CECILIA ANN McDONALD AND WORTH E. ALLEN, JR. MARRIED IN BIG SPRING LAST SATURDAY

In the candlelit sanctuary of the Fourteenth and Main Church of Christ Miss Cecilia Ann McDonald became the bride of Worth Ewing Allen, Jr. at 7 o'clock Saturday evening.

Parents of the couple are Mr. and Mrs. L. Chesley McDonald and Mrs. and Mrs. Worth Allen, all of Sterling City.

Darrell Flynt officiated for the ceremony that was read before an altar lighted with crescent candelabra which held cathedral tapers. Large white wrought iron urns holding white stock, chrysanthemums and agapanthus backed by woodwardia fern trees completed the decor. The bridal aisle was lighted with pew candelabra holding votive lights and tied with smilax and satin bows.

An cappella choir, under the direction of Stanley Peurifoy, provided wedding music. Soloist was Miss Ann Brazzil of Midland who sang "My Own True Love" and "I Pledge My Love to Thee."

The bride was escorted to the altar by her father who gave her in marriage. She wore an original gown of exquisitely wrought imported re-embroidered Alencon lace combined with pure silk peau de soie in candlelight tones. The gown featured an empire A-line demi-fitted silhouette. The bodice was topped with a decollete neckline outlined by an applique of lace edged in scallops and scattered over the bodice in an overlay effect. Lace appliques traced the empire waistline. Tiny pleats at the center-back created a crescendo of fullness and unfolded into a cathedral-length train.

The bouffant veil was of imported pure silk English illusion and fell in tiers from a contour open coif fashioned with re-embroidered Alencon lace which tapered higher at the center front which was accented by an A-shaped Dior bow of silk peau de soie. The bouquet was a cascade of white laphett orchids showered in stephanotis, stain and pearl leaves with picot streamers.

Miss Jeanie McDonald attended her sister as the maid of honor and Mrs. Danny Stewart, the bride's cousin, was honor matron.

Bridesmaids were Miss Lynn Rhea Allen, Sterling City, sister of the bridegroom; Mrs. Don R. McDonald, College Station; Miss Lois Ethel Price, Sterling City; Miss Paula Sosebee, Anson; Miss Radora Massey, El Paso; and Miss Samye

Kay Smart, Rocksprings.

The attendants wore identically styled floor-length gowns of shocking pink silk chiffon combined with petal pink crepe. The gowns were designed with an empire line and featured a fitted bodice of shocking pink chiffon. A bias fold of matching pink satin defined the empire line ending at the center back with a tailored bow and streamers. The easy sheath skirt of petal pink crepe fell in gathers from the empire line and extended across the center back. The picture hats of the bridesmaids were of French braid in the chosen shades of pink. Shocking pink silk flowers encircled the open crowns.

Bouquets of the attendants were semi-crescents of gladiolus shading from American Beauty into light pink. They were accented with miniature ivy and tied in matching satin.

Bill B. Allen, Sterling City, was his brother's best man. Groomsmen were Don T. McDonald, College Station, the bride's brother; Bill R. Davis, Lubbock; James Smith, Anson; Jim Bob Coody, Breckenridge; Garland Weeks, Wichita Falls; Richard Robinson, Snyder; and George White, Sterling City. Danny Stewart, Jim Davis, Sterling City, and Jim Parker, Texon, cousins of the bride, were ushers.

Tapers were lighted by cousins of the bride, Miss Susan McDonald, Dallas, and Miss Debbie Reed, Sterling City.

When the couple left on a wedding trip to Las Vegas, Nev., and other western states, the bride wore a Lester Paul original wool suit of pink and gold with matching silk blouse and co-ordinated beaver hat. She completed her costume with fawn lizard shoes and bag. When the couple returns from their trip they will make a home at 3510 22nd St., Lubbock.

The bride is a graduate of Sterling City High School and attended Howard County Junior College and Abilene Christian College. At the latter school she was a member of the Gata social club and the Student Senate. She will attend Texas Technological College this fall where she will be a junior majoring in speech education.

Mr. Allen is a graduate of Sterling City High School and attended San Angelo College and Texas Technological College. He earned a bachelor of science degree in agricultural economics from the Lubbock school in 1964 and will enter the graduate school there this

fall.

Wedding guests were received at a reception at the Sterling City ranch home of the bride's parents following the ceremony. In the receiving line were the bridal couple, their parents, the feminine attendants, and their grandparents, Mr. and Mrs. Bill Reed, Sterling City and Mrs. O. W. Parker, Iraan.

Wrought iron hurricane lamps tied with satin and greenery were used throughout the garden and at the front entrance. Lighted beds of greenery with white calladiums and snapdragons, illuminated the front of the home where the doorway was marked by tall columns that held arrangements of white stock, carnations, and agapanthus.

Refreshments were served in the garden where the bride's and groom's tables were arranged. The bride's table was laid with white satin and a net overskirt which was caught at the corners with frosted bells tied in satin and lily-of-the-valley. Centering the table was a tall silver candelabrum with crystal prisms based in white bridal roses, gardenias, carnations and accented with smilax.

The groom's table held a tall bronze and copper candelabrum with votive candles arranged in bronze and beige daisy-type chrysanthemums.

Miss Cheryl Butler, Sterling, and Miss Janice Smith, San Angelo, registered the guests. Fifty relatives and friends served as members of the houseparty. Rice girls were Miss Kimberly Petty, Brady; Miss Sue Ann Sims, Mertzon; Miss Kelly Reed, Midland; Miss Jacque and Miss Lilli Ann Johnson, Abilene; Miss Kathleen McDonald, Dallas; and Miss Melaine McEntire, Sterling City.

Music was furnished for the reception by Nelwyn King of Sterling City.

Accent on Health

Early this fall more than 240,000 young Texans will be entering public schools for the first time.

Even though the opening of school is still some weeks away, parents are busy making preparations to insure that their child makes a smooth adjustment to his new environment. The child's adjustment will be more rapid and satisfactory if he starts his school life in good, sound health.

Have your family physician or local clinic give your child a complete physical examination including an eye check. His teeth should also be checked by the family dentist. If these examinations show there are ailments or defects that can and should be looked after, then follow the doctor's and dentist's advice and have them corrected, if possible, before you enroll him in school.

It's likely that your child has already been immunized against certain of the childhood diseases such as diphtheria, whooping cough and smallpox. If not, have it done immediately either by your doctor or by the local health clinic. If all immunizations have been done previously, make sure your child gets the necessary booster dose.

Insist on your child's getting regular and sufficient hours of sleep to help him enjoy school. He needs ten to twelve hours of sleep in a quiet, darkened room with an open window to build up his energy and offset his tiredness.

Proper nutrition is very important. When school starts, allow enough time for a wholesome breakfast. A good breakfast includes citrus fruit or juice, milk, whole grain cereal or bread, eggs or bacon or both.

Lunch and dinner should be a leisurely meal. The new adventure of school is a pretty fast pace, but mealtime offers an opportunity for the family to pause and relax together.

Also, nearly every school district in Texas requires proof-of-age for first year students in the form of a certificate of birth.

You may obtain a copy by sending a dollar and a half plus the name of the child, the date of birth, the place of birth, and both the father's and mother's names to the Records and Statistics Section, Texas State Department of Health, 410 East 5th St., Austin, Texas. (A weekly feature from Health Education Division, Texas State Department of Health.)

Mrs. Claude Collins, Corwin Collins and Mrs. Ora Young left Thursday for Columbia, Mo. where they will visit with the Tom Crosslers. In fact, the Crosslers plan to return home with the Collinses, to live.

Our WASHINGTON Letter

By Congressman O. C. FISHER

The anti-poverty program, which Congress recently expanded to \$2 billion a year, has been rather generous in pouring out money to the four corners of the continent. Perhaps the best feature of it has been the Neighborhood Youth Corp., which despite its entanglement in red tape and delays, has done some good. But that is but small part of the overall program. Reports keep coming in of some real dillys.

One instance that has gained national attention recently, was the Willow Village project in Michigan. It was cooked up by six college professors at the University of Michigan, some distance from the scene of the poverty being dealt with. After Sargeant Shriver, Poverty head, had sent them a check for \$188,252, a nose County supervisor, embarrassed by having the poverty label slapped on the neighborhood, protested.

"Willow Village is an impoverished community," the professors has assured. But it turned out that Willow Village was in fact one of America's most prosperous communities, with no unemployment, and with each family making \$8,000 a year, average. Practically every house in the project was new.

Around 90% of the local people, at town meetings and by petition, joined in the protest. They demanded that the money be returned to the government. Bureaucrats came running to see the protesting Supervisor. They wanted to know what it would take to satisfy him. He said: "Suppose you apologize to the people here and return the grant!"

Willow Village had been one of 88 similar-type grants which the President had announced at Johnson City in January. Months of protests and haggling followed, and except for a sizeable amount of the money spent by those handling the project for Shriver, nothing has yet been done to stamp out the alleged "poverty" that was envisioned.

Others started writing in about their projects. One, at Monmouth, N. J., received a \$67,000 grant, only to learn that \$52,000 of it had already been budgeted for the salaries and "administration expenses" of the professional directors.

That state's directors was allotted a salary of \$25,000 a year, with a pair of \$19,000 assistants.

But these are but a few of the bonndoggles. Scores of others are being documented.

Section 1. That Section 17 of Article VII of the Constitution of the State of Texas be amended so as to hereafter read as follows:

"Section 17. In lieu of the state ad valorem tax on property of Seven Cents (7¢) on the One Hundred Dollars (\$100.00) valuation heretofore permitted to be levied by Section 51 of Article III, as amended, there is hereby levied, in addition to all other taxes permitted by the Constitution of Texas, a state ad valorem tax on property of Two Cents (2¢) on the One Hundred Dollars (\$100.00) valuation for the purpose of creating a special fund for the continuing payment of Confederate pensions as provided under Section 51, Article III, and for the establishment and continued maintenance of the State Building Fund as provided in Section 51b, Article III, of the Constitution.

hereinafter provided, to secure bonds or notes issued for the purpose of acquiring, constructing and initially equipping such buildings or other permanent improvements at said respective institutions. Such bonds or notes shall be issued in such amounts as may be determined by the governing boards of said respective institutions, shall bear interest not to exceed four per cent (4%) per annum and shall mature serially or otherwise in not more than ten (10) years; provided further, that the state tax on property as heretofore permitted to be levied by Section 9 of Article VIII, as amended, exclusive of the tax necessary to pay the public debt, and of the taxes provided for the benefit of the public free schools, shall never exceed Thirty Cents (30¢) on the One Hundred Dollars (\$100.00) valuation. "(1) Ninety per cent (90%) of the funds allocated on June 1, 1966, shall be allocated to state institutions based on projected enrollment increases published by the Coordinating Board, Texas College and University System for fall 1966 to fall 1978.

"(2) Ten per cent (10%) of the funds allocated on June 1, 1966 shall be allocated to certain of the eligible state institutions based on the number of additional square feet needed in educational and general facilities by such eligible state institution to meet the average square feet per full time equivalent student of all state senior institutions (currently numbering twenty-two).

"(3) All of the funds allocated on June 1, 1972, shall be allocated to certain of the eligible state institutions based on determinations used in the June 1, 1966, allocations except that the allocations of fifty per cent (50%) of the funds allocated on June 1, 1972, shall be based on projected enrollment increases for fall 1972 to fall 1978, and fifty per cent (50%) of such funds allocated on June 1, 1972, shall be based on the need for additional square feet of educational and general facilities.

semester of the tenth year. All such designated institutions of higher learning shall not thereafter receive any general revenue funds for the acquiring or constructing of buildings or other permanent improvements for which said Ten Cent (10¢) ad valorem tax is herein provided, except in case of fire, flood, storm, or earthquake occurring at any such institution, in which case an appropriation in an amount sufficient to replace the uninsured loss so incurred may be made by the Legislature out of any General Revenue Funds. The State Comptroller of Public Accounts shall draw all necessary and proper warrants upon the State Treasury in order to carry out the purpose of this Amendment, and the State Treasurer shall pay warrants so issued out of the special fund hereby created for said purpose. This Amendment shall be self-enacting. It shall become operative or effective upon its adoption so as to supersede and repeal the former provisions of this Section; provided further, that nothing herein shall be construed as impairing the obligation incurred by any outstanding notes or bonds heretofore issued by any state institution of higher learning under this Section prior to the adoption of this Amendment but such notes or bonds shall be paid, both as to principal and interest, from the fund as allocated to any such institution.

Section 2. The foregoing Constitutional Amendment shall be submitted to a vote of the qualified electors of this state at the General Election to be held on the first Tuesday after the first Monday in November, A.D. 1965, at which election all ballots shall have printed thereon:

HOUSE JOINT RESOLUTION NO. 11 proposing an Amendment to Article III of the Constitution of the State of Texas authorizing loans to students at institutions of higher education; creating the Texas Opportunity Plan Fund and making provisions relating thereto.
BE IT RESOLVED BY THE LEGISLATURE OF THE STATE OF TEXAS:
Section 1. That Article III of the Constitution of the State of Texas be amended by adding a new Section to read as follows:
"Section 50b. STUDENT LOANS. (a) The Legislature may provide that the Coordinating Board, Texas College and University System, or its successor or successors, shall have the authority to provide for, issue and sell general obligation bonds of the State of Texas in an amount not to exceed Eighty-five Million Dollars (\$85,000,000). The bonds authorized herein shall be called 'Texas College Student Loan Bonds,' shall be executed in such form, denominations and upon such terms as may be prescribed by law, provided, however, that the bonds shall not bear more than four per cent (4%) interest per annum; they may be issued in such installments as the Board finds feasible and practical in accomplishing the purposes of this Section.
(b) All moneys received from the sale of such bonds shall be deposited in a fund hereby created in the State Treasury to be known as the Texas Opportunity Plan Fund to be administered by the Coordinating Board, Texas College and University System, or its successor or successors to make loans to students who have been admitted to attend any institution of higher education within the State of Texas, public or private, including Junior Colleges, which are recognized or accredited under terms and conditions prescribed by the Legislature, and to pay interest and principal on such bonds and provide a sinking fund therefor under such conditions as the Legislature may prescribe.
(c) While any of the bonds, or interest on said bonds authorized by this Section is outstanding and un-

paid, there is hereby appropriated out of the first moneys coming into the Treasury in each fiscal year, not otherwise appropriated by this Constitution, an amount sufficient to pay the principal and interest on such bonds that mature or become due during such fiscal year, less the amount in the sinking fund at the close of the prior fiscal year.
(d) The Legislature may provide for the investment of moneys available in the Texas Opportunity Plan Fund, and the interest and sinking funds established for the payment of bonds issued by the Coordinating Board, Texas College and University System, or its successor or successors. Income from such investment shall be used for the purposes prescribed by the Legislature.
(e) All bonds issued hereunder shall, after approval by the Attorney General, registration by the Comptroller of Public Accounts of the State of Texas, and delivery to the purchasers, be incontestable and shall constitute general obligations of the State of Texas under this Constitution.
(f) Should the Legislature enact enabling laws in anticipation of the adoption of this Amendment, such acts shall not be void because of their anticipatory nature."

PROPOSED CONSTITUTIONAL AMENDMENT TO BE VOTED ON AT AN ELECTION TO BE HELD ON NOVEMBER 2, 1965.
HOUSE JOINT RESOLUTION NO. 57 proposing an Amendment to Section 1-a of Article V of the Constitution of the State of Texas, by adding to said Section as presently written, the following provisions: requiring automatic retirement of certain District and Appellate Judges at age seventy-five (75) or such earlier age, not under seventy (70), as may be provided by law; creating a State Judicial Qualifications Commission and providing for its composition and the qualifications, methods of selection and terms of office of its members; defining the functions and procedures of said Commission, including the duty to investigate, and hold hearings in respect of, disability and misconduct of District and Appellate Judges and to make recommendations to the Supreme Court of Texas as for involuntary retirement or removal of such Judges; empowering the Supreme Court of Texas, in its discretion, to retire such Judges for disability and to remove them for misconduct, upon recommendation of the aforesaid Commission and consideration of the record made before it; defining misconduct for which said Judges may be so removed; providing that the proceedings of said Commission shall be confidential until filed in the Supreme Court with recommendation for retirement or removal; and providing that the removal provisions hereby established shall be alternative to and cumulative of those provided elsewhere in the Constitution.
BE IT RESOLVED BY THE LEGISLATURE OF THE STATE OF TEXAS:
Section 1. That Section 1-a of Article V of the Constitution of the State of Texas be amended so that said Section shall hereafter read as follows:
"Section 1-a. (1) Subject to the further provisions of this Section, the Legislature shall provide for the retirement and compensation of Justices and Judges of the Appellate Courts and District and Criminal District Courts on account of length of service, age and disability, and for their reassignment to active duty where and when needed. The office of every such Justice and Judge shall become vacant when the incumbent reaches the age of seventy-five (75) years or such earlier age, not less than seventy (70) years, as the Legislature may prescribe; but, in the case of an incumbent whose term of office includes the effective date of this Amendment, this provision shall not prevent

him from serving the remainder of said term nor be applicable to him before his period or periods of judicial service shall have reached a total of ten (10) years.
(2) There is hereby created the State Judicial Qualifications Commission, to consist of nine (9) members, to wit: (i) two (2) Justices of Courts of Civil Appeals; (ii) two (2) District Judges; (iii) two (2) members of the State Bar, who have respectively practiced as such for over ten (10) consecutive years next preceding their selection; (iii) three (3) citizens, at least thirty (30) years of age, not licensed to practice law nor holding any salaried public office or employment; provided that no person shall be or remain a member of the Commission, who does not maintain physical residence within this State, or who resides in, or holds a judgeship within or for, the same Supreme Judicial District as another member of the Commission, or who shall have ceased to retain the qualifications above specified for his respective class of membership. Commissioners of classes (i) and (ii) above shall be chosen by the Supreme Court with advice and consent of the Senate, those of class (iii) by the Board of Directors of the State Bar under regulations to be prescribed by the Supreme Court with advice and consent of the Senate.
(3) The regular term of office of Commissioners shall be six (6) years; but the initial members of each of classes (i), (ii) and (iii) shall respectively be chosen for terms of four (4) and six (6) years, and the initial members of class (iii) for respective terms of two (2), four (4) and six (6) years. Interim vacancies shall be filled in the same manner as vacancies due to expiration of a full term, but only for the unexpired portion of the term in question. Commissioners may succeed themselves in office only if having served less than three (3) consecutive years.
(4) Commissioners shall receive no compensation for their services as such. The Legislature shall provide for the payment of the necessary expense for the operation of the Commission.
(5) The Commission may hold its meetings, hearings and other proceedings at such times and places as it shall determine but shall meet at Austin at least once each year. It shall annually select one of its members as Chairman. A quorum shall consist of five (5) members. Proceed-

ings shall be by majority vote of those present, except that recommendations for retirement or removal of Justices or Judges shall be by affirmative vote of at least five (5) members.
(6) Any Justice or Judge within the scope of this Section 1-a may, subject to the other provisions hereof, be removed from office for willful or persistent conduct, which is clearly inconsistent with the proper performance of his said duties or casts public discredit upon the judiciary or administration of justice; or any such Justice or Judge may be involuntarily retired for disability seriously interfering with the performance of his duties, which is, or is likely to become, permanent in nature.
(7) The Commission shall keep itself informed as fully as may be of circumstances relating to misconduct or disability of particular Justices or Judges, receive complaints or reports, formal or informal, from any source in this behalf and make such preliminary investigations as it may determine. Its orders for the attendance or testimony of witnesses or for the production of documents at any hearing or investigation shall be enforceable by contempt proceedings in the District Court.
(8) The Commission may, after such investigation as it deems necessary, order a hearing to be held before it concerning the removal or retirement of a Justice or Judge, or it may in its discretion request the Supreme Court to appoint an active or retired District Judge or Justice of a Court of Civil Appeals as a Master to hear and take evidence in any such matter, and to report thereon to the Commission. If, after hearing, or after considering the record and report of a Master, the Commission finds good cause therefore, it shall recommend to the Supreme Court the removal or retirement, as the case may be, of the Justice or Judge in question and shall thereupon file with the Clerk of the Supreme Court the entire record before the Commission.
(9) The Supreme Court shall review the record of the proceedings on the law and facts and in its discretion may, for good cause shown, permit the introduction of additional evidence and shall, as it finds just and proper, or wholly reject the recommendation. Upon an order for involuntary retirement for disability or an order for removal, the office in question shall become vacant. The rights of an incumbent so retired to retirement benefits shall be the same as if his retirement had been voluntary.
(10) All papers filed with and proceedings before the Commission or a Master shall be confidential, and the filing of papers with, and the giv-

ing of testimony before, the Commission, Master or the Supreme Court shall be privileged; provided that upon being filed in the Supreme Court the record loses its confidential character.
(11) The Supreme Court shall by rule provide for the procedure before the Commission, Masters and the Supreme Court. Such rule shall afford to any judge against whom a proceeding is instituted to cause his retirement due process of law for the procedure before the Commission, Masters and the Supreme Court in the same manner that any person whose property rights are in jeopardy in an adjudicatory proceeding is entitled to due process of law, regardless of whether or not the interest of the judge in remaining in active status is considered to be a right or a privilege. Due process shall include the right to notice, counsel, hearing, confrontation of his accusers, and all such other incidents of due process as are ordinarily available in proceedings whether or not misfeasance is charged, upon proof of which a penalty may be imposed.
(12) No Justice or Judge shall sit as a member of the Commission or Supreme Court in any proceeding involving his own retirement or removal.
(13) This Section 1-a is alternative to, and cumulative of, the methods of removal of Justices and Judges provided elsewhere in this Constitution."
Sec. 2. The foregoing Constitutional Amendment shall be submitted to a vote of the qualified electors of the State at an election to be held on the first Tuesday after the first Monday in November, 1965, at which election all ballots shall have printed thereon the following:
"FOR the Constitutional Amendment providing for the automatic retirement of District and Appellate Judges for old age, creating the State Judicial Qualifications Commission, defining its functions; and empowering the Supreme Court, upon recommendation of said Commission, to remove District and Appellate Judges for misconduct and to retire such judges in cases of disability."
"AGAINST the Constitutional Amendment providing for the automatic retirement of District and Appellate Judges for old age, creating the State Judicial Qualifications Commission, defining its functions; and empowering the Supreme Court, upon recommendation of said Commission, to remove District and Appellate Judges for misconduct and to retire such judges in cases of disability."
Sec. 3. The Governor shall issue the necessary proclamation for the election, and this Amendment shall be published as required by the Constitution and laws of this State.

Social Security

"A tremendous boost for many youngsters" is the way Floyd B. Ellington, District Manager of the San Angelo Social Security District Office, described one of the changes which was made in the Social Security Law last month. He explained that children between the ages of 18 and 22 can continue to receive their monthly social security checks if they attend a public or accredited school as full-time students. Children of deceased,

retired, and disabled workers are included.

Under the old law, checks for children stopped at age 18 even if they continued to go to school. Mr. Ellington stated that, "If there are any of these young people under age 22 who are going to school now or in September, they or their parents should get in touch with their social security office right away; and since this provision provides for payments back to January 1965, some benefits may be payable to former child beneficiaries who went on to school and who reached age 22 earlier this year."

"These youngsters are eligible for these payments and we are anxious to get their checks to them as quickly as possible," Mr. Ellington stated. He added that anyone with any question about this change should get in touch with their San Angelo Social Security Office immediately. The office is located at 3000 West Aris and the phone number is 949-4608, or see your representative when he is in your community.

 Proposed CONSTITUTIONAL AMENDMENT NUMBER TWO ON THE BALLOT

PROPOSED CONSTITUTIONAL AMENDMENT TO BE VOTED ON AT AN ELECTION TO BE HELD ON NOVEMBER 2, 1965.
 HOUSE JOINT RESOLUTION NO. 5 proposing an Amendment to Section 49-b, Article III of the Constitution of Texas so as to authorize an increase in the total amount of bonds or obligations that may be issued by the Veterans' Land Board to Four Hundred Million Dollars (\$400,000,000); providing for the issuance of said bonds or obligations and the conditions relating thereto and the use of the Veterans' Land Fund; and providing for an election and the issuance of a proclamation therefor.

BE IT RESOLVED BY THE LEGISLATURE OF THE STATE OF TEXAS:
 Section 1. That Section 49-b, Article III of the Constitution of Texas, be amended so that the same will hereafter read as follows:

"Section 49-b. By virtue of prior Amendments to this Constitution, there has been created a governmental agency of the State of Texas performing governmental duties which has been designated the Veterans' Land Board. Said Board shall continue to function for the purposes specified in all of the prior Constitutional Amendments except as modified herein. Said Board shall be composed of the Commissioner of the General Land Office and two (2) citizens of the State of Texas, one (1) of whom shall be well versed in veterans' affairs and one (1) of whom shall be well versed in finances. One (1) such citizen member shall, with the advice and consent of the Senate, be appointed biennially by the Governor to serve for a term of four (4) years; but the members serving on said Board on the date of adoption hereof shall complete the terms to which they were appointed. In the event of any resignation or death of any such citizen member, the Governor shall appoint a replacement to serve for the unexpired portion of the term to which the deceased or resigning member had been appointed. The compensation for said citizen members shall be as is now or may hereafter be fixed by the Legislature; and each shall make bond in such amount as is now or may hereafter be prescribed by the Legislature.

"The Commissioner of the General Land Office shall act as Chairman of said Board and shall be the administrator of the Veterans' Land Program under such terms and restrictions as are now or may hereafter be provided by law. In the absence or illness of said Commissioner, the Chief Clerk of the General Land Office shall be the Acting Chairman of said Board with the same duties and powers that said Commissioner would have if present.

"The Veterans' Land Board may provide for, issue and sell not to exceed Four Hundred Million Dollars (\$400,000,000) in bonds or obligations of the State of Texas for the purpose of creating a fund to be known as the Veterans' Land Fund, Two Hundred Million Dollars (\$200,000,000) of which have heretofore been issued and sold. Such bonds or obligations shall be sold for

not less than par value and accrued interest; shall be issued in such forms, denominations, and upon such terms as are now or may hereafter be provided by law; shall be issued and sold at such times, at such places, and in such installments as may be determined by said Board; and shall bear a rate or rates of interest as may be fixed by said Board but the weighted average annual interest rate, as that phrase is commonly and ordinarily used and understood in the municipal bond market, of all the bonds issued and sold in any installment of any bonds may not exceed four (4) percent. All bonds or obligations issued and sold hereunder shall, after execution by the Board, approval by the Attorney General of Texas, registration by the Comptroller of Public Accounts of the State of Texas, and delivery to the purchaser or purchasers, be incontestable and shall constitute general obligations of the State of Texas under the Constitution of Texas; and all bonds heretofore issued and sold by said Board are hereby in all respects validated and declared to be general obligations of the State of Texas. In order to prevent default in the payment of principal or interest on any such bonds, the Legislature shall appropriate a sufficient amount to pay the same.

"In the sale of any such bonds or obligations, a preferential right of purchase shall be given to the administrators of the various Teacher Retirement Funds, the Permanent University Funds, and the Permanent School Funds.

"Said Veterans' Land Fund shall consist of any lands heretofore or hereafter purchased by said Board, until the sale price therefor, together with any interest and penalties due, have been received by said Board (although nothing herein shall be construed to prevent said Board from accepting full payment for a portion of any tract), and of the moneys attributable to any bonds heretofore or hereafter issued and sold by said Board which moneys so attributable shall include but shall not be limited to the proceeds from the issuance and sale of such bonds; the moneys received from the sale or resale of any lands, or rights therein, purchased with such proceeds; the moneys received from the sale or resale of any lands, or rights therein, purchased with other moneys attributable to such bonds; the interest and penalties received from the sale or resale of such lands, or rights therein; the bonuses, income, rents, royalties, and any other pecuniary benefit received by said Board from any such lands; sums received by way of indemnity or forfeiture for the failure of any bidder for the purchase of any such bonds to comply with his bid and accept and pay for such bonds or for the failure of any bidder for the purchase of any lands comprising a part of said Fund to comply with his bid and accept and pay for any such lands; and interest received from investments of any such moneys. The principal and interest on the bonds heretofore and hereafter issued by said Board shall be paid out of the

moneys of said Fund in conformance with the Constitutional provisions authorizing such bonds; but the moneys of said Fund which are not immediately committed to the payment of principal and interest on such bonds, the purchase of lands as herein provided, or the payment of expenses as herein provided may be invested in bonds or obligations of the United States until such funds are needed for such purposes.

"All moneys comprising a part of said Fund and not expended for the purposes hereinafter provided shall be a part of said Fund until there are sufficient moneys therein to retire fully all of the bonds heretofore or hereafter issued and sold by said Board, at which time all such moneys remaining in said Fund, except such portion thereof as may be necessary to retire all such bonds which portion shall be set aside and retained in said Fund for the purpose of retiring all such bonds, shall be deposited to the credit of the General Revenue Fund to be appropriated to such purposes as may be prescribed by law. All moneys becoming a part of said Fund thereafter shall likewise be deposited to the credit of the General Revenue Fund.

"When a Division of said Fund (each Division consisting of the moneys attributable to the bonds issued and sold pursuant to a single Constitutional authorization and the lands purchased therewith) contains sufficient moneys to retire all of the bonds secured by such Division, the moneys thereof, except such portion as may be needed to retire all of the bonds secured by such Division which portion shall be set aside and remain a part of such Division for the purpose of retiring all such bonds, may be used for the purpose of paying the principal and the interest thereon, together with the expenses herein authorized, of any other bonds heretofore or hereafter issued and sold by said Board. Such use shall be a matter for the discretion and direction of said Board; but there may be no such use of any such moneys contrary to the rights of any holder of any of the bonds issued and sold by said Board or violative of any contract to which said Board is a party.

"The Veterans' Land Fund shall be used by said Board for the purpose of purchasing lands situated in the State of Texas owned by the United States or any governmental agency thereof, owned by the Texas Prison System or any other governmental agency of the State of Texas, or owned by any person, firm, or corporation. All lands thus purchased shall be acquired at the lowest price obtainable, to be paid for in cash, and shall be a part of said Fund. Such lands heretofore or hereafter purchased and comprising a part of said Fund are hereby declared to be held for a governmental purpose, although the individual purchasers thereof shall be subject to taxation to the same extent and in the same manner as are purchasers of lands dedicated to the Permanent Free Public School Fund.

"The lands of the Veterans' Land Fund shall be sold by said Board in such quantities, on such terms, at such prices, at such rates of interest and under such rules and regulations as are now or may hereafter be provided by law to

Texas veterans who served not less than ninety (90) continuous days, unless sooner discharged by reason of a service-connected disability, on active duty in the Army, Navy, Air Force, Coast Guard or Marine Corps of the United States between September 16, 1940, and March 31, 1955, and who upon the date of filing his or her application to purchase any such land is a citizen of the United States, is a bona fide resident of the State of Texas, and has not been dishonorably discharged from any branch of the Armed Forces above-named and who at the time of his or her enlistment, induction, commissioning, or drafting was a bona fide resident of the State of Texas. The foregoing notwithstanding, any lands in the Veterans' Land Fund which have been first offered for sale to veterans and which have not been sold may be sold or resold to such purchasers, in such quantities, and on such terms, and at such prices and rates of interest, and under such rules and regulations as are now or may hereafter be provided by law.

"Said Veterans' Land Fund, to the extent of the moneys attributable to any bonds hereafter issued and sold by said Board, as is now or may hereafter be provided by law, for the purpose of paying the expenses of surveying, monumenting, road construction, legal fees, recordation fees, advertising and other like costs necessary or incidental to the purchase and sale, or resale, of any lands purchased with any of the moneys attributable to such additional bonds, such expenses to be added to the price of such lands when sold, or resold, by said Board; for the purpose of paying the expenses of issuing, selling, and delivering any such additional bonds; and for the purpose of meeting the expenses of paying the interest or principal due or to become due on any such additional bonds.

"All moneys attributable to the bonds issued and sold pursuant to the Constitutional Amendment adopted on November 6, 1956, shall be credited to said Veterans' Land Fund and may be used for the purpose of purchasing additional lands, to be sold as provided herein, until December 1, 1965; provided, however, that so much of such moneys as may be necessary to pay interest on such bonds shall be set aside for that purpose. After December 1, 1965, all moneys attributable to such bonds shall be set aside for the retirement of such bonds and to pay interest thereon; and when there are sufficient moneys to retire all of such bonds, all of such moneys then remaining or thereafter becoming a part of said Veterans' Land Fund shall be governed as elsewhere provided herein.

"All of the moneys attributable to any series of bonds hereafter issued and sold by said Board (a 'series of bonds' being all of the bonds issued and sold in a single transaction as a single installment of bonds) may be used for the purchase of lands as herein provided, to be sold as herein provided, for a period ending eight (8) years after the date of sale of such series of bonds; provided, however, that so much of such moneys as may be necessary to pay interest on bonds hereafter issued and sold

shall be set aside for that purpose in accordance with the resolution adopted by said Board authorizing the issuance and sale of such series of bonds. After such eight (8) year period, all of such moneys shall be set aside for the retirement of any bonds hereafter issued and sold and to pay interest thereon, together with any expenses as provided herein, in accordance with the resolution or resolutions authorizing the issuance and sale of such additional bonds, until there are sufficient moneys to retire all of the bonds hereafter issued and sold, at which time all such moneys then remaining a part of said Veterans' Land Fund and thereafter becoming a part of said Fund shall be governed as elsewhere provided herein.

"This Amendment being intended only to establish a basic framework and not to be a comprehensive treatment of the Veterans' Land Program, there is hereby reposed in the Legislature full power to implement and effectuate the design and objects of this Amendment, including the power to delegate such duties, responsibilities, functions, and authority to the Veterans' Land Board as it believes necessary.

"Should the Legislature enact any enabling laws in anticipation of this Amendment, no such law shall be void by reason of its anticipatory nature.

"This Amendment shall become effective upon its adoption."

Section 2. The foregoing Constitutional Amendment shall be submitted to a vote of the qualified electors of this state at an election to be held on the first Tuesday after the first Monday in November, 1965, at which election all ballots shall have printed thereon the following:

"FOR the Amendment to Section 49-b of Article III of the Constitution of Texas to increase the Veterans' Land Fund by \$200,000,000; said Fund to be used for the purpose of purchasing land in Texas to be sold to Texas veterans who served in the Armed Services of the United States between September 16, 1940, and March 31, 1955; such funds to be expended in accordance with instructions and requirements that may be provided by law"; and

"AGAINST the Amendment to Section 49-b of Article III of the Constitution of Texas to increase the Veterans' Land Fund by \$200,000,000; said Fund to be used for the purpose of purchasing land in Texas to be sold to Texas veterans who served in the Armed Services of the United States between September 16, 1940, and March 31, 1955; such funds to be expended in accordance with instructions and requirements that may be provided by law."

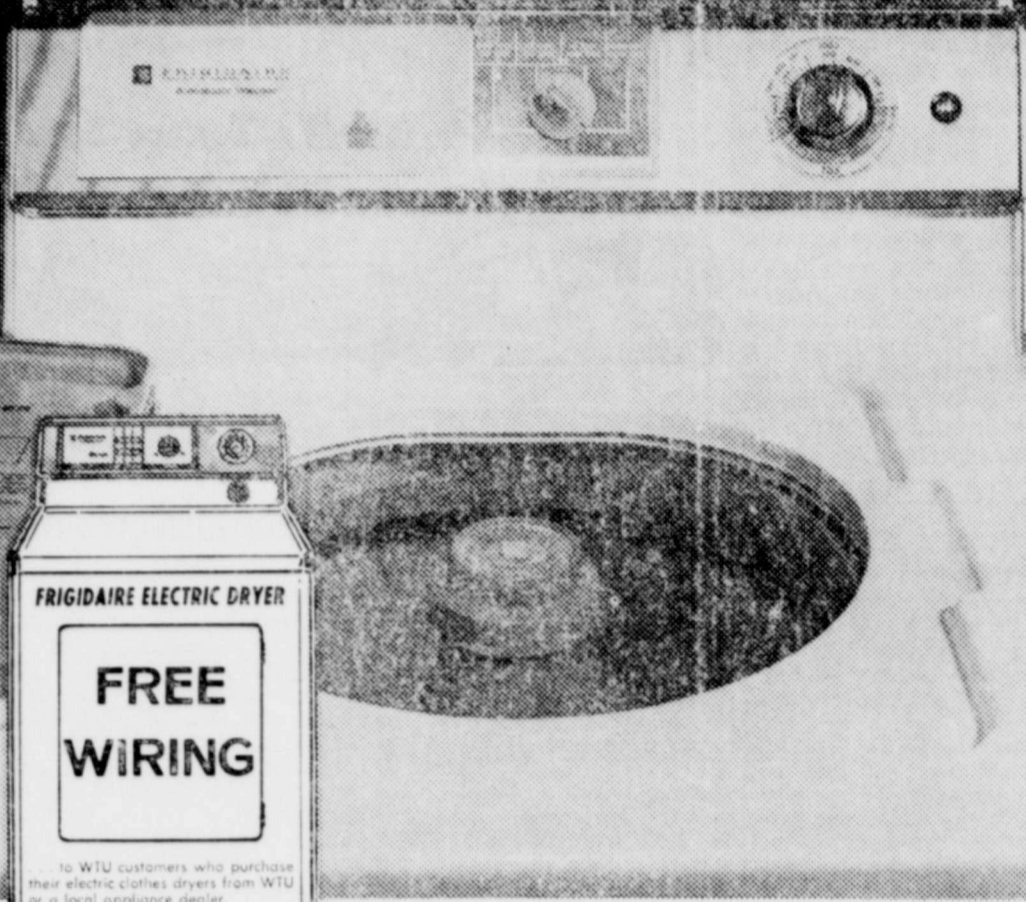

If it appears from the returns of said election that a majority of the votes cast were in favor of same Amendment, the same shall become a part of the State Constitution and be effective from the date set forth in said Amendment, and the Governor shall issue a proclamation in keeping therewith.

Section 3. The Governor of the State of Texas shall issue the necessary proclamation for said election and shall have the same published as required by the Constitution and Laws of this state.

AROUND THE COUNTY by

ARTHUR BARLEMANN, JR. COUNTY AGENT

Cattle producers have been warned in a number of articles just this week of the danger of treating cattle with systemic insecticides for grub control for the remainder of the season. The systemic insecticides now on the market include Ruelene, Co-Ral, and Neguvon.

The large grubs are present in the gutlets of cattle at this time of the year. From here they will move to the backs of the animals; in some areas they are already appearing in the backs.

Treatment of the animals with the systemic insecticides when the grubs are in the gutlet results in a fast kill of the grubs. Activity of the dying grubs and the release of the toxins from their bodies apparently results in a foreign protein reaction causing severe inflammation and swelling of the gutlets. Animals are unable to regurgitate and free the rumen of the accumulating gases and bloat results. Death can result in severe cases of bloat unless they can be relieved.

These reactions were reproduced recently in test cases in Gillespie County. It was necessary to use mechanical measures to relieve the bloat.

Entomologists are anticipating a cut-off date of July 1 for grub treatment in this area next year. This would be long enough before the grubs reach the gutlet that it could be considered safe.

New uses have been discovered for the sterile flies dropped in the screwworm eradication program in Arizona. One box dropped to earth in a yardful of chickens and they promptly disposed of the entire contents.

Some months ago, a box dropped down the chimney of a home in Cochise County, Arizona. The lady of the house promptly had at least 400 flies in the house, unless it was one of the bigger, experimental boxes being used in which case she had around 1600.

Twelve cases of screwworms were identified in Texas last week. All cases came from one county, Zavala County in deep Southwest Texas. Arizona had a total of 29 cases while New Mexico had 4. No other states in the program boundaries had any cases.

Garlyn Hoffman, Extension Service range specialist and former county agent of Sterling County, was through the county Monday. Garlyn remarked that there was lots of brush control evident in the county. He said that the work looked good at this time but it will be two or three years before an evaluation can be made of the rookkill. At the present time, the leaf kill does look very good on the mesquite that was aerial sprayed this year.

The rains this spring came just in time to make everyone feel that conditions were good for spraying. A vast amount of mesquite was sprayed in the state this year. This was quite evident last week on the trip

to the valley. Wherever mesquite is a problem, and that is nearly all over the southwestern section of the state, there were many acres of sprayed mesquite.

Garlyn said that the four plots of chaining-spraying mesquite combination in the state looked real good at the present time. One of the plots is located in Sterling County on the R. T. Foster, Jr. ranch. Research people are trying to determine the best time to spray chained mesquite in the tests. Presently, there are no concrete results available for them to base their recommendations on for this type work.

NEW CIVIL SERVICE

The U. S. Civil Service Commission has announced two new examinations this week for Technician and Social Worker.

The Engineering and Scientific Technician examination covers a wide range of positions principally in the Washington, D. C. area. These technicians act as non-professional assistants to engineers, mathematicians, and other scientists such as chemists, physicists, astronomers, geologists, metallurgists, electronic scientists and the like. The salary ranges from \$4,480 to \$10,250 a year. Varying amounts of non-professional technician experience are required, increasing with the grade of position. Study in college or technical institutes can be substituted for some experience.

The new Social Worker examination covers professional social worker positions and related positions known as Social Work Associate and Social Service Representative for work in Washington, D. C. and throughout the country. Salaries range from \$6,050 to \$16,460 for Social Worker and \$6,630 to \$10,250 for the other positions. Professional Social Workers are required to have completed graduate study in Social Work with professional experience in addition for the higher grades. The Associate and Representative positions require experience in welfare activities although appropriate education may be substituted for some of the needed required experience.

Neither examination requires a written test. See Announcement 364-B (Technician) and 365-B (Social Worker) for detailed information and instructions about the proper place to apply for the position titles shown.

Announcements and appropriate application forms may be obtained from most post offices located throughout the country or from the U. S. Civil Service Commission, Washington, D. C. 20415.
