The Campfire Cri's News

OnTuesday, November 23, the Fire Girls, took their canned "Wennies" pickles, bacon and fruit and left from a previous don road about five or six miles. around a lake, before they stoped

They did "setting up" | 04 exercises; and practiced a hymn for-citizenship honor; also they sang their camp fire ceremonies beside the lake as gracefully as dancing flames outlined against the glow of the setting sun. They report it the most enjoyable meeting they have had.

The Me Me La Girls went shop ping during the hour for their re gular meeting this week They selected underwear for their lit tle portege Mary Alice Davis, who is in the childrens Home at Amarillo. They won an honor in Knowledge of Textiles in choos ing for her, the most suitable, garments themselves.

On Tuesday the senior Camp Fire group chaperoned by Miss Wilson and Miss Rush motored in Manly Wood's and C. D. Wright's cars down the Caprock toward Quitaque where they had supper where the big lake has in undated the highway. Then they went on to Quitaque where they attended a special moveie. On Saturday Mrs Odor will give the girls a lesson in glass enameling.

ALASKA HOSPITAL

Three thousand Alaska natives and two nurses during the 2,200 miles cruise on the Yukon River of the Alaskan hospital ship of ing such skills in a department of the Bureau of Education, Interior Department according to message received by radio. Of the cases examined, 80 point to tuberculosis, and it was recommended done. There are many farmers that hospital be opened for their Venereal diseases treatment. Third grade Honor roll Ruth hatched He gets a 50% hatch skill to be able to repair or conful in casing for sick and disabled Indions, for whom the service is maintained. for two days were lost on account of weather,

FILIPIONS TOO ENTHUSIASTIC IN ATHLETICS

To discourage overemphasis on athletics in Philippine schools have the following matings with within the community for comour hatches. Namely mating old projects scattered over the school lowed hereafter to represent their schools in provincial, interprovincail, and carnival feets according out a number of lenghty reports to recent rulling of the Philipto be sent weekly and monthly to pine Bureau of Education. Poultry Notice

The Merchants Produce Company of Lockney has been organized and are now in the market for all your produce and cream. This assocition will at all times of the year pay the highest price that can be obtained in this section of the State for you rproduce and cream. DON'T SELL YOUR TURKEYS UNTIL YOU GET OUR PRICES

We are now in the market for your Turkeys We can supply you a market that is as high or higher than you can get at the surrounding towns. We have been discriminated againist in prices heretofore but we are now in a position to give you as much or more for your Turkeys than you can get anywhere in West Tex. BRING YOUR TURKEYS TO LOCKNEY TO SELL NOT LATER THAN DEC. 10,

The Merchants Produce Company of Lockney is composed of every business firm in the entire town and we have organized a company so that you can get the very best market and the highest prices for you rproduce and cream every day in the year. We will meet the prices of the highest bidders at all times and protect you against selling your poultry at a lower price than you could receive elsewhere.

Our produce house and cream station is located in the Bynington and Middleton build ing acress the street in front of Baker Mercantile Co. Mr. Deuard Hamilton, well known to the poultry raising people of the Lockney coun try will be in charge of the state ion, and will be glad for his friends to call on him at this place.
