## FmHA Speeds Farm Loan Processing

U.S. Representative Larry Combest (R-Texas) has announced that the Farmers Home Administration (FmHA) has granted his request to speed loan processing. Congressman Combest successfully convinced FmHA to no longer require completion of three new time-consuming credit worksheets before approving a farmer's loan.

"The new worksheets were adding as much as six hours to each of the thousands of loan applications, bringing processing of critically-needed farm loans to a virtual standstill," said Combest. "Farmers in West Texas have enough to handle without dealing with a bumper crop of unnecessary federal paperwork."

## Track Meet Records Broken Saturday

This last week was an exciting time for the Watson Junior High tracksters. Almost all of the athletes performed better than they have at any meet this year. "We are happy to be at the point we are at now," said Coach Donaldson. "Our enthusiasm is high and our kids have high expectations of themselves."

Several meet records were broken this past weekend and Watson Junior High boys and girls accounted for four of them.

Roxanne Rayes ran the seventh grade girls 2400 meter run in 9:40.63 to replace the record held by Shane Schuster of Muleshoe in 1989.

Sharon Gilliam earned a spot in the seventh grade girls record books by running the 100 meter dash in 13.30, seven 100th of a second under the old mark of 13.37.

Chad Johnson and Lauri Puckett sets marks for the eighth grade. Johnson sailed the discus 138 feet and 5 inches shattering the old record of 127 feet and 5 inches while Puckett ran the 300 meter low hurdles in a time of 54.37. In addition to the record setting performances several other Muleshoe athletes only missed records by tiny margins.

"Most of our Jr. High teams have finished high in both our meets this year" Coach Donaldson continued. "The seventh grade girls are undefeated and have scored a combined 368 points. Our eighth grade girls now claims a second and a tie for third."

"The eighth grade boys have secured two third places while the

seventh grade boys claim a fifth and sixth place. We are all improving daily and expect to be serious contenders for the district championship this year," Coach Donaldson concluded.

Winners in the eighth grade boys division at the Muleshoe Invitational Track Meet included:

## Town Meeting Set April 1

The Muleshoe Area Industrial Foundation announced Tuesday morning that the Muleshoe Prison Proposal has made the *First Cut* in the Prison Selection Process.

Jay Messenger, project chairman, stated "We were notified along with 47 other communities that we are still in the running. State officials have continued to praise Muleshoe's strengths. Our ability to produce high quality vegetables and strong community support have been the most important factors."

The Texas Board of Criminal Justice will make a final selection on April 10. In the mean time they are requiring every community to hold a public hearing on the proposal.

Muleshoe will hold a public hearing April 1 at 7 p.m. at the Muleshoe High School Auditorium. This hearing will be used by the TDCJ to measure the level of community support. As Prison Board Chairman Seldon Hale said, "Public support for a prison will be one of the critical factors considered by the Board. I don't think a board of citizens, like the Prison Board can afford to put a prison in somebody's backyard unless there's a good deal of support for it."

Additional information on Muleshoe's Public Hearing will be announced in the coming week. "The Muleshoe Area Industrial Foundation wishes to thank everyone in our community for

their support of this project," said Jay Messenger.

"As a community, Muleshoe is very strong and can accomplish great things."

Forty-seven communities Monday made the so called "short list" selected by the Texas Board of Criminal Justice that keeps them in the hunt for putting a new prison in their areas.

The board began with a list of 63 communities offering 67 sites for some of the 25,300 prison beds to be constructed this year. Representatives of the cities and towns and counties have been lobbying the prison board for months in hopes of winning a bid.

Monday's announcement left 47 communities representing 51 sites. A public hearing at each community will be held between now and April 2. Prison system officials at those meetings will report to a board subcommittee.

Still in the running for a prison unit are: Abilene, Agua Dulce, Amarillo, Anderson County, Beaumont, Big Spring, Borger, Bowie County, Breckenridge, Brownfield, Brownwood, Bryan, College Station, Burnet, Carrizo Springs, Childress, Curo, Dalhart, Dimmitt, Edinburg, El Paso and Fannin County.

## Wesley Hamilton US Winner

The United States Achievement Academy announced today that Wesley Hamilton has been named a United States National Award winner in Honor Roll.

This award is a prestigious honor very few students can ever hope to attain. In fact, the Academy recognizes less than 10% of all American high school students.

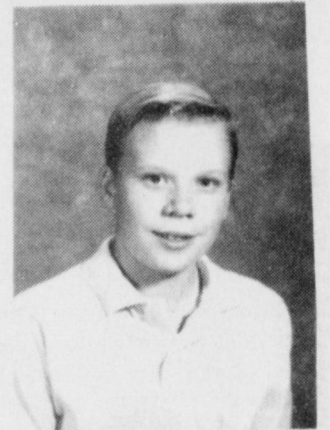

Wesley Hamilton, who attends Lathan Walker Jr. High was nominated for this national award by Mrs. Nancy Middlebrooks, a counselor at the school. Wesley will appear in the U.S. Achievement Academy Official Yearbook, published nationally.

"Recognizing and supporting our youth is more important than ever before in America's history. Certainly United States Achievement Academy award winners should be congratulated and appreciated for their dedication to excellence and achievement," said Dr. George Stevens, Executive Director of the United States Achievement Academy.

The Academy selects USAA winners upon the exclusive recommendation of teachers, coaches, counselors or other school sponsors and upon the Standards of Selection set forth by the Academy. The criteria for selection are a student's academic performance,

interest and aptitude, leadership qualities, responsibility, enthusiasm, motivation to learn and improve, citizenship, attitude and cooperative spirit, dependability and recommendation from a teacher or director.

Wesley is the son of Evan and Kathleen Hamilton of Monahans. The grandparents are Betty and Jim Jennings of Lubbock and B.T. and Ann Hamilton of Earth. Wesley is the 7th grader. He is active in Band, Jr. High Swimming, Student Council and Math Counts.

Registration for both days will be \$20. Included in that cost are the following publications: "So Easy to Preserve," a guidebook from Georgia Extension Service; "Ball Blue Book," "Kerr Kitchen Cookbook," and chili and drying food pamphlets.

The second update will be held on Saturday, April 11, and it will also be held at the SPS Reddy Room. Beginning at 9 a.m., those who attend will be free to go at 3 p.m. The fee for Saturday is only \$10 and this includes the publications listed above, except the Georgia Extension guide, but order forms will be available. This session is open to the public, so anyone who would like to have the latest information about food preservation should make plans to attend.

Only limited space is available for either of the sessions; therefore, participants must pre-register by March 30. No registration will be taken at the door. Registration fees are transferable, but not refundable.

To register, contact your county Extension agent-home economics or contact Lynda Fogerson at the Swisher County Extension Office in Tulia at 806-995-3721.

## Poets To Enter Contest

Poems are now being accepted for entry in Sparrowgrass Poetry Forum's new "Distinguished Poet Awards" poetry contest. Cash prizes totaling \$1,000 will be awarded, including a \$500 grand prize. The contest is free to enter.

Poets may enter one poem only, 20 lines or less, on any subject, in any style. Contest closes May 31, but poets are encouraged to send their work as soon as possible, since poems entered in the contest also will be considered for publication in the Winter 1993 edition of *Treasured Poems of America*, a hardcover anthology to be published in December, 1992. Anthology purchase may be required to ensure publication, but is not required to enter or win the contest. Prize winners will be notified by July 31.

"Our contest is especially for new and unpublished poets and offers a public forum that enables them to share their work," says Jerome P. Welch, publisher. "We look for originality of ideas and welcome poetry of all styles and themes. Many of our contest winners are new poets with new ideas."

Poem should be sent to Sparrowgrass Poetry Forum, Inc., Dept. EB, 203 Diamond St., Sistersville, WV 26175.

## Western Day A Success

March 12 at Dillman Elementary teachers, staff and students joined to celebrate Western Day, a school-wide event that brought citizens of the community in to discuss techniques relating to cowboys' lives.

The children showed great interest in the information being shared with them. Many other people gave support to make the occasion a success.

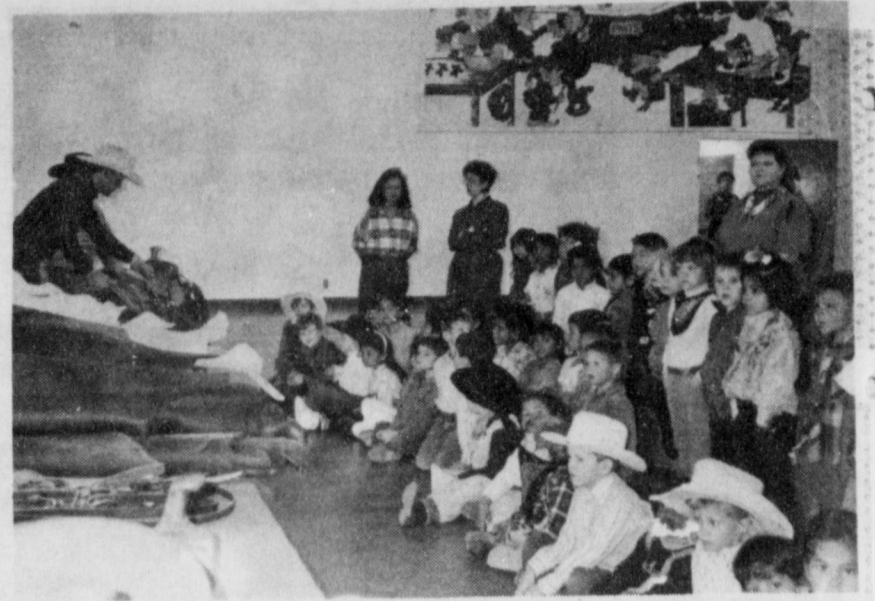

Joe Rhodes, Mike Slayden and Buddy Embry brought the stagecoach. Keith Morris showed the children how to saddle and ride a horse. Cliff Allen showed how the students how to make saddles. Ronald Scott and David Williams brought the hay. Teresa Slayden was instrumental in getting the event started.

One of the classes, Mrs. DePalma's students, studied a unit on Texas history in connection with the one-day celebration. The children learned about famous Texans. They also learned the

emblems of Texas. Through discussions and role playing of what life might have been like in earlier times, the children had an opportunity to develop an appreciation of their culture.

The children have been provided with covered wagons, campfires, and a trading. They enjoyed a pioneer-style meal around the campfire. The meal will include ranch style beans, biscuits, beef jerky, and coffee. This activity helped the children appreciate the Texas heritage.

Students in Mrs. DePalma's class are Rosa Andrade, Brian Berry, Erik Bray, Venessa Bustillos, Daniel Campolla, Keri Jo Copley, Joseph Gonzales, Jason Height, Celeste Hernandez, Stacey Mata, DiAnna Mendoza, Felipe Nunez, Mark Anthony Orozco, Valentina Reyes, Matthew Sadler, Janet Luckner, Marlo Valdez, Ashley Williams, Meghan Wills, Stephanie Rubio, Yuri Marquez.

STUDENTS GATHERED---at the various exhibits at Dillman Elementary enjoyed learning about western lore and techniques. (Journal Photo)
