Volume XXXV Number 21

NEWS from the BOYS IN SERVICE

ALTON WALKER has been transferred from Tyndall Field, Florida to Hendricks Field, Florida. He has been promoted to the rank of Sargent.

BRUBS BOMAR writes to his mother and Dad. "We sure have been working hard. We have been throwing hand grenades and using rifles. I sure would like to see you. The Navy is getting better all the time. They keep us going so just here that you can't get too homesick. Goodbye for now and don't worry. I'm going to be O. K. Tell everybody hello for me."

GARNER GUEST, writes to Bill Newman. "I received your letter this morning and was very glad to hear from you. Mother mentions you in her letters, so you see I am keeping up with you. I have to see that you don't get into any trouble. So Kelton is a father now. Tell me I will be expecting a cigar the next time I see him. I hope everyone has good crops this year. If they get anything for them, they should get by once anyway."

Things are about the same as usual here. We were on an all night problem last night and I am nearly dead to-day. We got about 8 hours sleep but we didn't have any cover and were sleeping on the side of a hill. You can imagine how much sleep we got. Tell everyone hello for me and I hope to see you all again in the next six weeks.

Bruce Cobb is here on furlough from Arizona where he is stationed in the Army.

R. H. Stodghill of the Coast Guards is enjoying a furlough with his parents.

Miss Nona Lee Devenport who has been attending school at Canyon came home this weekend.

LIBRARY NEWS

Don't forget our library is open each Tuesday and Saturday afternoons.

We have lots of new magazines for your use in the library, or can be checked out when they are not in use.

We also have many new books and we want the public to read and keep informed. There was never a time when this was more necessary than now.

One dollar will pay a year's subscription to the library or books can be rented for 5c per week.

LOCAL HOG MARKET PENS NEXT WEEK

Local farmers and hog raisers will be glad to hear of the establishment of a permanent hog market at Silverton. W. E. Schott is completing work this week end on his pens and yards, located across the tracks east of the Silverton Products Co., and the market will be open for the first hogs Tuesday, September 15.

Stales will be tested, and the pens arranged for the weighing of the animals on foot, at the best convenience of the customer. Harold Fowler, an accredited scale man, is doing the work and farmers are assured of correct weights according to Schott, he plans to pay top prices at all times.

We have heard many complaints the past few weeks, of the lack of a local hog market, and with the rationed the new market is of a new importance.

August Bond Sales To Record LOW

RED CROSS TO FURNISH KITS FOR SOLDIERS

The Briscoe County Chapter of the Red Cross has been asked to furnish 400 kits to be given to soldiers who are embarking for overseas. The kits cost \$1.00 each, and so in dollars and cents our county quota is \$400.00. Jake Honea has consented to collect this money for the local chapter, and has made excellent progress, but as he says, "I can't see everyone personally, and I sure do appreciate it when someone comes to see me first."

For the fighting man who is going overseas, these kits have real value. At the best, the soldier or marine has but limited space for personal property, and aboard a crowded transport, they are restricted to a minimum.

The kits which are being made by local Red Cross workers are compact and contain a maximum number of items for the convenience and comfort of the man to whom it is given. The contents consists of a small soap box, deck of playing cards, cigarettes or smoking tobacco, shoe polishing cloth, small pencil, package of envelopes and paper, package of chewing gum, pair of tan shoe laces, water-proof match box, package of double edged razor blades, small look, (pocket size), and sewing case.

Arrangements have been made so the local chapter can purchase these items wholesale, the entire cost of the contents of one kit amounting to one dollar.

Can you spare a dollar for a gift to a man who may sacrifice his life for you? If you can, see Jake Honea, at your first opportunity.

CHITTY REUNION

A family reunion was held in the L. N. Chitty home Sunday of the children and their families.

All of the eleven children of Mr. and Mrs. Chitty were there, with the exception of one daughter Mrs. W. S. Berry Jr. of Plainview, who was unable to attend because of illness in her family.

The occasion for the celebration was the arrival of Staff Sgt. Foy Chitty who is stationed at Salinas, California. He will be here a week or longer.

The children present and their families were, Mr. and Mrs. A. D. Chitty, Mr. and Mrs. Olas Chitty, Mr. and Mrs. Pete Chitty, Virgil Chitty, Mr. and Mrs. Roy C. Martin, of Borger, Texas, Mr. and Mrs. J. D. Tuttle, Tullia, Texas, Mr. and Mrs. Arvin Allison, Westbrook, Texas Mr. and Mrs. W. A. Adams Sweetwater, Texas and Foy Chitty. Pictures were made and a real old fashioned chicken dinner with all the trimmings was served.

Mrs. Bill Thompson and boys, and Mrs. Thompsons mother Mrs. Moore came from Clarendon last Tuesday. Mrs. Thompson and Mrs. Moore are both having dental work done in Tullia.

Mr. and Mrs. Herbert Stevens and son of Flomont was in Silverton Monday.

Mr. Claggett Anderson left Saturday for Seattle, Washington after spending his vacation with his parents.

CITY COUNCIL ORDERS HOGS OFF TOWN SECTION

At their last meeting the City Council decided to enforce an Ordinance which prohibits town residents from keeping hogs on their premises. Dozens of complaints are coming in to the City Office, and so, according to Sanitary Commissioner Lemons, the hogs will have to be moved.

The wet weather the past few weeks has made the keeping of hogs particularly obnoxious, and according to the health officer, dangerous as well.

Miss Carolyn Crawford spent the week end in Clarendon.

Miss Laverne Young left Monday for beauty school in Lubbock.

LOCAL WOMAN MAKES GOOD USE OF VICTORY GARDEN

Mr. and Mrs. Paul Rogers planted a Victory Garden last Spring and it has been a very pleasant and profitable enterprise, according to Mrs. Rogers. They now have a nice fall garden coming on, and already Mrs. Rogers has canned the following amounts of food:

- 67 quarts English Peas
- 70 quarts string beans
- 14 quarts cabbage
- 160 pints corn
- 91 quarts blackeyed peas
- 22 pints turnip greens
- 12 quarts cucumber pickles
- 53 quarts peaches

Whether school keeps or not, and war or no war, the Rogers family is just about self sustaining this year, it appears.

Silverton Schools To Open Monday

Briscoe County News

The Auxiliary of the Presbyterian Church met in regular session at the church Sept. 7th.

The president Mrs. Sid Richards presided. Each member answered roll call with a short history of a Bible character. Mrs. Dean Allard conducted the devotional. Mrs. True Burson and Mrs. Gordon Alexander sang a duet.

Mrs. Bob Dickerson chairman of the yearbook Committee made an explanation of the course of study. The year book committee, Mesdames Bob Dickerson, Gordon Alexander, and Dean Allard served refreshments of coffee and cookies to the following members. Mesdames Wufman, Lowry, Burson, Lemons, Bundy, Lusk, Stevenson, Richards and the committee.

Those present at the home of D. O'Neal Tuesday night for a farewell party for the E. E. Davis family were Mr. and Mrs. W. W. Martin, and Datis, Mr. and Mrs. G. D. Shelton and family, Mr. and Mrs. L. A. Mathes and family, Mr. and Mrs. E. L. Gardner and family, Mr. and Mrs. J. L. Sanders, Mr. and Mrs. C. L. Wilson and family, Mr. and Mrs. Bailey Henderson and family, Mr. and Mrs. Preston Woods and baby, Miss Dorothy Cross, Mother Clenton, Claudy Spilman, Chester and Orval Rowell, Ava Nell and Faye Brown, Pete, Robert and W. S. Barrow, Marie Gilcrease and the honorees Mr. and Mrs. E. E. Davis.

The Harmony Club met at the home of Mrs. O. T. Bundy with Miss Janie Schott as co-hostess, Wednesday, Sept. 9 for a coffee. Mrs. John Arnold was leader for the program. Roll call was answered by a melodic bit. A message was given the group by the president Mrs. O. T. Bundy. Jean Northcutt and Dorothy Roy Mc Murtry sang a duet.

The club in their business meeting voted to disband for the duration and turn their efforts to Red Cross work. The club books and property will be kept in the library.

The Young Peoples Sunday School class of the Calvary Baptist Church gave a party Thursday evening at the parsonage for those leaving for college.

Mrs. H. G. Finney and Mrs. R. C. Bomar the sponsors were present and the following young people: Doc. Brown, Doris June Brown, Howard Brown, Mary Nell Hodges, Lola Fern Foust, Cleo and Charlene Garrison, Velta and Harley Chappell, John McCain, Grace Hughes, Troy Cox, and Mr. and Mrs. Burton Hughes.

Mr. and Mrs. Warner Reid and Mike, and Nash Blasingame attended the Rodeo at Amarillo on Sunday and Monday.

Miss Betty May Simpson of Wichita Falls spent the week end with her parents Mr. and Mrs. Earl Simpson.

Mr. and Mrs. Elma Seaney and children spent Sunday with Mr. and Mrs. R. E. Stevens.

John Ed Bain spent from Friday until Monday with his parents Mr. and Mrs. John Bain.

Mr. and Mrs. H. S. Sanders and Mr. and Mrs. Marvin Tull attended graduation exercises at the Lubbock air school Sunday morning.

Misses Lola Fern Foust, Clynell Hutsell, and Velma Lois Young left Monday to enter college at Wayland in Plainview.

B. D. Fanning returned Tuesday after spending some time in the Veterans Hospital in Amarillo. He is feeling fine now.

The Bond Club met Tuesday morning at the home of Mrs. Dick Cowart, with Nordicia Graham as hostess. Mrs. T. R. Whiteside drew the bond.

Mr. and Mrs. Marvin Thompson and daughters were in Tullia having dental work done Saturday.

Mr. and Mrs. Roy McMurtry, and Mrs. Theon Crass went to Wichita Falls, Monday to attend the funeral of Dr. Hillburn.

Mrs. Judd Donell and Janice spent last week in Canyon with relatives. Judd went after them Saturday evening.

Mrs. Emory Mills and baby, and Mrs. Rafferty went to Mrs. Rafferty's home in Pampa Sunday. Emory took them up.

Mr. and Mrs. D. H. Davis attended the funeral of Mrs. Stanforth at Dickens Saturday.

Mrs. D. H. Davis and Fay Gene were in Canyon Wednesday seeing about Fay Gene's entering school there this winter.

Approximately 450 grade and high school students will convene at the Silverton Schools Monday for registration and opening of the new school term. No opening program will be held this year, and students will go to their proper buildings for registration. School will operate on Central War Time, at least temporarily, according to Paul S. Rogers.

The roster of teachers is complete although definite placement of some has not been arranged. Several new faces will be seen among the teachers. Miss Julia Darnell of Salina, Texas will teach Social Science. She taught last year near Dallas. Miss Louise Linton, of Sherman, Texas will have charge of the English Department; and Miss Linnie Walker of Plainview, will be the fifth grade teacher. The complete list of teachers follows:

- High School — Miss Opal Cross, Mathematics; Miss Pauline Bates, Commercial; Miss Leota Rumpy, Home Making; Mrs. Holman Hays, Science; Miss Julia Darnell, Social Science; Miss Louise Linton, English; Victor Harmen, Agriculture; Paul Rogers, Mathematics
- Grade Schools — Mrs. Mattie Walling, 1st Grade; Miss Anna Lee Anderson, 2nd Grade; Mrs. John Hutchinson, 3rd and 4th Grades; Miss Linnie Walker, 5th Grade; Mrs. Anna Tidwell; Mrs. Alton Steele; Mrs. Warner Reid

These three local women will teach the sixth, seventh, and eighth grades, although definite arrangements have not been made. There will be no football this year due to several reasons, chief among which is the rubber shortage, and it is for that reason, explains Mr. Rogers, that no opening program is being had this year. Buses will return home Monday noon and class work will start Tuesday morning.

1925 STUDY CLUB TO MEET AT LIBRARY

The first meeting of the 1925 Study Club will be held September 16 at the Library. Mrs. T. R. Whiteside will be hostess for the opening meeting.

The 1925 Study Club took over the management of the Silverton Library when it was discontinued as a WPA project and are using the Library rooms as their meeting place during the coming year.

HOME NURSING COURSE TO START MONDAY

In this present National emergency, every American woman wants to do her part in the defense program, hence larger numbers are enrolling in home nursing courses. With preparation they form the 1st line of defense in safe guarding the health and happiness of their home and their communities, and hence of the nation. Our class begins here Monday night, Sept. 14th in the Home Economics Cottage, if you haven't already enrolled, if possible make your plans to.

There are no charges for the course, except to buy your book, which will cost \$1.00. The book will be worth your dollar to be kept for use in the home. The course consists of 24 hours and will last thru a period of six weeks with two, two hour classes each week.

Mrs. Jimmie Partin of Quitaque a registered nurse will teach the course. The study is made possible thru your local Red Cross and we are urged as loyal citizens to take advantage of it. With so many of our young doctors and nurses being called in the war service, it is very necessary that we avail ourselves of this opportunity and be able to take care of any emergency that may arise in our homes and community.

Please be on time at the Home Economics Cottage at 7 p.m. Monday September 14th. If further information is needed contact Mrs. R. E. Douglas or Mrs. W. Coffee Jr.

The March of Time Study Club met for their first meeting, Sept. 3rd at the Home Economics Building.

Mrs. Rex Dickerson retiring president gave an address, followed by an address from the incoming president, Mrs. D. T. Northcutt. Papers on articles from Time Magazine were given by Mrs. Troy Burson, and Miss Jamie Schott.

The club plans to do Red Cross work this year along with their program.

Stamps for Junk Junk for War!

NAVY QUOTA OF FIVE MEN GIVEN BRISCOE COUNTY

Briscoe County was assigned 5 Navy recruits as its quota for September in the North Texas district's drive to enlist 3,600 men between the ages of 17 and 50 during the thirty-day period.

"During August, more than 3,100 men left their homes in North Texas to join the Navy. The month's quota, which was the highest ever realized in the district, was only 3,000 recruits. That is why our September quota has been set twenty per cent higher."

Thus Lieut. L. H. Ridout, Jr., officer in charge of the district, stated simply plans to make this district as representative as any other in the nation in the Navy's combined fighting force.

"We can enlist 3,600 men in thirty days because we have only started our campaign to sell the Navy," he insisted. The country is becoming more war-conscious every day. Washington dispatches predict that 3-A classifications will be tapped before Christmas. Increasing numbers of men are convincing themselves daily of the immediate need for all the manpower we can possibly muster."

He expressed again the sense of gratitude felt by the Navy Department for all of its volunteer civilian recruiters, saying that "twice the effort from now on will mean victory in half the time."

Late figures released today, credited the North Texas Navy recruiting district with enlisting 3,243 men during August, and showed that Briscoe County, with a quota of 4 recruits, contributed 3 recruits to the monthly total, the highest in the history of the district.

TRENCH SILOS TO HELP WIN WAR

"Now is the time for Briscoe County farmers to engage in 'trench warfare' to help defeat the Axis," said Claude C. Carpenter, rural rehabilitation supervisor for the Farm Security Administration today in announcing that FSA loans are available to local farmers for the construction of trench silos and other harvesting operations.

"Trench silos will help FSA borrowers to help win the war, because silo feed will help them to produce dairy products, beef and mutton more economically."

With excellent feed crops now maturing in most areas, Mr. Carpenter suggests that farmers make immediate plans to establish essential feed reserves in trench silos. "A feed reserve," he said, "is better than having money in the bank, because money will not buy feed when it is not available. The best insurance that a farmer can have for his livestock is a large feed reserve."

Another good reason for putting this year's feed crop in a trench silo, it was pointed out, is an increasing shortage of farm labor, which may become more acute before harvest time next year.

Farmers who have used trench silos, properly constructed and filled, have been well satisfied with this economical plan, according to the FSA supervisor, who said that many operators had received FSA loans in past years for constructing silos, harvesting their crops and storing their feed.

Many farmers in other counties, Mr. Carpenter reports, have joined in neighborhood action groups to construct and fill their silos cooperatively, thus saving money and meeting local labor shortages.

Briscoe County farmers who are eligible FSA borrowers and who may need loans for digging and filling trench silos, harvesting feed or other farm production purposes are urged to contact Mr. Carpenter at his office in the courthouse at Silverton.

YOURS TRUE?
MARY DEE MERCER offers a suggestion and says that I should change the name of this column to "Idiot's Delight". Just why she didn't say, but a little later in our conversation she remarked that "I was certainly delighted at last week's column." — You let'em go, and sooner or later they'll talk themselves into something.

COMES IN ANOTHER CARD from "BULL" Durham and this time he has resigned from the Amarillo School System, to go back to Tucumcari as head coach. Such a guy. I wouldn't wonder a bit if I got another card today saying that he had resigned at Tucumcari and would be the big guy at Haylake, Dallas or someplace. I think they just never uncover their furniture, and to go further they eat in paper pates because sometime they might take a notion to move and wouldn't want to be tied up

with a bunch of dishes to wash. He has been working out his football team there now for ten days.

SCHOOL DAZE start here September the 14th and daze is the right word to. Teachers are as scarce as hen's teeth. However, Silverton will open with a more complete roster of teachers than most any school around. From all appearances there will be no more football here until we have won the war. No coach, no tires for traveling, etc., etc., and this year the boys will probably throw most of their passes in the cotton patch.

J. C. FOWLER has a sow that must be part hen. She stole out a nest on the top of a big feed stack and had a nice little litter of pigs. She clucks to them just like a hen too.

THE PIG—HOG is a very funny bird. He is playful and lovable. He has a snout on the front end and a tail on the other. The hog lies directly in between the tail and the snout. In some brands of hogs the snout is longer than the hog. The hog has no wings like other birds but he gets around. He is covered with hair brushes turned wrong side out and he has ears that he uses for window shades. He has a very delicate appetite for he will not eat tobacco. When he is alive he smells bad but when he is dead and has been taken apart and heated, he smells good. The pig-hog is a native of Silverton and also of Arkansas.

FOR FURTHER DETAILS concerning the bird called the pig-hog and the birds who keep them in town, read the City Council's ad on the front page.

THE CITY COUNCIL could also do well to clamp down a little pressure on these vacant lots that are covered with weeds two or three feet high. There is one of these just east of the Hahn house.

I mean the weeds there are big. They are getting dry and in a few weeks a match or cigarette could touch them off. The lot in particular is just north of the Coffee house and in case of a fire it would just be too bad. There are dozens of lots just like this one in the town, and they constitute a very distinct fire hazard.

"PUT" Jasper got to telling me the other day about Silverton in the good old days. Told me about the funniest fight story I ever heard. One old boy had a knife in his hands and another knocked him down. When he went down he broke the blade out of his knife BUT he didn't know it. The other guy didn't know it either. Party of the second part gets up and hollers "I'll cut your heart out" or similiar kidding talk, and party of the first part takes off with party of the second part right along after him with the knife (handle) in his hand. Party of the second part gains on first. Party of first part hollers to catch him "He's got a knife". Well that's all there is to the story except that they did catch them—and there were two mighty foolish looking guys when they found that the knife had no blade. Needless to say that they both meant business. They did it if it happened in Silverton in the good old days. One of these old boys still lives here but I won't mention his name—cause he's had a lot of time to buy a knife that does have a blade in it.

I JUST WENT home after the linotype operator. This linotype operator is kinda like Superman. She just flops a cloak over her shoulders and she reverts back to just plain woman. Well, anyway, I am supposed not to be eating breakfast because of the heavy muscles developing around my waistline. But this morning I found out that Mrs. Kirk's hens had laid, and I ordered me up a couple of delicious fried eggs. But I forgot to wipe my mouth good and what I mean that combination of woman, linotype operator, Superman and detective really landed on me. I have deceived my wife once—now she is really watching me. The next thing, and she'll find out that I don't always work at the shop when I come to town every Wednesday night.

R. V. MILLER, manager of the Tulia Herald pulled a fast one on me last week and so I checked on his past, and believe me gals, he has a past—and a present! Anyway, what I started to tell on him

was the time a couple years back when he got it into his head that he was a window dresser. He gets himself a job in a Dallas Style Shop, but he was back in just a few days. Why? He said, "Do you know, those women in those windows aren't real!"

AND I HEARD one on the radio the other night. An old boy was telling about his gal eating onions. He said "I don't need lights to kiss her—I just call a blackout, and COME IN ON THE BEAM!"

FOLKS—Last week Roy bragged on me in his column for the amount of local news I have. I just want to say thank you all for your help in telling me the local news and for mailing your news in. If we have a good local page—the credit goes to you folks. Thanks a lot. — Barbara Hahn

POOR HEALTH HAMPERS WAR EFFORT

With the nation facing a loss of more than 6 million man days per month in defense industries alone from accidents and illnesses, Dr. Geo. W. Cox, State Health Officer is intensifying the Texas State Health Department's effort to cut down the total days lost in this state.

"The number of man days lost from accidents alone each month reaches an alarming total. But when we consider that there are 9 times more absentees from communicable and other diseases it becomes apparent," Dr. Cox asserted, "why it is necessary to urge that each individual protect his own health to the best of his ability."

Communicable disease and even mild epidemics can seriously handicap the nation's war effort by slowing down the production of the necessary ships, planes, guns, and tanks. Careful attention to personal cleanliness, proper nutrition, sufficient rest, fresh air, and sunshine is the personal responsibility of every individual at this time.

"It is our job," Dr. Cox said, "to fight sickness and accidents. Production can be boosted and lives can be saved by strict adherence to community projects as mosquito control and rat extermination for preventing the spread of malaria, dengue, and typhus fever. Loss of time renders aid to the enemy and this country must be able to depend on peak production

from all of its industrial army." Dr. Cox pointed out that the armed forces have called a great per cent of our doctors and nurses into active service and the war has made unattainable many of the drugs and chemicals which have heretofore been used as ordinary household remedies. This shortage of doctors and nurses, together with our inability to obtain many needed drugs, makes the conservation of good health a definite war project and the patriotic duty of every man, woman and child.

Local Happenings

Mrs. Frank Pavran and Norland were in Amarillo last Thursday.

Mrs. Raymond Patton and daughter of Beaumont is visiting her mother Mrs. W. H. Crow.

Mr. and Mrs. O. M. Dudley spent from Saturday until Tuesday in Childress visiting relatives.

Mrs. Wayne Crawford, Mrs. George Kirk and Corky were in Lubbock Monday.

Mrs. George Neese and baby of Borger is visiting relatives here this week.

Emory Mills took his little daughter to the doctor in Tulia Thursday.

E. W. Preston of Vigo Park bought a new 10 foot binder this week from Tull Implement.

Hoyt Hill of Childress was in town Tuesday. He is operating a boarding house in Childress.

Rev. J. B. Bradford of Channing preached at the Calvary Baptist Church Sunday.

Walter Graham and Joe Mercer each bought a new 2-row corn binder this week from Tull Impl.

Jake Honea came back Saturday from San Antonio, where he attended a school.

Mrs. Coy Chappell and daughter and Mr. Bill Dunn of Amarillo spent Sunday w/th Mrs. Dunn.

Thanks, Folks

I want to thank each and every patron who has helped make my business a success. I have enjoyed doing business here. I intend to stay here until My Ole Uncle needs me. Then I intend to join the battle, with the rest of our GOOD men and boys, THE BATTLE FOR FREEDOM in Uncle Sam's Navy. I HAVE SOLD OUT TO PAUL REID. Everybody knows Paul. He is a hard working boy and needs all the help you can give him. Paul is trying to help in every way that he possibly can, to hold down more jobs, work longer hours, and doing all that he can to keep our town and county in the same prosperous way, that everyone has worked so hard for many years to get AND KEEP! THANKS AGAIN FOR YOUR PATRONAGE!

J. T. LUKE

A YEAR ROUND INVITATION

Each week, in this space we issue you a cordial invitation to eat here. Sometimes that invitation sounds a little like bragging—but come in and try our cooking and our service. You'll find that IT IS GOOD.

Lets Keep Our Half Of "The Bargain"

Keep Briscoe County Over The Top

Help Him
Every \$3⁰⁰ you put into War Bonds buys 144 rifle bullets

Help Yourself
Every \$3⁰⁰ you put into War Bonds brings you back \$4⁰⁰

FOR VICTORY
AT LEAST 10% OF YOUR PAY EVERY PAYDAY

OUR HALF OF THE BARGAIN

America needs Men . . . Materials . . . Money! And the money must come from you! Every man, woman and child must buy stamps and bonds if we are to keep our half of the bargain with the boys.

Briscoe County is doing her part and more with men! Briscoe County boys have flocked to the colors until more than 4% of our population is in uniform.

Are the rest of us in Briscoe County doing our share? Look at the Bond Meter on the right and see where we stand. Our quota for 1942 is very light for our county — \$126,800.

Let's go OVER THE TOP! Let's not have our boys from Briscoe County say that we didn't keep our half of the bargain!

Invest In Safety — With Perfect Safety

FACTS ABOUT DEFENSE BONDS

How much do they cost? You lend Uncle Sam:	And you get back at maturity:
\$18.75	\$25.00
\$37.50	\$50.00
\$75.00	\$100.00
\$375.00	\$500.00
\$750.00	\$1,000.00

WHEN IS MATURITY? Ten years from the time you buy the bonds but you can cash the Bonds at any time after 60 days from date of purchase. Naturally, the longer you hold the bond, up to 10 years, the more money you'll get back. But you'll NEVER get LESS than you put in. Bonds are guaranteed by U. S. Government.

WHAT'S THE INTEREST RATE? When held to maturity, Bonds pay 2.9 percent per year on your investment compounded semi-annually—you get back \$4 for every \$3.

WHERE DO I GO TO BUY A BOND? To your local bank, Post Office, or other Defense Bond agency.

Wheat Acreage Diversion to Warcrops

Diversion of wheat acreage to the production of warcrops will not affect AAA wheat payments or allotments in future years.

a renewed plea for the diversion to warcrops of acreage normally planted to wheat in those areas where crops can be grown.

George Slaughter, state AAA committee chairman, declared that farmers who underplant their 1943 wheat allotments in order to increase their acreage of crops which are vitally needed in the war will not suffer deductions from AAA wheat payments for 1943, nor will their wheat acreage allotments be reduced in future years because of such diversions.

"Present supplies of wheat are more than sufficient for domestic needs for the next two years," Slaughter pointed out, "whereas the need for certain other commodities, such as soybeans, flaxseed, peanuts for oil and certain

feed crops, is likely to be even greater in 1943 than this year. Every wheat farmer who can divert some wheat acreage to these emergency warcrops will be making a substantial contribution to the war effort."

At the same time, Slaughter reminded farmers that if no wheat whatsoever was seeded on a farm for three consecutive years, the farm would be eligible only for a new farm allotment under the Adjustment Act of Act of 1938.

Texas cotton growers should benefit materially from the recently announced U. S. Department of Agriculture program to support the price of cottonseed. B. F. Vance, State USDA War Board chairman, declared this week.

Under the new program, Commodity Credit Corporation, through contracts with crushers, will support the price of cottonseed to growers and provide for the orderly movement of the crop so as to obtain maximum production of oil and linters needed in the war.

Under terms of the contract, the minimum price to be paid by processors for cottonseed in Texas is \$49 for basis grade seed at the gin. Basis grade is 100.

USDA officials estimate that on the basis of these support prices, taking into consideration average quality premiums and discounts and average ginner's margin of not more than \$3 per ton, prices to growers should average approximately \$47.50 per ton. Prices received, of course, will vary from time to time and by areas according to the quality of the seed being marketed, the prices being paid by mills, and the ginner's margin in effect at the time of marketing.

Under the program, the CCC also will support prices of cottonseed products. Cottonseed oil and linters will be supported at the ceiling prices.

Mrs. W. T. Sanders is visiting friends in Qui.sque this week.

Francis Locals
