COUNCIL OK LIBRARY BOND ISSUE

\$125,000 Sought For New Library To Be Built On Downtown Location

The City Council, meeting in regular session last night approved a \$125,000 bond issue for the purchase of a site and the building of a new public library for the city.

The bond issue will now go to the State Comptroller and the State Finance Board for approval and will then go to the public for a vote in the municipal elections April 3.

Park Request Sent Back To Rec Committee

The City Council last night again referred to the City Recreation Committee a request by representatives of the Optimist Club for use of Municipal Park and for financial aid for the Babe Ruth and American Legion baseball programs.

The Optimists were assured by the Council that a special meeting of the Recreation Committee would be called for the first part of next week to review the matter and answer the Optimists' requests.

William Shafer Announces For Seat In House

William H. Shafer of Carlsbad announced his candidacy today for Seat No. 1 in the State House of Representatives. The county commissioner is remembered in Artesia for his fight for the urban project of First St. here.

A life-long Democrat, Shafer said in his announcement that he is not running against Fred Cole, but rather against Virgil McCollum.

Shafer has served two terms as county commissioner from District 1, and at present he is chairman of the board of county commissioners. He worked for a time at the refinery at International Minerals and Chemicals Corp. At present he is ranching in the Rocky Arroya area.

WILLIAM H. SHAFER

Born in Carlsbad in 1918, he is a member of a pioneer family who came to the Pecos Valley in 1865. He attended school at Rocky Arroya and Carlsbad where he was graduated from high school in 1936.

He is a member of the Epworth Methodist Church and is serving as ex-officio member of the board of directors of the Carlsbad Memorial Hospital. He is a member of the Elks Lodge and of the Odd Fellows Lodge.

"Having served for two terms on the board of county commissioners I feel that I have had ample opportunity to become acquainted with the problems of Eddy County as a whole. My life as a resident here has made me well aware of the type of legislation by which we of Eddy County may most benefit. If elected I would pledge myself to serve the people of Eddy County with honesty and integrity. The obligations of this office are great and I would consider it a great honor to serve in this capacity," Shafer said.

The funds for a new library were requested by Mrs. S. P. Yates, chairman of the Library Board, on behalf of the board. The building, which will contain 6,000 square feet of floor space, is to be built at some downtown location, though a site has not yet been selected.

Mrs. Yates said the new building would accommodate 30,000 volumes and 50 users. It is designed to take care of Artesia's needs for the next 20 years, Mrs. Yates said. She said that the present library in the basement of the City Hall is already becoming over-crowded.

Mrs. Yates presented figures to show that operation of the new library would cost the city only about \$2,000 or \$2,500 more than present operating costs. She based her figures on operating costs of similar libraries in the state, she said.

The present library budget allows about \$3,500 from the city, \$1,700 from the county and \$750 from the state.

The bond issue set for vote in the April elections, if not passed at that time would have to wait another two years for approval.

Mayor Bill Yeager said that he was pleased with the lack of any opposition to the proposal at last night's meeting. He said, however, that the city is going to have to cut to the bone all expenditures for equipment during the coming year in order to meet revenue.

Peruvian Troops Mass To Crush Army Rebellion

LIMA, Peru, (AP) — Government troops were reported poised today at an unnamed Amazon River port within striking distance of the rebel-held city of Iquitos.

Sources close to President Manuel Odría said a military airlift has been massing troops and supplies at the port.

Units of the Army's 2nd Division led by Brig. Gen. Marcial Merino rebelled a week ago and seized Iquitos, 1,200 miles northwest of Lima.

A number of American citizens who had asked to be evacuated from Iquitos arrived here yesterday aboard a U. S. Air Force plane.

The government has clamped a naval blockade on Iquitos and in an attempt to starve the rebels out. Government spokesmen said the first shots in the revolt were fired yesterday when air force reconnaissance planes flew over the area and "were met with rifle and automatic weapons fire." No damage was reported.

Cat Produces Noises In Car

GALLUP (AP) — The guards at Wingate Ordnance Depot near here were alerted when Frank Dixon drove his car up to the installation.

All kinds of noises were coming from under the hood.

They found a white angora cat between the grill and the radiator. It had ridden at least eight miles there.

Collision Near Gallup Kills New Mexico Man

GALLUP (AP) — William Martin Langford, 41, of Continental Divide died in a Gallup hospital today from injuries suffered in a head-on crash last night.

Langford's car and a loaded lumber truck owned by the Navajo tribe collided head-on on a hill 16 miles east of Gallup on U. S. 66. State Policeman Eddy Boggio said.

Langford's car appeared to have been passing another vehicle, the officer said. The truck was driven by Ralph C. Jordan of Gallup.

Both vehicles were demolished.

Lt. Don Bartlett Takes Over Command Of Local Guard Unit

A new commander of the local National Guard unit, Battery C of the 697th Anti-aircraft Artillery Battalion, assumed command last night at the regular weekly meeting of the unit.

He is 1st Lt. Don W. Bartlett of 1501 Hank Street, Artesia. Bartlett took command from Capt. Cliff Perkins at a special ceremony presided over by Lt. Col. William C. Thompson Jr., battalion commander.

Board Okays Debentures For Road Projects

SANTA FE (AP) — The administration moved today for an immediate go-ahead on issuance of high-way debentures to make it possible to acquire right of way now for future road projects.

The principle of this move was approved several weeks ago by the State Finance Board. Highway representatives estimated the state could save millions of dollars over the next few years by acquiring right of way now before prices go up.

The board approved taking five million dollars worth of debentures out of the 20 million approved in 1955 for highway construction. The money procured from the five million will go into a revolving fund for right of way acquisition and, highway officials said, eventually will find its way back into the construction funds.

The Finance Board met in special session to activate the bond issue.

"We want to get it going just as soon as possible, especially in connection with the pending projects in Albuquerque," Gov. John Simms said.

SHOCK KILLS HIM
MAGNANO, Japan, (AP) — Otsuburo Wakabayashi, 78-year-old tea merchant, heard on the radio he was being considered for a government medal in appreciation of his lifetime of public welfare service. He died of shock 45 minutes later.

Carousing Reds Ask Asylum Of French Police

BERLIN, (AP) — Two carousing Russian soldiers "deserted" with a vodka bottle to Allied-occupied West Berlin last night.

West Berlin police gave this account:

The Russians veered into the French sector of the city, pounded on the door of a police station and demanded that the cop on duty have a drink with them.

He did, but as soon as the Russians went into the station house bathroom he alerted his superiors, who called French military police.

The French took the Soviets into custody and tried to take them back to East Berlin. The soldiers refused to go, so the French gave them a chance to sleep it off.

Soviet authorities, meanwhile, noticed two of their men were missing and inquired about them at the East-West border. Told the French had the pair in custody, the Russians withdrew.

Brother Says Ike Will Run

CHICAGO (AP) — Earl Eisenhower, brother of the President, says he believes the President will seek a second term.

The youngest of the Eisenhower brothers, who lives and works in suburban La Grange as a public relations director for the weekly Suburban Life newspapers, said:

"It's only my personal opinion, but it looks to me as if Dwight will seek a second term."

In an interview in the weeklies, published yesterday, Earl said that the President's decision will depend on whether he believes he is still needed in the nation's top job.

But, Earl said, "I know what I would do if I were Dwight. I'd retire to that farm in Gettysburg."

Russia Dangles Offer Of Help Before Lebanon

BEIRUT, Lebanon (AP) — Russia dangled a tempting offer of technical aid before Lebanon today in renewed efforts to stimulate trade with the Arab state and keep it out of the Western camp.

A six-man economic development commission has begun an intensive two-week campaign to boost Soviet trade with the Lebanese by launching similar drives in Syria, Egypt and other Arab states.

Soviet Minister S. P. Kiktev called on pro-Western President Camille Chamoun shortly after the mission arrived yesterday. The Russian reportedly offered Soviet technicians and equipment to build up Lebanon's trade with the Communist bloc and further her development projects.

The aid offer was said to involve road building, hydroelectric dam, irrigation, railway and seaport improvements.

Survey By Mail Discussed At Retail Meeting

A survey by mail will be in the offing if the General Retail Committee of the Chamber of Commerce acts favorably on a proposal to be submitted by the executive committee of the Retail Merchants Committee.

The executive committee met this morning to discuss the survey, which would be held in order to ask Artesia and area citizens what may be needed to make Artesia a more effective retail center. The committee proposes to ask buyers and consumers what new stores may be needed, what merchandise might be stocked in order to serve this area better.

The meeting this morning was held in the Chamber offices and was presided over by C. G. Clark, president of the group.

Artesia High School Office Safe Looted Of \$1,935 Cash

Burglars, who it is believed used entrance to the building through a transom window over door of the boiler room, last night broke into a large safe in principal's office at the High School here, and made off with \$1,935, mostly in small-denomination bills, police said today.

It was believed that entrance to the building was gained by use of a key because no evidence was found of a break-in. It was discovered later that they entered through the boiler room. The burglar then used a knife or similar instrument to open a door to the principal's office and removed a block of wood to open a door to inner office where the safe was kept, police theorized.

Admittance to the safe was gained by knocking off the knob and using screw drivers and chisels to peel the metal facing of the safe and dig out the concrete between the metal walls of the safe, police said. Chief Frank Powell said the job was messy in a way but pretty good in spite of that. He said that police were as yet uncertain if it was a professional job.

Of the \$1,935 taken from the safe, \$1,000 was in \$1 bills; \$200 in \$20 denominations; \$200 in \$10 bills; \$200 in \$5 bills; 2 in stamps; and the balance in silver, school supplies and other items.

Hagerman Man Injured In Sideswiping

One man was injured and two vehicles badly damaged when two cars sideswiped in a dense fog two miles south of Lake Arthur about 7 a.m. today.

The injured man was Robert McMath, Hagerman, who was taken to ambulance to the Artesia General Hospital. McMath was said to be suffering from lacerations and is held in the hospital for observation.

Driver of the other car was Jesse Miller, Roswell, a worker at the Malco Refinery at Artesia. He was uninjured. There was only one man in each car at the time of the crash.

About \$500 damage was done to the front end of the Miller car and the McMath car, which rolled over after sideswiping the other vehicle, was considered a total loss.

The accident was observed by Ed Dillon, Roswell, a truck driver for Malco, from the rear-view mirror of his truck.

State police, investigating the accident, were unable to piece together exactly how the accident took place, but said that it appeared the two cars were engaged in efforts to dodge each other up to the moment of impact.

Visibility was poor due to dense fog and the pavement was slippery.

Hagerman P-TA Holds Founders Day Program

The Hagerman Parent-Teachers Association met Monday night at 7:30 for its annual Founders Day Program and Silver Tea held in the school auditorium.

Mrs. Jim Langenegger, president, called the meeting to order and the group joined in the Pledge of Allegiance followed by singing the verse of "America" accompanied at the piano by Verna Jeanne Greer. Mrs. Dub Hardin read the P-TA prayer.

Mrs. J. W. Langenegger, secretary, read the minutes of the previous meeting and also the executive board meeting held in the afternoon at 4 o'clock in the office of the superintendent at which time John Duke Garner was appointed auditor of P-TA books, and Mrs. Howard Menefee was appointed a member of the nominating committee.

At the evening meeting two more members for the nominating committee were appointed, namely Mrs. J. W. Langenegger and Mrs. Louise Brown. It was reported that the P-TA's assistance in the March of Dimes campaign was very successful. It was voted to send a girl to Girls State to be held in Albuquerque in June. Mrs. Bill Knox read the treasurer's report and Mrs. Louise Brown made a report on planned activities.

Following the business session Mrs. Byron Oglesby, the program chairman, introduced the past presidents, who presented a Founders Day candle-lighting service. Mrs. Howard Menefee lighted two candles for her two years of service. Mrs. Dub Hardin lighted two candles for her two years of service. Mrs. Dub Hardin lighted two candles for the term of Mrs. Wilson Hart, Mrs. Louise Brown lighted one candle for her year's service, and Mrs. Jim Langenegger lighted one candle for the present term, in which she is serving as president. A short history of the founding of the P-TA was read.

Dr. J. P. Voute and his sisters, the Misses Cecile and Cornelia Voute who are visiting her from

Hilversum, Holland, presented a musical program. By way of introduction Joan and Antoinette Voute, daughters of Dr. and Mrs. Voute, dressed in Dutch costumes, told of their aunt's journey to the United States by boat through the Gulf of Mexico, the Panama Canal, and Los Angeles, arriving in Hagerman Jan. 25. They plan to remain until the first of March at which time they will continue a tour of the United States, going to New Orleans, to Washington, and to New York.

Miss Cecile Voute, violinist, opened the program with three lively Dutch folk songs. This was followed by a violin duet by Miss Cecile and Dr. Voute, a Sonata by Handel in four movements. In conclusion Miss Cecile played three plaintive Roumanian folk songs. They were accompanied at the piano by Miss Cornelia Voute. The program was concluded with the showing of a Dutch film in color, showing flowers grown in Holland.

Following the program a silver tea was held. The serving table was covered with a lace cloth and centered with floral arrangement of yellow chrysanthemums. There was a large sheet cake in white with blue decorations, the P-TA colors.

1956 Queen Of Hagerman Bobcats Is Crowned At Game Half-Time Ceremony

Miss Verna Jeanne Greer, the daughter of Mrs. Jim Langenegger, of Hagerman, was crowned 1956 Queen of the Hagerman Bobcats when the "A" and "B" basketball games were played Friday night between Hagerman and Ruidoso here.

The basketball team and cheerleaders entered carrying a chain of green and white crepe paper, the school colors, which formed a walk-way for the queen candidate. The little mascots, Ruth Ann Watson, daughter of Mr. and Mrs. Hillard Watson, and Larry Gomez, son of Mr. and Mrs. Gilbert Gomez, entered first. Ruth Ann, flower girl, in a pink evening dress, carried a basket of flowers from which she threw rose petals in the pathway for the royal party. Larry, as crown bearer, carried the silver crown on a white satin pillow.

Senior candidate Janet Wheeler, daughter of the Rev. and Mrs. V. S. Wheeler, entered on the arm of George Dodson. Junior Candidate Loretta Creek, daughter of Mrs. W. B. Creek, was escorted by Richard Barnett, Sophomore Candidate Phyllis Jumper, daughter of Mr. and Mrs. W. P. Jumper, entered with Milton Creek, while Freshman Candidate Verna Jeanne Greer chose Milton Brown as her escort. All of the candidates wore sheer red evening dresses with white carnation corsages, and their escorts also wore boutonnières of white carnations. All were seated on the platform decorated in the green and white theme with a mat of artificial grass on the floor.

Mary Evans served as mistress of ceremonies for the occasion, and in a surprise announcement revealed that Verna Jeanne Greer, freshman candidate, was the winner of the contest. Daniel Gomez, the captain of the basketball team, placed the royal crown upon her head and crowned "Verna Jeanne Greer, 1956 Queen of the Hagerman Bobcats."

Junior league members present were Judy Adkins, Sylvia Haile, Nony Lamb, Nancy Lamb, Marcia Donnell, Lanna Garner, Billie Sue Parry, Barbara Thompson, Claire McGinty, Phyllis Gilchrist, Leslie Francis, Mary Yates, Cathy Coffin, Gwendy Gable, Charlotte Bunch, and Mary Alice Golden.

Votes were made a penny. The candidates were chosen by their various classes by a vote of the class. Proceeds go to the publication of the school annual.

Coach William T. Turner recognized, and Mrs. Ruth S. Greer, sponsor, was given a vote of appreciation for her assistance. James Breitenbach furnished music for the occasion.

Five Students Win Dollars For Reciting Speech

Five Roselawn Elementary School students were awarded five dollars by Principal Stinnett Tuesday for reciting an address given by Abraham Lincoln at Gettysburg Cemetery Nov. 1863. The school Student Council had as its project for the year good citizenship in America. The Council sponsored the contest, which awarded a silver dollar to any student in the school who could recite perfectly Lincoln's Gettysburg address by this date.

Yesterday the five winners recited the address before the entire student body over school public address system. The students were Helen Baca, 11, Lara, 12, sixth grade; Bob Baca, 8, and Connie Flores, of the third grade.

Rufus Waltrip is Student Council sponsor this month.

Legend Of Cupid Told To Artesia Story League

Artesia Junior Story League met Tuesday night in the home of Phyllis Sue Gilchrist. Mary Alice Golden was co-hostess.

The girls signeda get-well card to send to Mrs. M. A. Corbin, Jr. Barbara Thompson told a story, "The Legend of Cupid Phyeche."

Ray Bartlett showed slides of Hawaii. The girls were dressed in Hawaiian costumes, and leis were given as favors. Refreshments were served.

Members told of gifts received from their secret pals for Valentine's.

Mrs. M. L. Worley gave a report that \$32.50 was made at the concession stand run during the March of Dimes rodeo. This was donated to the M. O. D.

The program consisting of learning how to make bed dolls from milk filters was given by Mrs. Means.

Refreshments were served. Those present were Miss Helen Johnson, Mrs. Worley, Mrs. Lowe Wickersham, Mrs. Ernest Morgan, Mrs. Means, Mrs. Homer Lowery, Mrs. Donald Knor, Mrs. Bill Jones, Mrs. W. S. Hunter, Mrs. Gieghorn, Mrs. James Felton, Mrs. Pete Elmore, Mrs. Bob Chipman, Mrs. J. B. Champion Jr., Mrs. John Achen, Mrs. J. L. Ansley, and the hostess, Mrs. Strong.

The next meeting March 6 will be in the home of Mrs. Bill Jones.

Flowers Fund, Scrap Book Are Voted By Club

The Cottonwood Community Extension club met Tuesday afternoon in the home of Mrs. Bob O'Bannon.

Mrs. Curtis Anderson, president, was in charge. Members decided to have a scrap book, also voted to have a fund for the club to purchase flowers and cards, and to keep a piggy bank for this purpose. Mrs. Curtis Sharp was appointed courtesy chairman.

Mrs. Bob O'Bannon gave a talk on fire prevention, and Mrs. Anderson gave a short talk on shock of an injured person.

Mrs. Orval Bratcher and Mrs. David King were appointed to attend the workshop on first aid for the month of March.

Refreshments were served to Mrs. Monroe Howard, Mrs. P. D. Essex, Mrs. George Kasier, Mrs. Button Shultz, Miss Mary Frances O'Bannon, Mrs. Glenn O'Bannon, Mrs. James Buck, Mrs. David King, Mrs. Arch Horton, Mrs. Bratcher, Mrs. J. E. Bedinfield, Mrs. Sharp, and Mrs. Carrie Parker. Mrs. Howard Taylor became a member, and Mrs. Ray Murray of Pagosa Springs, Colo., was a guest.

The next meeting March 20 will be in the home of Mrs. Orval Bratcher.

Woman Describes Terror Ride With Colorado Gunman In Car

PUEBLO, Colo. (AP)—"I had lots of opportunities for praying."

Thus did Mrs. Nancy Jackson, 27, sum up 2½ hours of terror at the hands of an abductor Tuesday night.

The blonde mother of three, as pretty as she is calm, told in steady, even tones about the kidnapping. At her home early Wednesday, 90 minutes after the siege of fright ended, Mrs. Jackson said:

"I had been attending a night class at Pueblo Junior College. It was about 9:30 p.m. when I walked to the parking lot, got in my car and closed the door."

"Then a man in a car parked next to mine came up to my window and asked: 'Is Bob (her husband) at home?'"

"I said, 'No, he's out.' 'This man—I'd never seen him before—then told me: 'Get over. We're going for a ride.'"

"Then I noticed for the first time he had a gun. I got over."

"We drove around town for quite a while, circling our house several times to see if my husband had arrived home. I tried to find out from this man who he was and what he wanted. He wouldn't tell me."

"Instead he asked about my

family and how the weather had been here.

"We stopped two or three times and he made me call home to find out if Bob had arrived. We always called from pay telephones and he stayed right with me, so I had no chance to break away."

"Bob finally got home—we'd left the children with a baby sitter—and this man talked with my husband."

"We finally got away and headed for Canon City on U.S. 50."

"He finally stopped the car when the police cars started closing in and he put the gun at the back of my head and forced me out on the prairie."

Here—for the first time in her story—Mrs. Jackson showed signs of the strain. She laughed nervously and remarked: "From here on it gets confusing; everything happened so fast."

"We were crouched behind some brush, and then some lights hit us."

"I recall my husband and Tony Fortino—his general manager at the auto agency Bob owns—and another man walking toward us, very slowly."

"There was some talking, and then Bob and the others rushed this man. I fell backward out of the line of fire. The gun went off, and I found out later that Bob had been hit in the right knee. He wasn't badly hurt—it was just a flesh wound. The man—I still don't know who he was—was hit in the leg, too."

Owner Of Plush Club Threatens To Close In May

HOLLYWOOD (AP)—Owner Heron Hoyer said today he plans to close down his world-famous night club about May 26.

His threat to end the long and colorful history of the Sunset strip showplace stems, he said, from "corrupt practices" in the entertainment industry. But he declined to elaborate.

"We haven't had a strike," he remarked. "We haven't had labor troubles. We've had more big names than any other night club in the world, and we've had some wonderful parties. But certain practices have made it very difficult to continue in business. I'm not going to fight it any longer."

"But Ciro's is going out in a blaze of glory. Our last acts will be Pearl Bailey, Maurice Chevalier and Martin and Lewis. I expect to close the place down around May 26 or perhaps a little later."

He admitted that he is "leaving the door a little open," but doubts if the situation will alter enough to change his mind about shutting it.

"I don't plan to sell Ciro's," he said. "I have worked too hard for it in 14 years, and I wouldn't want to see it made into something second-rate. I don't contemplate keeping it open as a restaurant only, but I will use it for parties."

Hoyer said he planned to go into the production and direction of television films.

If he carries out his threat to shut down, it will mark the end of a landmark in Hollywood. The plush niteria has added color, scandal and amusement to the movietown scene.

Many a hot romance has blossomed or faded within its gilded walls. It can boast of as many notable fistic encounters as most arenas in the United States.

Mrs. Don Mays Holds High Score At Bridge Game

The Tuesday Night Bridge club met in the home of Mr. and Mrs. Huck Kenny. Preceding an evening of bridge a buffet dinner was served.

Huck Kenny held high score for the men; Mrs. Don Mays held high score for women, and Mrs. Ed Wilson held high for bingo.

Those present were Mr. and Mrs. Kenneth Schrader, Mr. and Mrs. Don Mays, Mr. and Mrs. Ed Wilson, Mr. and Mrs. Charles F. Brown, Mr. and Mrs. Cliff Perkins, Mr. and Mrs. Kenny and Troy Harris, members; and Mrs. Clyde Tidwell, Clayton Meneffe, and John Daugherty, substitutes.

Relatives from Artesia who left this morning to attend funeral services were Mr. and Mrs. B. N. Monroe, Mr. and Mrs. Norman Monroe, Mr. and Mrs. John Donahue, Mr. and Mrs. James Monroe, and Mr. and Mrs. James Tyree.

Many Varieties Of Meat Found At Low Prices

By THE ASSOCIATED PRESS
Meat of many varieties will be found at special prices in food markets this week, giving shoppers a wide choice for this major item of most weekend menus.

Again pork is being widely featured, with prices remaining at the low level of recent weeks.

Beef in a variety of cuts, from sirloin to chuck, is being offered at lower prices in a number of markets. In some cases the price of sirloin is 4 to 6 cents a pound below last week and some rib roasts are off as much as 4 cents.

Lamb prices stiffened slightly on the wholesale market this week but this has not been reflected in most retail stores. In fact in some sections the price of a leg of lamb was actually down as much as 2 cents per pound.

Fish continues to be plentiful for the Lenten season. Prices have been stable at a level close to that of a year ago. Some retailers notice however, that lower prices for meat have resulted in some buyer resistance to fish.

Another Lenten item of interest is the egg market. Generally prices for all grades have been running as much as 5 cents a dozen higher than last year. Still market observers say current prices should represent a low point in the year since the heavy production season is under way and will continue through the Spring until late June.

Frying chickens are being featured at special prices by at least one large food chain and are pointed out as good buys in others. The price seems to vary according to local supplies but is down as much as 4 cents a pound in some sections.

Inside WASHINGTON MARCH OF EVENTS

Administration Seen Shifting From a Tight Money Policy
Cite Humphrey's Statement On Standby Control Proposal

WASHINGTON—Signs are increasing that the Eisenhower administration is shifting from a tight money policy aimed at curbing inflation to a policy of some relaxation to avert a possible slump.

Several things have happened which point in this direction, but one of the most noteworthy was the recent statement of Treasury Secretary George M. Humphrey that President Eisenhower's proposal for standby controls on installment credit are not needed.

Humphrey made this statement before the congressional joint economic committee. It was a complete turn-about from the President's statement, in his economic report to Congress, that a law should be passed giving him the power to invoke curbs on installment credit if such a step appeared desirable.

Other actions which point toward relaxation of money include an easier federal policy on home mortgages. The Federal National Mortgage association recently announced its willingness to buy up mortgages and hold them for nine months, allowing the sellers to buy the same mortgages back at the end of that time for the sale price.

The President, in his economic report, pointed out that auto production and home-building are declining, but he said the economic trend still points upward. More recent actions would indicate that administration advisors are not so sure about the upward trend.

● TREASON CHARGES—You will be hearing a lot more—as election day approaches—of Harry S. Truman's feud with the Republicans over whether Vice President Richard M. Nixon ever called the former President a "traitor."

Truman says Nixon did. The GOP, quoting from the vice president's speeches, says he didn't. The fact is, of course, that Nixon never did use the word "traitor" in referring to Truman, but did accuse him, in effect, of being soft on Communism.

Many Democrats would be willing to forget the whole thing, but not Truman. He believes the American people will agree with him that Nixon's charges were tantamount to an accusation of "treason" and that they'll show their distaste for such treatment of a former President at the polls next November.

The GOP, on the other hand, is glad to keep up their running feud with Truman. They believe the "soft on Communism" charge is a good issue—particularly since it can be used in reply to Truman without Nixon having to speak out on it again.

● CAMPAIGN PROMISE—One of President Eisenhower's major campaign promises in 1952 was to reduce the size of the federal government. In at least one area, however, he has gone in exactly the opposite direction.

When Eisenhower and Agriculture Secretary Ezra Taft Benson took over the sprawling Department of Agriculture in January, 1953, the agency had on its rolls 67,406 paid employees. Three years later, the number of department employees total 76,358—an increase of nearly 9,000.

The boost in employees is due primarily to the gigantic price support and surplus problems that the administration has had to cope with.

NM School Basketball Tournaments Swing Into Full Gear Play Today

By THE ASSOCIATED PRESS

New Mexico's long series of high school basketball tournaments got off to a start last night and will swing into full-scale action today and tonight.

The district 6B and 7B events at Portales and Tucumcari touched off the activity yesterday, while five more Class B district events got their start today. The 4B district tournament at Silver City will start Friday. All tournaments end Saturday night.

The Class B district events are the first of a three-week string of eliminations that will be culminated in the two state tournaments in Albuquerque in March. Next week the Class A districts and the Class B regionals will be held.

The favorites came through as expected in both tournaments last night—with great ease in the Portales event and not so easily in the tournament at Tucumcari.

Both Nara Visa and Amistad had to come from behind to take their victories in the 7B event at Tucumcari. Nara Visa stopped Sedan 36-29, while Amistad whipped Vaughn 43-37.

Nara Visa held 19-15 halftime lead and took it from there, after trailing 8-6 at the end of the first quarter. John Rinestone of Nara Visa led scorers with 19 points.

Amistad trailed by 19 points at the end of the first quarter, but took a 23-22 halftime lead to pave its way to the decision. Max Earle of the winners led scorers with 13 points.

Things were much more lopsided in the Portales tournament. Top-seeded Fort Sumner crushed hapless Field 76-22; Melrose, seeded second, blasted Texico 76-39. Grady moved past Ranchvale 78-26; Floyd romped past Rogers 63-21, and Tatum routed Causey 43-15.

All of the victors had been seeded a spot, and all won without trouble. Tournaments starting today include the 1B at Las Vegas, 2B at Espanola, 3B at Moriarty, 5B at Roswell and 8B at Cathedral of Gallup.

Another top attraction on today's schedule is the first appearance in tournament competition of defending Class B state champ Santa Rosa. The Lions, one of the favorites this year, will take on Mosquero in District 7B.

Among the other pre-tournament favorites are a good Dexter, team-top-seeded Roy in 1B, top-seeded Corona in 3B, top-seeded Cliff in 4B and Cathedral in 8B.

In most cases, the first round games will be completed by tonight, semi-finals will be Friday and the finals in all tournaments will be played Saturday night.

Promising Machen Befuddles Mederos

SAN FRANCISCO (AP)—The heavyweight boxing ranks boasted a bright new prospect today in Eddie Machen, who handles his fists and his feet with the speed of a middleweight.

The 22-year-old Redding, Calif., Negro made an impressive national television debut last night, completely befuddling Cuban Julio Mederos in earning an unanimous 10-round decision before a near-capacity crowd at the grand opening of San Francisco Garden. The gross take was \$5,757.

As impressed as anyone with the showing of the youngster, who raked up his 12th victory without a loss, was Truman Gibson, executive secretary of the International Boxing Club.

In Tough Field Cary Middlecoff Strong Favorite With Souchak

HOUSTON (AP)—After three practice rounds of subpar golf, Cary Middlecoff was a strong favorite today in the first round of the \$30,000 Houston Open.

Mike Souchak, defending champion, was rated second but his odds were 5-1 compared with a surprising 3-1 for the former Memphis dentist.

Middlecoff, seeking his third victory of the winter tour, has showered the 7,122-yard, par-72 Memorial Park course with birdies the past three days.

Tech Can't Play Round Robin Till '61 At Earliest

DALLAS (AP)—If Texas Tech is voted into the Southwest Conference in May, as now indicated, it would be able to play a round-robin football schedule before 1961. It will be 1958 before it can play a majority of the members.

A survey showed today that Texas Christian can't put Tech permanently on its schedule before 1961. Arkansas can schedule the Red Raiders next year. Baylor and Texas A&M already have Tech on their schedules.

College Basketball Swaps Competes At Santa Anita

ARCADIA, Calif. (AP)—The two horses are 3,000 miles apart, but it apparently is impossible to mention Swaps in California without singing in Nashua in Florida.

Swaps makes his first major move for possible 1956 national honors in the \$100,000 Santa Anita Handicap Saturday. He will run against as tough a field as can be lined up out here, including Social Outcast.

It follows that Social Outcast, in addition to being a distinct threat in the Santa Anita, will also serve as an innocent measuring unit to compare the current greatness of Swaps and Nashua. For it was just last Saturday that Alfred Vanderbilt's Outcast gave Nashua a terrific struggle and lost by only a head.

Niagara Eagles Defeat Syracuse

By THE ASSOCIATED PRESS
The trials and tribulations of postseason engagements are beginning to show in college basketball with some coaches putting possible tournament tactics to competitive tests.

Taps Gallagher of Niagara, for instance, deployed his NIT-bound Eagles in a zone defense in the second half while defeating Syracuse 86-80 last night. It was the first time in 20 years of coaching that Gallagher had resorted to the zone.

And Fred Schaus, in his second year as coach and leading West Virginia for its title defense in the Southern Conference tournament next week, sent the Mountaineers into a full-court press right off the bat for the first time this season in a 97-68 decision over William & Mary.

Umpire Hits Plan To Permit Pitchers Passes

By THE ASSOCIATED PRESS
A veteran National League umpire is sharply critical of the American League's plan to permit pitchers to give intentional passes merely by informing the umpire of that intention.

"That's going too far with this speedup craze," said Larry Goetz, one of the most respected of senior circuit umpires. "They're taking something out of the game."

"I've seen a runner steal a base while a pitcher was throwing four wide ones. I've seen a man pick off a base in a similar situation. And you'll recall that last year a couple of batters leaned over and got a hit while they were trying to walk them. I'm certainly glad our league didn't go for the change."

CONTINUES TRADITION
EASTON, Pa. (AP)—It's been 13 years since Lehigh has beaten Lafayette in basketball. Lafayette nicked the Engineers last night 80-67 for the 27th straight time.

TEXAS LOSES USRY

DALLAS (AP)—Texas A&M lost a top football prospect yesterday when Don Usry withdrew to go to the United States Military Academy and it also was indicated that still another outstanding player would be lost to Texas colleges for the same reason.

Bobby Boyd, the all-state back at Garland who graduates in June, said he had received an appointment to the academy and would take his entrance examination March 17.
