states or in political subdivisions where fewer than 50% of the Negroes choose to register or vote in a preceding election, then the Attorney General may, if he chooses, send in federal registrars who can shove local election officials aside, and virtually decide who can vote — regardless of local laws, however reasonable and necessary such local election laws may be.

With this unprecedented power lodged in the Executive branch of the government, if the wrong crowd ever gets control of the federal government, and should want to do it, they could effectively influence or even control many local elections — even for justices of the peace or mayor of a small town.

Moreover, the Constitution clearly states that the states — not the federal government — shall determine the qualifications of voters. But under the new voter bill that concept of constitutional authority is proscribed and ignored. And the sad thing about it is that the present Supreme Court will probably uphold the law by doing as it has done on other occasions — by ignoring the plain wording and intention of the Constitution.

Between now and next year the agitators and politicians will be burning midnight oil in efforts to cook up another emotional civil right bill to fight over next year — that being election year. Voter rights legislation was not needed to protect votes — but it serves to get votes.

Sonora Diamond Jubilee

Residents of Sonora and Sutton County will turn the calendar back 75 years August 15, 21 when they observe the Diamond Anniversary of this West Texas community whose history of outlawry is as colorful as any in the west.

Old-fashioned fun and general hullabaloo will be the theme of the six-day celebration which will feature town-wide decoration, costume and beard contests, shoot-outs and other activities during the week.

The Diamond Jubilee celebration will begin Sunday afternoon, August 15, with an old-time basket dinner, preaching and hymn-singing on the lawn of the Sutton County courthouse. Dr. Andrew Edington, president of Schreiner Institute, Kerrville will preach the sermon.

An open house and reception is scheduled for Friday, August 20, with former residents, members of pioneer families, and out of town guests as honorees.

The Jubilee Parade, with bands, wagons, antique cars and other entries, will be held on Saturday morning and is to be followed by a barbecue. A pageant depicting the history of the town and county will be presented Friday and Saturday nights at the Sonora Park and Horse Show grounds. Street dancing is scheduled for Saturday night with floor shows at intermissions.

Sonora, once the hang-out of such Western badmen as Will Carver, Black Jack Ketchum, Sam Ketchum, Kid Curry, King Fisher and John Wesley Hardin, was founded in 1890 by the late Charles F. Adams shortly after the creation of Sutton County from a portion of Crockett County. The area was settled by sheepmen and is now one of the largest wool and mohair producing counties in Texas.

Sonora is the burial place of the notorious Hole-in-the-Wall Gang known also as the Wild Bunch from Robbers' Roost. Carver was killed in downtown Sonora, April 2, 1901 in a gun battle with then Sutton County Sheriff E. S. (Lije) Biant, one of West Texas' most famed law enforcement officials. The stone on Carver's grave in Sonora Cemetery bears only the date of his death.

Among celebrities receiving special invitations to be present during the Jubilee are President Lyndon B. Johnson, Governor John Connally, Congressman O. C. Fisher, State Senator Dorsey B. Hardeman and former resident Dan Blocker.

SOCIAL SECURITY

"You don't have to retire completely to get social security benefits," Floyd B. Ellington, social security district manager in San Angelo said today.

"If you earn \$1200 or less in a year, you are considered to be completely retired and would be entitled to all your benefits," he added.

If you earn over \$1200 in a year, you may be considered partly retired and entitled to part of your social security benefits. For example, a worker would have only one dollar in benefits withheld for every two dollars earned between \$1200 and \$1700. For earnings over \$1700 annually, one dollar in benefits is withheld for each dollar of earnings.

Ellington emphasized the fact that, no matter how much you earn in a year, you can be paid your social security benefits for any month in which you neither earn over \$100 as an employee, nor render substantial services as a self-employed person.

Avoid any misunderstanding you may have about the social security retirement test, especially if you are over 65 earning anywhere between \$1201 and \$3600. Get all the facts from your social security office at 3000 West Harris, San Angelo, Texas.

PUBLIC NOTICE

Proposed CONSTITUTIONAL AMENDMENT NUMBER TWO ON THE BALLOT

PROPOSED CONSTITUTIONAL AMENDMENT TO BE VOTED ON AT AN ELECTION TO BE HELD ON NOVEMBER 2, 1965.
HOUSE JOINT RESOLUTION NO. 5 proposing an Amendment to Section 49-b, Article III of the Constitution of Texas so as to authorize an increase in the total amount of bonds or obligations that may be issued by the Veterans' Land Board to Four Hundred Million Dollars (\$400,000,000); providing for the issuance of said bonds or obligations and the conditions relating thereto and the use of the Veterans' Land Fund; and providing for an election and the issuance of a proclamation therefor.
BE IT RESOLVED BY THE LEGISLATURE OF THE STATE OF TEXAS:

Section 1. That Section 49-b, Article III of the Constitution of Texas, be amended so that the same will hereafter read as follows:

"Section 49-b. By virtue of prior Amendments to this Constitution, there has been created a governmental agency of the State of Texas performing governmental duties which has been designated the Veterans' Land Board. Said Board shall continue to function for the purposes specified in all of the prior Constitutional Amendments except as modified herein. Said Board shall be composed of the Commissioner of the General Land Board and two (2) citizens of the State of Texas, one (1) of whom shall be well versed in veterans' affairs and one (1) of whom shall be well versed in finances. One (1) such citizen member shall, with the advice and consent of the Senate, be appointed biennially by the Governor to serve for a term of four (4) years; but the members serving on said Board on the date of adoption hereof shall complete the terms to which they were appointed. In the event of the resignation or death of any such citizen member, the Governor shall appoint a replacement to serve for the unexpired portion of the term to which the deceased or resigning member had been appointed. The compensation for said citizen members shall be as is now or may hereafter be fixed by the Legislature; and each shall make bond in such amount as is now or may hereafter be prescribed by the Legislature.

"The Commissioner of the General Land Office shall act as Chairman of said Board and shall be the administrator of the Veterans' Land Program under such terms and restrictions as are now or may hereafter be provided by law. In the absence or illness of said Commissioner, the Chief Clerk of the General Land Office shall be the Acting Chairman of said Board with the same duties and powers that said Commissioner would have if present.

"The Veterans' Land Board may provide for, issue and sell not to exceed Four Hundred Million Dollars (\$400,000,000) in bonds or obligations of the State of Texas for the purpose of creating a fund to be known as the Veterans' Land Fund, Two Hundred Million Dollars (\$200,000,000) of which have heretofore been issued and sold. Such bonds or obligations shall be sold for

not less than par value and accrued interest; shall be issued in such forms, denominations, and upon such terms as are now or may hereafter be provided by law; shall be issued and sold at such times, at such places, and in such installments as may be determined by said Board; and shall bear a rate or rates of interest as may be fixed by said Board but the weighted average annual interest rate, as that phrase is commonly and ordinarily used and understood in the municipal bond market, of all the bonds issued and sold in any installment of any bonds may not exceed four and one-half per cent (4½%). All bonds or obligations issued and sold hereunder shall, after execution by the Board, approval by the Attorney General of Texas, registration by the Comptroller of Public Accounts of the State of Texas, and delivery to the purchaser or purchasers, be incontestable and shall constitute general obligations of the State of Texas under the Constitution of Texas; and all bonds heretofore issued and sold by said Board are hereby in all respects validated and declared to be general obligations of the State of Texas. In order to prevent default in the payment of principal or interest on any such bonds, the Legislature shall appropriate a sufficient amount to pay the same.

"In the sale of any such bonds or obligations, a preferential right of purchase shall be given to the administrators of the various Teacher Retirement Funds, the Permanent University Funds, and the Permanent School Funds.

"Said Veterans' Land Fund shall consist of any lands heretofore or hereafter purchased by said Board, until the sale price therefor, together with any interest and penalties due, have been received by said Board (although nothing herein shall be construed to prevent said Board from accepting full payment for a portion of any tract), and of the moneys attributable to any bonds heretofore or hereafter issued and sold by said Board which moneys so attributable shall include but shall not be limited to the proceeds from the issuance and sale of such bonds; the moneys received from the sale or resale of any lands, or rights therein, purchased with such proceeds; the moneys received from the sale or resale of any lands, or rights therein, purchased with other moneys attributable to such bonds; the interest and penalties received from the sale or resale of such lands, or rights therein; the bonuses, income, rents, royalties, and any other pecuniary benefit received by said Board from any such lands; sums received by way of indemnity or forfeiture for the failure of any bidder for the purchase of any such bonds to comply with his bid and accept and pay for such bonds or for the failure of any bidder for the purchase of any lands comprising a part of said Fund to comply with his bid and accept and pay for any such lands; and interest received from investments of any such moneys. The principal and interest on the bonds heretofore and hereafter issued by said Board shall be paid out of the

moneys of said Fund in conformance with the Constitutional provisions authorizing such bonds; but the moneys of said Fund which are not immediately committed to the payment of principal and interest on such bonds, the purchase of lands as herein provided, or the payment of expenses as herein provided may be invested in bonds or obligations of the United States until such funds are needed for such purposes.

"All moneys comprising a part of said Fund and not expended for the purposes herein provided shall be a part of said Fund until there are sufficient moneys therein to retire fully all of the bonds heretofore or hereafter issued and sold by said Board, at which time all such moneys remaining in said Fund, except such portion thereof as may be necessary to retire all such bonds which portion shall be set aside and retained in said Fund for the purpose of retiring all such bonds, shall be deposited to the credit of the General Revenue Fund to be appropriated to such purposes as may be prescribed by law. All moneys becoming a part of said Fund thereafter shall likewise be deposited to the credit of the General Revenue Fund.

"When a Division of said Fund (each Division consisting of the moneys attributable to the bonds issued and sold pursuant to a single Constitutional authorization and the lands purchased therewith) contains sufficient moneys to retire all of the bonds secured by such Division, the moneys thereof, except such portion as may be needed to retire all of the bonds secured by such Division which portion shall be set aside and remain a part of such Division for the purpose of retiring all such bonds, may be used for the purpose of paying the principal and the interest thereon, together with the expenses herein authorized, of any other bonds heretofore or hereafter issued and sold by said Board. Such use shall be a matter for the discretion and direction of said Board; but there may be no such use of any such moneys contrary to the rights of any holder of any of the bonds issued and sold by said Board or violative of any contract to which said Board is a party.

"The Veterans' Land Fund shall be used by said Board for the purpose of purchasing lands situated in the State of Texas owned by the United States or any governmental agency thereof, owned by the Texas Prison System or any other governmental agency of the State of Texas, or owned by any person, firm, or corporation. All lands thus purchased shall be acquired at the lowest price obtainable, to be paid for in cash, and shall be a part of said Fund. Such lands heretofore or hereafter purchased and comprising a part of said Fund are hereby declared to be held for a governmental purpose, although the individual purchasers thereof shall be subject to taxation to the same extent and in the same manner as are purchasers of lands dedicated to the Permanent Free Public School Fund.

"The lands of the Veterans' Land Fund shall be sold by said Board in such quantities, on such terms, at such prices, at such rates of interest and under such rules and regulations as are now or may hereafter be provided by law to

Texas veterans who served not less than ninety (90) continuous days, unless sooner discharged by reason of a service-connected disability, on active duty in the Army, Navy, Air Force, Coast Guard or Marine Corps of the United States between September 16, 1940, and March 31, 1955, and who upon the date of filing his or her application to purchase any such land is a citizen of the United States, is a bona fide resident of the State of Texas, and has not been dishonorably discharged from any branch of the Armed Forces above-named and who at the time of his or her enlistment, induction, commissioning, or drafting was a bona fide resident of the State of Texas. The foregoing notwithstanding, any lands in the Veterans' Land Fund which have been first offered for sale to veterans and which have not been sold may be sold or resold to such purchasers, in such quantities, and on such terms, and at such prices and rates of interest, and under such rules and regulations as are now or may hereafter be provided by law.

"Said Veterans' Land Fund, to the extent of the moneys attributable to any bonds heretofore issued and sold by said Board, as is now or may hereafter be provided by law, for the purpose of paying the expenses of surveying, monumenting, road construction, legal fees, recordation fees, advertising and other like costs necessary or incidental to the purchase and sale, or resale, of any lands purchased with any of the moneys attributable to such additional bonds, such expenses to be added to the price of such lands when sold, or resold, by said Board; for the purpose of paying the expenses of issuing, selling, and delivering any such additional bonds; and for the purpose of meeting the expenses of paying the interest or principal due or to become due on any such additional bonds.

"All moneys attributable to the bonds issued and sold pursuant to the Constitutional Amendment adopted on November 6, 1956, shall be credited to said Veterans' Land Fund and may be used for the purpose of purchasing additional lands, to be sold as provided herein, until December 1, 1965; provided, however, that so much of such moneys as may be necessary to pay interest on such bonds shall be set aside for that purpose. After December 1, 1965, all moneys attributable to such bonds shall be set aside for the retirement of such bonds and to pay interest thereon; and when there are sufficient moneys to retire all of such bonds, all of such moneys then remaining or thereafter becoming a part of said Veterans' Land Fund shall be governed as elsewhere provided herein.

"All of the moneys attributable to any series of bonds heretofore issued and sold by said Board (a 'series of bonds' being all of the bonds issued and sold in a single transaction as a single installment of bonds) may be used for the purchase of lands as herein provided, for a period ending eight (8) years after the date of sale of such series of bonds; provided, however, that so much of such moneys as may be necessary to pay interest on bonds heretofore issued and sold

shall be set aside for that purpose in accordance with the resolution adopted by said Board authorizing the issuance and sale of such series of bonds. After such eight (8) year period, all of such moneys shall be set aside for the retirement of any bonds hereafter issued and sold and to pay interest thereon, together with any expenses as provided herein, in accordance with the resolution or resolutions authorizing the issuance and sale of such additional bonds, until there are sufficient moneys to retire all of the bonds hereafter issued and sold, at which time all such moneys then remaining a part of said Veterans' Land Fund and thereafter becoming a part of said Fund shall be governed as elsewhere provided herein.

"This Amendment being intended only to establish a basic framework and not to be a comprehensive treatment of the Veterans' Land Program, there is hereby reposed in the Legislature full power to implement and effectuate the design and objects of this Amendment, including the power to delegate such duties, responsibilities, functions, and authority to the Veterans' Land Board as it believes necessary.

"Should the Legislature enact any enabling laws in anticipation of this Amendment, no such law shall be void by reason of its anticipatory nature.

"This Amendment shall become effective upon its adoption."

Proposed CONSTITUTIONAL AMENDMENT NUMBER EIGHT ON THE BALLOT

PROPOSED CONSTITUTIONAL AMENDMENT TO BE VOTED ON AT AN ELECTION TO BE HELD ON NOVEMBER 2, 1965. HOUSE JOINT RESOLUTION NO. 57 proposing an Amendment to Section 1-a of Article V of the Constitution of the State of Texas, by adding to said Section as presently written, the following provisions: requiring automatic retirement of certain District and Appellate Judges at age seventy-five (75) or such earlier age, not under seventy (70), as may be provided by law; creating a State Judicial Qualifications Commission and providing for its composition and the qualifications, methods of selection and terms of office of its members; defining the functions and procedures of said Commission, including the duty to investigate, and hold hearings in respect of disability and misconduct of District and Appellate Judges and to make recommendations to the Supreme Court of Texas, or who shall have ceased to retain the qualifications above specified for his respective class of membership. Commissioners of classes (i) and (ii) above shall be chosen by the Supreme Court with advice and consent of the Senate, those of class (iii) by the Board of Directors of the State Bar under regulations to be prescribed by the Supreme Court with advice and consent of the Senate.

"(3) The regular term of office of Commissioners shall be six (6) years; but the initial members of each of classes (i), (ii) and (iii) shall respectively be chosen for terms of four (4) and six (6) years, and the initial members of class (iii) for respective terms of two (2), four (4) and six (6) years. Interim vacancies shall be filled in the same manner as vacancies due to expiration of a full term, but only for the unexpired portion of the term in question. Commissioners may succeed themselves in office only if having served less than three (3) consecutive years. (4) Commissioners shall receive no compensation for their services as such. The Legislature shall provide for the payment of the necessary expense for the operation of the Commission. (5) The Commission may hold its meetings, hearings and other proceedings at such times and places as it shall determine but shall meet at Austin at least once each year. It shall annually select one of its members as Chairman. A quorum shall consist of five (5) members. Proceed-

ings shall be by majority vote of those present, except that recommendations for retirement or removal of Justices or Judges shall be by affirmative vote of at least five (5) members. (6) Any Justice or Judge within the scope of this Section 1-a may, subject to the other provisions hereof, be removed from office for willful or persistent conduct, which is clearly inconsistent with the proper performance of his said duties or casts public discredit upon the judiciary or administration of justice; or any such Justice or Judge may be involuntarily retired for disability seriously interfering with the performance of his duties, which is, or is likely to become, permanent in nature. (7) The Commission shall keep itself informed as fully as may be of circumstances relating to misconduct or disability of particular Justices or Judges, receive complaints or reports, formal or informal, from any source in this behalf and make such preliminary investigations as it may determine. Its orders for the attendance or testimony of witnesses or for the production of documents at any hearing or investigation shall be enforceable by contempt proceedings in the District Court. (8) The Commission may, after such investigation as it deems necessary, order a hearing to be held before it concerning the removal or retirement of a Justice or Judge, or it may in its discretion request the Supreme Court to appoint an active or retired District Judge or Justice of a Court of Civil Appeals as a Master to hear and take evidence in any such matter, and to report thereon to the Commission. If, after hearing, or after considering the record and report of a Master, the Commission finds good cause therefore, it shall recommend to the Supreme Court the removal or retirement, as the case may be, of the Justice or Judge in question and shall thereupon file with the Clerk of the Supreme Court the entire record before the Commission. (9) The Supreme Court shall review the record of the proceedings on the law and facts and in its discretion may, for good cause shown, permit the introduction of additional evidence and shall order removal or retirement, as it finds just and proper, or wholly reject the recommendation. Upon an order for involuntary retirement for disability or an order for removal, the office in question shall become vacant. The rights of an incumbent so retired to retirement benefits shall be the same as if his retirement had been voluntary. (10) All papers filed with and proceedings before the Commission or a Master shall be confidential, and the filing of papers with, and the giv-

ing of testimony before, the Commission, Master or the Supreme Court shall be privileged; provided that upon being filed in the Supreme Court the record loses its confidential character. (11) The Supreme Court shall by rule provide for the procedure before the Commission, Masters and the Supreme Court in the same manner that any person whose property rights are in jeopardy in an adjudicatory proceeding is entitled to due process of law, regardless of whether or not the interest of the judge in remaining in active status is considered to be a right or a privilege. Due process shall include the right to notice, counsel, hearing, confrontation of his accusers, and all such other incidents of due process as are ordinarily available in proceedings whether or not misfeasance is charged, upon proof of which a penalty may be imposed. (12) No Justice or Judge shall sit as a member of the Commission or Supreme Court in any proceeding involving his own retirement or removal. (13) This Section 1-a is alternative to, and cumulative of, the methods of removal of Justices and Judges provided elsewhere in this Constitution."

Sec. 2. The foregoing Constitutional Amendment shall be submitted to a vote of the qualified electors of the State at an election to be held on the first Monday in November, 1965, at which election all ballots shall have printed thereon the following:

"FOR the Constitutional Amendment providing for the automatic retirement of District and Appellate Judges for old age, creating the State Judicial Qualifications Commission, defining its functions; and empowering the Supreme Court, upon recommendation of said Commission, to remove District and Appellate Judges for misconduct and to retire such judges in cases of disability. "AGAINST the Constitutional Amendment providing for the automatic retirement of District and Appellate Judges for old age, creating the State Judicial Qualifications Commission, defining its functions; and empowering the Supreme Court, upon recommendation of said Commission, to remove District and Appellate Judges for misconduct and to retire such judges in cases of disability."

Sec. 3. The Governor shall issue the necessary proclamation for the election, and this Amendment shall be published as required by the Constitution and laws of this State.

BE IT RESOLVED BY THE LEGISLATURE OF THE STATE OF TEXAS:

Section 1. That Article III of the Constitution of the State of Texas be amended by adding Section 48b thereto which shall read as follows: "Section 48b. Said Board shall exercise such powers as are herein provided together with such other powers and duties not inconsistent herewith as may be prescribed by the Legislature. All moneys from whatever source coming into the Fund to provide retirement, disability, and death benefits for persons employed in the public schools, colleges, and universities supported wholly or partly by the state and all other securities, moneys, and assets of the Teacher Retirement System of Texas shall be administered by said Board and said Board shall be the trustees thereof. Unless investments authorized herein are hereafter further restricted by an Act of the Legislature, no more than one per cent (1%) of the book value of the total assets of the Teacher Retirement System shall be invested in the stock of any one (1) corporation, nor shall more than five per cent (5%) of the voting stock of any one (1) corporation be owned; and provided further, that stocks eligible for purchase shall be restricted to stocks of companies incorporated within the United States which have paid cash dividends for ten (10) consecutive years or longer immediately prior to the date of purchase and which, except for bank stocks and insurance stocks, are listed upon an exchange registered with the Securities and Exchange Commission or its successors; and provided further, that so long as less than \$500,000,000 of said Fund is invested in the government and municipal securities enumerated above, not more than thirty-three and one-third per cent (33 1/3%) of the Fund shall be invested at any given time in common stocks.
