

# National Guard Unit Here Is Taking Form

With the appointment of a commanding officer and two first lieutenants for the Artesia unit of the National Guard, the unit will be presented for formal organization during the week of Oct. 2, it was announced here today by Brig. Gen. C. G. Sage, adjutant general.

He said Tom J. Pickett has been appointed commanding officer with the rank of captain, and the first lieutenants are H. D. Sch and Leo F. Austin.

General Sage said the unit here will be Battery C, 697th Anti-Aircraft, Automatic Weapons Battalion.

Other batteries in the battalion will be at Roswell, Carlsbad, and Hobbs.

The 697th of the Pecos Valley and the 716th, with headquarters at Deming, will make up the 200th AAA.

General Sage said arrangements had been made with the city officials for them to use a portion of the city warehouse at 10th and Quay Avenue as temporary quarters, pending the construction of a motor storage building to be 50x100 feet. That building will be erected on city property, as will an armory in the future.

The general said the unit here will have an ultimate strength of six officers and 126 men, for the enlistment of whom the three officers appointed will strive immediately.

Men 17 to 35 years old without previous military service will be eligible, while those with such service older than 35 years will be eligible, according to the length of previous service, up to 55 years old.

General Sage said those interested may contact Captain Pickett or Lieutenants Burch and Austin of the National Guard, or M/Sgt. Preston Triplett, Regular Army recruiting officer at Artesia, whose office is in the Veterans Memorial Building.

Accompanying General Sage here on his visit Tuesday was Capt. Robert M. Walker, Regular Army instructor with the 716th Gun Battalion at Deming.

## State Chairman Appointments Made at 20-30 Subdistrict Meeting Here

A number of chairman appointments for the New Mexico districts of 20-30 Clubs were made at a meeting here Sunday morning. District Gov. Joe Bonfield of Hobbs and the state board of governors, held in connection with a district meeting Saturday and Sunday.

After registering delegates and officers during the afternoon Saturday, the subdistrict convention kicked off in the evening with dinner at the Veterans Memorial Building, after which a dance was held there.

After the dinner, Leo F. Auspicious, president of the Artesia 20-30 Club, introduced Governor Bonfield and other state and national officers of the organization.

Among them were Bill Francis of Sacramento, Calif., national representative; Marion Bell Carlsbad, international trustee; Jack Crettinger of Clovis, subdistrict governor of subdistrict 2, which includes Artesia; Shirley of Albuquerque, district governor, No. 1; Bill Ed, subdistrict secretary, No. 2; Raymond Mask and Bill Ray of Lubbock, Tex., who are organizing a 20-30 Club there.

Many other guests were present from 20-30 Clubs at Clovis, Roswell, Carlsbad, and Hobbs, their wives, and some invited guests of Artesia.

All more than 50 delegates registered, while about 125 persons attended the dinner and problems and plans of the 20-30 Clubs were discussed Sunday afternoon at the subdistrict business session, at which Hobbs was (continued last page this section)

## Cheer Leaders Work Hard To Pep Bulldogs

Those four contorting figures in black and white, seen on the sidelines Friday evenings of the football games, are Janie Dunnam, Adrienne Fletcher, Elmira Terry, and Jo Ann Johnson, who were chosen last spring to lead and represent the student body in backing the Bulldogs.

Their summer vacations were spent in perfecting their routines and preparing their uniforms. And, according to the attention the boosters give them, their time was not wasted. It was remarked that if a person didn't know the words of the yells, all that jumping, skipping, and waving of arms wouldn't mean a thing, but to those who do, it is just their way of telling the Bulldogs they are behind them.

Miss Terry has been a cheerleader two years; this is her third and last year. Miss Fletcher, Miss Dunnam, and Miss Johnson are experiencing the thrill for the first time. Although Miss Dunnam will leave the ranks along with Miss Terry, Miss Fletcher and Miss Johnson will serve again next year.

The girls will attend all out-of-town games and also all basketball games.

They ask only one thing of the public, that they respect the markers set off for the student body and Pep Club. With the band, Pep Club and student body sitting together, the "r-r-roar" is more effective.

## Life Scout Awards Are Made

Life Scout and three Star awards were made here Saturday evening of last week at a court of honor, at which there were also a number of other advancements.

John Mauer, a member of Troop 28, was made a Life Scout, his father, John F. Mauer, standing up with him to receive it. J. T. Easley, a member of Troop 28, was made a Life Scout, his father, John F. Mauer, standing up with him to receive it.

The new Star Scouts are Kirk and Troop 28, and Ed Mitchell and Billie Bynum, Troop 27. Awards were made by Ernest Thompson, another member of the court of honor.

Other advancements and awards were made by the court of honor who made the presentations.

Merit badges, by E. M. Perry—Ed Shell, Troop 27; John Thomas Mauer, John Mauer, Kirk Jordan, Ed Pounds, David Dillard, and Billie McQuay, Troop 28, and Billie Gore, Billie Thorp, and Ed Geiser, Troop 295.

First class, by Glenn Collard—Thomas Easley and Bobbie Quay, Troop 28, and Billie Thorp and Vernon Crow, Troop 295.

## Bids On Hospital Construction Too High, Rejected

Two bids for construction of the proposed addition to Artesia Memorial Hospital, received Wednesday evening of last week by the City Council, were turned down as both were far more than the city has available for the construction.

Mayor A. P. Mahone said the city has earmarked \$100,000 for the hospital addition, \$90,000 of which was voted by the citizens at a bond election and \$10,000 of which was set up from the general fund in the budget for the current fiscal year.

The bids were made by Lemke Construction Company of Albuquerque for \$152,000 and Tom Hefflin of Artesia for \$139,996.

Mayor Mahone said the city is trying to obtain more money for the hospital construction and that it is hoped to start building operations within the next 30 days.

## Local Artists Invited To Exhibit During 'National Art Week'

Attention was called again this week by Mrs. J. B. Atkeson, chairman of the Art Division of the Artesia Woman's Club, to the annual observation here of "National Art Week," Nov. 3-8, with the usual display of the work of local artists in store windows.

Twenty places of business have offered the use of their windows or portions of windows, in which the exhibits will be placed during "National Art Week."

Mrs. Atkeson invited all persons in the Artesia community who paint, carve, or do other types of art work to exhibit during the week for the pleasure of everyone in the area.

## Boy Scouts Will Have Overnight Camp Saturday

Gateway District Boy Scouts are looking forward to an overnight camp to be held Saturday night on the J. T. Mitchell ranch about 19 miles north of Artesia, for where the boys are to leave at 2:30 o'clock Saturday afternoon.

Boy Scouts from Artesia, Hope, Weed, and Loco Hills are expected to be on the outing and to take part in the activities being planned for them.

These include a number of competitive events at the camp during the afternoon, such as a chariot race, antelope race, obstacle race, and tug-of-war.

A campfire program in the evening will include an Indian ceremony, singing, and story telling.

Activities Sunday morning will start off with religious services conducted by Rev. C. A. Clark, pastor of the First Methodist Church of Artesia.

After the services there will be competition in Scoutcraft events, such as first aid, compass, tracking, signalling, and judging.

Awards are to be presented after the noon dinner hour, and then the Boy Scouts will break camp.

## Stinnett Named As Worthy Grand Patron State OES

Rufus Stinnett of Artesia was elected worthy grand patron of the New Mexico Grand Chapter of the Order of the Eastern Star at the 45th annual session of the Grand Chapter, held at the Masonic Temple in Albuquerque last Thursday through Saturday.

The courtesy of installing Stinnett as worthy grand patron, the highest office a man may hold in the order in the state, was extended to his father-in-law, Arba Green, a past grand patron. Mrs. Stinnett was appointed to the office of grand Ada.

The Artesia chapter was honored at the meeting by having a number of members present holding offices in the Grand Chapter. They were: Rufus Stinnett, associate grand patron, with Mrs. Stinnett serving as his grand patron; Mrs. Owen Hensley, worthy matron of the Artesia chapter, who was grand patron to the associate grand conductress; J. D. Smith, worthy patron of the Artesia chapter, grand usher; Mrs. Stanley Blocker, district instructor; and Mrs. Arba Green, grand representative to Florida.

Besides those mentioned, Miss Ina Cole was present in the party from Artesia attending the meeting of Grand Lodge, while Mrs. H. R. Paton, Mrs. Donald Teed, and Mrs. Clarence Roach, who were in Albuquerque Saturday, were present to witness the installation of Worthy Grand Patron Stinnett and other grand officers for the coming year.

Members of the Artesia chapter are looking forward with anticipation to the next session of the Grand Chapter, when the local chapter will serve as cohost with the Albuquerque chapter.

## FERGUSONS KILL ONLY ONE DEER

Mr. and Mrs. Jim L. Ferguson, who are on a big-game hunt in Wyoming, had tough luck up to the time they mailed a card to The Advocate Saturday, in that they had only accounted for one deer.

But the card said they had killed two sheep, two elk, and two antelope. And they expected to have two moose by Monday of this week. They expected to be home about Saturday, loaded for bear. That's right, they didn't mention killing any bear.

## Support 'B' Squad Saturday Night

Members of the Bulldog Boosters are plugging hard this week for support of the "B" football squad of Artesia High School in the game on Saturday evening against the Carlsbad "B" squad.

Otto Wood, president of the Bulldog Boosters, stressed that the boys of Coach Kenneth Lance's "B" squad are the future Bulldogs, the boys who will be on the varsity next year and the year after that.

With the varsity playing in Tucumcari Friday evening, the "B" squad will provide the only home football game this week end.

The Carlsbad "B" squad defeated Artesia at the Cavern City 26-13 on Sept. 13. But the Artesia "B" squad has developed greatly since that time and a good game is promised.

## Clayton Fike Is Elected Student Vice President

Clayton Fike was chosen to serve as vice president of the Artesia High School student body in a fight to the finish election Monday. He will also serve as student body president next year, succeeding Jimmie Blue, a senior.

Competing with him were Dan Booker, Bill Bolton, and Donald (Deke) DeMars. The boys were chosen from the junior class.

To add more life and excitement to the race, such publicity stunts as dropping leaflets from an airplane, handing out suckers, playing dance music during the lunch hour, painting posters, signs, and balloons with the nominee's name, and making outlandish promises to the voters were used.

Nomination speeches were made by "Cotton" Marsh, Walter Gray, Marcia Whelan, and Jerry Perry last Thursday at a special assembly.

Clayton Fike is the son of Mrs. Claude Whittington, wife of Coach "Jiggs" Whittington. He is a member of the football team and, as his campaign manager said, "is a regular guy."

## Chamber Asks Freedom Train Come To Valley

The Artesia Chamber of Commerce telegraphed all members of the New Mexico Congressional delegation urging them to lend their aid in an effort to have the Freedom Train stop somewhere in the Pecos Valley when it is in this part of the nation in February, according to Dave Moore, manager.

He said the Chamber of Commerce telegrams did not specify any particular stopping place for the Freedom Train in the valley, pointing out that it should be brought to one of the valley cities of Carlsbad, Roswell, and Artesia.

By coincidence the same thought was contained in an editorial written Friday by The Advocate and appearing in this issue. When it was written the editor did not know that the Chamber of Commerce intended wiring the senators and representatives. And at the time the telegrams were sent Manager Moore did not know of the editorial.

But both stressed a visit of the Freedom Train to the Pecos Valley, rather than to any one particular city.

Text of the telegrams sent by the Chamber of Commerce: "If possible, aid this section of New Mexico to see the priceless documents carried on the Freedom Train.

"We in Artesia, though we would like to see the train stop here, are asking only that it stop in the Pecos Valley, so our citizens may have a chance to visit the history making carrier.

"It is the understanding of this organization that the train will go from El Paso to Albuquerque, and if that is correct our request is not out of reason.

"This wire is not sent only for (continued last page this section)

## Services For Pfc. Price To Be Friday

Funeral services for Pfc. George Price, the first local boy to give his life for his country in World War II and the first to be brought home for final burial, will be at the Lake Arthur Methodist Church at 2:30 o'clock Friday afternoon by Rev. Chester Rogers, pastor. Burial will be made in the Lake Arthur Cemetery.

Artesia business houses are to close from 2:30 to 3:30 o'clock Friday afternoon out of respect for Private Price and in his memory, a custom which Mayor A. P. Mahone has requested be carried out during funeral services for all of the war heroes whose bodies may be brought home.

Ed Price, Private Price's father, received a telegram Wednesday morning notifying him that the remains of his son would leave Fort Worth, Tex., by train at 3:10 o'clock this afternoon and will arrive at Lake Arthur at 6:59 o'clock Friday morning.

The body is being accompanied by M/Sgt. James J. Irby, who will remain in attendance until the final burial.

Full military rites will be held at the services Friday by members of the United Veterans Club of Artesia, representing the American Legion, Veterans of Foreign Wars, and the Disabled American Veterans.

Private Price was killed Dec. 7, 1941, at Hickam Field, Hawaii, in the initial attack on Pearl Harbor and military installations near by.

## Rural-Urban Relations Extend Internationally

All relations need be handled in a harmonious manner in living contacts, both within a community and in the world, R. L. Paris declared Tuesday noon, speaking at the weekly Rotary Club luncheon on "Rural-Urban Relationship."

Paris, chairman of the club's rural-urban relations committee, brought out that the international contacts that are being talked about are largely rural-urban in nature, that those things which transpire in rural areas in other parts of the world affect the cities in this nation almost immediately.

The speaker brought out that 35 years ago he heard one of his professors ask, "The Pacific Ocean and then what?" at a time when there were in this nation about 70 million people. The United States is still the same size and the Pacific Ocean is still at the same place, whereas the population has doubled. And although more acres have been opened to agriculture in those 35 years, half of the present farm land will be useless within another few years if steps of conservation are not taken.

At the same rate of increase in population, in another 35 years there might be in the United States 280 million people, creating, perhaps, the same condition which largely brought on World War II, overpopulation, Paris said. "And what will happen then?" he asked.

## Doctors Urge Bond Election For Hospitals

The Eddy County Medical Society, meeting in Artesia Wednesday evening of last week, went on record urging a bond election in the county for the construction of two hospitals, one each in Artesia and Carlsbad.

It was brought out in the meeting that at least 100 additional hospital beds are needed in Eddy County, the division for which between the two cities should be made on a basis of population.

In the resolution the dire need of additional hospitalization in the county was stressed.

Members of the society recalled that similar bond elections have been held in other counties in New Mexico, made possible through the passage of an enabling act by the State Legislature.

## Businesses To Close Hour For Every War Hero

Mayor A. P. Mahone asked this week that the business houses in Artesia close an hour during the funeral of every war hero, whose body has been brought home from the battle areas.

It was announced last week the mayor had made such a request in regard to the services for Pfc. George Price, who was killed in the attack on Pearl Harbor by the Japanese, but it was understood that the closing would be in token to honor all of the boys whose bodies will be brought home for final burial.

Public sentiment is for the closing of places of business for each one, with which Mayor Mahone agrees.

"After all," he said, "when a boy has given his life for his country, the least we can do is to give an hour of our time. We should close for every one, and I ask that all businesses comply in their honor."

It was pointed out that some of the bodies will arrive home and be buried between issues of The Advocate, with no chance for mention in these columns. In such cases it is planned to ask the Chamber of Commerce to co-operate in notifying the business houses.

## Four Of Six Eddy Wells Completed

Eddy County oil operators this week reported the completion of six wells, of which four were producers, while two new locations were staked.

At the same time the Continental Oil Company's deep test, Lankford 1, SW SE 2-14-26, about two miles from Hagerman in Chaves County, was plugged and abandoned after drilling to a total depth of 8099 feet.

Completions in Eddy County: Rudder & Wilbanks, State 3, NW NW 36-17-27; total depth 1655 feet; flowed 89 barrels of oil per day, natural.

G. B. Suppes, Johnson 12-B, SW SE 34-16-31; total depth 3760 feet; flowed 55 barrels of oil per day, after acid.

Resler Oil Co., Donoho 1, NE SW 25-17-27; total depth 2345 feet; plugged and abandoned.

Continental Oil Co., State 1-A, NE SW 24-19-28; total depth 3716 feet; plugged and abandoned.

Nash, Windfohr & Brown, Johnson 9-A, NW NE 24-17-30; total depth 4722 feet; plugged back to 3616 feet; pumped 10 barrels of oil plus 10 barrels of water per day, after acid.

Malco Refineries, Inc., Taylor 1-A, SW SE 12-18-31; total depth 3588 feet; flowed 100 barrels of oil per day, after shot.

New locations: John Dublin, State 3-B, NW NE 3-17-29; Flynn, Welch & Yates, Dunn 7-B, NE SW 10-18-28.

Drilling, Shield A. N. Etz, Shildneck 1, NW SW 24-16-20, wildcat northwest of Hope.

Total depth 1216; waiting on cement.

Malco Refineries, Inc., Willis 1, NE SW 4-21-24.

## Social Security Man Will Offer Services Here Next Monday

A representative of the Social Security Administration will be in Artesia from 2 to 4 o'clock next Tuesday in the assembly room of the city hall, according to an announcement made by Perry A. Webb, manager of the Social Security Administration at Roswell.

The purpose of the visit will be to offer field services such as taking claims for retirement or death benefits, taking applications for Social Security account number cards, and providing information on operation of the program.

These services will be free and the visits will be semi-monthly, the announcement said.

These services are also available by mail from the Roswell field office, which serves this area in administering the federal old-age and survivors' insurance program.

## Bulldogs And 'B' Squad Take Cloudcroft 47-0

With the Bulldog varsity squad playing the first half and the "B" squad playing the second half, Artesia defeated the Cloudcroft Mountaineers 47-0 on Morris Field here Friday evening.

The score stood 35-0 at the end of the first half, when the "B" boys, who that afternoon were defeated 25-13 by Ruidoso at the resort town, replaced the varsity against the greatly outclassed Mountaineers.

But the visitors fought hard the entire game and gave a good account of themselves, seeming never to lose heart that they might score against the hardened Bulldogs and "B" squad members.

In fact, Gene Lane, Cloudcroft senior, who handled the ball on nearly every offensive play for his team, demonstrated more splendid broken-field running than has been seen at Morris Field in several seasons.

Not only was it the first time the "B" squad has ever been on the field for a varsity game here, but many members of the "C" squad, boys in the seventh and eighth grades, appeared on the field between halves in two six-man games, likewise the first time six-man ball has ever been played here publicly.

Squads in red and white sweaters battled at the north end of the gridiron, while boys in gold and blue played at the south end of the field, using the width of the field for the length of two smaller fields. As the two games went on simultaneously, much fun was evoked, with spectators trying to watch both at once, spurred on by the announcing of Fred Cole over the Lions Club public address system.

Also between halves junior cheer leaders, girls who will take over at varsity games in future years, led the Artesia cheering section. The band for the first time this season did not take to the field between halves, but relinquished it to the "C" squad members in their six-man football and to the junior cheer leaders.

In the main event, Artesia scored on the seventh play, when Walter Burch received a pass from John Sudderth about on the goal line and went over for the first touchdown. Sudderth went through the line for the extra point.

Artesia kicked to Cloudcroft, but the Mountaineers, playing on their own 18-yard line, returned the kick on the second play, after the first failed to make ground. Eugene Batie received the ball on the Artesia 27 and returned it to the 37.

On the next play Sudderth carried the ball through left tackle for a 43-yard gain and was run out on the Cloudcroft 20. Sudderth passed to Dan Booker, who carried the ball to the nine-yard line. On another completed pass line. On another completed pass line, Sudderth converted on a line plunge.

After receiving, Cloudcroft kicked on the third play and the Bulldogs again started a march down the field for the visitors' 30. Two passes from Clayton Fike were incomplete, but on the third down he handed the ball to Allen White, who advanced to the seven-yard line. On the next play Fike completed a pass to White in the end zone and the Bulldogs had a third touchdown. Fike made a placement for the extra point.

Cloudcroft failed to gain in two plays after receiving the kick-off, and the third play, a Mountaineer pass, with the ball in play on the (continued last page this section)

## Artesia Shrine Club Carnival To Be Friday, Saturday At Morris Field

Work has started on booths for the Artesia Shrine Club's big outdoor carnival to be held Friday and Saturday evenings on Morris Field east of the east stands, as an added attraction for which will be a "B" squad football game Saturday evening between Artesia and Carlsbad High Schools.

Likewise on Saturday evening there will be a dance on the tennis courts.

In connection with the carnival and dance the Shrine Club is giving away a new 1947 Ford sedan and a Westinghouse refrigerator and radio.

The carnival is planned along lines similar to that given by the Shrine Club in the Booker Building before its completion, an affair which brought lots of fun and entertainment to the people of the community.

As at that carnival, the one Friday and Saturday will have numerous games, rides for the children, and all sorts of other concessions.

In addition there will be the

customary hot dog and hamburger and soft drink concessions.

Some of the games and side shows will be somewhat different from those used here in previous carnivals in Artesia and surprises are in store for the public, according to Jess Carr, president of the Shrine Club.

He said members of the club have been working hard many weeks devising fun-making attractions, with a number of sub-chairmen and their committees concentrating on one concession each.

About two dozen booths are now being built at Morris Field for the carnival, originally intended to be held on the gridiron. But through an oversight both it and the "B" squad football game were scheduled for Saturday evening.

However, when the conflict was discovered, it was thought by both the members of the Shrine Club and the school faculty that neither would hurt the other from (continued last page this section)

## 'Ten Commandments Of Hunting' Are Discussed By Safety Council

The "Ten Commandments of Hunting Safety" were discussed Tuesday evening at a meeting of the central committee and committee chairmen of the Artesia Safety Council, at which L. W. Simons, district deputy game warden, spoke, stressing safety precautions to be taken during the coming hunting season.

Deputy Warden Simons pointed out that six persons were killed and six were injured during the big-game season in New Mexico last year, and he pointed out that care on the part of all hunters and the practice of common rules for hunters will prevent a repetition of the accidents.

Arrangements were made at the meeting for Deputy Warden Simons to speak at a high school assembly at 10 o'clock Tuesday morning, Nov. 4, to remind those students who will go hunting of the precautions to be taken.

The "Ten Commandments of Hunting Safety," which have been used in many publications:

"Treat every gun with the respect due a loaded gun.

"Carry only empty guns into camp, your automobile, or home.

"Always be sure that barrel and action are clear of obstructions.

"Carry gun so you can control the direction of the muzzle, even though you stumble.

"Be sure of your target before you pull the trigger.

"Never point a gun at anything you do not want to shoot.

"Never leave your gun unattended unless you unload it first.

"Never climb a tree or fence with a loaded gun.

"Never shoot at a flat, hard surface or the surface of water.

"Do not mix gunpowder with alcohol."

It was reported at the meeting that school children have been rerouted to Grand Avenue from Richardson Avenue as a safety and traffic solution, and that the plan is working nicely.

G. E. Kaiser, chairman of the Safety Council with Hugh Kiddy, announced the organization is ordering a number of films from the State Game Department to be shown to the school children and at a meeting of the Lions Club and perhaps elsewhere.

## Much To Learn

WE AS A PEOPLE have come far, of course, since our nation was established. As a world we have moved forward but when we stop and realize how much we haven't learned and how much we need to learn—then we begin to wonder whether we are making progress or not. We have the same greed and selfishness prevailing in our world as prevailed back in the early days of history when one man sought to rule and dominate the world. We have in many respects the same situation prevailing now we had prevailing when Rome ruled the world and sought more worlds to rule. It is the same greed, same selfishness and apparently the same desire to control now, as prevailed then. The thing being sought and which has been sought all these years, however, is a way to learn to live together in peace, harmony and happiness. Perhaps the greatest goal sought by more individuals in the world than anything else is happiness in life. The peoples of this world desire to find happiness and live in peace. Yet a handful of men in the world lead the others around; do the thinking for them; convince them they seek and want something else and we find we have anything but what the vast majority of the people in this world do want. America has gone a long way to help provide governments, which the people control. Yet America falls far short at times in letting her own people rule. As long as we have greed and selfishness in the high places of our own government, we will encounter difficulties in bringing about world peace. As long as there are those in government places, who seek to use the government to aid themselves, we will find the rest of the world a little suspicious of us regardless of what we do. As a nation America is big, noble, generous, charitable and considerate of the world. But at times we find that greed and selfishness creeping into the activities of our government. We find big men doing awful little things. We need as a people to learn to live together in our own communities in peace and harmony with the things we do being done to bring the greatest good to the greatest number. We need to learn to live as states with our thoughts for the good of those in the state and the nation. We need to learn to live in the nation with a thought for the home, the city, the county, the state and the nation. We need to think of these first and of ourselves second. We need to be honest and fair and decent in our actions and in our dealings with our fellowman. We need to eliminate the greed and selfishness, which far too often dominates our actions and our conduct when we sit in high governmental places. When we do this; when we learn to live together as brothers; when we are willing to cast greed and selfishness out of our own hearts and to think of our fellow man we perhaps can set a better example for the world to follow and to help encourage them to follow the example we have set. Yes, we have much to learn, the entire world has much to learn for it must learn to follow high ideals and principles if we desire to bring about world wide peace and understanding.—O.E.P.

Wasting of time; if we would learn to employ wisely the time we have; if we would learn to get down to business when we have business to do instead of stalling around and delaying, we would find we have more time to do some of the things we want to do and need to do. The individual, who is supposed to be at a meeting on time, should be there on time. When he or she is late they are taking the time or wasting the time of others. He or she isn't being fair. Everyone needs a break in the daily grind of work. But we have come to make these too long; too often; and they are now wasters of time. We need to learn to apply ourselves to our work and the tasks ahead and to learn to complete these. When we do that we will find we have more time to do some of the things we want to do and need to do. Yes, we as a people waste about as much time as we actually use. Yet time is the most precious thing we have because our time is very definitely limited to our own life span. Fellowship is a fine thing; visiting is good for us; a break in the day's work helps but we do need to learn to be on time; to keep our appointments; to use wisely the time we have.—O.E.P.

Yet time is the most precious thing we have because our time is very definitely limited to our own life span. Fellowship is a fine thing; visiting is good for us; a break in the day's work helps but we do need to learn to be on time; to keep our appointments; to use wisely the time we have.—O.E.P.

Wasting of time; if we would learn to employ wisely the time we have; if we would learn to get down to business when we have business to do instead of stalling around and delaying, we would find we have more time to do some of the things we want to do and need to do. The individual, who is supposed to be at a meeting on time, should be there on time. When he or she is late they are taking the time or wasting the time of others. He or she isn't being fair. Everyone needs a break in the daily grind of work. But we have come to make these too long; too often; and they are now wasters of time. We need to learn to apply ourselves to our work and the tasks ahead and to learn to complete these. When we do that we will find we have more time to do some of the things we want to do and need to do. Yes, we as a people waste about as much time as we actually use. ## As Artesia Grows

TWENTY YEARS AGO  
 (From The Advocate files for Oct. 21, 1927)

Mr. and Mrs. Otice Brown and baby, Horace, had just returned from a week's visit in El Paso. Mr. and Mrs. Fred Brainard had just returned from Buffalo, N. Y., where Mr. Brainard had just closed a successful season as a member of the Buffalo baseball team.

The Smoke House was nearing completion.

Thomas A. Edison was scheduled to broadcast a program over 43 radio stations. Artesia could catch it over stations in Los Angeles and Denver.

Paul Whiteman had endorsed a brand of cigarets for advertising purposes.

TEN YEARS AGO  
 (From The Advocate files for Oct. 20, 1937)

Peggy Linell was surprised by Wanda Story, Barbara Wheatley, Bettyne Lanning, Sybil Pior, Delores Mayerhofen, and Jane Shugart, who gave her a party to celebrate her 15th birthday. Clyde Guy of Guy Chevrolet Company was having a formal showing of the new 1938 Chevrolets.

Dr. H. A. Stroup officiated at the birth of his 101st baby for the year 1937.

The Baptist Church extended a call to Rev. S. M. Morgan to serve as pastor here.

## Annual 4-H-FFA Show And Sale To Be Saturday

The fourth annual Eddy County 4-H and FFA show and sale will be held on the courthouse lawn in Carlsbad Saturday, with boys and girls and FFA boys having exhibits. Although this is the fourth livestock show and sale of fat animals, it is only the second time girls have shown their exhibits. The boys will have breeding stock, poultry, rabbits, and many other projects to exhibit. After looking over the calves for this year it is believed this will be one of the best livestock shows ever held on the courthouse lawn, according to County Agent Dallas Rierson. Even with the high prices of calves and feed the boys, as a rule, exhibit good jobs in feeding.

There is also a culling committee, which will check all calves and those not fit to show will be eliminated before fair time. There will probably be around 25 fat calves and six fat hogs to go through the sale ring. A list of some of the past winners of this show are: 1944—Billie Woods, grand champion, selling at 30 1/2 cents; Earl Ray Forehand, reserve champion, selling at 31 cents; 1945—Henry Savoie, grand champion, selling at 50 cents; Wade Green, reserve champion, selling at 42 cents; 1946—Raymond Grandi, grand champion, selling at 70 cents; Sammie Robertson, reserve champion, selling at 65 cents.

The sale price of animals has gone up every year along with the cost to the 4-H Club boys and girls who produce these animals. Last year grain was very high and after paying high prices for the calves to start with, many of the boys and girls have a heavy investment in these calves. Four-H Club boys and girls who will have fat calves to exhibit are Frank Westfall, June Spurlin, Odell Spurlin, Ann Forehand, Charlotte Forehand, Jerry Hough, Mary Hughs, Mary Evelyn Price, Donald Jones, Carolyn Jones, Wade Green, James Garner, Paul Savoie, Perry Zumwalt, Hunter Zumwalt, Don Kincaid, Bobby

## Marvin McGuire Is One Of ENMC Cheer Leaders

Marvin McGuire of Artesia, the boy on the right, is one of the cheer leaders at Eastern New Mexico College, Portales, who are getting ready for homecoming, Saturday, Nov. 1. Always on hand at every college activity to lead students in school songs and cheers for the Greyhounds, pep

leaders are now making plans for a big pep rally and bonfire the night preceding the homecoming football game between ENMC and the Mustangs of New Mexico State Teachers college, Silver City.

Leaders will also direct Greyhound boosters from kick-off time at 2 o'clock until the last whistle blows. Pictured, left to right, are Ellen Lynch, Roswell; Lloyd Call, Clovis; Louise Robertson, Roswell; McGuire, Artesia; and Helen Jones, Portales. Other cheerleaders are Grace Melendez, Roswell, and Nellie Jo Harper, also of Roswell.

## Bounty On Coyotes In New Mexico Has Been Extended Three Months

The office of Dallas Rierson, Eddy county agent, received word that the bounty being paid on all coyotes will be extended for another three months. The original program was for August, September, and October and anyone complying with the regulations could receive \$5 per scalp for coyotes. At a commission meeting held in Albuquerque it was voted to extend the time under which the \$5 bounty could be collected to include November, December, and January. This gives an opportunity for many ranchers and trappers to make additional mon-

## Appeal Is Made For Volunteers In Scout Work

The Artesia Girl Scout Association is calling for more adult workers to take care of the 190 Senior, Intermediate, and Brownie Scouts. Diligent work on the part of a small group of persons has resulted in the growth of the Scouts from one to 13 troops, but adult recruiting has fallen far behind, it was pointed out. For this reason a campaign to interest adults in working with the Scouts is being launched. Qualified trainers, who are able to train persons to assume the leadership of a troop, are here in Artesia, leaders said. There are no special requirements for volunteers, no talents needed. The fact that one offers one's services is adequate assurance of that person's desire to help, volunteers were assured.

The need for more workers seems obvious, but for those who are not familiar with the Scout organizations, it can be said that boys and girls who have been active in the scouting program over a period of years have never been found in any juvenile court or home of detention for juveniles, according to Scout leaders. That fact alone, should be adequate reason for the organizations to grow, they added. A member of the association asked, "Artesia, what is your answer to the many girls here in your community who have to wait to join a Scout troop until a leader can be found?" Persons interested in taking training for leadership may contact the local organization by calling 539-J, Mrs. Fred Jacobs, or write a card or letter to her at 207 Richardson.

KEEN LITTLE EYES

This sprightly youngster is watching the old gentleman do a bit of carving. The intentness of his observation and his manifest interest indicate an alert mind, eager to learn.

Soon the little boy will be carving and putting the knowledge gained to practical use. Thus children learn by observing the techniques of their elders.

If men and women would pay more attention to those keen little eyes that are forever watching and imitating, we would soon build a better race. For children copy our moral and spiritual attitudes as well as our practical methods.

If we practice or condone falsehood and dishonesty, they are apt to be false and dishonest too. If we lack faith in God and religion, they too are apt to be faithless.

We should so live that children may imbibe from us not only the practical techniques of life, but also the finer art of spiritual living—that they may be able to fulfill the Lord's requirement, "to do justly, love mercy and walk humbly before thy God."

## Wedding Rites Join Wanda Story Of Artesia And Dr. A. C. Biegel

Wedding rites joining Miss Wanda Story, daughter of Mrs. Lewis Story and the late Mr. Story of Artesia, and Dr. Albert C. Biegel, son of Mr. and Mrs. Albert C. Biegel of Denver, Colo., were performed at a formal ceremony in St. Mark's Episcopal Church in Denver Thursday evening, Oct. 2. Vows were read by Rev. Walter Williams.

The bride wore a white satin gown and carried a white prayer book covered with gardenias and stephanotis. Her fingertip veil of illusion fell from a coronet of seed pearls. She was given away by her brother, Lewis Story.

The couple was attended by Jack Purcell and Mrs. Patrick Eckeman. Mrs. Eckeman wore a gown of pink lace and carried a nosegay corsage of pink and blue flowers. In her hair were pink carnations and blue delphinium.

Paul J. Cunningham and Leonard Gemmill were ushers. A reception was held in the Park Lane Hotel in Denver after the ceremony. Mrs. Story, who was costumed in an ashen of roses crepe gown and a blue feather hat, received about 300 guests.

Mrs. Biegel was attired in a gown of powder blue, with which she wore a hat of pink feathers. The couple left by plane Friday for Philadelphia, Pa., where Dr. Biegel is taking postgraduate work at the University of Pennsylvania school of Ophthalmology.

Before their wedding the couple was honored at many parties. Mrs. Biegel attended Colorado Woman's College in Denver, where she was a member of Alpha Phi Epsilon, and later was graduated from the University of Denver, where her sorority was Phi Gamma Nu.

Dr. Biegel is a graduate of the University of Colorado, where he was a member of the Sigma Alpha Epsilon social fraternity and Alpha Epsilon Delta premedical honorary. He is also a graduate of the Harvard School of Medicine. He completed a year of research in the Massachusetts General Hospital and is now attending graduate school at the University in Pennsylvania.

## 'Alice' Production Receives Praise From Critic Dean

One of the most gratifying tributes paid to Clare Tree Major's dramatization and production of Lewis Carroll's "Alice in Wonderland," which will be shown here Saturday, Nov. 15, came from Ashton Stevens, dean of American dramatic critics.

The famous critic wrote: "Now this 'Alice in Wonderland' that Clare Tree Major's Children's Theater of New York brought, really gives the children a break. It is not a lot of subtle, satirical whimsy for literary grown-ups."

"It is, in fact, as unbookish and unpretentious and completely joyous as the 'Alice' books that Lewis Carroll wrote straight to the juvenile imagination."

"For, judging by this forthrightly fanciful and bewitchingly costumed performance of 'Alice' the obvious stage trickery and arch sophistication of the adult ham theater are ruled out."

"Certainly there is no insincerity in this production. 'Alice' wafers you no booky odors of the British Museum and the yellowed pages of ancient copies of 'Punch,' but she recreates for you a girl who is having a marvelous adventure and knows and feels and tells you she is having a marvelous adventure."

"The whole affair is true-funny because it is acted true-earnestly. I mean by this that no actor in the vast cast ever lets you know he is smarter than his character. I wish I had been brought up on theater as honestly artistic."

Season tickets for "Alice in Wonderland" and the remainder of the plays being brought to Artesia by the Parent-Teacher Association, Girl Scouts, and Story League will be offered to the first, second and fourth grades Tuesday, Oct. 28. Wednesday, Thursday, and Friday, all tickets that are left will be offered to anyone going to school.

**Dorothy Bowman And Chester Cave Wed In Carlsbad Last Week**

A quiet ceremony uniting Miss Dorothy O. Bowman and Chester Cave was performed Monday, Oct. 13, in Carlsbad. Mrs. J. W. Cave and Mrs. J. S. Cook stood up with the couple.

The bride wore a fall dress in plaid with black accessories and a corsage of white carnations.

The newlyweds are making their home in Artesia.

## BOBBIE CLEM WILL WED LEROY BYNUM NOV. 22

## Ruth Jackson, Former Artesian, Is Betrothed

Mr. and Mrs. W. F. Jackson of Dallas, Ore., formerly of Artesia, announced the engagement of their daughter, Ruth, to Gordon Buhler at a dinner party Oct. 3.

The lace-covered table was centered by a mirrored arrangement of clusters of pink geraniums floating in a low crystal bowl and flanked by matching candelabra with pink and white tapers. White placecards, with miniature silver engagement rings and matchbook covers, bearing the couple's pictures and inscribed, "It's a Match," were placed at each plate.

Miss Jackson is the granddaughter of Mr. and Mrs. J. M. Jackson and Mr. and Mrs. Charles Rogers, long-time residents of Artesia. She attended school here about seven years before moving to Oregon. She is a graduate of Dallas High School in the class of '47.

Mr. Buhler, who served two years in the Air Corps, is now attending Oregon State College and majoring in agriculture.

The wedding date has not been made public yet.

## Mrs. Paton, District AL Auxiliary Prexy, Makes Official Visits

Mrs. H. R. Paton, president of the fifth district of the American Legion Auxiliary, made her official visit to the Tatum Auxiliary Monday.

She was accompanied by Mrs. Andy R. Compary, chairman of the department of child welfare, and Mrs. F. E. Painter.

Mrs. Paton gave a report on her visit to New York, on which she was a delegate from New Mexico to the American Legion Auxiliary national convention which was held in New York City in August.

Mrs. Compary spoke on child welfare work.

At the close of the meeting, Mrs. John Moore, Jr., president of the Tatum Auxiliary, presented Mrs. Paton a corsage and gift.

The Tatum Legion Auxiliary members, mostly composed of World War II wives, served light refreshments to the visitors.

Mrs. Paton also made a trip to Capitan to visit the Capitan unit Friday. Mrs. Compary, Mrs. Earl Darst, and Mrs. Alex McGonagill, past department president, made the trip with her.

Members of the Auxiliary from Alamogordo, Carrizozo, Corona, Mesalero, and Artesia met there for a business meeting and chicken dinner. About 40 members were present.

## JUNIOR 4-H GIRLS HAVE PAINTING SESSION

The Artesia Junior 4-H Club girls spent Saturday afternoon (textual) painting in the home of Mrs. Ralph Rogers. Many delightful and interesting discoveries were made by the girls, who were new to the work.

Mrs. Rogers, sponsor, served light refreshments to the six members at the close of the meeting.

## Cartier Is To Appear Here Tonight

CARTIER AS BARRYMORE

Jacques Cartier, star of "Theater Cavalcade," which is being played in Artesia at the high school auditorium at 8 o'clock this evening has been presented command performances for such royalty as Queen Wilhelmina of Holland, the king and queen of Italy, King Haakon of Norway, King George V and Queen Mary of England, the Prince of Wales, the Duke and Duchess of York, the Duke of Kent, and King Alfonso of Spain.

Writing his own plays and the choreography for his dances and designing his glittering costumes, Cartier has performed in the Zeigfeld Follies and top shows of Broadway, and has made several nationwide tours.

His early childhood, spent in India, where his father served in the United States consular service, and Japan and South Africa, has had a deep influence on Cartier's work. Formal schooling was with Castle Heights Military Academy in Tennessee.

A critic on the New York Times once wrote, "His sensationally beautiful costumes alone are worth the price of admission." And as Cartier says, "I see to it myself that every detail is perfection." It is this that makes a Cartier show stand out over larger "machine made" productions.

Admission to this one-man show is by season membership only.

## Igor Gorin, Baritone To Open Carlsbad Concert Series No. 5

One of the best present-day artists, who is known to music lovers of three continents, is Igor Gorin, Metropolitan Opera baritone, who will open the Carlsbad Community Concert Association series No. 5 in the Carlsbad High School auditorium. The combination of a thrilling voice with strong interpretative powers and interesting programs plus a dramatic stage personality has made for enthusiastic acclaim.

Each season Gorin is more in demand for opera, as well as concert, screen, and radio engagements.

Members who have not received their tickets enabling them to attend this outstanding concert may write the Carlsbad Community Concert Association in Carlsbad. For any information concerning the concert or future concerts, Mrs. D. M. Schneberg, chairman for Artesia, may be contacted.

## Women's Club Study Group Meets Friday At Parks Residence

The study group of the Artesia Woman's Club chose as their subject, "World Affairs," at a meeting held Friday morning in the home of Mrs. Robert Parks. Mrs. E. J. Foster is the chairman, and Mrs. C. R. Blocker is the study leader of the group.

Meeting days were set for the coming year. They are to be the second Wednesday of each month at the clubhouse and the fourth Friday of each month at a member's home. Delicious refreshments were served to eight members.

The next meeting will be in the home of Mrs. Glenn Caskey Friday morning.

## BIRTHDAY IS OBSERVED OF MARY GAIL WHITE

Mary Gail White was honored on her ninth birthday by a party given by her mother, Mrs. H. A. White, Monday evening in her home.

Guests were Sue Twilly, Cathy, Linda, and Alice Faye Hendler, Marjorie Ann Newbert, Lucy Ann Lusk, and Lou Ann Siegenthaler.

Favors and refreshments followed the Halloween trend.

## Beta Sigma Phi Has 'Model Meeting' For Rushes On Monday

Beta Sigma Phi held a "model meeting" in honor of the rushes at the home of Mrs. Charles Samford Monday evening. Mrs. Raymond Lamb, president, conducted the meeting.

The program was made up of talks given by members of the club. Mrs. C. M. Murphy gave one, "Beta Sigma Phi." Then Mrs. W. C. Thompson, Jr., gave "Activities of the Local Chapter."

Mrs. E. A. Everest gave, "Our Cultural Program." After the talks, the rushes were given booklets which bore the title, "Our Gift to Life."

Guests were Meses. Charles Bullock, O. R. Gable, Jr., Dave Moore, and Robert Harper.

Members were Meses. W. B. Macey, Meredith Jones, Bob Rodke, L. W. Coll, Raymond Lamb, C. M. Murphy, W. C. Thompson, Jr., and E. A. Everest.

Light refreshments were served at the close of the meeting.

## TEACHERS ATTENDING STATE CONVENTION

Schools were closed Wednesday in order that the teachers could attend the annual teachers' convention being held in Albuquerque Wednesday, Thursday, and Friday of this week.

The doors will open as usual Monday morning.

## Members Of Scout Troop Will Present Series Over Radio

Members of Girl Scout Troop 7 have begun rehearsals on a 13-week radio presentation, "The Adventures of Laura Lane, Girl Scout." The weekly series will be broadcast over radio station KSPV.

The series will begin with a three-part play in which Laura and a group of girls, not Scouts, go on a mountain trip with a lady, who is not a Scout leader. While on the trip one of the girls disappears. The way in which Laura is able to help out in this situation and others which will confront her during the series makes interesting listening for young and old.

The cast, with Bill Angel directing, is made up entirely of Girl Scouts. Alice Martin is Laura Lane; Jolene Beadle is Helen; Laverne Bate is Mrs. Johnston; Janice Woods is Joann; Patsy Fischbeck is Louise; Anna Marie Dunn is Kathy, and Wanda Burch is Martha. Mrs. Irene Beadle is authoring the series.

The entire production is an undertaking of the local Scout organization.

## KNOW YOUR BREED Silver-Laced Wyandotte By W. J. DRYDEN

The Silver-Laced Wyandotte is believed to have come from crosses of Dark Brahma, Silver Spangled Hamburgs and a French fowl named Breda.

Standard weights are: Cock, 8 1/2 pounds, hens 6 1/2 pounds, cockerels, 7 1/2 pounds, pullets, 5 1/2 pounds.

The female is round in shape, the back gently sloping. An ideal market fowl, this type also can be bred for high egg production without sacrifice of standard requirements.

## Cutting Protein Loss Will Slash Feed Cost

Dairymen can reduce the size of next winter's protein-feed bill considerably by saving a greater percentage of the protein in their home-grown forage crops, say dairy specialists of the USDA.

One way to reduce the protein losses and thereby actually put more of the home-grown protein in the cow's manure next winter, is to make silage from forage crops instead of curing in the field for hay.

**Price Appeals For Support Of 4-H And FFA At Sale**

Tom Price of Lakewood this week prevailed upon Artesia businessmen and clubs to give better support Saturday at the 4-H Club and FFA livestock show and sale in Carlsbad than has been done in the past.

He wrote The Advocate, in part: "We think that more of the Artesia businessmen and the various clubs should be on hand Saturday to bid on the fat steers and other livestock auctioned off. Quite a number of the calves are being fed in the Artesia trade territory, so don't you think Artesians should be there at the sale and not leave all the buying to Carlsbad businessmen?"

"The 4-H boys and girls really spend a lot of time with their stock and a lot of money, too, so they should be encouraged by the people by bidding them up."

**MRS. WALLIS TO OPEN 'THE BARGAIN HOUSE'**

Mrs. Edna Wallis has announced that she will open her new and used clothing store, to be known as "The Bargain House," Saturday, Oct. 25. The business establishment will be located at 301 North Roselawn in the building formerly occupied by the Artesia Mattress Company.

Mrs. Wallis said she will carry new dresses in the nationally advertised brands, as well as used clothing for the entire family.

**You can't beat Mother Nature!**

**Nature's Finest!**  
The Alaskan "Brownie" has been known to weigh up to 1500 pounds. Largest of the grizzly bear family (*Ursus horribilis*) it is mainly carnivorous... the strongest and fiercest of all American mammals.

**The Crude Is The Answer To Phillips 66 Fine Motor Oils**

Nature outdid herself when she produced the great Alaskan Brown Bear, and she was doing a mighty fine job when she made the crudes that go into Phillips 66 Motor Oils!

Ask any oil man what that means in terms of protection for your engine. Yes, a fine crude... plus Phillips expert refining and practical experience... all these factors together turn out a smooth, tough, sturdy lubricant that's able to do a real lubricating job in your motor.

Phillips 66 Premium Oil is a brand new Phillips product. Detergent type and corrosion-resistant, Phillips 66 Premium Oil cleans, as it protects your engine.

And remember, too... Phillips 66 Motor Oil has given motorists years of satisfactory lubrication!

Look for the orange-and-black Phillips 66 shield!

**You can't beat Mother Nature!**

**Nature's Finest!**  
The Alaskan "Brownie" has been known to weigh up to 1500 pounds. Largest of the grizzly bear family (*Ursus horribilis*) it is mainly carnivorous... the strongest and fiercest of all American mammals.

**The Crude Is The Answer To Phillips 66 Fine Motor Oils**

Nature outdid herself when she produced the great Alaskan Brown Bear, and she was doing a mighty fine job when she made the crudes that go into Phillips 66 Motor Oils!

Ask any oil man what that means in terms of protection for your engine. Yes, a fine crude... plus Phillips expert refining and practical experience... all these factors together turn out a smooth, tough, sturdy lubricant that's able to do a real lubricating job in your motor.

Phillips 66 Premium Oil is a brand new Phillips product. Detergent type and corrosion-resistant, Phillips 66 Premium Oil cleans, as it protects your engine.

And remember, too... Phillips 66 Motor Oil has given motorists years of satisfactory lubrication!

Look for the orange-and-black Phillips 66 shield!

## OUT AHEAD IN *New Cab Comfort*

*Better Looking... Better Riding  
Better Built and A Better Buy*

Above—Grilles are protected and reinforced by bars of heavy bumper stock. They are frame-mounted and angle-braced.

Center—Seats are adjustable 3 1/2 inches. Thick upholstery and 73 individually wrapped springs assure extra comfort and long wear.

Below—Cabs are ventilated by a circulating fresh air system equal to the finest cars. Forced air heating and defrosting are also available.

New light and medium duty GMCs lead the field with a long list of outstanding comfort features. For roominess, there's more leg room, hip room and elbow room. For riding comfort, there's the 3-point cab mounting with rubber stabilizers... adjustable seat with nearly double the number of springs... scientific insulation and soundproofing. For visibility, there's 22% more area in windshield and windows. For ventilation, there's a revolutionary fresh air circulation system.

Add to all these comfort features the distinctively styled, rugged new front end design... war-proved and improved engines... stronger and sturdier chassis... and you'll appreciate why the new GMC is truly The Truck of Extra Value.

*Before you treat yourself to a bathroom like this...*

**WHAT'S** the point of a super-modern shower, bright-light shave corner and a tub the Romans would envy... without the most important thing of all — continuous hot water at the turn of the tap! *A new automatic water-heater is the answer!* It is fastest for replacing hot water as it is drawn off. It is clean... efficient... costs less to run. Actually supplies constant water of any desired temperature 24 hours a day! Remember, for real luxury in any bathroom — the *first step* is to invest in a new automatic Gas water-heater.

**GAS**

FOR BEST RESULTS... both an automatic clothes-washer and dishwasher must have plenty of really hot water. The most economical way to get it is with an automatic Gas water-heater. Why not order one in the right size for your family today? Come in and let us show you the many new models available.

*for the last word in automatic water-heating*

*Better Looking... Better Riding  
Better Built and A Better Buy*

Above—Grilles are protected and reinforced by bars of heavy bumper stock. They are frame-mounted and angle-braced.  
Center—Seats are adjustable 3 1/2 inches. Thick upholstery and 73 individually-wrapped springs assure extra comfort and long wear.  
Below—Cabs are ventilated by a circulating fresh air system equal to the finest cars. Forced air heating and defrosting are also available.

New light and medium duty GMCs lead the field with a long list of outstanding comfort features. For roominess, there's more leg room, hip room and elbow room. For riding comfort, there's the 3-point cab mounting with rubber stabilizers... adjustable seat with nearly double the number of springs... scientific insulation and soundproofing. For visibility, there's 22% more area in windshield and windows. For ventilation, there's a revolutionary fresh air circulation system.

Add to all these comfort features the distinctively styled, rugged front end design... war-proved and improved engines... stronger and sturdier chassis... and you'll appreciate why the new GMC is truly The Truck of Extra Value.

**Negro National Field Worker For W.T.T.U. To Conduct Meetings Here**

Mrs. Ora Brown Stokes, Negro national field worker for the Women's Christian Temperance Union, will be in Artesia Saturday through Wednesday to conduct a series of meetings to which the public is most cordially invited.  
Mrs. Stokes, who will speak principally at Carver School, is scheduled to be present in Alamogordo, after the close of her stay here, where she will act as delegate to the national convention of the W.C.T.U. Oct. 30 and 31. Three members of the Artesia chapter will be present as delegates at the convention. They are Mrs. G. C. Williams, president; Mrs. L. J. Chester, vice president; and Miss Eleanor Clark, treasurer.

Ledger outfits, large and small, from two to 30 columns, and special bookkeeping set-ups.—Advocate Office Supply.

**Majorettes To Add Game Glamour**

Eastern New Mexico College lovelies, drum majorettes of the band, are among the many ENMC students now making plans for the biggest homecoming celebration in the history of the institution at Portales. Scheduled for Nov. 1, the big event will feature a New Mexico conference football game between the ENMC Greyhounds and New Mexico State Teachers College.  
Other activities include breakfasts, coffees, and receptions for Floyd D. Golden, a noon barbecue luncheon given by the Roosevelt County Chamber of Commerce, a parade through the streets of Portales, coronation of a homecoming queen, and a banquet and dance.  
Bands from Eastern New Mexico and West Texas high schools have been invited to the campus to participate in the activities of the day. Each band will participate in the parade and in a massed demonstration in the halftime queen crowning ceremony at the football game. Band personnel will be guests of the Chamber of Commerce at the barbecue.  
Pictured above, left to right, are Barbara Evans, Portales; Ruthlene Hogue, Hobbs; Marian Ruth Pierce, Clovis; and Joyce Christman, Portales.

(continued from page one)

Cloudcroft 39, was intercepted by Batie, who carried it to the 14. On the next play Everett Hardesty ran across the line for another touchdown and then White made the extra point in a line plunge.  
Artesia had just kicked to Cloudcroft, when the quarter ended with the score standing at 23-0. Cloudcroft commanded the play the early part of the second quarter and for the first time reached Artesia territory, when Bill Waldron went around left end to the Bulldogs' 47 for a first down. But on the fourth down, after making no further gains, the visitors kicked to the Artesia 30, where the Bulldogs started down the field again.  
In spite of a 15-yard penalty, Artesia scored seven plays later, when Booker trotted across the line in a pretty run on a completed pass from Fike on the Cloudcroft 41. Sudderth made a place kick for the extra point as the half ended with the score 35-0.  
Coaches Claude (Jiggs) Whittington's and M. Duane Sams' varsitymen remained on the bench as the second half opened, and Coach Kenneth Lance's "B" squad, tired from the Ruidoso game, but anxious to meet more mountain men, took over.  
After Junior Cauble received a Cloudcroft kick, he was downed on the Artesia 36. Kenneth Malone made a first down on the

first play for the "B" squad from scrimmage, going around left end in a wide, sweeping play nearly to the sideline, then doubling back and running across the field to his right sideline, where he was downed for a gain of 18 yards.  
Three plays later Ronald Dublin completed a pass to Ken Foster over the goal line for a touchdown by the "B" squad. Batie and Sudderth of the varsity went in to try to convert, with Batie placing the ball for Sudderth, but the point was missed.  
Cloudcroft again received, but kicked for safety on fourth down. Then the Artesia "B" squad started another parade, interrupted for a minute when Cauble kicked on fourth down, but the ball was recovered on the next play, when Cloudcroft fumbled on the Mountaineer 19, as the quarter ended.  
On the first play in the final quarter Dublin passed to Morgan, who went over for the final touchdown. Sudderth's try for the extra point on a placement again failed.  
The Mountaineers dominated the game from there on, but Artesia had the ball when the game ended in favor of the home team 47-0.  
The Bulldogs will play Tucumcari there Friday night, while Carlsbad will play a return game here Saturday evening against the Artesia "B" squad.

Second class, by Bob McQuay—James Sanders, Troop 27; Bennie Tipps, Louis Campanelli, Franklin McAnally, and Jack Williams, Troop 28, and Buddy Hayes and Leon Darst, Troop 295.  
Tenderfoot awards and presentation of National Rifle Association certificates for promarksmanship were made by Bill Hintze, field representative.  
Receiving Tenderfoot awards were John Paul Shockley and Thomas Wilcox, Troop 28, and Bobbie Nevins, Billie Watts, and Roger Curtis, Troop 295.  
All of the promarksmanship certificates went to Boy Scouts of Troop 27, who were Ed Mitchell, John Golden, James Sanders, and Billie Bynum.  
E. B. Bullock, national council representative, gave a short talk on his trip last spring to New York to attend a national council meeting.  
Howard Brawn of Roswell, executive of the Eastern New Mexico Area Council, was present for the Court of Honor.  
The opening ceremony was presented by members of Troop 295, while members of Troop 28 led the closing ceremony of the Boy Scout oath and law and "Taps."

**Artesia Elks Are To Put On Work At State Meeting In Carlsbad**

The initiation team of the Artesia Elks Lodge will put on the ritualistic work at the 18th annual state convention of the B.P.O.E., which will be held in Carlsbad Friday through Sunday.  
The initiation, for candidates from all lodges in the state, will be at 9 o'clock Sunday morning.  
At the regular meeting of the Artesia lodge Wednesday evening of last week Charles Martin was elected delegate to the state convention and P. V. Morris, alternate.  
Many of the Artesia Elks are planning to attend part or all of the convention, which will include a Western dance Friday evening and a grand ball Saturday evening, both in the Elks ballroom.

**Gateway Boy Scout Meeting To Be Held At Hope November 14**

J. D. Smith, Gateway District Chairman of the Boy Scouts, has announced a district meeting, to be held at Hope Tuesday, Nov. 4, for district committee members, scoutmasters, and cubmasters attending.  
The committee members are to have a district meeting, while the scoutmasters and cubmasters will have separate round-table discussions.  
A dinner for the scouts is to be served at 6:30 o'clock in the evening to the scouts by women of the Hope Methodist Church, Smith announced.

**HUSTLERS PLAN TO SERVE TURKEY DINNER**

The Hustlers' Sunday School Class will serve a supper at the Methodist Church Wednesday, Oct. 29, beginning at 6 o'clock in the evening.

**Dr. H. W. Crouch Moves Into His New Clinic Building On West Main**

Dr. H. W. Crouch, osteopathic physician and surgeon, has moved his offices to his new clinic building at 1208 West Main Street.  
The building is 30x108 feet, of concrete block construction, with the entrance facing the east.  
Included in the arrangements of 18 rooms are six hospital rooms, each with a capacity of two beds, and surgery, nursery, and office rooms.

**Presbyterian Bid For Trial Visit Here Is Accepted**

Rev. Ralph L. O'Dell, pastor of the Memorial Presbyterian Church at Indianapolis, Ind., has accepted an invitation for a trial visit to the First Presbyterian Church of Artesia and will be here Monday through Thursday of next week.  
As it was impossible for him to be here Sunday, special church services are to be held at 7:30 o'clock Monday evening by Rev. O'Dell.  
A church dinner is to be held for Rev. O'Dell Tuesday evening. And he is scheduled to meet with the men of the church Wednesday evening and with members of the Women's Association Thursday afternoon.  
Several courtesies are being planned by members of the church for Rev. O'Dell during his visit here, and it is expected he will be a guest at some of the meetings next week of the Artesia service clubs.

**R. M. SWARTZ NAMED SANITARY INSPECTOR**

R. M. Swartz of Artesia has been jointly hired by the cities of Artesia and Carlsbad and the state as sanitary inspector.  
He formerly was employed as bookkeeper by Ferguson Welding Service. The new inspector will continue to reside in Artesia.

**TRICK HORSE WILL BE AT COLONIAL CLUB**

Miss Jonnie Douthitt and her trick horse, "Star Baby," are to be a special attraction Friday and Saturday evening at Gary's Colonial Club.  
"Star Baby" has appeared at many of the clubs in the West and is said to teeter-totter, dance, and even "make love."

**C. D. HOPKINS' FATHER DIES AT FLOYDADA**

Mr. and Mrs. C. D. Hopkins returned Monday from Floydada, Tex., where Mr. Hopkins' father, Dr. E. A. Hopkins, old-time physician there, died at 7 o'clock Friday night after a long illness. Funeral services were at 3 o'clock Sunday afternoon from the Baptist Church in Floydada.  
Word was received here Monday night of last week of the serious illness of Dr. Hopkins, and Mr. and Mrs. Hopkins left that night for his bedside.

**Now Is Time For Ranchers To Take Inventory Of Their Grazing Land**

Now is the time for ranchers to take inventory of their grazing land, and plan adjustments of herd numbers to the forage supply for the coming year, according to the Soil Conservation Service.

Forage available in this year's grass crop now can be estimated closely and action based upon this estimate can mean the difference between profitable production, good calf crops, and heavy weights, or low production with poor weights, low calf crops, high death losses, and depleted and weedy ranges that result from continued overgrazing.

A rancher, getting good forage production, may graze cows weighing around 1000 pounds and get a 90 per cent calf crop with weights averaging more than 400 pounds at 6 to 7 months; however, range forage growth fluctuates in this area. The livestock man who hopes to use his range to the best advantage and maintain these profitable levels of beef production must have a plan of operation flexible enough to allow him to strike a continuous balance between stock numbers and feed. He isn't likely to be able to do this unless he understands how to appraise the forage supply on his range.

Guides to assist ranchers in making forage inventories are available at experiment stations, and Soil Conservation Service technicians, working with soil conservation districts, are available to give on-the-ground assistance in checking the current forage crop and calculating the carrying capacity for the year.

Stockmen must be as much interested in dry, matured grass as in green forage, and should see that adequate quantities of dry grass are reserved for use after the growing season. It is of great importance that sufficient feed be available at all times, in quantities in excess of a mere maintenance ration, and as insurance against a poor forage production year.

**Booming Range At Alamogordo Being Released**

Livestock growers will again be permitted to use grazing lands in the huge four-million-acre Alamogordo bombing range in Southern New Mexico, according to information received by the New Mexico Cattle Growers Association, George A. Godfrey, Animas, president, said. The War Department is now negotiating co-use agreements with ranchers involved, and as soon as individual agreements have been completed, the Bureau of Land Management is prepared to issue grazing permits to former users, Godfrey continued.

After 18 months of negotiations with the War Department and the Department of Interior, it finally appears as though ranchers in the area will be given some relief, Godfrey said. The vast area was created in 1942 when the War Department condemned nearly four million acres of grazing lands in Otero, Socorro, Lincoln, and Dona Ana Counties to be used as a practice bombing area and rocket proving ground.

When this land was acquired by the department, little time or consideration was given to ranchers who used the area and who for generations had grazed cattle, sheep, and goats for a livelihood. The area had been used by more than 100 ranchers and had a carrying capacity of more than 28,500 head of cattle the year around, Godfrey said. The bombing range under former War Department regulations has not been used for grazing for four years and its use now comes as a great source of relief to drought stricken ranchers in southern part of the state.

The Division of Grazing of the Bureau of Land Management is preparing to issue co-use agreements and supervise grazing practices as soon as the War Department authorizes individual agreements with ranchers in the area. War Department officials have been and are now surveying the area to determine actual destruction to ranch improvements caused by military practices.

This agreement on the part of the Department of Interior and War Department with ranchers will serve greatly to facilitate in-

creased production of meat in New Mexico and it will have a vast amount of grain and feed which would have been fed to livestock which will now be able to use the range, Godfrey said.

**Price Supports For 1947 Alfalfa Seed Announced**

Price supports for 1947-crop common alfalfa seed, amounting to 25 cents per pound for Northern alfalfa seed, 20 cents per pound for Central, and 17 cents for Southern, were announced by the U.S. Department of Agriculture.

The supports will be cooperative through grower purchase agreements with the Commodity Credit Corporation, in which CCC will agree to purchase the seed next May. These agreements will be available to producers from harvest time through February upon payment of a nominal service fee.

All seed delivered to the corporation must be cleaned, bagged, and labeled as evidenced by official inspection certificates. Delivery points will be designated by CCC. Complete details regarding the program may be obtained from local county Agricultural Conservation Committees.

Last year, the CCC offered only a loan program on alfalfa and other hay and pasture seeds. The 1946 loan rates for common alfalfa seed were 33 cents for Northern seed, 30 cents for Central, and 26 cents for Southern.

**State Extension Service Submits Seven Projects**

The New Mexico Extension Service has submitted seven projects for approval to Washington administrators of the Research and Marketing Act of 1946, according to G. L. Boykin, associate director. Projects submitted for consideration are those dealing with the identification and lint certification of Acala cotton, preparation of wool for market, standardization of rams for wool breeds, work in egg marketing, cream improvement, fruit marketing, and an improved market news service for New Mexico.

Purposes of the projects are in the final consideration to standardize New Mexico products, for both producers and consumers; to identify superior products, as the case with Acala cotton, so that it will command the highest possible market price; improve market outlets and distribution of New Mexico products, and to provide state producers with an up-to-the-hour market news service on prices of produce here in other sections of the country.

How many projects will be approved for the state has not yet been decided.

If you were one of the 1,345,000 hunters who got a "bag" of 220,000 deer and 32,000 elk in 1946 on the 152 national forest preserves, you'll be glad to know that the United States Forest Service estimates a total big game population on such ranges of more than four times what it was 25 years ago. The change from 1921 to 1946: Deer from 450,000 to 1,992,000, elk from 52,000 to 160,000, antelope from 2400 to 27,000, moose from 3600 to 9500, black bear from 37,000 to 74,000, and big horn sheep from 13,000 to 9000, the only decline.

Appointment of the commodity advisory committees which will represent the grain peanut, and seed industries in the development of plans for using the Research and Marketing Act of 1946 has been announced by the Department of Agriculture. These committees will study the possibilities for most effective new re-

search and marketing services in their respective commodity fields. The grain advisory committee will deal primarily with the use of grains for food and industrial use. Representation on the peanut advisory committee takes in the two principal uses of the commodity—as nuts and for oil.

Under the emergency farm labor programs which were authorized by Congress, extension agents made seven and a half million job placements during as well as putting major emphasis on best use of labor, sharing labor, and use of labor saving devices. Again no crops were harvested for lack of farm labor in spite of the very small labor force. In New Mexico 274 job placements were made during the year.

From where I sit... by Joe Marshall **"Take Pen in Hand"**

This column has been running for so long that its readers, in towns like ours all over the country, are beginning to "take pen in hand" and write us what they think. Some of them take me over the coals for what I say—like the column I ran on planting alfalfa. Others write, "I liked your column yesterday, but..." All of them have different points of view.

From where I sit, that's the way it should be. Everybody's entitled to an opinion—and it's those very differences, and friendly criticism,

that make for tolerance and better understanding—whether it's in planting alfalfa or choosing between beer and cider.

The more folks air their differences right out in public, with neighborly respect for the other person's liberties and point of view, the closer we are to the American principle of individual freedom—whether it's in a choice of crops or beverages.

Mrs. David Clowe and daughter of Penasco are here visiting her parents, Mr. and Mrs. Roy Fry.  
Melvin Mayberry has gone to

Colorado for a few days on business.  
Mr. and Mrs. Clyde Nihart of Lake Arthur have returned home from a visit of several weeks in the Eastern states.  
Mr. and Mrs. Ira Burgas were weekend visitors on Cottonwood.  
H. V. Parker, Roy Ingram, and Harold Green spent a few days in Colorado on business.  
Mr. and Mrs. Walter Knowles

of Artesia visited Friday with Mr. Knowles' sister, Mrs. Glenn O'Bannon.  
The Cottonwood Ladies' Aid Society met at the home of Mrs. E. P. Malone last Thursday afternoon.  
Miss Mary Frances O'Bannon had charge of the devotions.  
Mrs. Douglas O'Bannon was in charge of the program.  
She chose "The Gospel for Our Generation" as her subject.  
Mrs. Jesse Funk, Mrs. Ralph Pearson, Miss O'Bannon, and Mrs. James Thigpen assisted her.  
Delicious refreshments were served, with Mrs. Funk, president, and Mrs. I. P. Johnson pouring at a double-service coffee set.  
The table was decorated in Hallowe'en colors, with fall flowers flanked by orange candles in the center.  
Members attending were Meses. Ralph Pearson, Douglas O'Bannon, E. D. Cox, B. E. Green, Glenn O'Bannon, Pirdle, James Thigpen, Jesse Funk, Chester Rogers, Ora Buck, I. P. Johnson, and Charley Formwalt, and Miss O'Bannon.

committee, to report at the next meeting.  
Mrs. J. U. Falke of Carlsbad, Republican vice chairman for Eddy County, was here to assist in the formation of the local club.  
She, as well as a Mrs. Raymond and a Mrs. Goebbles, also of Carlsbad, made talks pertinent to the organization.  
Recently returned from Salt Lake City, where she attended a regional meeting for Republican vice chairmen, Mrs. Falke outlined plans of Republican women's groups in behalf of the party.  
Mrs. Richards said she had promise of at least 39 women who wish to become members of the Artesia Republican Women's Club.

**Local Republican Women Organize Club Last Week**

Organization of the Artesia Republican Women's Club was made at a meeting at the city hall last Thursday evening, with Mrs. Albert Richards named as temporary chairman.

Plans were made at that time for a second meeting Tuesday, Nov. 4, at which time it is hoped to perfect the organization and elect permanent officers.

Mrs. Earl Bigler, Mrs. E. A. Hannah, and Mrs. C. W. Curtis were appointed at the meeting last Thursday as a nominating

**Safeway's Meat Counters are Open on Tuesdays**

(and every day except Sunday)

**HERE IS WHY:**

1. Many people need fresh meat in some form every day as prescribed by their physicians for specific health conditions.
2. Certain creeds and religious faiths may observe a day other than Tuesday as their meatless day.
3. Many consumers may find it necessary to buy their meat on Tuesday for use on Wednesday.

In having meat for sale every day Safeway is simply fulfilling its obligation to serve the needs of all customers. In addition, Safeway believes that an important contribution will be made to cutting down waste by maintaining an even flow of perishable foods from producer to consumer. For its part, Safeway intends to wholeheartedly cooperate with President Truman's program by doing everything possible to eliminate spoilage and waste in its stores and warehouses. Closing the stores or withholding food from sale on any business day would simply mean an extra storage period for perishable foods which in turn would increase the amount of waste and spoilage.

**SAFEWAY STORES, Incorporated**

**SAFEWAY has what it takes to give your folks an old-time HEARTY BREAKFAST**
