The trotting horse Lowinsky was seriously injured by a collision with an exhibition Memphis, September 9.—The following has been issued to all federal soldiers: Again we call for help. Let us not starve. The we call for help. Let us not starve. The Howards do not provide for us, nor the city

Howards do not provide for us, nor the city government. We need money, provisions and blankets. The fever will not subside before frost comes. All business us stopped, and will not reopen till winter. [Signed] H. F. Hüll, captain 90th cavaley and chair-man relief association; F. B. Willard, accretary, 42 North Court street.

Indianapolis, September 2.—The 27th anpual meeting of the American. Pharmacentiscal association was called to order in the
rooms of the supreme court this evening.
Mayor Coven being introduced, welcomed
the association to the city in a very pleasing
address, after which president Techen delivered his annual address. Then followed
invitations to visit various points of interess.
The attendance is already large, and the
prospects for interesting associous are very
flattering. The pharmacentical and chemical exhibit, including also crude drugs and
apparatus, made in Masonic hall, excels that
of any former meeting. The sessions will
continue until Friday evening. The members of the association are being entertained
this evening at the Grand hotel by the In-She was in collision with a three-masted schooner, A. R. Weeks, hence for Boston, The schooner sank with all sails flying. The row was saved.

The summing up of the victorious result cant use of the name of the democratic arty, and figure as we may on the question A petition is to be presented to the governor of what might have been, we cannot figure asking that he be pardoned. We know away the fact that the democracy have been nothing about the merits of the case, but defeated where we should have won a ric- as we infer from the Telephone, which at tory. The returns from Maine are even least does not oppose his parden, that it more disastrous than those from California, and the signs of the times are so plain that Gallia to discover that he was not vicious or state convention at Madison to-day. Hon. runs. In opposition to corruption in poli- less habits brought about his troubles," a of Milwaukee, are considered the most proics, to great and powerful monopolies, to short exile from his bad companions and luent candidates. military interference at elections, to a pros-titution of the judiciary to politics, to extrav-agance in the administration of our govern-ment, to favoring one class or section at the practice,—the democracy have a good cause and one which should carry victory too many fellows of that description in with it from Main to California; but the state, and they kill and rot people, notation by the state and they kill and rot people, notation in the state, and they kill and rot peopl by what too many considered questionable. We too often hear that some man is "a practices, the president of the United States because he saw fit to exercise a constitutional prerogative. The cause for which the democrats fought in congress was a just one, and shoot a man "at the drop of a hat." If, one we believe the people would have heartily endorsed, but the attempts to coerce the results of the results o heartily endorsed, but the attempts to correct the president suggested a suspicion that the democracy was afraid to risk their cause with the people, and that suggestion created a suspicion of the good faith of the democracy. The Expanses at the time took in Texas, nocracy. The Express at the time took in Taxas, democracy. The Expanse at the time took in Texas, the view that congress was making a mistake, and we have found nothing to warrant a change in our belief. But "our cause is just; stand by the colors, no malter what the consequences," was the cry. They stood by the colors till surrender bad company, and to cause them to modify ould only be made in humilation, and we their reckless habits.

is Mississippi ordered from the country or there had been foul play in connection with this disappearance. They are now satisfied rapidly throughout the country. It is est mated that about 24,000,000 cans, or 1,000, and the country of the country or the country

were achieved. There has been unison only in one thing—crying out against the "finant double the number of votes his competitor did. His friends were loth to believe he would do wrong, but now don't well see hew they can get around it, seen gradually improving our financial contition by reducing the interest account and ringing our national currency up from a hat we would undo what was being done

a remedy is applied to relieve us of our emcan expect only defeat in 1880,

The Expansidoes not believe in seeking to cover up or screen the evils that beset our party, but wants to see them denounced and east out. We want to see the party rely upon the force of the full democratic readwind to carry us to victory, and cease risoming our sails, as heretofore, to eatch treacherous and uncertain outside bronzes: and also let us see that we have pilots at the

At the grand political barbeque at Paris, August 30th, among other speakers was for her semi-barbarous dependencies, and unless more peaceable relations can be maintained than have prevailed for the past two pears, that country can utilize a good portion of its surplus population by sending large armies to keep fur revolting subjects in subjection. A few active Afghans or Zulus, aided and abetted by disease, hardships and a climate the Englishmen are unused to, can use up men at a pretty rapid rate.

England have prevailed for the past two pears, that country can utilize a good portion of its surplus population by sending large armies to keep fur revolting subjects in subjection. A few active Afghans or Zulus, aided and abetted by disease, hardships and a climate the Englishmen are unused to, can use up men at a pretty rapid rate.

The St. Louis Republican's Cincinnati it would take up Charles Francis Adams as the repoblican candidate for governor in Large of the Casanave ransom as an investment to our business men. He may have forgetten it in the hurry of the moment.—(Oincinnanti Enquirer.

The Phrenological Jeornal says: "In choosing a wife be governed by her chin." That's the rale Hayes adopted in choosing his cabinet, judging from the amount of "chin" wasted in Ohio.—Boston Globe.

The St. Louis Republican's Cincinnati it would take up Charles Francis Adams as the republican candidate for governor in Large of the Casanave ransom as an investment to our business men. He may have forgetten it in the hurry of the moment.—(Cincinnanti Enquirer.

The Phrenological Jeornal says: "In choosing a wife be governed by her chin." The St. Louis Republican confesses that it would take up Charles Francis Adams as the republican candidate for governor in Massachusetts in preference to Piacee or Louis it there was a possibility of his nomination. fat money; claimed it was unwarranted by law and not contemplated by the constitution of the United States, and inasmuch as all federal legislation must flow from the authority given by the organic law, the issuing of an unlimited amount of irredeemable paper currency would be an unconstitutional exercise of authority, eq. only wold in its character, but it would reflect directly upon the credit of the people of the nation. That while he was heartily in accord with his greenback friends as to the injurious financial policy inaugurated by the republican party, the people could not now afford to unde the action of that party by open and avowed repudiation; that those government bonds having passed into the hands of nearly all classes of people by virtue of a law that was then as well as now on flat money; claimed it was unwarranted by government bonds having passed into the hands of nearly all classes of people by virtue of a law that was then as well as now on the stainte books, they could not be paid in greenbacks against the consent of the holdor without violating the constitution of the Louisiana to the part hand whether the new land of promise hand whether the new land of promise hand whether the florid description given of it by Parson Conway's chromos.

This needs confirmation. Mr. Pierce spoke and voted against a count of the Louisiana rote which turned the scale. It was those Louisiana fellows that get their reward.—Boston Pest.

This needs confirmation. Mr. Pierce spoke and voted against a count of the Louisiana rote which turned the scale. It was those Louisiana fellows that get their reward.—Boston Pest.

could only be made in humilation, and we are now able to sum up some of the consequences. Our flag is at half-mast in Maine and California, the only states where elections have been held since congress adjourned.

The "mystery" surrounding the disappearable origines built, with which they expect to make the time between New York and Philadelphia, including stops, at a mile and the mot returned, is being cleared up. He was discontrated in congress arraigned the republicans for interference at elections, and with patriotic fervor demanded such reforms as would make all elections free from any unjust influences; at the first succeeding election, men acting in the name of democracy in Mississippi ordered from the country or killed men for even amouncing themselves.

The Pennsylvania railroad company has just ordered twenty new powerful passenger engines built, with which they expect to make the time between New York and Philadelphia, including stops, at a mile a minute. Their elevated railroad will enable them to run right to the depot at such speech. The number of national banks doing business during the fiscal year, ending June 30, 1879, was less than any year since 1874, though the aggregate amount of business published a card asking for information consoning bias, in due time his anxious friends published a card asking for information consoning bias, in due to the disappearable.

The Pennsylvania railroad company has just ordered twenty new powerful passenger mightes built, with which they expect to make the time between New York and Philadelphia, including stops, at a mile a minute. Their elevated railroad will enable them to run right to the depot at such speed. The number of national banks doing business during the fiscal year, ending June 30, 1879, was less than any year since 1874, though the aggregate amount of business and provided them to run right to the depot at such speed. The number of national banks doing business during the fiscal year, ending June 30, 1879, was less than any year since 1874, the as candidates for office in opposition to them. The democracy of the country denounced the outrages, and were as much horrified as the republicans, but the latter secured the whitphand and made powerful use of the affair in the recent elections.

On the question of finances, the democracy has been "all things to all men," 'and because of this fact no one would know what to expect in that consection if a complete democratic victory were achieved. There has been unison only positions, receiving at his last election more

reat depreciation to as good as gold. We are failed to state in what way we would approve on that policy; only proclaimed The republicans make no uncertain sound regarding their financial polley, and many who do not fully endorse it support it be-

pel' Schnell to revise his record and cancel were issued under the Homestead Law alone and nullify the baptismal act. There has also purchased from the government and railroad companies. agement and poor counsels, and unless United States, and it is not stated how that was settled.

> United States Treasurer Spinner thinks which went into effect, or was supposed to go into effect, on the 18th inst., no intoxiwhich went into effect, or was supposed to go into effect, on the 18th inst., no intoxicating drinks are to be sold on Sunday nor on week days between the hours of nine o'clock at night and six in the morning, excepting in certain cities where the night hour is extended to ten o'clock. It also prohibits such sale in any billiard-room or other places where games of chance are played. The police authorities of Detroit have taken no steps as yet to enforce the new statute, but propose to tackle the question as soon as the saloon-keepers have had reasonable notice.

C. BAIN & CO.'S

Mr. A. A. Wulff yesterday made a fine show of his new fall stock, particularly in the line of materials for ladies' dresses.

At Boerne, Tema, Sept. 8, 187h, of consumption, Mrs. Mary E. Wiess, wife of V. Wess, of Beaumont, Texas. Her remains watch-dog, and upon opening the back door heard a ratting noise, which proceeded from a pile of iron roofing at the further end of the yard. He then approached the lossility, but seeing nothing started back, when he heard the footsteps of some person on the roof of his stable. Mr. Elbe, who had not been thoughful enough to arm himself before proceeding to investigate, thereupon ran to his room for his pistol, but when he got back to the stable the rogue had flown. It is supposed the intruder was after Mr. Elbe's horse.

REFAREL ALDRETS.

At Boerne, Texas. Sept. 8, 187h, of consumption, Mrs. Mary E. Wiess, wife of V. Woss, of Beaumont, Texas. Her remains left on the evening train for informent at her home. They were accompanied by her hope, and joy of a family, and a bright Tusseday, as incorrectly stated in the Excussion on the roof of his stable. Mr. Elbe, who had not been thoughful enough to arm himself before proceeding to investigate, thereupon ran to his room for his pistol, but when he got back to the stable the rogue had flown. It is supposed the intruder was after Mr. Elbe's horse.

REFINENCE.

At Boerne, Texas. Her remains that they chancecented to go this security. No unbrised person who knows anything of the charge.

The hop at the Rosene botel, Boerne, takes place on Friday evening next, not Tusseday, as incorrectly stated in the Excussion of the fill. To the bereaved husband we under the fill that they chanceconed is the fact. No unbriased per

—Remember the benefit at the Vandeville this evening for the benefit of Gen. Hoof's deven cephan children. Mr. Harris has had not give the same effect? In conclusion, to the best of my knowledge and belief, not one drop the working of the benefit of Gen. Hoof's deven cephan children. Mr. Harris has had not give.

—Mr. I. B. Harris, of Alassone county, offers for lesse 25,000 force of land. It is divided into force pasterns, with a large possible possible for the pollution of the wells, further than that the water used to run the machine of Extract & Minier, attorneys. San Autonio, Texas.

—The remains of Mr. M. E. Wiese, late announced by the his city, vesteriety, and departed this life of the Bennious of the Companied by the husband and children, for the pollution of the wells, for the impurities that existed in the ground-not fair Mr. Mr. Bunthand and children, for the pollution of the wells, for the pollution of the wells, further than that the water used to run the machine of Mr. M. E. Wiese, late announced by the myster of his shop wated in the cross prevailed the life of the Bennion of the wells, further than that the water used to run the machine of Mr. M. E. Wiese, late announced the life of the pollution of the wells, further than that the water used to run the machine of Mr. M. E. Wiese, late announced the life of the pollution of the wells, further than that the water used to run the machine of the case and the microsity of his shop water in the impurities that existed in the ground-not, further than that the water used to run the machine of the water of the same of the case and the microsity of his shop. We also called the less feel our great loss, and that our association, the construction of the wells, further than the late of the same and the less feel our great microsity of the same and the less feel our great microsity o

bested to be present you. the occasion, the Counsels commandery being also expected.

This section was again visited preserving by a very fine rain, a larger the rouns of the afferroom, according to measurement island by the U. S. signal service officer.

Soul 2 jinche of water had fallen, and a slow rain continued thereafter and continues even as we go to present. The first Mejado Mines are the rain, and the San Federa and the ditches were all bounding.

Citizens living on north Flores street, and who take advantage of the street care this muddy weather, complain bitterly of the lack of completion of a portion of the side of Romana street. The long walk jestings to like the property where this lack coins he forced to heed the order of the city counding to make the property where this lack coins he forced to heed the order of the city counding to make money. Such mines can be found in course.

—It is reported that art Irish laborer was knocked in the head, near Segula, by two larges, and robbed of a considerable sum of money. The man thinks it was the forced to heed the order of the city counding the good of the street of the property where this lack counting the property where this is a street of the property of the street of t
