AROUND  
THE  
COUNTY  
by

ARTHUR BARLEMANN, JR. COUNTY AGENT

You can have a colorful fire Christmas, if you have a fire place, by making some sparkling joy logs now. The logs are easy to make from old newspapers and are quite colorful.

To make the logs, roll newspapers in logs about sixteen inches long. Don't roll them too tightly or use too many papers; they will swell with the soaking process that is used. Tie them loosely with some heavy twine.

The chemical solution consists of four pounds of either blue vitriol, bluestone or copersulfate and three pounds of rock salt dissolved in one gallon of water.

Soak the paper logs in this solution for about three weeks and turn them end for end several times during the soaking process. Let the logs dry thoroughly before using. One of the logs should burn for several hours in the fireplace and give off a rainbow of colors. Only one of the logs should be burned at a time.

The Extension Forestry specialist Bill Smith, has checked this procedure. He says it makes a real colorful fire. By starting your logs in the next week, you will have plenty of time to soak them and dry them, too.

How much grass does it require to furnish sufficient forage for a thousand pound cow for a month?

Garlyn Hoffman, Extension range specialist, says that tests have shown that it requires 2,000 pounds of grass growing on the range to provide this cow with the needed forage for her maintenance and reproduction. This is figured on the basis that cattle require three percent of their weight per day in dry forage.

Good range management practices call for the plant itself to retain half of its production for the well being of the grass plant. Some of it deteriorates during the winter months. At the present time, the degree of use on the grass should be about 35 percent. Before the winter is over, it should reach 50 percent or slightly over. This will allow the plant to make a good growth next spring.

The rancher balances his forage and his livestock. If he balances the two properly, he spends less money for feed and has a better range. The alternatives to this such as allowing the cows to lose too much weight, lose a calf crop, or buy roughage, are quite expensive. Feeding protein concentrates is a good practice but roughage is usually not considered a good practice and most ranchers try to stay away from it.

The county agent's office be closed next week. I will be in College Station attending a Beef Cattle Short Course from November 29 through December 3. Twenty-five agents from all over the state will be present for the course, one of the many short courses held each year on the campus of Texas A&M.

## ELAINE PRICE NAMED FFA Sweetheart

Elaine Price, daughter of Mr. and Mrs. Foster S. Price, has been elected sweetheart of the Sterling City chapter of Future Farmers of America. She will represent the Sterling City chapter at the Concho District meeting on December 7.

Elaine has been a cheerleader for two years and is now head cheerleader. She is treasurer of the local FHA and also the Latin club.

In case of fire dial 8-4771.

## Baptists Call Pastor

The Rev. Andy Daniel of Throckmorton was called as pastor by the First Baptist Church here last Sunday. Rev. Daniel has accepted and will move here in two weeks, it was said.

Mr. Daniel has been serving as pastor of the Crestview Baptist Church at Throckmorton. He and his wife have two pre-school children, both boys. He preached here last Sunday morning and at a special 5 o'clock service at the church. The congregation voted to call him after the services.

The Rev. Frank Radcliff of Big Spring will fill the pulpit here next Sunday, both morning and evening, said a church spokesman.

## Behind the 8-Ball

THANKSGIVING HOLIDAY Most nearly everything here in Sterling closed up for the Thanksgiving holiday. The retail merchants, the school, the post office, the bank, and courthouse offices remained closed. School will resume on Monday morning.

8-BALL A number of college students came home for the holiday. In fact so many came, it looks like old home week or something. There are a lot of college kids from here.

8-BALL Debbie Reed won the turkey that the junior class had up for "sale". It was a fifteen lb. smoked turkey. The rest of us can eat the pencil we had bought from class members.

8-BALL Christoval and Ira are to play a bi-district six man football game here tonight (as this paper is printed). Local fans can see a good game at home on Thanksgiving night.

8-BALL One of the biggest deer to be brought in for weighing here weighed 135 pounds, said Jim Cantrell. (field dressed, of course.) That is a big deer for this part of the country. Any bigger?

8-BALL The Lions Club is to have the Christmas lights put up over town again this season. It adds a look of Christmas to the town.

8-BALL Merchants will be asked to donate to help pay the bill. This has been done many years here.

8-BALL How does our town look to others? Even our teenagers.

On a panel of teen agers at the school PTA Monday night—they said it looked bad. A few buildings are about to fall down, some are old homes and one or two are businesses.

They suggested that they be torn down—for the looks of the town.

They also said it was a dead town—for teen agers. There is nothing for them to do here. They suggested that it was somewhat their fault, as well as some one else.

They said they had to go to Angelo or somewhere else on a date to see a show, bowl, skate, etc.

The panel was composed of heads of the school clubs and groups. They have a refreshing way of saying things.

8-BALL We all keep looking for that first frost of winter. It will probably come in with a blue norther some day or night—and freeze all the billygoats.—or something!

## Father of Chesley McDonald Killed in Accident

Leonard Floyd McDonald, 72, well known Baytown resident, was killed in a pickup truck-train collision at 7:30 p. m. Thursday, November 18 on Farm Road 2100 near Crosby, Texas.

He and his wife, Edna, who owned McDonald Needle Arts, a business near their home, had celebrated their 50th wedding anniversary Wednesday, November 17.

Mr. McDonald was driving alone in his truck, headed south, when a Southern Pacific freight train struck the left door of his truck as it crossed the tracks. The rear end of the truck was demolished. Mr. McDonald was dead on arrival at the Gulf Coast Hospital.

Funeral services were held Saturday, 1:30 p.m. at the Paul U. Lee Funeral Home in Baytown. Jack E. Holder, a former minister of the Cedar Bayou Church of Christ officiated with Marion H. Hays, minister from Sterling City assisting. Burial was in Memory Gardens there.

Mr. McDonald is survived by his wife, Mrs. Edna McDonald of Baytown; four sons, L. Chesley McDonald of Sterling City, Texas, Orville McDonald of Dallas, James T. McDonald of Little Rock, Arkansas, and Robert E. McDonald of Los Angeles, Calif.; two daughters, Mrs. Mack Irwin of Fort Worth and Mrs. William Rice of Baytown; two brothers, Marion G. McDonald of Highlands, Texas and James C. McDonald of Cleveland, Texas; two sisters, Mrs. Lacy Beal of Houston and Mrs. Thomas Bohannon of Cleveland, Texas. Also surviving are 18 grandchildren.

Mr. McDonald was born Nov. 16, 1893 near Hempstead, (Waller County) in Texas. He retired from the Humble Oil and Refining Co.'s Baytown refinery in 1956.

Well-known in Waller, Harris and Montgomery Counties, Mr. McDonald concentrated on raising livestock on his farm in Montgomery County which he had owned for the past 48 years.

Mr. McDonald was a member of the Church of Christ and had visited here many times.

## NEW TEXAS ALMANAC OUT

Maps of leading lakes and historical sites, new U.S. Census business data, ZIP codes for all Texas Post Offices and many other new features are found in the 1966-67 Texas Almanac, just published by the Dallas Morning News. Larger by 48 pages than the

## Christoval Beats Ira 56 to 29 in Bi-District

The Christoval Cougars Six Man football team beat the Ira Bulldogs here Thursday night in a bi-district game 56 to 29. The Bulldogs played a good game but were outscored by the determined Cougars.

Christoval will play Fort Davis at Crane next Friday night in regional play.

## Garden City To Play Sierra Blanca Tonight at Crane

The Garden City Bearkats will play Sierra Blanca tonight at Crane in a bi-district title game at 7:30. The Bearkats won this 8-man district.

This edition, this issue marks the 125th anniversary of the establishment of the firm which publishes the News and the 110th anniversary of the founding of the Texas Almanac. Dr. DeWitt Reddick, director, Schools of Communication and Journalism, University of Texas, is author of the history of "Texas Oldest Business Institution" in this issue.

Other exclusive features in the Texas Almanac listed by Editor Walter B. Moore include:

Population estimates for Texas cities, towns and counties. Individual County maps and information.

A guide to pronunciation of difficult Texas place names. Individual pages of economic information for each of Texas' largest cities.

Twenty pages with scenes and maps of historic towns and counties.

Reproductions of work by leading Texas' artists.

An expanded recreation section, with color pictures and an introduction by Frank Tolbert of the News.

Election returns for 1964 and earlier years, including Texas' vote in all presidential and gubernatorial elections.

Complete text of the Texas Constitution, with amendments adopted through 1964 and descriptions of amendments submitted in 1965 and for 1966.

Lists of state, county and municipal officials and summaries of state county and municipal governments and finances.

Also listed are more than 500 Texas trade and professional organizations, colleges and universities libraries and museums and theater groups.

Agricultural information and chapters on plant life, weather minerals, employment and labor, banking wholesale and retail trade, service industries insurance and numerous other topics have been compiled with the assistance of Texans who are authorities in their fields.

## Eagles Beat Forsan 22 to 18 in Finale

The Sterling City Eagles wound up the '65 season by beating Forsan Buffaloes 22 to 18 there last Friday night.

Coach Dillard's boys got the extra points after touchdowns—which made the difference in the game.

In the first quarter Wayland Foster, local back, scooted over for the first counter of the game. The try for extra points was no good. In the same first quarter Buffalo Jack Ellis got through on a pass play that tied up the score for the first quarter. Then in the second quarter Steve Park pushed over for another Buffalo T.D.

The score at halftime was 12 to 6 in favor of the Forsan Buffaloes.

Pretty early in the third quarter quarterback Dusty Dillard pushed through for a touchdown and he passed to Collin Douthit for the two extra points. In the fourth quarter, Wayland Foster got past the Buffaloes for another TD and Dillard pushed over for the extra points.

Coach Dillard used all his squad boys during the game. He had told them at a pep rally that win or lose, all boys on the squad would get to see action that night. And they did.

## Banquet Set for December 4

The annual football-pep squad banquet will be held at the community center on December 4 at 7:30 p.m. Members of the football squad, pep squad, all high school students, their parents, faculty members, the school trustees and other invited guests will be present.

Head coach Grant Teaff of McMurry College at Abilene is to be the guest speaker at the banquet, it has been announced.

## Mrs. Westbrook Is Noraladata Hostess

The members of the Noraladata Club met in the home of Mrs. F. F. Westbrook November 15. Books and magazines were brought by members to be donated to the hospital library. Mrs. Joe Emery talked on the program—on the Needs of the Sterling County Hospital.

Bridge was played and high score was made by Mrs. Forrest Foster. Mrs. Ross Foster was second high and Mrs. Robert Foster bingood.

Other members attending were Mrs. Dayton Barrett, Mrs. Bill Brooks, Mrs. Reynolds Foster, Mrs. J.I. Cope, Mrs. D. Kirk Hopkins, Mrs. Stanley Horwood, Mrs. W.J. McClure, Mrs. I. W. Terry, Mrs. Lynn Glass and Mrs. Hubert Williams. Guests were Mrs. Bill J. Cole and Mrs. Neal J. Reed.

## STERLING COUNTY GAINS PRODUCER

The Durham multipay field of Sterling County gained its second York & Harper producer and a 1/2 mile south-southwest extension to that pay with completion of A. E. Walker, Big Spring, No. 1 Omev Davis, three miles south west of Sterling City, for a daily pumping potential of 50 barrels of 30 gravity oil, no water, with gasoil ratio too small to measure.

Production was through perforations between 1,647-53 feet which had been acidized with 500 gallons. Total depth is 1,720 feet, with 4 1/2-inch casing set at that depth.

Location is 2,337 feet from the south and 330 feet from the east lines of 3-T-T&P.

The same operator will drill the No. 2 Omev Davis, 660 feet south of the No. 1 Omev Davis, 1,677 feet from the south and 330 feet from the east lines of the same section.

The discovery, same operator's No. 2 Lee Hunt, a reentry operation, was finished October 19 to pump 80 barrels of oil plus 2 per cent water through perforations between 1,648-94 feet.

## CARD OF THANKS

I want to thank all my good friends for the nice things they did for me while I was in the hospital. I want to thank Dr. Swann and the nurses at the hospital for being so good to me while I was in the hospital.

MRS. ELLA LIGON

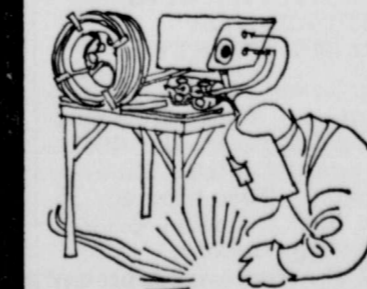

## SCIENCE SKETCHES

ABRAHAM LINCOLN'S unusual build was probably the result of an inherited disorder, Marfan syndrome, a disease of the connective tissue that affects skeletal development, says Dr. Harold Schwartz, Huntington Park, Calif. The disease is marked by excessive long-bone growth which produces disproportionately elongated arms, legs, fingers and toes, with a long head and facial features.

IT'S OFFICIAL: drinking water doesn't cause heart disease. Periodic reports in recent years have suggested a link between dissolved minerals in water and cardiovascular ailments. But the Illinois State Medical Society now reports: "No causal relationship has been established."

WELDING, a billion-dollar business in the U.S., will double in size in the next 10 years if the economic growth continues, predicts C. J. Haines, chairman of Chicago's Chemtron Corp. New techniques such as gas-shielded arc welding and fully automatic processes are spurring welding's growth.

**NEW CIVIL SERVICE**

The U. S. Civil Service Commission has announced two new examinations this week, for Technician and Social Worker.

The Engineering and Scientific Technician examination covers a wide range of positions principally in the Washington, D. C. area. These technicians act as non-professional assistants to engineers, mathematicians, and other scientists such as chemists, physicists, astronomers, geologists, metallurgists, electronic scientists, and the like. The salary ranges from \$4,480 to \$10,250 a year.

Varying amounts of non-professional technician experience are required, increasing with the grade of position. Study in college or technical institutes can be substituted for some experience.

The new Social Worker examination covers professional social worker positions and related positions known as Social Work Associate and Social Service Representative for work in Washington, D. C. and throughout the country. Salaries range from \$6,050 to \$16,460 for Social Worker and \$6,630 to \$10,250 for the other positions. Professional Social Workers are required to have completed graduate study in Social Work with professional experience in addition for the higher grades. The Associate and Representative positions require experience in welfare activities although appropriate education may be substituted for some of the needed required experience.

Neither examination requires a written test. See Announcement 364-B (Technician) and 365-B (Social Worker) for detailed information and instructions about the proper place to apply for the position titles shown.

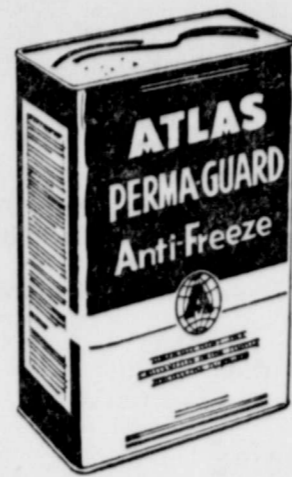

Announcements and appropriate application forms may be obtained from most post offices located throughout the country or from the U. S. Civil Service Commission, Washington, D. C. 20415.

COLD WEATHER DRIVING EXPERT PREPARES FOR WINTER

**Why more motorists switch to the Tiger when it gets cold.**

Many cars that ran just fine all summer get into trouble when ear-muff time rolls around—stalling at stoplights and coughing and chugging halfway into town. That's when a lot of people switch to the Tiger. Winter-formula Enco Extra gasoline is blended to match the weather conditions in your area—including a special

additive to help guard against icing. Result: easier starting, faster warm-up and a lot less worry about stalling. You'll like the way new Enco Extra behaves on the open road, too. It's the High-energy gasoline with the: (1) cleaning power; (2) firing power; (3) octane power to help preserve the performance of new

cars and restore lost power and mileage to many older cars. Switch to the Tiger and get that nice warm feeling. **Happy Motoring!**

Nationwide placement assistance given. Write today to: **Nationwide Claims Adjustors Training Division 5904 E. Colfax, Denver, Colorado, 80220**

**FOR SALE**—World Book—Encyclopedia Set. Cost \$130, sell for \$70. See or call Mrs. Mrs. Nan Davis.

**SOCIAL SECURITY**

"You don't have to retire completely to get social security benefits," Floyd B. Ellington, social security district manager in San Angelo said today.

"If you earn \$1200 or less in a year, you are considered to be completely retired and would be entitled to all your benefits," he added.

If you earn over \$1200 in a year, you may be considered partly retired and entitled to part of your social security benefits. For example, a worker would have only one dollar in benefits withheld for every two dollars earned between \$1200 and \$1700. For earnings over \$1700 annually, one dollar in benefits is withheld for each dollar of earnings.

Ellington emphasized the fact that, no matter how much you earn in a year, you can be paid your social security benefits for any month in which you neither earn over \$100 as an employee, nor render substantial services as a self-employed person.

Avoid any misunderstanding you may have about the social security retirement test, especially if you are over 65 earning anywhere between \$1201 and \$3600. Get all the facts from your social security office at 3000 West Harris, San Angelo, Texas.

**HOSPITAL NOTES**

Patients in the Sterling County Hospital on Thursday morning of this week included—

- Mrs. W. B. Atkinson
- Ira B. Langford
- Mrs. Laura Green
- Mrs. Pete Davis
- Mrs. Jim Butler
- H. S. Simpson

- Alvie Cole

**Promoted**

**LAON, France**—James J. Bauer, son of Mr. and Mrs. Henry J. Bauer of Sterling City, Tex., has been promoted to airman first class in the U.S. Air Force.

Airman Bauer is an aircraft electrician at Laon AB, France and is a member of the U. S. Air Forces in Europe, the aerospace force assigned to NATO.

The airman is a graduate of Sterling High School. His wife, Susan is the daughter of Mr. and Mrs. J.R. Durham of San Angelo.

**WIMODAUSIS CLUB HAS AMERICANISM PROGRAM**

The Wimodausis Club met November 18 in the community center clubroom for an Americanism Day program. The hostesses were Mrs. Foster Conger and Mrs. Frank Cole.

Mrs. C.A. Bowen led the group in the pledge to the flag and Mrs. Ray Lane led in the singing of America. Mrs. John Reed talked on "A Most Remarkable Person" and Mrs. R.T. Fostertalked on "A Great Nation, Why?" Mrs. Rufus W. Foster talked on "A Visit to Our Fiftieth State"

A guest of Mrs. Rufus Foster, Mrs. Beulah Kimsey of Los Angeles, California showed her collection of hand painted china.

Thirteen members were at the meeting.

**CARD OF THANKS**

I want to thank everyone for the cards, visits, flowers, etc. while I was hospitalized. All were appreciated.

**MRS. RUFUS FOSTER**

**NEW EXAMINATION ANNOUNCED BY THE CIVIL SERVICE COMMISSION**

A new examination for Communications Specialist has just been announced by the Civil Service Commission. These jobs, located in the Department of Defense and other Federal agencies in the Washington area, require experience in one or more fields of communications, such as telephone, typewriter, data transmission or other media of communications. Salaries range from \$7,220 to \$10,250 a year. Other specific details are in Announcement No. 332-B. File applications with the Board of U. S. Civil Service Examiners, Department of the Army, The Pentagon, Washington, D. C. 20310.

Also announced today was a new examination for work in Washington as a Photographer in such branches as aerial, laboratory, medical, motion picture, scientific, still, television, and underwater. The jobs pay from \$4,480 to \$7,220 a year and require appropriate experience. The requirements are in Announcement No. 363-B. File applications with the Board of U. S. Civil Service Examiners, Washington Navy Yard, Washington, D. C. 20390

These two new examinations require no written test and applications for them will be accepted until further notice.

In case of fire dial 8-4771.

**Social Security**

"A tremendous boost for many youngsters" is the way Floyd B. Ellington, District Manager of the San Angelo Social Security District Office, described one of the changes which was made in the Social Security Law last month. He explained that children between the ages of 18 and 22 can continue to receive their monthly social security checks if they attend a public or accredited school as full-time students. Children of deceased, retired, and disabled workers are included.

Under the old law, checks for children stopped at age 18 even if they continued to go to school. Mr. Ellington stated that, "If there are any of these young people under age 22 who are going to school now or in September, they or their parents should get in touch with their social security office right away; and since this provision provides for payments back to January 1965, some benefits may be payable to former child beneficiaries who went on to school and who reached age 22 earlier this year."

"These youngsters are eligible for these payments and we are anxious to get their checks to them as quickly as possible," Mr. Ellington stated. He added that anyone with any question about this change should get in touch with their San Angelo Social Security Office immediately. The office is located at 3000 W. Harris and the phone number is 949-4608, or see your representative when he is in your community.

**FREE BOOKLET**

Is God remote and impersonal—or a personal God of love? Can we know what kind of God He is? Thoughtful answers are given in a booklet, "Is God Out of Date?", available free from Elmer Kraemer, Lutheran Laymen's League, 2185 Hampton Ave., St. Louis 10, Mo.
