Janie Copeland

ANNOUNCEMENT TEA FOR JANIE COPELAND HELD HERE

The C.J. Copeland home was the scene for an announcement tea last Saturday honoring Janie Copeland, the daughter of Mr. and Mrs. John Copeland. She and Roland Anderson will be married in the local Methodist Church on July 19.

The bridegroom-to-be is a son of Mr. and Mrs. C. A. Roland Anderson of Ft. Worth.

Hosts for the tea were Mrs. John Copeland, Mrs. C. J. Copeland, Miss Judy Copeland and Mrs. Jennie Gay.

The guests were greeted at the door by Mrs. C. J. Copeland. In the receiving line were the honoree, her mother, Mrs. John Copeland, Mrs. C. A. Anderson, mother of the bridegroom-to-be, Miss Judy Copeland, and the honoree's grandmothers, Mrs. John Copeland, Sr. and Mrs. Jennie Gay.

At the register book were Miss Barbie Anderson of Ft. Worth and Miss Sue Cunningham of Arlington.

Others in the houseparty include Mrs. Harvey Glass, Mrs. William Foster, Mrs. Marion Badger, Mrs. David Glass, Mrs. Forrest Foster, Mrs. Martin C. Ross Foster, Mrs. Lee Augustine, Mrs. Mildred Emery, Mrs. R. T. Foster, Jr., Mrs. Finis Westbrook, Mrs. Dayton Barrett, Miss Betty Jo Barret, Miss Rosanne Foster and Miss Shirley Price.

Miss Copeland is a graduate of Sterling City High School and recently got a degree in education from the University of Texas. She was a member of the Tri-Delta Sorority and was on the Dean's Honor List.

The bridegroom-to-be is a Texas Tech graduate (B. A.) and recently got a law degree from the University of Texas. He was president of the Student Body at Texas Tech, he was a member of Phi Delta Theta; was Outstanding First Year Student at U.T. and was a Moot Court Finalist.

Lee Hunt was in town last weekend. He came with his son, Stencil, from Pecos while Stencil was attending his class reunion and the Alumni meet. Lee was visiting over town with old friends. Lee, a long time resident here, makes his home with the Stencil Hunts.

In case of fire dial 8-4771.

HOSPITAL NOTES

Patients in the Sterling County Hospital on Thursday morning of this week included—

Elton Hull
Mrs. Jessie Sparkman
W. H. Spraggins
Mrs. D. C. Durham
Mrs. Lilly Revell

Dismissals since Thursday morning of last week include—
John Thompson

RABIES SHOTS FOR PETS MONDAY

Rabies shots for all pets will be available on Monday, June 23, between 4 and 5:30 p.m. The shots will be administered by Dr. Percy Turner, veterinarian from Water Valley. Cost of the shots will be \$2.50 each; each pet owner will be given a tag for their pet and a receipt denoting the animals that have been given the shots. This is the annual shot program to protect pets against rabies announced Arthur Barlemann, Jr., county agent.

All pets six months of age should be given the shots. In addition, those animals that received the shots last year need to have the shots again to protect them. Pets less than six months of age may be given the shots but they will need a booster later.

Within the past year, seven persons have taken the series of fourteen shots at the Sterling County Hospital as a result of exposure to animals diagnosed as positive for rabies by the laboratory at Austin. Strangely enough, no one animal or type of animal has been responsible for a majority of the shots. Animals that have been responsible include a horse, a ewe, a goat, a fox, a coon and a cat. In addition, a number of other animals such as skunks have been killed that made them prime suspects as victims of rabies. At least two cows have been called rabid by veterinarians within the last year in Sterling County but no one had to take the shots.

The shots are the only means of protection for pets around the home. With the incidence of rabies within the last year, we know it is present in this area. All pet owners are urged to protect their pets; there is no one season when rabies can be ruled out. It was long a popular belief that it was more prevalent in the late summer months but records kept at Austin in the laboratory show that for many years more positive heads have been received in April than at any other time.

For your pets protection and your own peace of mind, don't forget to bring your dogs or cats in between 4 and 5:30 p.m. Monday, June 23. The veterinarian will be on the west side of the courthouse as usual.

Lions Queen in Top 10 At District Queen Contest

Charlotte Foster, daughter of Mr. and Mrs. Ross Foster, and the entrant from the local Lions Club in the District Lions Club Queen Contest last weekend in Big Spring, was among the top ten girls selected for the finals.

Charlotte, who is the pianist for the local club, was named as the club's entry. She was in the district contest there last Friday and was among the top ten for the finals.

To Postmasters' Convention

Postmaster and Mrs. W. R. Brooks are attending the postmasters convention in McAllen this week. They also took a side trip to Monterrey, Mexico.

Cancer Group Elects New Officers

The Sterling County Chapter of the American Cancer Society met Monday evening and elected officers for next year as follows:

Mrs. Larry Glass, president
Mrs. Danny Stewart, vice-president
Mrs. Foster S. Price, secy.
Mrs. D. D. Nichols, treas.
Mrs. Juanita Johnson, education chairman
Mrs. Riley King, service chairman
Jack Douthit, publicity chairman
Mrs. Ross Foster, Crusade chairman for 1970.

VBS at Baptist Mission NEXT WEEK

The Rev. Sinforos Barrera, who is now attending the Departmental Baptist Convention in Brownwood, state that Vacation Bible School in La Hermosa Baptist Mission here will be held beginning June 23 through June 27, in the afternoons from 4 to 7 o'clock.

Workers, officials and teachers include the Reverend Daniels, Mrs. Marie Barrera, Mrs. Julia Rodriguez, Mrs. Elida Balderaz, Mrs. Marie Gonzales, Mrs. Oralia Medina, Mrs. Carolina Gonzales, Mrs. Lulu Gonzales, Misses Elizabeth Gonzales, Elvira Balderaz and Gloria Garcia.

Mrs. Barrera said that the registration of pupils would be on Sunday from 4 to 7 and she asked that all parents please bring their children in for registration that day.

Joint VBS Concludes Methodist-Presbyterian

An average of thirty-one youngsters attended the Methodist-Presbyterian Vacation Bible School last week. Three groups met at the Methodist church; Nursery, kindergarten, and grades 1-2. The two groups that met at the Presbyterian church were grades 3-4 and 5-6.

There were fifteen teachers and assistants. They were: Mrs. Charles Allen, Mrs. Arthur Barleymann Jr., Mrs. Larry Blackburn, Mrs. Billy Ralph Bynum, Mrs. Jack Douthit, Miss Marilyn Foster, Mrs. Lynn Glass, Mrs. Clinton Hodges, Mrs. S.K. Horwood, Mrs. David Marx, Mrs. Bobby Myrick, Mrs. Charles Probandt, Miss Gaye Stewart, Miss Susan Terry and Mrs. James Thompson.

The following ladies provided or served refreshments: Mrs. Tom Asbill, Mrs. Earl Bailey, Mrs. Seth Bailey, Mrs. Bill Cole, Mrs. Frank Cole, Mrs. Foster Conger, Mrs. Horace Donalson, Mrs. Templeton Foster, Mrs. David Glass, Mrs. Harvey Glass, Mrs. Lura McClellan, Mrs. Ewing McEntire, Mrs. Fowler McEntire, Miss Maggie Reynolds, and Miss Ruth Reynolds.

Mrs. Arthur Barleymann Jr. was in charge of records and certificates.

Money does grow on trees in West Texas. Especially if the trees are worked on by good friends. Just ask O. T. Jones. He got one.

1969-1970 FACULTY NOW COMPLETE

Mrs. Don (Adel) Fleming, who will graduate from Angelo State University in August with majors in English and history, and courses in Spanish, science, journalism and speech, will be the new teacher to replace Roy McCleary, who is in North Texas State University on a teaching fellowship in English.

Over 300 Present at Alumni Meet

Resolution Read Honoring Long-Time School Man

The resolution of the 1969 Alumni Association concerning Mr. Jones read as follows: Whereas—

You came to Sterling City as high school principal in 1939 and have stayed with our community and school through these 34 years

And Whereas— You have served as superintendent of school since 1937, with the exception of a two-year leave of absence during World War II when you were a ground school instructor at Lincoln, Nebraska, an actual total of 39 years service.

And, whereas— A most favorable image of our school and community has been projected over the area in which we live by your dedicated service as superintendent.

And whereas— Your friends and colleagues in the teaching profession recognize you as an outstanding educator and have on various occasions singled you out for honors.

And whereas— During your administration, the Sterling City Schools have received the highest accreditation from the State of Texas.

And whereas— The academic achievement of your students at colleges and universities through the years and their success in various trades and professions presents living proof of the effective instruction you have supervised.

And whereas— In addition to your school activities, you have given of your time and talent unselfishly in other worthwhile community projects.

Therefore, be it resolved: That on this date, June 14, 1969, the Alumni Association of Sterling City High School, proclaims that you, Mr. O.T. Jones, are the honoree of the annual gathering.

Be it further resolved that a plaque of appreciation be presented on that occasion and that other gestures of gratitude, be made.

(Signed) CECILE REED
McDONALD, president
Alumni Assn. 1969.

Mrs. Owen Hardy of Van Horn spent the weekend in Sterling with the Darrell Garretts. She also visited in the home of Mr. and Mrs. Robert Foster. She is the former Vera Dunn, neice of Darrell and a cousin of Mrs. Robert Foster.

Other guests in the home of the Fosters were their daughter and family, the Winn McClures of Ft. Worth and the Bill Cushings of Clarendon.

ATTEND WEDDING IN FORT WORTH

Mrs. Harvey Gass and her grandson, Danny Glass, attended the wedding of Mrs. Glass' neice in the Oakhurst United Methodist Church, Ft. Worth Thursday of last week.

The neice, Miss Sally Ann English, was married to Mr. Michael B. Wilkins. Parents of the couple are Mr. and Mrs. Robert F. English and Mr. and Mrs. Glenn M. Wilkins, all of Fort Worth.

Both principals in the ceremony are graduates of Texas Wesleyan College of Fort Worth.

The Reg Votaws of Alpine spent Saturday night here with her mother, Mrs. Ed Bynum.

O.T. Jones, School Man, Honored

Over 300 persons, Alumni friends, former and present teachers gathered to honor Sterling school superintendent O. T. Jones last Saturday evening. The occasion was the annual Alumni Association meeting here at the City Park.

The president of the 1969 Alumni group, Mrs. Cecile McDonald, presided and presented Mr. Jones with a "money tree", a plaque commemorating his more than 30 years in the Sterling school system. Starting in the '30's, Mr. Jones' school work will extend into five decades with next year's school — the 30's into the 70's.

Chesley McDonald acted as master of ceremonies for the introduction of Mr. Jones' family, guests and the past and present teachers and school board members.

Three hundred plus persons enjoyed the tribute to the long time school man, and took part in the Alumni Association program. Mrs. Anna Lee Hill of Dallas led the group, on the piano, in the school song. Reynolds Foster gave the invocation. Mrs. McDonald welcomed the entire group and Ewing McEntire welcomed the class of 1969. His daughter, Pam, responded for the class. Mrs. Leora Barrett read a history and the memorials. The first class, 1908, had both graduates, Mrs. Lona Allen and Vern Davis, present. The class of 1929 held a 40 year reunion throughout the day. Martin C. Reed, secretary, called the roll of classes by years.

Speedy Sparks received a gift for coming the furthest to the meeting and Mrs. Lena Foster was adjudged the teacher who taught longer ago that was present. She taught at Sterling Creek school.

Mrs. Charlene Davis was elected to serve as president for next year's affair. C. J. Copeland is vice-president, Mrs. Nan Nunnally is secretary and Patsy Bynum is historian.

The dance committee for next year is Melvin Foster, Ross Foster and Bobby Westbrook.

To the Noratadata Club and Sterling City Alumni, Ex-Teachers, Teachers and Other Friends:

Many thanks to all of you Sterling City Alumni for the honor of being your honored guest at the May 14, 1969 dinner at the City Park. Also many thanks to all of you for the plaque in recognition of 30 years service as your superintendent. I was completely surprised at the money tree with \$160.00 in bills attached. I cannot find words to express my deep appreciation for all of your many courtesies to me and my family over the years.

We especially enjoyed the visits with all of those ex-students and teachers who came to the annual meeting of the Sterling City Alumni.

Best wishes to all of you, O.T. Jones and family

Anna Lee Hill, with her husband and mother, Mrs. Anna Pearce, all of Dallas, were here last weekend at the Alumni meeting. Mrs. Hill and her mother have been gone from Sterling since about 1954 and still have a lot of old friends here.

Round-Up Time for Boy's Ranch

It's Round-up time again at the West Texas Boys Ranch and we encourage you to ask all of your friends, neighbors, competitors, and relatives for gifts to the Roundup. Sheep, goats, cattle, swine, chickens, you name it—and it's needed.

86 boys at the Ranch and 30 in placement away from the Ranch depend upon the success of every man participating in the Roundup.

Livestock movement is just beginning to start, so lets all endeavor to move along with contributions to the Ranch.

If you need any assistance in getting your livestock to market or wish to give a cash contribution, please contact Bill Bynum, Box 34, Sterling City, or phone 378-4483.

Each year a special trophy is awarded the county that gives the ranch the most per capita. Last year it was won by Eldorado and Schleicher County. Let's try to win this big 4 foot trophy for our own county this year.

Thanks,
BILL BYNUM, Wagon Boss, Sterling County

Social Security Tips

Want to get that first social security on time?

"Everyone does, but not enough people do anything about it," says Ted F. Moellering, District Manager of the San Angelo Social Security Office.

According to Mr. Moellering, every person who files an application for social security benefits will be asked to present certain proofs. Most applicants will also be asked to give the exact amount of earnings for the past year and for the current year.

Most persons do not bother to find out ahead of time exactly what they will need. "George waits until the day he files an application," said Mr. Moellering. "Then he has to go back home and dig around for records, or write letters requesting the necessary documents, causing a delay in the processing of his claim."

A claim for social security benefits may be filed as early as three months before entitlement to benefits.

Mr. Moellering suggests that claimants get in touch with the social security office several months before this three month period to find out ahead of time what proofs and information will be needed.

"The satisfied applicant," continued Mr. Moellering, "is the one who does this, and consequently has all necessary proofs and information with him. The result—everything is completely taken care of during this one visit at the social security office, and he gets that first check right on time."

For further information, contact the Social Security Office at 3000 West Harris Ave. in Sa Angelo, Texas, or see the representative when he is in your area.

Civil Service

Federal agencies, principally in the metropolitan area of Washington, D. C., need Electronics Technicians. The work involves maintenance, testing, and development of various electronic equipment, ranging from radio, radar, and sonar devices to computer systems.

Both general and specialized experience are basic requirements for Electronics Technician positions, except where education may be substituted for such experience. Entry level for eligibles depends on quality and quantity of both. No written test is required.

Starting annual salaries range from \$3,331 to \$10,927. Ask for Announcement No. WA-7-19.

Additional information on these and other Federal jobs may be obtained from the Civil Service Commission in Washington, D. C., 1900 E Street, NW, 20415.

FEDERAL CAREER OPPORTUNITIES

The U.S. Civil Service Commission has issued three nationwide announcements of mid-level Federal career opportunities in professional fields, and a fourth outlining opportunities for Stenographers and Typists in Washington, D. C. and vicinity.

Interested applicants can get the announcements from Federal Job Information Centers in many large cities, from many post offices, except in cities where Federal Job Information Centers are located or from the Interagency Board of U.S. Civil Service Examiners, 1900 E St. N.W., Washington, D.C. 20415.

The announcements are:

1. Professional Opportunities for Social Scientists. GS grades 9 through 12. Covered are such positions as Economist, Social Science Analyst, Social Science Program Specialist, Sociologist, Historian, Anthropologist, Manpower Analyst, Social Work Program Specialist, and additional closely related positions in other social science fields. Many of the opportunities are in various Federal agencies in Washington, D. C. and vicinity and in foreign countries. Some are in other parts of the United States. Annual starting salaries currently range from \$8,462 to \$12,174. They are expected to increase by about 9 percent in the middle of this year. There are no written test requirements. Applicants will be rated on the basis of professional experience, education, and training. Work descriptions and the necessary qualifications, along with special credit provisions for graduate study, superior undergraduate academic achievement, subsequent work experience including part-time or unpaid experience, and certain teaching experience, are detailed in Announcement No. WAS-827, Professional Opportunities for Social Scientists.

2. Professional Opportunities for Social Worker and Social Service Representative. Social Worker positions, GS grades 9 through 12, are in the Bureau of Indian Affairs, the U. S. Public Health Service, and the Veterans Administration, throughout the United States and Puerto Rico; and in agencies of the District of Columbia Government and other Federal agencies located in Washington, D. C. and vicinity. Social Service Representative positions, GS grades 8 through 12 are primarily in the D.C. Government and other agencies in the Washington metropolitan area. Annual starting salaries currently range from \$7,699 at GS-8 to \$12,174 at GS-12; they are expected to increase by about 9 percent in the middle of 1969. No written tests are involved. Applicants will be rated on the basis of education, experience, training and personal aptitude for the nature of the work. Most of the professional Social Worker positions call

REWARD NOTICE

A reward of \$500.00 will be paid by the Texas Sheep and Goat Raisers Association to any person (other than law enforcement officers) giving information causing the arrest and final conviction of any person or persons found butchering or stealing any sheep or lambs or goats belonging to any Association member in good standing. When two or more persons give information, the above sum will be divided at the discretion of the Board of the Association. When two or more defendants are involved in a single crime, the total reward is limited to \$500.00, but the conviction of one defendant, even though the other defendants are acquitted, will entitle the claimant or claimants to said sum of \$500.00. All claims must be submitted within ninety (90) days following conviction. If, upon conviction, a defendant confesses other thefts, no additional reward will be paid. All devisions concerning the payment of such reward and the conditions of payment will be made by the Board of Directors of the Association.
TEXAS SHEEP & GOAT RAISERS ASSOCIATION

ATHLETE'S FOOT GERM HOW TO KILL IT.

for successful completion of all requirements for a masters degree. Full details of training and experience qualifications for the various grade levels are in Announcement No. W AS-904, Professional Opportunities for Social Worker and Social Service Representative.

3. Professional Careers for Educators and Librarians. This announcement will be used to fill positions of Education Specialist and Education Services Officer, GS grades 9 through 12; Program Specialist and Advisor (Education) GS grades 9 through 12; Public Health Educator GS grades 9 through 12; Librarian, GS grades 7 through 12; Job Corps Teacher, GS grades 5 through 11 and Job Corps Guidance Counselor, G S grades 7 through 11. Annual starting salaries for these positions range from \$5,732 at GS-5 to \$12,174 at GS-12. They are expected to increase by about 8 or 9 percent the middle of this year. Many positions are located in various Federal agencies in Washington, D. C. and vicinity. However, certain Federal agencies have needs throughout the United States. Examples: Program Specialist and Advisor (Education) U.S. Office of Education Job Corps Teacher and Guidance Counselor, National Park Service and National Forest Service; Public Health Educator, Helath Services and Mental Health Administration. Qualifying education and experience for all of these positions vary considerably. For details, consult Announcement WAS-908, Professional Careers for Educators and Librarians.

All qualified applicants will receive consideration for Federal employment without regard to race, religion, color, national origin, sex, politics, or any other non-merit factor. When asking for announcements and application forms, applicants are advised to ask at the same time for Civil Service Commission Pamphlet No. 4, "Working for the U.S. A." which provides important general information about the kinds of appointments, the physical abilities required, veteran preference, and other conditions of Federal employment.

IN THIS WORLD

REMEMBER THE AUTOMOBILE. IN 1900 THE QUESTION WAS: SHOULD IT BE DECLARED ILLEGAL AND BANNED FROM THE ROAD?

BY 1914, THROUGH RESPONSIBLE PUBLIC ACCEPTANCE, THE AUTOMOBILE AGE BECAME A REALITY... THIS PUBLIC FAVOR IS AS MUCH A REQUISITE TO INVENTION AS IS SCIENCE AND ENGINEERING.

TODAY, NUCLEAR POWER HAS PASSED THROUGH THE EXPERIMENTAL STAGES, ITS PROVEN GREAT POWER POTENTIAL IS NOW A MATTER OF RESPONSIBLE PUBLIC ACCEPTANCE.

PRODUCING ELECTRICITY FROM THE ATOM BEGAN IN 1954 WHEN CONGRESS GAVE INDUSTRY THE RIGHT TO OWN POWER REACTORS. NUCLEAR POWER PLANTS MAKE FOR IMPROVED ENVIRONMENT, ABSOLUTELY CLEAN POWER, NO SMOKE, NO AIR OR WATER POLLUTION, AND NO OPERATIONAL NOISE CONTRIBUTES TO IDEAL SURROUNDINGS.

AROUND THE COUNTY

by

ARTHUR BARLEMANN, JR. COUNTY AGENT

The second Annual Lamb of the Future Carcass Show will be held in San Angelo this week-end. All the lambs must have been in place at the San Angelo show grounds by 5:00 p.m. Thursday, June 19.

Live evaluation of the lambs and the weighing will be done on Friday morning. The lambs will be moved to the Armour plant not later than 12 noon Friday for the slaughtering. They will be slaughtered Friday afternoon and on Saturday morning they will be sorted into sire groups, graded and weighed. The carcasses will be broken down into the various parts and evaluated Saturday afternoon. They will be on display in the Armour plant Sunday afternoon. A symposium will be held Sunday evening to review the results of the show; time and place of the symposium has not been determined but will be announced, according to Bill Sims, executive secretary of the Texas Sheep and Goat Raisers' Association.

The public is invited to attend this show, both at the Fair grounds Friday morning and in the Armour plant Sunday afternoon. A number of groups from Sterling County have been entered in the show.

There have been no additional cases of screwworms confirmed in Sterling County since the case on the Martin and Cantrell place. At the present time the count stands at one confirmed case of screwworms and eight non-screwworms in the county. Statewide, the county is now June 17—at 142 cases in Texas and 173 in the nation. The statewide count is down considerably from what it was a year ago. Earlier this year, the count was running ahead of last year but within the past few weeks activity has slowed down and the count has dropped.

The area of cases this year is wider than in the past. This fact is causing some concern but officials ask that producers continue checking their livestock and sending in samples for identification. Sterile fly drops are being made on areas with positive cases. The drop was made on the Martin and Cantrell case the day after it was investigated by the inspector from the Texas Animal Health Commission.

The situation in regard to the pecan casebearer is somewhat erratic. Last week, one tree at Stan Horwood's place was loaded with eggs and a few small casebearers. This was the only place in town that had any evidence of the pests. On other places, only one or two eggs on over a hundred nuts could be found.

Probably one of the reasons for the erratic behavior of the pests is the unseasonably cool weather of the past few weeks. Then too, the infestation has been down in nearly all areas of the state. Control measures should be taken whenever the infestation deems it necessary. Also, the walnut caterpillars continue to be a nuisance defoliating trees in all parts of the county. Control measures for the caterpillar and the casebearer are essentially the same.

A close watch will have to be maintained to prevent a buildup and severe damage from the second crop of the casebearers in July. This is especially true where no control measures are taken on the

CARD OF THANKS

We want to express our thanks and gratitude for all the cards, visits, gifts and prayers during Bill's recent surgery. A special thanks to the Fred Igo family for helping out in time of need.

THE BILL HUMBLETS

CARD OF THANKS

We wish to thank, once again, the members of the United Methodist Churches of Sterling City and Water Valley for their very generous "pounding" and for the supper given in our honor.

Also, to these same people and to all in the community who have given us such a warm welcome, we wish to express our gratitude. We look forward to living and working in your midst.

Rev. and Mrs. Harold Orr, Glen and Mary

LOST—A hospital sink on the Robert Lee road this week. Simmons-Huggins Supply Co. San Angelo, ph. 655-9163.

GARAGE SALE—Mrs. Wayne Drennan, 9 to 7 Saturday, June 21 at the Charlie Drennan rent house.

RUMMAGE SALE, Miscellaneous. Friday and Saturday at Mrs. O.V. Anderson's home.

Guests in the W.Y. Benge Jr. home over the weekend for the Alumni Reunion were Mr. and Mrs. Stencil Hunt of Pecos. Also Mr. and Mrs. Kenneth Landon and daughters of San Angelo. Mrs. Landon is the former Chris Benge.

Here from Beaumont for the Alumni meet, a guest of her sister and brother-in-law, Mr. and Mrs. Everitt Cope on the Crit Clark ranch, was Mrs. Liska Lyons.

Our oil driller friend, Lou Bankson, died last Friday in San Antonio. He had just retired from the drilling game and had gone to San Antonio to be with a daughter for retirement. Funeral services were held in Big Spring Monday and interment was in the Trinity Memorial Park south of Big Spring.

8—BALL

The Robert Lee Dam and E. V. Spence Reservoir at Robert Lee was dedicated last Saturday. Congressman Omar Burlison was chief speaker—but Congressman O. C. Fisher also talked a little. The Odessa Chuck Wagon Gang fed the group and everyone was really amazed to see how much water was already in the new lake. It's going to be a huge one.

8—BALL

It seemed like old home week here last weekend. Almost every family in the entire county had some visitors. They were mostly here for the Alumni Association meeting.

Some were relatives and others were just old friends.

At the Sonora Wool Show last week Allen Price showed the grand champion adult wool fleece. It was a range fleece.

By classes classes: In the yearling ewe range finewool fleece, Allen Price placed 1st and 2nd, Frank Price 3rd and Foster S. Price 4th.

In that class of aged ewes Allen took 1st and 2nd, Foster S. 3rd and Frank 4th.

In the aged ram class Allen placed 1st, Frank 2nd and Allen 3rd.

The Price fleeces all won in their classes entered.

IT'S A FACT!

OUR AMAZING WORLD!

FISHERMAN'S DREDGES WERE THE CAUSE OF A WHOPPING REPAIR BILL WHEN THEY DAMAGED TWO UNDERSEA TRANSATLANTIC CABLES. THE COST? TWO MILLION DOLLARS!

DECISION WAS MADE BY AT&T TO DEVELOP A SIMPLE, RUGGED TOWED VEHICLE WHICH COULD BURY THE CABLES. BY 1966, A PROJECT TO DEVELOP A SEA PLOW WAS BEGUN!

MORE THAN 100 MILES OF CABLE WAS BURIED TWO FEET BELOW THE OCEAN FLOOR BY THE PLOW. THE DEVICE, TOWED BY SHIP, OPERATES ON 4 SLED-LIKE RUNNERS. FUTURE CABLE-BURYING PROJECTS WILL MEAN INCREASED RELIABILITY FOR OVERSEAS TELEPHONE COMMUNICATIONS.

SCIENCE SKETCHES

A COOL NOSE might make a difference on whether your brain performs properly! Iowa State University researchers say a relationship exists between brain temperature and temperature of blood flowing from the nose toward the brain. Anger generates a full head of steam and people in a rage cannot think properly. The fellow who can keep a cool nose also can keep his brain alert and functioning normally.

A NEW PROCESS for preserving siliceous stones, developed at New York University, may permanently preserve monuments such as the Pyramids and Sphinx of Egypt. The specialist says test results suggest that treated stones are highly resistant to the action of water and salts, the principal causes of deterioration.

A CAR that isn't "tied down" to running on highway pavement has been announced by National Cylinder Gas, Chicago. The car, a late-model station wagon, can be quickly adapted to run on railroad tracks where it is used to photographically measure and record clearance in cuts and tunnels, under signals and on bridges.
