AROUND  
THE  
COUNTY

ARTHUR BARLEMANN, JR. COUNTY AGENT

Persons who listen to the VOICE OF SOUTHWEST AGRICULTURE on the radio have heard Roddy Peeples urge consumers to call the toll-free number, 800-424-3510 each Wednesday between the hours of 6:00 and 10:00 P.M. This is a service provided by the Agricultural Council of America in Washington, D.C. and is an effort to give the consumer the agricultural producers' side of the food and fiber cost story.

During the annual meeting of the National Association of County Agricultural Agents in Milwaukee in October we had the opportunity to hear a talk by Allan Paul who is the executive director of the Council. He gave some of the background of the organization and the thinking behind this service.

The phones at the toll free number are manned each week by agricultural producers—live stock producers, grain producers, vegetable and fruit producers, feedlot operators, and others associated with production on the grassroots level. Mr. Paul said that on the Wednesday night preceding his talk, the phones had been in constant use until well past midnight with thousands of calls. He said that on that particular night, they got a phone call from the telephone company in Kansas City wanting to know what was going on and that their switching system there was completely blocked by the calls.

He said that many of the consumers calling often were certain that agricultural producers were getting rich from the prices they were getting for their products. The producers on the line then pointed out what their production costs were, their labor problems, what they were receiving for their produce, and that this was just a small part of the consumer's cost.

By the time the two parties had discussed the situation, the consumer was aware of the fact that the producer really gets a small percentage of what the shelf price of food is. He said that in many instances the consumer calling, who in the beginning was often irate and knew that the man on the land was getting rich, had changed their viewpoint and ended up saying—Golly, I thought that the man who raised that calf that produced that roast I paid \$1.48 a pound for got more than 30c a pound when he sold it.

We forget that millions of the consumers in the congested cities have no agricultural background. They know only what they read, hear on the radio, or see on television and this is dependent on those telling it. Maybe more calls to 800-424-3510 and other producer groups are needed to tell the other side of the story.

Two more cases of screwworms were confirmed in Sterling County in the last week. Both were in the navels of calves. One was on the L.R. Stringer Ranch at Broome and the other on some of H.L. Hildebrand's country southwest of town.

There will be more worm cases even though the temperature did drop to 20 last week—a few of the tough flies will survive. Keep checking your stock and sending in the samples.

## Thanksgiving Service Nov. 23

In Methodist Church Here

The annual Sterling Community Thanksgiving Service will be held in the local First Methodist Church Sunday evening at 7:30. The Rev. Traugott Vogle, Baptist pastor, will bring the message. Stan Horwood will lead the congregational singing and will sing a solo. Mrs. I.W. Terry will be at the organ and Mrs. Reynolds Fosteer at the piano.

Other local pastors taking part in the service will be the Rev. Charles Tucker, Rev. Crescencio Rodriguez and the Rev. Roy Wold.

Arthur Barlemann, Jr., chairman of the First United Methodist Administrative Board, will bring the welcome. Ushers will be Larry Glass and Nolan Stewart.

Refreshments will be served after the service in the basement of the church. Everyone is invited to the service.

The offering received will be used by the Salvation Army Service Unit here in Sterling City. Since January of this year the unit has aided some 75 persons, mostly transients with gas, food, cash, car repairs and lodging.

If the Thanksgiving offering is large enough it may be possible to not have an annual Salvation Army fund drive. If you will not be able to attend the special service and give, but do want to, you may leave your donation at the bank with Mrs. M. C. Reed. All checks should be made payable to the Salvation Army.

### Retiring Employees Being Honored Today

On Friday, November 21 at 2 p.m. two retiring employees of the Texas Highway Department (Engineers) will be honored at a reception at the Sterling County Residency Office.

The two are H.L. Bailey, supervising resident engineer and Louie C. Alexander, engineering technician IV. Bailey retires on December 1 and Alexander on December 31.

In 1948 these two were employed at district headquarters in San Angelo. Mr. Kelley, then district engineer, sent them to Big Lake to open a temporary residency there for six months. This six months was stretched to the summer of 1953 when that residency was moved to Sterling City. An office was built here in 1959.

The retirement of these fine men also marks the end of the resident office in Sterling City as it will be closed permanently on December 31, 1975.

### Cub Scouts Started

The Cub Scouts have been activated in Sterling City with Johnny Dykes as Cubmaster and James Salvato as assistant. The Den Mothers are Mrs. Barbara Schneider and Mrs. Mary Ann Jordan.

The leaders wish to thank all who donated toward fixing up the Scout House here. They said the Cubs would begin a sale of Christmas candles soon.

### Behind the 8-Ball

By the editor.

Although the Sterling City Eagles did not come up winner in the district football race, they had by far the highest scorer—Jeff Copeland. He more than doubled the scoring of any other player in the district. Jeff, the son of Mr. and Mrs. C. J. Copeland, made 18 touchdowns this season, and scored 14 points after touchdowns. That totals up to 122 pointss for the season.

Jayton won the district and Bronte was second. Roby was third and Sterling City fourth. Then in order were Forsan, Hawley, Sands and Loraine.

So, we salute Copeland, the outstanding player of District 5-B 11-man football.

8—BALL

Most of the Sterling City bank officers and directors and wives attend the banker's convention in El Paso last weekend.

The Sterling City Eagles football boys won over the Sands Mustangs last Friday night in the season's final, 33 to 12. The Eagles looked good in their final game and won handily over the hapless Mustangs.

Early in the first quarter, Jeff Copeland got loose and went 39 yards for the first Eagle TD. The Mustangs did not even get a first down in the first quarter.

In the second quarter, Copeland ran over one long touchdown (70) yards and one from the two inch line. Radde picked up two extra points in one instance. Ishmael Casas for the Mustangs took an Eagle punt, following one of the locals TDs and went 90 yards for Sands to get on the oard. But the score was 20 to 6 at the half.

In the third quarter Boots Demere on a keeper threaded his way for 6 yards for a TD and Copeland kicked the extra point.

In the fourth and final quarter Lee Fleming got a counter for the locals and Casas took a Mustang pass and made his team's last 6 points.

Sterling made 20 first downs to 8 for Sands.

### 4-H CLUB WILL SUPPLY Thanksgiving Sweets

The Sterling County 4-H Club Bake Sale is to be held Tuesday, November 25 at the West Texas Utilities office in Sterling City. It will begin at 8:00 A.M. and last until all baked goods are sold. Cakes, pies, cookies, bread and candy will be available at the sale.

The club members and their mothers urge you to take advantage of the sale and get your Thanksgiving sweets from them. They will be made by the mothers of the club members as well as club members, many who have taken part in the foods and nutrition projects in recent years. Each club member is being asked to participate in furnishing the baked goods.

Proceeds of the sale will be used by the club to replace money pledged to the erection of the State 4-H Center at Brownwood and for local uses. Part of it will be used to pay the expenses of club members who may qualify in the District Elimination Contests in May for participation in the State 4-H Contests held at College Station in June. Other local uses include the 4-H Awards banquet recognizing county award winners.

The sale has been planned by members of the 4-H and Youth Committee comprised of leaders and club members. Mrs. Charlie Davis and Mrs. Clinton Hodges are chairmen of the sale and are assisted by many other mothers.

## REDDY'S Conserve and Save Tips for Your DISHWASHER

- ★ Clean the filter screen often. A clogged filter can reduce the efficiency of your dishwasher.
- ★ Use only detergents manufactured specifically for dishwashers. A wetting agent helps prevent water spots on glasses and silverware.
- ★ A dishwasher will usually hold a whole day's dishes. It takes as much hot water and energy to wash 1 dish as it does a full load. Stack your dishes out of sight in your dishwasher and wait until you have a full load to turn it on.

### Directions for Packing and Shipping Heads from Suspected Rabid Animals to the Laboratory

Increasing difficulty to confirm a diagnosis of rabies is being experienced with the submission of animal heads for rabies examination when shipment by air takes as long as four days between shipping date and receipt. If at all possible, we recommend to those who use the State Department of Health laboratory service in Austin, that they USE THE VARIOUS BUS COMPANIES. Pack the animal head in a leakproof plastic bag. Enclose a second leak-proof plastic bag filled with ice or use water frozen in plastic bottles. An outside container of sturdy construction (styrofoam serves nicely and is inexpensive) must be used. Also, use packing material to absorb water in the event of leakage. The box should be securely taped down and marked, KEEP UPRIGHT—PLEASE. A note to telephone the Health Department Laboratory (454-3781 Ext. 313) on arrival, should be prominently displayed.
