DAEOTA TERRITORY Chicago, November 7.—A dispatch from Yankton says the returns are in from 25 of the 32 counties in Dakota. Beanett, Repub-lican, for Congress, has probably 1, 200 ma-jority in the Territory. The Black Hills-counties give 1,600 Democratic majority.

GEORGIA. Atlants, November 7.—Pearsons, Independent Democrat, has a majority in the 4th district of 3,600; Fellows, Independent Democrat, 17th, 1,700 majority; Billups, Democrat, leads Speer, Independent Democra, in the 9th district by 200, with five counties to be heard from. It is very doubtful with the elected.

Chicago, November 7.—The Journal's Springfield special says private dispatches from Democratic sources to Representative Morrison's friends, announce his defeat by Raker in the 17th district. The news produced a sensation as Morrison hitherto and a majority in the district. The Democrats are inclined to concede the election of other Congressmen, about as sent last night. Boyd, Republican, has a majority in the 9th district of nearly 800. The Legislature has a very small Republican majority, probably net over 6 and possibly less.

Louisville, Ky., November 7.—Gen. Murray, Chairman of the State Central committee, said to-day: "We think from the meager returns received that Dill, Republican, has carried the ninth district." Prominent Democrats concede this. Returns from five counties in the third district show 1,00 grain for Hunter Republican. The same

Democrat, over Albright, Republican, by a small majority. This makes the Pennsylvania delegation 16 Republicans, 2 Greenback Rapublicans, 8 Democrats, and 1 Greenback Democrat. As Undentable Treth.

You deserve to suffer, and if you lead a miserable, unsatisfactory life in this beautiful world; it is entirely your own fault, and there is only one excuse for you, your unreasonable prejudice and skepticism, which has killed thousands. Personal knowledge and common sense reasoning will soon show you that Green's August Flower will cure you of liver complaint or dyspepsia, with all its miserable effects, such as sick headsche, palpitation of the heart, sour stomach, habitual costiveness, dizziness of the head, nervous prestration, low spirits, &c. Its sale now reaches every town in the western continent and not a druggist but will tell you of its wonderful cures. You can buy a sample bottle for 10 cents. Three doses will relieve you.

—Read M. Halff & Bros' advertisement They are selling Men's and Boys' clothin very cheap on account of being over-stocked The rush for Brady's lunch counter increased last week. Indeed, people are beginning to appreciate its convenience. You can always find Chandis there ready to serve you cysters in any shape, Mexican dishes, meals at all hours, cold lunch, etc. The cysters imported are large, fresh, fat and fine, and nobody can serve them in hetter style. Don't forget that, night or day, you'll be served promptly.
