All sorts of Paragraphs

The Yale crew are said to be the talk of the crew world in this country.

Michigan has a compulsory education law.

The chair of one of the noted Catholic churches in Washington is considered the best at the capital.

The flowers used for decorating Queen Victoria's apartments at the Elise Hotel in Paris on the occasions of her two recent visits there cost \$3,000.

It is a man's destiny still to be longed after something and thus the gratification of one set of wishes but prepares the user's life for the conception of another.

The child of a year old wants but little food and sleep; and no sooner is he supplied with a sufficient allowance of either of these excellent things than he begins whining or yelling. It may be for the other.

At three, the young urchin becomes enamored of sugar plums, apples, pines and confectionery.

At six, imagination runs on kites, marbles and tops, and an abundance of playthings.

At ten, the boys want to leave school, and have no wish to do but go to the city.

At fifteen, he wants a bicycle and a watch, and a pair of boots.

At twenty, he wishes to cut a figure and to become a man of the world.

At twenty-five, he wishes to be a doctor, lawyer, or some other profession.

At thirty, he wishes to be a millionaire.

At forty, he wishes to be a statesman.

At fifty, he wishes to be a general.

At sixty, he wishes to be a king.

At seventy, he wishes to be a pope.

At eighty, he wishes to be a saint.

At ninety, he wishes to be a god.

At one hundred, he wishes to be a deity.

It is not long ago that the San Francisco Chronicle and Daily Keary were warmly

fraternizing in support of the new constitution, and when the election they were falling out over the prospective spoils of victory

and are now plying widely apart. As a sample of the low that exists between them

the following language which the editor of the Chronicle puts into the mouth of the redoubtable Duta:

I'm a workman. I work with my jaw. I've got greater ambition than you. These

democrats and the republicans must go. Everybody must go. The honorable bills that helped with the late

election must go. I'll run this thing, and I'll make it hotter than the hinges of hell for these political jobbers

and their cronies. When everything goes but me I'll stay here, by—, till hell freezes over, by—, and then I'll fill

around on the ice. I'm the tall kangaroo of the political arena. I don't care if I'm

cooked comorants. I can get all the speeches I want, by—, I only pay two dollars and a half

and I can raise that to five minutes on the radio. We'll elect our own men to office, by—, and if they don't walk pretty

straight we'll shut off their wind. We'll elect our own men, we did before, and we'll

do it again. We'll elect our own men, we did before, and we'll do it again. We'll elect our own men, we did before, and we'll do it again.

There are more of such heads that might be supposed. They are found in every rank

of life, but chiefly among persons of sedentary habits, and among both sexes and

almost all ages above 14. Generally, the early symptoms of the malady is discomfort

during the night in the back of the head, and a feeling of heaviness on the neck.

He is a happy man who meets this symptom with rest, and seeks in sunlight and fresh

air some fresh investment for his nerves. The system, and drops every day

to artificial stimulants for relief. He begins a career which, soon or later, will place

him among the incurable or bring him to an untimely end. Alcohol and all

producing drugs are dangerous in the highest degree; for they mask the malady with

artificially, but they do not cure it. No organ in the human body is so

valuable as the brain, and no organ is so well fitted for daily use. Still, the brain is

not so susceptible of disease as some suppose. It was probable there was not a man

in the world who had not some of the elements of brain trouble at one time or another.

At six, imagination runs on kites, marbles and tops, and an abundance of playthings.

At ten, the boys want to leave school, and have no wish to do but go to the city.

At fifteen, he wants a bicycle and a watch, and a pair of boots.

At twenty, he wishes to cut a figure and to become a man of the world.

At twenty-five, he wishes to be a doctor, lawyer, or some other profession.

At thirty, he wishes to be a millionaire.

At forty, he wishes to be a statesman.

At fifty, he wishes to be a general.

At sixty, he wishes to be a king.

At seventy, he wishes to be a pope.

At eighty, he wishes to be a saint.

At ninety, he wishes to be a god.

At one hundred, he wishes to be a deity.

After Success.

It is not long ago that the San Francisco Chronicle and Daily Keary were warmly

fraternizing in support of the new constitution, and when the election they were falling out over the prospective spoils of victory

and are now plying widely apart. As a sample of the low that exists between them

the following language which the editor of the Chronicle puts into the mouth of the redoubtable Duta:

I'm a workman. I work with my jaw. I've got greater ambition than you. These

democrats and the republicans must go. Everybody must go. The honorable bills that helped with the late

election must go. I'll run this thing, and I'll make it hotter than the hinges of hell for these political jobbers

and their cronies. When everything goes but me I'll stay here, by—, till hell freezes over, by—, and then I'll fill

around on the ice. I'm the tall kangaroo of the political arena. I don't care if I'm

cooked comorants. I can get all the speeches I want, by—, I only pay two dollars and a half

and I can raise that to five minutes on the radio. We'll elect our own men to office, by—, and if they don't walk pretty

straight we'll shut off their wind. We'll elect our own men, we did before, and we'll

do it again. We'll elect our own men, we did before, and we'll do it again. We'll elect our own men, we did before, and we'll do it again.

There are more of such heads that might be supposed. They are found in every rank

of life, but chiefly among persons of sedentary habits, and among both sexes and

almost all ages above 14. Generally, the early symptoms of the malady is discomfort

during the night in the back of the head, and a feeling of heaviness on the neck.

He is a happy man who meets this symptom with rest, and seeks in sunlight and fresh

air some fresh investment for his nerves. The system, and drops every day
