News. PAID THE PENALTY.

LONGVIEW, August 30, 1878. Renicke in December last, were hung to-day. Radley last night refused to eat any supper. There were eight preachers in the jail praying and singing with them all morning. Among the preachers were white ministers

Dalles The August 28th, 1828.

To the Sumbar of the Raines of Fythias, owned for the Raines of Fythias, owned for the Raines of Fythias and Berrmann: The hand of death is being laid heavily upon the people east of the Mississippi river by the yellow favor stourge, and many good Knights of Pythias lave been brought to early grave, and many more are imaguiahing upon their beds of suffering and want; therefore, I, K. F. Aunspaugh, Grand Chancellor, appeal to each and every subordinate lodge and individual member of the Order in this jurisdiction for aid to relieve our auffaring heathren, whose voices may even now be heard calling us to their seus. Any contributions to John R. E. Luhu, Grand Keeper of Records and Seal, Brenham, Texas, will be sent promptly to Memphis, Grand Leebe the contributor, or where mostly needed if left optional, Given under my hand and official sent this 29th day of August, A. D. 1878, P. P. 14 R. P. AUSSPAUON, GRAND Chancellor. and black pants but no coats, with their arms pinioned and each smoking a eigar, mounted their own coffins and their photo-graphs were taken in that position. They graphs were taken in that pounds, were then slowly driven to the gallows, about a mile from town, followed by about 5,000 people and surrounded by a strong of the gallows they seconded declared his innocence to the last. Both asid they were going to heaven. After singing and prayers by Revs. Dr. Markham and Booth, white, and Rev. John Baptist, colored, the knots were reliquided and the

REQUISITION REFUSED.

tagt. The require of Governor Axtell, of New Mexico, for troops to assist in uphold-ing the law, was the subject of some discus-sion, but no action was taken.

Col. J. J. Moll, Collector of the Sixth District of North Carolina, and Revenue Agent Chapman, on duty in that State, con-sulted with Commissioner Raum with a view of organizing a strong force to break up illicit distilling in the South.

POLITICAL NOTES.

Topeka, Kan., Asgust 30. The Republi cans nominated J. P. St. Johns for Governor.

St. Lous, August 30.—R. Graham Frostwas nominated by acclamation by the Democrate of the Third district.

Albany, N. Y., August 30.—The Republican State Committee is called to meet at New York September 3th, to take action concerning a call for the State Convention.

KILLED BY A LAWYER.

in the former's law office this morning. Both are prominent lawyers.

LATER—The coroner's jury this evening rendered a verdict that Blackstone came to his death by a pistol shot fired by Hughes, who was repelling an aggravated assault. Hughes case was set for hearing September 3rd.

BANK ROBBED.

Bedalis, Mo., August 30.—The Concordia savings bank at Concordia, Lafayette county, was robbed yesterday evening of between three and four thousand dollars, by men who found the cashier alone in the bank and forced him at the muzzle of the revolver to open the eafe. The monthen mounted their horses and escaped.

TELEGRAPH MISCELLANY.

TEAN ANTONIO, TEXAS, SATURDAY MORNING, AUGUST 31, 1878

nance of Raly's commercial position in the Adristic.

London, August 30.—A Rome special says. If Raly gave proper facilities for and removed the drawbacks to commerce at Bridisi, Anchora and Venice, she would have no need of Trieste. If Trieste fell under the existing prohibitive Ralian laws and regulations, it would soon fall into the hopeless condition of Bridisi, Anchora and Venice.

Paris, August 30.—The official journals say the delegates to the Monetary Conference not being authorized to bind their respective governments, could not effect an international arrangement, but the discussion will facilitate the question and solution of the questions affecting the monetary system of the several countries.

Dublin, August 30.—John Eugene O'Kavanaugh, a well-known Celtic scholar, formerly in Irish politics, is dead.

Worth at the depth of two hundred rees.

Dr. Davis, of Dallas, had a pipe shot out of his mouth while riding on the platform of a street car.

Waco Telephone: A crazy negress attempted suicide by throwing herself into the Brazos in East Waco on Sunday. She was fished out. Toledo, O. Angust 30. The total contributions as \$22 to Sunday. The was fished out.

Stephensville Empire: Quite a number of our farmers have raised a second crop this season from their stubble land, some of whom will make a half bale of cotton per

seems that some colored women are employed in a Chinese laundry. Harriet Burns, also colored, took exception to this and attempted to "get even" by setting fire to the laundry.

Dallas Commercial: The creditors of the defunct State Savings Bank complain of the delay is settling the affairs of that institution. Even a small dividend would help many of its victims out at this time in saving

they needed the money for the purpose of defraying the expenses incident to the gathering of the crop.

Bill Grozier, a barkeeper at Forf Worth, was shot and killed at the Variety theater in that city Wednesday night by Buffalo Bill the famous acout of Capt. Peak's Rangers. The shooting grew out of Bill's refusing to settle for drinks ordered. Cronier attempted to enforce collection, when he was plugged three times, one ball entering the heart.

Houston Telegram: Captain R. Alexander, who was sent by the Galveston Board of Health to Lake Charles has returned and reports that place has not had a death since last April. In his report the Captain Inquesting very lax in quarantine regulations at this time, saying the fever was more probable there than anywhere cise, and requesting it be placed under strict surveillance.

Franklin Herald: The boll worm has done an immense amount of damage to the cotton crop. Two weeks ago the prospect for an overwhelming crop was never better, but alsa! the boll worm has been more destructive in this section than ever before, and the damage done is not computable as yet. Some farms that looked like they would make a bale of cotton to the acra, is now estimated at four or five hundred pounds of seed cotton. All cotton has been more or less injured, and the farmers feel rather blue over it. We hope they are scared worse than hurt, and really the cotton crop is one that ne correct estimate can be made until the picking season has far advanced.

Hillsboro Expositor: For the last two weeks many of our citizens have been more or less injured, and the farmers feel rather blue over it. We hope they are scared worse than hurt, and really the cotton crop is one that ne correct estimate can be made until the picking season has far advanced.

Hillsboro Expositor: For the last two weeks many of our citizens have been undid be abated. If they would stop their hallish din at bed line no one would care, but the cray, savages keep it up nearly all night. To sleep, while much a roar of mingled and di

The clerks of the U. S. District Cours have been kept busy the past few days filing petitions in voluntary bankruptcy. The following have been declared bankrupts; F. R. McCounell, Victoria county; Moses and August Oppenheimer, Ouero; T. H. Conkling and S. Gonradi, Houston. and in the most estimatory manner by calling or addressing the NEW YORK

New Orieans, August 30.—Filed 12:30 p.
m. New cases, one hundred and stray-nine;
deaths, fifty-nine.

The weather is cloudy and showery,
Among the deaths are Bister Loretto McKennie and Sister Mary Keenan, at the Charitable Hospital, «Both bave been unremitting in attendance on yellow fever patients.
The Very Rev. Joseph Millet, Vice General
of the Archdicuese of New Ordena, is
dangerously ill with fever. James Lenton,
Dr. Choppin's patient at the Charitable Hospital, who was treated by the water process,
died at half-past one this morning. Dr. W.
R. Mandevills, who has been dangerously
ill with fever is reported slightly better.

The Peabody Subsistence Association,
made the statement that their Association,
the object of which is to supply subsistence
to the destitute, in no way conflicts with the
Howard Association. The Howard's confine their attentions mainly to providing
physicians, nurses and uredicines for those
suffuring with yellow fever, and mecessary
nourishment to convalescents. Here the
deties of the Howard's end and the work of
the Feabody Association begins.

Despatches to the Associated Press to-day
show that there is no fever at any of thatowns on the Jackson road south of Canton.
A case was reported yesterday at Poucholain which proved not to be vellow fever.

The patient is now convalescent.

New Orleans, August 30.—U. F. Develloneu, a young French physician who was
among the first to tender his services to the
Howard Association, died yesterday of fever
after a few days illness.

Albert Chapsky died at Terre Boeuf of
yellow fever, and the body was buried here
in the Hobrew cennetery.

Twenty-two deaths were reported from
mon to 6 p. m.; 11 skults and 11 children.

Among the naw cases are 3. B. Anferson,
with Anderson and Simpson, and Henry
Dean Thompson, a reporter of the Picayune.

der by the introduction of religious dissen

Gen. Crook, the great Indian fighter, has also become very outspoken in favor of the

Indians and against the government policy.

In an interview with an Omeha reporter af

tilities were driven to desperation by hun-

dians and misrepresent them. "I believe in religion," the General interludes, "while it has had to carry the odium of wrongs committed by men professedly religious, we must acknowledge that there is a wonderful power in it. But there have been many wrongs committed against the Indians under the garb of religion." The Bannocks did the best they could to maintain themselves by best they could to maintain themselves by could not subttempted to take the people by storm and ture to their uses, but unfortunately for them, and fortunately for the people, the drive them into a political cul de sac for capelection was too far distant. The people sist without eating while awaiting the mahad time to reflect; to read; to post themselves in regard to the true situation of affairs, and the result has been that many of are anxious to contribute to their own the broad assertions so defiantly made at maintenance, and if properly treated and the outset have already, with the election honestly dealt with, there would be no more Ir you would make an Ireland man quake yet more than two months in the future, been trouble in their management or occasion to fear further depredations. Their lands have and the heralds of the Ireland party find been taken from them and they are entirely stripped of their gloss and false covering, dependent on the government. It cannot be expected that they will stay on reservareloped that instead of Mr. Schleicher betions where there is no possible way to get ing a renegade Democrat because of his food, and see their wives and children starve and die around them. Gen. Crook nemies off, the national platform. also says: "The Indians have never had any He was denounced most heartily dangers he asked to guard against are already I have known of squaws being ridden down, usly threatening, if not actually present, If crimes are not punished they will be committed anywhere. No white man was ever allowed, as the act repealing the Schleicher should be driven to the back convicted or punished for a crime committed round, we find the leading papers of the tate unanimous in advocating the election against the Indians." of a man entertaining those same views, and even the opponents of Mr. Schleicher doing badly treated. A reform is necessary, and the same thing. With a grand flourish the people were drenched with the greenback all the other experiments, the Express still

The ork—Ireland—had only a short time effects a short time eforce declared that that policy could not be sometime. The ork—Ireland—had only a short time effects a short time effects are short that the other experiments, the Expanses still holds that its "policy" is the only true one.

The ork—Ireland—had only a short time effects a short time effects are shorted as a shorted as a shorted as a chiefest among all of those performing the Give the Indians plows instead of shot-guns, work—Judge Ireland—had only a short time before declared that that policy could not be erv, and tell them to go to work. Tell them pick axes instead of beads and other trump property, and tell them to go to work. Tell them they will be fed until they have time to raise a crop, and then they must look out for thenfiselves. If they refuse this, then the misselves. If they refuse this, then the Makesaw Walls are ver I did, and I must say I owe it all to your blood purifier, Vegetine. en erial out without overriding the constitu-The truth of the matter is, the campaign ras opened too soon for the Ireland faction, government will not be held responsible for and they now find themselves in an embarrassing position and under the necessity

went bulging wildly along until their [Special dispatch to the New York Times.] heads brought squarely up against a dead wall on which was written by the people of this district, "You have been trying to deceive us." The nomination and laudation of John Hancock was a blow to Mr. Schleicher's opposite to the recent decision of the Attorney General respecting patents. The scope of the decision is this: It has sometimes happened that inventors without money have induced other persons to advance them money to take out and perfect their patents, heads brought squarely up against a tion for they too unwittingly joined in in consideration of an interest in the inventhe praise of the candidate of the Fifth tion. In some cases persons who have thu District, little thinking, doubtless, how they tors in an oath which r were stultifying themselves by the act. Now comes another thorn in the side. If Hon. R. Q. Mill; has been correctly reported, not stopping, gambling. It is by that gentlemain holds that the only absolute providing that every gambling is gold and silver and they are absolute in the because God has made them so. Nothing surface and the providing that every gambling in the because God has made them so. Nothing else can be used in their place unless it invalid, because the capitalist should not be considered the inventor; that no application can be used in their place unless it is made redeemable in gold and silver at the for a reissue of patents in such a case could will of the holder. He holds that to stamp be granted, because a reissue only contemon a piece of paper, "this is a dollar" is a delusion and a snare, and the government that come so be willy of a lie. Growbeek that does so is guilty of a lie. Greenbacks was in no sense an inventor, was not valid, not redeemable in gold and silver are worthless, and he is opposed to flooding the worthless, and he is opposed to flooding the Must Mink, too, be hounded to defeat on account of his financial views? No! No more than must Hancock in the Fifth Discountry with worthless currency.

Must Milk, too, be hounded to defeat or

The origin of yellow fever at Grenada is noment that the keeping open of your barber vital one, and to-day, if Schleicher was a hop on Sanday for the purpose of clean-lines is an offense against either the law of the opposite side, "battling with might and lodor the laws of man. Consequently it main for the time-honored principles of Deannot be a violation of the act above re-learned to."

The origin of yellow fever at Greenada is believed to be as follows: A Mrs. Field had ordered a dress from Now Orleans. Shortly after it was received she was taken down with what the physicians pronounced billious fever and congestion of the brain. She died in two days and a public funeral was held at the Presbyterian church, which was held at the Presbyterian church very largely attended. Then a young man was immediately taken with a similar disease Our dispatches of yesterday morning

fever." But the warning came too late, for

[Burlington Hawkeye.] membered now in the cities where Yellow plish the desired effort, and Indian troubles the is holding high carnival and carouse the is holding high carnival and carouse the indians, some blame the regularity of the seasons. Some with the regularity of the seasons. Some with the regularity of the seasons. The convention was somewhat disorderly, owing to the appearance of a strong delegation, the district and denounces the same kind a man in the Sixth, by saying: "And the crusses thinks as we do in regard to John mucock, who was once a prominent Know-thing, but corposes Judge Ireland because in the conduct of the Indians, we know not, the save of peace and harmony, to withdraw, which have a change for the better with the consented to allow his is name and himself to go before a water. The convention was somewhat disorderly, owing to the appearance of a strong delegation, the foundation from the farm-house that came in without the same the boy was seized in an inverted attitude, just as he was climbing over the save of the indians, we know not, the save of the save of the seasons. but there can be no doubt the Indians did at the rate of about a thousand miles an have more than the semblance of hour.

The Brift of the Negro in the South (Montgomery Advertiser.)

placing of the Indians in charge of gentlemen "illustrious for piety and human instincts" has not brought the fruit that was expected, for since that "reform" was insured the eathern to appropriate the eathern secured the nomination for Congress. Judgo recent writer from Eastern Oregon to the have arrayed themselves under the banner of the democratic and conservative party.

San Francisco Chronicle says this pions of the democratic and conservative party. They have discovered that the democracy is policy bas a tendency to aggravate rather.

(St. Louis Times.) ferral suitents is or and oration is in stor for him. The Committee on Reception driven on the war path long ago. This pious emissary to within a couple of weeks had been exerting himself to have Moses and his band driven off hands on which they linve maintained themselves for generations, a more enthusiastic sympathy, wherever goes, nor a man who better deserves it.

What Will It Say About Her?

authority of banishing the Catholic mission-aries from his reservation, it may be well believed that this interference is not calcu-lated to cement the bonds of peace in that Another original investigator has found out that Mary Magdalen was a first-class women in every respect. We should like to know what history will do with Mrs. Jenks two thousand years from now sand years from now.

To make contracts with themselves for the milling of the ores for the Consolidated Virginia Company, for the furnishing of lumber, water and other supplies to the Company, and no stockholder had a right to complain that they made a profit thereby. That the complain did no allege that any one else would have milled the ores or furnished these supplies at lower rates than the defendants, and as a matter of fact no other party would have gone to the expense nedefendants, and as a matter of fact no other party would have gone to the expense necessary to be incurred in providing facilities for the working of the ores of the Company and of furnishing lumber and material to be used in the mine. These men, by reason of their wealth, were enabled to incur the expense of putting up the mills, and were willing to run the risk that the mines would not visible or a unfacient to be worked to renot yield ore sufficient to be worked to renot yield ore sufficient to be worked to repay them for this outlay. It was true that they owned all of the stock of the various companies with which they, as Trustees of the Consolidated Virginia, had made contracts, but that did not disqualify them as such Trustees of the

CONSOLIDATED VIRGINIA

pay them for this outlay. It was true that they owned all of the stock of the various companies with which they, as Trustees of the Consolidated Virginia, had made contracts, but that did not disqualify [them as silliard room and long dining hall, and ranged on either side of the dining room a series of little bedrooms—narrow, coffin-shaped chambers, containing a bed, a chair, a washstand and a trunk. At the hotel, and at the better with these companies or with themselves, more were they thereby incapacitated from clong full justice to the interests of the Consolidated Virginia Company and that no solidated Virginia Company; and that no s again.

Certainly Kimberty is the heaven of the centienanty loafer, who, on one excuse or mother, does no work, and trusts to his right, particular star for bread, cheese, teat and drinks. Never downcast, never spondard, always plantible beautiful to the stockholders and to the spondard always plantible beautiful to the stockholders and to the spondard always plantible beautiful to the stockholders and to the spondard always plantible beautiful to the stockholders and to the stockholders and to the spondard to the stockholders and the stockholders are stockholders. another, does no work, and trusts to his bright, particular star for bread, cheese, meat and drinks. Never downcast, nover despondent, always plausible, he seems to have a horror of becoming a millionaire, be would have it understood that he is about to embark in some grand project—perhaps to turn the Vaal river saide and search its bed for diamonds, or lead water through pipes into Kimberly from the same river thirty miles distant, or 'pump if dry, or open a coal or lead mine, or go into ostrich farming, or up-country trading. In the meantime won't you back his bill "for a small \$100." Or our morning friend "is only waiting for the mail," and "expectes a remittance from home directly." Strange how long that remittance is in coming. "Confounded bad postal arrangements in these wilds, you know." He is "going in for washing," and was to "make a new start;" he is "going to pull up" and "go in for making money now." A "fiver" would oblige him. About the hotel he makes trade good; treats his creditors with kindness and with drinks; says "Pat it down to me," as if "No credit" over the bar was never written for him. Seans his bill in a con-

and with drinks; says "Put it down to me," as if "No credit" over the bar was never written for him. Scans his bill in a contemplature way through his eyeglass, and finally, when his last card is played, saunters off to pastures new, leaving a widowed-constituency with depleted pockets to mourn his departure.

Had requested the Directors to take action they would no doubt have done so. The blooded Texas bucks, per head they would no doubt have done so. The company itself was the proper party to bring the suit, and it was necessary that the bringetors should fraudulently refuse to act before this plaintiff could sue. Here a refusal was alleged, but not it fraudulent refusely likely and they would no doubt have done so. The blooded Texas bucks, per head they would no doubt have done so. The brook proper party to bring the suit, and it was necessary that the bringetors should fraudulently refuse to act before this plaintiff could sue. Here a refusal was alleged, but not it fraudulent refusely likely such they would no doubt have done so. The brook proper party to bring the suit, and it was necessary that the bringetors should fraudulently refuse to act before this plaintiff could sue. Here a refusal was alleged, but not it fraudulent refusely and they would no doubt have done so. The brook proper party to bring the suit, and it was necessary that the bringetors should fraudulently refuse to act before this plaintiff could sue. Here a refusely such act and they would no doubt have done so. The brook proper party to bring the suit, and it was necessary that the proper party to bring the suit, and it was necessary that the proper party to bring the suit.

constituency with depleted pockets to mouth his departure.

But outnumbering manifold these ornaments to society are the diggers in "moleskin" trowsers, flannel shirt and broad hat twined around with puggares. By "digger" must be understalle claim holder, and director of his sown or another's mining operations, afte seldom touches pick or shows, far better to use his eyes and prevent the negroes working under him from stealing. He has just come up ont of the mine and down into the street a moment for a new rope, pick or bucket, and stopp for a clait. Diamonds, claims, fludy, are the all absorbing topic. Having ordersed with some "mate" a "split," the first inquiry is, "Any finds to day?" or "is the mail in" and are diamonds up or down?" The state of the "treef" is diamond up the proper or the plaintiff. He claimed that the demand on the Directors to commence up that the demand on the Directors to commence up that the demand on the Directors to commence up that the demand on the Directors to commence up that the demand on the Direc

is, "Any finds to day?" or "Is the mail in?"
and are diamonds up or down?" The state of the "reef" is discussed, and the progress of pumping operations. Here, perhaps, some one asks: "Have you heard of Brown's luck? He bought a claim yesterday in which they hadn't paid expenses for three mouths and found a diamond worth \$5,000 this morning before breakfast. Very likely Brown enters at this moment, and straight way "wots his find" to the extent of standing the treat around to champagne. Happy Brown enters at this moment, and straight way "wots his find" to the extent of standing the treat around to champagne. In a week and the emblem or royalty quite domesticated to an assembly one heart general treatment of the most of the straight of the st

and the erims is so shainous and so easily affects every one that sail are equally interested in pumbing it.
