Eagles Win District Football Crown; Drop Bi-District Game to Goree Thursday

Beat Borden County

The Sterling City Eagles, with a perfect season record of 10-0, won the district 1-B football crown last Friday night when they won over Borden County High School 36 to 20. Coming up for tie for second place were Borden County and Smyer.

As the game got underway, the Eagles rolled to a TD with a pass from Ken Peel to Jesse Lujan and then a pass to Dwayne Davis added the two extra. But in that first quarter the Coyotes picked up a TD on a long pass to Junior Oliverez (55 yards)—but they failed to add the two extra points. The first quarter ended 8 to 6.

In the second quarter, Russell Davis, Eagle back, got loose for 6 yards to a Sterling TD but the try for extra points failed. And Borden County's quarterback passed to Clifton Smith for six points and then to Henry Oliverez for the two extra, tying the game 14 to 14 at halftime.

In the third quarter the Eagles advanced the ball down to the one yard line and Russell Davis plunged over for a Sterling TD and then he added the extra two points.

In the fourth period, coaches Danny Slaughter and Milford Wiley's boys added fourteen more points to wrap up the game for Sterling. Peel passed to Lujan for one and to Dwayne Davis for another. Peel himself, added the points after TD on the first one. The Coyotes added another six points to their score in the fourth on a pass to Clifton Smith—a fifty yard movement of the pigskin.

The Eagles made 16 first downs to the Coyotes 8.

DROP BI-DISTRICT GAME TO GOREE THURSDAY

After advancing to the bi-district playoff with the Goree Wildcats on Thanksgiving night, the Eagles lost their bid for state champions. The Goree team, a well-rounded, polished team of veterans (they are defending state champions) smoothly won an easy victory 56 to 22 at the playoff game in Abilene.

The Wildcats lost no time in getting on the board. Elden Hamilton got loose on a 70 yard run and put Goree on the board in record time. Then, the Goree champs proved they could keep doing it the rest of the game.

Dale Huffman made five TD's and Hamilton picked up another 6 points on an interception. The extra points for Goree were made on passes primarily by Gary Harlen, Hamilton and Steve Skelton. Johnny Urbanczyk got loose on a 34 yard run in the fourth for a TD.

For the Eagles, quarterback Ken Peel, on a keeper, got a Sterling TD in the first quarter. He passed to Russell Davis for the two extra points. In the second period, Peel passed to Jesse Lujan for a TD and to Jeff Copeland for the extra points.

Neither team scored in the third quarter, but in the fourth Dwayne Davis took a pass from

Social Security Tips

Social security checks should be cashed within a reasonable time to prevent loss or theft, even though there's no time limit on cashing them, according to social security officials here.

'If your check is lost or stolen, get in touch with your nearest social security office at once,' a spokesman said. 'The check can be replaced, but it takes time. Handle your check carefully when you get it and you won't have to wait while it's being replaced.'

Social security pays over \$4 billion a month in benefit checks to almost 29 million people—eligible retired and disabled workers and their families and families of deceased workers who worked long enough under social security.

For further information contact the Social Security office at 3000 W. Harris Avenue, San Angelo. Texas 76901 or call 949-4608.

Five varieties of pecans entered in the Trans Pecos Pecan Show, held at McCamey Monday, won three blue ribbons and one red ribbon for John Brock. John and Mrs. Brock went to the show Monday and said it was a real good show all the way through including the night program where the queen was crowned.

John's blue ribbons were won by his entries in the John Garner variety class, the Western Schley class, and the variety seedling class. The latter is a pecan of unknown variety, coming up from a seedling. His entry in the Mohawk class placed second. An entry in the Wichita class failed to place even though these pecans were the largest of the class.

The first three place winners in each class will be entered in the West Texas Regional Pecan Show which will be held in the Winnwood Mall in Odessa December 13, 14, and 15. Thus, John will have at least four entries in the Regional Show and perhaps more as one or two varieties were not ripened sufficiently to enter them in the show at McCamey. Under the Regional Show rules, this can be done.

Due to the short pecan crop in Tom Green County this year, there will be no pecan show in San Angelo this year.

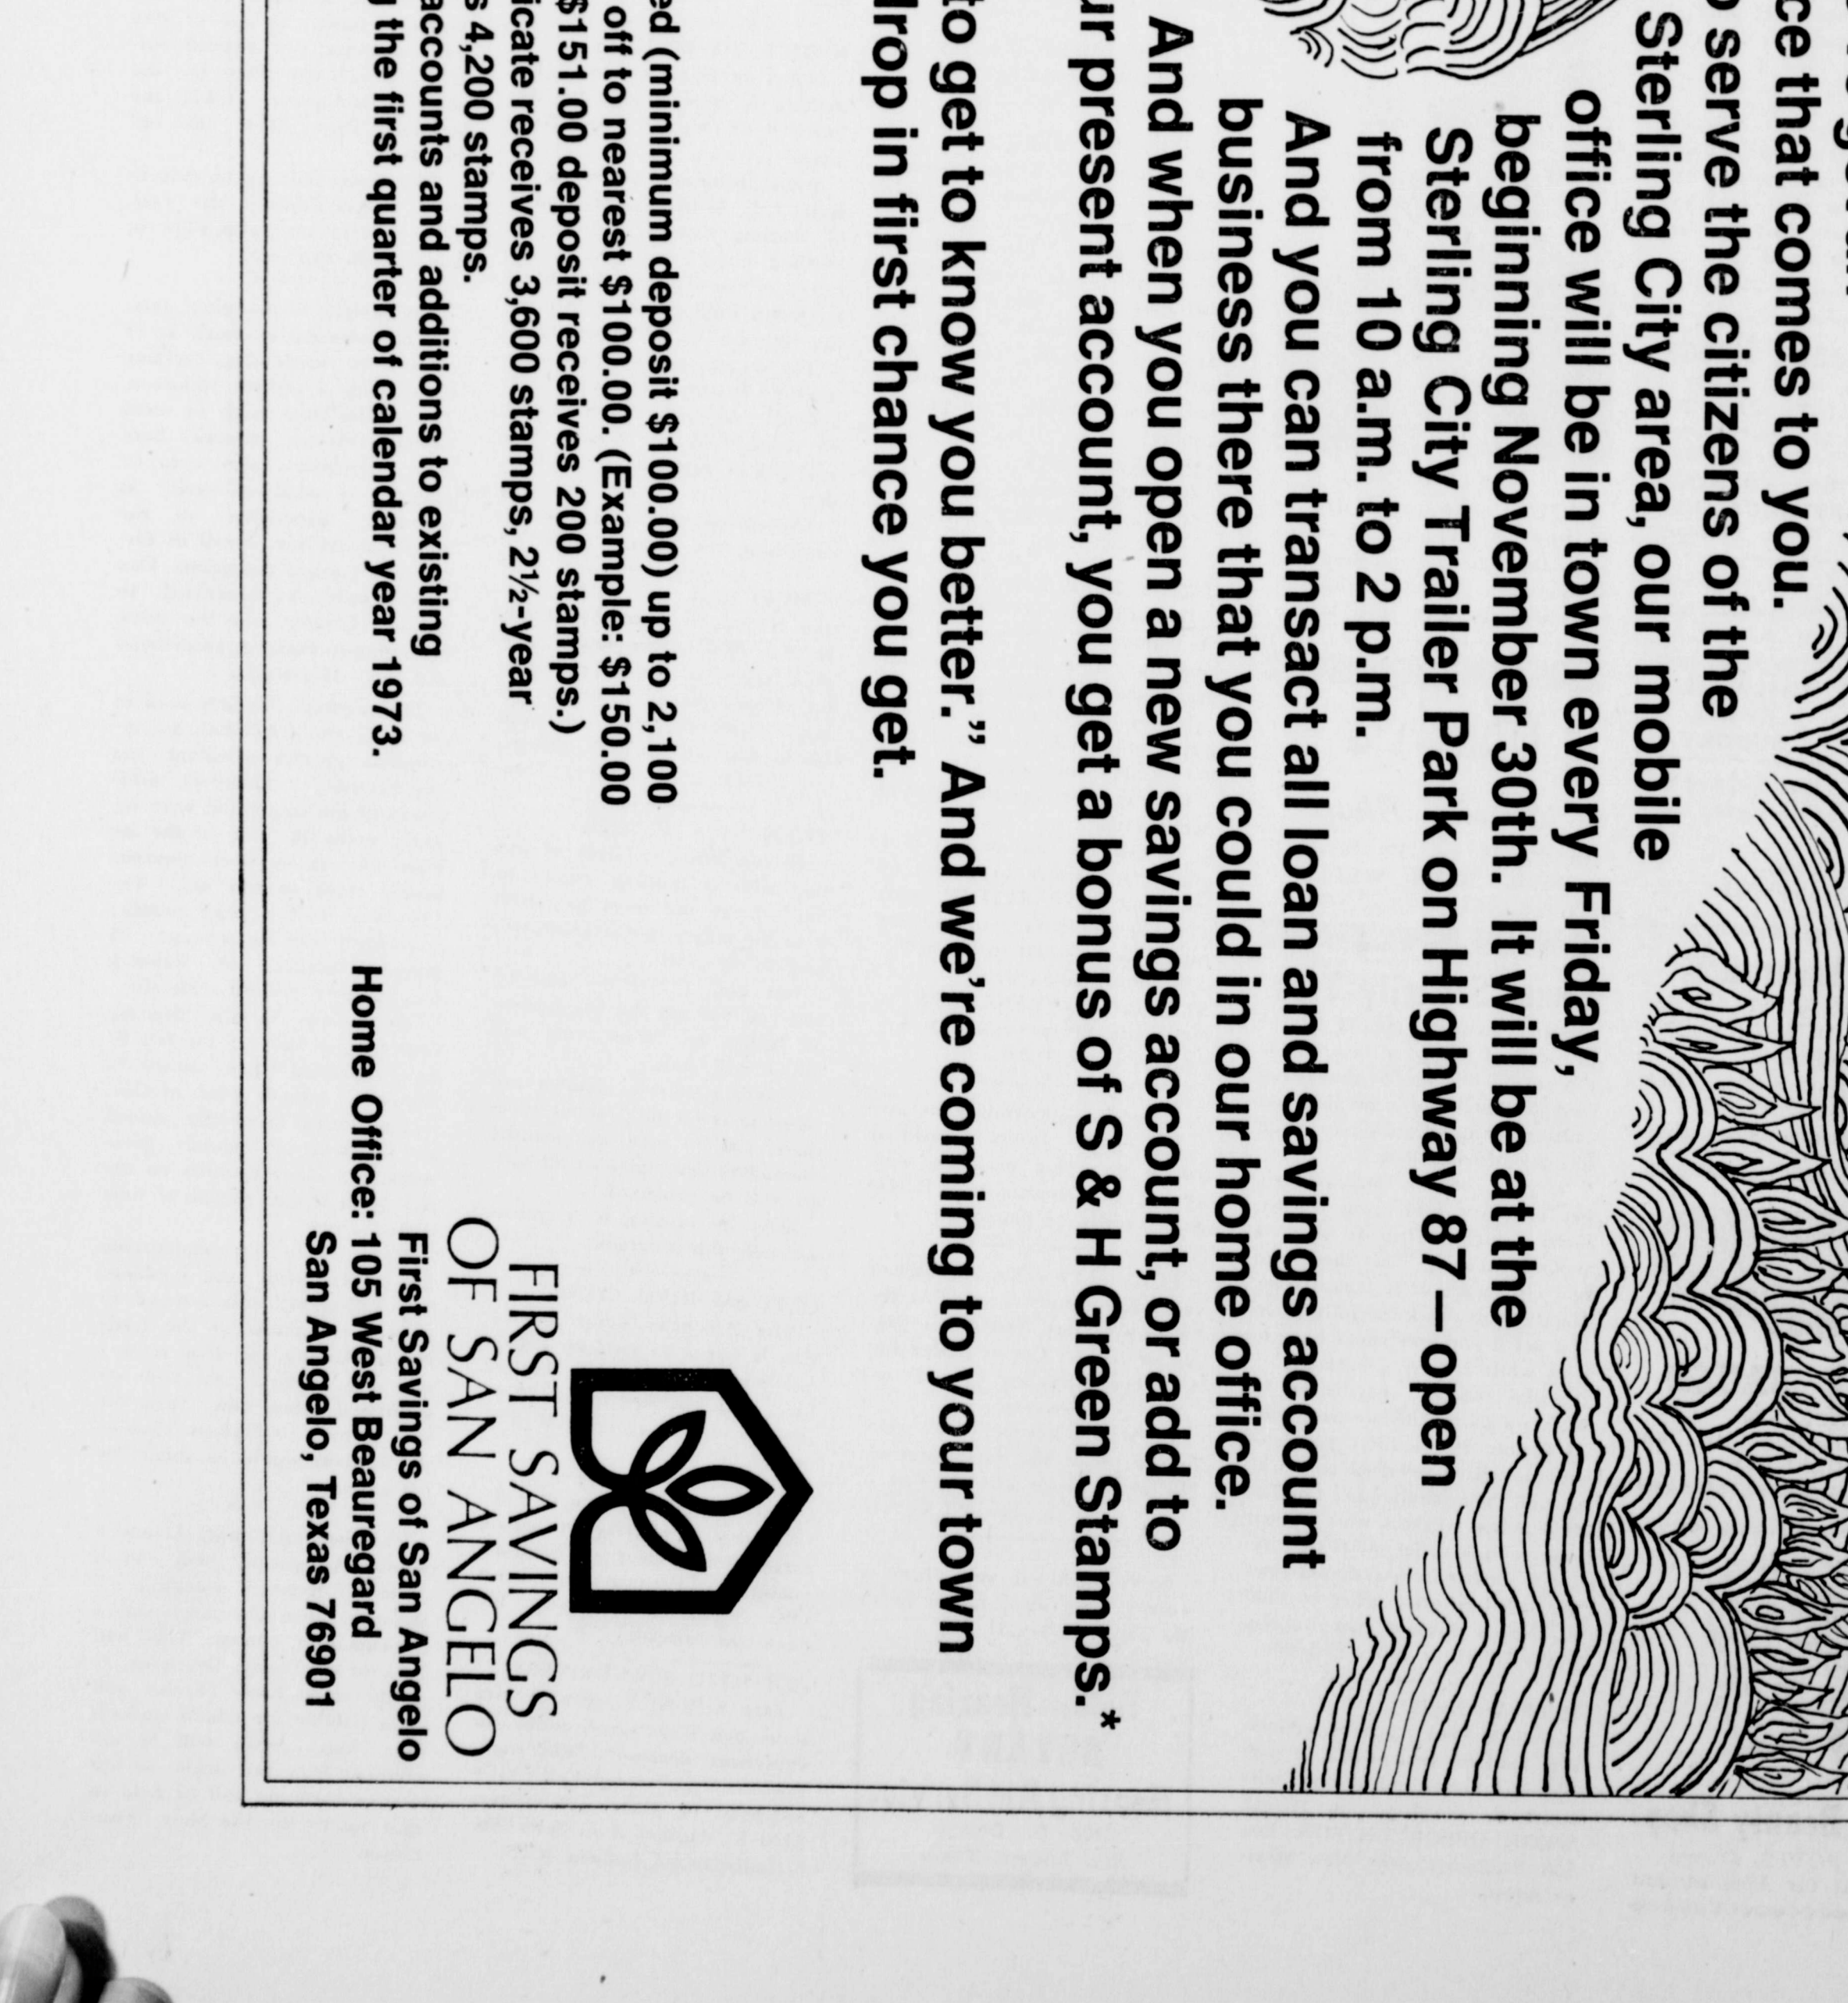

Pay weight of weaning steers can be increased as much as 25 pounds by implanting suckling calves with a growth stimulant. The results from trials in seven Edwards Plateau counties have shown responses from 4 to 63 pounds of additional gain at weaning, depending on the length of the test, breed of cattle, and pasture conditions. One of the tests was conducted in Sterling County on the cattle belonging to Foster & Hildebrand and S.K. Horwood.

The growth stimulant used in the trials was RALGRO, a non-hormone growth stimulant that can be used. Thirty-six milligrams of the compound were injected under the skin of the ear when the calves were approximately three months old. The 128 calves in the seven counties responded with an average 25 pound increase in weaning weight over control animals.

The calves in the Sterling County trial were on the test 87 days. Implanted steers gained 13 additional pounds over non-implanted steers. The heifers gained an additional 15 pounds. Some animals in other counties on the test for a longer period of time gained more.

There were no undesirable side effects from the implants. The calves will still respond to growth stimulants in the feedlot. Implanting was done at normal calf working time with no additional labor other than the time it took to implant. Cost of the implant would be about 70c per animal.

The Sterling County Livestock Show Association will again sponsor a livestock grooming and showing demonstration and a showmanship contest. This will be held on Friday, December 21 at the show barn. Friday will be a holiday for school students here. More details will be announced later but again, as last year, a barbecue will be held to raise money by the Show Association.

Behind the 8-Ball

AN EXPLANATION

It looks silly doesn't it? Well, we planned to get out the paper a day early, on Wednesday, due to Thanksgiving. But we decided to hold up and get the bi-district football game in the Friday paper, and also a big ad came in by mail, that was scheduled for Friday.

So, we worked it out that the paper would have six pages—and then, the big ad would not work in six regular pages—so we are printing a wrap-around front and back page.

We had hoped to be able to print a big win story on the Eagles football game and even had a winning headline all set up—just in case.
