Hodges Sheep to India by Air

The government of India is buying 1,460 head of registered Rambouillet sheep here in the United States to help build up their flocks. They will be shipped by air to India this weekend. Clinton Hodges, prominent Rambouillet breeder of this area, is selling 350 head of the total number.

Hodges' to Man Rambouillet Booth at Mexico Fair

Mr. and Mrs. Hodges are to man the booth of the American Rambouillet Sheep Breeders Association at the Mexico National Livestock Show in Mexico City April 18-29.

The United States Department of Agriculture has a pavilion there and the sheep association has a booth in the U.S. pavilion.

Though not dealing with sheep, President Johnson is giving the President of Mexico a bull, which will be presented at the show.

Behind the 8-Ball

By the editor.

Well, Bobby Kennedy has decided that maybe Johnson can possibly be beat, and that HE just might be the one to beat him. The Kennedys are powerful medicine in politics—especially in the big time. Don't sell 'em short. They do have a way of winning. In fact, he may be just building up an image of himself this year—in anticipation of 1972. After all, John F. Kennedy tried to get the vice-presidential nomination four years before he ran for president. So, there may be method in Bobby's moves. Or he might really think he stands a chance to beat LBJ this year.

When a Kennedy enters a race, he works at it. So does all the family. Witness what happened through the years; when a young JFK beat veteran Henry Cabot Lodge for U.S. Senate in Massachusetts; when Bobby won a Senate seat from New York state; when Teddy won a U.S. Senate seat from Massachusetts; and when JFK challenged all the old pros at the Democratic Convention in 1960, and won on the first ballot.

Hard work, know how and good old money works wonders in political races.

And Bobby has a following with young people they see in him something that they admire, and would perhaps like to be themselves.

8-BALL

And thinking of money in political races, don't sell this fellow Locke short—in the Texas governor's race. Money can make him the best known of all ten candidates, even if he hasn't been known over the state. Enough money can project him in such a light he will seem the best.

Now, he may be the best man for the governor's chair, but there are a lot of good men in the race. And somebody is going to win it.

Something makes the difference. Sometimes it is the man (or his group) that works the hardest and spends the most money projecting himself to the voting public.

8-BALL

Harry Golden, the Carolina Israelite, has given up his little newspaper, the Carolina Israelite. He said it was beginning to cost him too much and was about to take away his old age security. So, he is phasing it out. His little weekly had about 25,000 circulation we understand, but the cost of printing and mailing it was running too far ahead of receipts.

8-BALL

The cost of doing business squeeze is causing some little papers to fold up all around.

There are not enough young people going into the printing trade, and the high cost of postage nowadays is making some papers take a good second look at everything. I predict that before too many years have gone by it will be a rare thing for persons to subscribe to papers that are printed or published over 150 miles away. The cost of mailing will be prohibitive.

And yet, the cheap distribution of papers, magazines and other disseminators of knowledge and news in our country, is one thing that has made it great.

Maybe we will all get our news via TV before too many years.

Perish the thought.

Lions Club to Sell Light Bulbs

"Bags of Bulbs"

The Lions Club members decided to hold their annual "Bag of Bulbs" sale today, Friday, March 22. Proceeds will go to finance the club's projects throughout the year.

Kirk Hopkins announced that there would be a drive one-week drive for USO funds here next week. Anyone that wants to help in the drive will be welcomed, he said. If you want to donate to the USO you may mail or take your donation to the bank. Although the whole month of March is USO month, only a week's drive will be held here, said Hopkins.

In the light bulb sale, there will be bags of four for \$1.02 or eight for \$2.04. Any combination of sizes from 25 to 100 watt will be sold for this price, said club president Jim Davis.

A discussion of reorganizing the Cub Scouts here took some time. So little interest in Cub Scouting was shown by parents of Cub age boys, that reorganization will probably be dropped, it was said. There is absolutely no interest by the parents, and prospective leaders.

Guests at the Wednesday luncheon were Ricky Hopkins, Cledis Smith, G. C. Murrell, and Jack Peel. The prize went to Dan Glass.

All Lions who will help in the bulb sale today are asked to gather at the West Texas Utilities Company office at 2 p.m. to start sales.

Lois Ethel, Shirley and Elaine Price, daughters of the Foster S. Prices, spent last weekend here visiting their parents. Lois Ethel teaches in Irving and Shirley and Elaine are students in Abilene Christian College.

Lee Douthit, graduate student in the University of Florida, is home for a between-quarters break. She is the daughter of Mr. and Mrs. Jack Douthit.

SON BORN TO THE KENNETH HENDERSONS

James Chance Trevor Henderson was born February 27 in Baylor Hospital in Dallas. He weighed eight pounds and three ounces. The parents are Mr. and Mrs. Kenneth Henderson of Mesquite, Texas. Grandparents are Mr. and Mrs. R. T. Caperton of Bronte, Mr. and Mrs. James Henderson of Longview, and great grandparents are Mr. and Mrs. E.L. Caperton of Bronte, and Mrs. J. C. Slaughter of Abilene. Mrs. Henderson was the former Jacques Caperton.

Week-end guests last week end in the home of the Henry Bauers were Mr. and Mrs. Jimmy Bauer of Fort Worth, Mr. and Mrs. J. R. Durham of San Angelo, Bill Bauer and Karen Kissinger, both students in Texas Tech at Lubbock.

Norther Brings Cold and Rain

The first day of spring blew in on the heels of a norther that saw a heavy rain and a cold spell cool off Sterling and West Texas. Here in the town the rain was gauged from 1.9 inches to a little more than two inches. The rain was less to the west and southwest.

On Monday night a tenth of an inch of rain fell here in town, and Tuesday night and Wednesday morning saw the heavy rain fall. The ground is as wet as it can be—even a tenth of an inch makes water stand now. Very few persons (indeed if any) can remember such wet conditions as this time of the year.

The ranges are greening up with grass and weeds, and if the sun shines now, the trees will start leafing out and greening up.

Snow and cold weather hit the area to the north and west bringing snow and freezing weather, it is reported.

District Elementary U.I.L. Literary Meet Here March 23

The District 46-B Literary Meeting, State Interscholastic League, will be held here at the Sterling school on Saturday, March 23, announced grade school principal Bobby Dodds last week.

Schools who will have representatives in the meet include Sterling City, Bronte, Water Valley, Garden City, and Forsan.

One-Act Play Put on Tuesday

The Sterling City high school entry in the one-act play contest was put on twice Tuesday for rehearsal performances. The play was performed in the afternoon for the school students and then again that night for the general public.

Mrs. David Powley is the director of the play this year. The name of the play is "The Heritage of Wimpole Street."

Appearing in the play are Jay Clark, Sally Mixon, Susan Terry, Jaynell Cope and Pam McEntire. Stage hands are Bethany Wells, Lelah Estes and Randy Peel.

The Sterling players will be in district competition at Forsan next Friday afternoon and they drew the first slot—so they will present their one-act play there at 3 p.m., it was said.

JAYNELL COPE IS 3rd VICE-PRESIDENT OF FHA Of Area II

The local FHA members attended the Area II meeting in Midland March 16. The theme of the meeting was "The World Is in Your Hands". The new area officers were installed and Jaynell Cope was installed as 3rd vice-president.

Those attending the meeting were Beverly Brooks, Sharon Currington, Lelah Estes, Jaynell Cope, Pam McEntire, Janis Igo, Bethany Wells, Susan Terry, Gaye Stewart, Linda Turner, Kathy Atkins, Linda Estes—and Mrs. Bill Brooks, Mrs. J. I. Cope, Mrs. Ewing McEntire and the sponsor Mrs. Early Barton.

Also attending the meeting were Mrs. Chesley McDonald and Mrs. Johnny Hughes.

Social Security

April 1, 1968, will be the

last day you can claim medical insurance payments under medicare for services you received during July, August, and September, 1966.

According to Ted F. Moellering, social security district manager in San Angelo, anyone who had the "doctor-bill" part of medicare during that period and who had medical bills amounting to more than \$50 during the entire last 6 months of 1966 may be eligible for some medicare payment if it has not already been claimed.

Medicare claims for services rendered between October, 1966 and September, 1967 may be made through December 31, 1968. The April 1 deadline applies only to services rendered in July, August and September, 1966.

Mr. Moellering emphasized that medicare claims may be made even if the bills for the services have not yet been paid.

Anyone in the Sterling City area who needs assistance in applying for medicare benefits may get in touch with the social security office at 3000 W. Harris Avenue in San Angelo. The office is open weekdays from 8:30 a.m. to 4:30 p.m. and until 6:30 on Mondays.

If you need help with a medicare claim or any other social security matter but are unable to come to the office because of illness, telephone the San Angelo social security office at 949-4608 for assistance.

SOCIAL SECURITY MAN
HERE APRIL 5

Don Minyard, representative for the San Angelo Social Security Office, has scheduled his April visit to Sterling City. He will be in the county courthouse from 1:30 p.m. to 2:30 p.m. on Friday, April 5. Anyone who wants to file a claim for benefits, get information, or transact other business with the Social Security Administration may contact him at that time.

Kaffeeklatsch With Pecan Bread

"Coffee and" inspires friendliness just about any time, anywhere. Even such a warm and welcome tradition needn't become commonplace, though, not with the intriguing good taste of this pecan bread from the Borden Kitchen. It's made inexpensively and easily with instant nonfat dry milk. Accompany with colorful preserves or more simply with margarine and cream cheese.

Lone Star Pecan Bread
(Makes one 9 x 5 x 3-inch loaf)

2-1/2 cups sifted all-purpose flour	1 cup Borden's instant nonfat dry milk, dry form
1 cup sugar	1 cup water
1 teaspoon salt	2 eggs, well beaten
2 teaspoons baking powder	1 cup finely chopped pecans

In a large size mixing bowl, sift together flour, sugar, salt, baking powder and nonfat dry milk. Stir water into beaten eggs. Add eggs and chopped nuts to sifted dry ingredients; mix just until blended. Butter a 9 x 5 x 3-inch loaf pan; line only the bottom with buttered waxed paper. Pour batter into prepared pan. Bake in a moderate (350°F.) oven 1 hour, or until a cake tester or wooden pick inserted in center comes out clean. Let cool in pan 10 minutes. Turn cake out of pan; carefully peel off paper. Cool thoroughly. If desired, serve with cream cheese or margarine.

REWARD NOTICE

A reward of \$500.00 will be paid by the Texas Sheep and Goat Raisers Association to any person (other than law enforcement officers) giving information causing the arrest and final conviction of any person or persons found butchering or stealing any sheep or lambs or goats belonging to any Association member in good standing. When two or more persons give information, the above sum will be divided at the discretion of the Board of the Association. When two or more defendants are involved in a single crime, the total reward is limited to \$500.00, but the conviction of one defendant, even though the other defendants are acquitted, will entitle the claimant or claimants to said sum of \$500.00. All claims must be submitted within ninety (90) days following conviction. If, upon conviction, a defendant confesses other thefts, no additional reward will be paid. All decisions concerning the payment of such reward and the conditions of payment will be made by the Board of Directors of the Association.

Sterling Alumni Meeting June 15

The Sterling Alumni Association met Thursday of last week at the City Cafe. Plans for this summer's gathering were finalized. Present at the meeting were president Jim Davis, vice-president Neal J. Reed, secretary-treasurer Mrs. Nan Davis, historian Mrs. Lynda Allen Welch and dance committee Tommy Foster and Jim Bob Clark.

June 15 was the date set for the annual banquet and dance and the group plans for a barbecue, program and dance on that date here in Sterling City.

The affair will be western and informal.

The "Leap Year" class of '28 will be honored at the program and that class will be on the entertainment for the evening, said president Davis.

The class of 1928 is the largest graduating class ever for the Sterling City High School.

SIX FLAGS OVER TEXAS SETS APRIL 13 OPENING

An exciting new addition for 1968 at SIX FLAGS Over Texas is a \$180,000 air conditioned Music Hall seating 1,200 guests. Regularly scheduled shows starring collegiate talent will be presented throughout the day, beginning April 13 when the giant 140-acre family entertainment center opens for the season.

Arlington, Texas — SIX FLAGS Over Texas, the 140-acre, multi-million-dollar historical-theme park located midway between Dallas and Fort Worth, has set April 13 as its opening date for the 1968 season.

Lavish changes, new attractions and rides, and other projects stemming from a \$2,000,000 expansion program are in store for SIX FLAGS visitors during 1968.

SIX FLAGS will operate in the Spring on Fridays from 5-11 p.m. and on Saturdays and Sundays from 10 a.m. to 10 p.m. Starting May 25 and throughout the Summer, SIX FLAGS is open seven days a week from 10 a.m. to 10 p.m. After September 2, until closing December 1, operations will be on weekends only from 10 a.m. to 8 p.m.

The Amphitheatre in the Confederate section, where talented collegians present bright and original musical variety shows, has been torn down to be replaced with a new and beautiful \$200,000 white-columned, enclosed, air-conditioned theatre which will be known as the "Music Hall." Talent scouts from SIX FLAGS are nearly completed with an extensive audition tour covering about 250 colleges in the South, Southeast and Midwest, picking outstanding performers for this year's shows.

The Mexican section of the Park, with its Fiesta Train Ride, has been completely redone to the tune of \$400,000 to make it even more colorful and exciting. Imagine passengers' reactions when the sombrero-topped trains run through an erupting volcano,

just to name one innovation.

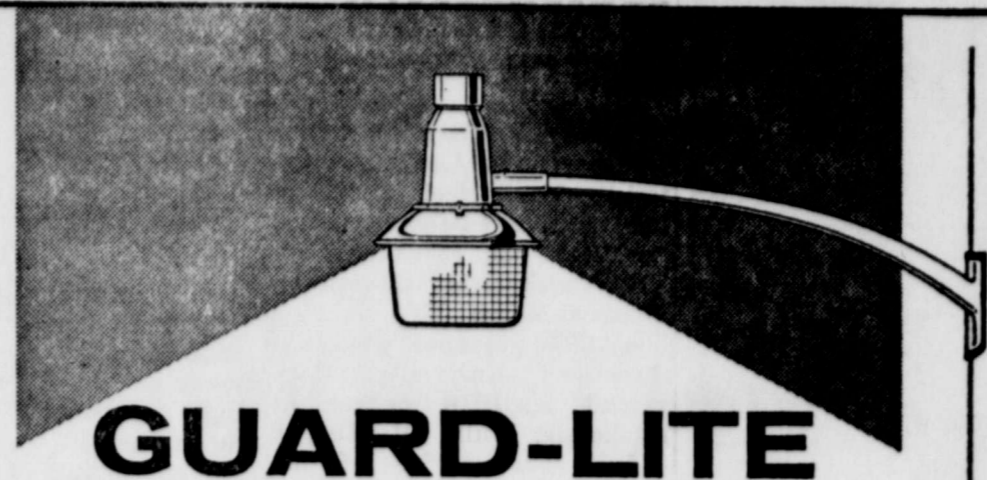

Sid and Marty Krofft, world-famous puppeteers, will present at SIX FLAGS this year The Krofft Bros. Puppet Circus. The spectacular \$350,000 production, which includes a new 1,200-seat theatre costing \$200,000, will stage shows 10 times each day.

SIX FLAGS, which introduced the first Log Flume ride in the country in 1963, has added another \$350,000 model for 1968 because of its popularity and appeal.

Angus G. Wynne, Jr., creator/developer of SIX FLAGS Over Texas and president of the parent company, Great Southwest Corporation, said, "We are anticipating an even larger attendance in 1968 than last year's record of 2,036,000 visitors. And this year our guests and their families will be able to enjoy and participate in SIX FLAGS' activities in even greater comfort, because we have increased our capacity to handle 29,000 visitors per hour on the rides, attractions, and shows, as compared to 22,000 per hour in 1967."

Tickets are \$4.50 for adults and \$3.50 for children under 12 years of age. As in prior years, the one ticket purchased at the main gate enables visitors to ride all the rides and see all the attractions and shows as often as they wish during the day.

SIX FLAGS, with nearly 11,000,000 visitors since opening in 1961, is the most popular single tourist attraction in the State of Texas, according to the Texas Tourist Development Agency.

How To Loaf With Mince Meat

Fill 'em-up fare from the Borden Kitchen: a meat loaf sparked with the pungent good taste of ready-to-use mince meat.

Mince Meat Stuffed Meat Loaf
(Makes 6 servings)

- | | |
|---|---|
| 2 lbs. ground round | 2 eggs, beaten |
| 2 tablespoons plus 1 teaspoon (one-half of 1-1/4 oz. pkg.) onion soup mix | 1 teaspoon salt |
| | 2 tablespoons dehydrated parsley flakes |

STUFFING:

- | | |
|---|--|
| 2 tablespoons Danish Flavor Margarine OR butter | 2 tablespoons chopped green sweet pepper |
| 1/2 cup (4-oz. can) stems and pieces mushrooms, drained and chopped | 1-1/3 cups (1/2 of 28-oz. jar) None Such ready-to-use mince meat |
| 2 tablespoons chopped red sweet pepper | 1/2 teaspoon salt |
| | 2 cups dried bread cubes |
| | 2 tablespoons dehydrated celery flakes |

In a large-size mixing bowl, combine ground round, soup mix, eggs, salt, and parsley flakes. Line the sides and bottom of a 9 x 5 x 3-inch loaf pan carefully with approximately 3/4 of the meat mixture. In a large skillet, melt margarine or butter. Sauté chopped mushrooms and peppers until golden brown. Add remaining ingredients; mix lightly. Spoon stuffing into meat-lined loaf pan. Press firmly. Cover with remaining meat mixture. Bake in a moderate (350°F.) oven about 1-1/4 hours, or until top is dark golden brown. Pour off liquid from pan. Invert pan over serving platter; carefully remove pan. If desired, pipe onion whipped potatoes through a decorators' bag across top of meat loaf.

PRESBYTERIAN CHURCH

James W. Cory, a senior student at the Austin Presbyterian Theological Seminary in Austin, will be guest pastor for the 11 a.m. services at the First Presbyterian Church on Sunday, March 24.

A 1964 graduate of Texas Christian University, Cory earned his BBA degree in marketing. While attending TCU, he was president of the Presbyterian Students' Association and the campus military fraternity, chaplain and treasurer of Sigma Chi social fraternity, and chairman of Religious Emphasis Week.

Active in intramural sports, he taught a physical education class for two years. Cory was also a dorm advisor, member of Summer Student Congress, and belonged to the Greek Council of Chaplains. Beta Gamma Sigma, business honorary, named him "Most Outstanding Marketing Student" from his school.

Cory was on the Dean's list and selected for "Who's Who in American Colleges and Universities" for two consecutive years.

He was a delegate to the Presbyterian Institute of Industrial Relations in Chicago in 1965 and spent one year at the Institute of Religion in Houston.

During his study for the ministry, Cory is under care of the Central Texas Presbytery. He is married to the former Miss Cappy Kennedy.

AS IT LOOKS FROM HERE

By Omar Burleson, Member of Congress, 17th District

WASHINGTON, D.C. — To speculate what may happen in the November elections is about as certain as an amateur prognosticator predicting what the weather will be eight months hence.

The possibility, however, is that the election of the next President of the United States could be thrown into the House of Representatives. The case for such is no longer theoretical. Conditions which could bring it about are showing more substantially.

Should this occur, the decision would certainly not be in conformity with the "one man, one vote" rule laid down by the Supreme Court placing more political strength in the populated areas.

In such an event each of the fifty states would have one vote. Alaska, for instance, with 272,000 citizens would have the same strength as Texas with its 11,000,000 and Delaware with one vote equal to more than 19,000,000 people of California.

Even the possibility of such a situation points up the great need to amend the Constitution abolishing the Electoral College and provide for the election and Vice-President by more democratic processes. It is much too late for such action to avert the possibility of the President being elected in 1968 by the House of Representatives and the Vice-President by the U. S. Senate but with the splinter parties likely to increase instead of decrease, reform should be brought about before another Presidential election.

The experience of 1948 should have been a lesson. In that election there were really four parties and four pretty important Presidential candidates. There was Mr. Truman as the Democrat, Thomas E. Dewey as the Republican, Senator Strom Thurmond of South Carolina as the "States Rights Party" candidate and Henry Wallace on the "peace" ticket.

A change of less than 0.6% of the popular vote from President Truman in only two states would have shifted the election into the House of Representatives.

Henry Wallace did not carry a single state but was perhaps controlling in taking New York, Michigan, and Maryland away from the Democratic candidate.

There is a feeling among some expert politicians that political opinion now dividing the country causes the possibility to be greater in 1968 than it was twenty years ago. Some pretty astute political writers are already cautiously predicting that no Presidential candidate in this year's election will be able to get an adequate popular vote to assure a majority in the Electoral College. In this event only two things could happen—either some electors would have to defect and act contrarily to the voters who selected them or have a deadlock, throwing the whole thing into the U.S. House of Representatives.

Some political analysts say there are more signs pointing to a deadlock situation his

Open House at McKnight Hospital

Open House is being held at the McKnight State Hospital in Sanatorium this coming Sunday from 1 to 4 p.m.

There will be refreshments and the public is cordially invited to come see the intensive care unit, the two buildings that have been remodelled to meet Medicare specifications. The hospital now has changed over from a tuberculosis hospital to one of chest diseases.

Lee Hunt, who was here for a week's visit last week, got sick and wound up in the local hospital. Over the weekend he transferred to a San Angelo hospital for tests and further treatment.

Joe Sondberg, who has been working as cook in a cafe in Post, Texas, has been a patient in the Veteran's Hospital in Big Spring the past two weeks or so. He came down last weekend on a weekend pass and visited friends.

The guy who said you do not really need money to live, has never tried it.

year than in the Truman-Dewey - Thurmond - Wallace year. One reason given is that Thurmond's counterpart, George Wallace of Alabama, shows far more strength in that slot than was shown in 1948. In that year the combined vote of Thurmond and Henry Wallace was 4.78% of the total. The polls are now giving George Wallace around 12% or 2 1/2 times greater than the two splinter parties got in 1948.

Alaska, Delaware, Nevada, Vermont and Wyoming have only one member each in the House of Representatives. Each of their votes would equal that of California with 38 members or Texas with 23. Borderline states where political sentiment shifts from year to year are keeping close watch on these developments. It is to be assumed that the one unit vote of any state's delegation in Congress would be cast for the controlling party's presidential candidate.

The 1968 elections appear to have new dimensions of importance.

AROUND THE COUNTY by

ARTHUR BARLEMANN, JR. COUNTY AGENT

High school seniors who are interested in the study of range management in college are encouraged to investigate the scholarships being made available through the Texas Section of the American Society of Range Management. Funds for ten \$500 scholarships have been made available to the Texas Society by the Moody Foundation of Galveston.

There are a few eligibility requirements. The applicant must have successfully completed high school by the award date this summer, and have a high school degree from an accredited school. He, or she, must enroll in a curriculum of Range Management, Range Science, or Range Conservation at any one of the following schools: Southwest Texas State College, Sul Ross State College, Abilene Christian College, Texas Technological College, or Texas A & M University.

Applications must be submitted by June 15, 1968; announcement of the ten winners will be made in August. The county agent's office has information on securing application blanks.

This is an opportunity for ten deserving high school graduates who are interested in the field of range management. If you, or anyone you know is interested, contact the county agent's office for more information.

Several persons have inquired asking if it is too late to prune their roses. Evidently this is a question that is being asked in other areas of the state also.

The landscape horticulturist at Texas A&M says that late February and early March are more ideal times than earlier in the winter. Pruning in March allows you to remove the buds which may have put out during some of the warm spells but were then nipped by some of the freezes. These buds are likely dead and thus can be removed and the dead wood taken along with them.

If you will check your roses, you can find the evidence of the damage from the freezes. The small leaves will be dead and the buds will be dead. When pruning, cut behind these dead areas and remove all the dead wood.

For those who may be interested, more information on pruning all types of plants can be found in the bulletin, *Modern Pruning Methods*. A copy may be had by contacting the county agent's office.

The buds on pecan trees are not showing any evidence of life yet. Since the trees are still in the dormant stage, a dormant oil spray for the control of scale can still be applied. Use three and one-half gallons of the 97% oil emulsion spray per hundred gallons of water. Wet the entire scaffold of the tree and all the branches.

Harris-Baker Nuptials in Austin

Miss Jill Annette Harris became the bride of James Ray Baker of Austin in a double ring ceremony performed last Sunday afternoon in First Unitarian Church of Austin. The Rev. Charles Howe officiated.

Mr. and Mrs. Charles J. Harris of Amarillo are parents of the bride. Mr Baker is the son of Mr. and Mrs. James T. Baker of Sinton.

Miss Joan Lindsey of Lufkin was maid of honor. Brian Pruitt of Lufkin was best man.

Escorted by her father, the bride wore a wedding dress of off-white lace knit designed with matching bonnet veil and light beige accessories. Her corsage was of white orchids.

A reception was held at the conclusion of the nuptial service.

The bride is a student at the University of Texas, Austin, where she is a member of Delta Gamma. Mr. Baker, a UT student, previously attended Trinity University. He is a personnel supervisor of Meridell Achievement Center, in Austin, where the bride is employed as a special education teacher.

The couple is at home in Austin.

The bride is a granddaughter of Mrs. D. C. Durham of Sterling City.

Selective Service

Editor's note: Below are questions now being asked at draft boards. The answers are by Col. Morris S. Schwartz, State Selective Service Director, 702 Colorado St., Austin, Texas 78701. He will welcome your questions.

Q.—For the purpose of college student deferments, is a junior college considered an institution of higher learning?

A.—Yes, if its credits are acceptable toward granting of a baccalaureate degree by a college, university, or similar institution.

Q.—How long can a person be deferred as an undergraduate college student?

A.—He can be deferred in Class II-S until he completes the requirements for his baccalaureate degree (if completed within the normal and specified time), until he fails to pursue satisfactorily a full-time course of instruction, or until he reaches age 24, whichever occurs first.

Q.—Will men who become fathers after the new Selective Service law became effective (June 30, 1967) be deferred in Class III-A?

A.—Every case will have to be considered on an individual basis.

Q.—Does the new law make any change on fathers?

A.—Yes. Any man classified in Class II-S (college student) after June 30, 1967, can not under the law, be classified in Class III-A as a father.

Savor A Cheese Soufflé

From the Borden Kitchen comes this foolproof recipe (gentle folding's the secret) for a splendid American cheese soufflé.

Cheese Soufflé (Makes 1-1/2 qt. soufflé)

- 1/4 cup Danish margarine or butter
- 1/4 cup flour
- 1 cup homogenized milk
- 1/2 teaspoon salt
- 1/4 teaspoon dry mustard
- Dash cayenne
- Dash pepper
- 2 cups shredded Borden's Pasteurized American Cheese Spread
- 4 eggs, separated
- 1/4 teaspoon cream of tartar

In a medium-size saucepan, melt margarine over low heat. Slowly blend in flour. Gradually add milk; stir continuously until mixture is thick and begins to boil. Blend in seasonings and shredded cheese. Continue to stir over low heat until cheese melts. Remove from heat; set aside. In a small mixing bowl, beat egg yolks to a light lemon color. Gradually stir a little of the hot cheese sauce into beaten yolks. Blend into remaining cheese sauce. In a narrow-bottom mixing bowl, combine egg whites and cream of tartar. With a rotary beater, beat until soft peaks form. Gently fold cheese sauce into egg whites until evenly blended. Turn into an ungreased 1-1/2 quart casserole. With a spatula, slice a deep ring around the edge of batter, about one-inch from sides of dish. Do not touch sides or bottom of dish. Set in a 1 inch hot water bath. Bake in a moderate (350°F.) oven 20 minutes. Remove from oven; quickly re-slice the ring into the top of soufflé. Return to oven; bake 30-35 minutes longer, or until golden brown. Serve immediately.
