General Election To Be Tuesday November 3rd

SERIOUS WRECK ON 86 EAST OF QUITAQUE

W. O. Williamson, 50 years old, prominent farmer near Quitaque, was killed instantly, his wife was seriously injured, and Roy Singleton, 23 years old of Dickson, Tenn., who was riding with the couple, suffered a broken leg when the automobile they occupied collided head-on with a truck early Tuesday night between Quitaque and Turkey.

Mrs. Williamson received a fractured arm and leg and head injuries. She and Singleton are receiving treatment at the Plainview hospital.

Clarence Graham of Quitaque was the only occupant of the truck and was un injured.

CONTENTS FOR RED CROSS KITS IS ON ITS WAY

After several weeks of waiting Mrs. Homer Sanders Pro-chairman of the Red Cross received the following letter in regard to the material to be put in the Red Cross Kits the women have made.

Dear Mrs. Sanders: We regret very much our apparent neglect in acknowledging your order and letters.

The simple facts are, that we were overwhelmed with orders from Red Cross chapters all over the country, which were far in excess of our expectations. This condition is being rapidly overcome, and I can assure you that your future orders will be handled with greater dispatch.

The merchandise in question is en route.

Very truly your,
BUTLER BROTHERS

ADJOURN

Rev. Walter L. Brian, pastor host.

OUR SECOND FRONT

By T. G. Craft

Much is being said about our several far flung battle fronts where our soldiers are fighting for the freedom of all nations and all men, but there is another front which we must not neglect nor take for granted. We have a home front that must be maintained at equal cost and sacrifice.

The Fortresses on the Home Front

The home front which we must hold secure consists of our community life and all the institutions that we count precious and dear. What are our institutions? They are our homes, our schools, our churches, our hospitals - doctors, nurses, and pharmacists, our hardware, grocery, implement, and dry good stores. Then we must add the lumberman, the banker, the ginman, the laundryman, the mechanic, the elevatorman, the teacher, the minister, and even many others. But why should we forget the news paperman, whose important position in the social and educational field is to disseminate the news and events of the community. He brings the life of the community dashing into our homes weekly binding all of us into one large family through common understanding and mutual sympathies derived from the events that touch the individual lives of the entire community. The local editor is an educator on one hand, and a builder of community spirit and morale on the other hand. He is too often taken for granted, and may not be fully appreciated by most of us until his institution dies through sheer exhaustion. "It is too late to lock the barn door after the horse is stolen." This trite adage applies to every institution in the community.

Cooperation Our Strength

How are we to fight for maintaining the victory on the home front? We are to accomplish the maintainance of every institution through mutual and unselfish cooperation by all the members in the community. The local groceryman must close his doors for business, unless a sufficient number of customers patronize his business. This social relationship applies to every business enterprise in the community. Therefore, let each business man and each citizen realize that his fellow citizens can either make him a success or a failure. No one of us can succeed without the support and cooperation of the group. Realizing that we are interdependent upon one another, let us set ourselves toward the goal of solidarity and, therefore, maintaining successfully our whole community life. Not one of us can think of neglecting to support every established institution we have. We must work to promote the entire community life.

Fighting For Freedom

We all know that we must win the war on all the battle fronts if we are to remain a free people on the home fronts. We shall under God win this war for the promotion of liberty, freedom, and justice for all mankind. But there will be some among us who can never fight on the battle fronts. However, all of us can fight on either the home front, or the battle front. Let not one of us be unpatriotic on either front. Each one in his place doing his part, and his best will win this total war.

What Our Soldiers Die For

Our sons and fathers who fight on the far extended battle lines find courage and strength to face the terrors of war and even death by remembering that back home there are loved ones for whom they are willing to make the SUPREME SACRIFICE. They are also fighting that every institution they loved and left behind may forever exist to serve and minister to those whom they count most worthy. Our soldiers are fighting for the things, they expect us to maintain. They

Registration For Gas Rationing Nov. 12-14

SUGAR STAMP NO. 9 GOOD THREE POUNDS OF SUGAR

Householders were advised today by Mr. D. J. Northcutt, Chairman of the Briscoe County War Price and Rationing Board that War Ration Stamp No. 9 will be good for the purchase of three pounds of sugar for home use between November 1 and December 15. Stamp No. 2 which calls for five pounds, expires at Midnight Oct. 31.

At the same time Mr. Northcutt announced allotments for industrial and institutional users of sugar for November and December.

Institutional users including hotels, restaurants and similar institutions will be allowed 60 percent of the sugar base established by them. An allotment of 85 percent has been set for hospitals treating patients suffering from acute illness and residing temporarily in a hospital.

Industrial users of sugar will receive 70 percent of the sugar base established by them during the November-December period. The ration period for industrial and institutional users begins on November 11, but the Briscoe County Board began receiving applications for these allotments on October 15th and will continue to receive such applications until November 5.

The allotment of 70 percent for industrial sugar users for November and December is the same allotment for September-October period; however, industrial users were given a bonus of 10 percent during September and October, making a total of 80 percent for that period. In that same period the original allotment of 50 percent for institutional users was increased to 75 percent by a 25 percent bonus.

Mr. Northcutt said he had been advised by OPA officials that the present sugar supply situation does not justify the continuance of such bonus increases in the allotments.

Sugar users were cautioned by Mr. Northcutt against allowing their sugar purchase certificates to lapse. The individual consumer's sugar stamps are not affected. Uncertainty of arrivals from the Caribbean area and restrictions placed on deliveries in recent zoning orders, occasionally interfere with deliveries within the period for which certificates are valid originally, Northcutt pointed out.

"These certificates may be protected by having the local War Price and Rationing Board issue new certificates in exchange for the old, before expiration of the 60-day period for which the original certificates were valid," Northcutt explained. "The new certificates will be good for 60 days from the date of their issuance."

THE MUSICAL ARTS CLUB

The Musical Arts Club met Thursday of last week with Dorothy Roy McMurry. The business session was opened by Mrs. Wilkerson, who, acting as chairman, together with the group, elected Jean Northcutt as president. Jean then presided and officers were elected as follows:

- President ... Jean Northcutt
 - Vice President ...
 - Sec. Tres. ... Fay Tice Bomar
 - Reporter ... Mary Craft
- Punch and cookies were served to Betty Nan Burson, Jonnie Allard, Modine Yates, Jean Northcutt, Anna Jo and Wilford Brooks, Thelma Mercer, Nell Northcutt, Betty and Mary Craft, Rollin Wilburn, Mrs. R. Wilkerson, and the hostess, Dorothy Roy.

Those who took part on the program were: Vocal Solo, Jonnie Allard; Piano Solo, Modine Yates; Vocal Solo, Nell Northcutt and Thelma Mercer, and a Piano Solo by Mary Craft.

Everyone had a most delightful time. The next program will meet with Jonnie Allard.

Mr. and Mrs. Sam Hunt spent last week in El Paso visiting their son Corp Howard Hunt.

Registration for mileage rationing in Briscoe County will be conducted on November 12, 13 and 14. Mr. D. J. Northcutt, Chairman of the Briscoe County War Price and Rationing Board announced today, and actual rationing of gasoline will begin November 2nd.

"We have been advised that Washington expects to have the application blanks available by November 1, Mr. Northcutt said, but everyone should watch the newspapers for our announcement when these application forms are available. We will try to see that they are distributed at garage tire inspection stations where every passenger car owner can obtain an application form conveniently."

He said each motorist should fill out the form listing the serial number of each tire. Then on one of the registration days the motorist should present this application form at the schoolhouse nearest his residence to be issued a basic "A" ration book for gasoline. Any motorist who is away from home in another county should register wherever he is on one of those three days—November 12, 13 and 14.

School officials have been requested by the County War Price and Rationing Board to cooperate in the registration as was done in the sugar rationing registration last May.

Schools will need to be dismissed during the registration.

Mr. Northcutt said the Board has completed setting up a fuel rationing panel to handle applications and other matters which the mileage rationing program will entail.

Those who feel they are entitled to a supplemental ration provided by the 'B' or 'C' books should obtain another application form for this at the price of registration where the 'A' book is issued. Mr. Northcutt emphasized that every passenger car owner must sell to the government before November 12 all tires over five for each vehicle.

"That means," he explained, "that the car owner is allowed one tire for each running wheel and one spare for the car. A registrar can not issue him a mileage rationing book for that car if he owns tires in excess of that number."

For that reason excess tires should be turned in before November 12 to a local Railway Express Agency which will tag the tire and the seller will receive a check from the Government, or if he chooses, the Government will pay him in War Stamps or War Bonds for his excess tire or tires.

Commercial vehicles, trucks and farm truck must obtain a Certificate of War Necessity from the Office of Defense Transportation before they are registered for mileage rationing with the local War Price and Rationing Board. The ODT has mailed these forms to all owners of commercial vehicles that were registered last December 31. Persons who have not received these application forms should write immediately to the nearest ODT Field Office. In Texas these offices are located in Dallas, San Antonio, Houston, Lubbock and Austin. As soon as this form is received it should be mailed back to the ODT in time for the applicant to receive a Certificate of War Necessity by November 15 when it will become mandatory that every commercial vehicle and truck carry one of the certificates at all times.

HIGH SCHOOL STUDENTS TO HAVE ANNUAL CARNIVAL SATURDAY NIGHT

The Students of Silverton High School have been making arrangements for their annual carnival for the past week, and should have a real one lined up for your entertainment come Saturday night. You probably know they are going to elect a queen as usual, they have been campaigning for votes for several days.

The money raised through this carnival will go into the various class funds and will be put to a good use. So help the students out by turning out for their carnival.

YOUR EDITORS and publishers Mr. and Mrs. Roy Hahn are visiting their relatives this week in Kansas. Jack Burleson and I have the responsibility of publishing this issue of the NEWS. Jack is familiar with his work, but I am an amateur at the part of work I am attempting to do. I feel that it is fair to the editor to say that I must assume full responsibility for the things that I write. In no sense is the editor responsible for the contents of materials printed in this issue. I may say that it is a privilege for me to lend a little help to the Hahns; so that they may have a brief vacation, and visit their relatives, some of whom are ill. We wish for them a pleasant visit, and a safe return home. To the readers, we ask that you be patient and considerate of our amateurish venture in the publication of this issue of the Briscoe County news.

T. G. Craft & Jack Burleson

paper. Every time I have met one of them, they ask me this question. Have you written Yours Truly yet? Not more than ten minutes past The Rev. Craft repeated the question so here goes. If you like the column tell Roy. If you disapprove of it tell Roy.

HAD A LETTER from Henry Tubel of Tulia, reminding me that paying of dues to The American Legion and election of officers are in order. Met Tom Bomar and Dr. Bundy on the street, they said they were ready, from that indication of willingness on their part we started, secured their checks as well as my own, then added that of Ben O. King, T. R. Whiteside and D. O. Bomar. You fellows of Silverton and surrounds who are eligible to membership in the Legion leave your check for dues with Tom Bomar. Let's make our quota for this post.

TO DATE THIS month Briscoe County is behind in buying Bonds for October, while we are up in so far as the years quota is concerned to the realization that we are in a total war. That barely enough may not be quite enough, that we should eat, sleep and demand of those in charge of our war effort that every ounce of strength we have is brought to bear in every quarter until this war is won. Recently there has been criticism on the part of those who are in command of our Armed Forces, for the layman to lay off. Let those who know how to run a war, run it. So far they have made a very poor effort. For instance, Pearl Harbor, Philippines and Bataan and now Guadalcanal. The Japs seemingly are landing forces at will. Our boys are fighting their hearts out there. I hope it is not another case of Too Little & Too Late. Perhaps we will have to lose those fine boys to bring us to the full realization that we are engaged in a life and death struggle, but for the life of me I cannot understand why we have to sacrifice so many and so much to gain so little.

WENDLE WILLIKE said in his radio Broadcast to the nation last

A LITTLE GOES A LONG WAY

night, "That criticism on the part of the layman should not be stamped out, that when those in authority were above the idea of being reprimanded by the ordinary citizen, that it would be bad for our country." I heartily agree with him. Criticism on the part of the average citizen of those in authority, act as a prod to stem up to their full duty. The people of these United States have a duty to perform now. Not in a hundred years but NOW. Every one of us should see to it that in so far as our ability permits, to see that every thing possible be done to the end, we not only want to win the war but the peace as well. This thing of American Boys in every generation having to go out and fight and lose their lives, their chance to live in an orderly world, is all wrong. There is room enough and will be for centuries to come for all the peoples of the world to live harmoniously. If we of America will adopt the proper attitude and come to the realization that it is a part of our job to help and to see that those things are done, permanent peace can be had.

IN THE PLACE I occupy, I meet a lot of people every week. Have time to talk to lot of them at length concerning materials. There are any number of items we do not have any more, there are any number of items we now have that will not be available much longer. I mention this because it gives me a chance to know the spirit of the people. Generally they are taking it as loyal Amer-

chair, strode up to the witness and shaking his fist with the fore finger extended, vehemently in the face of the witness, demanded of him, "do you mean to sit there and tell this Judge and this Jury, that you never did buy any whiskey from this negro man here," and pointed to the elder of the men. The witness replied, "No Suh". The D. A. then as vehemently as before said, "did you ever get any from this negro sitting here", pointing to the younger of the two men. The witness replied in like manner, "No Suh." By this time the D. A. was as angry with a witness as one could be, his attitude became more beligerent and his tone of voice rose higher when he demanded of the witness, "Did you ever get any from this yellow negro woman sitting there", and pointing to the Mulatto. This negro witness pulled himself up in the chair a little straighter and asked, "Boss, is yo still talkin bout WHISKY?"

SACRIFICE AND SAVING

There is a vast difference between sacrifice and saving. Sacrifice is that which we give to promote a cause, or aid and individual we keep for ourselves. The former and society. Saving is that which is considered unselfish service, the latter may be more or less selfish or conservative living. The idea of waste is not a part of either sacrifice or saving.

We are called upon by our government to do all in our might to aid in financing the war. The purchasing of bonds is saving for ourselves. It is a good investment for those who are in a position to invest their surplus money in government bonds. He who purchases all the bonds he can is helping the government finance the war, but at the same time, he is saving for himself. Sacrifice is that which we give to others. Money that we give to various causes will not be a pecuniary investment which will come back to us in the form of dollars. But it is true that other values will come to us. We may sacrifice by giving of our own accord, or we may sacrifice when part of our incomes is exacted by the government in the form of taxes. We soon will be compelled to

pay at least one third of the total national income in the form of taxes, amounting to some forty billion dollars per year to finance the war. Not many individuals would pay these enormous taxes if the government did not compel the people to pay them. But the taxes will be paid in order to finance the war. What do we get in return? Our freedom and American way of life will be the greatest return. Moreover, we shall be made secure in our homes, property, and person. Are such sacrifices worth what they will cost us? Well, ask the Poles, the Danes, the French, and other conquered people of the world. After all, not one of us should help Hitler and Tojo by kicking about making sacrifices for freedom in the form

DO YOU WANT A BABY?

Now Vitamin Combination Brings Hope to Childless Homes

Nothing equals a baby to bring complete unity and happiness into the home and tie husband and wife together in a stronger bond of enduring love and mutual interest. Divorce is rare in the homes of couples that have children.

Unhappy wives, childless due to relievable functional weakness may now enjoy the desires and activity of Nature's most wonderful creation—a normal, fully-developed, vigorous woman. A sensational woman may be just the thing needed by the childless wife and quickly bring the happiness of a baby in the home. It is, of course, absolutely harmless. If you are childless due to functional weakness and lack normal vigor—if you wish to eliminate one of the great causes of unhappy marriages, by all means try Verex for one week. To introduce this new vitamin combination to a million women quickly, Verex Company, 314 N. Michigan Ave., Chicago, Illinois, will send a full \$2.00 supply for only \$1.00 and a few cents postage. Send no money—just your name and address. Verex comes in a plain wrapper—directions are very simple and no diet or exercise is required.

of high taxes. These taxes we are being called on to pay will be the price of liberty, and the difference between slavery and freedom. Who among us would be a slave at any price?

What's the smart strategy at 60 miles per hour?

JOIN FREE

Elect yourself to the ONCE-A-WEEK CLUB at Your Mileage Merchant's Conoco station. Choose your own regular day to drive in and have him check tires, oil, radiator, battery. His systematic expert attention means trouble-prevention. He'll report to you in advance on lubrication and anything he finds you need for the duration of your car's Care For Your Car... For Your Country

THE well-dressed woman will be wearing overalls—if that's what it takes to care for her country's cars. And on civilian duties she doesn't go faster than 35—to get there without undue wear. But there's still another main battlefield against wear... at 60 miles per hour!

When your car's stock-still, starting cold, will your Winter oil work faster than rampant Friction? You can hope so—or you can have your engine OIL-PLATED by Conoco Nth motor oil. An added synthetic in this patented oil seems to "magnetize" OIL-PLATING to inner engine surfaces as closely as the plating on bumpers.

Where does any good plating go during parking or overnight? It doesn't go. It stays. Neither does OIL-PLATING all go draining down to the crankcase. Long hours after you stop—long minutes before any oil from below could climb way up—the OIL-PLATING that stayed up can be easing cold starts. OIL-PLATING is still there at 35-an-hour, too, assisting the high-duty liquid film of Conoco Nth oil to keep wear that much farther away.

Not much chance now of changing to a new car. Smart strategy is changing to an OIL-PLATED engine—at Your Mileage Merchant's Conoco station. Continental Oil Co.

HOME TOWN NEWS

As Told To
BARBARA HAHN

By Maxine Donnell

Mr. and Mrs. W. Allard home were Mrs. Dave Allard, Charles Nixon and 3 daughters. Mr. and Mrs. Ray B. Amarillo. Mrs. Dave Allard for a two weeks visit. Wylie Bomar and Mrs. Simpson were Tullia visitors afternoon.

Tom Bomar and Mrs. Pearl were in Quitaque Tuesday. Mrs. Bomar went on to visit her brother.

and Mrs. Frank Havran and visited Mr. and Mrs. Howard Sunday.

H. Mosley and daughter, Pearl of Flomot visited with Mrs. Charles Cowart Saturday.

Lee H. McMurtry and child and Pat Patton were Tullia Sunday.

and Mrs. Lee Bomar and were in Plainview Wednesday.

and Mrs. Wayne Crawford to Lamesa Sunday. Wayne call for the Army.

and Mrs. W. Coffee visited Canyon and Amarillo Thursday.

Ira Lee, Miss Cross and Lella Grabam went to Amarillo Saturday. Wyona Lee who is in school in Canyon came with them and returned to school Sunday afternoon.

Maud Long of Austin, Mrs. McElroy of Happy, sisters Florence Fogerson, who been visiting here several went to Happy Saturday.

Pearl Simpson attended a meeting in Spur Wednesday. and Mrs. Herbert Stephens of Flomot visited Mr. and R. E. Stephens over the week end.

Ennis Hill of Plainview visited at both hours at the Baptist Church Sunday.

and Mrs. Ernest Wilbur of Hills, California stopped here enroute to Florida to their parents, Mr. and Mrs. Dickenson. Mrs. Dickenson accompanied them to Dallas to another daughter.

and Mrs. George Neese of Hills, Miss Martha Cates of Hills and Paul Neese of Lubbock visited Mr. and Mrs. J. T. Neese over the week end.

and Mrs. Perry Thomas, Jr. Amarillo visited his mother Sunday night.

and Mrs. Jimmy Carter and Mrs. H. C. King and Mrs. Neese spent from Friday until day in Amarillo with Mr. and R. L. Carter.

and Mrs. Ware Fogerson children and Mrs. Florence Neese visited with Mr. and Mrs. Orblee Baker of Happy Sunday.

Richard McGowen left Friday for Lubbock to join the Air Force.

and Mrs. John Neese of Lubbock visited his parents Thursday night.

and Mrs. Warren Merrell of Quitaque visited Mr. and Mrs. R. G. Alexander Sunday.

Gatewood Lusk of Amarillo and his wife and son over the week end. They spent Sunday night with Mr. and Mrs. R. G. Alexander.

Willard Vardell of Earth is visiting his parents Mr. and Mrs. Vardell for a few days.

and Mrs. Elbert Dickerson children visited their daughter and Mrs. Eryant Eddleman in Earth Sunday.

Herman Robinson of Clovis visited with Mrs. Freeman Tate Sunday.

Mrs. J. T. Neese and son Paul visited Mac Neese and family and Mrs. Neese in Amarillo Saturday.

Martell Grover of Abilene Marylah left Friday for home after visiting her parents Mr. and Mrs. Bob Stevenson several days.

H. G. Finley and Miss Neese Hughes entertained the officers and teachers of the Calvary Baptist Church at Mrs. Finley's day night. An interesting program on "Loyalty to Christ" was enjoyed by 18 guests.

Miss Leota Rumpy and Carolyn Crawford visited their parents in Abilene over the week end.

Mrs. Frank Havran returned home from Ennis and Dallas Saturday night. She had been visiting her sister who is ill.

Evelyn Coffee, who is attending school at Canyon was home Miss Linnie Walker spent the week end in Plainview with her parents.

Mrs. R. E. Douglas, Mrs. T. R. Whiteside, Miss Lintore, and Miss Darnell attended a tea for Mrs. Douglas' daughter, Mrs. Joe McWilliams in Amarillo Sunday. Mrs. McWilliams returned to Silverton with them.

Mrs. Arnold Brown went to Erick, Oklahoma Sunday to visit her parents for a few days.

Mrs. Dee McWilliams and son went to Amarillo Friday to visit Mr. and Mrs. Curtis Bingham.

Mrs. Ruth Cline of Holliday is here visiting friends for a few days.

Mr. and Mrs. Drew Wilkerson of Skellytown visited his mother Mrs. R. Wilkerson and sister Mrs. Bennett Haley Friday and Saturday.

Mr. and Mrs. James Patton and Dell McKenny were in Plainview Saturday on business.

Mr. Frank Alfred of San Miguel California arrived here Friday to visit his brother A. M. Allred and family before going on to Wichita, Kansas.

Mr. and Mrs. Guy Young and Don visited relatives in Turkey Sunday.

J. W. Brannon, Jr. of Canyon visited home folks Saturday and Sunday.

Mrs. H. G. Finley, Mrs. Miller of Quitaque, Mr. and Mrs. Berton Hughes, and Miss Grace Hughes visited in Amarillo Sunday.

Miss Phyllis Allred of Plainview spent Friday night with her parents Mr. and Mrs. A. M. Allred.

Mr. and Mrs. Albert Hayter of Wheeler, Texas Mr. and Mrs. W. C. Womack of Quitaque, Mr. and Mrs. E. L. Womack of Gordorville and Raymond Lee of Amarillo visited Mr. and Mrs. Bruce Womack Sunday. Mr. and Mrs. Hayter also visited her brother Mr. Tom Hodges and family.

Mr. and Mrs. Floyd Dudley and children of Texas City is visiting Mr. and Mrs. Milton Dudley, and Mr. J. W. Davis this week.

Mr. and Mrs. Elmer Crosby of Erick, Oklahoma visited Mr. and Mrs. Arnold Brown Sunday.

Mr. and Mrs. Clarence Willis and son Denny B. and Mrs. Alvin Redin of Amarillo spent Sunday with Mr. Alvin Redin and Mrs. W. E. Redin.

The amendment to the Constitution of the State of Texas authorizing the investment of not more than Two Million Dollars (\$2,000,000) of the Permanent School Fund in bonds of the State of Texas to be issued for the construction of a State office building or buildings and providing for the repayment of the said sum of money to the Permanent School Fund.

AGGIE BRIEFS

Denton H. Smith
Secretary Briscoe Co. Committee

All truck and pick-up owners who have not received an Application for Certificate of War Necessity should see a member of the County Farm Transportation Committee or call at the AAA Office to fill out Form CWN-4, "Request for an Application" if you have not already done so. It will take some time to get the applications back, properly filled out, mailed back to Detroit, Michigan and get Certificate of War Necessity. According to all available information no truck or "pick-up

can be lawfully operated after Nov. 15, 1942 unless the owner has obtained a Certificate of War Necessity.

Machinery Rationing Amendments Announced
Certain types of new farm machinery, plus attachments, having a retail value of \$25.00 or less are exempt from the farm machinery rationing program and may be purchased without certification.

Previous to the new amendment on Group B machinery, certifications from farmers dealers were necessary before purchase could be made, according to B. F. Vance, Chairman, Texas USDA War Board.

Also included under the new

amendment are all hand operated and one and two horse drawn farm machinery and equipment, such as plows and combination corn and cotton planters, he said. Set in operation several weeks ago, the aim of farm machinery rationing is to route limited farm machinery in channels where maximum contribution will be made to agricultural wartime production.

Divided into three groups. Group A machinery, which includes scarce items, require certifications from county machinery rationing committees before purchases may be made. Group B machinery, which includes items less scarce, may be purchased upon certification from the farmer to the dealer that the equipment is needed for current production.

Other less essential items fall into Group C and may be purchased without certification.

WHY THE LIONS?

In every community there are certain definite civic, patriotic, social, educational, charitable, and business needs that challenge the citizens to a more progressive development. An individual, however, worthy and influential cannot promote any enterprise successfully by himself. It is obvious that a community task must be served and done by a group. The Lion International was instituted to serve the community life of the people these above named capacities. Therefore, the Lions is one organization that ministers not for itself, but for the unselfish service of the community welfare. The Lions Club is a democratic

organization. Who can become a member? Any man, from any walk of life may become a member. If he is public spirited he will make a good Lion. If he is too individualistic and selfish, he will not be interested in the altruistic services which the Lions propose to do. The Lions neither participate in partisan politics, nor sectarianism in religion. On the other hand it promotes unity, harmony, solidarity, and friendliness among its members and the community. It is not designed for mere socialability; yet it is a congenial group. It is a group that seeks to contribute the greatest good to the largest group, and to individual needs.

Who should become a member? Every man who is interested in the progress and growth of his community. No one should feel that the work of Lions could be done without his services. If anyone wants to do more and more for the enrichment of the community life, let him join with the Lions in such an enterprise.

Creative thinking and planning originate in the minds of the Lions. The organization take the best plans and soon what, was just an idea becomes a moving dynamic in the community life.

Join the Lions and share with them your ideas which they will appreciate. You can help speed victory when you work with the group in a planned program, service.

Francis Locals

Mr. and Mrs. Roy Thompson and son of Long Beach, California, and Mrs. C. A. Simmons visited Mr. and Mrs. W. C. Roberson

Wednesday.

Mr. and Mrs. Homer Strange and family of San Antonio, Mr. and Mrs. Bryan Strange, Mr. and Mrs. Ernest Strunge visited in the Edwin Crass home Tuesday.

Mrs. Weldon Whitford of Plainview spent the week end with Mr. and Mrs. W. C. Roberson.

Jackie McDaniel had the misfortune of breaking his arm Friday evening.

Mr. and Mrs. Berle Fisch spent Sunday visiting in Hereford.

Mr. and Mrs. C. J. Smith and daughter of Rogers, New Mexico, spent the week end with Mr. and Mrs. W. M. Peugh.

Linda Beth McDaniel spent Sunday with Betty Fitzgerald.

Mr. and Mrs. R. E. Bell of Plainview and Mr. J. L. Francis spent Sunday with Mr. and Mrs. L. W. Francis.

Mrs. Lorene Coiles and children spent last week with her parents, Mr. and Mrs. W. A. Rowell.

Mr. and Mrs. Fred Mercer and Mr. and Mrs. F. A. Fitzgerald visited in the U. D. Brown home Sunday.

(Continued from front page)

After graduating from Scott Field's "University of the Air" he was sent to Milwaukee, Wisconsin with a diploma that stated he was a radio operator and mechanic. Here he was assigned to a troop carrier squadron and was fortunate enough to make cross-country trips which went as far as Colorado and Texas.

About two weeks at Milwaukee this "peaceable, home-loving individual who wanted to help defend his country against

would be disappointed to return home and discover that their cherished institution had been destroyed through our neglect and nonchallant attitude toward making the necessary sacrifices to maintain them. We will fight here on the home front must win the battle not only for ourselves, but also for the boys in uniform who are fighting and dying that not one institution they left behind should perish. It seems now that eternal sacrifice and toil, and sweat, and tears become the price of liberty. Shall we fail those who are dying that a new world may live?

its enemies" was made Corporal. Even though he was now a Corporal and was treated like a king (as all soldiers were in Milwaukee) and was seeing a lot of the country through the windows of a plane, he was still not happy because he didn't know what was going on "back home."

But during the first part of August happiness came to this fellow in the form of "that certain paper he liked to read." For about three or four weeks he was extremely happy but then the fatal day came. The first of October he was made Sergeant and sent to Ft. Bragg, North Carolina and for some reason known only by the editor of this certain paper, the weekly news from "back home" ceased to be weekly or monthly.

The purpose of this brief letter is to let you know that I happen to be that "peaceable, home-loving fellow who wanted to help defend his country against its enemies" and the Briscoe County News happens to be "that certain paper he liked to read" and you happen to be the editor that knows why I am not getting it.

If by accident you were not informed of my change of address, just disregard this letter and send me the paper to my new address. But if you were informed of my change of address, you are a fifth columnist and guilty of tearing down the moral of the Army. I hope for your own sake that you are not guilty but if you are your only salvation is to send me the

paper in the next mail.
Sincerely,
Sgt. Homer L. Gillingham

There are lots of ways to work for Victory. We believe that our main job is to care for your clothes, and do it so that they will wear longer, look better, and perhaps in that small way there will be more for the boys who are doing our fighting for us. More and more, we are stressing alterations. Let us show you what we can do for that last winter's dress.
