## 3-Way Eagles Again On Trail Toward 'State'

### AROUND MULESHOE

The annual Thanksgiving Supper at Needmore will be Saturday, November 22, 6 p.m. till ?

Needmore is 13 miles south of Muleshoe on SH214.

Tickets for the dinner which has been moved to the former Beene Grocery Store at the intersection in Needmore, will be \$5 for adults and \$3 for children under 12. On the menu will be turkey and dressing, with all the trimmings, dessert and drink.

All money from the dinner will be used for the community building. This year carpet was laid. Next year, a new air conditioner will be purchased and the plaster will be repaired, according to the Needmore Community Club.

American Association of Retired Persons (AARP) will meet on Friday, November 21 at 11:30 a.m. at the Bailey County Civic Center.

Because of the Thanksgiving holiday the following Friday, the covered dish luncheon meeting was moved up one week.

Shortly before midnight on Saturday, Euletta (Stockard) Harbison, 58, formerly of Muleshoe, received gunshot wounds to her head and arm at her home in Lubbock.

At presstime, she had been moved to a private room at Methodist Hospital in Lubbock and was reported to be in 'satisfactory' condition.

Her husband, Ora Reynolds Harbison, 69, was charged with the shooting incident. He was released from Lubbock County jail on a \$7,500 bond.

Mrs. Harbison is the mother of Ricki Warren of Muleshoe and Perry Stockard, Lubbock, and formerly of Muleshoe.

The Jennyslippers will be sponsoring youth skating at the Civic Center on Friday, November 21, 7-9 p.m. A concession stand will be available.

There will be turkey cookies for all the skaters and the Jennyslippers will all be dressed as pilgrims.

Jill Johnson, daughter of former Muleshoe residents, Mr. and Mrs. Rold (Buck) Johnson of Lubbock, is in room 597 at Methodist Hospital in Lubbock following surgery.

It's stupendous! It's fantastic! It's T.N.T.! Teen Night Talent is the 10th Something Special scheduled for Saturday, November 22, at 7:30 p.m. in the Sudan High School auditorium.

This is the first show to be centered around Teen Talent. It is not a contest, but a review of the talent in the area among teenagers, according to Ken Richards, coordinator.

Three soloists from Lubbock will perform, one from Pleasant Valley community, and approximately 20 teens from the Lamb County area.

Four special door prizes will be given away during the show, as the audience will play 'Let's Make A Deal'. You will leave laughing, said Richards, at the skits that will be on the stage.

Tickets are \$4 for adults, \$2 for teens, with free admission for youngsters 12 years of age and younger.

Assisting with this Something Special are the Future Teachers of America.

**RIBBON CUTTING HELD**-Ribbon cutting ceremonies were conducted for West Texas Battery Service at 422 North First Street. After the film was accidentally ruined in a first ribbon cutting ceremony, a second was conducted for one of Muleshoe's newest businesses, being operated by Ernest Ramm, Billy Owen and Clayton Ramm. They have a unique method of restoring 'dead' batteries.

## Mules Dominate Statistics During '86 Football Season

With the football season over for the Muleshoe Mules, and basketball just getting under-

### Coach Johnson Guest Speaker For Rotary Club

Jerry Johnson, cross country coach, and girls' basketball coach for Muleshoe High School was guest speaker for the Muleshoe Rotary club Tuesday at noon.

Coach Johnson told Rotarians that the boys' varsity cross country team placed second in the state during competition at Georgetown, near Austin, last weekend.

On the way to their second place win, the Mule varsity cross country team placed two runners on the All-State Team. Both Norman Perez and Greg Garcia were named to the prestigious All-State team.

Also, said the coach, Muleshoe has the largest team, number-wise, in the state of Texas. And, they will only lose four runners to graduation this year -- three boys and one girl.

Also participating in the state meet were the girl cross country runners, although they placed 10th, they made a good showing, and should be congratulated for their effort.

Varsity basketball is getting underway, and on Tuesday night, the first varsity games of the season were played. Coach Johnson said 59 high school girls are out for basketball for freshmen, junior varsity and varsity.

Lonnie Scott is the varsity basketball boys' coach again this year.

Tommy Gunstream was in charge of the program for Tuesday.

One guest was at the meeting on Tuesday, Johnny Actkinson.

It was also announced that Rotary would not be conducting a pheasant hunt for this year.

way, the final statistics for the year for the Mules have been compiled and are as follows: During the year, the Mules scored 155 points to 235 for their opponents and ended the season with a 5-5 record.

In their 10 game schedule, the Mules rushed 377 times for 1,688 yards to 386 rushes for 1,579 yards for their opposition; in passing, the Mules had 204 passes with 70 completions for 1,053 yards, while their opponents completed 41 of 148 attempts for 654 yards.

Muleshoe had 94 first downs through rushing, 32 in passing

and four through penalties for 130 first downs; their opponents had 87 first downs with rushing, 20 through passing and five by the way of penalties for 112 first downs.

In penalties, the Mules had 51 for 469 yards, while their opponents also had 51 for 475 yards. The Mules lost 19 fumbles, and their opponents also lost 19 fumbles.

Individually, Todd Bessire was leading rusher with 534 yards in 94 carries, and three touchdowns; Armando Del Toro, 492 yards in 90 carries, and five touchdowns; Michael Dunham, 463 yards in 113 carries and four touchdowns; Michael Angeley, 125 yards in 25 carries and five touchdowns.

Also, Johnny Garcia-11 yards in 30 carries; Sidney Lewis, 56 yards in 16 carries; Shannon Sinnacher, 29 yards in nine carries.

In the passing department, Johnny Garcia completed 65 of 188 attempts for 1,019 yards and five touchdowns, and Michael Angeley completed five of 14 attempts for 34 yards. Todd Bessire and Jeff Hicks each attempted one pass.

Garcia was intercepted nine times, Michael Angeley, twice; and Bessire and Hicks, one time each.

Leading pass receiver was Todd Bessire with 16 for 256 yards; Shawn Bussey, 11 for 124 yards; Sergio Gonzales, 10 for 127 yards; Jerry Mendoza, eight for 224 yards; Armando Del Toro, Con't Page 8, Col. 3

After a brief discussion of specifications, the low bid of \$21,340 by Muleshoe Motor Co. was accepted.

After a discussion of some of the proposed improvements for the Mule Memorial Lot, the proposals will be presented to Toni Eagle, manager of the Muleshoe Chamber of Commerce and Agriculture. It was reported that new lights will cost \$4,200 and concrete and brick work estimated at \$8,400.

A.V. Wood was appointed to the Bailey County Appraisal District Board of Directors for a two year term, replacing Ronnie Shafer, who was due to go off the board.

In other action, Dave Marr Jr., city manager, explained that fertilizer will be put in the sprinkler system at the Sanderrosa Well Field. He said a truck attempt would create more problems than it would solve.

In a final action, \$1,345.76 was approved for transferral to bad debts.

They've done it again! Again this year, the powerhouse Three Way Eagles are in the playoffs. At the end of regular season play, the Eagles had a record of

10-0, and on Friday night, will be playing for bi-district.

At 7:30 p.m. Friday, the Eagles will have their claws out for Harrold, coming into bi-district action with a record of 9-0-1. The game will be played at Silverton.

Last year, under the guidance of Coach C.W. Williams, the Eagles made it almost all the way to the state championship before falling by the wayside in quarterfinals to Weinert. Weinert is not in the playoffs this year.

Last Friday night, the Eagles cinched the district title by putting Southland to rest 35-14 at Three Way.

In the first quarter, the Eagles scored first on a 33 yard pass from Quarterback Saul Guillen to Shawn Walls, with Curtis Tucker booting the extra points.

Three Way then came back in the second quarter to light up the scoreboard with two more touchdowns. The first was a 43 yard pass from Saul Guillen to his brother, Oscar Guillen, with the extra point attempt failing.

Again in the second, Saul Guillen connected with Shawn Walls on a 30 yarder to paydirt and Jose Rubalcava made the extra point.

At halftime, the Eagles were maintaining a 14-0 lead over the Southland team.

Southland scored their first TD in the third on a 45-yard run by Tony Hubbard, with the extra points kicked by Bret Ellis.

Undaunted, the Three Way Eagles came back with another Guillen-Cuillen pass for 30 yards and a touchdown with the extra points again kicked by Curtis Tucker.

Coming back to paydirt again in the fourth, the Eagles scored on a two yard pass from Saul Guillen to Matt Sowder, with the attempt for extra points failing.

Last score for the game was by Southland's Gilbert Armandariz, who slammed through for a 27 yard touchdown run with the extra point attempt failing.

Three Way had 125 rushing yards and 305 aerial yards while holding Southland to 291 yards on the ground and only 28 passing yards.

Outstanding player for the game was Three Way Eagle quarterback Saul Guillen, who passed for 304 yards and five touchdowns in the game.

### Battery Service Offers Unique Re-Construction

It's another idea whose time has come! Ernest Ramm, Clayton Ramm and Billy Owen the owners and operators of Muleshoe's newest business-recycling batteries.

West Texas Battery Service opened recently at 422 North First, and the owners and operators have hundreds of batteries for all types of equipment-from cars to trucks to tractors to farm equipment.

A recycled battery is just that, explained Ramm. It is not recharged it is reconditioned, then charged.

He explained, there are no moving parts to wear out, so very small percentage of batteries fail due to faulty manufacturing and to physical damage such as broken parts or casings.

Most batteries fail, according to Ramm, due to sulphation, a crystal-like by-product, as a result of the chemical reaction generated by producing electricity. Sulphation occurs every-time a battery is discharged as the crystals become larger, the less electric current can be produced by the battery. This cannot be avoided, he added.

Ramm says to come by and see their reconditioned batteries, which are ready for purchase, or take your batteries by West Texas Battery Service for Reconditioning.

### Temporary Restraining Order Filed

Monday at noon, Jim Burgess, president of the Board of Directors of West Plains Medical Center, Inc. issued the following statement:

"The Board of Directors of West Plains Medical Center, Inc. filed a petition and it was presented to the District Judge and he granted a temporary restraining order prohibiting West World from moving certain equipment and prohibiting them from transferring any residents of the nursing home."

"A hearing has been scheduled for Friday, November 21st at 9:30 a.m."

The lawsuit was filed Monday morning with District Clerk Nelda Merriott, and the temporary restraining order was filed at 10:55 a.m. on Richard McLarney, vice president of Westworld Community Healthcare of Texas, Inc. at his office at West Plains Medical Center.

Termed West Plains Medical Center, Inc. vs. Westworld Community Healthcare of Texas, Inc. the suit requested the restraining order of equipment, which included a very lengthy list of items:

Laboratory equipment, office equipment, room equipment, washers and dryers, lobby furniture, artificial plants, kitchen equipment, air conditioners, fire extinguishers, chairs, wheel chairs, stretchers, incubators, surgical equipment and supplies, files, medical records, dining room furniture, and hundreds of other items as listed.

Cited in the petition seeking the restraining order were the following:

(1)Default on its Security Agreement dated August 27, 1976, securing its loan from the United States of America acting through Farmers Home Administration;

(2)Impairment of the ability of the Plaintiff to resume the operation of the hospital and continue the operation of the nursing home in Muleshoe, Texas.

## Sun Devils Closing Out One Of 'Best' Seasons

The Arizona State Sun Devils can close out one of the finest seasons in their history with a victory over intra-state rival Arizona Saturday night. Not since their undefeated season in 1975 when they won the championship of the Western Athletic Conference and upset Nebraska in the Fiesta Bowl have the Sun Devils had such outstanding success. The only flaw on their season record, a 21-21 tie with Washington State. With the first Rose Bowl appearance in their history coming up January 1st, the favored Devils meet Arizona in Tucson. This is a game where they've experienced upset problems in previous years, but we think they'll go to the Rose Bowl undefeated.

We've given these statistics before, but it seems they must be repeated. Since 1969, Michigan has appeared in the Rose Bowl seven times, Ohio State, eight. That leaves just three years when the two didn't

### Former Muleshoe Resident Dies

Rosary for Maurillo Valero Sr., 69, of Lubbock was celebrated at 7 p.m. Tuesday, Nov. 18 in the Gaudardo Funeral Chapel in Lubbock.

Funeral services are pending with Guajardo Funeral Chapel. Valero died Sunday in St. Mary's Hospital following a brief illness.

Valero moved to Lubbock in 1968, from Muleshoe and was a member of St. Patrick's Catholic Church.

Survivors include six sons, Guadalupe of Friona, Mercedes, Maurillo Jr., and Agapito, all of Lubbock, Jesus of Sudan and Filiberto of Abilene; four daughters, Armandia Guzman, Amelia Bara and Maria Alvarez, all of Lubbock, and Ufemia Garcia of Abilene; two brothers, Manuel of Oregon and Emerico of Utah; 47 grandchildren; and 12 great grandchildren.

### Mary Garcia Former Area Resident Dies

Funeral services for Mary Herrera Garcia, 42, of Plainview were held at 2 p.m. Tuesday, Nov. 18 in the Sacred Heart Catholic Church of Plainview.

Interment was in Plainview Cemetery under the direction of Lemons Funeral Home. Mrs. Garcia died at 10:10 a.m. Sunday in Lubbock General Hospital following a brief illness.

Born in San Antonio, she grew up in Muleshoe and attended school in Lubbock. She married Gumecindo C. Garcia on Nov. 22, 1959, in Plainview. She was a Catholic.

Survivors include her husband, Gumecindo; a daughter, Rosie H. Garcia of Plainview; five sons, Chris, Gumecindo Jr., David, Joe Michael and Robert, all of Plainview; her father, Yasbel Herrera of Plainview; and three sisters, Alice Lozano, Virginia Martinez and Anna Escamilla, all of Plainview.

represent the Big Ten during that 18-year period. 1986 will be no different. Saturday, the Buckeyes host the Wolverines for the conference title and the right to go to the Rose Bowl. Incidentally, the two teams have a combined 3-12 record to show for their fifteen trips to California. The slight favorite this year, Michigan.

The Harmon Picking Percentage through games of November 8th stands at .740. We've been right in 1,389 games out of 1,876.

In another bitter rivalry, Oklahoma-Nebraska, the series stands at 36-27-3, Oklahoma. The Sooners have won the last two years. Between the two teams, they have represented the Big Eight in the Orange Bowl ten times in the past eleven years. (In 1979, they played each other in Miami.) Nebraska's at home .. Oklahoma is favored.

In four other headline attractions, L.S.U. hosts Notre Dame, Mississippi meets Mississippi State in Jackson, Southern California "travels" to U.C.L.A., and Penn State is at home against Pittsburgh. The favorite in each game: the home team.

### Social Security News & Views

Social Security.. Out West By Bill West Social Security Field Representative Children, The Tax Reform Act of 1986 And Social Security Numbers.

Most of us waited anxiously to learn how the Tax Reform Act of 1986 would affect us personally. One less publicized provision will have significant impact on Social Security offices everywhere and will require action from the parents of many minor children.

Specifically, this legislation now requires that a Social Security number be shown on income tax returns due on or after January 1, 1988 for each dependent five years old or older. There will be a \$5 penalty for each dependant who is listed without showing that dependant's Social Security number.

This mandate will more than double our Social Security number workload. We estimate that the Lubbock Social Security office will have to process 18,000 to 22,000 applications for new or lost Social Security cards between now and January 1, 1988. This will be in addition to the 13,500 applications for cards we normally issue in a 13 month period.

Those who have never had a Social Security number have to furnish evidence of age, identity, and U.S. citizenship or lawful alien status with the application for a Social Security number.

Those who just need a replacement card will need evidence of identity and if an alien, evidence of lawful alien status.

If you are applying for a Social Security number for your child or a child for whom you are legal guardian or legal custodian you must also furnish evidence of your identity.

This is not as difficult as it may seem as a certified copy of the child's birth certificate is evidence of citizenship and age. A certified copy of a religious record established before age 5 that shows the date of birth is also evidence of citizenship and age. (A birth record is NOT evidence of identity.)

Some of the commonly used documents for evidence of identity are driver's licenses, vaccination records, school report cards or other school records, insurance policies, clinic, doctor, or hospital records, newspaper birth announcements, welfare I.D. cards, or any other document providing sufficient information to establish proper identity.

You must submit original or certified documents as evidence--we cannot accept un-certified or notarized photocopies. We will return all documents submitted. All documents submitted as evidence may be retained temporarily and verified with the custodian of the original record.

We want to encourage parents to take action soon to secure Social Security numbers of their children who are without them. Those who act now will avoid the inevitable rush as the deadline approaches.

If you have any questions or need help in obtaining your documents, please call or visit the nearest Social Security office. In Lubbock the number to call is 743-7381. We are located at 1611-10th Street, Suite 100.

Terry Peck left Sunday afternoon for San Diego where he will be stationed with the U.S. Navy.

Mr. and Mrs. C.E. Nichols have returned home from an extended visit in Dallas and Cedar Creek. They also attended her High School class reunion in Teague.

The Ruth Sunday School class of the FBC will be meeting Monday, Nov. 10 at the home of Mary Hanna at 7:00 p.m. All class members are invited and urged to attend.

Hoyt Robertson returned Monday from the Methodist Hospital where he had been a patient for a few days.

Jimmy Humphreys has been in Nashville, Tenn. to visit their daughter, Mr. and Mrs. Troy Earheart and to welcome their new grandson, Travis McCoy who was born Sunday afternoon in Nashville.

Ricky and Jerry Fisher of Lubbock visited during the weekend with their parents, Mr. and Mrs. Edward Fisher and Charlie.

Mrs. Patsy Fisher was in San Angelo during the weekend to visit her parents, Mr. and Mrs. William Jackson.

Josephine Fisher was in Wayland this weekend to attend Parents Appreciation Night and attend a scrimmage with her daughter, Missy was among the members of the Wayland Flying Queens, basketball team. Following the scrimmage they held an ice cream supper for the parents.

Mrs. June Gore was in Odessa during the weekend to stay with Stephanie and Dennis while their parents, Mr. and Mrs. Billy Wayne Gore were in Houston when Billy underwent a checkup and treatment.

Littlefield District FFA Chapters held their annual Leadership contest Saturday Nov. 1st at Texas Tech University.

Sudan FFA placed first with the Junior Farm Skill, members are: Kyle Maxfield, James Richards, and Mandy Carr. Alternates were Justin Holley and Joe Gonzales.

Senior Farm Skill placed second and the members are: Israel Azua, Angel Garza and Chris Harper. Radio Broadcasting team also placed second and the team members were Eddy Boyles, John Taylor and Michael Bartley.

All three teams qualified for Area I Leadership Contests to be held Nov. 22 at Clarendon Junior College.

During the November meeting of Sudan FFA, Kim Crowson was elected as Chapter Sweetheart and Mandy Carr was elected Chapter Plowgirl.

Visiting during the weekend in the home of Mr. and Mrs. James Mike Nix was the girls basketball team members of Cisco Junior College, and their coach. Here with the Nix's and to play in the Levelland Tournament were Coach Ronnie Hearne of Cisco, Michelle Douglas, Michelle Henry and Marie Garrett all of Fort Worth;

## Brandi Cate, Potter United In Marriage

Brandi Cate and Michael Potter, both of Corvallis, Oregon, were united in marriage on Sept. 20 in the First Presbyterian Church. The Rev. Edwin Barron performed the ceremony.

The bride is the daughter of Rod and Pat Cate of Pullman, Washington and the granddaughter of Tommy and Elsie Cate of Sudan and Jack and Mae Weaver of Littlefield.

Potter is the son of Paul and Karen Potter of Melbourne Beach, Florida and Howard and Shirley Hays of Noveto, California.

Ushers were Chris Dymond and Owen Griffiths.

The bride is a 1985, graduate of Crescent Valley High School and is a sophomore at Oregon State University, studying business education. She is employed with the Oregon State Board of Higher Education.

Potter is a 1983, graduate of Crescent Valley High School and is a senior at Oregon State University, studying business. He is employed at the OSU Federal Credit Union.

The couple are making their home in Corvallis.

The bride wore a white floor length gown with a stand-up lace collar and lace sleeves. Her hat had a finger-tip veil and she carried a bouquet of roses, carnations and baby's breath.

Evette Lee served as maid of honor and bridesmaids were Ann Vanderpool, Meredith Olsen, Shani Cate, sister of the bride, and Cindy Potter, sister of the groom.

David W. Hill, cousin of the groom, served as best man. Groomsmen were Frank Vanderpool, Ward Frederick, Scott Cooksley and Joe Sherlock.

### Something Special No. 10 Set Saturday, Nov. 22

Another big show is scheduled for Saturday, Nov. 22 at 7:30 p.m. in the Sudan High school auditorium. Something Special No. 10, is the first show that is centered around Teen Talent. It is not a contest but is just a review of some of the talent in this area.

Three different soloists from Lubbock will perform, one from the Pleasant Valley area and about 20 teens from the Lamb County area.

Four special door prizes will be given away during the show as the audience plays "Let's Make A Deal".

Tickets are four dollars for adults and two for teens and anyone 12 and under can get in free.

### Tumblers Attend Lubbock Meet

### Senior Citizens

Muleshoe Senior Citizens met Monday, Nov. 17 in the fellowship hall of the First United Methodist Church for a covered dish luncheon and program. Durward Head offered thanks for the meal.

Twenty-three members were present, with two from the nursing home, and four visitors, Dorene Jones of Muleshoe, Mrs. Joyce Osborne (daughter of Mrs. Cordia Taylor), and Mr. and Mrs. Bob Burris, who gave the program.

Following the meal, Mrs. J.C. Shanks gave the welcome and asked Mrs. Mae Wilterding to present Mr. and Mrs. Burris who sang two songs and he read from the 5th chapter of Thessalonians, verses 11-18.

Mrs. Shanks who was in charge of the business meeting announced the next meeting would be December 15. During the next meeting new officers will be elected.

The meeting concluded with the singing of "Blest Be The Tie" and a prayer led by Gene Davis.

# SALUTE To Our LEADERS OF TOMORROW

We Believe Our Youth Of Today Will Provide Effective Leadership Tomorrow!!

LEADER OF TOMORROW---Lacey Lloyd is a polite, well-behaved fourth grader. Lacey is the daughter of Dwayne and Loretta Lloyd of Muleshoe and the granddaughter of Janie Stancell. In her free time Lacey likes to ride bikes and horses. She lists Three's Company and The Cosby Shows as her favorite television shows. Lacey's favorite subject is Math and her favorite food is Pizza. She thinks she might like to be a teacher when she grows up. Lacey is a model student, a good friend, and truly a "Leader of Tomorrow."

**ENGAGEMENT ANNOUNCED**---Mr. and Mrs. James Petz Stone of Bryson announce the engagement and approaching marriage of their daughter, Marsha Jo to Barry Wade Wiseman of Campbell, Calif., son of Mr. and Mrs. Calvin Wiseman, Jr. of Sudan. Marriage vows will be exchanged Dec. 27 in the Bryson Church of Christ. Miss Stone and Wiseman are 1985 graduates of Abilene Christian University. Wiseman is employed by Campbell Christian Schools in Campbell, Calif.

**FIGURE COST - PER SERVING FOR TURKEY**--The cost per-serving for your holiday turkey may vary according to what type of turkey you buy, says Texas A&M University Agricultural Extension Service nutritionist Marilyn Haggard. "Many cost per pound may be higher, but it may be worth it on a per serving basis, especially if it reduces waste from the leftovers that aren't used." The nutritionist says you can expect the following 3 1/2 ounce cooked edible servings per pound from different types of turkey:

**JUNIOR TWO DIVISION WINNERS**---Bailey County 4-H Club held their annual Food Show Saturday in the Civic Center. Winners in the Junior Two division were (L-R) Stephanie Quintana, Melissa Toombs and Coleen Dodd. They will represent Bailey County in the District competition in Lubbock on Dec. 6.

## Entertain With Simple Elegance

The season for entertaining will soon be here. With some advance planning, holiday entertaining can be elegant, without being difficult. Just combine a few simple but tasty recipes with your best table appointments, possibly with a red and green color scheme and relax and enjoy the evening.

### CRANBERRY CHICKEN BUNDLES

8 servings  
2 packages (9 oz. each) frozen whole green beans, 2 tablespoons butter, 4 whole chicken breasts, skinned, boned and split, 16 slices (approx. 8 oz.) Provolone OR Cheddar Cheese and 1 can (16 oz.) whole berry cranberry sauce.

Preheat oven to 350 degrees F. Cook green beans according to package directions, drain. Toss with butter; set aside. Pound chicken breasts between sheets of waxed paper until flat and thin. Sprinkle with salt and pepper. Place 2 slices cheese on top of each chicken breast. Place approximately one-half cup green beans in center of breast over cheese. Bring ends of chicken together; secure with a wooden pick. Place chicken breasts in 3-quart shallow baking dish.

Cover baking dish with foil. Bake, covered 30 minutes. Uncover and spoon cranberry sauce over chicken breasts; bake 10 to 15 minutes longer, or until chicken is tender. Remove wooden picks before serving.

Serving size: one  
Calories per serving: 310  
**HOLIDAY RICE**  
8 servings

2 cans (10 3/4 oz. each) condensed chicken broth, 1/2 cup water, 1 1/2 cups long grain rice, uncooked, 1/4 cup (1/2 stick) butter, divided, 1/4 teaspoon salt, 1/2 cup chopped celery, 1/2 cup chopped onion, 1/4 cup chopped parsley, 1/4 cup sliced toasted almonds, 3 tablespoons chopped pimiento, drained

Combine broth, water, rice, 2 tablespoons butter and salt in a large saucepan. Bring to a boil. Cover; simmer 18 to 20 minutes, or until all liquid is absorbed and rice is tender. Meanwhile, saute celery and onion in remaining 2 tablespoons butter until tender, about 5 minutes.

Stir sauteed vegetables, parsley, almonds and pimiento into cooked rice just before serving. Serving size: 1/8 of recipe

## Olton Young Homemakers Schedule Arts & Crafts Show

The Olton Chapter of Young Homemakers are finalizing plans for their Second Annual Sandhills Arts and Crafts Show. Many talented artists and craftsmen will be showing their wares, Saturday, November 29 from 10:00 a.m. to 6:00 p.m. at the Olton School Cafeteria which is located at 7th and G Ave. in Olton.

The craft booths will be filled with an exciting array of items which will include wooden toys, oil paintings, ceramics, soft sculpture dolls, jewelry, toll painting, crochet, metal crafts, stuffed baskets, and sweaters. Hand-made doll clothes, decorated sweatshirts, wreaths, clocks, and pick-up seat caddies will also be featured. This will be a good time to do some Christmas shopping as there will be gift ideas for everyone on your list.

An admission charge of \$1.00 will entitle each person who attends to a chance at the many door prizes which will be awarded throughout the day. This money will be used by the Olton Young Homemakers to benefit charities in the Olton community.

Homemade items will be available in the concession stand, including donuts, grilled hamburgers, frito pies and desserts. These will be available throughout the day.

A limited number of booths are still available at this time and anyone interested in renting a booth may contact Dona Kelley, Box 759, Olton, 79064 (806) 285-3305 or Pam Robertson (806) 285-7728.

The Olton Chapter of Young Homemakers would like to extend a personal invitation to everyone to visit Olton and the Sandhills Arts and Crafts Show on Saturday, November 29.

**FRIDAY'S SECOND WRECK**--One hour after a serious accident occurred just east of Muleshoe on Highway 84, a juvenile driving this pickup missed a curve on a country dirt road east of Muleshoe and overturned in a field. DPS Trooper Lacie Kirk is carefully stepping through high, dead weeds in the field. The juvenile was not injured.

**OOPS**--Monday afternoon, this pickup slipped from the grease rack at the side of the Little Gulf Station. Operators of the station are pondering how to effectively remove the pickup from it's perch. The pickup was not damaged.

Johnny Garcia punted 33 times for 1,109 yards and Eddie Olivarez punted five times for 192 yards.

Total yardage was Johnny Garcia, 1,008; Todd Bessire, 792; Armando Del Toro, 586; Michael Dunham, 464; Jerry Mendoza, 224; Michael Angeley, 188; Sergio Gonzales, 127; Shawn Bussey, 124; Lance King, 95; Sidney Lewis, 72; Scott Bickel, 47; Shannon Sinnacher, 29; Eddie Olivarez, 28.

As you can tell, the Mules dominated all the statistics through the entire year, with 'bad breaks' coming in critical times, causing the Mules to have a 5-5 season for the year. Congratulate these young players -- and their coaches -- when you see any of them. Many of the players will be back next year, and should more than dominate not only statistics, but the scoreboard as well.

**Charles Thomason Latest Winner In F-Ball Contest**

And--out of the blue--comes a brand new game! This week was the first win for contestant Charles Thomason, who missed only four games in the weekly Merchant's Football Contest. He also took first place, the 10 points and prize money for the week.

Mrs. John (Kathleen) Hayes was the second place winner. Mrs. Hayes missed five games, but was just 28 points away on the double tiebreaker scores. In third place was Jerry Gleason, who also missed five games, but was 40 points wrong on the tiebreaker scores.

Out of the running for prize money was Juan L. Garcia, who missed five games, but was 57 points wrong on the tiebreaker scores.

There are only a couple weeks left in the contest for this year. At least three contestants are running 'neck and neck' in the contest at this time. Remember, the grand prize will be a check for \$100.00.

There were five fire calls for the month of Oct. Two of these were dwelling's one each, grain dryer, truck and automobile. The total man hours 140, total three fire calls were in the city these fire calls were in the city limits the other two were outside of town.

H.E. Reeder called the Nov. business meeting to order, Bill Kinard read October minutes which were approved as read. A thank you card was received from the Gary Toombs family. Gary lost part of three fingers in an accident at work. The first report of this incident to the Department was, that Wayne Wauson told Gary he should cut off a little weight, we later found this to be untrue. We're pleased to report, Gary is doing fine and almost back to normal. Whatever that means. However he is finding it difficult to balance the books.

A letter was also received from the Chamber in regards to the Christmas parade. It was also brought to our attention that 1987 officers election is to be regular meeting Dec. 3, 1986.

J.O. Parker presented certificates to Mark Tutt, James Martin, Larry Rasco and himself in training in the Jaws of Life school. The Muleshoe Department also had firemen attend Floydada's Agri Rescue Classes. Charles Lorange agri rescue, Mark Tutt- repelling I, Larry Rasco- repelling II, J.O. Parker and Jack Dunham served for their third year as instructors. Larry Rasco attended a 16 hour extracation class Sept. 27 & 28, and also conducted a CPR class for Senior Citizens in Sudan.

Chief Dunham reported that the dedication plaque for the new Fire Station was received and worth the wait.

# Warp To Reduce Barky Cotton Bales Demonstrated

Farmers across the Texas High Plains will see firsthand this fall just what effect some recommended modifications of strippers have on the amount of bark left in the bales, a problem which costs growers as much as \$25 a bale in penalties.

The suggested modifications in the paddles and rollers of brush roll strippers can dramatically reduce the amount of foreign material the equipment picks up during harvest, say specialists with the Texas Agricultural Extension Service and the USDA Cropping Systems Laboratory here.

The problem, which hits the farmers in the pocketbook, is high bark content in the stripped bur cotton, said Dr. James R. Supak, Extension cotton agronomist.

"It is hard to predict the extent of the bark problem from season to season," he said. "From past experience, we know that large, limby plants and delayed harvest due to wet conditions have resulted in high numbers of barky bales."

Brush roll strippers have been the accepted cotton harvesting method in Texas and Oklahoma since the early 1960's, said Dr. Alan D. Brashears, USDA agricultural engineer. It is highly efficient and more economical than other systems, but picks up much foreign matter from the plants.

However, in stripper tests conducted since 1982, Brashears has found that reducing the width of the rubber paddles to one inch and synchronizing the rollers to align them brush-to-brush and paddle-to-paddle has dramatically reduced the amount of foreign material picked up. The paddles, normally two inches wide, can be trimmed with a bandsaw, Brashears said.

These modifications are being field tested this harvest season by the Extension Service, with support from Cotton Incorporated.

"We are working with producers and ginners across the South Plains," Supak said. With tools and supplies provided by CI, Extension agents and specialists will modify several producer owned and operated strippers. In conjunction with the field trials, clinics will be conducted on harvest preparation and stripper adjustment.

During each demonstration, several bales of cotton will be stripped with conventional and modified harvesters. Field losses will be determined. The harvested cotton will be ginned and lint samples from each bale will be sent to the USDA classing office and other laboratories for analysis. Test results will be summarized and publicized.

Demonstrators are scheduled in Borden, Briscoe, Cochran, Hockley, Hale, Yoakum and other counties as the crop matures.

A pamphlet and a videotape are now available to producers

to help them combat the problem of barky bales, being compounded by recent weather conditions which have prompted late season growth of foliage, Supak said.

An eight-minute VHS half-inch videotape designed for use on home systems is available from Supak at the Texas A&M University Agricultural Research and Extension Center, Rt. 3, Box 213AA, Lubbock, Texas 79401. It is prepared by Tommy Valco, Extension agricultural engineer at Weslaco, and Bill Lalor of CI, and shows how to adjust and modify a stripper.

The pamphlet, "War and Bark," was prepared by the Barky Cotton Research Task Force organized by CI and chaired by Wolfforth farmer Don Bell, vice president of Plains Cotton Growers. It is available from county Extension offices, PCG and area gin offices.

## Second Potato Marketing Order Meeting Held

Another step was taken in the move to establish a federal potato marketing order in areas of Texas and New Mexico according to the Texas Citrus & Vegetable Association. Following initial groundwork by an industry-appointed steering committee, representatives of growers and shippers of fresh market potatoes from both the Texas High Plains and neighboring New Mexico counties met on November 5 to discuss general language for the proposed federal law.

"There is a great deal of support for the idea," said Bill Weeks, executive vice president of T.C.V.A., the statewide trade association that is assisting the potato industry in writing and establishing the order.

"There were some reservations expressed at the meeting," he said. "But we were able to talk it out and I think we answered all the questions. There doesn't seem to be any real resistance."

Weeks explained that a federal marketing order would insure that top quality potatoes were shipped from the area by regulating size, maturity, and grade standards. He said his staff will now write specific language into a rough draft of the marketing order for industry approval. Once a general agreement is reached on the language, the growers will petition the United States Department of Agriculture for a hearing on the issue.

"We anticipate petitioning for a hearing sometime after the first of the year," he said. "If we can get U.S.D.A. approval by the end of the year, the potato industry could probably get the rules in place and functioning for the 1988 marketing season."

### "YOU TOOK MY PICTURE... AND I WASN'T READY!"

How concerned we are with the image we present to others! And it is right that we should be. How mightily we influence others. It is so important that the self we present is one that will influence others for good.

With guidance from God we will be ready to present ourselves to the world in such a manner as to sway others toward God and all that is worthwhile and good.

"That he might walk worthy of the Lord unto all pleasing, being fruitful in every good work, and increasing in the knowledge of God," come to His Church

The Church is God's appointed agency in this world for spreading the knowledge of His love for man and of His demand for man to respond to that love by loving his neighbor. Without this grounding in the love of God, no government or society or way of life will long persist and the freedoms which we hold so dear will inevitably perish. Therefore, even from a selfish point of view, one should support the Church for the sake of the welfare of himself and his family. Beyond that, however, every person should uphold and participate in the Church because it tells the truth about man's life, death and destiny; the truth which alone will set him free to live as a child of God.

**Hornets Remain Undefeated**

by Danette Provence  
 The Hornets traveled all the way to Stratford to play their 9th successful game. The Hornets dominated the entire game. After the Hornets steadily moved the ball down field, Brent Kirkland ran 1 yd for the Hornet's 1st touchdown, with 6:20 left in the 1st quarter. Adam Torres kicked a good PAT. The Elks were unable to get their offence moving. Sudan's Ronald Williams ran 4 yds. for a touchdown, with 4:49 left in the second quarter. Torres kicked another good PAT. Still the Elks had trouble getting on the scoreboard. With 1:25 left in the 3rd quarter, Kirkland sped, once again, from the 1 yard line, scoring his 2nd touchdown of the game. Torres' kicked was good. Mike Powess, of Stratford, ran in a touchdown, also in the 3rd quarter. PAT was no good. The Hornets kicked off to the Elks and again held them scoreless. On the punt return, R. Williams ran 60 yards for another Hornet's touchdown. Torres added another good PAT.

In the 4th quarter the Hornets eased up allowing Stratford's Powess another touchdown. Jimmy Muir also made a touchdown, for Stratford. Making the final score 28-19. Another super job for the Hornets. Kirkland attempted 6 passes, completing one to Wood for 19 yds., and one was intercepted. The Hornets rushed for 262 yds., making a total of 281 yds. offense. The Elks had 62 yds. passing and 133 yards rushing for a total of 195 yds. Leading in rushing yds. for Sudan, was Johnny Taylor with 116 yds. Close behind was R. Williams with 92, Kirkland had 42, Kyle Maxfield had 7, and Wood came in with 5 yds. Even though this was a non-conference game, it was an important win for the Hornets who have clenched a play-off spot.

**JV Hornets Smash Bulldogs**

The Sudan Hornet JV team played an awesome defensive game against the Tahoka Bulldogs holding them to -1 yard rushing and only 12 yards passing. With 1:05 left in the 1st quarter, Joe Gonzales ran 9 yards into the end zone for Sudan's 1st touchdown. Eliot King kicked the extra point. The second quarter was scoreless for both the Hornets and the Bulldogs. During the 3rd quarter Gonzales hit King for an 87 yd. touchdown run with 6:42 left on the clock. The extra point was no good. In the last few seconds of the game Eliot received the ball for a 30 yd. touchdown run, as he crossed the line the clock read: 0:00. The final score was 19-0. Angel Garza passed 8 times, completing one pass to Justin Holley for a 50 yd. run and a touchdown, but it was called back because of a motion penalty. Garza had one interception. Gonzales led in rushing with 96 yds. King had 43; Martinez and Hernandez each had 9 yds. The total for the Hornet offense was 423 yds.

**LUBBOCK, Friday, November 14, 1986**  
 The hard freeze that hit cotton on both High and Low Plains November 10 officially closed down one of the most hectic of Plains Cotton Growers, Inc.'s 23 years of conducting a boll weevil control program. According to Ed Dean, PCG Field Service Director, the last spraying in the program occurred on October 30, but had the freeze held off and weather permitted, another dose of insecticide was scheduled. Dean and other program officials however are not overly concerned about missing the final application because the freeze destroyed the food supply that otherwise would have enabled weevils to reach the state of diapause necessary to winter survival. Recurring rain made program operations difficult throughout the season. "But by altering the surveying, flagging and other procedures we were able to stay close to preplanned spray schedules and the program's effectiveness wasn't greatly reduced," Dean says. That means, he continues, that with normal winter mortality there shouldn't be an exceptionally high weevil emergence next spring. Ideally the control effort calls for applicator planes to put on 12 ounces per acre of low volume malathion at 10 to 14-day intervals from late September until harvesting or a freeze eliminates the pest's food supply. An aggregate total of 325,638 acres were treated this year in four applications beginning September 22, October 6, October 13 and October 27, using 30,519 gallons of malathion. Fields were located in Motley, Dickens, Kent, Garza, Crosby, Floyd, Borden, Lynn and a single field in Lubbock County. Only about 234,000 acres required spraying in 1985. McAdoo Flying Service of McAdoo was awarded the spray contract this year for the fourth year in a row. Cost of the program is borne jointly by High Plains cotton producers, the U.S. and Texas Departments of Agriculture. Through this year, USDA has matched the contributions of producers and the TDA, but beginning in 1987 its share of the cost will be reduced to 30 percent, the same percentage paid by USDA in weevil eradication efforts in the Midsouth, Southeast and Far West areas of production. Yet another example of the fear weevils can strike in the hearts of cotton producers is a communication from the Animal and Plant Health Inspection Service (APHIS) of Las Cruces, New Mexico. Referring to previously uninfested Far West Texas and New Mexico, APHIS says weevils are now "breathing down our collective necks." Prompted by the mid-October discovery of weevils destroying cotton on the outskirts of Juarez, Mexico, APHIS and its Mexican counterpart, Sanidad Vegetal, quickly moved into the area and developed a multi-point eradication plan. It calls for spraying, handpicking infested green bolls, shredding field trash, deep plowing and flood irrigation where possible.

# Determine 1987 Fertilizer Need

Make plans now to collect soil samples from those fields which will be planted to spring crops, says Spencer Tanksley, county agent with the Texas Agricultural Extension Service, The Texas A&M University System. Early assessment of fertilizer needs will help crop producers take advantage of purchasing fertilizers in the fall or winter when prices are generally lower than during the high-demand period in early spring. Also soil samples can be collected after warm-season crops have been harvested, and problem areas in the fields can be identified more easily for specific sampling, Tanksley points out. Traditionally, soil testing laboratories have a lighter workload during the fall and early winter so that samples can be processed and results reported more quickly to the sender. If a soil test indicates that fertilizer is needed to attain a desired yield goal, Tanksley strongly recommends its use. Not to fertilize may result in only average yields which don't generate enough income to

cover basic production costs. However, fertilizing at recommended rates will often increase yields enough to more than pay for the fertilizer and also provide some profit margin. To help crop producers monitor the carryover or residual nitrogen levels in their soil, the Extension Service soil testing laboratories at College Station and Lubbock routinely analyze soils for nitrate nitrogen, Tanksley points out. This analysis determines the amount of available nitrogen present in the soil and is subtracted from the amount of nitrogen required to reach a desired yield goal. The reduced nitrogen recommendation results in a direct savings to the producer without sacrificing yield. There is no substitute for knowing what your soil's nutrient balance is as you start planning next year's cropping program, emphasizes the county agent. Soil testing can provide an economical means of determining your soil's nutrient status and can help you make those major economic decisions with greater confidence.
