Traffic Safety School Begins Here on July 7

State Director Pickett Meets Group Heads Tuesday, Makes Final Plans for Sessions at Woman's Club.

Representatives of more than a dozen Artesia organizations decided definitely Tuesday afternoon to have a traffic safety school under the sponsorship of the New Mexico Traffic Safety Council and Ingram Pickett, state safety director, announced the school would start Tuesday evening, July 7, for everybody 14 years old or older.

Pickett, who was here to make final plans for the school, said there will be sessions from 7:30 to 10 o'clock on four successive Tuesday evenings. Mrs. C. C. Dannenbaum, president of the Artesia Woman's Club, offered the use of the clubhouse, where the school will be held.

The safety director said he hoped as many as 150 local people would sign up for the course, which, he warned, is a stiff one. "You may have been driving for twenty or more years without an accident and think you know all the answers," Pickett said, "but you will be surprised the many phases of traffic safety you do not know, until you take the course."

He said that at the first session, which will be instructed by him, the class members will be taught how to save tires, gasoline and cars and that there will be discussions on driver and pedestrian attitude.

At that time a booklet, "Sound Driving Practice," will be distributed, to be studied before the next Tuesday evening, at which time an examination of sixty questions will be given. The second meeting will be in charge of John Kennedy, assistant traffic safety engineer of the State Highway Department. He will explain signing the highways and the whys and hows of highway signs.

Pickett said state police will be in charge of the third session on July 21. At that time a second examination, consisting of twenty questions, will be given. The safety director will return to Artesia for the fourth session, when blackout driving and evacuation will be taken up. The final examination will be given at that time. Pickett said that all who successfully pass the course will be given appropriate certificates. (continued on last page, column 6)

Artesia Pharmacy Is Badly Damaged By Fire in Night

Petty Estimates 80 Per Cent Loss in Blaze Early Sunday Morning

The stock and fixtures of the Artesia Pharmacy were badly damaged by fire, smoke and water early Sunday morning in what firemen found to be one of the hardest blazes to fight they have encountered in several years. The alarm was at 12:50 o'clock.

Ralph Petty, owner, estimated the loss at possibly 80 per cent. The blaze, which apparently started in or near the ceiling at the rear of the main room, did not reach a large area, but it could not be reached by water until a side door had been broken out and shelving against it had been smashed out of the way.

An attempt was made to reach the fire from the front door, but heat and smoke kept firemen from entering the building and they could not see the exact location of the blaze, although they knew in general where it was. The same difficulty was encountered in trying to reach it through a door to the prescription department, linked with the problem of getting around a partition.

However, the blaze was under control within a few minutes after it was possible to throw water through the door, which had been obstructed by the shelving. Firemen also threw water from the roof and kept the flames from spreading there, after they had broken through, but the sea of the fire was on the inside.

Apparently the fire originated in (continued on last page, column 5)

Youths 18 to 20 Are to Register On Next Tuesday

A new group of potential war manpower from New Mexico, an estimated 15,000 youths between the ages of 18 and 20 years, will undergo the first step in mobilization next Tuesday, June 30, when Selective Service holds its fifth registration by proclamation of President Roosevelt and Gov. John E. Miles.

The registration will affect all men born between Jan. 1, 1922, and June 30, 1924, and youths born on those dates. The process of registering the younger age group will be carried on in the same manner as previous registrations.

"Although men in the 18-20 age group are not immediately available for military service, they do represent a vast pool of potential manpower from which the armed forces can draw as the war progresses," said Brig. Gen. Charlton, state director of Selective Service. The present minimum age for military service under Selective Service is 20 years.

Although no official announcement has been received, it is presumed registration places in Artesia and North Eddy County will be the same as for previous registrations. At the fourth registration, the American Legion hut, Central School and the city hall were designated for Artesia and the hours were from 7 o'clock in the morning to 9 o'clock at night.

Dunnam Named Vice Chairman Of State GOP

Bill Dunnam of Artesia, Republican county chairman, was named vice state chairman for the fifth judicial district, consisting of Eddy, Lea and Chaves Counties, at a meeting of the Republican state central committee in Albuquerque, from which he returned home Tuesday.

The principal work of the committee, according to Dunnam, was to fix the date for the state convention and to take action on the resignation of Cyrus McCormick, national committeeman from New Mexico, and select a successor.

July 20 was fixed as the date for the Republican preprimary convention and the location was left up to Benson Newell, state chairman. Because of its central location, it is believed Albuquerque may be selected.

McCormick's resignation was submitted because he found his war job, automobile division chief of the Office of Price Administration, would require all of his time and prevent him from taking an active part in the election this fall.

The committee's unanimous choice for his successor was Albert Mitchell, former Republican candidate for United States senator and also a former candidate for governor. Mitchell was in Washington on business and it was impossible to contact him to find out whether he would accept or reject the post.

Because of transportation difficulties to be faced in the coming campaign, it was decided to select a vice or assistant chairman to the state chairman in each of the state's judicial districts.

GEORGE WEBB DROPS IN BY PLANE ON PARENTS

George Webb, a senior at Eastern New Mexico College, Portales, surprised his parents, Mr. and Mrs. J. W. Webb, last Thursday, when he dropped in by airplane on one of his first cross-country flights, only a short time after receiving his pilot's license.

He had the distinction of being the only civilian pilot training student in his class at the college to receive his pilot's license at the time of graduation.

New Mountain Mail Schedule to Mayhill Is Effective July 1

A new mail schedule for the mountain star route, effective July 1, was announced this week by Jesse L. Truett, Artesia postmaster.

Lowell Davis, to whom the contract has been awarded, is to leave the Artesia postoffice at 8:30 o'clock in the morning. He is scheduled to arrive at Mayhill at noon and leave there at 12:45 o'clock, returning to Artesia at 4:15 o'clock in the afternoon.

Other routes, to Weed, Sacramento, Pinon, Cloudfcroft and Alamogordo, remain the same.

Many Tons Rubber Being Brought in To Gas Stations

But More Can Be Found Between Now and End of Drive on June 30

Many tons of scrap rubber have been brought in to service and bulk stations in Artesia, but there still is a huge amount to be found, according to Odis Holly, chairman of the North Eddy County conservation board.

It is impossible to estimate the actual amount sold or donated, but it runs up into the thousands of pounds.

Service stations in the mountain areas this week had long windows of old tires and other scrap rubber, waiting to be hauled to bulk plants, from there to find their way into war production.

Many tales are being told about the rubber drive, in which a few ounces will be as welcome as larger amounts, for the total of all that everyone in the nation can scratch up is what counts in the long run, Holly said.

There was the little fellow who was caught taking the rubber heels off his father's boots and another boy, for months had hopes his old tricycle could be repaired, willingly had his father remove the solid tires for his contribution, at the same time saving the old wheels for the next iron drive.

Many strange objects have turned up in the various piles, but the greater part of the total weight is made up of old tires. "And," Holly said, "you can bet they are really old ones without another mile left in them, for those which still will hold air with a bit of faith are in service."

Holly and bulk service station men urge everybody to have another look around and bring in all the old rubber by next Tuesday, June 30. For fear there will be a last-minute deluge, as many persons as can should bring in the rubber this week end, it was pointed out.

Valley Bankers Meet in Artesia Saturday Night

Hollis G. Watson, president of the First National Bank of Artesia, and two other Pecos Valley bankers gave a report of the recent convention at Taos of the New Mexico Bankers Association, at a meeting here Saturday evening of regional clearinghouse No. 3 of the association.

The meeting Saturday was on the Roof Garden of the Artesia Hotel, with the First National Bank of Hagerman as host.

Others who reported on the recent convention were Floyd Childress of the First National Bank of Roswell and R. T. Spence of the Carlsbad National Bank.

J. E. Robertson of the American Bank of Carlsbad, formerly of Artesia, was introduced as the new president of the New Mexico Bankers Association.

There were discussions of the bankers, part in handling War Savings Bonds and of the regulations in regard to loan and installment buying. Frank Snow of the Carlsbad National Bank, president of the clearinghouse, presided.

About forty persons were present, including the entire personnel of the First National Bank of Artesia.

Artesia Scouts Honored Tonight In Band Concert

The weekly band concert in Central Park at 8 o'clock this evening will be dedicated to Artesia Boy Scouts, Sea Scouts and Cubs. It will be sponsored by the Artesia 20-30 Club.

The program, as announced by E. L. Harp, director: The Star Spangled Banner, Smith; March, Gallant Marines, King; Indian camp dance, Tonawanda, Wendland; Intermezzo, Argentina, Olivadoti; Russian Overture, Glazoff; waltzes, Love Eternal, Brooks; Overture, Sequoia, McCaughy; march, Anchors Aweigh, Zimmerman.

Unison baton twirling by Artesia flip baton twirling trio, Stella Baker, Peggy Joe Bentley and Virginia Johnson, pupils of Ann Crouch; We Must Be Vigilant, from American Patrol, by Meacham, arranged by Burke.

Whitson Names Committees of Legion for Year

Refreshments—P. V. Morris, chairman; Dan Bynum, John Simons.

Feather Urges All To Secure 10 Per Cent War Buttons

Persons Investing That Amount of Income in Stamps and Bonds Entitled

L. B. Feather, chairman of the North Eddy County war savings staff, said a concerted effort is being made to have all wage earners invest 10 per cent of their earnings, which will entitle them to wear the new 10 per cent Treasury buttons and display appropriate stickers in their front windows.

However, he said he fears many people in North Eddy County will have to step up their savings in War Bonds and Stamps before they will be entitled to wear the buttons, as purchases in May were the lowest since the war started and the current month up to June 20 likewise was lagging far behind.

The May purchases in North Eddy County in May were only \$17,737.50, Feather said, compared with \$24,187.50 in December and \$27,075 in January. Through June 20 purchases for the current month were \$10,912.50, which is running behind May.

Totals for other months: February, \$21,943.75; March, \$22,650; April, \$26,500.

The buttons and stickers, evidence of the fact the wearers are investing 10 per cent of their incomes in War Bonds and Stamps, have been received by Feather and he has them at the First National Bank for distribution.

"The Treasury Department wants every person to have one of the buttons and stickers," said (continued on last page, column 6)

LaVerle K. Stout of Artesia at Randolph Field for Training

Aviation Cadet LaVerle K. Stout, 23, son of Mr. and Mrs. G. Kelly Stout of Artesia, is one of three New Mexico boys just admitted to Randolph Field, Tex., the "West Point of the Air," for the second phase of their training as Army Air Force fighting and bombing pilots.

Stout learned the "ABC's" of flying at Ballinger, Tex. After nine weeks at Randolph Field, he and his classmates will go to advanced flying fields, where they will win their wings and commissions.

The Artesia youth is a former student at Texas Tech at Lubbock, where he was a member of the American Society of Civil Engineers and Alpha Phi Omega.

Goat Ropers Obtain Twenty-six Brahman Calves From Texas

The Artesia Goat Ropers Club has a new herd of tricky roping stock, twenty-six head of Brahman steer calves, on which the boys are going to try their luck with ropes in the club arena.

They now are on feed and will first feel the ropes of the club members the Fourth of July.

The calves are from West Texas and club members said they will provide plenty of sport for ropers and spectators alike.

Sisters of the Most Precious Blood Are to Operate Artesia Memorial Hospital on July 1

HERE ARE THE SIREN SIGNALS

At the regular meeting of Artesia firemen and auxiliary firemen Monday evening, definite siren signals were worked out.

Chief Albert Richards said these signals will be used at all times in the future, unless the government releases standard signals for the nation, and suggests that they be learned, or that this item be clipped and tacked up in a convenient place.

One blast on small siren—Calling firemen to meeting.

Two blasts on small siren—Emergency for firemen, such as first aid call and the like.

Four blasts on small siren, pause and four more blasts—Air raid alarm. Refinery sirens also are to sound this alarm.

One long blast on small siren—All clear.

Big fire siren, with no special signal, but blown as much as deemed necessary.

—Fire.

Ration Stamps To Call for Two Pounds a Month

George E. Currier, local member of the Eddy County rationing board, announced that the Office of Price Administration has increased the value of sugar ration stamps Nos. 5 and 6 to two pounds each, but that each stamp will cover a period of four weeks instead of two weeks.

Under the new system the weekly ration will remain at half a pound a person, but sugar will be purchased for four-week periods, instead of every two weeks, which will be of considerable advantage to the retail merchants.

Currier explained that stamp No. 4, now valid for a pound of sugar, will expire at midnight, June 27. The next stamp, good for two pounds, may be used at any time thereafter until midnight, July 25, whereupon stamp No. 6 will become valid until Aug. 22.

Sometime before Aug. 22, OPA will announce the period of time to be covered by other stamps in the ration books.

It was evident that the move to make a stamp last longer would reduce the number of stamps which grocers would have to handle.

OPA disclosed that it would permit institutional and industrial users to obtain sugar allowances for a two-month period, instead of one month as now permitted.

COMPLAINTS MADE ABOUT LOOSE STOCK

Police Judge J. D. Losey said this morning that there have been a number of complaints about livestock in people's gardens.

There is a city ordinance requiring that stock be kept securely penned or tied and it is his intention that it will be enforced to the letter of the law, Judge Josey said.

Raid Precautions Class Is to Be AWVS Sponsored

A new air raid precautions class, sponsored by the American Woman's Voluntary Services, is to start Thursday evening of next week, the place yet to be decided. It will be taught by Miss Katherine Bowers.

Classes will be at 7:30 o'clock each Thursday evening for four weeks.

Anyone interested in the course may register by calling Miss Ethel Cave at the Mountain States Telephone and Telegraph office.

RAY LEWIS AND DON PIOR INDUCTED INTO AIR CORPS

Ray Lewis, son of Mrs. A. B. McGuire, and Don Pior, son of Mr. and Mrs. Ben Pior, were inducted into the Army Air Corps at Roswell Tuesday, after successfully passing their examinations.

They expect to be called within the next two or three weeks and probably will be sent to the West Coast for primary training.

H. B. Teague, 51, Of Artesia Dies Tuesday Night

Herman Benjamin Teague of Artesia, 51, died Tuesday morning at 6 o'clock in a Carlsbad hospital, where he had been taken Monday. He had been ill of dropsy.

Funeral services are to be from the Baptist Church at 2 Friday by the Rev. S. M. Morgan. Burial will be in Woodbine Cemetery.

Honorary pallbearers will be Judge J. D. Josey, Charles Rogers and John Robinson and active pallbearers will be Melvin Warren, Pete Shannon, Kirk Yeager, Ivan Coor, George Adams and Wes Shannon.

There survive Mr. Teague his widow and six children, all of Artesia, Willard Teague, Mrs. Fern Parish, Harlow Teague, Mrs. Lorraine Hoover, Hattie Jewell Teague and Nancy Joy Teague.

He also is survived by two brothers and four sisters: Silas and Oliver Teague, Welty, Okla.; Mrs. Lucy Lucas, Enid, Okla.; Mrs. Nancy Brown, Wewoka, Okla.; Mrs. Sally Sutherland, Montrose, Colo., and Mrs. Minnie Morrill, Macomb, Okla.

Mr. Teague was born April 1, 1891, at Pickett, Okla., a son of Robert Carson Bruce and Archoma Angeline Teague. While still young he united with the Baptist Church there.

He married Miss Minnie Belle Stites near Lawton, Okla., May 19, 1912. They moved to Corpus Christi, Tex., and came to Artesia Jan. 18, 1926.

Mr. Teague had worked as a laborer many years and for five years was employed by the Artesia Farmers Gin Company.

J. L. (Les) James Announces for Commissioner

J. L. (Les) James, prominent South Eddy County rancher and cattleman and member of a pioneer New Mexico family, Saturday announced his candidacy for the county commissioner's post from the third district, subject to the Democratic primary Sept. 12.

Throwing his hat into the political ring for the first time in his life, the man who has been a rancher in Eddy County for the last forty-four years made the following statement:

"I'm no politician, and this is the first time I've ever tried to get a public office. About all I can say is that if I'm nominated and elected, I'll do as good a job as I can to fulfill the work of the office."

"I'll try to do everything I can for the good of my friends and neighbors of Eddy County. I'll appreciate the votes of my friends, and of those who may not know me, and I'll try to repay them by being a good commissioner, if elected."

James seeks the commissioner's post from the section of South Eddy County, which includes Lovell, Otis and Malaga. He is well known there and throughout the county, having been active in stockmen circles throughout the Southwest for many years.

The candidate came to Eddy County in 1898 from Midland, Tex., where he was born. He now operates the Jones Brothers ranch which is located approximately thirty miles southeast of Carlsbad.

He is married and has two children, Harold and Corinne, who are living at home.

Hollis G. Watson of Artesia and his brother, Finn Watson of Hobbs, left Tuesday for Socorro, called there because of the serious illness of their cousin, W. B. Farrar.

Stores Are to Close All Day Saturday of Next Week, July 4

After polling managers of local stores, Arba Green, secretary of the Chamber of Commerce, announced this week that business houses in Artesia will close all day Saturday of next week, the Fourth of July.

However, the majority will remain open Friday evening for the same hours as is customary on Saturday evenings.

Store managers were of the opinion that Independence Day should be observed as usual, in spite of the war and the fact that it falls on Saturday this year.

Tentative Agreement Is Reached Between Nuns of Order from Carlsbad and City Council in a Meeting Tuesday.

WPA MUST SANCTION

Government Approval Is Necessary, Having Financed Institution.

Under a tentative agreement with the Artesia city council, the Sisters of the Most Precious Blood will take over operation of Artesia Memorial Hospital July 1.

The agreement was reached at a special meeting of the council Tuesday afternoon, at which two of the sisters from St. Francis Hospital, Carlsbad, were present to work out terms and other matters pertaining to turning the operation of the hospital over to the order, which operates the hospital in Carlsbad.

The change was made necessary after Mrs. J. W. Johns, superintendent of the local hospital since it opened in September, 1939, announced last week her intention to terminate her contract because the institution has been losing money.

Mrs. Johns terminated her contract at midnight Sunday, but she agreed to remain on salary until the first of the month, when the sisters will take over.

The tentative agreement is for a period of five years at a nominal fee, with the privilege of renewing for four more periods of five years, making a total of twenty-five years.

At the meeting Tuesday the sisters presented a copy of a similar contract between their order and the city of Stillwater, Okla., which probably will be used as the basis for the local agreement.

When it is drawn up, it must be approved by the WPA, which built Artesia Memorial Hospital, and by the Sisters of the Most Precious Blood and the city of Artesia.

However, it was indicated at the city council meeting Tuesday that the order and the city were in agreement as to the lease and the regulations to be followed in the operation of the hospital and that it will be signed by both parties as soon as approval from the government is received.

"WE WILL NOT LET THEM DOWN"

When the women of The 200th, organization of womenfolk of men in the 200th Coast Artillery, Anti-Aircraft Regiment, adopted as their motto, "We will not let them down," they did more than construct a sentence of six short words; they made a pledge.

And that pledge will outlive the brave women who, though weighted down with anxiety, are forging ahead, trying to do all within their power, that those boys not be let down, that those who gave their all did not die in vain.

Whether the fulfillment of their pledge and motto directly concerns those of the boys now in Japanese prisoner of war camps and those in the mountains of Luzon, or is the carrying out of activities directed to make the prosecution of the war easier for other boys and men, not their own, it is all the same.

To some of their sons, husbands and brothers they no longer can be of assistance—and they all know it. Their efforts to bring a spark of happiness to those who live can be of no help to those who have died. But that never will stop the women in their activities.

If a son, husband or brother is gone, then there remain those others of the 200th who may be helped. And if there were none of them, there still would be thousands and thousands of others. And the men of the 200th would have it that way, for the armed men still in active warfare are carrying on for those boys of Bataan and Corregidor, just as they are carrying on for everybody at home.

It is a splendid motto; it is a motto we all could make, a pledge we all could utter in great sincerity: "We will not let them down."

IN OUR OPINION IT IS HALLOWED

Maybe the marker of the 200th, dedicated in Santa Fe Sunday, June 14, is "preposterous" and "a hideous object," as termed by Miss Amelia Elizabeth White, Santa Fe "art patroness," but what of it?

We remember that somehow "Aborigine," our Indian doll, which we had as a baby, survived many house cleanings and we looked on it in wonder after reaching maturity.

What a torn, ragged, dirty remnant of what once had been a homely bit of cloth, cotton and leather, made up to resemble an Indian. Truly it never had been a piece of art. But we loved "Aborigine," because he had become a part of us.

That marker was a part of the 200th, and the members of the regiment were proud of it, just as we are proud of their accomplishments under fire.

We say that art object or no art object, it is just as unbecoming for an "art patroness" to belittle that marker as it would have been to ridicule "Aborigine" before us when we were in swaddling clothes.

BB GUNS ARE A MENACE

Complaints are being heard about boys with BB guns and .22's, about how they are shooting out windows, killing birds and endangering other people in some neighborhoods of Artesia.

One woman told us that the practice not only cost her a window but that a BB pellet struck her on the shoulder, a matter of only a few inches from her eyes.

The boys are partly to blame, but their parents are responsible to a greater extent, for allowing the youngsters to have the guns in the first place, and then permitting them to fire them at random within the city and to shoot at our birds—which are protected by law.

It is a dangerous practice, which must cease, or some of the victims of the guns are going to raise up in arms—a different kind of arms than BB guns and .22's.

Just because a gun is a "harmless" BB gun, or air rifle, and because it is fired by an "innocent child, who knows no better," is no excuse. Rifles of .22 calibre are even worse.

We hope this will get the job done. If it doesn't we are certain that some parents—as well as their children—will hear more about it.

THERE ARE OTHER NIGHTS

Almost every kind of entertainment costs the individual something to enjoy it, but a band concert is one type, which everyone can enjoy without personal expense.

Fortunate is the community which has a band and regular band concerts. Few cities the size of Artesia can boast this type of entertainment and we doubt if many of them pay as little attention to their bands and take them in their stride as we do here.

It is true that good sized crowds have been turning out for the Thursday evening concerts, but it seems there are many functions scheduled for Thursday evenings, which could just as well be held at other times. We do not refer to meetings of any nature which regularly come on Thursday by schedule. But we refer to incidental gatherings which are held at that time, when they could just as well be at some other time. If that were done, two occasions could be enjoyed, the band concert and the other.

BETTER WRITE A CODICIL

We see where Hitler has willed his brain to posterity. Sure, he has a brain; every beast has a brain of sorts.

It's the mind which counts, and even a twisted mind cannot be saved when the spark of life goes out.

But the soul! Memory of that can be preserved in the minds and hearts of men—if one has a soul—which Hitler has not.

AND SOMETIMES ONE'S TOO MANY

Funny thing about some of the government agencies is that they mimeograph news copy on both sides, in order to conserve paper, and then they habitually send two copies.

CHRISTIAN SCIENCE SERVICES 613 West Main

Sunday school, 10 a. m. Sunday service, 11 a. m. Wednesday service, 7:30 p. m. "Christian Science" is the subject of the lesson-sermon which will be read in all Churches of Christ, Scientist, on Sunday, June 28.

The Golden Text is: "Laying aside all malice, and all guile, and hypocrisies, and envies, and all evil speakings, as newborn babes, desire the sincere milk of the word, that ye may grow thereby."—(I Pet. 2:1,2.)

Among the citations which comprise the lesson-sermon is the following from the Bible: "For whatsoever things were written aforetime were written for our learning, that we through patience and comfort of the scriptures might have hope."—(Romans 15:4.)

The lesson-sermon also includes the following passage from the Christian Science textbook: "The footsteps of thought, rising above material standpoints, are slow, and portend a long night to the traveller; but the angels of His presence—the spiritual intuitions that tell us when 'the night is far spent, the day is at hand'—are our guardians in the gloom."

Visitors always welcome.

Sands of Time

FIFTEEN YEARS AGO

(From The Advocate Files for June 23, 1927)

The assessed valuation for Artesia for 1927 totals \$1,402,788, according to Assessor R. H. Westaway.

Crop conditions in the sector are normal, after the rains of the last ten days.

Mr. and Mrs. Lewis Story and children motored to Roswell Tuesday on business.

V. S. Welch returned Friday from Amarillo, where he spent several days on business.

The rains last week ran more than 10,000 acre feet into Lake McMillan.

Mr. and Mrs. Arba Green returned Sunday morning from their trip to Oklahoma and Missouri. They were accompanied here by their daughter, Helen, who was a student at the University of Missouri and will spend her vacation in Artesia.

E. B. Bullock on Tuesday was exhibiting on the streets a glass jar containing an assortment of screws, glass, a phonograph needle, a penny and various and sundry other articles, obtained from the stomach of his milk cow after a post mortem examination.

Life insurance year-end statistics showed great improvement in the last twenty years in the control of tuberculosis. Just twenty years ago, this was the greatest single cause of death among policyholders. In 1940, it accounted for only 4.8 per cent of all policyholder deaths, nearly one-third the 1920 rate.

Our new pastor, the Rev. Lonnie Vorheis, will be here Sunday to begin the new church year.

Mrs. Ben Marable was hostess last week to a few friends at a party complimenting Miss Madeline Prude on her birthday. Ice cream and individual cake squares were served during the evening, which was spent in social conversation. Those who enjoyed the evening were Mrs. Irving Cox, Mrs. Annie Reed, Phillip Reed, L. L. Prude and Mr. and Mrs. Ben Marable.

In the beautiful garden of the Johnson home, Miss Marjorie Johnson and Mrs. R. L. Cole were hostesses at a miscellaneous shower for Miss Margaret Williams, whose marriage to Bob Finche of Oakland, Calif., will take place in the near future. After the honoree opened her many beautiful gifts, she talked of interesting sights and experiences she had during her stay in Panama. At a late hour after a very pleasant afternoon the guests departed.

To Streamline Defense Council At Meet in July

About 905 letters of invitation to attend a two-day session of New Mexico's State Council of Defense in Albuquerque July 11-12 have been sent to federal, state and civilian defense agencies, Gov. John E. Miles announced. The meeting is designed to perfect and place in operation a streamlined plan for the state defense body applicable to

New Mexico.

Among speakers invited to address the parley are James M. Landis, national OCD director; Paul V. McNutt, Federal Security Agency

director; Donald M. Nelson, WPB chairman, and Joseph B. Eastman, director of the defense transportation section of the Office of Emergency Management.

The program for the two-day meeting will include both addresses by key men in civilian defense activities and group discussions, Lieut. Col. E. L. Safford, chairman,

said. Representatives from more than a dozen state agencies, eighteen federal agencies in the state, transportation groups, the Red Cross,

medical services, the Nursing Council on Defense, twenty-nine units of the AWVS, OCD chairmen and county coordinators, the Boy Scouts and veterans' organizations

will participate. Mr. and Mrs. C. C. Dannenbaum and daughter, Carlyn, made a week end business trip to Albuquerque.

SAFEWAY Homemakers' Guide

NUMBER 40 ★ Seven thirst quenchers easily prepared at home ★ How to save pennies for War Stamps ★ About Sugar Substitutes in Baking ★ A short, short story at a glance

How to offer real Fountain-Service right in your own home

You can't find cooler, more sparkling summer drinks than these 7 thirst-quenchers that were planned by the Safeway Homemakers' Bureau. And best of all, they were planned so that you could easily prepare and serve them at home.

PETER PIPER PUNCH

Combine 3 cups orange carbonated beverage, 2 cups ginger ale, and 2 cups grape juice. Chill thoroughly. Just before serving add thinly sliced orange slices and maraschino cherries. Pour into punch bowl over cake of ice. Serves 8 to 10.

CITRUS FLITZ

1/2 cup lemon juice 1/2 cup orange juice 1/2 cup grape juice 1/2 cup ginger ale 4 cups boiling water

Mix lemon juice and sugar, stirring until sugar is dissolved. Pour water over tea in heated container; cover, steep five minutes; pour tea immediately from leaves. Cool. Add tea to lemon juice and sugar. Just before serving add ginger ale. Pour into tall glasses over crushed ice or ice cubes. Top with orange ice and serve at once. Serves 8.

PEPPERMINT ALE FIZZ

1/4 lb. or 1/4 cup finely ground peppermint stick candy 1 1/2 cups whipping cream 1 qt. ginger ale 1 qt. orange ice

Put candy through food chopper, using coarse knife. Whip cream until stiff. Fold candy into cream. Pour into automatic refrigerator tray. Place in freezing unit. Set control at coldest point and freeze until mixture is firm. Place serving of peppermint cream in tall glass. Fill glass with ginger ale. Mix well. Serves 6.

COFFEE COOLER

Fill tall glasses 1/2 with crushed ice and a scoop of ice cream. Pour in freshly-made, hot double-strength coffee.

RASPBERRY FLIP

Make 4 cups strong tea; chill. Combine No. 1 can (or 2 cups fresh crushed) raspberries with 1/2 cup sugar; boil 5 minutes; strain. Chill. Combine tea, raspberry syrup, 1/2 cup lemon juice, and 2 cups orange juice or orange soda beverage. Pour into tall glasses over crushed ice or ice cubes. Serves 6 to 8.

GRAPE JUICE

Because it is naturally sweet, grape juice is a special boon during this sugar-conscious period. Combine it with carbonated water, ginger ale, lemon, grapefruit, orange or pineapple juice; or dilute it to taste with ice water.

TROPICAL PUNCH

Whip 1/4 cup mashed ripe banana until creamy; combine with 1 1/2 cups cold milk; add 1 tbsp. pineapple juice; pour into a tall glass; top with a dash of nutmeg and garnish with a stick of cinnamon. Makes one 10-oz. serving.

What to substitute for sugar in muffins and fruit pies

You can use any of the substitutes for sugar in making muffins—maple flavored or corn syrup, honey, molasses (light or dark), sorghum and brown or maple sugar—in the same amounts as the amount of granulated sugar called for in your favorite recipe. Mix the liquid type sweeteners with liquid ingredients, and proceed as usual. Baking temperatures remain the same.

Note: Dried fruits or chopped nut meats combine well with the flavors of sugar substitutes in muffins; they also add nutrition and dried fruits add sweetening.

In fruit pies, maple flavored syrup or corn syrup can be used this way: In place of 1 cup granulated sugar, use 1/2 cup syrup plus 1/2 cup granulated sugar. Mix with prepared fruit before putting it in pie shell (to distribute sweetening evenly and to prevent soaking of the pastry). Baking temperatures remain the same.

When you use brown or maple sugar, honey or molasses (light or dark): Use an equal amount of substitute in place of the granulated sugar called for and proceed as outlined above.

To sweeten fresh or cooked fruits, use any of the sugar substitutes according to your taste.

And remember you'll find any of these substitutes for sugar at your nearby Safeway Store—and low priced too—every day!

Artesia Lions Have Ladies' Night Banquet, Roof Garden Wednesday

Members of the Artesia Lions Club and their wives and sweethearts enjoyed a ladies' night banquet on the Roof Garden of the Artesia Hotel last evening, when Guy (Whitey) Roberts, incoming president, and other new officers for the 1942-43 year were installed.

The installation was during an informal Lions meeting at the banquet table, with Fred Cole, the club's first president, serving as installation officer.

Dr. Glenn Stone, president the last year, relinquished his gavel to the new president.

Installed with Lion President Roberts were: First vice president, G. E. Kaiser; second vice president, Ormand Loving; third vice president, Wesley Sperry; "Tail Twister," Carl C. Dannenbaum; "Lion Tamer," Homer Borland; secretary-treasurer, Ray Cowan; directors, Dr. John J. Clarke, Jr., and E. J. Foster.

Starting a new custom, the retiring secretary-treasurer, Ed Shockley, was presented a past secretary's pin. Dr. Ed Stone was presented a past president's pin, as has been the custom of the club.

The Lions and their ladies were favored with a presentation of several talking pictures, including one showing the attack on Pearl Harbor, shown by J. R. Jaquet of Carlsbad.

About forty persons enjoyed the banquet and pictures, at the conclusion of which there was informal dancing.

Mrs. Earl Darst Is Elected President Of Council Thursday

Mrs. Earl Darst was elected president of the Christian Woman's Council of the First Christian Church at a regular meeting last Thursday at the church.

Others elected and installed to serve with Mrs. Darst were: Vice president and publicity, Mrs. Stanley Blocker; secretary, Mrs. Nevil Muncy, and treasurer, Miss Cora Rogers.

Mrs. Albert Richards was the installing officer. Mrs. C. E. Lannom, outgoing president, was presented a lovely gift for her splendid work the last year.

Also installed at this meeting were chairmen of the various committees. They were: Sunshine, Mrs. W. H. Ballard; world call, Mrs. Harold Crozier; house and yard, Mrs. C. E. Lannom; kitchen, Mrs. John Lanning, and work, Mrs. Frank Thomas.

The council presented Mrs. I. S. Reser, whose birthday was that day, a gift. Members of the church also presented Mrs. Reser a lovely birthday cake.

MRS. MUNCY ENTERTAINS AT LAWN PARTY FRIDAY

Mrs. Nevil Muncy entertained Friday evening with a fried chicken dinner and lawn party in honor of her daughter, Mrs. Larry Stockton, and Ensign Stockton, who left Saturday afternoon for Corpus Christi, Tex. Ensign Stockton arrived Friday from Annapolis, Md., where he has been the last month at the United States Naval Academy.

Those present were Ralph Stockton, a brother of Larry, and Mrs. Stockton, of White's City, who were on their way to Albuquerque where he was to enlist in the Army. Mr. and Mrs. H. L. Muncy, Mr. and Mrs. Earl Darst and son, Leon, Ensign and Mrs. Larry Stockton, and Mr. and Mrs. Nevil Muncy and Billie Jean.

ARTESIA WOMAN'S CLUB TO MEET WEDNESDAY

Mrs. C. C. Dannenbaum, president of the Artesia Woman's Club, has requested that all members of the club, officers and chairmen of committees attend the meeting at 9 o'clock Wednesday morning at the clubhouse.

After the meeting refreshments will be served.

MRS. EUPHRO WISDA TO LEAVE STATE COLLEGE

Mrs. Euphro Wisda has resigned her position at New Mexico State College, Las Cruces, and will go to Stephens College, Columbia, Mo., in September, as supervisor of Tower Hall.

Mrs. Wisda has been matron of McFie Hall at State College since 1930.

In Town Tomorrow
An experienced furrier showing "Fashion Furs" at The Vogue. You can trade in that old fur coat or get it restyled. You can save 12 months to pay.

Mrs. Morris to Head The Eight and Forty

Mrs. P. V. Morris was elected chapeau of the Eight and Forty of the American Legion Auxiliary at the First Christian Church Friday.

Others elected were: Secretary, Mrs. Ben Pior of Artesia; chaplain, Mrs. L. R. Conarty, and historian, Mrs. Hugh Hall, both of Carlsbad.

Mrs. Albert Richards, outgoing chapeau, presided at the meeting. Delegates to the state convention in Albuquerque, which meets today through Saturday, were elected. They are Mrs. Richards, Mrs. Alex McGonagill of Artesia, Mrs. Jim Michelet of Hagerman and Mrs. Hugh Hall of Carlsbad. Alternates are Mrs. Morris, Mrs. Pior and Mrs. Earl Darst of Artesia and Mrs. Ed Harshey of Hagerman.

Members of the Christian Woman's Council served a fried chicken luncheon. Covers were laid for Mrs. Ed Harshey and Mrs. Jim Michelet of Hagerman; Mrs. L. R. Conarty, Mrs. Hugh Hall and Mrs. F. W. Thacker of Carlsbad, and Mrs. Richards, Mrs. Morris, Mrs. Pior, Mrs. Darst and Mrs. Alex McGonagill of Artesia.

MR. ROGERS AND SON HONORED BY FAMILY

Charles Rogers and his son, Jack, were honored by the Rogers family Sunday, when Mrs. Rogers served a Father's Day and birthday dinner, complimenting her husband and Jack, whose birthday anniversary was Sunday.

Covers were laid for the two honorees and a daughter, Mrs. Harry Jernigan, and Mr. Jernigan of Hobbs; another daughter, Mrs. Edwin McCaw, and Mr. McCaw and their two children, Larry and Edwina, and Mr. Rogers' sister, Miss Cora Rogers of Artesia.

FATHER AND DAUGHTER CELEBRATE ON SUNDAY

S. O. Pottorff and the Pottorff infant daughter, Linda Marie, who was a year old Sunday, joined in a Father's Day and birthday celebration.

Here for the occasion was Mr. Pottorff's sister, Mrs. Gerald McKenna, and Mr. McKenna of Tucson, Ariz. Mr. and Mrs. McKenna left Monday, going by way of Roswell, where they expected to spend a few days before returning home.

Carlyn Dannenbaum Celebrates Eighth Birthday on Friday

Carlyn Dannenbaum, daughter of Mr. and Mrs. C. C. Dannenbaum, was honored at a birthday party Friday afternoon celebrating her eighth anniversary at the home of her parents.

Decorations carried out the red, white and blue color scheme. Favors presented each guest were balloons and tops.

Carlyn was presented many lovely gifts. Dainty individual cakes carrying out the patriotic colors topped with the figure eight were served with ice cream after several amusing games were played.

Those present on this occasion were James Royce Cole, Delores Platter, Lyle Dickey Bert, Robert Doyle Cole, Billie Ray Bynum, Marilyn Saikin, Betty Lou Bruce, John Roberson, Larry Duncan, Mary Catherine Pottorff, Barbara Martin, John Mauer, Nila Naylor, Myrna Sue Henderson and Nancy Hamilton.

The bride party stood before an improvised altar banked with cypress and lighted by cathedral tapers. White peonies were arranged in a wall niche at the side and were used in decoration throughout the home.

The bride, who was given in marriage by her father, wore an afternoon costume of ice blue sheer with matching accessories and a corsage of orchids. Miss Jeanette Russell and Miss Kathryn Highams were bridesmaids and John R. Brown, brother of the bridegroom, was best man.

Mrs. Hardendorf, mother of the bride, wore a pale green sheer dress with a corsage of yellow orchids.

The bride attended Ward-Belmont, Nashville, Tenn., and the University of Texas, where she was a member of Kappa Alpha Theta sorority. The bridegroom is a graduate of the University of Colorado, where he was a member of Chi Psi, social fraternity, and Delta Sigma Pi and Sumalia, honorary fraternities.

A reception followed the ceremony. The bride's table was lace covered, centered with an arrangement of bouvardia and maidenhair flanked on either side with white tapers in crystal candelabra and a lovely wedding ring cake.

After a wedding trip to New Orleans, La., the couple will live in Houston.

Cabot-McNabb

Miss Madge Cabot, only daughter of Mr. and Mrs. N. H. Cabot of Artesia, and Charles McNabb, Jr., son of Mr. and Mrs. A. L. McNabb of Vega, Tex., were married at 8

o'clock last Thursday evening at the Baptist Church in Lubbock, Tex. The single ring ceremony was read by the Rev. V. W. Allen.

The bride wore a navy blue chiffon street dress with navy blue and white accessories and a corsage of gardenias and roses. Attendants were Mrs. V. W. Allen of Wolf-orth, Tex., and Mr. and Mrs. Brodie Darby of Lubbock.

Mrs. McNabb is a graduate of Artesia High School and attended an Amarillo business college. She has for the last year been secretary to W. E. Kerr, superintendent of the Artesia schools.

Mr. McNabb is a graduate of Vega High School and now is employed by the Texas Company at Vega.

After a short wedding trip, the newlyweds will be at home at the Miller Apartments in Vega.

Henderson-Cawyer

Miss Willie Henderson and Fred Cawyer, both of Lake Arthur, were married Saturday afternoon in Carlsbad at the Presbyterian manse by Dr. W. S. Dando, pastor of the church.

Ladies of the Baptist Church entertained Tuesday afternoon at a shower complimenting Mr. and Mrs. Walter Bynum, who were married Saturday, at the home of Mrs. C. F. Powell with Mrs. C. L. East, co-hostess.

Many lovely gifts were presented the honorees, which were arranged in a basket and brought in as a laundry.

Refreshments were served after the gifts were unwrapped and passed for all to admire.

Those present were Mmes. J. D. Josey, Ed Jackson, S. M. Morgan, C. T. Hegwer, L. B. Coleman, Burr Clem, L. G. Monschke, T. E. Brown, R. L. Bynum, Welby Meaders, Wesley Sperry, G. W. Hope, J. B. Cox,

Vets Are Asked To Help Enlist Special Pilots

Men between the ages of 18 and 37, who may not be able to meet the rigid physical and mental requirements of combat pilots, are urged to enlist in the Army Air Force to train as specialists in four kinds of flying, glider pilots, service and liaison pilots, instructors and airline co-pilots, according to information received by officials of the local American Legion post, who are requested to help sign up 13,350 men for these branches.

Those in the age group, 18 to 26 years inclusive, can be accepted only if they have been unable to pass the requirements of the Army for flying cadets.

Courses are conducted on a full-time basis and will cover a period of eight weeks, except the liaison pilots' course, which will take ten weeks. Substinence and health and accident insurance will be provided for trainees. Training starts July 1.

For further information men may contact Legion Commander Howard Watson or Adjutant Bill Dunnam, 403 Quay Street.

Safety Director on Program Tuesday at Rotary Club Lunch

Ingram B. Pickett, state safety director, who was here Tuesday to discuss a traffic safety school in the community, spoke briefly at the weekly Rotary Club luncheon Tuesday noon.

The club went on record endorsing the school and Rotarians and their families were urged to enroll. A letter from Pvt. Charles Bullock, a former active member of the Artesia club and now an honorary member, to his father, E. B. Bullock, an active member, and his mother was read during the meeting.

The younger Bullock is with the 140th Radio Signal Intelligence Company at Kern County Air Field, Bakersfield, Calif.

Carl Arnold Defeats Bob Crosby to Hold Steer Champ Title

Carl Arnold of Buckeye, Ariz., world champion steer roper, successfully defended his title and gained permanent possession of a \$1,000 sterling silver trophy in Roswell Sunday, when he defeated Bob Crosby of Roswell, former champion, in a twelve-steer match.

Arnold's total time was 507.5 seconds to 528.4 for Crosby, a leeway of 20.9 seconds. His time would have been better, but his twelfth and final steer jumped the fence and left the arena in 24.5 seconds, which time was added to his 22.5 seconds, required to rope a substitute steer. The roping, incidentally, was the best time of the afternoon.

RIDDLE APPOINTED ARMY INSTRUCTOR

Joe T. (Buster) Riddle, former coach at Artesia High School, has been appointed instructor in the United States Army Armament School at Lowery Field, Denver, Colo. Riddle, who was inducted into service, has been at Lowery Field about three months.

Mrs. Thelma Yates has just returned from Denver, where she visited with Mr. Riddle and his mother, Mrs. J. L. Riddle of Rawlins, Wyo. Mrs. Yates drove to Rawlins for the elder Mrs. Riddle and brought her to Denver for a visit with her son there and on to Las Vegas, where she expects to spend the summer with another son, Wayne Riddle, and Mrs. Riddle.

BILL ARMSTRONG TO REPORT FOR SERVICE

Bill Armstrong, son of Mr. and Mrs. Gail Armstrong of Roswell, who has been in charge of the Armstrong farm, formerly known as the Lanning farm, which is located directly east of the city, expects to report to Fort Riley, Kan., on July 2.

Young Armstrong, a reserve officer, has volunteered for service in the United States Army. He and Mrs. Armstrong left the first of this week for Roswell for a visit with home folks before going to Fort Riley.

State Game Warden Elliott Barker reported an unexpected increase in fish and game license sales for April and May—the first two months of the license year. Receipts for the period totaled \$13,626.15—an increase of \$1,318 over those for the two months of 1941. "That is very encouraging, but we are keeping our fingers crossed," said Barker.

Notice to the Public

Several Ways You Can Conserve Sugar

Miscellaneous ways to save sugar are suggested: Serve cooked fruits hot to enjoy their fullest flavor and sweetness. Save sirup from canned fruit to sweeten other fruit for immediate table use; to sweeten puddings, beverages and cereals.

Pinch of salt increases sweetening power of sugar in cooked foods, such as cereal and cocoa. Dissolve sugar in beverages, or make a sirup beforehand. Substitute fruit desserts for cakes, pies and rich pastry. Use desserts made with molasses and honey. Molasses furnishes additional food value.

Bread and muffins require little sugar. Replace with substitutes in exact amounts. Sweet yeast breads, as cinnamon rolls, may be served to replace rich cakes. Increase food value by using whole wheat flour. Use fewer or no frostings on cakes. Cook cereals with prunes, raisins or dates. Serve fresh fruits in season.

Mrs. Melvin Murphy returned home Tuesday from Fayetteville, Ark., where she accompanied for burial the body of her husband, who was electrocuted June 14 while working for the Southwestern Public Service Company. She was accompanied home by Mr. Murphy's twin brother, Marvin Murphy of Fayetteville, who will be here the remainder of the week.

Miss Lynn Ryan, a nurse at Artesia Memorial Hospital, accompanied by relatives from Texas, is spending the week visiting places of interest in this vicinity. They expected to visit Ruidoso, Cloudcroft, White Sands, El Paso and the Carlsbad Caverns before returning here Friday.

Miss Fayette Blakley returned Sunday from Clarksville, Ark., where she was called the week previous because of the death of her grandmother, Mrs. P. B. Blakley. Miss Blakley, a nurse at the Artesia Memorial Hospital, also visited her sister, Mrs. Lane Bougherty, and Mr. Bougherty, in Tulsa, Okla., on the return trip.

Mrs. J. W. Johns, former superintendent of Artesia Memorial Hospital, Mr. Johns and their daughter, Emily, expect to move to Albuquerque the first of next week. They will be located at 3604 East Silver Street.

Accompanying Mr. and Mrs. Johns to Albuquerque are Miss Fayette Blakley and Miss Lynn Ryan, nurses at the hospital, who expect to make their home with the Johns family.

Mr. and Mrs. Eugene Boans and their small son, Eugene, Jr., and John Boans, who has been assisting his brother on the truck farm near Sacramento, were in the city shopping and greeting friends the first of this week. They reported the mountains hot and dry with rain badly needed.

Women Are Entering Nurses' Aid Training In Civilian Defense

New Mexico's civilian defense program has begun to pay dividends in at least one branch of the service, Brig. Gen. R. C. Charlton revealed this week.

Nurses' aid training under the Civilian Defense program has resulted in several women going into hospitals to complete the courses in order that they can relieve the shortage of nurses who are rapidly being called to the Army.

Brig. Gen. Charlton said that the course is a "stiff one," requires eighty hours of basic training and 150 hours of hospital work before women can be qualified as nurses' aids.

THREE-WEEK-OLD TURK IS STRUTTING ALREADY

A turkey poult belonging to Mr. and Mrs. Walter Eghbert of the Cottonwood is feeling his oats quite young; he is strutting about the place only three weeks after pecking his way through the shell!

By comparison, his actions are about like a 3-week-old cockerel trying to crow, which isn't being done this year—even on the Cottonwood.

Use of Fireworks in National Forests Is Prohibited This Year

An order prohibiting the discharging of firecrackers and fireworks in the National Forests of New Mexico and Arizona because of the fire hazard has been issued by Frank C. W. Pooler, regional forester.

Pooler pointed out the lack of rainfall, increasing temperatures and drying winds in the Southwest, rendering the forests highly inflammable.

Violation of the order is punishable by a federal law, which provides a fine of \$500, or imprisonment for a year, or both.

The affair will be for the Legion's civilian defense program.

Miss Margaret E. Smith of Lincoln, Neb., who has been here visiting her sister, Mrs. M. C. Ross, and Mr. Ross for several weeks, expects to leave the latter part of this week for Green Mountain Falls, Colo., where she expects to spend the summer.

DON'T leave your tires on the pavement!

When wheels are out-of-line — your tires suffer. Wheels that wobble and shimmy grind away rubber. These and other misaligned conditions eat the tread away. Thus every mile you drive, small particles of rubber are left behind on the pavement. You can save your tires — get more mileage and save money by having your wheel alignment inspected at our shop on genuine Best Wheel Alignment Equipment. New Mexico Eastern Gas Company June 22, 1942 Dear Friends: Do you remember the controversy last summer about the amount of fuel oil that American railroads could haul to the Atlantic Coast in case of an emergency? At the time, hardly any oil was being hauled by rail; but the railroad executives stated they could transport 200,000 barrels per day. High-ranking Government officials contended it couldn't be done. Then came our entrance into the war, followed closely by a devastating submarine campaign. Oil tankers were sunk in great numbers. The nation had to turn to the railroads for transportation of the vital fuel to Eastern industrial areas. Have the railroads been able to make good their promise to create a tank-car service capable of delivering 200,000 barrels of oil a day? YES — and more than 650,000 barrels of oil. Moreover, they have promised that daily deliveries will be increased within a few weeks to 800,000 barrels. And, of course, the railroads are also hauling troops, war materials and heavy civilian traffic. This remarkable achievement constitutes striking evidence that when the American people get fighting mad they can accomplish ANY task. And — That is bad news for Messrs. Hitler, Hirohito and Mussolini. Sincerely Albert S. Johnson President

Heralded as the great Alfred Hitchcock's most brilliant directorial achievement to date, "Saboteur," which co-stars Priscilla Lane and Robert Cummings, comes Sunday, Monday and Tuesday to the Ocotillo Theater. Based on Hitchcock's own original story idea, the Universal film is motivated by the desperate efforts of fifth columnists to check Uncle Sam's drive for victory.

Highlighting "Saboteur" is a cross-country chase in which Cummings, portraying a Glendale, Calif., aircraft factory worker falsely accused of sabotage, sets out to track down the real saboteur in order to clear his own name—a man-hunt that is brought to a climax in New York Harbor. The plot is fast moving, covering, as it does, a time elapse of only five days as its characters are sped across thirteen states.

Heading the roster of 1,500 players appearing in support of the two stars is Norman Lloyd, who has recently climbed to fame on the Broadway stage, and who was imported to Hollywood by Hitchcock to play the title role. Other featured thespians include Otto Kruger, Alan Baxter, Alma Kruger, Clem Bevans and Dorothy Peterson.

About 500 Animals Trapped in Southern New Mexico Drive

Federal hunters have trapped about 500 animals, mainly coyotes, in rabies control work in Southern New Mexico since April 1. L. H. Laney, Fish and Wildlife Service district agent, reported Thursday.

The drive was resumed two months ago following an outbreak in which several people underwent treatment for suspected infection, Laney said.

Coyotes spread the disease among dogs and stock.

The drive has centered near Las Cruces and Deming, with work also being done in the Silver City district.

Laney, said no outbreaks of the disease have been reported since the one in April. Eleven hunters are employed, he said.

Mr. and Mrs. Jack Connor and Mrs. Faye Grimlan left Monday for Temple, Tex., for a visit with Sgt. Edward Boans, who recently has been transferred from the West Coast to a training Camp at Temple.

To my dear friends and the public: Please write your representatives and senators often and request that they visit the U.S. Naval Training Station at San Diego, Calif., as often as possible.

I notice that when men of this class visit us we get the best in food, that day. But in between visits the food isn't consumable for the average civilian.

Otherwise, I might state that the Navy is 100 per cent. Yours truly,

I will write just a few lines to let you know that I have transferred and I want my Artesia Advocate to be sent to my new address, which is at the heading of this letter.

I want to take this opportunity to thank the person or persons responsible for getting The Advocate. I understand that it is the American Legion that was responsible. You may never know just how much it really means to the boys in camp to get the home town paper, but it really gives us a "lift" when we are blue and downhearted and I hope that all the boys in camp are able to get The Advocate. PLASTIC TAX TOKENS READY FOR MERCHANTS

Gail S. Carter, sales tax director, announced his division had received a supply of new one-mill tax tokens and was ready to distribute them to merchants.

The new tokens are made of a plastic material. They are a little larger than a nickel and much bigger than the former aluminum pieces, supply of which was cut off by war demands.

In fact, they'll make pretty good poker chips.

Regulations About Catfish Clarified By Warden Barker

Points Out Rules After Seizure of Many Trotlines in the Pecos Valley

The catfish seems to be a much-prized game fish with many Pecos Valley sportsmen and yet many fishermen do not take the trouble to inform themselves of the regulations that govern the sport, Elliott S. Barker, state game warden, declared, after receiving reports of the seizure of many trotlines found set out in the daytime.

"We don't want the trotlines, and we don't want to spoil anybody's fun, but the laws must be observed or else," he said.

The Game Law Digest should be asked for by everyone who buys a license and read over carefully, and carried for reference, Barker said. It is better than aspirin to save headaches for both sportsmen and the game warden.

Here are a few simple rules about catfishing given by Barker to clarify any doubtful points:

Trotlines or setlines may be used at night only, that is from a half hour before sunset to an hour after sunrise.

No line with hooks on it, whether baited or not, may be left set in the water during the daytime. If all hooks are removed the line may be left set.

No live bait may be used and if dead minnows are used, they must be cut in two so that not more than two-thirds of the minnow is in one piece.

Not more than five lines per person may be used, with not more than twenty-five hooks in all. That means a fisherman may use one line with twenty-five hooks or less, or five lines with not more than twenty-five hooks all told in the five lines.

Tying or joining together of two or more lines belonging to different persons is prohibited, unless the total number of hooks on the combined lines does not exceed twenty-five.

The size limit on channel catfish is nine inches. There are two kinds of channel catfish, but each kind has a forked tail easily distinguished from the bullheads and yellow and mudcats, which have a square or convex tail.

The bag limit on channel catfish is twenty-five pounds and one fish, while the bag limit on bullheads, yellow and mudcats is not to exceed twenty fish or twenty-five pounds and one fish.

A new regulation requires that a tag be attached to all trotlines or

Mr. and Mrs. Jim Smith and Mrs. Roxie Clark of Lake Arthur went to Roswell Sunday afternoon to see Mrs. Clark's mother, Mrs. Dora Russell, who is in a hospital.

Mr. and Mrs. Bill Geren and two children and Mrs. Clarence E. Roberts of Carlsbad spent Saturday night and Sunday visiting in the home of Mr. and Mrs. John Buck here.

Mrs. Dora Russell of Lake Arthur fell at the home of her daughter, breaking her leg near the hip. Mrs. Russell is in a hospital in Roswell. Her daughter, Mrs. J. B. Crook, is with her. She is reported to be doing as well as can be expected.

Mr. and Mrs. R. A. Wardlow and children of LaFayette, Ga., have left for their home after a two-week vacation visit with Mrs. Wardlow's parents, Mr. and Mrs. Tom Terry, and other relatives. Mrs. Wardlow's sister, Miss Tommie Terry, accompanied them home for a four-week visit.

setlines bearing the name, address and license number of the owner. Untagged lines will be seized.

The game commission does not believe these rules are unreasonable and feels that they are necessary to properly regulate and preserve catfishing as a popular and profitable recreation for sportsmen, Barker said. And the game warden earnestly solicited the cooperation of fishermen in abiding by these simple rules.

Charles Ransbarger Learns Mountain Folks Relatives

Charles Ransbarger of Artesia, who has lived in the Artesia and Hope communities for the last twenty-five years, and Mrs. George Munson, of James Canyon, near Cloudercroft, in the Sacramento Mountains, first cousins, met for the first time Monday evening when Mrs. Munson called at the Ransbarger home here.

Mrs. Munson, who is 53 years of age, was born Ruth Evans, daughter of Mr. and Mrs. Marion Evans, at the family home in James Canyon. Mr. Ransbarger, now 60 years of age, was born in Roundrock, Tex. Their mothers were sisters. It was only recently that the two cousins learned the whereabouts of the other.

Mr. Ransbarger related that there were seven boys and three girls in his mother's family and Mrs. Evans that there were eight girls and two boys in her mother's family.

GAS APPLIANCE

Government Restrictions Relaxed

The War Production Board has relaxed restrictions on sales of GAS APPLIANCES, including the following:

- ★ YOU MAY PURCHASE NEW GAS APPLIANCES . . . if you do not already have those particular kinds of appliances in your possession.
- ★ ORDERS PLACED FOR GAS APPLIANCES PRIOR TO APRIL 17, 1942 . . . may now be filled. In other words, if you ordered a Gas-Fired Water Heater prior to April 17, 1942, but your order was never filled, you may now get IMMEDIATE delivery.
- ★ SECONDHAND GAS APPLIANCES . . . may be purchased without restrictions.

It has always been our policy to help our customers make the best and most economical use of their GAS SERVICE and we plan to continue this policy to the fullest extent possible. Latest model Gas Appliances are in our warehouse NOW ready for delivery to customers who qualify under the above classifications.

We invite you to consult our office for information about your Gas Appliance Problems. We'll help in every way we can.

Santa Fe and your WINTER WHEAT

● Once more the miracle of the winter wheat harvest is with us. Nature has been kind, in Santa Fe territory, and another bumper crop is indicated. Prices, too, are good.

That is a happy prospect, but it brings serious problems with it—both for you who raise the grain, and for us who move it.

You face a shortage of harvest labor, and a serious lack of storage space, at terminals and in rural bins, because of the unprecedented carry-over of old wheat. We face the job of moving a vast grain tonnage, in a short time, on top of the greatest railroad traffic load in history.

For example, in April, 1941, Santa Fe freight cars moved 108,131,891 miles. In April, 1942, that mileage had leaped to 142,823,878. A great part of that 32% jump represented war freight, that *must* move first.

Santa Fe pledges every possible help in moving 1942 wheat to points where it can be accepted and placed for use. Of you we ask prompt loading and unloading, and that no car be used for storage, even temporarily. Let's pull together and whip this war-born transportation problem, as we have so many others in the long years we've worked together.

AT YOUR SERVICE—Talk over your transportation problems with your Santa Fe representative. He'll be glad to help with practical suggestions.

the ceiling near the east side of the room and spread to the west, towards a roof vent over the kitchen.

After the fire had been extinguished, the rear of the store was a shambles, with drug stock, gift articles and sundries scattered about from the force of the water.

Although the attempt to reach the blaze from the front of the store resulted in some water damage in that section, it was not as great as at first feared. However, there was either fire or smoke damage to everything in the store.

Workers began clearing the store Monday morning, in preparation for repairing the damage and redecorating.

Petty said he intends to reopen as soon as possible, but would hazard no guess as to how long it might be.

He said his stock was insured, but anticipated somewhat of a loss nevertheless. The building, owned by Frank Watkins, also was insured.

War Buttons—

(continued from page 1)

Feather, "and they are ready for distribution through the firm by which you are employed, or through the bank after evidence of your participation has been established."

The buttons are red, white and blue, with "10%" in the center of a target. Stickers have an arrow hitting the center of the target and state: "We're buying at least 10%."

Both are issued in line with the United States Treasury's drive to enlist at least 10 per cent of the income of the wage earners of America in War Bonds and Stamps.

Every member of the family is entitled to wear the 10 per cent button when the wage earner is investing that amount of money, Feather said.

The school not only has the endorsement of the dozen or more local organizations represented at the meeting Tuesday afternoon, but of Mayor Carper, Police Chief J. C. Floore, Sr., Police Judge J. D. Josey and Justice of the Peace W. H. Ballard. The officials realize the value of such a course and are anxious that many local people take advantage of the opportunity to learn things, which will lead to generally improved traffic safety conditions.

Dr. Glenn Stone was elected attendance chairman for the school and is to keep in contact with organization representatives during the course.

Hospital—
(continued from page 1)

Councilmen were interested in the fact the sisters said there will be no discrimination among patients because of religious belief or creed and that charity patients will be cared for. They do reserve the privilege of refusing hospitalization in the case of communicable and venereal diseases, however.

The council indicated that a local board will be named by the city, to serve as liaison and advisory body.

CARD OF THANKS

I wish to express my sincere appreciation to the many friends of my late husband, Melvin Murphy, and myself, for the kind expressions and deeds of kindness and sympathy, especially for the floral offerings.—Mildred Murphy. 26-1tp

See How Your Home Will Look— BEFORE YOU PAINT!

New DuPont Paint Styling Guide Assures You the Colors You Select Are RIGHT!

With the new DuPont Paint Styling Guide, the selection of paint colors for interior and exterior home decoration schemes is made easy—and almost foolproof!

You select your colors from large painted color sheets—no longer have to choose from small chips! You readily see how the color will look when spread over a large area.

Then too, there are transparent overlays, on which are printed designs of typical rooms, and of exterior home views. When these overlays are placed over the color sheets, the color shows through on the surfaces that would logically be painted—you see the color you select as it will become a part of your home decoration!

Visit our store before you paint—consult the DuPont Paint Styling Guide—and be assured of a satisfactory paint job!
