NUMBER 32

Need Brush-Up in  
First Aid? Course  
Opens April 27

Don't Miss Driller  
Opener Wednesday  
Night in Artesia

## Baseball Takes Over City; Opener Wednesday Night

### Open House to Display Classroom Products

AMONG SENIOR high school Open House displays scheduled for May 1 is a shop exhibit similar to this one in the 1952 Open House. Every student in the course demonstrates a project he has completed. All classes and activities in the school are participating in Open House, which is designed to show parents and the public how modern education works and what it produces.

### Open House at Senior High School May 1 Designed as Top Public Relations Event

Parents of students in Artesia Senior high school as well as those interested in the schools are being urged to come back to school for one night only to the annual Open House scheduled for April 30. A miniature school session has been planned for Open House, as well as exhibits showing results of student work in classes and activities in Senior high.

Teachers, administrators, and board of education members will be on hand throughout the Open House to answer questions and discuss school problems with the public. The program is styled as one of the school's top public relations events of the year, and a widespread publicity program is being conducted to urge every interested Artesia to attend.

Open House at Senior high school is slated to open at 6:30 with a cafeteria dinner priced at 40 cents for adults, 30 cents for students. Reservations are requested and may be phoned to telephone 141, the high school office.

### Lions Leaving No Gag Undone To Promote Minstrel Show

Artesia Lions are leaving no stone unturned—or publicity gag unpulled—to draw full houses for two performances of their 1953 Darktown Follies scheduled for Friday and Saturday night this week. Currently members of the

organization are wearing small orange hats and carrying a gag walking stick to advertise that their members of the club and have tickets to sell.

Last Saturday members dropped 3,000 leaflets advertising the show from an airplane which flew over Artesia and towns in the Artesia trade area. Plans this week also call for minstrel faces to be painted on business houses throughout downtown Artesia, as well as stepped-up private campaigns to sell tickets for the show.

### Red Cross Opens First Aid Course Monday, April 27

An Artesia Red Cross first aid program open to the public originally announced as scheduled for this week and next will open April 27 and continue through May 6, according to H. W. Kiddy, first aid chairman for North Essex county Red Cross chapter.

The course was arranged at the request of Girl Scout officials to train Girl Scout leaders. It is open to everyone interested. First session in the course will be next Monday, April 27. Two-hour sessions are scheduled every day April 27 through May 1 and May 4 through May 6. Time for the course is 4 to 6 p. m., every day of the eight-day session. It will be held at senior high school.

All instructions to be used in (Continued on Page Eight)

Tickets are priced at \$1.20 for adults, 60 cents for children. All proceeds from the show go to the Lions club sight conservation fund, which furnishes eye examinations and glasses for children from Artesia families unable to buy them.

More than 50 are in the Darktown Follies minstrel cast, which ranges from the shenanigans of the Billionaires club to the sublime singing of talented Artesia vocalists.

Direction of the play is under Mrs. F. F. Blessing, with choral direction by Justin Bradbury. Cast as the interlocutor or captain is Bob Hess.

Jack Fauntleroy, formerly of Artesia and now of Hobbs, will present a specialty number during the minstrel.

All talent in the show is hometown, made up largely of Lions club members and many non-member activities.

Trampoline and tumbling acts are planned by the boys' physical education classes, while driver education course students will take sample tests in their classroom.

Clothes, accessories, home arts charts, and home experiences done by class members in home economy will be displayed. Howard O. Miller will direct the (Continued on Page Eight)

### Little Theater Sets Meeting for Wednesday Night

Artesia Little Theater will meet at 7:30 Wednesday evening in Central school auditorium, officers of the dramatic organization have announced.

Readings for casting for "The Silver Whistle" will be continued in Wednesday night's session and members interested in parts are especially urged to attend.

Wednesday's meeting replaces last Thursday's meeting, postponed because of conflict with other community activities.

### Everyone Benefits From City-Wide Drive To Clean-Up, Paint-Up, Chairman Says

Artesia enters the final week of its Clean-Up, Paint-Up, Fix-Up campaign today with a successful follow-up to publicity measures put squarely on the shoulders of the town's householders and business people.

According to Charles Baldwin, chairman of the Chamber of Commerce-sponsored campaign, response to the drive thus far has been sporadic.

"We had frankly hoped for a better response than we have had," Baldwin said. "We realize this is a period of high activity in the community, but even now we must take steps to keep Artesia an attractive place in which to live and shop."

**Benefits Everyone**  
Baldwin pointed out these benefits of the campaign:

1—A clean city is a healthy city, with cooperation of everyone in promptly removing unsanitary conditions, Artesia will retain its title as New Mexico's healthiest city.

2—A clean city in good repair reflects civic pride and attracts new residents, new business, and new industry.

3—A well-cared for city, cleaned-up, painted-up, and fixed-up, attracts business, especially important in Artesia's competitive location.

"Everyone stands to benefit from cooperation in this campaign," Baldwin declared.

"The person who takes the initiative in his business or his home is providing an incentive for his neighbors and fellow townspeople to beautify their property, too," Baldwin added. "Once a campaign like this opens, it snowballs until everyone is taking part."

**Fire Prevention**

Importance of the campaign as a measure in fire prevention was stressed by the chairman, who pointed out a clean city with rubbish and accumulated trash properly disposed of is less likely to have a disastrous fire.

"This campaign is just a good thing all the way around," Baldwin said. Even though it is in its first year and falls during a busy time of the year, we are confident it is being well-received and will in years to come be even more popular with Artesia residents.

### Loans on Eddy County Cotton Over \$2 Million

Eddy county cotton farmers have put a total of 13,523 bales of cotton under loans in a program conducted by the Commodity Credit Corporation cotton price support program.

Total value of the loans is now \$2,225,768.22, an increase of about \$60,000 over the previous week. Nineteen new loans were processed in the week from April 10 to 17.

### Viola Samora Is First in Dance Queen Contest

Viola Samora has taken first place in a contest to choose the queen for a May 3 dance, according to contest managers. The dance is under sponsorship of Daughters of Mary, Catholic organization for young women.

Eva Alamiz is second place, Socorro Gomez in third, Cruz Hernandez fourth and Petra Guerrero fifth. Votes are ballots being cast on a penny-a-vote basis in ballot boxes throughout the community.

## Hope Petticoats Will Celebrate Annual Fiesta On May 9

Hope's petticoat government will celebrate another year of achievement when it holds its fourth annual Petticoat Fiesta Saturday, May 9, at Hope.

A parade, rodeo, free lunch and supper, and a dance slated to go into the wee hours of the morning are mainstays in advance planning for the fiesta, which in years past has attracted people from throughout Southwestern New Mexico.

This year's fiesta will especially celebrate the petticoats' latest project—drilling of a water well

which the all-female town government believes will start the town's comeback.

**Blanket Invitation**  
A blanket invitation to attend the fiesta has been issued by Mayor Ethel Altman to everyone who can possibly get to the fiesta.

Opening the day will be a parade scheduled to start at 10:30 a. m., under the guidance of Clem Weindorf. It will form near the new Petticoat addition, go down Main street, ending near the rodeo grounds.

At noon a free dinner will be served to all comers on a vacant lot just east of Hope town hall in

the center of town.

On the menu are frijoles and cornbread with "Thunder 'n' Lightnin'" sauce, salad and pudding. Anyone wanting to bring beans and a slab of bacon to fill his plate is welcome to do so, Mayor Altman said.

At 2 p. m. a rodeo starts at the rodeo grounds. Under sponsorship of Artesia Roping club, its talent will come from the ranches of Southwestern New Mexico. Admission to the rodeo will be \$1 per car.

Slated for 5 p. m. is the free supper, which will include barbecued meat, pickles, bread, and coffee

like only the petticoats can make it.

And then at 8:30 comes the rousing final event, the big dance in the Hope high school gym, which is scheduled to last "until..."

Admission will be \$1.25 per person. Music is to be furnished by the "Fiddlin' Fools" of Hope.

"This may be hick stuff," Mayor Altman commented on plans for the dance, "but we are hoedown folks at home and we like it." Hope will be seeking to again bolster its unofficial motto which claims it is "The Biggest Little Town in the West, Big With Hospitality and Good Fellowship."

### NEARLY 3 YEARS FOR CONTEMPT

LOUIS B. CONLEY (middle), Amarillo, Tex., enters Suffolk County court, Boston, for hearing of a petition to free him from jail, where he has served a record 35 months for contempt—failure to obey a court order to surrender his daughter to his ex-wife. The daughter, Lynette, 8, is with her grandmother in Amarillo, where a "freedom drive" fund of more than \$5,500 was collected by civic organizations and newspapers. Escorting the 33-year-old Texan are Sheriff C. H. Robbins (left) and David Dale, master of Plymouth jail. (International Soundphotos)

### Many Fans to Visit Carlsbad For First Game

King Baseball will take over its undisputed spring-summer rule of Artesia's sporting interest this week with opening Longhorn league games in Carlsbad Tuesday night and Artesia Wednesday night.

Even as the Artesia Drillers shaped up for the opening events, Longhorn league sports writers picked the team for third place honors in the 1953 campaign with Odesa and Midland a toss-up for first and second and Roswell in fourth to complete the first division.

Carlsbad has been picked to finish in eighth place in its first year, but Artesia observers were fully expectant Monday that games tonight and tomorrow night will bear no resemblance to regular competition.

**Plan Carlsbad Trip**  
Many Artesians have purchased opening game tickets for tonight's game in Carlsbad, when Gov. Ed Mechem will toss out the first ball.

Mechem is to be on the pitcher's mound, Mayor J. L. Briscoe of Artesia at bat and Carlsbad Mayor Walker Bryan behind the plate, in catcher's togs. Opening ceremonies are slated for 7 tonight in Carlsbad, with the game getting underway at 7:30. Starting pitcher for Artesia will be Len Rayle.

Wednesday night Artesia first night ceremonies will begin at 7 p. m., with Bill Keys as master of ceremonies.

**To Introduce Officers**  
Steven Lanning, president of Artesia Baseball club, will introduce the organization's directors and Charles Montgomery, president of the Carlsbad Baseball club.

Montgomery will in turn introduce Carlsbad Pitcher Mgr. Pat McLaughlin. McLaughlin will introduce his players.

Mayor Briscoe and Mayor Bryan will briefly comment on the start of the baseball season, then take up their duties with Briscoe on the mound, Bryan behind the plate as the governor tosses the first pitch. (Continued on Page Eight)

### Dust Storm Postpones Scout Camporee Until This Weekend

Even though Boy Scouts in the Gateway District were all ready to hold their annual camporee last weekend on the Pecos river, regardless of the gale-like dust storm swirling about them, officials called the camp-out off and will instead hold it this coming weekend.

The camporee was called off late Friday by S. P. Yates, district chairman and Wayne Truett, camporee chairman, after dust clouds indicated a wind storm which blew throughout the day would probably continue into the night.

Nevertheless, at least one troop had its tents pitched behind a shelter when Scout officials inspected the camporee campsite.

The same program for camporee will be carried through this Friday and Saturday, Truett said, urging all Boy Scouts to plan on coming out this Friday.

"Many boys were disappointed because we didn't hold it," Truett stated, "but we want them to be assured we're going to have it this weekend—unless the weather fools us again."

The annual Gateway camporees are designed to teach Boy Scouts "Camping is Fun" ruff and said to show new boys in Scouting that camping and other out-of-doors skills come naturally and are enjoyable.

Camporee site is just south of the Pecos river bridge east of Artesia on the road to Loco Hills. It is scheduled to begin next Friday at 4 in the afternoon, when troops will begin to prepare the campsite and pitch their tents. Friday evening, a large campfire is planned.

Saturday the Scouts will turn to the actual business of the camporee, training in camping and outdoor skills. Camp will break up in mid-afternoon Saturday.

### R. W. Box Dies Sunday, Funeral Will Be Today

Funeral services for R. W. Box, resident of the Artesia area since 1930, will be held at 2 p. m. today in the First Methodist church of Artesia.

Rev. R. L. Willingham will officiate. Burial will be in Woodbine cemetery.

Mr. Box died Sunday at 1 p. m. in his home at 707 W. Chisum in a heart attack. He was 83.

He is survived by his widow and eight children.

The children are Mrs. Al Woelk, Stewart Box, and Clifford Box, all of Artesia; Mrs. Charlie Moore, Lone Grove, Texas; Mrs. H. R. Rodgers, Albuquerque; Mrs. Troy Alexander, Tow, Texas; Mrs. Gladys Hallmark, Tow; and Edgar Box, Burnet, Texas.

Two sisters, Mrs. Lula Stevenson and Miss Alice Box, both of San Marcos, Texas, and a brother, Albert Box, Carrizo Springs, Texas, as well as 14 grandchildren and 14 great grandchildren, also survive.

Mr. Box was the son of Rev. and Mrs. J. B. Box of Palestine, Texas. He married the former Lillie Gustav Forehand July 21, 1892, in Lone Grove, Texas.

They resided in Lone Grove until 1930, when Mr. Box and his family moved to Artesia, where he purchased a farm east of Artesia. He was active in the operation of his farm until 1952, when he sold it and moved to 707 W. Chisum in Artesia.

### Three Growing Businesses Plan Move to Carper

Three growing Artesia business houses will move into expanded and newly redecorated quarters in the Carper building between May 10 and May 30.

They are Artesia Investment Co., now located at 303 W. Main, Artesia Building & Loan association, now in Peoples State Bank building, and Irby Drug, which is located adjacent to space it will absorb to enlarge its present Carper building quarters.

No plans have been announced for quarters to be vacated by Building & Loan and Artesia Investment.

Clayton Menefee of Artesia Building & Loan announced this week that business growth of the firm, founded here in 1945, has necessitated the move to larger quarters and larger fireproof storage for records of the business, which now has over \$1.2 million in resources.

All three businesses front on Fourth street in the Carper building ground floor.

Artesia Investment will be located in the south end of the building, Artesia Building & Loan in the middle between Irby and Artesia Investment.

Extensive remodeling has been done throughout Irby Drug to accommodate expansion plans.

Tom W. Heilin is contractor for the remodeling of the space formerly occupied by Food Mart.

### Boy Scouts Set Leader Training Course Thursday

Leadership training courses for adult volunteers in the Boy Scout program of the Gateway (Artesia area), and neighboring districts will be held this Thursday, April 23, in Senior high school library, according to S. P. Yates, district chairman.

A professional leadership training director from Boy Scouts of America will conduct the course Thursday night. All adult volunteers are urged to attend, Yates announced.

## Future Teachers Join Professional Sorority in Discussing Teaching

Future Teachers of America were guests of Delta Kappa Gamma for a special program Wednesday evening, April 15, at the home of Mrs. C. P. Bunch, with Miss Lois Nethery, Mrs. R. H. Hayes, and Mrs. C. S. Powell as co-hostesses.

Mrs. Hagin McCaw, president, gave a report on the state convention held in Santa Fe, April 10-12. She said the theme of the convention was "Discrimination, Preparation and Qualification." A study on mental hygiene was suggested by the state service chairman, Mrs. McCaw said.

Following the business meeting, Miss Nethery, moderator, introduced the speakers on the panel, the subject, "Why I Chose Teaching." Vernon Mills, school supervisor; Miss Sue Warren, first grade teacher at Hermosa and Mrs. R. H. Hayes, social studies teacher at Junior high, composed the panel.

Mills discussed the topic from the administrator's viewpoint and listed five points to be considered when hiring teachers and discussed each point briefly. There were character and morals, love and knowledge of children, training and academic standing, personal appearance and voice and conversation. Mills also reviewed some of the talks given in Carlsbad recently at the district convention which were along this line.

Mrs. Hayes chose as her part on the panel the topic, "Teachers Are People." She said although teachers are just people, they must cer-

## Delphians View Citizen-Town Relationship

"The Citizen and the Community," was topic discussed by members of Delta chapter of Delphian society at the regular meeting on Wednesday at the Methodist church. Mrs. M. C. Livingston was leader.

Mrs. Thad Cox spoke on "Democracy and the Citizen"; Mrs. Landis Feather spoke on "Choosing Government Officials"; Mrs. Clarence Connor, "City Government."

Mrs. Carl Lewis, "How Good Is Your Community," and Mrs. E. M. Perry, "City-County-State Perspective."

New officers took charge of the meeting with Mrs. C. S. Powell, president, presiding over the business meeting; Mrs. Livingston, vice-president; Mrs. Ralph Petty, secretary; Mrs. R. M. McDonald, treasurer; Mrs. Grady Booker, Mrs. Glenn Booker, and Mrs. W. Leslie Martin, seminar leaders; Mrs. Glenn Caskey, membership chairman; Mrs. Maynard Hall, reporter; and Mrs. Carl Lewis, Mrs. E. M. Perry, and Mrs. Thad Cox, visiting committee.

The group decided to take in several new members.

Those to take part in the next meeting May 6 are Mrs. Feather, critic; Mrs. Owen Haynes, leader; and Mrs. Grady Booker, Mrs. Leslie Martin, Mrs. Ross Sears, Mrs. Boyd Barnett, and Mrs. R. M. McDonald, speakers.

## Christian Church Women's Group Meets Thursday

Over-all meeting of the Christian Women's Fellowship was held Thursday afternoon, April 16 in the social hall of the First Christian church.

Mrs. J. A. Richards, president, called the meeting to order. Mrs. Orvan Gilstrap was at the piano for group singing and prayer, followed by a business meeting.

Mrs. John Gilmer was program leader, assisted by Mmes. Bennie Juarez, James Cornett, Orvan Gilstrap and N. T. Kelly with Mrs. J. W. Lanning at the piano, conducting the song service.

Mrs. Grant P. Ivers and Mrs. J. W. Lanning hostesses for group one of the CFW served coffee, cake and candy to 16 members.

## Quisenberry's Are Guests of Honor At Nuptial Shower

Mr. and Mrs. Merle Quisenberry were honored with a nuptial shower Saturday evening in the recreation hall of the First Christian church. Mrs. Quisenberry was the former Geraldine Blount. Hostesses were Mrs. L. C. Kidd, Mrs. Joe Walker, Mrs. N. T. Kelly and Mrs. Artie McAnally.

Members of the Christian Youth Fellowship decorated the hall, using a blue and white color scheme. Bouquets of roses were also used. The table was centered with a bridal cake topped with a miniature bride and bridegroom.

After opening gifts, refreshments of white cake, mints and punch were served. Miss Margaret Amstutz presided at the punch bowl and Mrs. Kidd served cake.

Those present were Mrs. C. L. Blount, mother of the bride and Mr. and Mrs. George Henderson, grandparents of the bridegroom.

Mmes. J. F. Dew T. A. Hart, Charles Hammond, G. P. Ivers and sons Jack Flournoy, J. W. Lanning, A. B. Coll, C. V. Miller and Britton Coll, Mr. and Mrs. Dick Oberlea and Mr. and Mrs. John Gilmer.

Misses Joan Amstutz, Helen McNelly, Cora Rogers, Janice Coll and Mary Lou and Becky Chenoweth. Messrs. Bob McAnally and Sherman Patterson.

Those sending gifts were Christian Women's Fellowship, Mrs. Curtis Bolton, Mrs. C. Bert Smith, Mrs. Henry White, Mrs. Norman Stewart, Mrs. A. W. Boyce, Mrs. Homer Borland, Miss Jean Coll, Miss Jonell Roberts, Mr. and Mrs. W. B. Chenoweth, Mr. and Mrs. F. F. Blessing, Mr. and Mrs. Albert Richards, Rev. and Mrs. Orvan Gilstrap and Mr. and Mrs. Blair Thompson.

## Film on Korea Shown Methodist Church Circle

Rev. R. L. Willingham showed the film, "Late News from Korea," at a meeting of Julia Sharp circle of the First Methodist church on Thursday afternoon at the home of Mrs. C. P. Bunch with Mrs. P. V. Morris as co-hostess.

Mrs. E. A. Drew had the devotions.

At the close of the meeting refreshments were served to 24 members and one guest.

## Personal Mention

Mr. and Mrs. Leon Ramey and Mr. and Mrs. Button Schultz entertained with a dinner Friday noon at the new home of Mr. and Mrs. Ramey on Cottonwood. The occasion was to honor the mother of Mrs. Shults and Mrs. Ramey, Mrs. Addie Schultz and Mrs. W. M. Ross on their birthdays.

Other guests were W. M. Ross, Mrs. Virginia E. Briscoe, Mrs. Emma Berry and Mr. and Mrs. M. C. Davis.

Mrs. Chester Mayes and Mr. and Mrs. O. L. Parrish returned Friday after spending most of last week in Winters, Texas, visiting Mrs. Parrish's daughter and son-in-law, Mr. and Mrs. J. G. Brown.

James Perry Franklin flew home to be with his father, Tom, who is in the Artesia hospital suffering from a heart attack and who is improving. James is on a 12-day emergency leave from the Army. He is stationed at Fort Lewis, Wash.

Mrs. Maude Ball former employe of the Advocate writes the staff she is now employed with a newspaper in California, where she recently moved. Mr. Ball is in ill health.

Mr. and Mrs. Ralph Barr and son Richard of Deming, arrived Saturday to spend several days with Mrs. Barr's parents, Mr. and Mrs. W. C. Gray, 317 W. Dallas.

Mr. and Mrs. Calvin Dunn left Wednesday, April 15 for Albuquerque in response to a message that Mrs. Dunn's brother, Max Roady was to undergo major surgery.

When they returned home Sunday Mr. Roady was doing well.

Mrs. Mary Harley of Graham, Texas, visited A. W. Boyce and family Monday, A. W. is a brother of Widd a nephew of Mrs. Harley.

Mr. and Mrs. Kenneth Miller and children of Pecos, Texas, the weekend with relatives friends in Artesia, reporting Miller's father, S. P. Emmons, is in an El Paso hospital is proving.

Mr. and Mrs. Roy Hall left Monday for Lubbock on a business trip.

## Winston Marler Based in Japan On Construction

Recently reported to amphibious construction battalion one, a of Naval Beach Group One, advanced base in Japan is Winston R. Marler, electrician's mate constructionman, USN, son of Mr. Mrs. Walter Marler of 509 Chapin Artesia.

Before entering the Navy August, 1951, he was graduate from Artesia high school.

In the first 30 months of Korean war, more than 15 military aircraft of all types delivered to armed forces of North Atlantic Treaty organization.

## Delegates Report On PEO State Convention

Mrs. Floyd Waltrip and Mrs. Verle Allen, delegates from chapter "J" PEO, gave reports on the state convention held in Las Cruces Monday, Tuesday and Wednesday of last week at the regular meeting Friday afternoon at the home of Mrs. A. P. Mahone. Mrs. F. L. Green was co-hostess.

Mrs. T. H. Flint and Mrs. Fred Cole, members from Artesia, also attended the convention.

At the close of the meeting, refreshments were served 19 members.

## Garden Clubs to Send Seven To Convention

Seven members of Artesia and Cottonwood Garden clubs will leave Thursday for Albuquerque to join the group from this state that will attend the National Garden convention at San Francisco, April 27 through May 1.

Those attending will be Mrs. Carl Lewis, Mrs. Ralph Pearson, Mrs. Jess Funk, Mrs. W. T. Haldeeman, Mrs. Paul Ferry, Mrs. H. V. Parker, Sr., and Mrs. C. R. Blocker.

## Mrs. Theda Smith Elected to ESA State Office

Mrs. Theda Smith was selected state recording secretary of Epsilon Sigma Alpha at the state convention held in Hobbs over the weekend.

Nine members of Alpha Nu chapter attended the convention.

Alpha Nu display of philanthropic projects and money-making projects won first prize.

Those attending from Artesia were Mmes. M. L. Worley, George Lynch, Charles Gieghorn, Don Johnson, Theda Smith, Gene Chambers, Vestal Yeats and Lewis P. Means and Miss Patti Runyan and Mrs. John Runyan, sponsor.

Relatives from Dexter, Lake Arthur, Hagerman, and Artesia attended.

Southard left Saturday morning for San Diego.

## Artesia Woman Elected to State Office in AAUW

Mrs. Lillian Bigler of Artesia was elected state fellowship committee chairman of the American Association of University Women at the state convention held in Santa Fe this past week-end.

Mrs. V. P. Sheldon, president of the Artesia branch, and Miss Nannie Mae Haynes, a member of the state nominating committee, attended the convention.

Highlights of the convention were a legislature workshop conducted by Mrs. Robert Green of Albuquerque, special interest workshop in the field of social studies education, international relations, and the fine arts.

A United Nations art project portraying all phases of the U. N. were carried on by various civic clubs, and organizations in Santa Fe. A presentation of native music and dance was given by the students of the U. S. Indian school.

The climax of the program was shared by Dr. Dorothy Woodward of the University of New Mexico who spoke on "The Standards and Recognition of University Women," and Mrs. Fred Lucks, a writer of Los Alamos, who addressed the group on "The Integrity of the Mind."

The convention elected the following officers: Mrs. Baron Stuart of Portales, president; Mrs. A. T. Gordon, Tucumcari, first vice-president; Mrs. Arvel Branscum, Portales, secretary.

Committee chairmen include:

## Presbyterian Mission Group Studies Field

Circle Three of Women's Missionary Society of the Presbyterian church met Thursday afternoon at the home of Mrs. Andy Anderson, 1112 W. Main, with 15 members present. Mrs. Anderson and Mrs. Creighton Gilchrist were hostesses. Devotions were led by Mrs. Cerney.

The program consisted of a story telling being on "Missions" led by Mrs. Ed Jernigan, assisted by Mrs. Ralph Shugart, Mrs. John Cochran, and Mrs. Leo Hicks.

At the close of the meeting refreshments were served.

## Billy Southard Given Farewell, Returns to Navy

Billy Southard, radarman, U. S. Navy, who has been home on 30-day leave, was honored with a farewell party Friday evening by his parents, Mr. and Mrs. T. A. Southard, south of town.

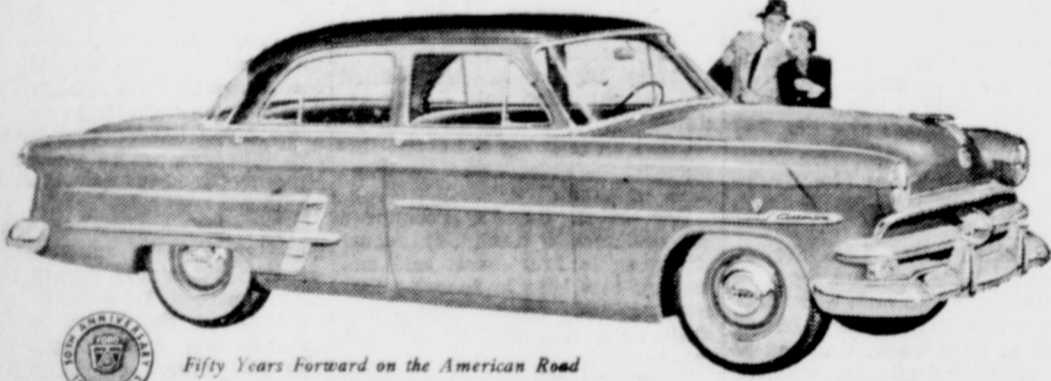

Refreshments of ice cream, cake, and cold drinks were served.

A planned insurance program serves a "dual" purpose—giving you peace of mind and financial security. Plan with—US.

# Success car

# of the season!

Topping a traditional Ford trend, the 1953 Ford today leads all other cars in bringing you the kind of car you've always wanted for the kind of money you can afford to pay. It's America's "Worth More" car . . . worth more when you buy it, worth more when you sell it.

NEVER BEFORE has a car enjoyed such wide acclaim as Ford during the past few years. And this year, with a hull-tight Crestmark Body that's the style-setter, a new ride that's unbelievably smooth, a choice of high-compression V-8 and Six that's the envy of its field and a total of 41 "Worth More" features,

the 1953 Ford steps even further out front to become the New Standard of the American Road. Ford keeps its value better than any other car, too. A check of used car dealers and owners will prove it. So join the swing to Ford. Take a Test Drive today.

All across America, the swing is to **Ford**

Funeral Is Held For Mrs. Nye, Former Artesian

Funeral services for Mrs. Catherine Wake Nye, known to many Artesia residents as Mrs. John Wake before her second marriage, were held in Alamosa, Colo. April 15 with burial at Monte Vista, Colo. Mrs. Nye died April 12 in Salida, Colo., at the Denver and Rio Grande Railroad hospital. She was born May 25, 1905, the daughter of Mr. and Mrs. Ben F. Hill. She is survived by her second husband, Ernest Nye of Alamosa, whom she married in August 1945, and by a son, Ben F. Wake, as well as a grandson and granddaughter of Helena, Mont. Her father, a sister, Mrs. John Inman and a nephew, all of Decatur, Ark., and a niece, Mrs. Dee Baker and two grandnephews of Eunice, N. M., also survive. Mrs. Nye's mother died in 1927. In 1944 her first husband, John Wade, died. She was employed by the Denver & Rio Grand for nine years. Before moving to Colorado in 1939 she had lived in Artesia the greater part of her life. She was a member of the Mormon church. Artesia friends attending funeral services were Mr. and Mrs. Vernon Swift, Mrs. Edith Swift, Mrs. J. B. Champion, Jr., Mrs. Henry Jernigan and Mrs. Joe Trimble and daughter, Billie Jean. Albert Bach Attends Dairy Show in Texas: Albert Bach of Artesia was one of Eastern New Mexico university's dairy judging class members to attend the Great Plains Dairy Show at Plainview, Texas, recently. Exhibiting five breeds of cattle, the show is considered the fourth largest in the nation. ENMU members attended advance training in their judging class. Snakes do not travel by moving their ribs. The ribs are stationary in the body under all methods of snake locomotion.

Business Notes—

Abel to Operate Automotive Electric Service Business

George C. Abel, who has been managing the Western Battery & Magneto Co. here for the past five years, has taken over the service department for himself and will operate the business under the name George's Automotive Electric Service. He is located at 811 1/2 S. First. Abel also managed a business for Western Battery in El Paso for two years before coming here. He has had 35 years experience in this field. His experience and equipment can save any car owner money on his tune-up and electrical problems. George's Automotive and Electrical Service has the latest and most complete electrical and tune-up equipment in this part of the country, Abel said. Abel has association with him in the business his son, William Toole, who is his assistant and his wife, as bookkeeper. Mr. and Mrs. Abel live at 301 Adams and Mr. and Mrs. William Toole live in the 400 block W. Quay. Toole was discharged from the Navy in December, after having served four years. H. B. Maupin and G. C. Maupin of White Auto Store, went to Lubbock Thursday to attend a sales meeting, devoted to Sew Gem sewing machines and Detroit-Jewel gas ranges. Glen Newton and Larry Ramirez attended the same kind meeting in Amarillo Friday. "Husky" Goodner, manager of Goodner's Bakery, has placed glass cake covers in the neighborhood grocery stores of Artesia. He will keep them stocked with fresh baked goods each day for the convenience of the housewife. E. R. Patton of Midland, representing the Westland Drilling Co., is here looking after business interests. B. E. Jones, who is with Ferguson-Steele Petroleum Transportation Co., is here from Big Spring on business. John Hickman of Little Rock, Ark., and W. W. Barbour of Muleshoe, Texas, representing the Union Life Insurance Co. are here on business.

C. V. Howe of Ponca City, Okla. and C. P. Daniels of Oklahoma City, who are with the Daniels Pipeline Co., are here on business. Jimmy Martin, who resided at Loco Hills with his parents, Mr. and Mrs. W. F. Martin, is employed by C. R. Qualls and C. T. Safely at the Conoco Service State, No. 1. James E. Simmons is a new addition to the staff of Hale's Radio & TV Service. Simmons has been in radio repair since 1922 and is familiar with all types of radio and television techniques. He is a graduate of the National Radio Institute at Washington, D. C. He is married and has six daughters and two sons. He is a native of Superior, Neb., and plans to move his family here as soon as school is closed there.

Puts a Good Mark on a Man!

Regardless of where he drives, no man is wholly a stranger to the people about him—if he sits at the wheel of a 1953 Cadillac. His name may be unknown—and also his occupation—and, likewise, the whereabouts of his home. But he is not without standing. For his Cadillac marks him as a man of character and substance. Wherever he may be, let him arrive at the door of a distinguished hotel or restaurant—or let him seek the car of anyone for direction or information . . . and he has the courtesy that goes with respect. And let it be said for Cadillac owners that, almost invariably, they respond in kind. Indeed, the honor which Cadillac does to its owners is the fruit of the honor they have so long bestowed upon Cadillac. When so many wonderful people favor a particular make of car over such a long period of time—the car must inevitably become a mark of distinction. All of this, of course, comes to the owner of a 1953 Cadillac as an extra joy and satisfaction. It comes in addition to the magnificent performance of Cadillac's 210 h.p. engine and improved Hydra-Matic Drive . . . the wonderful comfort of Cadillac's new Air Conditioner\* . . . the car's soft, easy, relaxing ride . . . its marvelous balance and handling ease . . . its long life and dependability . . . and its truly amazing economy of upkeep and operation. Put them all together and they spell the grandest satisfaction in all the world of motoring. Have you seen and driven the 1953 version of the "Car of Cars"? If not—we should be happy to see you at any time. Why not come in today? \*Optional at extra cost.

# Titchenal Tackles First Head Coaching Job In UNM Appointment After 18 Years in Field

ROBERT A. "BOB" TITCHENAL

Big, blond Robert A. "Bob" Titchenal, University of New Mexico head football coach, may be the youngest head coach in the Sky-line conference, but his background in the gridiron sport has gained him many years of profitable experience.

The 35-year-old Titchenal is tackling his first head coaching job after 18 years of playing and coaching with some of the finest in the profession.

He began his grid career in California where he was an outstanding end at Hoover high school in Glendale. In 1935, he entered Cum-nock prep school, where he switched to center, a position he stayed with until entering professional ball.

"Titch" had his greatest years in college football at San Jose State, playing with teams that were the highest scoring college clubs in the nation for three straight years. San Jose teams earned two Far West and Coast conference titles during Titchenal's tenure there.

Honorable Mention—Also while at San Jose, Titchenal earned honorable mention All-American honors.

In 1940, the new Lobo mentor joined the Washington Redskins pro team, playing center until shifted to end in 1942. He was only 21 when he entered the professional ranks.

# Destruction of Cotton By Pests Up 400 Per Cent

Dollar value of cotton destroyed by pests in the Far West has increased nearly 400 per cent since 1948, according to the National Cotton Council.

Insect damage has kept pace with increased production of cotton in Western areas, the council adds, pointing out that losses in California, Arizona, and New Mexico during the 1951 season totaled an estimated \$32,372,000, as compared with \$8,225,000 in 1948.

Pests in 1948 reduced the full yield an estimated 2.6 per cent in the Western irrigated cotton producing areas. In 1951 the full yield was reduced a record 5.4 per cent.

Ways to reduce these inroads by pests on cotton production in the Far West will be discussed in detail here April 8-9 at the Western Cotton Insect Control and Defoliation Conference at the Westward Hotel.

The boll weevil a pest which causes damage exceeding \$200 million annually elsewhere in the Cotton Belt—is not found in the Western irrigated areas. In some years, however, certain cotton producing areas in the Far West suffer substantial crop damage from Lygus bugs, fleahoppers, trips, cotton aphids, armyworms, cutworms, bollworms, leafworms, plant bugs, stink bugs, salt marsh caterpillars, or spider mites.

The states of Arizona, New Mexico, California, and Nevada, as well as the El Paso area of Texas, will be represented at the conference. Entomologists and cotton producers from these areas, manufacturers and distributors of agricultural engineers are among those listed on the program.

A thorough look at progress and problems in defoliation—use of chemicals to cause the cotton plant to shed its leaves—will be taken by scientists and cotton producers on the second day of the meeting.

Cotton is easier to harvest and trash is reduced when it has been defoliated. Efficient defoliation is essential particularly in the far Western areas where a large part of the crop is harvested with mechanical pickers.

Benjamin Franklin was the first United States postmaster general. Rhinoceros horns were long used for medicinal purposes in China. In New Zealand, some natives wear earrings which are decorated with the teeth of their enemies. Hannibal crossed the Alps in 218 B.C.

# FROM YOUR CONGRESSMAN Congress Showing Greater Efforts To Cut Spending, Taxes, This Session

By JOHN J. DEMPSEY Congressman from New Mexico

WASHINGTON, April 16. — Congress, back at work after the Easter recess, is evidencing greater determination than ever before this session that spending and taxes are to be reduced before the adjournment curtain rings down in mid-1953, probably in late July.

That was apparent on Capitol Hill as the nation's lawmakers returned to their duties with reports that the "people back home" are in no mood to tolerate alibis or excuses for failure to carry out the economy pledges made in the 1952 campaign. The public attitude was found to be—and quite properly—"make good or else."

In the meantime those heads of departments who have been telling Congress that cutting their budget requests will be "terrifically difficult" apparently are responding in some degree to pressure of public opinion and goading by the economy bloc in the Congress and are beginning to find ways of overcoming the difficulty. It is becoming less "terrific." They are whittling down their budget requests and the Congress, it is virtually certain, will pare them further.

It is evident to anyone who has studied the matter even superficially that cuts must be made in the defense and foreign aid budgets if appropriations are to be held down to the point where the tax burden can be lightened this year. President Eisenhower has requested that his advisory staff be given time to complete its analysis of defense needs before final determination is made on appropriations for that department. Secretary of State Dulles has indicated he is now on the trail of waste and reckless spending abroad.

Just before Easter recess Chairman John Tabor (R-N.Y.) of the House appropriations committee said he believed in excess of 12 billion could be trimmed from the original Truman budget, submitted early this year. His figure is somewhat in excess of the 10 billion I had said previously could be lopped off with injury to any proper government function.

During the recess Sen. Styles Bridges (R-N.H.), chairman of the Senate appropriations committee, said the entire federal spending budget, including defense, "can be cut all along the line without impairing efficiency or national security."

Both of those chairmen are thoroughly conversant with the spending program and, quite naturally, carry much weight in the decision on appropriations. Senator Bridges made his statement following a conference with

the President, but said he was speaking only for himself and not for the President. Senator Taft (R-Ohio), Senate majority leader, agreed that "some economies can be made in military expenditures."

This recent turn of events has given considerable encouragement to the supporters of the bill introduced by Chairman Reed (R-N.Y.) of the House ways and means committee, which would cut personal income taxes by 5 1/2 per cent this year. Rep. Reed says he will continue to press for action on the measure.

Congress appears to be recognizing its obligation to the American taxpayer.

Sherwood forest in England, Robin Hood's lair, now is used for military purposes.

Most insects have a well-developed nervous system, including a brain.

Lima, capital of Peru, is situated almost at sea level.

# Cancer Alertness ACS Goal for MDs

A promising experiment in post-graduate medical education is being carried on by the American Cancer Society. The object of the program is to make every physician think of cancer first.

Because early detection is the key to curing cancer, the family doctor must be well-informed about the disease. The ACS says that the life of the cancer patient may be in the hands of the first physician who sees him. If diagnosis is missed the cancer will spread until cure is unlikely.

Teaching doctors to recognize cancer and institute proper treatment is the aim of the ACS professional education program. A digest-type magazine is published for the busy practitioner and a technical journal is issued for the specialist. Monographs, lectures, refresher courses and specially-produced motion pictures also are used. Fellowships go to 70 young doctors each year. All this is financed by contributions to the Cancer Crusade.

Last year more than 70,000 Americans died needlessly of cancer. Some died because they did not heed cancer's danger signals. Others died because the first physician they consulted did not recognize the disease.

Remember! Cancer strikes one in five. Strike back. Give to cancer.

# Kangaroo Rat of Southwest Really Isn't Rat at All

Kangaroo Rat ©1952 National Wildlife Federation

Naturalist Ernest Thompson Seton in his book, "Lives of the Hunted," wrote a delightful story on the kangaroo rat. It may have conditioned many people in their subsequent understanding of this animal. Unfortunately it unjustly conditions people to believe that kangaroo rats can suffer at the hands of such a harmless creature as a spotted salamander.

We come to believe that we should depend to a considerable extent on what we see for ourselves.

If you have had the opportunity of keeping some of these delightful animals in captivity for some time, you come to feel that somewhat the name "rat" should not be applied to the kangaroo rat. A rat is a despicable creature, and it is difficult to apply that term to this animal of our Southwest desert lands.

Variety of Species—The kangaroo rat comes in a variety of species. In fact there are approximately a hundred kinds and in suitable territory there may be a population as high as 1,000 animals to the square mile.

Because of the different kinds it is difficult to limit the territory occupied, but they seek hot, dry lands where coolness may be reached by burrowing a short distance underground. Some species are to be found in damp lands and some in forested areas but usually the ground is of a loose type, such as sand or clay, in which excavating is relatively easy.

One of the commoner kangaroo rats has a length of 13 inches of which 7 1/2 inches is tail. They have long hind legs and the hind feet with their four toes may be two inches long. The eyes are large and amazingly beautiful as is so often the case with nocturnal animals. They have conspicuous long whiskers and capacious, external, fur-lined cheek pouches in which they can pack food that they carry underground for storage or consumption. Kangaroo rats do not normally drink water but may get their supply from their food.

A kangaroo rat may make an 8-foot leap and this is necessary for an animal that roams in the open.

The animals do not hibernate and must keep active year round. The larger bannertails store food regularly but this is not the practice with the smaller species.

Neat Den—A nest den about 8 by 10 by 12 inches is built some 3 feet underground and lined with fine bits of waste food and there the two or four young of a litter are born.

The rats are social but the females live in separate tunnels. However if the animals are confined in a cage they will fight to the death, while one may survive out of a group, even the survivor may come so wounded in the process of proving his superiority that he does not live out his normal span.

Kangaroo rats serve as food for coyotes which might otherwise prey on domestic animals. They have an interesting series of songs which are intriguing to the camper who stops in their midst.

The National Wildlife Federation is interested in an understanding of the true role of these animals in the general economy. Notes based on careful observation of young, of enemies of food are always welcome. Laurence Palmer.

Three out of four traffic accidents involve passenger cars. There are 33,984 miles of roads in India.

# Bulldogs Sweep to Victory in Hobbs Meet, Highlands Looms as Top State Opposition

Artesia's track Bulldogs swept Hobbs invitational to another victory Saturday and at once prepared to train extensively for state track meet this coming weekend in Albuquerque.

Fans learned the Albuquerque Highlands, which is acknowledged top contender with Arsenals for state track honors, this weekend placed second in the meet at Amarillo.

Artesia was thus assured of keen competition who will take on the Bulldogs Saturday.

Artesia entries at Hobbs Saturday set new track records for the meet in discus and pole vault.

The Bulldogs thined up a total of 12 points, far ahead of second-place New Mexico Military which won with 18 points in second place. Alamoquero was third with 13.2 and Hobbs with 13.2.

Freddie Sanders soared 11 feet in the pole vault to break the old record of 10 in the hands of Hobbs and Sanders and James Baker hurled the discus 113 feet 2 1/2 inches to up-

set the old record, while Artesia's 880-yard relay team made up of Baker, Yummy Barker, Gene Parnell and W. L. Gray, set a new record of 141.1, bettering the previous 141.4 mark.

In the junior division the Artesia Hornets were in second place following Fort Sumner's 49.1 with 20.7 and being tagged by Hagerman with 13.6 and Roswell's 11.16.

Teams competing in the senior event were Alamoquero, Artesia, Dexter, Eunice, Floyd, Fort Sumner, Hagerman, Hobbs, Jal. Lovington, NMML, Portales, Roswell, Weed and Booker T. Washington of Hobbs.

Results for the meet:

120-yard high hurdles—1. Sanders, Artesia; 2. Gray, Artesia; 3. Caton, Alamoquero, Time 16.2.

100-yard dash—1. Grav, Artesia; 2. Sanders, Artesia; 3. Williamson, Hobbs, Time 10.5.

180-yard low hurdles—1. Sanders, Artesia; 2. Gray, Artesia; 3. Hunt, Portales, Time 22.0.

1/2 mile—1. Fabian, NMML; 2. Garcia, NMML; 3. Laier, Dexter, Time 5:08.3.

440-yard dash—1. Moore, Dexter;

2. Erwin, Eunice; 3. Dunn, Jal. Time 5:6.8.

220-yard dash—1. Baker, Artesia; 2. Erwin, Eunice; 3. Earl, Alamoquero, Time 24.6.

Discus—1. Baker, Artesia; 2. Hakes, Alamoquero; 3. Hinman, Eunice, Distance 143 feet 2 inches.

Javelin—1. Pino, Ft. Sumner; 2. Sonek, Alamoquero; 3. McCratt, NMML, Distance 146 feet 4 1/2 in.

Sot put—1. Hakes, Alamoquero; 2. Baker, Artesia; 3. Wilder, Hobbs, Distance 44 feet 10 5/8 inches.

Pole vault—1. Sanders, Artesia; 2. Bailey, Portales; 3. Byrd, Hobbs and Wells, Eunice, tie, Distance 11 feet 10 inches.

High jump—1. Coor, Artesia; 2. Lancaser, Artesia; Wilder, Hobbs, three-way tie, Height 5 feet 7 in.

Broad jump—1. Wilder, Hobbs; 2. Golden, Artesia; 3. Earl, Alamoquero, Distance 19 feet 3 inches.

880 run—1. Tidwell, Weed; 2. Fabian, NMML; 3. Moore, Dexter, Time 2:15.

880-yard relay—1. Artesia; Jim Baker, Yummy Barkare, Gene Parnell, W. L. Gray; 2. NMML; 3. Eunice, Time 1:41.2.

# Albuquerque Sweeps Weekend Pair Over Artesia 4-0 Saturday, 10-2 Sunday

Albuquerque Dukes blanked Artesia 4-0 Saturday and 10-2 Sunday in a home-chilling wind and raged the performance Sunday sweeping Artesia 10-2 in Albuquerque.

In Saturday's game Fred Parker went the route for Artesia, giving up 7 hits, walking a pair, while DeCarolis walked three.

The Duke City men scored first in the third when Jerry Folkman opened with a single and Don Landers doubled to bring him home.

In the fourth, Bob Lemmel singled, Tom Jordan tripled to bring him home and came in on

A sparse crowd saw big Joe Fortin collect Artesia's only three hits off Albuquerque ace Frank De Carolis Saturday.

Folkman's leffid fly out, for a pair for the Dukes.

The Bernalillo county boys wound up the scoring in the fifth when Larry Segonit got a double and came in on Herbie Simpson's single.

In Sunday's game in Albuquerque, the game was tied 2-2 going into the seventh inning with no indication of the fate in store for Artesia. Bob Garrett, righthander who pitched with Yakima, Wash., in 1952, started for Artesia, was relieved by Bob Pressley in the seventh.

A combination of errors, bad plays, bases on balls and one-base hits doomed Artesia to its 10-2 defeat.

Box score for Saturday's game:

Albuquerque	AB	R	H
Segoni, cf	5	1	1

# State Game Letter—

## Mountain Lion Eats Lion In Highly Unusual Event

Assistant State Game Warden Homer C. Pickens, just back from a field trip in the San Mateo mountains, reported the finding of a two-year-old female mountain lion that had been killed and partly eaten by another lion.

The incident, said to be highly unusual, was reported to Pickens when he returned to the camp of the famous globe-trotting Lee Brothers, professional lion hunters from Tucson, Ariz.

The Lees, hunting near Magdalena with a party of dudes, found the remains of the big cat at a short distance from where they had just killed a large male lion. They deduced that the female had been killed the night before, possibly by the male.

After backing the female into camp they examined the body and found that she had been bitten through the top of the head and her skull was crushed. The stomach and part of the flesh on the right hip had been eaten by the killer. It was evident that a large lion had slain her.

Pickens added that the Lee party had killed a total of six lions in about 30 days of hunting in the San Mateo's and had turned up what they described as a "struckload of lion-killed deer" in the area. One large male lion was captured alive and taken home to Tucson.

The Lee Brothers, known the world over for their ability to bring down game and stock killers, have made a fabulous career of hunting almost every species of cat in many parts of the world. With their packs of well-trained lion dogs, they travel all over the Americas each year making their professional calls.

Anglers working Lake Wall and Bear Canyon Reservoir, both in the Silver City area, have been asked to watch for trout bearing jaw tags this year.

Fisheries Biologist Roy Barker said that 500 trout, each carrying one of the small, metal rings, will

be planted in each lake. The tags are part of an experiment designed to check the survival and growth of the fish in those waters. The fish will be planted this week after being transported into the area from the Game Department's Lisboa Springs Hatchery at Pecos.

Barker urged anglers who catch these fish to send in the tag to the State Game Department, Santa Fe, N. M. Please include date caught, where caught and size.

That infamous natural engineer, the beaver, will be hard put to overcome a new frustration the State Game Department is planning for him. This time, they're going to try and fence the industrious and ingenious fellow in.

Department Biologist William S. Huey said one of the thirty-inch two experimental beaver-proof fences across Cebolla Creek in the Jemez Mountains. Object of the experiment is to try to keep the beaver from encroaching on nearby farm lands and raising Cain.

Huey said one of the thirty-inch barriers will be placed just above Fenton Lake to keep the beaver from moving on and the other will be installed below Seven Springs Hatchery to keep them upstream. The fences will be built to stout poles and wire and will stretch across the stream for a hundred feet on either side. The barriers, it is hoped, will prevent the beavers from moving onto farm lands where they plug irrigation ditches, cut fruit trees and undermine meadow lands adjacent to the stream.

"We're going to experiment with this, as well as with other devices, during the summer to see if we cannot devise an effective and practical way to halt the movements of beavers," Huey said. "If we're successful, they will be installed in our many problem areas throughout the state," he added.

One old-time trapper, being briefed on the scheme, said: "It sounds good, but I wouldn't bet against the beaver."

# Trout Spring Plantings to Be 'Heavy' Hatchery Chief Says

State Fisheries Director Fred Thompson said today that the spring fish plantings now in progress will be "extremely heavy" in advance of the coming trout seasons.

At the present time, Thompson said, the state's fish planting truck is working out of Red River hatchery and stocking all the lakes and streams now accessible in the Taos-Red River country. By the end of this week, the truck will have planted some 12,000 pounds of trout throughout the area. Approximately 1,000 pounds have gone into the Rio Grande to improve the annual spring fishing there.

All hatcheries, according to Thompson, will hold back sufficient trout to make additional stockings throughout the summer and fall.

Field personnel of the state game department treated the waters of Santa Rosa Creek and the power dam with poisonous "Rotenone" last week to remove the trash species of fish in advance of stocking the waters with game fish.

Assisted by members of the Santa Rosa Game Protective association, who sponsored the project, Fisheries Biologist Roy Barker and District Wardens Frank Ramsey and Mark Sloan, laced the water of the creek and dam with the deadly powder and netted an estimated two tons of carp.

Biologist Barker reported killing "less than a bucketful" of game fish in the operation and said that the trash species far outnumbered the trout, bass, and crappie. The carp taken were extremely large, weighing from 10 to 15 pounds apiece.

# 'Stolen' for Mexico

GO TO HOLLYWOOD and get "stolen" away seems to be the success formula for titian-haired Sandra Nash, shown in Acapulco, Mexico. The Seattle, Wash., beauty was runner-up in an annual "Miss Washington" contest, was waiting for a chance in Hollywood when Mexican producer Manuel de Sevilla spotted her and lured her south of border. She is reported winning popularity (International)

# "Rotenone," the poison used, paralyzes the fishes' gill apparatus and they quickly die from suffocation. Barker explained that the poison does not affect human beings who can consume the poisoned fish with no ill effects whatsoever. In about two weeks, the waters will be safe for fish life and will be restocked with bass and crappie.

By removing the trash fish that compete with game fish for food, Barker expects the Santa Rosa to furnish some good game fishing in future years.

State Fisheries Director Fred Thompson today announced the appointment of William H. Wolf

northeast area and make recommendations for improving the fish management practices there.

The famous Trail Riders have scheduled another ride through the Pecos Wilderness area this year from September 9 through the 20th. Expenses will run \$215 from Santa Fe and the Ride is limited to 25 persons. If you're interested in seeing the high country first-class this is your chance. Write: the American Forestry Association, 919 17th Street, N.W., Washington 6, D. C. for reservations.

Small groups of the 128 chukar partridges that were planted along the Canadian River breaks have been seen now and then, which is a good sign. Once planted, the exotic near-Eastern birds are notoriously difficult to locate again. The biologists hope they'll be as common and as frequently seen as quail one of these days.

# Hagerman

By MRS. EDNA BURCK

The cold wave which struck Hagerman Saturday evening did slight damage to some of the tender vegetation.

Hagerman Extension club met Friday afternoon at the home of Mrs. Spurgeon Wiggins with the president, Mrs. Delbert Dennis, in the chair.

A demonstration on making pillows was given by Mrs. Elton Lankford and Mrs. Ernest Langenegger. Various types of sofa pillows were discussed.

The hostess, Mrs. Wiggins, served dainty refreshments of whipped cherry jello, cookies and coffee to one guest, Mrs. Lard and the following members, Mmes. Raynal Campstern, Delbert Dennis, A. D. Menoud, Wayne Graham, Elton Lankford, Ernest Langenegger and Spurgeon Wiggins.

The Thursday club met at the home of Mrs. Howard Menefee this week.

The interesting lesson on Greenland was presented by Mrs. Earl Stine.

Following the lesson period, the hostess, Mrs. Howard Menefee served tuna fish sandwiches, upside down cake and coffee to Mmes. Aubrey Evans, O. J. Ford, Ernest Greer, W. L. Heitman, Lester Hinrichsen, E. E. Lane, D. L. Newsom, Earl Stine, Don Strixner,

Hal Ware, Edith West, J. W. Wiggins, Mattie Willoughby.

A post-nuptial shower was held on Wednesday afternoon honoring Mrs. Mathews (Ozella Stober), a recent bride, at the home of Mrs. Herman Johnson on W. Washington.

Following opening of the gifts, refreshments were served to those present.

Those present and sending gifts were Miss Esther James, Mmes. Mathews, Bill Clay, Maud Troublefield, Pete Franklin, A. N. Franklin, Charlie Troublefield, Ethel Curry, Archie Troublefield, Jack Herring, Ray Sanders, Alvin Sanders, E. M. George, Bell Martin, Alta Barton, Delbert Sinor, Si Dennis, Ira Satterfield, E. H. Huddleston, Billy Reeder, L. R. Burck, R. B. West, Bill Mathews, Rue Christman, Joe Mann, Edna Langston, Carl Ridgley, A. A. Bailey, A. E. Watford, W. P. West, Frankie Troublefield, Helen Bannister, W. A. Troublefield and the hostesses, Mrs. Kenneth Furlong and Mrs. Herman Johnson.

Mr. and Mrs. Hal Tunnell and daughter of Estancia were recent guests at the home of Mr. and Mrs. T. G. Andrews.

Ernest Robertson has returned to his home at Casa Grande, Ariz., after being here during the past

ing of Mr. Carter and for the funeral.

Easter Sunday guests at the home of Mr. and Mrs. M. D. Menoud were Mr. and Mrs. Jack McNamara and Mr. and Mrs. Price Erdman of Roswell, Mr. and Mrs. Marion Woody and Clifford Woody of Dexter, Miss Betty Woody of Roswell, Mr. and Mrs. A. D. Menoud and daughter, Gloria and Gene Menoud who was a week-end visitor at the home of his parents.

Senior class play was presented Thursday evening at the high school auditorium to a large and appreciative audience.

The comedy, "Grandma's Best Years," was well acted by the youthful players. Annette Sartin as Grandma played the long and difficult part with poise and understanding; Kathleen Harmon, as the maid, gave a most realistic sleeping performance; and Doris Bartlett as the gangster's daughter, was a scream in her bubble gum and "swiping" stunts.

The cast was as follows: Mrs. Abbott, the mother, Loveta Williamson; Sadie, the maid, Kathleen Harmon; Joyce Abbott, the eldest daughter, in love with Jim Meyer, Robert Brady; Marion Abbott, Janice Knoll, the youngest daughter; Dottie Morgan, Marion's bosom chum, Wanda Estes; Willie Abbott, aged 13, and averse to practicing his violin lesson when he wanted to be playing ball, Jimmy McCullough; Shorty, Willie's side-kick and fellow ballplayer, Wesley Menefee; Jim Meyerson, Joyce's beau; Gram, who manages everything in a surprising manner, Annette Sartin; Patch, the crook, mistaken by Gram for cousin Oscar, Leroy Hammons; Mabel, Patch's

wife, Dorothy Creek Watson; Bubbles, Patch's and Mabel's daughter, Doris Bartlett; Mrs. Carlson, a society matron, her son young Carlson, Vedder Brown, who had been invited to win Joyce; Miss Quelch, a skinny spinster, Wanda Pilley; Cousin Oscar, a meek little middle-aged man, Bill Jumper.

Mr. and Mrs. J. N. Hopkins have left for Bakersfield, Calif., where they will visit their grandchildren. They will also visit at San Francisco and other points before returning to Hagerman. Mr. and Mrs. W. H. Tempieton took them to Clovis where they entrained.

Mr. and Mrs. Ernest Longacre of Artesia and Mr. and Mrs. Ernest Langenegger spent last Tuesday at Clovis where the ladies shopped and the men attended the Heretford bull sale.

The MYF held a very enjoyable party on Tuesday evening at the Methodist undercroft with Mrs. A. D. Menoud and Wilson Hart sponsoring the affair.

Twenty-four young people were present, and enjoyed outdoor and indoor games.

## Lake Arthur

Mr. and Mrs. C. R. Yoder are visiting their children in Imperial, Texas for a few days this week. Their daughter is Mrs. George Daugherty and son is Mervin Yoder.

Mrs. Cecil Simmons and children, who have been visiting the Dale Yodes, left Saturday with Mr. and Mrs. Willard Pittman and family, who live near Carlsbad, to visit them a few days before returning to their home in Odessa, Texas. Mrs. Simmons and Mrs. Yoder are sisters.

Mr. and Mrs. Norman Shands and daughter returned Sunday afternoon from Needlesville, Mo., where they had been visiting his parents, the Marian Shands. Norman has been on a week's vacation. Easter Sunday they visited her sister, Mrs. Haskell Morris and Mr. Morris and family in Oklahoma City.

Mr. and Mrs. E. H. Hill had dinner Monday with their daughter and son-in-law, Mr. and Mrs. Norman Shands and Norma Lee.

Several Lake Arthur residents attended Good Friday services held at the First Methodist church and also the special Easter services in song which was presented by the several church choirs in Artesia on Sunday afternoon.

Mrs. May McDonald and Mrs. Ray Pate attended district 4 meeting of New Mexico Association of Home Extension clubs at the Roswell Woman's club Monday at an all-day session. A smorgasbord luncheon was served at noon. The dining hall was very colorful in the day decorations of the Scandinavians, some elaborate ones were imported for the occasion. Appropriate menu and program, and group singing of their folk songs led by Mrs. Billy Sue Abercrombie was enjoyed.

The least or "mouse" weasel of Canada and Alaska is one of the smallest carnivorous animals in the world.

The Rhine and Rhone rivers both rise in Switzerland.

## State Parent-Teacher Convention To Be Held This Weekend in Hobbs

State convention of New Mexico Congress of Parents and Teachers will be held in Hobbs April 23, 24, and 25.

Registration starts at 9 a. m. on Thursday, April 23.

First general session will be on Thursday night at 7:45 p. m. April 23. The final general session will close at noon Saturday.

Official delegates fees for registration are \$3 each. Visitors fees are \$1 each, payable upon registration.

The convention is open to everyone. All members and friends of the organization are cordially invited to attend all sessions, luncheon, dinners, banquet, and social activities.

There will be 5 meals served during the convention: breakfasts are \$1 each, chuck wagon supper \$1, luncheon \$2, and banquet \$3.50. All delegates are expected to attend these affairs as they would regular sessions.

Friday, April 24, will be the day of the convention for visitors and

PTA members who are going to attend only one day. The events for Friday will be a membership breakfast at 8 a. m., second general session at 9:30 a. m., luncheon for all at 12:30, workshops from 1:30 p. m. to 5 and the banquet at 7 p. m.

Outstanding speaker for the convention will be Mrs. James C. Parker, the official visitor, national chairman of the committee on Congress publications. She has served as a regional vice-president of National Congress of Parents and Teachers, president and vice-president of Michigan Congress, and editor of the Michigan Parent-Teachers.

Earlier she was president, magazine chairman, and radio chairman of the Grand Rapids council of PTA and president, vice-president, sec-

retary and magazine chairman of a local unit.

Former Teacher—Mrs. Parker has taught in the elementary, junior high and high schools in Kalamazoo, Mich. She has been appointed to the Michigan planning committee for the Mid-Century White House conference on children and youth. She serves as chairman of the home and family living committee of the Michigan Council on Adult Education and is a member of the committee on family life education and curriculum planning of the state department of public instruction.

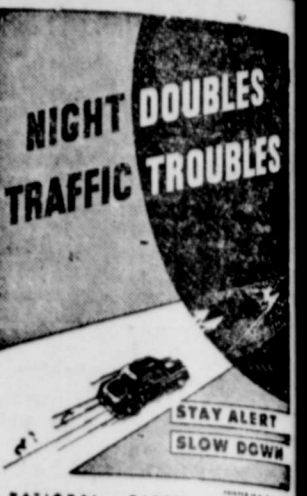

All local PTA members who can, are especially urged to attend the convention.

Official delegates from Central school PTA who will attend the convention are Mrs. C. S. Powell and Mrs. L. A. Hanson. Mrs. Clem Weindorf is the delegate from Park school.

All PTA members who would

like to go over for one day only call Mrs. O. R. Loving, telephone 748-J.

Alaska is nearly one-fifth as large as continental United States.

## AMERICA'S NEW RAILROAD

# "I want a ticket on the Atomic Super Chief!"

Well, sonny, just hang on to that dream. By the time you're a full fare, it might come true!

Of course there is no "Atomic Super Chief" yet.

But, don't sell American ingenuity and progress short. At the rate things grow new for you on the Santa Fe, you only need to squint your mind's eye just a little to see tomorrow streaming toward you down the track!

You can almost feel the future of Santa Fe in the quickened tempo of its progress in the recent past.

Just count the growing number of Santa Fe diesels that speed your freight and smooth your ride today.

Nineteen years ago there weren't any. Today there are 1422 units. By year's end there'll be 97 more. Steam is disappearing fast. And more than 250 coaling and watering stations have bit the dust.

Santa Fe folks just don't dally when it comes to building new.

For today the Santa Fe is America's new railroad. And it's going to stay that way by growing newer every day—in every way that can mean new safety, better service, new comfort and dependability for you.

It costs millions of dollars to serve you so. But it doesn't add a penny to the taxes you pay. Santa Fe folks are proud of that, too—proud that the newness of the Santa Fe is a part of American progress that pays its own way.

### 15—Public Notice

Last Will and Testament of James Ernest Cornett, Deceased, has been filed for probate in the Probate Court of Eddy County, New Mexico and that by order of said Court the 15th day of May, 1953, at the hour of 10:00 o'clock A. M. in the Probate Court of Eddy County, New Mexico, in the City of Carlsbad, is the day, time and place set for hearing proof of said Last Will and Testament.

Therefore, any person or persons wishing to enter objections to the probating of said Last Will and Testament are hereby notified to file their objections in the office of the County Clerk of Eddy County, New Mexico, on or before the time set for hearing.

DONE at Carlsbad, New Mexico, this 15th day of April, 1953.

R. A. WILCOX, County Clerk. By L. M. Sears, Deputy. 32-4t-T-33

### NOTICE

**STATE ENGINEER'S OFFICE**  
 Number of Application RA-1336-C and RA-1337-B-Combined, Santa Fe, N. M., April 8, 1953.

Notice is hereby given that on the 21st day of November, 1952, in accordance with Chapter 131 of the Session Laws of 1931, J. E. Taylor, of Lake Arthur, County of Chaves, State of New Mexico, made application to the State Engineer of New Mexico for a permit to change location of well and place of use of 124.2 acre feet of shallow ground water per annum by abandoning the use of Well No. RA-1336-C and RA-1337-B-Combined located at a point in the SW 1/4 SW 1/4 NW 1/4 of Lot 4 in Section 4, Township 16 South, Range 26 East, N.M.P.M., for the irrigation of 41.4 acres of land described as follows:

Subdivision Lot 5, Section 4, Township 16 S., Range 26 E., Acres 6.8

Subdivision Lot 6, Section 4, Township 16 S., Range 26 E., Acres 7.9

Subdivision Lot 7, Section 4, Township 16 S., Range 26 E., Acres 3.2

Subdivision Lot 10, Section 4, Township 16 S., Range 26 E., Acres 7

Subdivision Lot 11, Section 4, Township 16 S., Range 26 E., Acres 10.2

Subdivision Lot 12, Section 4, Township 16 S., Range 26 E., Acres 12.6 and commencing the use of well where actually drilled at a point in the SW 1/4 of Lot 5, of Section 4, Township 16 South, Range 26 East, N. M. P. M., for the irrigation of 41.4 acres of land described as follows:

Subdivision Lot 7, Section 4, Township 16 S., Range 26 E., Acres 1.4

Subdivision Lot 8, Section 4, Township 16 S., Range 26 E., Acres 6.3

Subdivision Lot 9, Section 4, Township 16 S., Range 26 E., Acres 9.7

Subdivision Lot 10, Section 4, Township 16 S., Range 26 E., Acres 12.9

Subdivision Lot 11, Section 4, Township 16 S., Range 26 E., Acres 11.1

No additional rights over those set forth in Permits RA-1337-B and RA-1336-C and RA-1337-B-Combined are contemplated under this application. Appropriation of water from all sources combined to not to exceed a total of 3 acre feet per acre per annum.

The 41.4 acres to be moved from to be dried up to further irrigation from shallow ground water.

Any person, firm, association, corporation, the State of New Mexico or the United States of America, deeming that the granting of the above application will be truly detrimental to their rights in the waters of said underground source, may protest in writing the State Engineer's granting approval of said application. The protest shall set forth all protestant's reasons why the application should not be approved and shall be accompanied by supporting affidavits and by proof that a copy of the protest has been served upon the applicant. Said protest and proof of service must be filed with the State Engineer within ten (10) days after the date of the last publication of this notice. Unless protested, the application will be taken up for consideration by the State Engineer on that date, being on or about the 9th day of May, 1953.

### 15—Public Notice

JOHN H. BLISS, State Engineer. 30-3t-T-34

IN THE PROBATE COURT OF EDDY COUNTY, STATE OF NEW MEXICO

IN THE MATTER OF THE LAST WILL AND TESTAMENT OF EZRA REEVES TEEL, Deceased. Case No. 1877

NOTICE OF APPOINTMENT OF EXECUTOR

Notice is hereby given that the undersigned has been appointed Executor of the Last Will and Testament of Ezra Reeves Teel, deceased, by Honorable Ed H. Gentry, Probate Judge of Eddy County, New Mexico, and has qualified as such.

All persons having claims against said estate are hereby notified to file or present the same as provided by law within six (6) months from the 31st day of March, 1953, the date of the first publication of this notice, or the same will be barred.

MAURICE O. TEEL, Executor. 26-4t-T-32

### Former Artesia Youth Ends Basic Infantry Course

Army Pvt. Joe H. Giles, formerly of Artesia, graduated with fellow members of his company as they completed basic infantry training here this week.

The private was a member of Service Battery of the 434th AFA Battalion, of the 7th Armored Division. He is the son of O. L. Giles, who resides in Carlsbad.

During the 16-week course, the soldier learned the duties of an infantryman in combat. The use of basic infantry weapons was particularly stressed. Pvt. Giles also went through training maneuvers involving actual small arms and overhead artillery fire.

The 7th Armored Division, of which Pvt. Giles is a member, is stationed at Camp Roberts. The training post is located midway between Los Angeles and San Francisco on Highway 101, near Paso Robles, Calif.

Country Club Notes—

Two New Stars Are Developed For Country Club Projects

By STANLEY SUTTON  
The club ladies gave glowing reports of the fashion show presented by the Toggery Shop Wednesday at a club luncheon.

The golf match between Sam Williams and Hollis Watson has now been postponed to Sunday, April 26. Williams, in spite of previous assertions, has now developed a little more respect for Watson's game, and, under the guise of a business trip, has slipped off to Oklahoma to brush up on some fundamentals. Tom Brown is still patiently waiting for the winner.

Spratt has come up with two new stars in Mr. and Mrs. Ed Gore for club entertainment. It develops that we have a group that really enjoys the square dance and with Ed in the role of caller and teacher assisted by Mrs. Gore, each Wednesday night during the month of May, we are to have the real square dance at the club. All members are invited to participate and the word is out that this skill is not necessarily confined to the young folks.

The ringer tournament has started at the club. In this contest each entrant keeps a constant score with his best score for each hole as he plays during the summer. The winner last year had a best ball of ten under par with eight birdies and an eagle. Joe Estrada is also doing all he can to corral each golfer as he finishes a round so he can compile accurate handicap figures.

There will be a club dance April 25 and another stag night May 21. The last stag night was quite successful except that Doc Starr did not leave early enough to suit some of the contestants.

The club groups are taking on a new and different look due to the efforts of some new committees.

The shrubs and dirt piles are relocated daily under the direction of Sam Sanders and Mrs. Blocker. If you haven't looked around lately, you are in for a surprise. Rose Miller and her roses are also contributing to the beauty of the premises.

An informal division of club members has been noticed in various coffee drinking cliques. We seem to have four divisions with diverse abilities. The Carper building bunch (Watson, Cochran, the Yates boys, Rowley, Carper, and Losee), seem the athletic type. The Artesia Hoteliers (Saikin, Lennon, Hudson, Donnelly, Byers, and Angle) would seem to represent the financial interests. The Petty gang (Whitson, Hamilton, Boyd, Petty, Pitt, and Lanning) are turned more toward philosophy. The Booker building boys (Nix, Curtis, Welch, Sivley, Archer and Pollard) reflect a trend in the direction of the fine arts. If plans materialize, we may find which group can play the best golf, cards, or water polo. Beyond these groups we have a bunch of independents like Bourland, Harrell, Bullock, Sutton, Keys, and Gilmore that could organize and furnish some opposition.

Eddie Ward is successfully using the reverse technique in his activities on the membership committee. Ten associate members and one new permanent resident membership are new club acquisitions. Ward shows excellent finesse as in a typical sales talk to a prospective club member he points out that the club is interested deeply in him as a pointer for the personal reason that it needs his money. Also if a man has developed into a real stinker and has difficulty finding any one to associate with him else-

Sailor Home

CHARLES HAMPTON

Charles Hampton Home on Leave For Thirty Days

Charles Hampton, seaman, son of Mrs. Helen Hampton, arrived home Saturday, April 11 on a 30-day leave. Hampton is stationed at San Francisco on USS Catimount, LSD-17. He will return to San Francisco.

Seaman Hampton has been eight months in the war zone. He has been in Japan, China, Manila and Korea. He has one battle star for being in a battle at Enchong, Korea.

He joined the service in August 1951, when he was 17 years old. He will be 19 in June.

Hampton received his boot training at the Naval Training Center at San Diego, Calif.

He attended schools at Rockwell, Texas and Dexter. He was employed by the Texas highway department before entering the service,

where, he should become a club member as we have some of the meanest stinkers you can find anywhere. Furthermore, it will help a man in a financial way because he becomes practiced in the art of chiselling and being chiselled, especially on the first tee. If he is in the money lending business, he has a fine set of prospective customers among the broke club members. If he needs to borrow money, his attempts (and failures) at the club house will so sharpen his talent that Ross and Charlie will seem easy by comparison. Ward says we might as well be honest about the whole thing as once we entrap a new member, he will find out the truth sooner or later.

Cuzumbies, natives of Colombia, South America, are relatives of the honey bear.

Hope Petticoats—

(Continued from Page One) available, the petticoat government hopes to attract more people to Hope, and in time, businesses which will provide employment. Lack of water is one of the key factors which in recent years have caused the town's population to dwindle until today only 30 or 35 families live in the community.

Lions Leaving—

(Continued from Page One) bers residents in Artesia. Direction is by Artesia people, and, Lions officers assure, all proceeds from the show stay in Artesia.

Red Cross—

(Continued from Page One) the course come from latest Red Cross manuals.

Instructors in the course will be Dr. C. P. Bunch, Walter Bynum, F. L. Green, Hugh Kiddy, Miss Lillian McCormick, H. C. Schimmel, John Daugherty and Mrs. Holly Oberlas.

Complete first aid instruction will be offered, ranging from treatment for injuries through treatment for atomic weapons survivors.

Also to be included is work in the new Red Cross artificial respiration method.

Open House—

(Continued from Page One) mixed chorus in a rehearsal and concert from 7 to 8 p. m. in the auditorium.

Clubs and special activities will either provide services for Open House visitors or special displays of their work.

Many Fans to—

(Continued from Page One) ed ball of the new season.

Play between the team will begin promptly at 7:30. Fred Parker will be on the mound for Artesia.

Admission to tomorrow night's opening game will be \$1 for adults and students and 14 cents for youngsters 6 through 12.

In 1952 Artesia finished fourth place in the Long horn league to

take first division honors. Artesia Baseball club was formed in 1951, when it fielded the first Artesia Drillers in the Class C Longhorn league and finished in the cellar.

Nine Permits for Building Issued During Week

Building permits were issued this week for:

Artesia Floral, \$500, build a concrete block addition onto present building at 702 S. Roselawn—April 13.

Walter E. Fisher, \$300, build a frame garage at 1107 Clayton—April 13.

Glen Farmer, \$1,200, build 15 by 23 addition onto house at 206 Carper—April 15.

C. L. Peden, \$200, enclose carport at 1115 Grand—April 15.

Tony Martinez, \$170, build 8 by 10 frame addition onto house in Alvarez addition—April 15.

Earl Kennedy, \$100, close-in carport at 904 Runyan—April 15.

George Henderson, move 14 by 48 frame building from Blair addition, to 1012 N. First—April 16.

Emery Carper, \$50, set iron fence farther back on lot on Clowe—April 16.

O. N. Giles, move a toolhouse to sewerage disposal plant, no improvements—April 18.

Funeral Held in Lake Arthur for Alex Romero

Funeral services were held April 14, for Alex Romero from the Catholic church in Lake Arthur. Mr. Romero, 51, died Sunday, April 12, in Artesia General hospital after a short illness.

Born near Santa Rosa, N. M., he moved with his family to Lake Arthur in 1942 and was employed as a laborer.

He married Amelie Maestas of Santa Rosa in 1932. Ten children survive him. They are: Mrs. Rosendo Gonzales; a son, Dionicio, and eight small children at home—Lucy, Victor, Elisa, Benito, Rosalie,

Elaida, Adan, and George. He was a member of the Catholic church.

Father Serven Brown, OFM of Roswell, officiated at final rites. Interment was in Lake Arthur cemetery.

Telegraphers outside the United States and Canada use the International code instead of the Morse code.

Largest of all sea turtles is the leather-back, which sometimes weighs a length of eight feet and weight of 1,000 pounds.

An elephant's tusk often weighs as much as 200 pounds.

A GENERAL MOTORS MASTERPIECE

A Very Proud Car—At A Very Modest Price!

According to Webster, one of the important meanings of the word proud is this: "Worthy of admiration; deserving praise."

Obviously, that definition fits the 1953 Pontiac like a glove. Pontiac's distinctive Silver-Streak beauty is certainly worthy of admiration—and gets plenty of it everywhere. Pontiac's big-car roominess, its luxurious Body by Fisher, its smooth, easy-going ride—certainly these, too, are deserving of the praise they get. And when you sit behind the wheel and feel the effortless surge from Pontiac's famous

power plant you'll know that you're driving a mighty proud performer.

As a matter of fact, the only modest thing about a Pontiac is its price—for this wonderful car which gives you the engineering quality and the best features of the costliest cars is priced just above the very lowest!

And when you're figuring price, be sure to remember Pontiac's remarkable re-sale value—the sure test of long-lasting quality. Why not come in and see how easily you, too, can become the proud owner of a new Pontiac?

HIGHLIGHTS OF PONTIAC QUALITY AND VALUE!

- Long 122-inch Wheelbase
- Exclusive Dual-Range Power Train\* for Superb Performance
- Beautiful, Roomy, Luxurious Bodies by Fisher
- General Motors Lowest Priced Eight Powerful High-Compression Engine

By MRS. E. L. COX  
Correspondent

Mrs. Raymond Daveport was a business visitor in Artesia on Tuesday. On her return home she was a caller in the telephone office with Mrs. Trimble.

Mr. and Mrs. Lonnie Reeves were callers in the Lincoln Cox home Wednesday morning. They were on their way home having been to Roswell and spent Tuesday night. The Reeves had a truck load of hay they were taking to the Reeves ranch. On Friday they hauled a load of cotton seed meal for the ranch.

Miss Verna Tyler and niece, Virginia Mae Wier, were hostess to a slumberless party Wednesday night. The party started at 4:45 with a wiener roast. After eats were served the following attended the show at the drive-in: Leslie Fisher, Carol Munson, Deiores Holoman, Alta Ruth Young, Eula Marie Cox, Ruth Ann Cox, Lavina Joy, Barbara Madron, Sue Ray Summers, Betty Jo Vennum, Phyllis Beverage, Mrs. Marylon Noble and baby and the hostess, Miss Tyler and Virginia Wier.

All the above except Leslie Fisher and Marylon Noble stayed all night in the Tyler home, which was a sleepless night. Breakfast was served the next morning after which all the girls went to the school house for a shower, then to school for a day of drudgery and snarls due to the lack of sleep, never the less all had a wonderful time during the entire night.

Mr. and Mrs. Lincoln Cox were business visitors in Artesia Wednesday afternoon. Lincoln had his pick-up worked on while there.

Mr. and Mrs. Haskell Harris and Mrs. Ray Silkwood were Artesia visitors on Thursday. Haskell and Ray played a round of golf while there.

Mr. and Mrs. Pelar Orduz were Artesia visitors on Wednesday.

Mr. and Mrs. George O. Teel were business visitors in Roswell on Thursday, while there they visited Mrs. Teel's parents, Mr. and Mrs. Austin Reeves.

Mrs. Mary Bush and her sister-in-law from Phoenix, Ariz., are visiting Mrs. Bush's children, the John Bushes and Chester Teagues.

Mr. Tom Young left Thursday for Memphis, Texas, where he will visit his daughter, Ann, for several days.

Rev. Jack Noble hauled a truckload of feed from Colorado for

# Rodriguez Ends Basic Training At Texas Base

Pvt. Andrew C. Rodriguez, son of Mrs. Manuela C. Rodriguez of Artesia, has completed eight weeks of infantry training with the First Armored division at North Fort Hood, Texas.

Pvt. Rodriguez has been trained to use many of the Army's weapons, including the M-1 rifle, carbine, 30 and 50 caliber machine guns, mortars, Browning automatic rifles, booby traps, and rocket launchers.

Pvt. Rodriguez attended Artesia Senior high school and was active in baseball.

Famed as a combat division in World War II, the First Armored division was reactivated in 1951 under Maj. Gen. Bruce C. Clark and is at present undergoing combat training.

# Lakewood News

Jerry Ballard assisted Paul Jones in moving cattle from his ranch northwest of Lakewood to the stock pens to be loaded out Wednesday.

Ernest "Bucky" McGonagill, Jr. and Cleveland McMillan made a trip to El Paso and Las Cruces on Monday returning home Tuesday evening.

Bud Aaron was looking after his farming interest in this locality on Monday.

Rev. B. R. Lindman moved his family from Carlsbad to Fort Sumner Monday. Rev. Lindman works in the office of the highway department.

Mrs. Sam Stockton visited in the home of her uncle, A. W. Boyce, in Artesia Monday. Mrs. Stockton was agreeably surprised to meet her aunt from Graham, Texas, while visiting in the Boyce home.

Mrs. Tom Price gave an ice cream supper Wednesday evening, April 8, to relatives and friends. It was a farewell party for her son, Tommy, who left Friday, April 10 for Oceanside, Calif., where he is stationed with the Marines.

Mrs. Forrest Lee took her son, Jimmy, and friends Larry Fanning, Harry Mardock and two boys from Artesia to the band festival at Portales Saturday.

Mrs. Will Truitt of Rocky Arroyo attended church services here last Sunday.

Mrs. Mary Angell of Carlsbad visited her son, John Henry Angell

Bryant Williams this week.

Mrs. George O. Teel visited in Artesia Wednesday, visiting in the homes of Mrs. Elna Teel, Mrs. Hajibel Jernigan, and with Mrs. Herb Renwick in the Monroe Brantley home.

# Hagerman

By MRS. EDNA BURCK  
Correspondent

Funeral services for Charles Edwin Carter were held Wednesday afternoon at the Seventh Day Adventist church.

Elder May, district pastor of the Adventist church, assisted by Rev. P. B. Wallace and Rev. High Russell of the Church of the Nazarene, conducted the services which were attended by a large number of friends of the deceased.

A quartette composed of Mmes. Lindell Andrews and Ernest Greer and Messrs. Troy Heffner and Raynal Cumpsten sang, with Mrs. W. R. May played the prelude and postlude.

Pallbearers were Messrs. Ernest Greer, Truman Robertson, Gerald Smith and Nathan H. Cleek, and two nephews of the deceased.

Interment was in the Hagerman cemetery with the Mason Funeral Home in charge.

Charles Edwin Carter was born March 11, 1882, in McClellan county, Texas, and died at St. Mary's hospital, Roswell, April 6.

He went with his family to Center City, Texas, when he was 10. He was married to Miss Mae Connor March 15, 1904, in Goldthwaite, Texas. They resided at Center City, Texas, and later at Jack, son City, Kans., before coming to Hagerman where they have made their home since 1936.

Besides his widow, Mr. Carter is survived by four sisters, Mrs. Hockabee, Evant, Texas; Mrs. Mattie Doggett, Lampasas, Texas; Mrs. Jessie Croll and Mrs. Birdie Moss, both of Houston; and by a large number of nieces, nephews, and friends.

Mrs. Alta Barton was hostess at a party on Monday afternoon. After an enjoyable afternoon, refreshments were served by the hostess to those present.

Mr. and Mrs. W. C. Tatum and family on Monday.

Mrs. Albert Lee took her daughter, Jeanie, and friends Patsy Norwood and Susan Lee to Portales Friday of last week. After Jeannie took part in a clarinet trio, Mrs. Lee and girls went to Hereford, Texas, and spent the night with her son, Rex Lee and family, returning to Portales Saturday where the girls played with the Junior high and Atoka bands.

Albert Dee Wilburn of Hope visited the first of the week in the home of his uncle and aunt, Mr. and Mrs. Ernest McGonagill.

J. A. Lewis of the D ranch visited in the Ernest McGonagill home last week.

son of Midland were week-end end guests at the home of Mr. Tatum's sister, Mrs. Jack Sweatt and Mr. Sweatt.

A large number of relatives and friends attended graveside services for Sanford Clay Knoll on Monday afternoon at Hagerman cemetery. Services were conducted by C. M. Walkup of the Church of Christ, a life-long friend of the family, who

now lives in Gould, Okla.

Services had been held Monday forenoon at Lovington and a large number of friends joined the funeral cortege which accompanied the family from Lovington to Hagerman. The morning services were also conducted by Mr. Walkup with an A Capella choir, directed by Sanford Clay's music teacher.

Among the relatives from out-of-town who attended the services here were Mrs. B. F. Knoll, Mr. and Mrs. D. Hines and family, Mr. and Mrs. Troy McCall and family, Mr. and Mrs. Chuck Mulkey, all of Carlsbad; Mr. and Mrs. Russell Kenney, Los Angeles; Mr. and Mrs. C. M. Devenport, House; Mr. and Mrs. Bob Devenport, Hobbs; Mr. and Mrs. T. D. Devenport, Jr., of

Hereford, Texas; Mrs. Will Newman, Silverton, Tex.; Mr. and Mrs. Dennis Taylor and Mr. and Mrs. Bert Taylor, Elida; Mr. and Mrs. Walt Blakeley, Medill, Okla.; Mr. and Mrs. Glenn Knoll and family, Arizona; and Mr. and Mrs. Jim Devenport, Lovington.

Sanford, only a few months over 14, elder son of Mr. and Mrs. Sanford Knoll, was born at Carlsbad and spent his early life at Hagerman, later living at Ruidoso and Carlsbad before the family moved to their farm near McDonald.

He was a student at Lovington high school and took an active part in all the activities of the school, being especially gifted with a beautiful voice.

Besides his parents he is sur-

vived by a sister, Gertrude, and a brother, Kurt; Mrs. B. F. Knoll, paternal grandmother, Carlsbad; Mr. and Mrs. Clay Lemon, maternal grandparents, Hagerman.

Mr. Gomez, who recently underwent major surgery at a Roswell hospital, has undergone blood transfusions and is still in a critical condition.

Most algae grow only when permanently submerged in water.

### LANDSUN

THURS. - FRI. - SAT.

Miss Josephine Klier was confined to her home Monday due to illness. Mrs. August Nelson substituted teaching for her.

Mrs. Emma Lee Flowers had guests Saturday some friends of her two daughters, Jewel and Gerlene of San Francisco, Calif., who were Mr. and Mrs. Wishmeyer and daughter, Helen, who works under Miss Jewel's supervision in a government office there; and Miss Mary Ellen Taylor, another friend. They were en route to Cleveland, Ohio, to visit Miss Taylor's family, taking the southern route. They visited the Carlsbad Caverns Saturday. They expect to be gone six weeks.

Mr. and Mrs. Curtis Ripley and two children of Lubbock are spending a couple of days visiting in the home of Mr. and Mrs. A. K. Ripley and family.

Ripley and Son garage and filling station have installed a grease rack to accommodate a demand for that service; they also do wash and polish jobs.

The Lake Arthur street improvement project got under way this week when three huge maintainers and water trucks and rollers started work. Other civic improvements are being planned and are expected to materialize in the near future.

Rhonda Lard who is in the third grade and her baby brother were admitted to the St. Mary's hospital Tuesday. They have a bad case of the measles and contracted pneumonia. They are the children of Mr. and Mrs. A. L. (Pete) Lard, who live on the Bill Langenegger farm south of the Lake Arthur school house. Their other son, Ronald, who is in first grade is staying with his grandparents in Hagerman for a few days.

Rev. Paul M. Chambliss, new pastor of the First Baptist church, has arrived with his wife and two sons, Merlyne aged 11 and in the fifth grade, and Lodie aged 9 and in the fourth grade.

He has been serving as pastor to a three-day circuit in the northern part of the state, consisting of three churches located at Folsom, Grenville, and Des Moines, and also a mission at Bransom, Colo. They have been residing in Des Moines for 1 1/2 years. He conducted two worship services on Sundays and four services at different points during the week. He has served his third pastorate in the state.

Rev. Chambliss was born in Texas but came to New Mexico at the early age of six months and was reared in the state so one can almost say he is a native.

Mrs. Chambliss is a native New Mexican, having been born and reared in the northern part of the state. She especially enjoys working with the Sunbeams.

The minister and wife expressed deep gratitude to the members here upon their arrival at finding the parsonage completely redecorated. Members had laid new linoleum and had done a great deal of yard work.

Sunday was Young Peoples Day at the First Baptist church and was observed here by each class in the Sunday school being taught by a young member of the congregation.

Leonard Ripley, a young preacher in the congregation, preached at the morning worship hour. The song services were led by Miss Wanda Shirley who was accompanied at the piano by Mrs. Thomas Arthur Crook.

The evening services were conducted by Rev. Chambliss. Billy Merritt, son of Mr. and Mrs. R. L. Merritt, returned to Abilene, Texas, to resume his studies at Abilene Christian college where he is studying for the ministry in the Church of Christ. He was accompanied by the same group of young folks that came out with him.

Mrs. Will Merritt and son, Nick, returned to their home in El Paso after visiting in the home of her brother-in-law and family, the R. L. Merritts. They recently sold out their extensive holdings at Del City and moved to El Paso.

Members of the local chapter of the Order of the Eastern Star who were special guests on "Friendship Night" of Harmony chapter No. 17

at Hagerman were Mrs. Frances Pearson, worthy matron of the local chapter who was a special guest of Irma Hanson, worthy matron, there; Harvey Nelson, worthy patron here, guest of Harold Hanson, worthy patron; Mrs. Hazel Gentile, associate matron, guest of Mrs. Jewel Garner; Mrs. Grace Haven, guest of Mrs. Ollie Holloway; and John Haven, guest of Raynal Cumpsten, associate patron there.

Clyde Nihart has taken over his duties of carrying the mail on the rural route after a month's sick leave. Miss Elizabeth Merritt carried the mail in his absence.

Mrs. C. A. Clark, local pastor's wife, who resides in Artesia, was hostess at her home to the regular meeting of the Women's Society of Christian Service of the Methodist church Wednesday afternoon at 2:30 p. m. Mrs. Jack Murphy had charge of the program and was assisted by Mmes. Clyde Nihart, May McDonald and William Opfer, and John Havener, Jr. They also elected officers for the coming year. They are Mrs. Jack Murphy, president; Mrs. E. D. Cox, vice-president; Mrs. C. E. Smith, treasurer. The hostess, Mrs. Clark, served chocolate and a coconut cake, sandwiches, coffee and tea to the above mentioned ladies at the close of the meeting.

Little Carroll Patrick Havener entertained friends at a stag party recently. The occasion was in honor of his first birthday. Those boys present to help him celebrate were Robert Merritt, Charlie Cross, and Dennis Sooter, to whom the honoree's mother, Mrs. John Havener, Jr., served birthday cake, milk and ice cream.

Coach and Mrs. John Havener, Jr., have been redecorating their home this week, getting ready for a visit from two of Mrs. Havener's sisters who are scheduled to meet

here about April 21. One sister, Mrs. Gwendolyn Clark, will motor here from Tacoma, Wash., with a friend, and the other sister, Mrs. Willie T. Smith from Russellville, Ark., will come by bus. They plan on a sightseeing trip to points of interest in New Mexico, such as the Carlsbad Caverns, White Sands and the mountains, after which Mrs. Smith plans on returning to Washington state with Mrs. Clark.

Mrs. Delbert Robinson motored to Floyd, N. M., Monday to help her father celebrate his birthday. Her parents are the Walter Thomas' there.

The entire membership of the First Methodist church here held a business meeting at the church Saturday evening, after which a pot-luck supper was enjoyed.

Thursday evening the Lake Arthur Square Dance club met for their regular weekly session with Coach John Havener, Jr., and H. B. Pollard doing the calling. A

good crowd attended this affair. Miss Marguerite Murphy and Mrs. Emma Lee Flowers motored to Roswell to visit Mrs. Sue Price who is a patient in the St. Mary's hospital there. Mrs. Price is a former Lake Arthur school teacher who is now a faculty member at Dexter.

### Methodist Men To Meet Tonight With Carlsbad

Methodist Men will meet at 6:45 tonight in Fellowship Hall of the First Methodist church. Highlight of the meeting will be a program furnished by Methodist Men of Carlsbad.

Carlsbad men will exchange a program for one which Artesia presented several weeks ago in presenting charter to the then-new Carlsbad chapter.

World's newest V8

Big travelers, be seated!

This is an invitation to you who need and like room when you travel—and are wondering where to get it. This is an invitation to take your ease in a sampling of the 1953 Buick SUPER Riviera Sedan.

Talk about room (and you will!)—here is the roomiest six-passenger sedan made in America.

Here you will find headroom, hiproom, legroom and kneeroom so generous—big people beam.

The tall, the portly—and the in-between—they can all spread out and stretch out, and really feel unfettered.

But the marvel of this Buick roominess is the wondrous ease of handling that goes with it.

The world's newest V8 Engine is one reason—an engine so compact it permits a chassis with short turning radius, wider front tread, easier steering, better balance.

Twin-Turbine Dynaflo\* with its dazzling new getaway and silky smoothness is another. Power Steering\* is still another.

And there's an AIRCONDITIONER,† too!

The thing to do, of course, is to visit us and try one of these great Buicks for room, for ride, for power—and for sheer comfort and pleasure. Why not make it soon?

\*Standard on Roadmaster, optional at extra cost on other Series. †Optional at extra cost in Super and Roadmaster Sedan and Riviera models.

IN THE PROBATE COURT OF EDDY COUNTY, STATE OF NEW MEXICO  
 IN THE MATTER OF THE ESTATE OF CHARLES ROGERS, DECEASED. No. 1785

**NOTICE OF HEARING ON FINAL ACCOUNT AND REPORT, AND PETITION TO DETERMINE HEIRSHIP OF DECEDENT, OWNERSHIP OF HIS ESTATE, AND PERSONS ENTITLED TO DISTRIBUTION THEREOF.**

THE STATE OF NEW MEXICO  
 TO: Mrs. Jennie Rogers, Ralph W. Rogers, Paul Rogers, Russell Rogers, Albert Q. Rogers, Jack Rogers, Robert L. Rogers, Howard E. Rogers, Mrs. Elizabeth Jernigan, Mrs. Eleanor McCaw and Mrs. Stella Jackson; All unknown heirs of Charles Rogers, deceased; and all unknown persons claiming any lien upon or right, title or interest in or to the estate of said decedent, GREETING:

NOTICE IS HEREBY GIVEN that Russell Rogers, administrator herein, has filed his Final Account and Report in this cause and, by order of the Probate Judge of Eddy County, New Mexico, the 26th day of May, 1953, at the hour of 10:00 A. M., in the Court Room of the Probate Court in the Court House at Carlsbad, New Mexico, is the day, time and place for hearing said Final Account and Report and any objections thereto, and for the settlement thereof. Any heir at law, creditor or any other person interested in the estate may, on or before the day set for said hearing, file his objections thereto, as provided by law. At the same time and place, said Court will determine the heirship of the decedent, the ownership of his estate, the interest of each respective claimant thereto or therein, and the persons entitled to distribution thereof.

NEIL B. WATSON, Artesia, New Mexico, is attorney for the administrator.  
 WITNESS MY HAND and seal of said Court on this the 9th day of April, 1953.  
 R. A. WILCOX,  
 County Clerk and ex-officio Clerk of the Probate Court.  
 By Vera Brockman, Deputy.  
 30-4T-36

**NOTICE STATE ENGINEER'S OFFICE**  
 Number of Application RA-1337-B, Santa Fe, N. M., April 8, 1953.  
 Notice is hereby given that on the 1st day of April, 1953, in accordance with Chapter 131 of the Session Laws of 1931, J. E. Taylor, of Lake Arthur, County of Chaves, State of New Mexico, made application to the State Engineer of New Mexico for a permit to change place of use of 354 acre feet of shallow ground water per annum by abandoning the irrigation of 118 acres of land described as follows:  
 Subdivision Lot 4, Section 4, Township 16 S., Range 26 E., Acres 12  
 Subdivision Lot 5, Section 4, Township 16 S., Range 26 E., Acres 38  
 Subdivision Lot 6, Section 4, Township 16 S., Range 26 E., Acres 38

Subdivision Lot 7, Section 4, Township 16 S., Range 26 E., Acres 28 and commencing the irrigation of 118 acres of land where actually irrigated and described as follows:  
 Subdivision Lot 4, Section 4, Township 16 S., Range 26 E., Acres 11.28  
 Subdivision Lot 5, Section 4, Township 16 S., Range 26 E., Acres 38.00  
 Subdivision Lot 6, Section 4, Township 16 S., Range 26 E., Acres 41.60  
 Subdivision Lot 7, Section 4, Township 16 S., Range 26 E., Acres 27.12

No additional rights over those set forth in Permit No. RA-1337-B are contemplated under this application.  
 Appropriation of water from all sources combined not to exceed a total of 3 acre feet per acre per annum.  
 Any person, firm, association, corporation, the State of New Mexico or the United States of America, deeming that the granting of the above application will be truly detrimental to their rights in the waters of said underground source, may protest in writing the State Engineer's granting approval of said application. The protest shall set forth all protestant's reasons why the application should not be approved and shall be accompanied by supporting affidavits and by proof that a copy of the protest has been served upon the applicant. Said protest and proof of service must be filed with the State Engineer within ten (10) days after the date of the last publication of this notice. Unless protested, the application will be taken up for consideration by the State Engineer on that date, being on or about the 9th day of May, 1953.

approximately 300 feet in depth, at a point in the SE<sup>1</sup>/<sub>4</sub>NE<sup>1</sup>/<sub>4</sub>NE<sup>1</sup>/<sub>4</sub> of said Section 13, for the purpose of continuing rights for the irrigation of 322.9 acres of land described as follows:  
 Subdivision N<sup>1</sup>/<sub>2</sub>NW<sup>1</sup>/<sub>4</sub>, Section 18, Township 16 S., Range 26 E., Acres 55.0  
 Subdivision S<sup>1</sup>/<sub>2</sub>NW<sup>1</sup>/<sub>4</sub>, Section 18, Township 16 S., Range 26 E., Acres 65.0  
 Subdivision W<sup>1</sup>/<sub>2</sub>SW<sup>1</sup>/<sub>4</sub>, Section 7, Township 16 S., Range 26 E., Acres 47.3  
 Subdivision N<sup>1</sup>/<sub>2</sub>SE<sup>1</sup>/<sub>4</sub>, Section 12, Township 16 S., Range 25 E., Acres 75.6  
 Subdivision N<sup>1</sup>/<sub>2</sub>NE<sup>1</sup>/<sub>4</sub>, Section 13, Township 16 S., Range 25 E., Acres 80.0

The 61 acres in the S<sup>1</sup>/<sub>2</sub>NW<sup>1</sup>/<sub>4</sub> said Section 18, having artesian rights from Well RA-1093, located in the NW<sup>1</sup>/<sub>4</sub> of said Section 18; the 122.9 acres in said Sections 7 and 12 having shallow rights from Well No. RA-1186, located in the NW<sup>1</sup>/<sub>4</sub>SW<sup>1</sup>/<sub>4</sub>NE<sup>1</sup>/<sub>4</sub> of said Section 12.  
 No additional rights over those set forth in Declaration No. RA-1093 and Licenses Nos. RA-1186 and RA-1186 and RA-1423 are contemplated under this application.  
 Appropriation of water from all sources combined not to exceed a total of 3 acre feet per acre per annum.  
 Old well to be plugged.  
 Any person, firm, association, corporation, the State of New Mexico or the United States of America, deeming that the granting of the above application will be truly detrimental to their rights in the waters of said underground source, may protest in writing the State Engineer's granting approval of said application. The protest shall set forth all protestant's reasons why the application should not be approved and shall be accompanied by supporting affidavits and by proof that a copy of the protest has been served upon the applicant. Said protest and proof of service must be filed with the State Engineer within ten (10) days after the date of the last publication of this notice. Unless protested, the application will be taken up for consideration by the State Engineer on that date, being on or about the 2nd day of May, 1953.

**NOTICE STATE ENGINEER'S OFFICE**  
 Number of Application RA-1336-C and RA-1337-B-Combined, Santa Fe, N. M., April 8, 1953.  
 Notice is hereby given that on

JOHN H. BLISS,  
 State Engineer.  
 28-3T-32

the 1st day of April, 1953, in accordance with Chapter 131 of the Session Laws of 1931, J. E. Taylor, of Lake Arthur, County of Chaves, State of New Mexico, made application to the State Engineer of New Mexico for a permit to change place of use of 126 acre feet of shallow ground water per annum by abandoning the irrigation of 42 acres of land described as follows:  
 Subdivision Lot 4, Section 4, Township 16 S., Range 26 E., Acres 6  
 Subdivision Lot 8, Section 4, Township 16 S., Range 26 E., Acres 36 and commencing the irrigation of 42 acres of land where actually irrigated and described as follows:

Subdivision Lot 4, Section 4, Township 16 S., Range 26 E., Acres 6.28  
 Subdivision Lot 3, Section 4, Township 16 S., Range 26 E., Acres 6.24  
 Subdivision Lot 12, Section 4, Township 16 S., Range 26 E., Acres 13.36  
 Subdivision Lot 11, Section 4, Township 16 S., Range 26 E., Acres 14.60  
 Subdivision Lot 10, Section 4, Township 16 S., Range 26 E., Acres 1.52

No additional rights over those set forth in Permit RA-1336-C and RA-1337-B-Combined are contemplated under this application.

JOHN H. BLISS,  
 State Engineer.  
 28-3T-32

Appropriation of water from all sources combined not to exceed a total of 3 acre feet per acre per annum.  
 Any person, firm, association, corporation, the State of New Mexico or the United States of America, deeming that the granting of the above application will be truly detrimental to their rights in the waters of said underground source, may protest in writing the State Engineer's granting approval of said application. The protest shall set forth all protestant's reasons why the application should not be approved and shall be accompanied by supporting affidavits and by proof that a copy of the protest has been served upon the applicant. Said protest and proof of service must be filed with the State Engineer within ten (10) days after the date of the last publication of this notice. Unless protested, the application will be taken up for consideration by the State Engineer on that date, being on or about the 9th day of May, 1953.

## ... time to buy an ELECTRIC clothes dryer!

For there just isn't room for boys, baseball and a clothesline in a backyard. And it's easy to get rid of the clothesline.

Don't get caught with your clothesline down when Junior makes a "circus catch". Catch up, instead, with the modern way to dry clothes. Of course, it's electric.
