

NEWS from the BOYS IN SERVICE

ROY MONTAGUE of the Navy home on leave with his parents.

LEO COMER, of the Army is visiting his wife Mrs. Wilene Comer.

CPL. HERMAN ROBINSON is visiting his wife this week.

PVT. ROBERT BARROW, is from Kentucky visiting his parents Mr. and Mrs. W. S. Barrow.

J. W. FOUST, who is in the Air Corps has been stationed in Amarillo.

CPL. RUSTY ALEXANDER, who is in Africa writes, Dear Roy, I don't imagine that by just looking at my name you will remember me, nevertheless I'm a native of Briscoe County. I graduated from high school there in 1935.

Is everyone in God's country? I get the paper every so often over and see plenty of boys that I know at home are over here in North Africa, but so far I've been unable to get in contact with them. I don't know any of their addresses or outfits, they are in over here I suppose it is impossible for you to send their address to me but tell me hello for me.

I suppose Jake is still Sheriff up here. Give him and the Mrs. my regards. Also Uncle Gordon when you next see them. There isn't much news to write about excepting the weather, which for all summer could be summed up in three words "Hot and dry", and rain in sight either. Roy I guess have to close for the time being sincerely yours Rusty Alexander

LEO CUPPELL, located in the South Pacific has been advanced from Carpenters Mate, third class, to Carpenters Mate second class.

CPL. JOHNIE W. FOLLEY of Silvertown, Texas has been promoted from corporal to sergeant it is announced by post headquarters recently. He works in Unit personnel at Frederick, Okla, the West Coast's newest twin-engine advanced flying school.

MAURICE FOUST, is now stationed in Miami, Florida.

SGT. STEVE MORGAN has received a medical discharge from the army. Mr. and Mrs. Morgan live in Kress.

OPS BOMBS — OTHERS CORN
When the B-24 Liberator Bomber "Lemon Drop" of the U. S. Army Ninth Air Force came back from its mission of bombing Rumanian oil refineries at Ploesti, the stalks were clinging to its bomb bays.

The bombardier, Captain Herbert Light, Ames, Tex., observed - "Why, back in the day we'd have to fly 25 feet off the ground to get above the corn. No risks involved in that. But when you're heading for a target in the Rumanian oil and corn country, you've got to tear along at six feet off the ground to get above the corn tops."

THANKS A LOT, FRIENDS
We want to take this way to express our appreciation for the help you folks gave us in fighting the prairie fire Saturday night. There isn't any way we can thank you folks with words—you saved us a lot, and we know you don't expect any thanks—but, if there's any way we can be of help to any of you, do not fail to let us know.

It's one of the reasons we're glad we are Texans—they don't make your kind of folks everywhere.

Prairie Fire

One of the largest prairie fires in the history of the county was brought under control last Saturday night only after an all night fight. Two and a half sections of good grass belonging to J. H. Burson was destroyed.

Origin of the fire which started about dark Saturday night, is not known. However it started near the old Clarendon Highway and it is thought that a careless cigarette or match was thrown from a passing car. The fire burned east and north to the Cap Rock. It was thought to be under control about eleven o'clock but a swish of the wind caused another outbreak that was not subdued until about four in the morning.

It is thought that around 1,000 people were at the scene of the fire—from Silvertown, Quitaque, and Turkey. The fire departments from all three towns took part in the fight, which probably saved Mr. Burson more severe damage in cattle and buildings. No buildings nor livestock were burned, and Mr. Burson, in an advertisement this week says that he is very deeply grateful to his neighbors for their help. He said, "I just didn't realize just how fine my neighbors and friends were. It couldn't happen that way anywhere but in Texas."

CARTHEL IS CONOCO MAN HERE AGAIN

Jake Carthel, who was connected with Continental Oil Company here some time back, is announcing this week that he is again in charge of the Conoco business for the Silvertown territory. He replaces Willie Amel Smithee, who left for the Navy Wednesday of this week.

BOOK REVIEW

GARRISON-RICHARDSON VOWS SPOKEN AT BAPTIST CHURCH

The wedding of Miss Cleo Garrison to Reverend Arvil Richardson was solemnized Tuesday evening, September 14, 1943, at eight o'clock in the Calvary Baptist Church.

Reverend L. A. Doyle, pastor of the First Baptist Church, Floydada officiated with a double ring ceremony, as the couple and attendants stood before a flower covered arch. The church was decorated with greenery and varied colored dahlias. Cathedral candles burned on either side of the arch and in the background. Pews were marked with green and white ribbon.

Music for the occasion included Cadmans "At Dawning" and Carrie Jacob Bonds "I Love You Truly", sung by Mr. Coley Arender of Amarillo with Miss Lola Fern Foust at the piano, before the ceremony; Mendlessohn's "Flow er Song" as the vows were spoken and the traditional wedding marches.

The bridesmaid, Miss Charlene Garrison, sister of the bride, wore a floor length gown of pale blue silk voile over blue taffeta, and carried a bouquet of pink roses. Flower girl, Jeanne Darsey of Matador, wore a floor length dress of white taffeta. Carrying the rings on a blue satin pillow was Ring Bearer Truett George Craft.

Reverend Jack Reeves of Wayland College, Plainview served as best man. Serving as ushers were Jerrel Gaddy and Freddie Garrison both of Wayland College.

The bride's mother Mrs. C. C. Garrison wore a street length dress of blue alpaca with a white carnation corsage.

Mr. Garrison gave his daughter in marriage. She wore a white

taffeta fitted gown. Her shoulder length veil was held in place by a tiara of "Orange Blossoms". She carried an arm bouquet of white gladioli with white satin streamers. The bride carried a white testament bound in gold, which was a gift to the brides father fifty-two years ago and a blue linen handkerchief. She wore a strand of pearls borrowed from her Sunday School teacher Mrs. Evelyn Finley.

The ceremony was followed by a reception at the home of the brides parents Mr. and Mrs. C. C. Garrison. In the receiving line were the bride and groom, Mr. and Mrs. C. C. Garrison and Mrs. J. J. Dorsey.

The three tiered wedding cake was topped with a miniature bride and groom. The table was covered with a lace tablecloth. Miss Charlene Garrison presided at the punch bowl and Miss Lola Fern Foust served the cake.

After the reception the couple left for a short wedding trip. They will be at home in Silvertown.

Mrs. Richardson is a graduate of the Silvertown High School in 1940 and attended Wayland College at Plainview. Rev. Richardson is a graduate of the high school in San Angelo in 1934, and graduated from Hardin-Simmons, at Abilene in 1939.

Out of town guests included Rev. Jack Reeves, Jerrel Gaddy, Betty Jo Bogan, Betty Hitt, Dinks Moore, Freddie Garrison and Charlene Garrison all of Wayland College, Plainview; Joyce Fisher Oltun; Mrs. Tom Dorsay and Mrs. Robert Dorsay, of Matador, Rev. L. A. Doyle, Floydada, Rev. and Mrs. Coley Arender of Amarillo, and Mr. and Mrs. Keltz Garrison and son of Crosbyton.

CHRISTMAS PACKAGES TO MEN OVERSEAS MUST GO EARLY

The Christmas shopping season is here — even though the weather is still warm.

Mailing of gifts for army and navy personnel overseas must begin by September 15, if many of the men and women in our armed services are not to be disappointed.

Christmas gifts may be mailed by parcel post to army men and women overseas only between the dates of September 15 and October 15. After the latter date, such parcels may not be mailed unless a written request from the soldier for the article is presented with each parcel. No soldier should have to ask for a Christmas gift. Gifts must be mailed on time. The Navy urges that gifts be mailed between Sept. 15 and October 15.

Reasons for the early mailing dates are: The vast distances that the parcels must travel to reach our men at war fronts and stations the world over; frequent transfers of thousands of men from one location to another, which means forwarding of the mail and consumes additional time; the necessity for giving preference to reinforcements, munitions, arms, medicine and food allotment of shipping space, which often means that the shipments of gifts must wait. And it is most urgent that all gifts be delivered to the men in time for Christmas, to keep their spirit high.

The only way to insure against disappointment for the fighting men is to buy at once and mail early — mail your gifts as soon as possible.

Those who have relatives or friends in the service should remember that we have fighting men in Alaska, Greenland, Iceland, England, Sicily, far-separated regions of Africa, the Near Eastern countries, Australia, many of the South Pacific islands, India, China, South America and other areas.

Weeks are required for a ship to reach many of these stations. There can be no assurance, of course, that the first ship sailing for any of these locations will have space available to carry Christmas parcels. Gifts may have to wait until vitally needed supplies and equipment have been shipped to assure victory and to save the lives of our men. If the parcels are not mailed early, that delay may prove to be just enough to prevent their arrival by Christmas day, with consequent disappointment to the men who are offering their lives for their country and ours.

Mail of all kinds is vital to the spirit of fighting men. Every officer who has inspected our army and naval posts facilities overseas has reported that thousands of fighting men disregard mess call when it conflicts with mail call, and get their letters first. Officers at our large military and naval stations report that the spirit and efficiency of their men receive a distinct lift when mail is distributed, and that a delay in mail service caused a decided decline in spirit and a consequent letdown in efficiency.

Rules for Christmas mailing to the fighting forces overseas were made public in June for the guidance of early shoppers. They include:

The parcel must not exceed five pounds, and must not be more than 15 inches in length or 36 inches in length and girth combined. It should be marked "Christmas parcel" so that it may be given special attention to assure it's arrival before December 25th.

Not more than one parcel may be mailed in any one week to the same member of the armed forces by or in half of the same mailer.

The parcel must be well and strongly packed, in a container of metal wood, strong fiber board, or similar material, then wrapped in strong paper and tied with twine. The cover should be such that it can be opened readily for censorship. The contents should be packed tightly.

Perishable goods, such as fruits that may spoil, are prohibited. Inflammable, inflammable materials such as matches or lighter fluids, poisons, and anything that may damage other mail is prohibited.

To heck with that new suit. Buy a bond first.—City Tailors.

Bond Sales Lag Badly First Week

SCHOOL GETS OFF TO GOOD START

In spite of the uncertainty about the starting of school, and the hesitancy on the part of school authorities and parents to take the risk of infantile paralysis spread, enrollment figures and general interest shown indicates a fine spirit that bids fair to overcome the difficulties and make this another successful school year.

Approximately four hundred students are now on the rolls. The grade schol is somewhat smaller than last year, but the high school shows a decided increase. Only two new courses are being offered in high school this year — speech and choral singing, which are full credit courses. Mrs. Gaynelle McWilliams is offering the course in speech, which has an enrollment of about twenty students. Choral singing is under the supervision of Mrs. R. Wilkerson, music teacher. There are about thirty students in the class.

One other innovation over last year is six-man football. The boys are working out daily in preparation for their conference season which begins September 24. There are only four schools assured for the district. Silvertown, Quitaque, Turkey and Flomot, with Happy possibly to be included, though this is not assured at the present time. The competition will be on a home and home basis with each school playing each other school on its home field. This will mean six conference games if there are only four teams in the conference. Datis Martin and Lem Weaver are working with the boys at present, since no regular coach is available.

The faculty this year contains four new names. Mrs. Bertha Lewis, from Wheeler, Texas, and who served in the Shamrock system as English teacher for twelve years prior to the 1940-41 term, has charge of the English department.

Mrs. Gaynell McWilliams, who formerly taught speech in the Childress and Skellytown schools has charge of the history and speech departments in high school.

Mrs. Charlene Wilkins, who has not taught in several years, is in charge of the sixth grade. She is from Tulia. Mrs. Wilkins secured her college training at W T S T C Canyon.

Miss Lavalle Montague, commercial teacher, is a graduate of Silvertown High School, and finished at W. T. S. T. C. Canyon. She taught at Turkey last year.

Mr. and Mrs. T. L. Hamilton of Abilene, and Ignacio, a native preacher of Columbia, South America visited in the home of Mr. and Mrs. Bailey Hill.

Bond sales in Briscoe County are lagging far behind expectations as the Third War Loan goes into its second week, and sales to Wednesday night have amounted to less than one-fifth of the quota given the county for the month. The quota is \$211,900.00, and sales reported are \$42,359.00. Broken down for the selling agencies of the county the amounts are First National Bank — \$31,240.25 Quitaque P. O. — approx. 1,200.00 Silvertown P. O. — 9,918.75

TOTAL \$42,359.00

Just why folks are not buying with more enthusiasm is not known, and Chairman Sanders has called a meeting of all committeemen and workers for Monday night to discuss ways and means of impressing upon folks the importance of the drive—and to stress the fact that the quota must be met. The meeting will be held in the County Court Room at 8:30, September 20.

Indifference seems to be the chief reason for the low purchases to date. Salesmen report that they are meeting with every kind of excuse—dry weather, income tax payment, and what have you. The chief reply is "I'm doing all I can do"—which is a laugh in every sense of the word. The fact that you want to buy something for yourself is nearer the truth.

Right now our men are in distress in Italy, with the issue of the Battle for Salerno gravely in doubt. American casualties are running higher than in any other engagement thus far in the war. Before the month is out, there may be telegrams to this very community—"We deeply regret to inform you that your son was killed in action —".

Boys that we know—kids here just a few years ago—they're under enemy fire at this very minute—perhaps the very minute that you are saying "I'm doing all I can". You aren't. None of us are. The indifference being shown in this county is an insult to the men in the fighting.

If Briscoe County goes down this month—fails to meet her War Bond quota—let none of us be found saying that we are proud of the men in uniform because it will be an idle statement. The facts will speak otherwise.

If you have bought a bond, buy another, and a bigger one. If you have not done your bond buying then do it now. The need is urgent. This is war.

The W. M. S. of the Calvary Baptist Church met Monday afternoon with Mrs. Roy Brown. Mrs. J. R. Foust who will join her husband in Amarillo next week was complimented with a handkerchief shower.

Please send a hanger with each garment.—City Tailors.

WANT-ADS

WANTED TO BUY — Tomatoes for canning. Mrs. Roy Hahn

WANTED TO BUY — good low wheeled wagon. 22-1tc Earl Simpson

FOR SALE OR RENT — 5 room house. 22-tfc Troy Burson

FOR SALE — Seed barley, \$1.25 bu. Also Van Brunt 10-hole drill \$150. 22-2tp B. D. Tindall

NOTICE
It is now time to start taking cold vaccine, if you wish to keep off those annoying winter colds, so prevalent in this section. By taking the vaccine you get immediate protection as it goes right into the circulation and besides the protection from colds you are also protected from pneumonia and influenza. Now is also a good time to immunize the children against diphtheria and whooping cough. O. T. Bundy, M. D.

BACK THE BOYS — BACK YOUR COUNTY — Our Quota Is \$211,900.00

On behalf of the Treasury Department, and on behalf of the men who are doing our fighting, we want to urge you to buy MORE BONDS this month than you have ever bought. The boys in service need equipment and that money buys it. It takes millions of dollars every hour to keep them supplied with the things they need. It's up to us here at home to do without some of the things WE WANT so that they can have the things THEY NEED!

And another thing to think about — WAR BONDS ARE THE SUREST INVESTMENT ON THE MARKET!

THE GIST of Yours True?ly's

thoughts for the week are to be found in the Bond Story on the front page. There's no room nor time for my usual volume of corruption.

I Give You "Texas"

A good story is told by Charles Dean, former prosecuting attorney of the Plainview district. In the "good old days" of long ago, it was the custom of some defense attorneys, after a case had gone to the jury, for one of them to climb up the attic rafters and try to hear what the jurors were saying. In one important case, the defendant's attorney drew straws and the loser made his way to the "observation post." He came back brushed the cob webs off and, when asked what it looked like the jury was going to do, he replied:

"I haven't the least idea. The only thing I heard was when one

juror asked 'How do you spell penitentiary?'"

One of the smart alecks of the East, who writes a column of misinformation on the war and politics, sneered a while back at Texas because our State leads the nation in the number of volunteers. He said that the standard of living is so low down here that the Army pay looks like a fortune. His statement is, of course, a slander on our patriotic soldiers and sailors who are offering their lives for their country — including such ingrates as the scurrilous Eastern commentator. But he keeps on writing for the big city paper to the owner and the editor must approve of such slime, too, or else they would fire him.

The door of every true American should be closed against him and he ought to be forced to eat the ofal from the swill barrels in the back alley along with his four-foot brothan.

Speaking of checkers (which we were, some weeks ago) I knew a man who had a crooked joint on the second finger of his left hand. If he was about to have to move a checker out into an unprotected position, he would shove it forward with his forefinger and, at the same time drag another checker along with that warped finger, his hand concealing this extra maneuver. His friends were "on" to him and he didn't try this with them but a stranger playing him would look puzzled and say, "I could have sworn that checker was going to be out there by itself."

Referring to the Tennessee city, P. T. Barnum — prince of showmen — remarked: "There are more fools with half dollars in Memphis than any other place in the world. And it was Barnum who said, 'The American people like to be humbugged.'"

A similar remark, but much more optimistic, was Lincoln's: "You can fool some of the people all of the time, and all of the people some of the time but you can't fool all the people all the time."

PEACE TO PAY FOR LEND-LEASE

"The Congress in passing and extending to Lend-Lease made it plain that the United States wants no new war debts to jeopardize the coming peace." President Roosevelt declared in his letter transmitting to Congress the eleventh report on Lend-Lease operations for the period ended July 31, 1943 "Victory and a secure peace," the President added, "Are the only coin in which we can be repaid."

Get Behind The Boys

We want to use our advertisement this week to join with thousands of other advertisers this week over the country, to urge you to back the boys with bonds. Those boys are getting the job done—Italy has already surrendered—the Axis is on the run everywhere. And the faster our lads chase them to cover, the more money it takes to run the show. The more equipment we give them—the quicker the dirty job will be done and the more boys will return safely.

We here in Briscoe County have a big job this month to meet the Bond Quota given us. Nearly everyone who reads this has some bonds—but everyone of us must have MORE BONDS. Right now, while you are thinking of it, do your bond buying—and remember—buy an extra bond to BACK THE INVASION.

HONORED AT SOCIAL

Mrs. Perry Thomas Sr. entertained with a buffet supper in honor of Mrs. Annie Stallings, Thursday evening. Mrs. Stallings son Roger, who has been on Midway and other Pacific Islands was given special recognition for a feat undertaken in the line of duty. While salvaging a plane at the depth of 84 feet in the ocean, Roger's lines became tangled and he was unable to receive oxygen or to communicate with the men above water. To save himself he took off his diving equipment and worked his way to the surface thru shark-infested waters. This was such a courageous feat that he received recognition in LIFE magazine.

**THE 3RD WAR LOAN
DRIVE IS ON!**

Today...YOUR COUNTRY looks to YOU to back the INVASION

3RD WAR LOAN

**15 BILLION DOLLARS
(NON-BANKING QUOTA)**

• The big drive is on! Not only on every battlefield—but on the home front, too. As the tempo of the war increases . . . as our fighting forces go all-out for INVASION, we folks back home must mobilize in their support.

We must back the attack with our dollars.
And that's what the 3rd War Loan Drive is for!

Today marks the opening of this vital drive, probably the most important appeal your government has ever made to you. Open your heart . . . and do your full part.

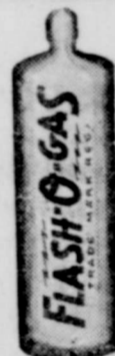

To reach our national quota everyone who possibly can must invest in at least one EXTRA \$100 War Bond during the drive. AT LEAST \$100. More if you can. That's in addition to your regular War Bond subscription. Invest out of your income . . . invest out of accumulated funds. Invest every dollar you can. For, one thing is certain—this is total war and everyone must do his full share. And that means you!

You know all about War Bonds. You know that every penny comes back to you with generous interest. That War Bonds are the safest investment in the world. That they help secure your future . . . hasten Victory. So now—today—let's all do our share. Back the invasion now—buy at least one extra \$100 War Bond in September.

What You Buy With WAR BONDS

5 Ocean Navy

When Pearl Harbor burst upon us our great expanse of territory was protected by a one ocean navy of about 350 first line ships with an addition of an approximate number building.

Now we are in a five ocean war and we are required not only to pay for the building of enough ships of the line but also for hundreds of Liberty ships and auxiliary craft. The amount of money you invested in War Bonds when we had a one ocean navy was all right then, it isn't enough now. Buy more and more War Bonds.

3RD WAR LOAN DRIVE
-FOR INVASION

Put a circle around the date—Thursday, September 9th. For that's the day the 3rd War Loan Drive starts.

On that day, you will be asked to go the limit to back our valiant fighting men. You will be asked to do your share in the greatest invasion the world has ever seen. Answer your country's roll call!

Your part is to back this invasion by investing in at least one EXTRA \$100 War Bond in September. That's in addition to your regular War Bond purchase. Invest more than \$100—a lot more—you possibly can.

The job is big. Everyone must do his full share if we are to put this drive on the top.

War Bonds are the safest investment in the world. For your own sake, for your Country's sake, put every spare dime and dollar in War Bonds during the 3rd War Loan Drive.
