Three Boys Killed In Train-Car Collision

Morgan Garvin, Clovis McCavock, and Aaron Frieze Killed at Railroad Crossing In South Plains

Three Silverton boys were killed at South Plains last night when their car struck an east bound special freight train at eight o'clock. The dead are Morgan Garvin, Clovis McCavock and Aaron Frieze. Garvin and McCavock were instantly killed, and Frieze lived only a few minutes.

The car which was completely demolished, struck the engine of the train just behind the drivers, turned completely around, and came to rest almost overturned against a post. The engine of the car was thrown completely from its place, and was almost a hundred yards from the crossing. The sheer force of the collision threw the boys against the steering wheel and windshield, causing their deaths.

They were taking McCavock to Lockney where he has been employed for some time, and had been gone from Silverton perhaps twenty minutes, when the accident occurred, which claimed their lives. The train was an east bound special freight, and trainmen report that the boys evidently never saw the train at all, and probably never realized that an accident was about to occur.

It is undoubtedly the worst traffic accident in this section for years. All boys were born and raised here and the whole community is horrified. The boys were practically the same age. Morgan and Aaron were 24 years old and Clovis was 25.

All relatives have been notified of the tragedy as we go to press. Mrs. Morgan Garvin, who has been with her brother in Oakland, California for the past month, will arrive by plane this afternoon.

No funeral arrangements have been announced. The bodies were brought to the Silverton Undertaking Parlor to await funeral services.

REV. JOHN THORNS IS TRANSFERRED TO LOUISIANA

Silverton lost one of its finest families this week, when Rev. John Thorns, and family moved to Athens, Louisiana. Rev. Thorns has had charge of the Presbyterian church here for nearly four years, and in that time had widened his circle of friends until they included almost everyone in Briscoe County.

Thorns is a native born Englishman, talks with a distinct English accent, is past sixty years of age—yet was one of the broadest minded and most progressive of citizens. He is constantly at work, Red Cross, Boy Scouting, social work, and yet he does it in a quiet, matter-of-fact way that calls for no thanks.

APPROPRIATIONS IN EMERGENCY DROUGHT AREAS

The following telegram has been received by H. L. Williams, County Agent, regarding drought emergency areas and has been informed that in the now existing drought counties of this Extension Service District, Briscoe County has been placed at the top of the list. The following telegram is self explanatory:

"Steps are being taken to make available from existing appropriations additional funds to meet needs in emergency drought areas in your state. It is anticipated local farm security and farm credit crop and feed loan offices will handle application."

Charles Rogers, 7-year-old son of Mr. and Mrs. Paul S. Rogers was seriously ill Monday but is improving now.

AGGIE BRIEFS

By LOOE MILLER

Secretary Briscoe Co. Committee

This being Thanksgiving Week, we believe that everyone should stop and think of the many things which we should be thankful for. We, the American People, seem to take for granted all the good things of life and we never forget a wrong; however when we stop and think of the hardships of the people who are at war and then compare our conditions with theirs, we will find many things to be thankful for. War is a lot worse than dry weather and short crops; so is living under a dictator a lot worse than living under the American form of Government. So let us all stop and think for a day at least of the many things we have to be thankful for.

Applications for pay are practically all signed and are being transmitted to the state office as fast as they can be audited. We hope to have practically all the applications audited and out of this office at the end of this week. We have been advised at the state office that it will be about 6 weeks from the time they receive your application until we should receive our checks. As about 50 per cent of the applications have been sent to the state office, we should receive approximately one-half of the payments for this county by the first of the year.

We will begin checking wheat compliance within the next two weeks and with the cooperation of the farmers we hope to complete this work by the first of the year. Of course, if you have not seeded your wheat and should it come a rain and you could seed, we will come back and check your farm again. Therefore, there is no reason for farmers to become alarmed when we start checking, and you have not, as yet, seeded your wheat.

Do not forget that December 9, is the time set for voting on the Marketing Quotas and remember there will be a series of educational meetings held throughout the county during the week beginning December 4 and through the 8th. These meetings are not only for the discussions of Marketing Quotas but also to discuss the 1940 Soil Conservation Program which will be in effect regardless of the Marketing Quota vote.

'Buck' Russell Claimed By Death

J. B. (Buck) Russell, 64, died of a heart attack at his ranch home southwest of Quitaque, Monday night.

Funeral services were held at the Quitaque School House Wednesday afternoon.

Mr. Russell came to Briscoe County with Crosswell and Day, owners of the Old F Ranch, and worked a number of years there as a cowboy. He was widely known for his interest and activities in ranching, past president of the First National Bank at Quitaque, and was a member of the band board of directors at his death.

He served for several years as a county commissioner of this county and is as well known here in Silverton as at Quitaque. Many friends regret to hear of his death.

Mr. and Mrs. W. H. Oakley and Mr. and Mrs. John Carpenter of Hollister visited in the A. M. Allred home the first of the week.

SILVERTON COUPLE MARRIED FIFTY SEVEN YEARS AGO

Fifty seven years ago, November 23, 1882, young Mart Potter took Miss Demarris Poe to Parson Biggs in San Saba, Texas, where they were united in marriage. Last week, on the President's Thanksgiving Day, they quietly celebrated the fact that they had been married for seven years more than half a century.

In 1886, the Potter family, which had grown to four, Allen and Ethmel (Mrs. Bert Hawkins) having been added, moved to Floyd County, or rather, just across the line in Crosby County, near the old Hank Smith Rock House. This house is still standing and is used every day. Mr. Potter was county commissioner at that time there, and the county seat was moved from Estacabo to Emma.

They moved over to the north line of Floyd County where Mr. Potter served as deputy sheriff for five years, while working on the Old F Ranch. He then moved to Quitaque where he bought the Jago general merchandise store, and where he served for seven years as postmaster.

In 1916 Mr. Potter was elected county and state tax assessor, which caused his move to the county seat. After holding this office for four years, he became de-

HEY KIDS! WE'RE READY FOR YOUR SANTA CLAUS LETTERS

Well, well, what have we here? We just got a letter from Old Santa Claus and he sent his picture, taken just as he was writing the letter. He addresses the letter to "Every boy and girl that reads the Briscoe County News" and that takes in lots of kiddies. He says in his letter:

"Boys and girls, what are you going to do about your letters this year? You have just a few more weeks in which to let me know what you want for Christmas this year. . . . Now last year there

were several hundred Santa Claus letters printed in the Briscoe County News, and I read every one of them. It's just the easiest thing in the world for you to write your letter, and drop it in the post office. And the quicker you do it the better, for I'll have many many letters to read before I start on my trip south from the North Pole. . . . I'll be watching the paper for your letters, and I'll be seeing you in a few weeks in Silverton."—Santa Claus.

Owls Trample Turks, 41 to 0

Owls Turn In Best Account Of Season

Scoring almost at will, Coach Aulton Durham's Silverton Owls, ran wild over the Turkey Turks in the last game of the season yesterday and rolled up 41 points while holding the Turks scoreless.

The Owls got off to a bad start and a few minutes after the opening of the game a fumbled punt threw them back on their own two yard line. After the kick which took them out of danger, the Owls had everything their own way for the rest of the game. In fact the Turks were never again within forty yards of the Owls goal line.

Everything clicked for Silverton. Rampley turned in the best game of his life and accounted for four of the six touchdowns. He just wouldn't be stopped. Hank Brown turned in his usual good game. Hank is rated as one of the best passers in this section, and in addition to plenty of yardage running, he tossed the ball for many completed passes. Grady Martin, undoubtedly the best pass receiver Silverton has ever produced, was on the receiving end of most of Brown's passes. In the eyes of this observer, Martin dropped only one pass that was in his territory.

Although Silverton has several touchdowns the best team in this district, the District Champion is Estelline by virtue of a game forfeited to them by Silverton.

Silverton Places Five Men On All-District Team

At the close of the game Coach Durham revealed the fact that five Silverton players were named on the all district first team. They were: Grady Martin, end; Johnny Quillen, tackle; O. C. Rampley, halfback; Hank Brown, fullback; and W. L. Perry, guard. All were unanimous choices of the district coaches.

A complete account of the game will be found in the next regular edition of this paper.

11,024 APPLICATIONS ACCEPTED

Operators of more than eleven thousand Texas wheat farms have no fear of drought, pestilence or other disasters in 1940 because they know they will harvest more than five million bushels of wheat come what may.

With nearly all applications for 1940 all-risk wheat crop insurance audited, E. R. Duke, state crop insurance supervisor, reports 11,024 applications accepted, insuring the production of 5,423,852 bushels of wheat on 853,732 acres. Premium payments on this insurance totaled 1,129,403 bushels, the equivalent of \$712,370 in cash, he said.

Nearly three times as many policies were taken out this year as were signed last year, Duke said, with most policies covering 75 per cent of production, the maximum offered, but with a few covering only 50 per cent.

With indemnity payments for 1939 almost complete, Duke reports 2,353 claims have been paid, totalling 1,020, 929 bushels or the cash equivalent of \$535,724. Last year 3,691 policies were in force.

"The increased use of wheat crop insurance this year certainly proves its success," Charles Thomas, State Agricultural Conservation Association committeeman from Pampa, declared. "Many farmers sat by and watched the operations of crop insurance last year, because they weren't sure it would work. And many of them regret their refusal to take out insurance. The drought got them, but they were among the first in line this year."

NEWS BITS

From Neighboring Newspapers

Up To Department

The matter of the highway right-of-way affecting the new route of highway 86 near Bovina has been passed on to the highway department, according to the State Line Tribune. The right-of-way deeds have been secured, and if they are acceptable, a new \$200,000 underpass will be started soon, connecting Highway 86 to Highway 60 at Bovina.

Plane Crack Up

M. M. Arbuckle, cracked-up his plane at the Dumas Airport last week. The story of the crack-up appeared in the Moore County News, and of the aviator starting to land the plane. When low to the ground he discovered a flock of sheep and he headed directly in his path. By that time he was too low to gain altitude enough to clear the phone wires. The plane was badly damaged but the pilot unhurt.

Park Nearing Completion

The WPA city park and athletic field is nearly complete, says the Quitaque Post. Only finishing touches remain, and all the work will be finished by December 20, January 1st, at latest.

The Red Flag

For some time the flag pole at Fort Texas, has been bare of the American flag, says the Prairie. It is now they are looking for the red and white stripes of the red flannel sweater to the breeze.

Mrs. F. B. Austin

Malinda Elizabeth Austin, wife of F. B. Austin, was born at Claiborne Parish, La., on June 7, 1856, and passed away at her home in Silverton November 24, 1939, after a week's illness. She was 83 years, 8 months, and 17 days of age at the time of her death.

Mrs. Austin was a long time member of the Methodist Church and took an active part in all church affairs until a short time ago, when her health prevented her activity. Her memory will live brightly in the hearts of all who knew her.

Funeral services were held at the Methodist Church in Silverton, Monday, November 24, conducted by the Rev. Frank Beauchamp. The body was laid to rest in the Silverton Cemetery by the Silverton Undertaking Company. Mrs. Austin is survived by her husband, F. B. Austin, and one other, W. L. Wallace of Canyon, and a number of other relatives, and a host of friends.

ODIS GREGG PROMOTED

Odus Gregg, Silverton student, is the promotion list recently issued by Major James D. Bender, professor of Military Science, and cadets at John Tarleton College, Stephenville. He was promoted to the rank of sergeant in the Tarrant R. O. T. C. unit.

The cadet officers and non-commissioned officers drill the O. T. C. unit and exercise the authority as regular army officers of the same rank.

To serve as a cadet officer or non-commissioned officer in the O. T. C. gives a young man unlimited opportunities to develop the qualities of leadership," said Major Bender in making this announcement.

MOTHER'S SONG

The sweetest song in my memory My mother loved to sing. And when I hear the tender strains, Dear thoughts of her it brings. To old Concord we used to go. For worship, song and prayer, And I always heard my mother's voice.

Ah, sacred and more precious now Seems that old song to me. Because with reverence deep and true, She sang it soulfully; And now, I'm sure on higher plane Where saints immortal dwell, She is singing with the Heavenly choir.

San Jacinto News

Mr. and Mrs. Warren Cope visited with Mr. and Mrs. Homer Bryant at Wayside last Thursday.

Mr. and Mrs. Homer Pruitt and children, Cecil, Dutchy, and Hugh Zay, of Borger, visited in the home of Mr. and Mrs. E. A. Pietzsch, Sunday afternoon.

Here's
**COLD WEATHER
PROTECTION
for Your Motor**
**Change
NOW!**

Winter Mobiloil protects your motor on cold starts because
it flows freely in coldest weather... quickly reaching vital,
moving parts.

Summer oil should not be used in cold weather because it
becomes sluggish and will not reach moving parts quickly
on cold starts.

Stay on the safe side of winter by letting us drain and refill
your crankcase with the correct grade of winter Mobiloil,
now!

Odus Gregg of Silverton has en-
tered the purple gloves boxing
tournament which starts at Tar-
leton College this week. Gregg,
who weighs 145, is in the welter
weight division.

Starting a few years ago, this
tournament has since become one
of the recognized athletic events of
the year. At the present thirty-
eight contestants have entered the
matches. The winners will proba-
bly represent the college in the
golden glove eliminations to be
held later. Every weight from fly-
weight to heavy weight is repre-
sented.

**NOTICE OF SHERIFF'S SALE
OF REAL ESTATE**

By virtue of an Order of Sale
issued out of the Honorable 68th
Judicial District Court of Texas
in and for Dallas County, on the
20th day of November, 1939, in
the case of Home Owners' Loan
Corporation versus T. C. Bomar,
Nannie Bomar, R. B. Burleson,
Ruth Burleson, Noel T. Landers,
Fannie Landers, Lorene E. Lan-
ders, John Pierce Bruns, guardian
of the estate of Mary P. Bruns, and

administrator of the estate of
Louise McNally Bruns, Phillips
Petroleum Company, The Texas
Company, Dorsey Baker, and Will-
son and Son Lumber Company are
defendants, No. 43330-C, and to
me, as Sheriff, directed and de-
livered, I have levied upon this
22nd day of November, A. D. 1939
and will between the hours of ten
o'clock A. M. and four o'clock, P.
M., on the first Tuesday in Jan-
uary, A. D. 1940, it being the
2nd day of said month, at the
Court House door of Briscoe
County, Texas, in the City of Sil-
verton, proceed to sell at public
auction to the highest bidder, for
cash in hand, all the right, title
and interest which T. C. Bomar,
Nannie Bomar, R. B. Burleson,
Noel T. Landers, Fannie Landers,
Dorsey Baker, Willson and Son
Lumber Company, the Texas
Company and Phillips Petroleum
Company, had on the 27th day of
February, A. D. 1934, or at any
time thereafter, or in and to the
following described property to-
wit:

A tract or parcel of land,
lying and being situated in
Briscoe County, Texas; be-

ginning at a point eighty (80)
feet due North of the N. W.
Corner of Block Number Se-
ven (7) in the town of Sil-
verton, Texas; thence North
three hundred thirteen (313)
feet; thence West fifty (50)
feet; thence South three hun-
dred (313) feet; thence East
Fifty (50) feet to the place of
beginning.

Said property being levied on as the
property of said above named per-
sons, and will be sold to satisfy a
judgment amounting to \$2,789.65 a-
gainst T. C. Bomar, Nannie Bomar,
R. B. Burleson, Noel T. Landers,
Fannie Landers, Dorsey Baker,
Willson and Son Lumber Company,
The Texas Company and Phillips
Petroleum Company, together with
interest at the rate of 5% per
annum from the 6th day of October,
1939, in favor of HOME OWNERS
LOAN CORPORATION, and costs of
court and the further costs of
executing this writ:

GIVEN UNDER MY HAND this
27th day of November, A. D. 1939
N. R. HONEA, Sheriff
Briscoe County, Texas
(First published in the Briscoe
County News, Nov. 30, 1939) 31

FOR SALE—One washing mach-
ine, slightly used. Low price. Am
now doing laundry at the Self
Service Laundry.
MRS. JOHN DOE

How often we see want-ads similar to
the above. More and more women are
finding that they save labor, time and
expense by doing their laundry here.
