Claim Russian Letter Seeks Peace Treaty

oviet Premier Bulganin's letter to resident Eisenhower is reported friendship between Russia and the United States, coupled with the suggestion that this would promote world peace.

United States officials are studying this latest Soviet move seriusly but skeptically. They feel it is almost certainly a propaganda naneuver.

Bulganin is understood to have proposed a pact pledging the United States and the Soviet Unon to settle differences within the Charter and to avoid interference in each other's internal affairs.

This latest Moscow initiative is puzzling to diplomats. Delectable And Different Ham Loaf

Plentiful pork and pork products can help you put more pennie in your "piggy bank" if you include them frequently in your menus now and in the months ahead. Your meals can be varied and interesting while you effect savings in your food budget. Here's an idea for leftover cooked or baked ham—a delectable and different Pickle Stuffed Ham Loaf. Evaporated milk is the binder and moistening agent for the nicely seasoned ham layers, which are stretched with a zesty pickle layer in the middle.

This is a really thrifty meal, and evaporated milk is a valuable ingredient product in this and similar meat loaves. Because it is whole milk concentrated to half its original volume and used here undiluted, evaporated milk is doubly rich, and therefore doubly nutritious. And it is fortified with vitamin D, the "sunshine vitamin" that helps the body make use of calcium and phosphorus which build benes and teeth bones and teeth.

Pickle Stuffed Ham Loaf

1/4 cup finely chopped onion 1 egg 4 cups ground cooked ham, lightly packed 1 cup fine dry bread crumbs

1¼ cups evaporated milk 1 teaspoon prepared mustard ½ to ¾ cup pickle relish 1/8 teaspoon black pepper 1/8 teaspoon powdered thyme

Boiled or baked ham can be used. Put ham through medium blade of food chopper. Place ham in large mixing bowl. Add ½ cup of the fine dry bread crumbs, the pepper, thyme, onion; mix thoroughly. Beat in the egg and 1 cup of the evaporated milk. Divide ham mixture in half. Pack one half in bottom of a well greased loaf pan, about 2½ x 8½ x 4¾-inches. Stir mustard into the remaining ½ cup evaporated milk. Add the remaining ½ cup crumbs and pickle relish, and blend thoroughly. Spread pickle stuffing evenly and firmly on top of ham layer. Pack remaining half of ham mixture over pickle layer. Bake in moderate oven (375°F.) about 45 minutes. YIELD: 6 generous servings.
