\$105,000 Bond Drive Opens 12th

Briscoe County's Quota Raised To \$105,000

The United States Treasury's War Bond Drive for Thirteen Billion Dollars gets under way Monday, April 12--and Chairman Sanders has received word this week that Briscoe County's quota has been raised from \$84,000 to \$105,000. This is the largest call for loan money ever given to American people, and Briscoe County's share amounts to \$30,000 for every man, woman and child living in the county. The maturity value of this amount of bonds is \$140,000--nearly the exact amount bought in this county in all of 1942.

As plans are laid now, bond meetings will be held in every community and every community will have volunteer salesmen to explain the various types of the bonds being offered for sale during this drive. For instance a special bond is being offered to mature April 1, 1944. It bears 5% interest and is especially designed for corporations, taxing units, churches and so forth that have an amount of money on hand that will not be used until next April. Another type of bond may be used to pay income or inheritance tax. Of course the most popular bond will be the Series E bond--matures in ten years--and every \$3 invested brings back \$4.

More space will be given to explanation of the bonds next week. It should be noted however that all corporations, schools, or churches wishing to invest in the 1-year bond must do so April 12, 13, or 14. Unless rules are changed only THREE DAYS will be given to the sale of these bonds.

One local man has a check now for \$25,000 which he will invest in bonds as soon as the drive officially opens. He has asked that his name not be given until next week. All bonds bought during April count toward our new quota of \$105,000.

This mammoth bond drive will require the united efforts of us all. YOUR help is needed, both in buying and selling bonds that will insure our victory and our future freedom.

A grass fire at Andy Chappel's last Friday destroyed 350 acres of good grass land. Word from Fred Lemons Wednesday is that he is steadily improving.

WELL LAST WEEK I got off in a storm and cheerfully announced thru a head that we exceeded the Red Cross quota by \$5,000 -- when the total amount raised was only \$3,097. I read that thing during the press run as \$500 and even tried to argue with Jake that evening that I was right. Anyway, it was a darn good bag of dough and a lot better than many nearby counties.

AND IF I stretched that a little I didn't stretch the quota for bonds in fact I had that too small. Since last week's paper the Treasury Department has raised this county's quota from \$84,000 to \$105,000, for our April quota. However all bonds bought in April count toward the goal. Figuring our population at 3,500, that means that every man, woman and child is asked to put \$30 into War Bonds.

IF THAT SOUNDS high, divide the National Quota of \$13,000,000, (13 billion) by 130,000,000 (million) our nation's population and that figures \$100 for each of us. That is, if I can divide, it does.

ALREADY TOO MANY folks are saying "Oh, that's too high," and that can't be done. IT IS HIGH -- but it can be done. It is going to take just a lot more of the same stuff that put the Red Cross drive over the top. And by the way -- Jake Honea and Homer Sanders are publishing the names of all contributors to the Red Cross in this paper. And they are doing it mainly just to show how a thing can be put across -- and they suggest at the bottom of the list that the list shows just who and how this war is being fought here with our dollars. And the main thing is this -- those folks made it possible for the drive to go over -- and those same folks have got to see that this bond drive goes over too.

BACK TO THE guy who says it can't be done -- How far would those fighting Yanks of ours go, if when they were told to take an objective they said "We don't believe it can be done." There isn't such a word as "can't" in the service men's code. They say IT CAN and they stake their lives that it can be done. And many of them pay that supreme price -- (Continued on Page 2)

NOTICE TO SCHOOL PATRONS

The time of school will be changed, starting next Monday, April 12th. This change is being made so the children will have more time to help after school hours on the farm. The changes will be - School will take up at 9 P. M. School will close at 4 A. M. The buses will operate one hour earlier than the schedule they are now running on. Remember these changes and have your children to school at the appointed time.

OLD MEMBERS RETURNED IN BOTH SCHOOL AND CITY ELECTIONS Polling a larger vote than did the school election in Amarillo, Silverton Independent School District voters chose overwhelmingly to retain the same board members. The vote was as follows: D. T. (Chick) Northcutt 117 Joe O'Neal 114 True Burson 121 Bud McMinn 44 Charley Chappell 47 Arnold Turner 57

Due to a little mixup on election dates, and the fact that there was no issues at stake, city voters turned out Tuesday in smaller numbers than in years with less than 40 voters going to the polls. The count is given below: Fred Lemons 26 T. R. Whiteside 30 H. S. Sanders 23 L. K. Gilkeyson 5 Bert Douglas 11 Alvin Redin 13

NOTICE TO BIDDERS The Silverton Independent School District will accept bids until 6:00 P. M. May 3, 1943 for its Bus Building situated on the SW corner of the School Grounds. This building is 24x56 feet, framed with 2x6 and covered with corrugated iron.

All bids must be sealed and a Cashiers Check for 5% of the bid must accompany each bid. The consideration will be for Cash and the Silverton Independent School District reserves the right to reject any and all bids. Separate bids will also be accepted for the 550 gallon underground storage tank and gasoline pump. Same terms as above. All bids should be addressed to the Silverton Independent School District and delivered to J. S. Fisher, on or before May 3, 1943.

Rev. Clarence N. Wylie of Canyon held Vesper services at the Presbyterian Church Sunday evening. With his usual sincerity and appealing simple eloquence he admonished his flock to keep their eyes on the master, as they venture out into Life's stormy sea, and to be reconsecrated to the job of following His precepts, in greater consideration and neighborly love for one another. Four new members were accepted into the church. Rev. Wylie plans to have morning services here May 2nd.

F. M. HILLS IN GREYHOUND BUS WRECK

Mr. and Mrs. F. M. Hill just returned from California, where they visited their boys in service. While en route home their bus overturned in the desert and Mrs. Hill was rather severely injured. She suffered a 4 inch scalp wound and a badly bruised leg. The bus driver was blinded by the approaching lights of a car. Their son Sgt. F. M. Hill came thru by train and is here on a 15 day furlough. Their other son, Norris is in the Navy stationed at Ventura.

DUTCH TIDWELL INJURED April Fool's Day is supposed to be a day of unusual happenings. This certainly held true for Dutch Tidwell. Dutch is employed at the Farmers Elevator, and that morning he lost a finger nail. Late the same day he was in the top of the elevator and fell. In his descent, his thigh was torn to the bone as he struck and iron peg. Stitches were required to close the wound, he walks with crutches and has been compelled to spend this week at home.

AGGIE BRIEFS

Black Markets in Meat Though we hear and read of the record breaking production of livestock in 1942, we also read and hear complaints daily of meat shortages in all parts of the Nation. These shortages are due largely to two things, Hoarding and Black Markets.

The number of livestock slaughtered in 1942 under Federal Inspection has dropped greatly from the same period in 1942 and much below the slaughter expected after last year's record-breaking production. In January and February, cattle slaughtered totaled 9 percent under the same months in 1942. This represents a decrease of more than 165,000 head of cattle, equal to more than 80,000,000 pounds of dressed meats Slaughter of calves under Federal Inspection was down 15 to 25 percent. Though hog slaughter under Federal Inspection during February picked up to a level slightly above February of 1942. It was still nearly 30 percent under the slaughter expected. Only sheep and lamb slaughter, has reflected the increased production in livestock as of 1942.

To correct these conditions, our Government, through the Department of Agriculture and the Office of Price Administration, has launched a national meat control program. The controls include: (1) Livestock Slaughter and Dealer Permits-- effective midnight March 31, 1943. (a) All who slaughter livestock for the sale of meat must obtain a Federal permit. All major wholesale cuts of meat sold by them must be stamped with their permit number. The slaughter permit and meat restrict in order, limits slaughter and sales to civilians to certain percentages of 1941 slaughter and sales. (b) All livestock dealers must obtain Government permits to buy and sell livestock. This order applies to dealers who buy and sell livestock, and keep them for less than 30 days. The dealer is required to keep accurate records of all livestock handled, (bought and sold). These records shall include number of livestock bought or sold, date of transaction, from whom bought or to whom sold approximately weight of animals and price paid or received.

Farmers and ranchers who normally keep livestock more than 30 days are not required to have dealers permits, but are requested to keep records of all livestock purchased or sold, price paid or received, date of transaction and whom sold or from whom bought. Cotton Crop Insurance Hits New Peak

Cotton Crop Insurance hit a new peak in Texas this week as the Federal Crop Insurance campaign neared the closing date for accepting applications. Thursday, April 15, 1943 is the closing date for accepting Cotton Insurance applications in this county. Producers who wish to insure their 1943 Cotton Crops from the time it is planted until it is weighed in at the gin (against all unavoidable hazards) must see their Insurance Application reaches the County AAA Office before midnight April 15, 1943.

Mr. and Mrs. Wayland Fitzgerald and family were supper guests in the Claude Allison home Sunday. Mr. and Mrs. Ashel Cross and Dorothy attended to business in Plainview Saturday.

and the others go ahead, and they succeed because of those who died

WE HERE AT home read every day that "the Home Front is doing this" and "We are just as essential as the boy on the front line". "Food will Win the War" and many more nice slogans and self-pats on the back. Well I guess they are all true. This month and this bond drive will tell just how far we here at home are in the war in spirit. The man on the plow is essential. That's right. But it's also right that it is easier to be essential when some bird isn't playing a rat-tat-tat on your hat with a machine gun. — And there's a right smart more monetary consideration right now for an essential worker than for the boys in the fox holes.

THINK THOSE FACTS over my friends in crime. And then we highly essential folks here at home say when handed an order to "take an objective of \$105,000 this month "It Can't Be Done." It can be done but it's not going to be done with our spare change. Dig brother, dig. And be d--n thankful that you

are digging for money to loan instead of digging a fox hole to save your life.

H. ROY BROWN tried to call back about twenty years Sunday and be a carefree cowboy again — if just don't work Monday and Tuesday, if you noticed, he looked like he was walking on eggs. Small mincy little steps that would do justice to Ann Southern — but without her noted hip swing. The thing that happened was a simple little horseback ride. I've always thought that if H. Roy and a horse ever tangled, that the horse would come out second best but if he did there's a mighty sore horse in the Brown stable. . . . And Milton Dudley didn't keep up with the top of the saddle because he is in nearly the same shape as Father Brown. It all goes to show how old age creeps up on one — and hat it takes more than a nice herd of cattle to make a cowboy out of a hardware merchant.

LAST WEEK I told you about the old Red hen of U. D. Brown's story has a sequel to it — the next day the hen died. Chalk up one that laid the big egg. Well the more score against Hitler. When

our farm hens get to working for Food for Victory to the extent that they sacrifice their lives it shows that we really are getting in the groove. I might suggest for the benefit of other farmers with hens of large ideas that the Caesarian operation has been developed to a high degree among us humans — it might work in poultry too. P. S. I broke the egg. It had a yolk and white and then another complete egg inside shell and all.

THIS MAN McCarty must have been qufe a card when he was in school. He knows all the tricks of the business. For instance, comes April Fools Day—and did he fool the kids! From the beginning of time, it has been proper and customary for about half of the high school kids in the U. S. to turn April 1st into "skip day". No one has ever figured out a remedy or a solution for it. But McCarty did. He simply gave them the day off, with his compliments. He beat them to the draw so as to speak and of course the kids thought it the best idea they'd ever heard of. No time was lost, for after getting a good deal like that, the kids just naturally buckle down and make up for it. Silverton folks are beginning to appreciate Mr. McCarty and are backing him up—and he is doing a swell job in turning chaos into a A-No. 1 school.

I WAS TALKING to Charley Herndon the other day, and he is worried—and that's something for him to get worried. He says that many farmers are talking of not planting because they think there will be no pickers. If that's right you guys better wise yourselves up. Secretary of Agriculture Wickard has made arrangements for Mexicans to come over for the cotton season and on farther east and south, over a million hands from Jamaica are being brought in for labor. In fact from the way things are stacking up, there will be more hands than there has been for years. You get right down to it, and there were more hands here last fall than for several years. The thing that happened last fall was the gasoline rationing coming just when it did. It scared the daylight out of most of them and they took off for home before the picking was nearly over. Well, that won't happen again. We need every cre crotion and food that we can get in the ground.

THE BRISCOE COUNTY News office will be closed Friday and Saturday. Yours Truly is going to a Press Meeting in Amarillo. Barb will be at the house Friday.

If there's something you've just got to have—call her.

SUDDEN THOUGHT — the next time that Central gal rings in my ear again I'm going to tear the phone off the wall and mail to Roy Brewer at Memphis with, no without my compliments. If there's anything that makes me feel non-complimentary it is that.

**THE STATE OF TEXAS**

To: Lewis J. Seale, Mary Seale, Grace Seale, Susan E. Seale, D. W. Seale, Nancy Seale, Minnie Hawthorne, Eliza Kempner, and if married, their respective husbands; if deceased, then their unknown heirs and all legal representatives of defendants; and A. M. Burden, and all unknown owners and claimants of the land and premises herein described and all of their unknown heirs, and all unknown claimants and legal representatives, Defendants, GREETING:

You are hereby commanded to appear before the Honorable District Court of Briscoe County at the County Court House thereof, in Silverton, Texas, at or before 10 o'clock A. M. of the first Monday next after the expiration of forty-two days from the date of the issuance of this citation, same being the 3rd day of May, A. D. 1943, then and there to answer Plaintiff's Petition filed in said Court on the 27th day of February A. D. 1943, in this cause, numbered 1205 on the docket of said court and styled

May L. Russell, et al, Plaintiffs, vs.

William Seale, et al, Defendants

A brief statement of the nature of this suit is as follows, to-wit:

Suit is trespass to try title to remove cloud from title to said land and for damages, filed February 27, 1943, suit No. 1205 in the District Court of Briscoe County, Texas by Mary L. Russell joined by her husband, J. N. Russell, plaintiffs in said suit, complaining of William Seale, Ruth Seale, Lewis J. Seale, Mary Seale, Grace Seale, Susan E. Seale, D. W. Seale, Nancy Seale, Minnie Hawthorne, Eliza Kempner, Otis Tidwell, Elsie Cornett and husband Omer Cornett, Fay Dean Bingham, and husband J. Free-land Bingham, J. W. Tidwell, A. M. Burden, Federal Farm Mortgage Corporation, Land Bank Commissioner, and if married, of the husbands of the above-named females, and if deceased of their unknown heirs; and of all legal representatives of the above named defendants and of all unknown owners and claimants of said land and premises: Said petition alleging that on the 1st day of December A. D. 1942 plaintiffs were lawfully seized and possessed of the following described land and premises lying and being situated in the County of Briscoe and State of Texas: The North 150 acres of the Northeast corner of said Section No. 21, in Block B-1, certificate No. 1-733, issued to B. S. & F. grantees, Abstract No. 65, described by metes and bounds as follows:

Beginning at the Northeast corner of said Section 21, for the NE corner of this tract:

Thence west 950.4 varas to a point in the North line of said Section No. 21, for the NW corner of this tract;

Thence south 891.3 varas to a point for the Southwest corner of this tract;

Thence East 950.4 varas to a point in the East line of said Section No. 21 for the SE corner of this tract;

Thence North 891.3 varas to the place of beginning, containing 150 acres of land.

Plaintiffs claim above described land in fee simple title.

That on or about the day and year aforesaid, the above named defendants unlawfully entered upon said premises and ejected plaintiffs therefrom and unlawfully withheld from them the possession thereof, to plaintiff's damage in the sum of three thousand dollars.

Plaintiffs plead the Statute of Limitations and claim that they and their grantors through whom they claim title have had peaceable possession under title from the State of Texas, of the lands described in their petition for more than three years, before filing their petition in this suit.

Plaintiffs claim that they and those under whom they claim title have held the same under deeds duly recorded and have held peaceable, adverse possession of said lands for more than five years before filing this petition.

Plaintiffs would show unto the court that they have a good and perfect title to said lands and premises as above described by metes and bounds and they have held the same in peaceable, continuous possession, cultivating, using and enjoying the same for a period of more than ten years before the filing of this petition herein and this, plaintiffs are ready to verify.

Plaintiffs say that they have a good and perfect title to said land and that they and those under whom they claim have held peaceable, adverse possession of said land for a period of twenty-five years prior to the filing of this suit under deeds duly recorded in the deed records of Briscoe County, Texas.

Wherefore plaintiffs pray the court that defendant be cited to appear and answer this petition, and that plaintiffs have judgment for the title and possession of the above described land and premises for cancellation of all liens, for removal of all clouds from title for writ of restitution, for rents, damages, for costs of suit, for general and special relief as is more fully shown by Plaintiff's Petition on file in this suit.

The officer executing this process shall promptly execute the same according to law, and make due return as the law direct s.

Issued and given under my hand and the Seal of said Court, at office in Silverton, Texas, this 17th day of March, A. D. 1943.

Attest:  
(SEAL) J. E. ARNOLD, Clerk District Court, Briscoe County, Texas

Call us... IF YOU HAVE AN EXTRA ELECTRICAL APPLIANCE... WE MAY KNOW SOMEONE WHO CAN USE IT!

Due to wartime conditions, there will be no more electric appliances manufactured for the duration, and the thought has come to us that a large number of our customers over a period of years have received duplicate appliances as Christmas gifts, wedding gifts or anniversary gifts, and would like to dispose of these items while they are so badly needed by other customers.

If you will furnish our office with the name, model, condition and price of the extra electric appliances you have on hand, we shall be glad to post them in our office in order that customers needing this type of appliance may purchase them from you. A number of appliances have already been placed through our assistance.

# THE 2ND WAR LOAN QUOTA 'UPPED'

## Briscoe County Must Invest \$105,000 In Bonds In April

THE GOVERNMENT of the United States is asking us to lend it 13 BILLION DOLLARS in the month of April. Briscoe County's share of that sum is \$105,000.00. (One-hundred & five thousand dollars) and it must be raised before April the 30th. We can do it. And we MUST DO IT! Every American must realize the truth:

In this, our toughest war, we've made a good start. We've trained a lot of men—made a lot of weapons—built a lot of ships.

But it's only a start. No man or woman among us would contend for a single instant that we're doing enough NOW to win this war!

### We've Got To Build More!

We broke all records building 8 million tons of shipping last year. But grim-faced Army and Navy men will tell you that the 18 MILLION tons we're building this year STILL WON'T BE ENOUGH!

### We've Got To Fight More!

From now until this war is won, America must be on the offensive. In ever-increasing numbers, your sons, brothers, and husbands must go into actual battle. Our losses have already begun to mount—and they will not grow less.

### And We've Got To Buy More War Bonds!

Sure we're all buying War Bonds now. But we've got to help pay for our increased fighting and building. We've got to match, as best we can, the sacrifice of those Americans who are toiling and sweating on a dozen battlefronts—with the bloodiest yet to come. The blunt fact is this: To keep our war machine going, we've got to dig up 13 billion EXTRA dollars this month. 13 billion dollars over and above our regular War Bond buying!

In the next few weeks you may be visited by one of the many volunteers who are contributing their time and efforts to this drive. But DON'T WAIT for him. Make up your mind now that before this drive is over, you're going to march right

down to your nearest bank, Post Office, or place where they sell War Bonds, and do your duty. And don't ever forget this: in doing your duty, you're doing yourself one of the biggest favors of your life.

For United States War Bonds are the greatest investment in the world—bar none. They're investments tailored to fit your particular situation. And they give you the chance of a lifetime to order and GET the kind of a world you want to live in after this war. Every cent you put in War Bonds now will help to guarantee plenty of peacetime jobs making peace-living for every one of us.

For your Country's sake—for your OWN sake—invest ALL YOU CAN!!

### There Are 7 Different Types of U. S. Government Securities — Choose The Ones Best Suited For You:

United States War Savings Bonds—Series E:—The perfect investment for individual and family savings. Gives you back \$4 for every \$3 when the Bond matures. Designed especially for the smaller investor. Dated 1st day of month in which payment is received. Interest: 2.9% a year if held to maturity. Denominations: \$25, \$50, \$100, \$500, \$1,000. Redemption: any time 60 days after issue date. Price 75% of the maturity value.

2½% Treasury Bonds of 1964-1969: Readily marketable, acceptable as bank collateral, these Bonds are ideal investments for trust funds, estates and individuals. A special feature provides that they may be redeemed at par and accrued interest for the purpose of satisfying Federal estate taxes. Dated April 15, 1943, due June 15, 1969. Denominations: \$500, \$1,000, \$5,000, \$10,000, \$100,000. Redemption: Not callable till June 15, 1964; thereafter at par and accrued interest on any interest date at 4 months' notice. Subject to Federal taxes only. Price: par and accrued interest.

Other Securities: Series "C" Tax Notes; ½% Certificates of Indebtedness; Treasury Bonds of 1950-52; United States Savings Bonds Series "F"; United States Savings Bonds Series "G".

NEW LEADERS IN MONDAY MEETING

The meeting at the Presbyterian Church Monday afternoon was opened by Mrs. Bob Dickerson, the new Auxiliary President.

The devotion was led by Mrs. Dickerson and Mrs. Sid Richards. In the inspiring message by the new president, she asked that each woman render greater service than ever before, to church and community; and that each member be much in prayer, especially in pleas for lasting world peace.

Mrs. Sid Richards led the Bible lesson, which was a quiz on the contents of Deuteronomy; and which showed study and preparation on the part of leader and members.

The Auxiliary has a good supply of unusual and attractive birthday cards, get well and sympathy cards, and other everyday greetings, reasonably priced. See them at the homes of Mrs. Bundy's or Mrs. Wright.

Mrs. Tony Burson will be hostess April 18th, and Mrs. Chick Northcutt leader.

Our Boys Will Be Grateful to These Folks

Jake Honea, War Fund Campaign Chairman for the Red Cross has given us the complete list of contributors to the 1943 War Fund. The list is complete to date. However, typographical errors do occur, and if your name has been omitted, it will be gladly corrected.

This is a paid advertisement—paid for by H. S. Sanders and Jake Honea. It is being run partly as an informative article but mostly as a reminder of a job well done, thanks to you, the people—and of a greater job to do. The united efforts of every man, woman, and child in the county are needed to raise this month's huge bond quota. It is our job—we must not fail the boys at the front. In the same spirit that the folks on this page responded to the greatest Red Cross drive in history—in that same enthusiastic way Briscoe County must go OVER THE TOP with bonds.

Plainview Tuesday. Mr. Bradley was called to Portales, N. M. Saturday by the death of his brother. He returned to his home here Tuesday. Mr. and Mrs. Dee Reid, Mrs. W. W. They GIVE Their Lives — You LEND Your Money

We have War Stamps for your convenience. Please take your change in War Stamps for Victory.

IS YOUR EASTER WARDROBE READY?

City Tailors

Not a word this week about buying groceries. Uncle Sam is calling on us folks here in Briscoe County for such an immense sum of money that it's going to take the work and money of everyone to meet the quota. The kids on the front line are fighting for us and doing it gladly. Let's do the same thing for them. We can't quite, though—for they GIVE their lives—we only LOAN our money.
