The San Antonio Street Railway adverties the desire on the reaction to be a desire on the part of many to continue him in office another team. This office is a profitable one, however, and there are no other candidates, who will ere at formidable opposition for Mr. Beck. Among the names prominently mentioned for the place are Judge Thomas A. Dwyer. Wm. H. Elliot, George S. Williamson, H. C. Haweisen and Hiram Mitchell. Either of these men would fill the office acceptably to their friends, and are likely to have a strong following in the convention.

Mr Sau S. Smith, who has been for a long time Clerk of the County Court, will doubtless be re-elected. The people of Bexar county have about come to the conclusion that Mr. Smith is a fixture in this position, and in this fact we may find the reason why no name has as set been mentioned for the place. Some time ago Mayor French was talked of, but upon inquiry we learn he is not a candidate.

Mayor French was talked of, but upon inquiry we learn he is not a candidate, roa country commissioners.

The present board are active and progressive, but it is not likely they will be re-elected. The office is not a profitable one and requires a great deal of time. However, there are men who would undertake the duties, and perform them acceptably to the people. The candidates, so far, are: J. H. Kampmann, Wm. Prescott, James P. Newcomb, Hugo Klocke, Daniel Devine, Joseph Ulrich, Henry Bilter, Thomas Kiolossas, Peter Scheiner, Mortimer Slocum and Max Aus. These names offer material for the choice of a good board.

For JUNTICE OF THE PERCE.

Candidates for this office are not so plenticularly announced themselves. They are M. G. Cotton, W. G. M. Samuel, Frank Paschal, Auton Adam, F. D. Paville and W. W. Herron.
