FULL LEASED ASSOCIATED PRESS WIRE

NUMBER 108

SEVENTEEN Artesia music students will be off for Portales tomorrow for the eighth annual sunshine music camp at NMU. They are, first row, left to right, John Sperry, Keith Mauldin, Danny Heald, Gene Edward Lowery, Joel Stout, Mike Stroup, Mike McGuire, Second row, Albino Baca, Zeldy Zeleny, Mary Parham, Patty Woerndel, Marion Riley, Bradbury, Dicy Shepherd. Back row, Gene Boan and Bill Yeager. (Advocate Photo)

Cement Shortage Delays Hope Elementary School Building

Government Hikes Supports On Cotton by Nearly Cent

Continuing Slow-Up Seen In Building

WASHINGTON (AP)—The Agriculture department has announced that the 1955 price support rate for middling 15-16 inch upland cotton—the case quality used by spot and futures markets in their operations—will be not less than 33.5 cents a pound. This compares with 32.9 cents last year. The final 1955 rates will be announced about August 1. Cotton harvested before that time will be at the 33.5 base level. The department had previously announced that the 1955 support rate would be at 90 percent of parity or not less than 31.7 cents for the middling 1/8 inch cotton—the base quality used in farm price support legislation. The announcement converted the minimum support rate to the base quality used by the markets. The department also announced a schedule for premiums and discounts for various qualities under the support program. The base quality used by the markets will be supported at 1.8 cent a pound above the base quality of the farm legislation. Last year the premium for the base market quality was 1.65 cents. This year's premiums run to a high of 13 cents above the market base rate in the case of white good middling 1 1/4 inches and longer compared with 1.42 cents for the same quality last year. The department also announced minimum price support rates for American Egyptian type cotton will range from 25.75 cents a pound for grade nine of 1 1/8 inches in length in Arizona and California to 59.7 cents for grade 1 of 1 1/8 inches or longer in New Mexico and Texas. Last year the range was from 30.35 to 70.25 cents for the same qualities.

Continuing Slow-Up Seen In Building

A critical, nation-wide cement shortage has delayed construction work on the new Hope school "a month and probably will hold up the operation another two or three weeks," an extensive Advocate survey revealed today. Contractor Milt Losee, in an interview with the paper, said destruction of the building has been completed and that most of the excavation work for the new building has been done. "But we are stalled until we get some cement, and that may be three or four more weeks," he said. Meanwhile, school officials said if necessary they would start classes at Hope next fall "in the gymnasium and in another old building on the campus." The officials emphasized that school work would not be held up because of the construction delays. Losee said he could buy cement imported from Mexico, "but that we have no way of knowing the quality of the cement." In Roswell, architect Frank M. Standhart concurred with Losee on the varying quality of the Mexican cement. "The only way we can determine the quality of that cement is to test every bag. In this country we can get a certificate certifying the good quality of the material, but on Mexican cement we can get no such assurance," he said. Standhart said he had some experience with Mexican cement during World War II. "We found it to be of varying quality," he added. Other local cement dealers confirmed the cement shortage. One dealer, who did not want to be quoted by name, said he has only enough "to last three or four more days." He had some of the Mexican cement on hand, but said he couldn't be sure of the quality. Standhart and the dealers said the price of cement has risen about one-third in the last six weeks. One of the dealers said he paid \$1.65 per bag for some. He said his orders from domestic producers have been held up "six to eight weeks." Losee said he ordered cement Continued on Page Four

Loco Hills Forms Fire Department

Loco Hills organized its volunteer fire department last night and appointed Curtis Hoover, local store owner, as temporary fire chief. Forty persons in the community were at the meeting in the Loco Hills Club building. Another meeting will be held June 15 to discuss a fire house, equipment and financing. J. L. Briscoe, chairman of last night's meeting and superintendent of Roland, Rich, Woolley, Inc., said Charles Weir, filling station owner, was named assistant fire chief and that Bill Booksh, superintendent of Texas-New Mexico Pipeline Company, was named secretary-treasurer. The area to be covered by the department is three miles wide and 13 miles long. It extends along Highway 83, about six and one half miles along the road in either direction and about one and one half miles on either side. Briscoe said financing for the department would come from oil companies in the area and from the county and state. Details on development procedure were not available. In addition to the election of officers, Briscoe said 28 persons volunteered to act as firemen in the department.

Sterilizer Fund Reaches \$2450 With Donations

Artesia Hospital Auxiliary, thanks to generous organizations and individuals in North Eddy county, is getting closer and closer to the purchase for a new sterilizer. A spokesman reports \$2,450 in the sterilizer fund, with only about \$250 to go. Latest club donors are Alpha Nu of Epsilon Sigma Alpha \$15, Past Matrons of Order of Eastern Star \$10, Cottonwood Woman's club \$5, Odd Fellows \$15, Order of Rainbow for Girls \$10, Central Valley Electric Co-op \$50. Individual donors are J. A. Fairey, Dr. E. Stone, Mrs. J. W. Berry, W. A. Short, R. A. Richardson, Mr. Graham, John Conner, Jack Conner, W. T. Amstutz.

Negotiations Are Reopened Today In Truck Strike

LOS ANGELES (AP)—Negotiations resumed today in the west's 14-day-old trucking tieup. The AFL Teamsters and the trucking associations employing some 28,000 union men still haven't agreed on a wage contract. But last night a break appeared—a settlement between five companies and the men who drive the big rigs used to transport automobiles. Wade Sherrard, managing director of the California Trucking Assn., said that truckway companies employ only a "hundred or two" men. When they ceased operations, however, 5,000 auto workers were idled. Studebaker and Chrysler assembly plants in the Los Angeles area had to shut down because there was no way to move away completed cars. Early in negotiations Pacific Motor Trucking Co., one of the big haulway firms, entered into a tentative agreement with the teamsters. PMT trucks have kept General Motors cars rolling from GM assembly lines. Last night's agreement means that Studebaker will be able to resume full operations Saturday.

Albert Bach Is Slightly Hurt In Auto Wreck

PORTALES (AP)—Albert Bach, 21, Artesia student at Eastern New Mexico University, was slightly injured yesterday when he wrecked his car on the university campus. With Bach in the vehicle was Roy Snodgrass of Portales. Both were rushed to Roosevelt General Hospital, but were released after emergency treatment. They suffered painful abrasions and deep cuts. The youths were injured when Bach's car skidded approximately 100 feet, then slammed into a tree on Avenue K in front of the Baptist Student Union Building. Charges of reckless driving were to be filed against Bach, driver of the car, today. Damage to his car was set at \$350.

Communist-Held Airmen Resisted Red Brainwashing

By ROY ESSOYAN E. Fischer of Swea City, Iowa, said: "No, not at the trial." "Was there a confession before the trial?" "I believe I'll wait until I see my lawyer before answering that question," he replied. Another airman said Fischer's reply would stand for all of them. The four said they resisted attempts to brainwash them. Lt. Col. Edwin Heller of Wynnewood, Pa., said, "We knew we were going to be tried four hours before the trial. We knew nothing about it otherwise. Our indictment was for intruding into China for the harassment of their trial, Capt. Harold..." Continued on Page Four

Sixteen Artesia Students to Attend ENMU Music Camp

Sixteen Artesia band students will be in Portales tomorrow for the eighth annual sunshine music camp at Eastern New Mexico University, Justin Bradbury, director, announced today. The camp runs 10 days and has a teaching staff of 36 to conduct classes. Bradbury will teach trumpet. Top music leaders at the school will include Paul Van Bodegraven of New York University and Clarence Sawhill of UCLA. Clyde Roler of the Amarillo Symphony and George F. Krueger, choral director of Indiana University, also will be there, as will Himie Voxman and William Gower from Iowa. Tuition and fees for the camp are \$34.50. Individual lessons will be \$5. Attending from Artesia will be John Sperry, Kieth Mauldin, Danny Heald, Gene Edward Lowery, Joel Stout, Mark Stroup, Mike McGuire, Albino Baca, Zeldy Zeleny, Mary Parham, Patty Woerndel, Marion Riley, Karen Bradbury, Dicy Shepherd, Gene Boan; Bill Yeager, LaRue Bishop, Rhea Ellinger, Maporie Herbert, and Carol Northam.

Scattered Rain Seen for Region

By THE ASSOCIATED PRESS Some scattered thundershowers have been forecast for the southeast portion of New Mexico today but other than that the state should have generally fair and sunny days today and Friday. The strong winds of the past two days quieted over the state last night as cooler air moved into the west and central portions. Temperatures over all the state were cooler yesterday, dropping as much as 13 degrees in the east portion to 4 to 6 points over the remainder of the state. Temperatures are expected to remain cool over the state today. However, the weather bureau has forecast warmer weather Friday.

Four to Attend State Meet of Vo-Ag Teachers

Four Artesians will attend a state-wide convention of vocational agriculture teachers next week at New Mexico A&M college, Las Cruces. They are Truman Short and John Elmo Uxer, senior high vocational agriculture instructors; Paul L. Forst, manager of Central Valley Electric Co-Op; and J. D. Smith, Artesia manager of Southwestern Public Service Co. The annual meeting to be attended June 6-10 by 60 instructors, will feature "Practical Electricity on the Farm" as general theme of the program. REA will furnish technical know-how at the session, the utilities equipment for demonstrations. Short will lead a discussion on the effect of sizes and length of wire on electricity, appliances, and equipment.

Welfare Department Come Pulls Out of Decline

It was due to "concentrated auditing and intensified delinquent tax collections." The big welfare agency gets nearly all of compensating tax collections, of the three taxes earmarked for the agency's use. Income tax and school (sales) tax receipts also jumped in May. In all, Gallegos, said tax collections were up \$1,242,983 over the same period last year. The month's total was \$5,989,751. State income tax receipts jumped a whopping 818 per cent, but much of that is undoubtedly due to the change from May to April 15 for filing federal tax returns. Revenue officials said most people send in their state income tax when they file their federal return. Three taxes were down for the month. Drivers license receipts declined \$1,953; luxury tax dropped \$13,214 and severance tax slid \$19,032.

El Pasoan Dies In Auto Crash

By THE ASSOCIATED PRESS A pre-midnight crash west of Deming killed an El Paso man last night and raised the 1955 New Mexico traffic toll to 112 deaths. State Police identified the victim as Bill Fry, 42. He was riding in a car driven by J. C. Harper, 67 of Tucson and also containing Ernest Eller of Lubbock, Tex. Harper suffered an injured back. The report to police headquarters did not mention any injuries suffered by Eller. State Policeman Dwight Marable of Deming blamed the upset on too much speed. It occurred 18 miles west of Deming on U. S. 70-80.

Late Markets

NEW YORK (AP)—Wool futures closed 5 of a cent to 1.4 cents higher. July 142.00; Oct. 140.50; Dec. 138.50; March 136.50. Certified wool spot 145.00. On wool tops Oct. 166.50. Bid, N—Nominal. Cotton futures closed 25 to 85 cents a bale higher. July 33.88, Oct. 34.00, Dec. 34.08—10, March 34.00, May 34.15, July 33.38, Oct. 33.46. Middling spot 34.75 up 15.

Roosevelt County Ranchers Delay Hopper Fight Plan

The ranchers—about 25—present at the meeting, "appeared to be in favor of spraying." The group elected Albert Dillinghamp of Elida as its chairman and Louis Cooper of Kenna as vice chairman. Vanzant said a preliminary survey has shown that at least 90,000 acres of land are infested with the grasshopper and the infestation ranges from about five hoppers to the square yard up to 150. Although the grass is poor this year and moisture is at a minimum, Vanzant said, the ranchers were told it means more than just this year's grass since if the hoppers are not sprayed, they are almost sure to be back next year. He said the job must be done within the next 15 or 20 days if any good is to come of the spraying. After that, the hoppers will be laying eggs.

Hagerman, Dexter Area Residents View Proposed Highway 285 Relocation to West with Disfavor

By MRS. BYRON OGLESBY Hagerman Correspondent Of the Artesia Advocate Dexter-Hagerman area residents are pretty well agreed moving U.S. 285 west of the two towns will disrupt, if not hurt, community life. Some believe construction on highway 31 might alleviate any economic damage done by relocation of U. S. 285. But one official interviewed by this correspondent isn't even sure the road will be re-located. Bob McNeil, county commissioner, declared "there is nothing definite on where this new highway is to be located. There are now three routes under consideration, pending approval of the bureau of public roads." One, McNeil says, would be the present route. Another would be the so-called "foothills route," while the third would extend a mile west of Dexter, about four miles west of Hagerman, and rejoin U. S. 285 at Artesia. The latter route, McNeil said, will possible prove to be the most economical route, as 14 miles of the present highway can be used. "To go on four or five miles west of Dexter," he says, "would mean beginning somewhere in the vicinity of the air base—you could get the right-of-way cheaper, but you would have more miles of road. "But this is my statement. I am basically opposed to tax the people for tourist roads and by-pass any town, but rather to repair the old road. I am in favor of lengthening a road to take in a town. To move the highway would be an unsound measure in that you are moving a potential tourist trade." Here are other opinions by Hagerman and Dexter residents, expressing varying approaches to the same problem: Wayne Graham (mayor of Hagerman): "Actually, we do not care where they put the highway south from Roswell to Artesia, if they give us this one east, joining highway 31 to 172 to Caprock, which is our primary interest right now. "Hagerman and Dexter would be affected very little by the re-routing of U. S. 285, but it appears to be poor economy to tear up a road just completed to build a super highway that would only extend one mile west of Dexter." By extending on five miles or more beyond the farming area they would be getting out of the high priced right-of-way which is one of the objects, in addition to obtaining better drainage on higher ground, and eliminating dangerous curves. "Of course tourists will not get to see much pretty territory, but that is of minor importance in comparison to obtaining a super highway." Donald West, Hagerman, (road committee chairman): "Our biggest handicap in having highway 285 re-routed would be not in a business sense, but mainly in eliminating our prospects for new residents of Hagerman, and of course if we do not get this highway 31 paved, it would just cut off the town. "However, if we can get 31 paved it will go right through town and bring trade from the oil fields east of here and tourists travel, we will not be concerned with the re-routing of 285." Jack Hubbard (civic leader and owner of drug store of Dexter): "The re-routing of highway 285 would be most unsatisfactory in the sense that it would destroy the productivity of the land from now on when the highway goes through the good farming area. There might possibly be no ill effects from a business standpoint. It would be advantageous from the standpoint of traffic safety where children are concerned." B. F. Fields (Dexter school superintendent): "It would take traffic away from the businesses, especially the restaurants and service stations along the highway through Dexter and Hagerman. There is a tendency for the community to..." Continued on Page Four

New Mexico Traffic Toll By The Associated Press This year's traffic deaths: 112 Last Year on June 2: 145

Simms to Lead Magdalena Fire Relief Efforts

SANTA FE (AP)—Gov. John F. Simms, in Denver for the regional drought conference of western governors, arranged to fly back to Santa Fe today to devote firsthand attention to relief for fire-hit Magdalena. That was a day earlier than Simms had planned to return. His secretary, Mrs. Margaret Keys, said Magdalena authorities had asked for disaster relief. "I've talked with the governor and he is to fly back today in order to see what can be done about it," she said. She said she did not know the time Simms expected to reach here. The fire early yesterday ate out a large part of the heart of Magdalena, destroying four buildings and causing damage estimated at around \$200,000.

IN NEW MEXICO— Racing Off To Banner '55 Season

By ROBERT GREEN
AP Sports Writer

If the first week showing at Raton and enthusiasm at Ruidoso are any guides, New Mexico's horse racing season may be off to one of its banner seasons.

Raton's La Mesa Park last week burst open the state's season in fine shape, sporting good crowds, fast times and a hefty pari-mutual take. Reports are that enthusiasm is very high for the opening at Ruidoso Downs.

Ruidoso opens next week. And from the first, the quarter horses will be shooting for nomination to the big Futurity in mid-July, one of the high points of the season. Last year's purse was over \$8,000.

Track officials are hoping that an expected increase in attendance and nominations this year will push it past the \$10,000 mark.

Some of the big ones now entered are Go Man Go, Sure Now, Prossers Bar, and This Is It.

Other highlighters, over the two-year-old limit and not eligible for the futurity, are Brigand, Moon Deck, Maroon and Miss Myers, all familiar names to the racing faithful in the state.

DEWEY JOHNSON of Roswell, head of the High School Coaches Assn., has asked us for mimeographed copies of a composite class AA football schedule next year. Says he wants to send one to each AA coach in the state as an aid in planning their scouting expeditions during the season.

BASKETBALL Coach Bill Stockton has an impressive schedule to tackle his first year at the helm of the University of New Mexico team. But Stockton doubtlessly is just as happy that he doesn't face the same one Woody Clements had last year.

A 24-game slate is on tap this year, including a two-game set with each Skyline conference member, a two-game series with Texas Western and home matches against Kentucky Wesleyan and Occidental.

But the Lobos, expected to be composed almost entirely of sophomores, will not have to face the big California schools, like Stanford, that treated them so unkindly last year.

Notice in the last bulletin put out by the New Mexico High School Activities Assn. that the cheer leaders for the North-South football and basketball games have been selected.

St. Mike's of Santa Fe will do the yelling for the northern footballers, and Hobbs will lead for the south. Heading the cheering sections for the basketball game will be Santa Fe for the north and Portales for the south.

THE NMHSAA also reports that the total expenses for the state track meet this year was \$1,005.57. The total receipts was \$1,112.74. The biggest single expense was a whopping \$594.18 for medals and trophies.

WONDER how many people opened up their season's betting right last week as La Mesa Park in Raton? The Quinella on the first day's

Santee Quickly Denies Reports Of Violations

LOS ANGELES (AP)—Foot-runner Wes Santee may or may not have some things to say to his Missouri Valley AAU chapter about expense accounts, but today he is free to compete as the star attraction in the mile race in the Compton Invitational track meet tomorrow night.

Having emphatically denied a published report in San Francisco that he has collected overjuicy expense money for appearances in California, the usually talkative Kansas kept his mouth shut today and concentrated on his upcoming race and renewed quest of the elusive 4-minute mile.

Larry Houston, chairman of the registration committee of the Southern Pacific AAU in a formal statement yesterday said that Santee is fully privileged to compete in this section and that no official complaint has been filed against him by the sponsor of any meet.

Such action, if any, must originate in Santee's own Missouri Valley area by AAU authorities there, Houston said.

The runner said last night: "I have heard nothing whatsoever from the AAU and I don't plan to hear anything, either. All these figures are crazy."

Radio-Football Suit Studied

PHILADELPHIA (AP)—U. S. District Court Judge Allan K. Grim today had under advisement a civil suit brought against the National Football league and nine of its clubs.

Judge Grim heard oral argument yesterday on the bankrupt Liberty Broadcasting System, Inc. suit for \$2,100,000 damages against the NFL and the nine clubs.

The suit was filed by William J. Rochelle Jr. trustee for the radio network on behalf of Liberty's creditors. He contends that Liberty lost \$700,000 from 1948 to 1954 because the league restricted use of television and radio broadcasts of its games. Under antitrust law, a plaintiff can collect triple damages if it wins an antitrust civil suit.

Pampa Tightens Hold on WT-NM

By THE ASSOCIATED PRESS
Pampa tightened its lead in the West Texas-New Mexico league Wednesday night with an 8-5 win over Amarillo behind the hurling of veteran Jack Venable, who fanned 13 Gold Sox.

Clovis, whose game at Plainview was postponed because of rain, moved into third place standing still as Albuquerque lost to Lubbock 5-3, dropping the Duke City team into fourth place.

Last place El Paso lost to Abilene 5-1. Pampa won on the strength of Venable's pitching and a hit-happy sixth inning in which four Oilers scored. Venable weakened in the eighth after fanning 13 and was relieved by Tom Pollet.

racing paid off at better than \$500 for a \$2 ticket.

Think we'd be inclined to be satisfied for the rest of the year. Quit while you're ahead.

TRUMAN INTERVIEWED BY DAUGHTER ON TV

MARGARET TRUMAN IS SHOWN as she interviews her parents, former President and Mrs. Harry S. Truman, on the C.B.S. "Person to Person" television program. Miss Truman was in New York while they were at their home in Independence, Mo. The nation's former Chief Executive said that he thinks

the world is "approaching a peace settlement and the end of the cold war." Mr. Truman told his daughter that the recent signing of the Austrian peace treaty was a step in the right direction. He hopes to be remembered as the "people's President."

Miss Truman was substituting for Ed R. Murrow, who was stopped before the bell for the fourth round. The cut was deep and required four stitches.

"I could tell right away it was a real bad cut," Pep said afterward. "I didn't want to take advantage of the kid. He's a good tough kid but I don't like to win fights that way."

Patton Hottest Contender for British Title

ST. ANNE'S, England (AP)—As long as Billy Joe Patton keeps on putting like he has, it will be hard to deny him the British Amateur golf championship.

Spectators and fellow competitors alike regard the Morgantown, N. C., boy now as the hot favorite to win the grand old golfing title as play continued here today. But it's far from a sure thing.

If Patton is still around when the issue is decided in the 36-hole final match Saturday, he is almost certain to bump into another American who could give him trouble even if British players can't stop him.

There are 11 Americans still in the title chase.

Among them are big hitters like Jimmy McHale of Philadelphia, Bruce Cadd of Portland, Ore., and steady down-the-middle guys like Dale Morey of Indianapolis and Joe Conrad of San Antonio, Texas. Not to forget 20-year-old Don Bisplinghoff of Orlando, Fla., who swings like those pictures in the "how to play golf" book.

Pep Hailed as Sportsman After Cam Eye Wound

BOSTON (AP)—Willie Pep the boxer today was hailed as Willie Pep the sportsman as a result of his fourth round technical knockout of Joey Cam of East Boston.

Pep opened an inch and a half gash over Cam's left eye midway in the third round of their scheduled 10-rounder at Boston Arena last night—then danced away

Forgotten 30's Ready to Strike In Round Robin

GREAT NECK, N. Y. (AP)—Cary Middlecoff and Jackie Burke are ready to strike a blow for the "forgotten thirties" in the annual Round Robin golf tournament opening today—the last big test before the National Open in San Francisco.

The two golfing buddies from Kiamasha Lake, N. Y., sounded an advance warning by shooting identical three-under-par 67's in the pro-amateur warmup yesterday at Deepdale.

All of the 16 hand-picked contestants in the field, plus a star-studded list of other professionals and amateurs, took a swing around the course's 6,693 yards. Middlecoff and Burke gave the par up the worst licking.

"I get a little tired of reading about these 20-year-old-plus newcomers who are going to replace the 40-year-old over-the-hill guys, like Sam Snead and Ben Hogan," said the boyish-looking Burke, son of a famous Houston professional, now dead.

CHAVEZ PUSHES ROAD

WASHINGTON (AP)—Sen. Chavez (D-NM), chairman of the Senate public works committee, says he is "confident the Congress will approve plans to finish the Inter-American Highway in three years." The highway will run for 3,200 miles from Laredo, Tex., to the Panama Canal. The House has trimmed to eight million dollars a request for almost 75 million dollars for completion of the highway.

Italian Film Making Too Slow for Her

By BOB THOMAS

HOLLYWOOD (AP)—They're either too fast or too slow. That's Rhonda Fleming's comparison of Hollywood and European film making.

The flame-haired Los Angeles lass is back from Italy, where she made "Semiramis" with Ricardo Montalban. Now she's laboring in the RKO mills on "Tennessee's Partner" with John Payne and Ronald Reagan.

The Italian epic was made in five months. Nowadays such schedules are unheard of in Hollywood.

Women Golfers To Tee Off

READING, Pa. (AP)—Twenty-nine women golfers tee off today for the sixth renewal of the \$5,000 Women's Eastern Open golf tournament.

Betsy Rawls, defending champion from Spartanburg, S. C., was the pre-tournament favorite to win her third title. She won two of the three previous tournaments held here at the Berkshire Country club, including the last in 1953. The tournament was not held last year.

Betty Dodd, guitar playing professional from Spartanburg, S. C., underwent an emergency appendectomy at Reading hospital early this morning and was unable to compete. She was reported in satisfactory condition.

except for one of C. B. Deinfrequent projects. "Tennessee Partner," for example, is shot in 32 days.

"There seems to be no medium," said Rhonda. "In there is no pressure. If you get a scene one day, you get it the next. It's an easy job, but it can be unnerve. You sometimes find yourself tired to get things done. It's to sustain a performance which have such long interludes between scenes.

"In Hollywood, it's entirely ferent. You're so hurried the hardly have time to think."

The reason for the speed is manpower. Labor is so sive—plus the use of studio and equipment—that the schedules have to be tightly ned.

Production costs can run as \$18,000 a day. A week's in filming can mean the difference between profit and loss.

Life was not always so in Hollywood. Rhonda recalls days when she costarred tures with Bing Crosby in Hope. Picture making was leisurely—and more fun.

Rhonda has a chance to her singing voice in "Tennessee Partner." "At least I get to in the bathtub," she said.

She'll be able to sing more dignified conditions. future. She is booked to play Vegas' Rivera in the fall usual fancy Nevada salary she is among those being cored for the new Rodgers Hammerstein play "Pipe Dream."

Dick Burnett Dies, Baseball World Mourns Colorful Oilman

DALLAS (AP)—Baseball paid tribute today to R. W. "Dick" Burnett, colorful and sometimes tempestuous owner of the Dallas club in the Texas league, who died a few hours before his team did just what he would have wanted—won a ball game.

The oil millionaire who paid the highest price in Texas league history for the Dallas franchise and

then rooted stronger than the most ardent Dallas fan for a victory, sometimes getting in a jam for his antics when the club lost, died yesterday of a heart attack at Shreveport where his Eagles were playing a series.

Last night the Dallas club went out and beat Shreveport 7-4 in the first game of a doubleheader.

Two directors of the Artesia Base

ball club this morning said Burnett's death meant "baseball has lost a great fan and friend."

Charles K. Johnson said "He has been a good friend to Artesia." It was through Burnett that Artesia formed its working agreement with the Dallas club.

Clyde Guy expressed similar sentiments. He praised the oil millionaire's attitude toward baseball

and said Burnett was one of the game's greatest fans.

Many of baseball's highest echelon will be present tomorrow when funeral services are held at Gladewater.

Burnett, 57, put showmanship into his baseball. It was Burnett who, in 1950, played the opening game of the Texas league in the Cotton Bowl and drew the all-time

attendance—53,578.

He brought in some of the greats of baseball, men like Ty Cobb, Tris Speaker, Charley Gehringer and Home Run Baker, to play an inning and attract the nation's attention.

He bought the Dallas club in 1948 after owning franchise at Texarkana, Longview and Gainesville, Tex., and Monroe, La., and saw

his club wind up seventh.

Not until 1953 did his money pay off. His Eagles not only won the pennant and the playoffs but the Dixie Series. Burnett was named minor league executive of the year by the Sporting News.

A sandlot player in his youth, Burnett never tried professional baseball, being content instead to own ball clubs. He had extensive

oil holdings in Texas, Oklahoma, Arkansas and Louisiana to furnish the money for it.

Services will be at 2 p. m. tomorrow at the Everett Funeral Chapel, Gladewater. Burnett is survived by his widow, two daughters, Mrs. Elsie Lou Wieser and Mrs. O. H. Brown, both of Magnolia, Ark., a brother and a sister.

NuMexers, Midland to Try Doubleheader Again Tonight

AROUND THE LONGHORN—Roswell, Artesian Wins Knock Down San Angelo

BY THE ASSOCIATED PRESS

Artesia outlasted league-leading Midland 2-1 Wednesday night in a 17-inning marathon, scheduled originally as the first game of a Longhorn League doubleheader.

The win put the NuMexers into a tie with Roswell for second place. Roswell moved into its tie spot with a 6-3 win over last place Big Spring.

San Angelo, in second position at the start of the night's play, dropped to fourth on a 3-3 loss to Hobbs. Carlsbad and Odessa—making up the rest of the lower division—played a tight one on the Potashers' home field, the New Mexico team winning 7-6.

Weakening Midland pitching in the 17th inning walked in Artesia Mgr. Tom Jordan with the winning run. The game was scheduled originally for seven innings. The second game was postponed until tonight.

Artesia Wins Opener By 2-1 In Seventeenth With Walk-In

Never in five years of professional baseball has Artesia seen such a game as the NuMexers and visiting Midland played here last night.

Artesia won it 2-1 in the 17th inning—10 innings after the game was supposed to have ended. The winning run was walked in.

That was the perfect ending for 400-some fans who lingered 3½ hours to see the game.

It was one of those ballgames, though, where one man in the bleacher could turn to the stranger next to him and say "this is really baseball," regardless of the outcome.

Despite the almost non-existent scoring and nearly as scarce hitting, it was a game to go down in all-time local annals. Defensive baseball sparkled, despite the six errors credited to the clubs.

Midland in the sixth inning scored its run when first-up Ben Jones singled. Next-up Don Deekman singled home. The NuMexers retired the side quickly then, 1-2-3, with a pair of throws to first and a strike-out hurled by Harry Young.

The NuMexers tied it up in the seventh when first-up Bob Hebron singled, got home after two outs.

Bob Boyd bunted Herron ahead, going out at first. Harry Wilson, pinch-hitting for Dan Howard, struck out. But Young himself came through to single, plating Herron.

It stayed tied up at 1-1 through nine more innings.

In the 17th first-up Frank Gallardo was walked. Bunting to advance Gallardo, Jordan was safe at first when Midland decided instead to get Gallardo at second—and failed. Paul Dobkowski was out at first after his sacrifice, which advanced Gallardo and Jordan. Charlie Watts hit and was safe on a fielder's choice when the Indians at last got Gallardo between third and home.

But then reliever Adrian Brull walked two men—Bob Herron and

Minor League Victory Puts City in Tie For Second

By winning over league-leading Midland last night the Artesia NuMexers moved into a tie for second place in the Longhorn league.

Whether the NuMexers can hold on to it will be shown tonight in a big way.

Midland and Artesia are scheduled again to meet in a doubleheader tonight at NuMexer Park. First game will start at 7 p. m.

A doubleheader was to have been played here last night, but the second game was called after the first went 17 innings and the clocks showed almost 11 p. m. Artesia won in the 17th by 2-1 with the winning run being walked in.

Until last night San Angelo was in second, Artesia and Roswell tied for third.

Roswell knocked off Big Spring 6-3 while the Hobbs Sports were punishing San Angelo 6-3.

That drew Roswell and Artesia up over San Angelo in the standings.

Missions Lose Again to Indians, Dallas Profits

BY THE ASSOCIATED PRESS

San Antonio's Missions lost their second game in a row to, of all people, the Oklahoma City Indians Wednesday night and it brought renewed hope to the rest of the Texas league.

Dallas especially profited by it. The Eagles split a doubleheader with Shreveport and moved into second place just 2½ games behind the leading Missions.

Oklahoma City, last in the standings but within seven points of getting out, put on a 5-run rally in the ninth to whip San Antonio 6-4.

Dallas trimmed Shreveport 7-4 in the first game with Joe Kotrany going the distance, in his initial appearance of the season.

Shreveport won the second game 5-0 behind the 4-hit pitching of Arnie Atkins, who posted his 11th decision of the campaign.

Tulsa beat Houston 2-1 to kick the Buffs out of second place.

Beaumont sank toward the cellar by dropping a 9-3 decision to Fort Worth. The seventh-place Exporters lost their fifth game in a row.

Rockets Shade Cosden By 6-3

ROSSELL (AP)—The Roswell Rockets moved past last place Big Spring last night 6-3 in the first of a three-night Longhorn league series here.

Big Dean Franks went the distance for the Rockets, chalking up his 10 victory, allowing eight hits and whiffing two. Franks has three losses and holds the loop record for most wins with 30 in 1951.

The only extra base hit of the game for the visitors was a homer by starter Tom Costello in the fifth with one on. Costello was charged with the loss and relieved in the third by Wes Ortiz, but moved to right field.

Mgr. Stubby Greer had a pair of doubles for Roswell and Franks and Phillips each had one.

Big Spring 000 020 100—3 9 1
Roswell 012 021 000—6 8 1
Costello, Ortiz (3) and Doe, Franks and La Grone.

Hobbs Clobbers Angelans 8-3

SAN ANGELO (AP)—The Hobbs Sports, scoring all their runs in two innings, went on to defeat the second place San Angelo Colts 8-3 in a Longhorn league game last night.

Hobbs capitalized on five Colt errors to score three times in the first innings and five times in the fifth.

Pete Aldazabal was the big gun of the visitors' attack with a double and triple good for four runs batted in.

San Angelo's Elias Osorio and Roy Coates each had bases-empty home runs off Duane Peters, who allowed the Colts only seven hits.

The same clubs meet here tomorrow night with Gil Guerra scheduled to work for San Angelo against either Ray Romero or Luis Marquez of the Sports.

Hobbs 300 050 000—8 9 1
San Angelo 101 010 000—3 7 5
Peters and Junco; Epperson and Bowland.

Longhorn Roundup

THE STANDINGS:

MAJOR LEAGUE ROUNDUP—Robin Roberts Again Lifts Phillies Out of Doldrums

By ED CORRIGAN
The Associated Press

Without collegiate-looking Robin Roberts, the Philadelphia Phillies could give the Pittsburgh Pirates a good run for the National league cellar.

But so long as Robin persists in winning 20 games or better a season, the Phillies will stay out of the basement. Roberts has won 20 or more games the past five years and 1955 will be no exception if he continues at his present pace.

The Phillies have won just 19 games as they ride along in seventh place, and Roberts has won eight of them, including a neat six-hit 3-1 decision over the Chicago Cubs last night.

In fact, the Phils themselves seem to be snapping out of the doldrums they've won 9 of their last 11 games, and, although, they are just above the Pirates in the

standings, they are only four games behind the third place New York Giants.

After the Phils scored two runs in the fourth, it was merely a matter of Roberts protecting the lead, which he did with no particular trouble. Ernie Banks hit a home run for the Cubs in the fifth for their only run.

Elsewhere in the National league, the Brooklyn Dodgers, the Milwaukee Braves, 11-8; the Redjags whipped the New York Giants 5-2, and the Cardinals slapped down the Pirates, 6-2.

In the American league, the Cleveland Indians shut out the Baltimore Orioles, 5-0; the New York Yankees won a doubleheader from the Kansas City A's, 3-1 and 6-1; the Chicago White Sox edged the Boston Red Sox, 4-3, and the Detroit Tigers blanked the Washington Senators, 9-0.

Artesia Wins Opener By 2-1 In Seventeenth With Walk-In

Never in five years of professional baseball has Artesia seen such a game as the NuMexers and visiting Midland played here last night.

Artesia won it 2-1 in the 17th inning—10 innings after the game was supposed to have ended. The winning run was walked in.

Beaumont sank toward the cellar by dropping a 9-3 decision to Fort Worth. The seventh-place Exporters lost their fifth game in a row.

Pots Move From Behind to Win

CARLSBAD (AP)—Pedro Osorio slammed a two-on, two-out home run in the ninth to give the Carlsbad Potashers a 7-6 come-from-behind victory over Odessa last night.

Bob Weaver, making his first start since April 30, picked up the victory. Aside from a shaky first two innings when the Eagles assumed a 4-0 lead, Weaver showed plenty of his 1954 form. He had been sidelined with a sore back muscle.

Opening the ninth Ike Jackson,

Babe Ruth Era Bitterly Came To End 20 Years Ago Today

NEW YORK, June 2. (AP)—Twenty years ago an era ended.

Babe Ruth hung up his spikes for good.

It should have been a day of celebration. The Babe should have stepped down proudly, the cheers of the crowds that once idolized him ringing in his ears.

But it wasn't to be that way. It was more like a tragedy.

He had played his last game May 30 against the Philadelphia Phillies. He went to bat only once and did nothing, so he retired to the clubhouse. That was the last time the Babe's name appeared in a major league box score.

He was with the Boston Braves at the time as vice-president, assistant manager and sometimes—player.

His sight was failing and he was hitting only .181 when the end came. It came slowly, though.

It wasn't until three days later, June 2, that Ruth officially ended his baseball career—and he was beaten to the punch.

Officially, he quit. But he admitted later that he was fired by Judge Emil Fuchs, president of the Braves.

Standing in the clubhouse, he told a boy to ask Fuchs to come see him. He told the boy to inform

Hearing Expert Due in Artesia

Walter D. Bills, Sonotone's hearing specialist of Lubbock will be in Artesia, N. M., to give free examination and counsel on hearing problems Friday, June 3. Any of your friends or family who have a hearing problem or who hear but don't quite understand are welcome to consult Mr. Bills, free of charge and to receive an audiometer test and "picture of their hearing." Investigate, too, Sonotone's newest hearing aid. This fine new aid to better hearing is small, light and easy to wear. Investigate what it can do for you at the Artesia Hotel in Artesia on Friday, June 3, from 10 A. M. until 12:30 P. M. No charge for consultation and certainly no obligation.

ALAMOGORDO TOURS BASES

ALAMOGORDO (AP)—Brig. Gen. Charles A. Lindbergh, famed trans-Atlantic flier, has toured White Sands Proving Ground and Holloman Air Development Center for an orientation on the defense program. Lindbergh was accompanied by Trevor Gardner, assistant secretary of the Air Force for research and development, in the one-day tour.

I. LEGAL NOTICES

IN THE PROBATE COURT OF EDDY COUNTY, STATE OF NEW MEXICO

IN THE MATTER OF THE LAST WILL AND TESTAMENT OF TOM BRYAN, Deceased.

Case No. 2105

NOTICE TO WHOM IT MAY CONCERN:
Notice is hereby given to all persons interested in the Estate of Tom Bryan, deceased, that an instrument in writing purporting to be the Last Will and Testament of Tom Bryan, deceased, has been filed for probate in the Probate Court of Eddy County, New Mexico, and also filed in said Court the verified petition of Mattie I. Bryan, praying for the probate of said Will, and that letters testamentary issue thereon to Mattie I. Bryan, the executrix named in said Will, and that by Order of said Court, the 28th day of June, 1955, at the hour of 10:00 o'clock A. M. of said day, that being a day of the regular 1955 term of said Court, has been appointed as the day and time for hearing said petition and proving said Last Will and Testament, at the Court Room of said Court in the City of Carlsbad, New Mexico, when and where all persons interested may appear and contest the same.

Therefore, any person or persons wishing to enter objections to the probating of said Last Will and Testament are hereby notified to file their objections in the Office of the County Clerk of Eddy County, New Mexico, on or before the time set for said hearing.

Dated at Carlsbad, New Mexico, this 31st day of May, 1955.
(SEAL) MRS. R. A. WILCOX,

PROCLAIMS DAIRY MONTH

SANTA FE — June is Dairy Month in New Mexico, according to a decree signed here yesterday. Dairy Month—set to publicize dairy products—will include the crowning of the dairy princess in Albuquerque July 15.

POLICE ISSUE WARNING

ALBUQUERQUE — Albuquerque Police Chief Paul Shaver has called on bar operators to better police their bars or "the law will move in." Shaver issued his blast at the lack of control after two officers suffered minor injuries last Saturday night. They were rushed by a mob at the bar.

Eric Guerin, regular jockey for Summer Tan and Social Outcast, won 17 stakes to lead in that department on New York state race tracks in 1954. Eddie Arcaro won 16 stakes.

ETTA KETT

ONLY TEN MORE SHOPPING DAYS TILL MY BIRTHDAY!

I CAN TAKE A HINT!

I READ THAT GIRLS ARE OLDER THAN BOYS! MENTALLY I MEAN!

SO ACTUALLY I HAVE TWO BIRTHDAYS IN ONE! THAT REALLY MAKES ME TWINS!

GEE! DON'T YOU THINK I SHOULD GET TWICE AS MANY GIFTS?

BIG SISTER

REMEMBER JOHNNIE DEXTER THAT CUTE PILOT I MET?

YOUNG NAVY FLIER RIPS SONIC BARRIER TO SET NEW JET DIVE MARK. FIFTEEN HUNDRED AN HOUR! PHEW!

HE SURE CLOBBERED THE OLD RECORD!

WOWEE! TWICE THE SPEED OF SOUND—THAT'S CHEWING THE BLUE!

PRETTY SOON THEY'LL BE TRAVELING AS FAST AS GOSSIP!

LITTLE ANNIE ROONEY

WHAT IS THIS TREMENDOUS NEWS THAT YOU HAVE, DAD?

HOW WOULD YOU LIKE A SUMMER VACATION?

A FULL, SUMMER-LONG VACATION OF FUN AT THE OCEAN? SEASHORE!

ON THE—OCEAN?? SEASHORE!!

WELL—I—PERHAPS I'VE GOTTEN A LITTLE AHEAD OF MYSELF—SUPPOSE I GIVE YOU THE STORY FROM THE BEGINNING—WHAT'S THIS ABOUT THE SEASHORE??

CISCO KID

YOU KNOW, ZERO, NOW THAT WE AINT STOWAWAYS ANY MORE AN ARE REG'AR MEMBERS OF THE CREW, I THINK STEAMBOATIN' IS FUN!

RIDIN' DOWN THIS LAZY RIVER—STOPPIN' AT LANDINGS TO UNLOAD STUFF—EATIN' MRS. THATCH'S SWELL COOKIN'—AW, GOLLY, WE GET PAID A WHOLE DOLLAR A DAY FOR THE EASY WORK WE DO.

BOY!! STOP YOUR LOLLYGAGGIN'! ROUND DOWN THAR! GO FIND YO' SELF SOME WORK TO DO!!

IT AINT THE WORK, ZERO, YOU KNOW I LIKE TO WORK, BUT THIS CRAZY THING OF BEIN' CALLED A BOY ALL THE TIME IS DRIVIN' ME GOOFY!!!

MICKY MOUSE

QUICK, ZERO! HIDE! I SEE TWO STATE POLICEMEN COMIN' ABOARD AT THE LANDING! THEY MIGHT BE LOOKIN' FOR US!!

NO, I AINT NEVER HEARD OF NO PLACE CALLED PRIMROSE HALL, AN I DONT KNOW NOTHIN' 'BOUT NO LITTLE RUNAWAY GIRL.

'CEPT FOR MRS. THATCH, THE COOK, WE GOT AN ALL-MAN CREW ON THE DELTA BELLES, FROM CAPTAIN DOWN TO MESS BOY. NOW IF YOU'LL EXCUSE ME, GENTLEMEN, I GOT A HEAD OF CARGO TO CHECK OFF.

WELL, GOLLY! GEE WHIZ, ZERO! I WONDER IF CAPTAIN BAAL DID THAT ON PURPOSE...

MANDRAKE THE MAGICIAN

ALL SET! NOW TAKE A TURN AROUND THAT SADDLE HORN!

THAT'S IT! IT'S COMIN' LOOSE! WHOMP THAT CAYUSE AGAIN!

WHO DOES IT?

I SELL DIAMONDS, PRINCESS NARDA. I ASSURE YOU, THIS IS GLASS. CHEAP GLASS AT THAT—

MY CROWN JEWELS—

WE FOUND WHAT TURNED THE LIGHTS OUT. A TIME SWITCH—SET AT EXACTLY 10:50.

THE CLAY CAMEL MAY HAVE BEEN BEEN—HIGGINS!

LIEUTENANT HIGGINS--MY BEST OPERATIVE?

NOT THE REAL HIGGINS--BUT THE CLAY CAMEL DISGUISED AS HIGGINS--

BUT WHEN DID HE CHANGE PLACES? LOOP!

Nearly All Polio Questions To Be Answered in Report

By ALTON L. BLAKESLEE
AP Science Reporter

NEW YORK (AP)—Most or all your questions about the polio vaccine could be answered in an official report soon.

The U. S. public health service is preparing this report, and it may be ready this weekend, Surgeon General Leonard Scheele said today.

He said it will tell why release of vaccine was held up, and why some changes were made in testing regulations. It will also tell what "new knowledge" was learned during scientific discussions and studies recently.

President Eisenhower says scientific work during the delay period in vaccinations produced "new things about the way viruses behave in large-scale manufacture" and brought "new safe-guards."

But little of this has been spelled out. Dr. Scheele said the full report will do so.

That could go a long way toward answering the primary ques-

tion in parents' minds—should they have their children vaccinated? Equally important is their question, does vaccination reduce the risk of getting polio, and how much?

Dr. Scheele and numerous other experts have repeatedly expressed confidence in the safety and effectiveness of the Salk vaccine. The coming report will presumably tell the public the facts and reasons for their confidence despite the on-again off-again aspects of the inoculation program.

The report may include a significant time-table of when polio developed among children vaccinated with different makers' vaccines. Polio occurring less than a week after a shot could have come because the child already was incubating the virus from natural exposure, and the vaccine didn't have time to protect.

IF IT developed later, it could mean the possibility that the vaccine caused polio. If it developed a month after a shot, it could

CHECKS totaling \$60 were presented this week to Lupe Gonzales, father of 7-year-old Efran Gonzales, who died Sunday in an El Paso hospital after being stricken three months ago with a brain tumor. Checks have been contributed so far by Los Alamos, Deming, and Artesia LULAC chapters. Joe Jimenez, right, gave checks to Gonzales, who is farm laborer. Other New Mexico chapters have indicated they'll help defray costly hospitalization. (Advocate Photo)

New \$7 Million Turkish Hilton Opening Slated

ISTANBUL, Turkey (AP)—A new seven-million-dollar, 11-story Hilton luxury hotel opens formally June 10 on a high promontory overlooking the banks of the Bosphorus.

American tourists are expected to fill half the hotel's 300 rooms during the summer season. They will be able to sit on upholstered bar stools on the Marmara Roof Bar and see parts of two continents—Europe and Asia.

The Istanbul Hilton is the third mean that the shot simply failed to protect.

The report can tell what has been learned so far about suspected batches of vaccine from one manufacturer.

For a time, other vaccine was still being released, then all release was stopped. The public wonders why, and what this meant.

Dr. Scheele said the report will cover the history of the public health service's role in the vaccine from a year ago to the present.

link in a fast-growing international chain. The grand opening, complete with Hollywood celebrities, is expected to rival the big shows put on when Hilton Hotels International opened the Caribe Hilton in San Juan, P. R., and the Castellana Hilton in Madrid.

A 400-room Hilton hotel has just been started in Cairo to replace the world-famed Shepheard's, which was destroyed in the anti-British fire riots of 1952.

Hilton officials also plan hotels in Mexico City, Acapulco, Havana, Montreal, Rome, London, Amsterdam and Berlin.

The hotel organization headed by Conrad N. Hilton does not own the Istanbul hotel, which has been "shaking down" with early guests since May 20.

The hotel was financed by the Turkish government's pension department. Hilton has a 20-year operating lease and splits the profits. He gets one third.

HEARS APPLICANT

SANTA FE (AP)—The state bank examiner's office hear small loans applicants from Tucumcari and Springer today. Clovis firms are scheduled to be heard Friday. The hearings, under the new Small Loans Act, are being held on a four-day basis. Results probably won't be known until July 1.

Chinese Communists Build Indian Envoy Deliberately

By JOHN M. HIGHTOWER

WASHINGTON (AP)—Red China apparently is giving a deliberate buildup to Indian's V. K. Krishna Menon, a frequent bitter classic of the United States, as the man to negotiate settlements between Washington and Peiping.

Menon often follows the Communist line in international affairs. He is regarded by officials here as quite friendly to Red China.

UN Turns Down Pleas for Births On Its Territory

UNITED NATIONS, N. Y. (AP)—The United Nations has turned down several requests from sentimental mothers to let them give birth to their babies on UN territory here.

It has also put a firm foot down on what one UN official called "screwball requests" by persons wanting to be buried in the UN rose gardens on New York's East River.

Several persons, including at least one delegate, have died in the UN buildings but there hasn't been a baby born on the international premises yet.

What would be the nationality of an infant born in this UN area?

Answer from UN legal experts: The baby would be an American, just like any other infant born outside the fence that separates the UN's 18 acres from the rest of New York City and the United States.

That would be so whether the parents were Americans or foreigners. Under U. S. law, anyone born in the United States is an American.

And the UN follows an axiom that all U. S. laws apply here except those specifically legislated against. This is insured in the UN headquarters agreement with the United States, approved by a joint resolution of Congress.

He will be coming to the United States in a few days for United Nations meetings in New York and San Francisco. His public reputation has been so much increased by Red China's handling of the release of four U. S. airmen that officials are reluctant to give him the cold shoulder.

They dare not give the impression that the United States would pass up any reasonable opportunity to ease tensions. Furthermore, there is always a chance that because of his cordial contacts with people like Red Chinese Premier Chou En-lai the Indian diplomat may really be able to contribute to some settlement.

THERE is some concern here that if Menon gets too much control over the situation, he will use it to promote the interests of Red China excessively.

The tipoff on Red China's attitude toward Menon came with its manipulation of the news of its decision to release four American pilots.

Menon made this announcement at a news conference in New Delhi Monday. Not until he had spoken out did the Peiping radio broadcast the official version. The radio itself could have broken the news.

Peiping could have given the release to U. N. Secretary General Dag Hammarskjold or to some other diplomat.

Hammarskjold journeyed to Peiping early this year and negotiated for the release of the airmen for the past six months.

SECRETARY of State Dulles sent messages of thanks to both Hammarskjold and to Menon's chief, Indian Prime Minister Jawaharlal Nehru. He thus sought to put Hammarskjold's efforts on a par with those of Menon's.

Menon, 58, is relatively new in diplomacy. He lived for most of his life in London, where he worked for Indian independence and was for some years identified with a "united front" movement which included Communists. The record shows no evidence that he himself was a Communist.

Three years ago, he was assigned to the United Nations.

Mme. Pandit, Nehru's sister and chief of the Indian delegation in New York, frequently clashed with him and tried to have him recalled. Nehru always backed him up.

Today, the thin-faced, thick-skinned diplomat who once patched together a meager existence as a teacher and writer of cheap novels in London is India's ambassador to the United Nations and Nehru's chief foreign policy adviser.

At the U. N., Menon has raked the United States over the coals many times. Most officials seem to regard him as being primarily concerned with India's own interest in neutralism and peaceful settlements—willing, perhaps, to make peace at almost any price.

FATHER OF 15 KILLED
BELEN (AP)—A Belen father of 15 died yesterday after appearing to fall into a rock crusher. The accident occurred 45 miles south of here. There were no witnesses and his body was found when a low worker investigated the wreckage of a flowing crushed rock. Sanchez is survived by 10 sons and five daughters, including month-old twins.

HONORS FBI CHIEF, SEES 'A' SHOW

PRESIDENT EISENHOWER pins the rarely-awarded National Security Medal on J. Edgar Hoover for his "long and brilliant" service as Director of the Federal Bureau of Investigation. During a ceremony at the White House, Hoover was given a special citation for his "outstanding contribution to national security." Later, the President visited the Library of Congress exhibit on the peaceful uses of atomic energy. He is shown looking over a plastic protector suit used by persons checking radioactive material.
