NUMBER 31

## Tragedies Take Four Lives in Community This Week

### Two Children Killed by Train On Wednesday

### Mary Frances Lauderdale, 15, Dies When Car Is Hit at Atoka, Brother, Lee, 7, in Memorial Hospital Later in Day.

Mary Frances Lauderdale, 15-year-old daughter of Mr. and Mrs. Jim Lauderdale of near Atoka, was killed by the southbound Santa Fe passenger train about 8:10 o'clock Wednesday morning and her brother, Lee J. Lauderdale, 7, died about 10:45 o'clock that morning at Artesia Memorial Hospital of injuries sustained when the train struck and wrecked the family automobile at the Atoka crossing.

The children, who lived just west of the highway at Atoka, were returning from the John Boyce home at Atoka, where they had been drinking water.

Mrs. Boyce, who was working near a west window, said she heard the train whistle, looked up and saw the Lauderdale car stop. She thought it had been stopped by Mary Frances, who was driving, between the main track and the Atoka spur.

However, it was squarely on the track, "Pete" Peterson, engineer (Continued on last page, col. 5)

### Death of A. B. Scarbrough of Lakewood Friday

Arthur B. Scarbrough of Lakewood, 54, died in a Carlsbad hospital Friday evening after a short illness.

Funeral services were from West Funeral Home in Carlsbad at 11 o'clock Monday morning by the Rev. E. W. Stovall, pastor of the Carlsbad Church of Christ. Burial was in Carlsbad Cemetery.

Mr. Scarbrough had lived at Lakewood fifteen years. He is survived by his wife; two sons, James C. and Joe Boyce, who is in an army school at Rantaul, Ill.; a brother, James C. Scarbrough of Seminole, Tex.; and two sisters, Mrs. Roy Cox of Lubbock, Tex., and Mrs. Emmitt Foster of Seminole.

### An Inter-Church Pecos Valley Rally Of Youth Planned

Young People of Nine Towns Are Expected at Methodist on Sunday

The second annual meeting of the Pecos Valley Inter-Church Youth Rally will be at 2:30 o'clock Sunday afternoon at the First Methodist Church of Artesia. The first meeting of this type was held last August at the Methodist Church. Two hundred fifty young people from all over the valley attended.

Officers elected at that time to work on the service for this year were: President, Bill Paris of the First Presbyterian Church of Artesia; vice president, James Robertson of the Methodist Church of Carlsbad, and secretary, Miss Lela Bess Mann of the First Baptist Church in Artesia.

Although the young people have been at different colleges throughout the United States, they have kept in touch with one another during the year working and planning next week's program.

Howard Pitts of El Paso is to be the principal speaker for the afternoon. He was president of the student body of the Texas School of Mines and president of the Mount Sequoyah Youth leadership Conference and plans to enter Duke University Technological Seminary this fall. His talk will concern "Unshaken Faith in a Shaken World," which has been (Continued on last page, col. 4)

### Illegal to Solicit Defense Stamps in Chain Letter Gag

Jesse L. Truett, Artesia postmaster, pointed out this week that participating in solicitation of Defense Savings Stamps through chain letters is a violation of the postal fraud and lottery laws.

The old game has popped up again, Truett said, but he warned that participation may cause notice to be served upon a patron to show cause why fraud orders should not be served upon him. Such orders forbid the delivery of any mail to the person named, he said.

As in the case of the former style of chain letter through the Postoffice Department, the new gag is just as illegal and it is advisable not to participate.

### Garden Club Asks All to Cut Weeds From Vacant Lots

Mrs. Loving, President, Compliments City on Beautification Cooperation

Mrs. Pete L. Lovin, president of the Artesia Garden Club, this week expressed the thanks of the members for the cooperation of the citizens of Artesia in helping to beautify the city by caring for their homes and premises, and at the same time launched a movement sponsored by the club to have unsightly weeds cut.

She called attention to vacant lots in which weeds have grown up and suggested that they be cleaned up with the help of people who need the work.

Mrs. Loving called attention to the fact that there are about thirty women in the Garden Club and, she added, "You know what happens when a woman gets something in her head."

The club members, she implied, have made up their minds to see that weeds are cut in Artesia, so the citizens may just as well get busy and have it done at once.

"The members of the Garden Club certainly do appreciate the fine cooperation the citizens have shown in caring for their homes," Mrs. Loving said. "I am sure everyone agrees that Artesia never had more attractive lawns and yards."

"We do appreciate this, but let's not stop there. All know these vacant lots that are grown up in weeds are very unsightly. If you own one of these lots won't you have the weeds cut and the lot cleaned? It will cost very little. We have people who need this work and you can help two good causes."

"All of you remember the saying about what happens when a woman gets anything in her head." (Continued on last page, col. 3)

### Farmers Asked To Aid Defense By Compliance

Farmers are being asked to aid in the national defense program by complying with acreage allotments issued under the AAA programs, C. F. Beeman, chairman of the Eddy County agricultural defense committee, said this morning.

On the other hand, dairy and poultry products, pork and vegetables are in demand and farmers are being urged to increase their production of these items.

Farmers who find it impossible to produce commercial quantities of these products are being asked to at least produce enough for their own consumption. Farm women are urged to can or store, as much as possible, of meats, fruits and vegetables.

Such a move is a wise one for the farmer, said Beeman, for economic reasons if for no other, since a greater demand for these products is faced.

### Plan Corkscrew Derby on Lake McMillan Course

As some of the local outboard motor enthusiasts make plans to participate in the first annual "Corkscrew Derby" on the Rio Grande at Anthony, Tex., Sunday, Aug. 24, sponsored by the El Paso Chamber of Commerce, a movement has been started at Artesia and Carlsbad to have a similar event on Lake McMillan.

The "Corkscrew" Derby, it was explained, is somewhat like a steeplechase on water, outboards of all classes following an unannounced route of several miles, in and around various hazards. No racer is allowed to try out the course until the starting gun.

Jim Ferguson, commodore of the Pecos Valley Boat Club, who probably will compete in the derby on the Rio Grande, said that McMillan would be an ideal place for such an event in the valley. There is sufficient size and there are many vantage points along the shore for a large number of spectators.

The idea of that type of race, Ferguson said, is to travel a course, on which there are numerous turns and hazards, the negotiation of which will tax the boatmanship of the racers.

### Boy Scout Cub Pack Is Re-registered in Artesia Wednesday

Boy Scout Cub pack No. 14 of Artesia, which had been inactive the last few weeks, was re-registered Wednesday by Barney Hopkins, Jr., of Carlsbad, Boy Scout field executive, assisted in the filling out of an application.

E. M. Perry was designated as cubmaster and Neil B. Watson, chairman, and O. H. Brown and D. C. Blue were named the pack committee. Mrs. Glenn Booker will serve as den mother and Nobertus Pickett, a Boy Scout, as den chief.

Weekly meetings will be held each Wednesday evening at the home of Mrs. Booker and monthly meetings will be held each first Friday evening at the Presbyterian Church.

The members: Walter Burch, Raymond Woodside, Jimmie Blue, Walter Gray, Nevin Baird, Billy Fleming, Billy Bolton, Dan Booker, Fred Watson and Nolen Horton.

### Boys' Ranch Is Also Given Car Of Alfalfa Hay

The carload of alfalfa hay mentioned last week as given by generous farmers of the Artesia community to Rest Cottage Association, Pilot Point, Tex., was not the only carload so given. A similar gift was made up by valley farmers and was shipped Friday to Boys' Ranch, Copperas Cove, Tex., an institution where thirty-five boys are being given a chance to develop into good citizens through the kindness of a couple who deeded their ranch to the boys.

Mrs. Viola Dawson, manager, was here and contacted the farmers who made the gift to Boys' Ranch possible.

When Mrs. Dawson returned to Boys' Ranch, she was accompanied by Mr. and Mrs. Harold Crozier at the suggestion of Charles Morgan, president of the Chamber of Commerce, to inspect the place. After their return home Saturday (Continued on last page, col. 5)

### McQuay Is Named Scoutmaster Troop Eight in Artesia

Robert F. McQuay was named this week scoutmaster of Boy Scout troop 8, succeeding Billy Bullock, who will remain active as assistant scoutmaster.

McQuay was a Boy Scout five years at Macon, Mo., and later served as scoutmaster there in 1936-37.

He is the manager of the local C. G. Morrison & Company store.

Mr. and Mrs. Ben Pior are vacationing on the West Coast. They were joined in Albuquerque by their daughter, Miss Sybil, who has been attending a business college there this summer, for the vacation trip to the West Coast.

### Death of H. M. M'Cormick in Car Accident

### Garland (Scratchy) Ride-out, Driver of Car, Absolved of Blame by Coroner's Jury in Fatal Mishap North of Town.

Horace M. (Windy) McCormick, about 60 years old, old-time resident of the Artesia community, was fatally injured at 5:45 o'clock Monday evening, when accidentally struck by an automobile driven by Garland (Scratchy) Rideout as he attempted to cross Highway 285 at his farm residence four miles north of town.

He died about an hour after the accident at the Artesia clinic.

Rideout was absolved of blame at a coroner's inquest Tuesday afternoon, the jury of which found (Continued on last page, col. 2)

### Junior Band Will Play Last Concert Of Summer Season

Young Musicians of Artesia and Loving Appear Here Tonight

The final band concert of the summer series will be given at Central Park at 8 o'clock this evening by the Pecos Valley Junior band, composed of young musicians of Artesia and Loving, assisted by the high school band and alumni.

Under the baton of E. L. Harp, the youngsters will present a varied program. It will begin with two marches, "Opener" and "Paramount," respectively by Paul Weeks and W. D. McCaughey. The latter's Negro spiritual, "Sabbath Day in Georgia," and "The Juggler" in "The Pigskin," both by Weeks, will be next. Sixth will be the overture, "Sequoia," by McCaughey.

Donald Bryant and Billy Terpenning will be featured in a cornet duet in "Comrades Polka," by W. G. Stevens. After the duet will come "Field General," by Weeks.

A demonstration of baton twirling by the junior majorettes will be given just before the playing of "The Star Spangled Banner."

The band director this week expressed the thanks of himself and the school band for the cooperation given them by various organizations during the summer season, especially the civic clubs, which underwrote the purchase of (Continued on last page, col. 5)

### Two Trucks of Aluminum Are Gathered Here

### Hope Sends 110 Pounds to Add to Artesia Pile - Appeal Now Is Made for Tin and Lead Foil in Defense Program.

The aluminum drive in Artesia last Thursday and Friday brought in many pounds, and still some old aluminum ware is coming in.

Mrs. Ralph G. Roberson, Jr., chairman of the project for the Junior Woman's Club, sponsor of the aluminum drive, said more aluminum will be needed and that it still can be dumped into the large pen adjacent to the city hall.

No weight check has been made on the amount collected prior to and during the two-day drive, but two large truckloads were hauled and placed in storage until they can be taken to the state assembly point at Santa Fe. At that time it will be weighed. Observers, however, believe that Artesia received (Continued on last page, col. 4)

### August Quota Eddy Selectees Set at Eleven

State Selective Service headquarters has announced that 190 selectees will be called up for induction Aug. 11, 12 and 13, of which number the Eddy County quota has been set at eleven. The 190 will bring to 3,219 the number of men placed in military service under the act.

In connection with the August call, the state office has had many calls for information regarding the usage of the "juniors," those men who came of age since the first registration day last October and who registered on July 1.

To date, the office said, there is a lack of positiveness as to the number of these young men who will be called, because of the absence of a definite enumeration from national headquarters, which has deferred the matter in a general sense to the states.

In some of the divisions, the ratio of youngsters to those already awaiting call is as high as 1 to 13. In others it is 1 to 10 or less. It was said that perhaps the proper way to express it in New Mexico is to say that "there will be a certain number used." As the total number is only 150 for the entire state call, it naturally follows that the number of these new men summoned will not be very considerable.

### E. E. Ray May Lose Eye From Mishap as Well Shoots in Face

E. E. Ray was painfully injured and possibly one of his eyes was seriously hurt Tuesday afternoon when an oil well shot went off on the Puckett lease as he stood over the hole to see if there were sufficient oil in it.

Working on the Puckett No. 3-B well of Emperor Oil Company in the southeast quarter of section 24-17-31, Ray stepped over the hole to inspect it prior to the shot, which had been placed. Oil had been run into the hole and Ray was trying to determine whether more should be placed in it.

The explosion shot the oil into his face, badly damaging one of his eyes, which, it was said this morning, he may be in danger of losing. He is in a Carlsbad hospital.

### Work Starts on New Airport at Town of Hope

Sanction to use 160 acres of government land made it possible last Thursday for plans to go ahead for an airport at Hope, preliminary work on which already has started.

The permit was issued to Frank Runyan, owner of a plane and a flying enthusiast, and the use of an adjoining 168 acres is being donated by D. W. Carson, making a total of 318 acres available for the port. The site is east and north of Hope adjacent to Highway 83.

A tractor and grader were started immediately on construction of 3,000-foot runways. The county commissioners have promised the use of county machinery to help make the airport ready.

A "sock" is to be erected at the new port as soon as the runways are completed.

Citizens of Hope feel that the airport will be shown on future maps and that it will bring a number of out-of-state planes to Hope.

**LEGION MEETING IS POSTPONED TWO DAYS**

Artie McNally, American Legion post commander, has announced that the August meeting will be at the hut Thursday evening of next week, instead of Tuesday evening, the regular time, because of the joint banquet on Tuesday of the Lions and Rotary Clubs, which would make it conflicting for a number of members.

### Ann Crouch Has Two More Offers for All Expenses in College

Miss Ann Crouch, daughter of Dr. and Mrs. H. W. Crouch, has received two more offers for expenses in college in return for her remarkable baton twirling ability, making four she has received in all, still with one more year of high school ahead of her.

During the last week an offer was received from Southwestern Teachers College at Weatherford, Okla., to attend the full four years with all expenses paid. And the head of the music department at New Mexico State Teachers College, Silver City, has made a similar offer.

Previously offers were received from Southwestern University and Hardin-Simmons.

### Tex Henson, City Golf Champ, Loses In First Round

Eliminated by B. E. Spencer as 1941 Tournament Gets Under Way

R. M. (Tex) Henson, 1940 city golf champion, and Bill Linell, six-time winner, who was defeated in the finals of last year's tournament by Henson, both went down to defeat in their first games of the 1941 city tournament of the Artesia Golf Club.

B. E. Spencer, runner-up in the championship flight two years ago, defeated Henson 2-1 to put the last-year winner in the consolation play.

Earl Bigler, a former city champion, sent Linell on the same route, also 2-1.

Bob Bourland, tournament medalist, who shot 74 and 73 for a total of 147 in the qualifying rounds, has not played his first-bracket game, as his opponent, A. W. Harrell, has been quite ill. However, first rounds may still be played next week end.

Other first-round games played through Sunday: Championship flight—Bill Bullock defeated Fritz Crawford 3-1; Hugh Donald Burch over Lynn Shelton 3-1; Troy Bourland over C. A. Baker 3-3.

First flight—Neil B. Watson over Rev. Henry S. Stout 2-up; A. B. McGuire over Charles Grayson 4-3; J. J. Terry over Jack Spratt 3-up; Cliff Thomas over Tom Pickett 2-up.

Second flight—Wallace Gates over Tom Ragsdale 1-up; Fay Hardeman over Arba Green 3-up; Dr. L. R. Clarke over Vance Lowery 2-1.

Third flight—Jimmie Welch over Fred Cole 2-1; John Brown (continued on last page, column 5)

### Gonzalez Plans Spanish Church Pastoral Home

The Rev. Contantino Gonzalez, pastor of the Spanish Methodist Church, announced this week that it is planned to build a small pastoral residence at the church here, and that it is probable he and his family will move to Artesia upon its completion.

He said the step will improve the missionary work in the community and will make it possible to have a deaconess to help take care of children. The church has deaconesses graduated from Spanish colleges, he said, who are ready to serve wherever called.

The pastor asked that anyone who has old lumber which might be used in the construction work write him general delivery, Artesia.

He has prepared a Protestant missionary Mexican work pledge, which he is asking friends to sign and send or hand to him.

It reads: "I pledge to help the Rev. C. Gonzalez with the monthly amount of \$\_\_\_\_\_ in order to help him carry on the church missionary work for the good of our community. This is a faithful missionary work and I will continue supporting it as long as I can and the Lord God helps me in His name and for His glory I make this pledge."

### Oscar Preece, 15, Drowns in Tank at Hope

### Goes Down Wednesday in Attempt to Show Playmates How Far Out He Can Wade - Is Under Twenty Minutes.

Oscar S. Preece, of Hope, 15, year-old son of Oscar J. Preece, drowned in the Hope town tank about 11:30 o'clock Wednesday morning, as he attempted to show some other boys how far out he could wade.

His body was recovered by some men about twenty minutes later and artificial respiration was applied as he was brought to Artesia Memorial Hospital in an automobile. He was pronounced dead upon arrival at the hospital.

The boy, in company with Curtis Harrison, Arthur Nelson and Charles McKittrick, was playing at the tank and wading in the water.

When he started to wade out, the other boys tried to restrain him, it was understood. However, he broke away and went into deep water, where he floundered and drowned. The playmates shouted for help and several men arrived a few minutes later. Four of them waded (Continued on last page, col. 3)

### Harold Evarts, Former Artesia Resident, Dies

Harold R. Evarts of Carlsbad, 48, former Artesia resident, died suddenly at Cloudford at 8:40 o'clock Friday evening, about a half hour after suffering a heart attack. Mr. Evarts and his family had gone to Cloudford to spend the week end and the attack came when he started to teach his young son, Robert, how to bowl. He died before a physician arrived.

Funeral services were by the Rev. C. E. Jameson, pastor of the Carlsbad Methodist Church, at West Funeral Home there at 3 o'clock Monday afternoon. The body was brought to Artesia for burial in Woodbine Cemetery.

There survive Mr. Evarts his (Continued on last page, col. 4)

### Three Locations In Eddy Bring to 108 Year's Total

### Rutledge and Love Complete Only Two Producers in County

Three more oil well locations were staked in Eddy County last week, bringing to 108 the number since the first of the year. During the week three completions were made, of which two were producers and one hole was plugged and abandoned, leaving forty-four active operations in the county, the same as a week ago.

The new locations: Sallee & Yates, State 4, SW NE 2-18-29; Herbert Aid, Lucas-State 1, NE SW 24-17-28; Paul Love, Pearsall 2-B, NE NW 4-18-32.

The completions: SE J. Rutledge, Jr., Mitchell 1-B, SW SE 17-17-32; total depth 4,136 feet; flowed 50 barrels of oil a day through open two-inch tubing.

Paul Love, Pearsall 1-B, NW NW 4-18-32; total depth 3,710 feet; flowed 225 barrels in 17 hours through seven-inch casing.

Sanders Bros., et al, Dee Temple 1, SW SW 27-19-31; total depth 2,590 feet; plugged and abandoned.

In Chaves County the Mac T. Anderson, Purcell 1-B, SW NW 13-11-25, likewise was plugged and abandoned. It was drilled to a total depth of 2,202 feet and plugged back to 1,937 feet prior to plugging. Progress among wildcats and other wells of general interest in Eddy County and the adjacent Maljamar area in Lea County: (Continued on last page, col. 3)

### PROGRAM 100 PER CENT AMERICAN

Of all the silly arguments for lack of cooperation in national defense was one we heard last week during the collection of aluminum.

A woman was reported to have said that her husband declared old aluminum cannot be melted up! So durned if she would cut loose with any old aluminum ware. And besides, she was reported to have said, it was just a scheme to help prepare the people of the United States for war.

Perhaps she was partly right in that last statement, for preparation under the national defense program might be preparing for war. In fact it is—should war come.

And it is the right kind of preparation. The OPM reported that a minimum of 15,000,000 net pounds of aluminum should be collected in the drive. And that will permit the construction of 2,000 additional airplanes. You bet that's preparing. But it's not preparing by means of propaganda.

The argument is even more silly than another which circulated around town, to the effect that "if the Junior Woman's Club is collecting aluminum to sell and make money, we will just sell our own."

That was very unkind. Members of the Junior Woman's Club, patriotic enough as a group to take the lead locally in a national movement to assemble old aluminum to be given to the government, were patriotic enough individually to give of their time and energies in the name of America.

We do not know how nor where such silly ideas originate, but you can rest assured that when any civic-minded and patriotic organization like the Junior Woman's Club sponsors a program it is the real thing and is 100 per cent American.

### RAY OF HOPE FOR COTTON FARMERS

The Department of Agriculture is setting into operation a program of insurance whereby cotton farmers may insure their crops against a number of unavoidable hazards, including drought, insects, flood, plant disease, wind, fire and hail.

What a boon that will be to Pecos Valley farmers! Those in the valley are not bothered by drought because all farming is irrigated anyway, but it seems that with cotton farmers, as well as farmers in general the world over, they are beset with hazards all the time.

In this country, as everywhere, cotton has its insect parasites. And New Mexico hail and wind take a certain toll every year. This year flood and excessive rainfall—certainly unavoidable hazards—have cost Pecos Valley farmers a pretty penny.

Of all the government programs to help the farmer, it seems to us that crop insurance is one of the most just and will be appreciated greatly.

### HOPE SEEMS TO BE PEACHY PLACE

That fine peaches and plums can be raised at Hope was demonstrated this week by W. E. Rood, publisher of The Artesia Valley News, who brought a sack of each to The Advocate office.

Rood is one of the greatest boosters for Hope and the Pecos Valley and believes that Hope will stage a real comeback, now that the retard dam is functioning, the town has REA power and an airport is in the offing.

Years ago Hope was a prosperous little town, but when the water stopped flowing in the Pecos it ceased to be an agricultural center. But it is on the way back. And if the Hope community can raise such peaches and plums as Rood brought us, the people should start now to bring back many acres of orchards.

This not only is by way of publicly thanking the Hope publisher for his thoughtfulness, but by way of telling the whole Artesia community to keep one eye on our little neighbor twenty miles west.

### BUT WE'D BE GLAD TO WATCH

We see where Roswell has a drive on under the direction of the city beautification committee of the Chamber of Commerce urging property owners to cut low-hanging limbs from trees adjacent to sidewalks.

Gosh, we've had a campaign like that going on in Artesia, sponsored by the editor, for more than three years.

At that, it rather tickles us when local citizens, who have read about the drive in Roswell, approach us and ask why we don't do something about it.

Well, we have, and we are! But all we personally can do is to remind the local people that many trees do need trimming and that they are mighty bothersome to those who have to walk under them.

Beyond that we can do nothing; we refuse to go out and cut them.

### WE'LL BET IT'S TO BE A GOOD RODEO

Hats off to the committee for the Carlsbad rodeo, to be held Aug. 22-24, and to Floyd B. Rigdon, publicity manager, for being on the job early.

Usually when anything of that nature is about to take place, great plans are made and then, when the time is too short to put them into use, some splendid ideas pop up and the committee works overtime at the last minute—and newspaper publicity suffers thereby.

But not those Carlsbad boys! We had in our hands Saturday, July 26, an order for two weeks of advertising, to appear in our Aug. 14 and 21 issues, for the event, complete with a mat and ready to go. The ad is clever too.

That sort of thing leads us to two conclusions: First that the show probably will be a good one; second that it is wise to have a newspaperman in charge of publicity, for he not only makes it easy on the other newspapers, but he also is more likely to get publicity.

Come to think of it, there's a third conclusion: We'd like to see that rodeo ourselves! Praps we will!

## CHURCHES

### FIRST METHODIST CHURCH

Sunday school at 9:45 o'clock each Sunday morning; classes for every age group.  
 Morning worship at 11 o'clock; special music by the choir.  
 Epworth League, 6:45 o'clock.  
 Evening worship, 7:30 o'clock.  
 Visitors and friends of the church are always welcome. New-comers are invited to visit our services and to make our church their church home while in the city.  
 John S. Rice, Pastor.

### CHURCH OF THE NAZARENE

"The Church With a Burning Message"  
 Fifth and Quay Streets  
 Sunday school, 9:45 a. m.  
 Morning worship, 11 a. m.  
 Young people, 6:30 p. m.  
 Evening preaching, 7:30 p. m.  
 Wednesday prayer meeting, 7 p. m.  
 Go to church Sunday. We welcome you.  
 Lee P. Phillips, Pastor.

### ST. ANTHONY CATHOLIC CHURCH

504 North Ninth Street  
 Priest in charge, Rev. Fr. Brendan Weishaar.  
 Masses: Sundays, 7 a. m. and 8:30 a. m.  
 Study Club every Wednesday evening, 7:30 p. m.  
 Rev. Brendan Weishaar, O.M.C.

### MEXICAN METHODIST CHURCH

Sunday school, 10 a. m.  
 Preaching services, Monday at 7:30 p. m.  
 Everyone is welcome to these services. Even if you do not speak Spanish, you will feel at home, for the Spanish-speaking people enjoy having you and will extend a spirit of courtesy.  
 Constantino Gonzalez, Pastor.

### ASSEMBLY OF GOD CHURCH

Corner Fourth and Chisholm  
 Sunday school, 10 a. m.  
 Morning worship, 11 a. m.  
 Children's church, 7:30 p. m.  
 Mid-week services, Wednesday, 8 p. m.  
 Young people's services, Friday, 8 p. m.  
 Rev. Orel Boteler, Pastor.

### FIRST BAPTIST CHURCH

Corner of Grand and Roselawn  
 Sunday Services  
 9:30 a. m., Sunday school, departments for each age group and classes for each age.  
 10:50 a. m., morning worship.  
 2 p. m., Mission Sunday school.  
 7 p. m., evening Baptist Training Union service.  
 8 p. m., evening worship service.

### Weekly Services

Monday after first Sunday, deacons' meeting.  
 Tuesday, choir practice.  
 Wednesday: 6:30-7:30 p. m., missionary auxiliaries' meeting; 7:30-8:30 p. m., prayer and Bible study; 8:30-9 p. m., teachers' meeting; 8:30 p. m., Wednesday after last Sunday in month, workers' council.  
 Thursday: 8 p. m., W.M.U. general meeting on first and third Thursdays; W.M.U. Circle meetings on second and fourth Thursdays; 7:30 p. m., Men's Brotherhood on third Thursday.  
 S. M. Morgan, Pastor.

### CHRISTIAN SCIENCE

613 West Main  
 Sunday school, 10 a. m.  
 Sunday service, 11 a. m.  
 Wednesday service, 7:30 p. m.  
 "Love" is the subject of the lesson-sermon which will be read in all Churches of Christ, Scientist, on Sunday, Aug. 3.  
 The Golden Text is: "The Lord thy God in the midst of thee is mighty; he will save, he will rejoice over thee with joy; he will rest in his love, he will joy over thee with singing."—(Zep. 3:17.)

Among the citations which comprise the lesson-sermon is the following from the Bible: "Peace I leave with you, my peace I give unto you not as the world giveth, give I unto you. Let not your heart be troubled, neither let it be afraid."—(John 14:27.)  
 The lesson-sermon also includes the following passage from the Christian Science textbook: "The poor suffering heart needs its rightful nutriment, such as peace, patience in tribulation, and a priceless sense of the dear Father's loving kindness."  
 Visitors are welcome.

### SHERMAN MEMORIAL CHURCH

(Oilfield Community)  
 Sunday school at 10 o'clock.  
 Prayer meeting and choir practice, 7 o'clock Wednesday evening.  
 R. D. Yancy, Superintendent.

### FIRST CHRISTIAN CHURCH

Sixth and Quay  
 Bible school, 9:45 a. m.  
 Communion service and sermon, 11 a. m., theme, "The Call of the Mountains;" special music.  
 Evening service, 7:30 p. m., praise and prayer, using favorite hymns; sermon, "The Holy of Holies of the Temple and Its Christian Significance." The chart-picture of the temple will be used, and also another chart to illustrate this message.  
 Mid-week service, Wednesday, 7:30 p. m.  
 Choir, Thursday, 7:30 p. m.  
 Oren Orahod, Minister.

### CHURCH OF CHRIST

Seventh and Grand  
 Sundays

**Locals**

Mrs. Roy Tyner and small daughter spent several days last week visiting in the home of her parents, Mr. and Mrs. Alvin Payne.

Mr. and Mrs. Glenn Evans of El Paso visited in the home of his parents, Mr. and Mrs. M. W. Evans, last week.

Mr. and Mrs. E. P. Malone and sons, Ernest and Cooper, of Lake Arthur have returned from a recent fishing trip on the Gulf Coast.

Mr. and Mrs. Bill Coleman and daughter, Barbara, of San Angelo, Tex., spent last week here visiting Mrs. Coleman's sister, Mrs. Charles Ransberger, and family.

Mrs. Dorothy Nell Young of Los Angeles, Calif., arrived Saturday for a visit with her mother, Mrs. Locky Trigg. She was accompanied by a friend, Mrs. Sybil Yountz.

Mrs. A. C. Hester returned to her home at Whiteface, Tex., after spending ten days visiting her sister, Mrs. S. Bradley, and Mr. Bradley.

Mr. and Mrs. Bud Smith and daughter, Melva Jean, and W. P. Smith of Shidler, Okla., arrived Tuesday for a visit of several days in the W. P. George and Guy Smith homes.

Miss Helen Watson and Miss Gwinivere Ellis left Wednesday for Hobbs, where they will visit several days with Mr. and Mrs. Ben Jarboe and Mr. and Mrs. Finn Watson.

Miss Barbara Wheatley is visiting her cousin, Miss Bess Campbell, in Paint Rock, Tex., for several days. Mr. and Mrs. Wheatley expect to go after her next Sunday.

Mr. and Mrs. James A. Hool and two children, Susan Jane and Jimmie, who have been visiting the Alton C. Neatherlin family in Ajo, Ariz., and the Lloyd Neatherlin family of Globe, Ariz., and friends in Phoenix, are expected to return to Artesia next week.

Lewis Story took his son, Lewis W., and daughter, Miss Wanda, and Misses Edna Carder and Catherine Williams to Santa Fe, Taos and Las Vegas Sunday. They visited other places of interest en route.

John F. Richards of Williams, Ariz., brother of Joe and Albert Richards, arrived Sunday to visit them and their families. He intends to leave this week for Richard Springs, Tex., to visit other relatives.

Mrs. Nancy Eipper was called home Thursday evening of last week because of the illness of her sister, Mrs. Rose Andrews, who had returned from her former home in Greeley, Colo. Mrs. Andrews is reported improved.

Mr. and Mrs. R. G. Knoedler and Charles and Frances left Sunday for La Harpe and Blandinsville, Ill., where they will visit their parents' relatives. While there they will attend a Knoedler family reunion at Blandinsville and a McConnell reunion at Fountain Green, Ill. They were accompanied by Mrs. W. B. McCrory, who will visit in Keokuk, Ia., Washington and Illinois.

Miss Martha Ann Feemester and Mrs. Vera Feemester Smith of Cambridge City, Ind., arrived Friday from Denver to visit their aunt, Mrs. L. W. Feemester, and family for several days. They are the daughters of Alonzo R. Feemester, who has visited here several times.

Mr. and Mrs. J. R. Fulton of Stillwater, Okla., who are on their honeymoon, visited Mr. Fulton's brother, Bob Fulton of The Advocate and Mrs. Fulton several days this week. They went through the Carlsbad Caverns Wednesday. Mr. Fulton is assistant advertising manager of The Stillwater Daily Press.

Mr. and Mrs. Jesse Truett had as their over-night guests Saturday friends from Kentucky, home state of Mr. and Mrs. Truett. Their guests, Mr. and Mrs. R. H. Gabbard, who came from Kentucky by plane, were accompanied to Artesia by Mrs. Gabbard's sister, Mrs. Moss Farmer of Deming. Mr. and Mrs. Truett and the visitors went through Carlsbad Caverns Sunday.

**Sands of Time**

FIFTEEN YEARS AGO  
(From The Advocate files for July 29, 1926)

A third fire at the Flynn, Welch & Yates and Continental refinery Friday evening proved disastrous. On Thursday evening near the same time the fire department answered a call to the plant, but the flames had gained little headway and the refinery employees were able to extinguish the blaze practically unaided. Another blaze of small consequence broke out Friday. Friday night's, however, was practically out of control from the outbreak. The cause of the fires has not been determined.

Tom Edward Bullock and Elwood Kaiser returned the first of the week from San Antonio, Tex., where they attended the R.O.T.C. They made the trip to San Antonio from Norman, Okla., where they attended the University of Oklahoma.

William Dooley will leave this week on a short business trip to Kansas City.

William Kissinger, W. E. Ragsdals, Wilmer Ragsdale and Miss Katherine Ragsdale drove to El Paso Monday, the men on business and Miss Ragsdale to visit her mother, Mrs. Tom Ragsdale, who is in a hospital there.

Mr. and Mrs. Albert Richards left yesterday on a short trip. Mr. Richards is going to Toledo and Mrs. Richards is to visit her parents at Ladonna, Mo.

Fred Brainard, Artesia boy who managed the Wichita Falls baseball team for a few months this season, has been transferred to Dallas. The transfer was made Monday of last week. During his first game playing with Dallas Brainard secured four hits out of five times up. He has made quite a reputation with Dallas and has been consistently hitting the ball, according to The Dallas News.

No. 7591. John Luttrell vs. Ruby Luttrell, divorce.

No. 7592. A. M. Hoose vs. Gordon L. Sloan, note, \$459.77.

That "World-Reform" fund that came home to roost—pretty well plucked. Almost \$2,000,000 trickled away in twenty years, but the hand-out committee couldn't find any more "worthy" causes and gives back the last measly dribble to the advanced thinker whose main idea was to save civilization. Read about him in The American Weekly, the magazine distributed with next week's Los Angeles Examiner. 31-1tx

**VISUAL ANALYSIS**  
By DR. STONE and STONE

**Nazarene Revival To Close Sunday**

The revival which has been in progress the last week at the Church of the Nazarene will come to a close Sunday evening.

"If you believe in old-time camp meeting singing and gospel preaching we urge you to hear the Rev. and Mrs. R. M. Hocker and little Esther," the Rev. Lee P. Phillips, pastor, said. "Esther, 11 years of age, is the baby of the Rev. Mr. and Mrs. Hocker and we extend a special invitation to you to hear her sing."

Some of the subjects to be discussed during the closing days of the revival: "The Closed Door," "The Will of God," "The General Judgment," "A Better Country," and "Lost."

The closing day of the revival, Sunday, there will be a special Sunday school rally and all are invited to visit the Sunday school and get acquainted. During that hour there will be gifts presented to the largest family present, the oldest father and mother and the youngest father and mother. "Come thou with us and we will do thee good," the pastor said.

Mr. and Mrs. Albert Richards spent Sunday in Roswell visiting Mr. and Mrs. Homer Dunnigan. Mr. Richards and Mr. Dunnigan were World War buddies.

Mr. Guy Reed Brainard and two children of Nome, Tex., Mrs. Harold Randall of Rio Grande City and Mrs. L. F. Whitcomb of Roseback, Tex., are here visiting their parents, Mr. and Mrs. S. S. Ward. Mrs. Ward accompanied them to Cloudcroft Sunday, where they are spending this week at the J. S. Ward cabin.

**Cottonwood Items**

(Ora Buck)

Floyd Hunt and Perry Zumwalt spent Monday afternoon visiting Charles Edward Buck.

Roy and Jimmie Buck made a business trip to High Rolls, Cloudcroft and Alamogordo Wednesday of last week.

Monroe Howard, Glenn O'Bannon and Truman Howard left Saturday on a fishing trip to Conchas Dam.

A Mr. Hall of Roswell was in the Cottonwood community Wednesday of last week attending to business matters.

Mrs. Roy Tyner and little daughter of Roswell visited last Thursday morning with Mrs. J. W. Buck of here.

Miss Ovie Smith, who taught in Cottonwood School the last several years, has resigned and expects to leave Aug. 26 for Wyoming.

Mr. and Mrs. H. V. Parker of Cottonwood drove to El Paso last week, where Mrs. Parker was to undergo medical treatment.

John Buck and son, Ted, of here and Ed Smith of Artesia were fishing at Red Bluff Dam Saturday and Sunday.

George Wair of Oklahoma arrived early last week for a visit with his sister, Mrs. Alvin Pruitt, and Mr. Pruitt of Upper Cottonwood.

D. C. Hobbs and daughter, Mrs. J. D. Rogers, and her children, J. D. and Esta, of Malaga spent Sunday visiting their daughter and sister, Mrs. John Buck of here.

Mr. and Mrs. J. G. Brown and family, who have been living on the Bobo farm the last several months, and Mr. and Mrs. Deward Jones of here expect to leave Saturday for California, where they will make their homes.

Mrs. Minnie Roberson and little

Mr. and Mrs. Frank Smith returned the first of the week from Tulsa, Okla., where Mrs. Smith had been recuperating from a major operation the last seven weeks. Mrs. Elizabeth Smith of Tulsa, mother of Mr. Smith, accompanied them home for an indefinite visit.

son of Alabama, who were visiting her father, Jim Elliott, and Mrs. Elliott, now is visiting her brother, Dan Elliott, and family in Dexter.

Among those from Cottonwood who attended a delightful party at the home of Mrs. Roy Tice in the Morningside community Wednesday night of last week were Miss Dorothy Brown, Miss Amis Pruitt, Henry Harron and George Wair of Oklahoma.

Mrs. O. B. Montgomery entertained Cottonwood Extension Club members and their families at her home here Wednesday night of last week. After many games were played by the group, a covered dish lunch was served on the lawn.

Mrs. Kersey Funk of Cottonwood returned home Wednesday of last week from El Paso, where she had been with Mr. Funk, who was taken to a hospital there a few days ago. She reported Mr. Funk was greatly improved when she left. Mr. Funk was badly burned last December.

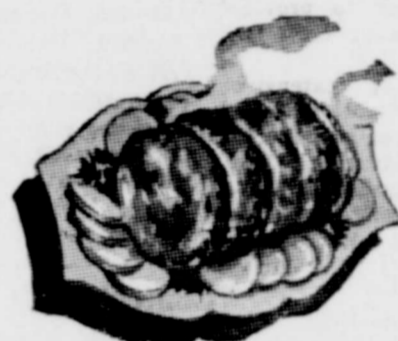

**"HOLDS FAST" TO MAKE THE PAINTING JOB LAST LONGER**

LOWE BROTHERS HIGH STANDARD PRIMER "holds fast" and seals the surface of both new work and repainting to make the complete painting job last longer. Through controlled penetration, it defeats absorption—makes a perfect foundation for the finish coat and minimizes the danger of paint failure. So use High Standard Primer and take the guess work out of painting.

**NEW OIL WINS *Certified Death-Test* IN "LAND AFIRE"**

5-Quart crankcase fill—none added—lasted

13,398 miles, outlasting 5 rivals by

74% to 161%... Certified

Big new oil Economy forecast for your car

"LAND AFIRE," the redmen named red-hot Death Valley. It's slain men by drying them up. But only after 13,398 miles at 57 miles an hour—in a car with crankcase under lock—could Death Valley heat dry up a 5-quart fill of new

**CONOCO N<sup>th</sup> MOTOR OIL—**  
Outlasted five other Brands in Fair Test!

Conoco N<sup>th</sup> actually outlasted one big brand by 8,268 miles. Yet all 6 brands tested had exactly the same chance... in identical new stock cars. No oil could be added to the strict 5-quart fill locked in each car. And all were to run till wrecked. So it ended up in the death of 6 cars, with the 5 "also rans" averaging not even half the mileage delivered by new Conoco N<sup>th</sup> oil... Certified.

Why such a difference?

Conoco N<sup>th</sup> is preserved by a life-giving new synthetic—man-made under Conoco Patent 2,218,132. You know that vitamin synthetics, for instance, are making up for Nature's life-givers sacrificed in some modern food processing. Similarly, the latest refining methods steal some of Nature's best life-givers from motor oils. But more than making that up today, in Conoco N<sup>th</sup> oil, is a new synthetic—Thialkene inhibitor. It inhibits—checks—

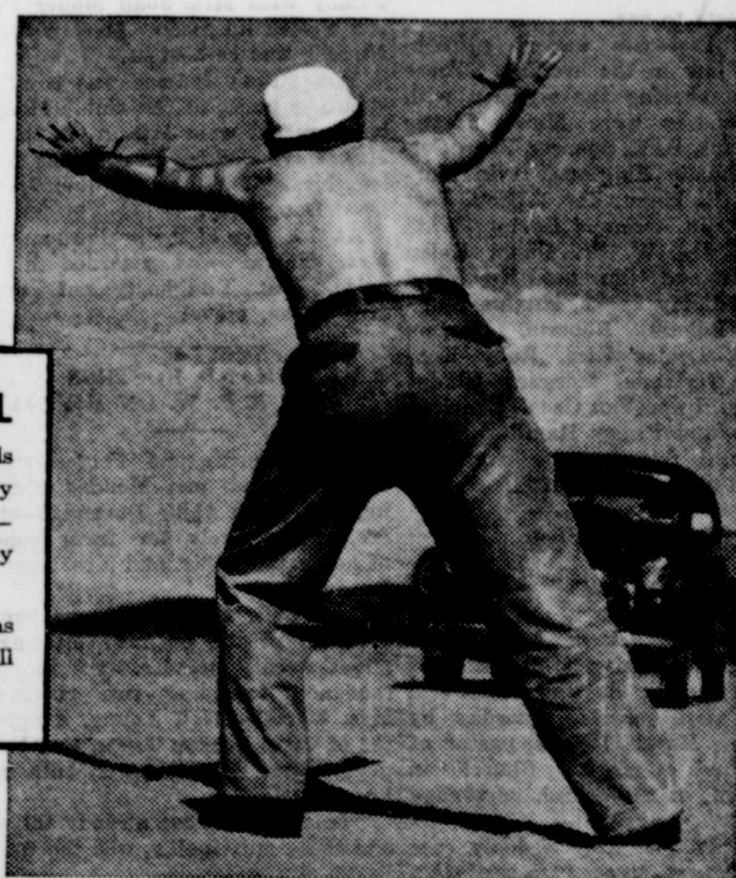

**CERTIFIED** I hereby certify that the Death Valley Test and related work were thoroughly and fairly conducted. Engine Destruction occurred in each case at the mileage stated.

*H. W. Jackson*  
Consulting Engineer, who during Academic year is Professor of Automotive Engineering, Purdue University

**IMPARTIAL**

5 prominent rival oils bought retail by Official Referee—allotted to cars by chance.

All cars the same as you might own. All handled alike.

**AND CONOCO N<sup>th</sup> OIL OIL-PLATES YOUR ENGINE!**

Long the keystone of Conoco success, OIL-PLATING comes from another great Conoco synthetic... man-made under the famed Germ Processed oil patent. Magnet-like action bonds OIL-PLATING to engine parts. It can't all quickly drain down—not while you're using Conoco N<sup>th</sup> oil. So OIL-PLATING is on guard against wear *in advance!*... and helps mileage, as it did in Death Valley. An OIL-PLATED engine is one more economy you get from a change to popular-priced new Conoco N<sup>th</sup> oil.

Cockrun, Lila Mae, Barnett, Henry Herron, Ray Smith, Buddy Stephens, Derwood Tyler, Gilbert Allison, Bill Dooley, Everett Murphy, Ray Vanzandt and Mr. and Mrs. George Mann and the rest-esses. Six children also were present.

### DEFENSE BOND

Q. What is the reason for buying a Defense Bond?  
A. To keep America free. To show your faith and pride in your country. To warn foreign dictators that the United States is the strongest country in the world.  
Q. But if I do not have enough money to buy a Defense Bond, what can I do?  
A. Buy Defense Postal Stamps, on sale almost everywhere. Your post office, bank, department store or druggist has them, or can get them for you, at 10 cents upward. Save enough stamps to exchange for a Defense Bond.  
To purchase Defense Bonds and Stamps, go to the nearest post office or bank, or write for information to the Treasurer of the United States, Washington, D. C.

Mr. and Mrs. M. C. Lee.  
Mrs. E. B. Hughes visited in Carlsbad Sunday afternoon.  
Mr. and Mrs. Albert Lee and children and Mrs. M. C. Lee were in Roswell Monday afternoon.  
Jim House of Globe, Ariz., spent Sunday night with his brother, R. L. House, and family.  
High Neatherlin and family of Hope visited Tuesday with his sister, Mrs. Albert Lee, and family.  
Ellis Hnulik moved Mr. and Mrs. Norwood to their farm four miles southeast of Artesia Tuesday.  
Mrs. Leonard Smith and little daughter visited her mother, Mrs. J. H. Burrows, Tuesday.  
Mr. and Mrs. Dale Floyd visited Mr. and Mrs. I. W. Floyd and Mr. and Mrs. E. B. Hughes and family Sunday.  
Mrs. B. Heard and daughter, Erma Dean, motored to Carlsbad Saturday. Mrs. Heard is taking treatments from a doctor there.  
L. B. Adams left Friday for his home in San Antonio after spending about ten days with his brother, R. G. Adams, and other relatives.  
Howard Howell was bitten on the arm by a poisonous insect last week. The bite was so painful and swollen he had to have it under a doctor's care for a while.  
Mr. and Mrs. Ernest McGonagill and family motored to Amarillo Friday to meet Mrs. McGonagill's niece, Miss Betty Brown of Laplant, S. D. Miss Betty will make an extended visit with her aunt and family and other relatives here and at Artesia.

### DEFENSE BOND

Q. What is the reason for buying a Defense Bond?  
A. To keep America free. To show your faith and pride in your country. To warn foreign dictators that the United States is the strongest country in the world.  
Q. But if I do not have enough money to buy a Defense Bond, what can I do?  
A. Buy Defense Postal Stamps, on sale almost everywhere. Your post office, bank, department store or druggist has them, or can get them for you, at 10 cents upward. Save enough stamps to exchange for a Defense Bond.  
To purchase Defense Bonds and Stamps, go to the nearest post office or bank, or write for information to the Treasurer of the United States, Washington, D. C.

### IN THE PROBATE COURT OF EDDY COUNTY, STATE OF NEW MEXICO.

IN THE MATTER OF THE LAST WILL AND TESTAMENT OF ISA McCLAY, DECEASED.  
No. 966

NOTICE OF HEARING OF FINAL ACCOUNT AND REPORT AND PETITION FOR THE ADJUDICATION OF HEIRSHIP, LEGATEES AND DEVISEES OF SAID DECEDENT, INTERPRETATION OF THE LAST WILL AND TESTAMENT OF SAID DECEDENT AND THE DISTRIBUTION OF THE ASSETS OF THE ESTATE OF DECEDENT AND THE DISCHARGE OF EXECUTRIX.

STATE OF NEW MEXICO TO: Leah F. McDonald and To Whom It May Concern:

Notice is hereby given that Leah F. McDonald, Executrix of the Last Will and Testament and Estate of Isa McClay, Deceased, has filed her Final Account and Report in the above entitled and numbered matter, as such Executrix, with the County Clerk of Eddy County, New Mexico, and the Probate Judge of said County, and the Probate Judge of said county has fixed the 11th day of September, 1941, at the hour of 2 o'clock P. M. in the office of said Probate Judge at Carlsbad, Eddy County, New Mexico, as the time and place for the hearing of objections, if any, to said Final Account and Report; and that said Probate Judge will at said time and place proceed to examine and inquire into said Final Account and Report, and, if found to be correct, will approve the same and discharge the said Executrix and will also at the same time and place proceed to examine and interpret the Last Will and Testament of said Decedent and the ownership of the estate and the persons entitled to the distribution thereof as provided by said Last Will and Testament; that anyone who has any objections to the approval of said Final Account and Report shall file the same with the County Clerk, or ex-officio Probate Clerk of Eddy County, New Mexico, on or before said date of Final Hear-

### Hope Items

(Mrs. C. B. Altman)

Tom Coffin and his mother, Mrs. Anna Coffin, were visiting relatives in Albuquerque last week. They returned home Sunday night.

Jesse Buckner, who spent the night in Artesia Memorial Hospital Saturday after a tonsillectomy, was brought to Hope Sunday.

Mrs. Clem Hodges of Ardmore, Calif., returned to her home last week after visiting for a month with her mother, Mrs. Ida Prude, and father, John Prude.

Mr. and Mrs. Homer Danley and daughter, Vera, and Mrs. S. E. Danley of Tularosa are visiting this week with Mr. and Mrs. C. A. Hanna.

Mrs. L. A. Neal of Odessa and Mrs. Maxine Guthrie of Lubbock, who were visiting friends here, left Friday for Ruidoso to spend a week before returning home.

Mr. and Mrs. Buck Wilburn and family, who were on a trip through New Mexico, Arizona and Colorado, returned to Hope Saturday evening.

Miss Emmaline Crockett arrived Sunday from New Orleans, where she was attending school, to spend her vacation with her parents, Mr. and Mrs. Henry Crockett.

Mr. and Mrs. Dee Jernigan of Deming spent the week end with his sister, Mrs. Ed Watts, and Mr. Watts at their ranch west of Dunken. They stopped for a short visit with friends here as they passed through.

Ernest Templar of the REA office in Artesia was called to Hope Saturday and Sunday to repair damage to several transformers caused by a terrific electrical storm Saturday afternoon.

Mrs. S. M. Kastner and daughter, Anne, of Fort Stockton, Tex., and Mrs. Howard Williams and daughter, Marian, of Abilene arrived last week and are visiting their mother, Mrs. E. P. Cox.

J. C. Buckner motored to Captain Friday to attend the funeral of his uncle, Tom Key, who died at his home there last Thursday. Mr. Buckner was accompanied home by Mrs. Buckner, who spent several days with the family during the illness of Mr. Key.

Mr. and Mrs. Edward S. McAuliffe and daughter, Jackie, left last week for California. They expect to visit their son and brother, Stanley, who is with the Navy.

Mrs. McAuliffe and Jackie will visit her parents, the Rev. and Mrs. F. M. Lehman of Pasadena, and other relatives in Glendale, while Mr. McAuliffe will attend to business in Los Angeles, then return to Hope accompanied by business associates and later return to California to join his wife and daughter.

G. U. McCrary, whose Post Office Address is Artesia, New Mexico, is attorney for said Executrix and Estate.

IN WITNESS WHEREOF, I have hereunto set my hand and affixed the official seal of the Probate Court of Eddy County, New Mexico, on this 30th day of July, 1941.

MRS. R. A. WILCOX,  
County Clerk and ex-officio  
Probate Clerk of Eddy  
County, New Mexico.  
By: R. A. WILCOX,  
Deputy.

### Reinforcement For America

● The most rapidly growing group of new industrial uses for cotton is that in which cotton loses its original identity to find a new life in combination with some other raw material.

The classical illustration is the rubber industry, where cotton finds almost illimitable uses in products ranging all the way from automobile tires to lastex yarn. But now crowding this great industry in its capacity to use cotton are such new industries as synthetic resins, which use cotton not only as a reinforcement for molded and laminated products, but also in coatings and enamels. On the market today are even such incredible new products as cotton-faced plywood wall panels, and cotton-concrete roofing shingles.

To those who have known the cotton industry long and well, however, this ability of cotton to reinforce other industrial products is not too strange. For in a very real sense the cotton industry has always been the reinforcement, base, and support of other industries in the Cotton Belt and in America. Cotton is America's great industrial crop, alone of all crops capable of giving us clothing, food, and shelter in all their refinements.

When we make good use of cotton we build our future.

Death of—

(continued from page 1) the accident unavoidable after hearing the testimony of eye witnesses...

Charles Powell, one of the witnesses, said he had picked McCormick up at the side road leading to Joe Nunn's feed pens...

Powell said he slowly started north on the road shoulder, as several cars were overtaking him from the south...

Charles A. Morrison testified that he was driving to Roswell and that as he approached the place he saw McCormick on the east side of the highway...

On the stand Rideout related that he was coming towards Artesia and that he was first conscious of the presence of McCormick when he saw him in the center of the road...

Because of the approach of the Powell automobile, Rideout said, he only could avoid McCormick by pulling to the right into the ditch.

All evidence pointed to the unavoidability of the accident and the jury deliberated only a few minutes before reaching its verdict...

"We, the undersigned, a justice of the peace jury, who sat upon the inquest held on this the 29th day of July on the body of H. M. McCormick, found in precinct No. 6 in the County of Eddy...

"We, the undersigned jury, find the accident unavoidable." The verdict was signed by W. H. Ballard, justice of the peace...

The body of Mr. McCormick was shipped by Santa Fe Tuesday evening to Owensboro, Ky., where it is believed he was born.

There are no relatives here and little is known of Mr. McCormick's family, other than that he is survived by a nephew, Lofton McCormick of Owensboro...

When he was fatally injured he had such a sack with him. It was hanging on the right door handle of the Rideout car after the accident.

Keith Quail was in Santa Fe on business Friday. He was accompanied by Mrs. Quail and Mrs. C. O. (Cap) Fulton.

Keyes & Atwood, Keyes 1-A, SE SW 15-20-30. Moving in.

Oscar Preece—

(continued from page 1) ed out and finally recovered the body. The tank is the old municipal tank at Hope, where stock is regularly watered.

The boy is survived by his father and a sister, Mrs. Bonnie Forrester of Hope.

Burial services will be at Weed, where Oscar's mother is buried. A sister also preceded him in death last year.

Oscar Sherman Preece, son of Oscar Jesse and Rebecca Van Winkle Preece, was born June 27, 1926.

Garden Club—

(continued from page 1) Well—here is a tip: There are about thirty members of the Garden Club and we are out for a better and more beautiful Artesia.

"Thanks for cutting your weeds."

Harold Evarts—

(continued from page 1) widow; three children, Anita, 19; Irene, 17, and Robert, 12, all of Carlsbad; his father, C. E. Evarts of Artesia...

Harold R. Evarts was born in March, 1893, at Domestic, Ind. He married Tresa Tohlil in Illinois in 1920 and to them were born the three children mentioned.

The family came to Artesia on July 25, 1925, exactly sixteen years prior to his death. They moved eight years ago to Carlsbad, where Mr. Evarts was employed the last few years as storekeeper at the United States Potash Company refinery.

He was a veteran of the World War and was a member of the American Legion. Mr. Evarts took an active interest in civic affairs at Carlsbad.

Two Trucks—

(continued from page 1) sponded well in proportion to other cities in New Mexico.

The Hope community sent 110 pounds of old aluminum to be added to that here. It was brought down by Odis Holly of the Soil Conservation Service office here.

More aluminum was added by boys and girls, who used old pots and pans for admission to the Ocotillo Theater last Thursday afternoon.

After some covetous glances towards better pieces of aluminum ware by certain people were noted, E. H. Shipley took a pick ax and punched holes in pots, pans and skillets in the pen, so as to make them useless.

Guy Chevrolet Company and the New Mexico Eastern Gas Company furnished pick-up trucks for the Boy Scouts to use in collecting aluminum.

Now to the appeal for aluminum is added one for tin foil, lead foil and the like, also to be given to the government for use in the national defense.

Members of the Junior Woman's Club pointed out that many pounds are wasted every day by the throwing away of tooth paste and shaving cream tubes and chewing gum and cigarette wrappers.

The foil will be collected at the Carper Drilling Company office. It was suggested that the softer foil, such as that in cigarette packages, be rolled into balls, additional sheets being squeezed into place, and be taken to the collection headquarters at intervals.

Inter-Church—

(continued from page 1) chosen as the theme for the afternoon.

Young people from churches of all denominations in Roswell, Dexter, Hagerman, Lake Arthur, Carlsbad, Loving, Lovington, Alamogordo and Hobbs have been urged to attend.

The program planned for the afternoon is as follows: 2:30-3, registration; 3:30-3:30, business meeting; 3:30-4:45, worship service; 5-5:30 supper.

The young people are asking the support of the adults in this project, as well as full cooperation of every interested young person in Artesia.

KAISER DEMONSTRATES RESUSCITATION TO LIONS

G. E. Kaiser was the principal speaker at the Lions Club meeting Wednesday noon, speaking on resuscitation, and giving a demonstration of the methods commonly used.

Many lives have been saved by the application of artificial respiration in cases of nearly drownings, suffocation and electric shock, Kaiser said.

Two Children—

(continued from page 1) said. It was rolled and carried about 880 feet before Peterson brought the train to a halt, with the car still resting against the front of the engine.

The girl was thrown out about 212 feet from where the car was struck and was dead when help reached her. Lee was in the wreckage of the car, unconscious, and he was taken to the hospital, where death came two and a half hours later.

Both children sustained skull fractures. An inquest into the deaths of the children is pending and probably will be held Friday.

The train, regular passenger No. 25, which was due in Artesia at 7:23 o'clock, was running late and out of Artesia at 8:02 o'clock.

The children, daughter and son of J. C. and Addie Hardin Lauderdale, were both born in Artesia, Mary Frances on Aug. 19, 1925, and Lee on Sept. 11, 1933.

Funeral services will be at 2:30 o'clock this afternoon from the Church of Christ in Artesia by the Rev. Allen E. Johnston, pastor. The bodies will be taken to Hope for burial.

Boys' Ranch—

(continued from page 1) day, Mrs. Crozier said Boys' Ranch is "100 per cent splendid and a wonderful place." She spoke of the great work being done with young boys there and of the chance they are being given through the privilege of belonging to Boys' Ranch, which is similar to, though smaller than, Boys' Town. It has been operating since 1934.

Those who made up the carload of alfalfa: B. E. Green, J. L. Taylor, I. S. Reser, Charles Rogers, Irvin Martin, A. B. Coll, H. G. Smith, Charles Martin, Paul Terry, J. E. Huulik, J. W. Bradshaw, Mrs. G. B. Dungan, J. W. Berry, Jim Vogel, Robert Vogel and W. T. Haldeman.

Junior Band—

(continued from page 1) special music for the various programs.

At the Spanish-American program by the band last Thursday evening, J. B. Bryant presented flowers to Sra. Martina Lopez, 109, oldest woman in New Mexico. Sra. Lopez in turn gave a flower to each little girl who came up to shake her hand. The aged woman, to whom a number was dedicated, was brought to the concert by the Rev. Constantino Gonzalez.

Tex Henson—

(continued from page 1) over Tom Sivity 1-up.

A special flight has been made up of sixteen players who did not qualify for the regular flights. Pairings: Howard Stroup and E. J. Foster; Boone Barnett and John Shearman; Lynn Buford and Stanley Wasson; Fred Henderson and Lee Francis; M. G. Schulze and Howard Whitson; Harvey Yates and J. S. Ward; Vernon Bryan and Roy Langston; Martin Yates, Jr., and Hugh Kiddy.

NO ONE IS INJURED IN HOUCY CAR WRECK

No one was injured Sunday afternoon when an automobile driven by Mrs. Ernest Houy hit a bridge eleven miles east of Pecos, Tex., on the Fort Stockton highway and all four fenders were torn off.

She was taking her sisters-in-law, Dorothy and Verdie Houy, to their home at Fredericksburg, Tex., after a visit with Mr. and Mrs. Houy, and was accompanied by Miss Louise Denny of Carlsbad. After the accident Mr. Houy drove to the scene and took his sisters on to their home. He returned here last night.

Insurance Cotton Crops Is Planned By Ag Department

Up to 50 or 75 Per Cent of the Average Yield for 1942 Season

Machinery for application of the U. S. Department of Agriculture's cotton crop insurance program to the 1942 cotton crop is being perfected by the Federal Crop Insurance Corporation in Washington.

Details will be worked out in plenty of time so that all cotton growers in the state can apply for insurance on their next year's crop before seeding. Growers will be able to insure 50 or 75 per cent of their average yield. The insurance will protect them from unavoidable hazards, such as drought, insects—including boll weevils—flood, plant disease, wind, fire and hail.

Guaranteed yields will be figured in terms of pounds of lint cotton, as will premiums. Premiums, O'Chesky said, will be based on the crop-loss history of individual farms, adjusted to reflect the crop-loss experience of the county in which the farm is located. Both yields and crop-loss averages will be figured on the basis of historical or appraised productivity over a period of years.

Premiums for individual growers also will be figured on a lint cotton basis, although payment of premiums will be made with a commodity note. All applicants for cotton crop insurance will sign commodity notes guaranteeing to pay their premiums on or before the date of maturity.

Payment of the notes may be made in either cotton or the cash equivalent on or before maturity. If the note is not paid when it matures, the cash amount of the premium will be deducted from the indemnity paid the grower, if any, or from the first government payment he receives, such as a cotton loan, parity payment or AAA payment.

SANTA FE CARLOADINGS CONTINUE TO INCREASE

Santa Fe carloadings for the week ending July 26 were 24,158, compared with 19,652 for the same week of 1940. Received from connections were 8,529 compared with 5,292 for the same week in 1940. The total cars moved were 32,687 compared with 24, 944 for the same week in 1940. The Santa Fe handled a total of 33,599 cars during the preceding week of this year.

Naval Reserve Positions Open In All Classes

The regular Navy recruiting service now has been authorized to enlist all classes of naval reservists. Changes made in the regulations governing enlistment in the Naval Reserve make it possible for men between 17 and 50 years to find a position open to them in the service which meets their qualifications and desires.

Some men about due for Selective Service training found that they were qualified for work in the Naval Reserve similar to that which they worked at in civil life. They have been enlisted. Men who have had training in vocational or business schools, or who have experience which fits them for some duty or special duty in the Navy, will be enlisted for such duty in a grade depending on their position in civil life.

There is an urgent need for services in the Naval Reserve at the present time for those having knowledge of these specialties: Stenographer, typist, pharmacist's and medical technicians, diesel engine workers, machinists, electricians, carpenters, aviation ground workers, radiomen and signalmen.

New Mexico Indian Corn Attraction at Boston Convention

New Mexico isn't a major agricultural area, but corn produced here is one of the outstanding attractions at an exhibit put on by the state, according to Joseph A. Bursey, director, New Mexico Tourist Bureau.

At a recent exhibit for the benefit of the school teachers attending the national education convention in Boston, Bursey said, colored corn grown by the Pueblo Indians drew more attention than any other single item, with the possible exception of Navajo Indian jewelry.

Most of the teachers had never seen colored corn, and most of them asked if it had any special significance. They wanted to know if the Indians held husking bees and whether the braves were allowed to kiss the maidens of their choice when they found blue ears of corn or whether they had to stick to the conventional red ears.

Strings of chili also attracted special attention and many teachers insisted on carrying away chili pods as souvenirs, Bursey said.
