ARTHUR BARLEMANN, JR. COUNTY AGENT

The Annual Sheep and Goat Field Day will be held at the Sonora Experiment Station on Thursday, March 18. As usual, the morning will be devoted to the inspection of the rams that have been on test since September.

The program for the Field Day will begin at 12:30 with the welcome by Leo Merrill, long-time director of the Sonora station. J.W. Stewart, Area Entomologist with the Extension Service at Uvalde, will discuss the Problem With Lice on Sheep. Test results of the rams will be given by Maurice Shelton and Clyde Thate will award the Registry of Merit Certificates. Howard Derick, past president of the American Sheep Producers Council, will discuss A Blueprint for Expansion of the American Sheep Industry. Some of the accomplishments of ram testing to date will be covered by Clint Langford, Sutton County Extension Agent, and station personnel will discuss some research reports.

The final item on the program, beginning at 2:00 P.M., will be the sale of some of the tested rams. This will be under the direction of Dr. George Ahlschwede, Extension Sheep and Goat specialist. This is the first time that any of the tested rams will be offered for sale at the station in an auction. It is an opportunity to get some tested rams at a time when the outlook for the sheep industry is brighter than some other segments of the livestock industry. There is an old saying that sheep often have to carry the beef cattle and this may well be one of those times.

Lonnie Horwood showed the fifteenth place lightweight Hereford steer at last week's Houston show. The steer sold in the auction Saturday for 55c per pound.

The eighth place winter heifer calf—calved in November of 1974—was shown by Lonnie also. Breeder of the heifer was Weldon Edwards of Clyde.

Lenard Horwood showed the eleventh place senior heifer calf, calved in October of 1974. She was also bred by Edwards.

The San Angelo Stock Show this week marks the end of the spring show circuit for Sterling County 4-H Club members. They have lambs, steers, Hereford heifers, Rambouillets, and Delaines entered in the show.

Those participating in the show include Lenard Horwood, Lonnie Horwood, Amy Hodges, Becky Hodges, Wesley Hodges, Greg Davis, Jim Copeland, Reed Stewart Cheryl Drennan, Brandon Miller, June Humble, Susie Humble, Paula Radde and Delmar Radde Jr.

Most of the judging schedule in the San Angelo Show will have been completed by the time this paper reaches its readers since lambs and some of the steers were judged on Thursday and the adult show Rambouillets and Delaines were judged Wednesday. But the Junior Delaine and Junior Rambouillet judging starts at 1:00 P.M. this afternoon—Friday—as does the Junior Hereford heifer judging.

Saturday's schedule is the livestock judging contests and sale of the livestock. Sunday will be devoted to gathering up the water buckets, feed troughs and other paraphernalia and going home.

## Red Cross Drive Underway

The annual Red Cross drive for funds will take place in the month of March. Though there will not be a concerted drive for funds in Sterling County, the area headquarters in San Angelo are asking that local residents mail or send their contributions to headquarters in Angelo at P. O. Box 1010 or bring in to 28 East Twohig. All contributions are wanted and needed.

The Red Cross steps in where aid of any kind is needed, said Jack Rice. If a disaster should hit Sterling or any area town or city or hamlet, the Red Cross would set up aid stations and offer to help in any way possible. Last year alone the Red Cross responded to over 3,000 separate disasters in the U.S.

The Red Cross has numerous duties at air bases, at hospitals and as food suppliers and first aid and as food suppliers, first aid in hospitals and blood banks, etc., said Rice.

Use your  
Electric  
Clothes Dryer  
Wisely...

**AND SAVE**

**Reddy's  
Helpful Tips**

- ★ Operate your dryer with a full load.
- ★ Do not over-dry. Over-drying any fabric increases wear and tear and causes yellowing, in addition to using more energy.
- ★ Use leftover heat to dry light synthetic garments and only partially dry items which are to be pressed immediately.
- ★ Keep lint filter clean. A dirty lint filter can lengthen the drying time and present a fire hazard.
- ★ Vent your dryer to increase its efficiency. Occasionally check the vent to make sure it is not clogged. A clogged vent can cause your dryer to consume needless energy and presents a potential fire hazard.

Remember **REDDY** Supplies the energy—  
but only **YOU** can use it wisely!

**World Day of Prayer**

World Day of Prayer will be celebrated on Friday, March 5, 1976 by Church Women United who will join in a chain of prayer with millions of people in 169 countries. The worldwide service is sponsored by the International Committee for World Day of Prayer which has appointed Church Women United as the official sponsor of the celebration in this country.

Here in Sterling City Church Women United invite all to join this worldwide fellowship at 3:30 p.m. at the First United Methodist Church. Women of the Presbyterian Church will lead the program.

The worship program prepared by women in Latin America reflects their concern for Education for All of Life. The narrow bonds surrounding the word education have been released, and the definition spills out into every area of life. Concrete situations, common to the lives of some Latin American women, form an integral part of the worship experience. The service which is printed in English and Spanish offers unique opportunities for bi-lingual and cross-cultural experiences.

**City Election Here  
in April**

The first Tuesday in April which will be April 6, will be the date for the City of Sterling City election for a mayor and two councilmen.

Other members of the council are Ross Foster, Neal Reed and Don Griffin.

Anyone wanting to file for an office must file with the City Secretary Mrs. Horace Donalson thirty days before the election date.

**Social Security News**

Social security checks should be cashed within a reasonable time to prevent loss or theft, even though there's no time limit on cashing them, according to social security officials here.

'If your check is lost or stolen, get in touch with your nearest social security office at once,' a spokesman said. 'The check can be replaced, but it takes time. Handle your check carefully when you get it and you won't have to wait while it's being replaced.'

Social security pays over \$4 billion a month in benefit checks to almost 29 million people—eligible retired and disabled workers and their families and families of deceased workers who worked long enough under social security.

**By Thurston McCutchen**

HOW DOES LIFE INSURANCE AFFECT SOCIAL SECURITY BENEFITS?

Life insurance and Social Security work hand-in-hand to provide an adequate income for future needs. Potential benefits from Social Security, alone may fall short of providing sufficient income for family and retirement needs. Social Security laws say, in effect, that if a person receiving benefits wants to or is forced to continue working for a living, his benefits will be taken away... unless he is content to work for a relatively small income. Life insurance supplements Social Security with an income... without carrying the penalty of loss benefits. Taken as an annuity, life insurance will not affect your Social Security benefits... enabling you to retire with enjoyment.

### "Play It Again, Sam"

**OPENS MARCH 11 AT MCT**  
Comedian Woody Allen's gleeful farce, **PLAY IT AGAIN, SAM**, will be the second entry in Midland Community Theatres thirtieth season. This Broadway comedy hit opens Thursday, Mar. 11, for nine performances. The comedy's unusual title comes from a line in the movie **CASABLANCA**, starring Humphrey Bogart and Ingrid Bergman. It is actually a mis-quote, however. Bogart's line is simply, 'Play it, Sam'. Nevertheless, **PLAY IT AGAIN, SAM** is Allen's choice for the title.

The plot centers on timid neurotic film critic, Allan Felix, a would-be Lothario whose success with the opposite sex is minimal. His wife has left him. All his former girl friends have gone on to other men. Even the women in his fantasies reject him.

He is left with only three social contacts—a married couple who are his best friends and the ghost of Humphrey Bogart. Bogart is Felix's film hero. In fact, he is watching 'The Maltese Falcon' as the play begins. Bogart's ghost materializes at crucial times to give Felix advice on 'how to handle dames.'

Memberships for MCT's 1976 season will be on sale through the run of this play and will end with the last performance. Including **PLAY IT AGAIN, SAM** there are five more productions on the '76 schedule. Box office prices to **SAM** are \$2.50 and \$4 for non-members, and to the production, **THE FANTASTICKS** in April, musical prices will prevail, \$4 and \$5. Membership to MCT represents a saving of over 50% over box office prices.

Performances for **PLAY IT AGAIN, SAM** are scheduled for March 11, 12, 13, 18, 19, 20, 21, 26, and 27. Reservations may be made by calling or writing the Theatre Center, Box 4847 in Midland 79701, phone 682-2544.
