Published Weekly at Silverton, Texas

Volume XXXVII Number 22

PVT. KELTON NEWMAN son of Mr. and Mrs. Bill Newman, has been in service 22 months. He is in the Air Corp as a mechanic with the ground crew. He is now stationed in New Guinea. Mrs. Newman and two children reside in Silverton.

ESDELL HUTSELL left Sunday for Dallas, where he reports for Air Training. From there he goes to Jacksonville, Florida.

A. J. ROWELL left last Wednesday for the Navy. He will take his training at Farragut, Idaho.

WILLIE AMEL SMITHEE writes his parents from the Pacific: "Dear Mom and Dad, I wonder if you are all doing this evening. I got another Briscoe County News and sure did enjoy it. I think of that old saying 'you can't take a boy from the farm but you can't take the farm from the boy' and I find that very true, because nearly anything you do in the home, you can remember some experience that happened at home pertaining to it. I have been gone from home a year now and sometimes I get more homesick than I did right after I left. Some of the boys are getting to come back but nearly all of them have had their month in."

There have been many interesting and educational things this year, but I have many interesting things at home, that I would like to see. I would like to see. However, I miss the Navy is pretty good, but I can never have his mind on what is doing, it's always at home. I sure hope you all can stay well and maybe it won't be too long before I'm back."

EARL CANTWELL will preach at the Silverton Church of Christ, Sunday September 17th.

LEUT. ROSS W. DOWDY of Phoenix, Arizona, came last week to visit his parents Mr. and Mrs. R. Dowdy.

SGT. Jay Kenneth Reid of Boston, Mass. is spending part of his furlough with his parents Mr. and Mrs. C. N. Reid.

BOB MCDANIEL was home on furlough last week. He is stationed at Sheppard Field, where he is an airplane mechanic.

HERE IS A LETTER from Roy Walker who has been in the service: "Dear Roy, just finished reading the Silverton paper and I wanted to write you. It usually takes about six weeks for me to get the paper, but I enjoy catching up on the news from home. The boys have been reading the paper and said they were going to write to you. Don't be surprised if you hear from me. I said that there were several of the boys from home in England or here in Silverton. Haven't been able to locate them. Must close to get this letter censored."

1945 WHEAT GOAL

DENTON H. SMITH, AAA Sec.
Farmers of Briscoe County should maintain their wheat seedings for 1945 harvest at approximately the same acreage as was seeded for harvest in 1944, to help meet the State wheat goal of 4,600,000 acres.

The State goal, established recently by the State USDA War Board, and other farm representatives, will contribute to a national goal of 68.5 million acres.

The State goal, established recently by the State USDA War Board, and other farm representatives, will contribute to a national goal of 68.5 million acres, which is slightly above seedings for 1944. According to a preliminary survey by the Bureau of Agricultural Economics there were approximately 4,628,000 acres seeded to wheat in Texas for 1944 harvest.

Favorable weather and harvesting conditions boosted 1944 yields nearly six bushels an acre above the 1933-42 average.

In view of the improved wheat supply situation, the War Food Administration is advising producers not to exceed the goals set by the State USDA War Boards.

It now appears that we will not need to export nearly as much wheat to liberated countries as was expected in 1943 and the early part of 1944. For example, when Sicily was liberated and since the Allies have moved into Italy, a large part of the needed wheat has been supplied to these countries from Africa.

The 1945 wheat goal has been set around this year's acreage in order to insure enough wheat for civilian, military, and export needs on the basis of average yields. An increased acreage together with another year of high yields and favorable harvesting conditions could produce an over-supply of wheat.

The need for balancing production of wheat with other needed crops and for sound land utilization is pointed out.

The War Food Administration will continue in 1945 to support wheat prices. Currently, loans are being made on the 1944 crop which reflect 90 percent of parity.

LUMBER CERTIFICATES

Farmers are entitled to "Certified and Rated" orders for lumber if they use it for essential maintenance and repair of implements and farm service buildings, other than dwellings.

A farmer's lumber certificate, issued by the AAA Committee is a "certified and rated order" and a dealer who fills the order can use the preference rating when he places an order for more lumber to maintain his stock.

During this time of lumber shortage, the use of farmer's lumber certificates is the only way we can be sure of keeping lumber in the yards to meet essential farm needs.

Farmers who need lumber should apply to their lumber dealers or to the County AAA office. The County AAA committee is authorized to issue certificates when the lumber will be used to maintain or repair implements or farm buildings other than dwellings, or to construct necessary buildings other than dwellings when cost will not exceed \$1,000 during the calendar year for the particular farm. The committee may also issue certificates for lumber needed for emergencies such as farm dwellings being damaged or destroyed by fire, flood, etc. For farm construction which must be approved by the War Production Board, the committee also receives farmer's applications and makes recommendations but does not issue certificates.

Farmer's lumber certificates can not be issued for lumber to be used on dwellings. Dealers are expected to have a small amount of lumber to sell to civilians in general for the maintenance of dwellings and other uses for which no rated orders are issued.

PROTEIN FEED CERTIFICATES
Under an order issued by the War Food Administration on August 7, 1944, processors of protein meal, cake, etc., in Okla., Texas & New Mexico are required to secure certificates of need from each person including feeders, who buys more than 500 pounds of protein meal within any 30 day period.

State and County Fall Short in August War Bond Sales

Briscoe County, and the whole state of Texas fell far short of their goal set for them in August for War Bond sales. According to a letter received by Chairman H. S. Sanders, we totalled only 65 percent of the quota.

The quotas set for September are the same as for August—29 million dollars for the State, and \$10,700 for Briscoe County. Nathan Adams, concluded his letter to Mr. Sanders saying, "The war news is good, but large sums are needed still, and I hope therefore that I can count on your wholehearted support in attaining your September quota."

CUB PACK REGISTERED

The Cub Pack of Troop 62, Boy Scouts of America, was re-registered Tuesday when O. K. Reynolds, of Lubbock, was here. D. O. Bomar was re-named as Cub Master, with F. M. McCarty, Roy Hahn and Dick Garvin as committee men.

Cub Scouts are the boys from 9 to 12 years old, who will soon make up the regular troop. Cub Scouts who re-registered are: Billie Wayne Garvin, Don Bomar, Melvin Hamilton, Wayne McMurtry, Ralph Lemons Jr., Bill Tension, Pat Northcutt, Carroll Davis and Willie Wade Reynolds.

L. T. D. CLUB MEETS

The L. T. D. Club met Tuesday afternoon with Mrs. Johnny Lanham. War stamps went to Mrs. Durward Brown and the "guess what" a pyrex dish was guessed by Mrs. J. T. Luke. Lovely refreshments were served to Messdames T. T. Crass, J. W. Lyon Jr., Ware Fogerson, Durward Brown, Roy Hahn, Dutch Tidwell, J. T. Luke and Arnold Brown.

The club will meet the coming Tuesday Sept. 19th with Mrs. J. W. Lyon Jr.

What's Doing in the Churches

EARL CANTWELL TO PREACH SUNDAY

Earl Cantwell will preach at the Silverton Church of Christ, Sunday September 17th.

Mr. Cantwell will preach at the church each third Sunday in the month. Everyone is cordially invited to attend.

Miss Ona Dell Guest of Amarillo is spending the week with her mother Mrs. J. R. Guest and her brother Sgt. Garner Guest.

Mr. and Mrs. Raymond Bomar left Wednesday for Denton, where Mrs. Bomar's father is seriously ill and will undergo an operation.

News Office Needs Information On All Men In Service

We are planning a special edition of the Briscoe County News, to be published as soon after the surrender of Germany as possible. This paper will be made up mostly of pictures and short stories of the men and women in service.

The only way for us to have the CORRECT information about your boy is for YOU to send it in. We have some dope on many of the boys but much of it is out of date now.

WILL YOU PLEASE DO THIS? It won't take you long. Just jot down the following information, or use the blank at the bottom of the page.

1. Full name, rank and branch of service.
2. Who is he? (son of—or related to)
3. How long in service, or date of entry.
4. Where is he now?
5. Any medals, wounds, or other interesting information.

If we do not have a picture of him, send it, with \$1.25 for the engraving cost. The picture will not be damaged in any way. If you do not have the picture, just send in the information.

Please do this now. We want to show a little mite of honor to the boys who are in service. If we can get the information now, we will be able to issue the paper right soon after Germany surrenders.

PLEASE DO THIS. Even if you are living right next door to us—please give us the dope you want published about your boy.

NEW APPLIANCE COMPANY

Announcement was made in last week's paper of the opening of the Hughes Radio and Electric in the Fowler Motor Building on South Main Street. George Seaney is manager of the new store.

The name does not nearly cover the stock of merchandise, and gas and kerosene stoves, butane tanks and appliances and even furniture will be on display soon.

The place is open now every day.

INFANT SON PASSES AWAY

Robert Lee Chitty, infant son of Mr. and Mrs. Olos Chitty passed away at the Tullia Hospital Saturday, September 9, at the age of seven days. Funeral services were held at Silverton, Sunday and interment was made in the Silverton Cemetery.

The bereaved parents have the sincere sympathy of the entire community.

CARD OF THANKS

We wish to thank every one of our friends who helped us in any way during the illness and death of our baby boy. Your kindness & words of sympathy will not be forgotten.

Mr. and Mrs. Olos Chitty and family

Mr. and Mrs. L. N. Chitty and family

Mrs. Edith Morgan and family

Ware Fogerson, Orlee Mills, P. H. McKinney, Mr. and Mrs. Edwin Davis and Peggy returned Friday for a six weeks harvest swing thru the northern states and Canada.

Miss Clynell Hutsell left Sunday to visit in Dallas and from there to Belton, Texas where she will attend college.

HIGH SCHOOL PAPER ISSUED MONDAY

The Silverton Owlet, high school publication of the Silverton Schools will make its first appearance Monday, September 18, according to present plans. The paper will be under the supervision of Mr. McCarty and Miss Leota Rumpy, and will be printed by the Briscoe County News.

June Wimberly is editor of the Owlet with Roma Lee Clemmer as Assistant Editor. Jeanne Dudley is business manager and Jack Snowden assistant business manager.

SIX MEN INTO SERVICE SEPTEMBER FIFTH

Six more Briscoe County boys went into service September 5th, according to R. E. Brookshier, secretary to the local board. The following men were inducted at Oklahoma City:

- Ira F. Shaffer, Jr.
- Henry M. Hasty, Jr.
- B. D. Fanning, Jr.
- James C. Bean
- William F. Chase
- A. J. Rowell

We will have more news for you of these boys as soon as they are definitely located.

NOTICE TO RED CROSS WORKERS

There is a RUSH call for 54 Red Cross Kits to be made immediately. Mrs. O. T. Bundy will give you the materials and instructions at the Library Saturday. This is urgent.

Mr. and Mrs. Bruce Womack returned Friday from a month in California with their son Billy Joe and family.

Chas. K. Herndon Passes Away Here

SGT. HOMAR GILKEYSON, writes from India: "Dear Mom, I haven't heard from you for over two weeks now. I sure hope you are not sick. I mailed you a letter a few days ago, but since I'm going to be gone for a few days, I thought I would write you again so you wouldn't worry about me. I sent you a telegram today wishing you a happy birthday. You will probably get it before your birthday but you will know I am thinking of you. I haven't had a letter from Elmer or Ruby for a long time. I don't know why they don't write. I've gotten four Silverton papers within the last week, but they were old ones. Roy put A.P.O. 895 on them instead of 885. Will you please give him my new address and make sure he gets it right. I don't know where you are, so I'm sending this letter to Silverton. Write soon and let me know how you are feeling. Johnny Lanham with his parents Mr. and Mrs. Lanham and Mrs. Mallow were called to Roswell, N. M. to be with Miss Billie Lanham, who underwent an operation Monday."

CHARLES A. JENKINS—PASSES AWAY
Charles A. Jenkins, 76, passed away Sunday evening at 9:30 after a long and painful illness. Mr. Jenkins had been ill most of the time the past three years and was confined to his bed a large portion of the time. The past five months he needed constant bedside attention. The aged companion was ever a faithful attendant until she no longer was able to take care of him. The son, Cpl. Morris Jenkins, was given leave of absence on several occasions to help care for him and six weeks was given an honorable discharge from the army to care for his parents. He, and sister, Mrs. Frank Drennon were constantly at his bedside until the end came. Mr. Jenkins was born near Cross Timbers, just across the Benton county line and spent most of his time in this community excepting for a few years in Texas. He was a carpenter by trade but was post master in Silverton, Texas for a few years. He also operated a store in Cross Timbers at one time. He was an active member of the Methodist church for many years. He and Mrs. Jenkins united with the Cross Timbers church in 1888 and were liberal contributors in both time and money as long as health permitted. The funeral service will be under the direction of the Ewing Funeral Home of Sedalia, Wednesday at 2 p. m. at Cross Timbers Methodist church. Burial will be in Cross Timbers cemetery. Besides the companion, son and daughter he is survived by a grandson, Ronnie Jenkins, three sisters, Mrs. Docia Jonas, Mrs. Florence Smith and Mrs. Louie Dalton and a number of nephews and nieces.—Hermitage Missouri Index.

NOW THE TALK is for a big rodeo here in about two weeks.

Paul Reid, Printz Brown, Snooks Baird and several others of the drug store cowboys have the fever pretty bad. The general idea is to stage the rodeo with all gate receipts to go to the Veteran's Building Fund. I think they said that Lone Star raised about \$500 last Sunday for the Lockney veterans fund. No date has been set, but the boys are already talking it up, have the calves and a day's work will put them up all ready to go.

SPEAKING OF THE Veteran's Building Fund, what are you doing about it? A few more names were added to the list this week, but not many. Everyone in the country is busy again, but it doesn't take long to write a check—then you can rest easy and let your banker do the worrying.

SEPTEMBER 15TH is the first date that you can mail packages overseas for Christmas—from September 15 to October 15. If you intend to send a package overseas, you will have to observe the above dates. On the general aver-

age, a package mailed this month will reach the boys just about Christmas time. If you don't have a member of your immediate family in service overseas, mail a little gift to some other boy you know. There's nothing like an unexpected Christmas gift to put a man in good spirits.

FROM THE LOOKS of the atrocities that correspondents are uncovering as they follow the troops into territory formerly occupied by the Germans, I believe they are worse than the Japs. The Japs haven't been supposed to be civilized but about 80 years, and the Germans have always claimed to be one of the most scientific and cultured nations in the world. Force and cruelty seem to be the only methods they understand.

Vigo Park News

Mr. and Mrs. Leo Gardner, La Jean and Robert went to Le Fores and McLain Saturday. Mrs. Gardner's family were together for a family reunion, all of her sisters

being together. Phyllis came home after a months visit with her aunt. La Jean remained with her aunt to attend high school this school year.

The Vigo school opened Monday with an enrollment of fourteen. Everyone was happy to see the newly painted walls. Mrs. Welker is going to be the teacher again this year. Best wishes for a good school year to all.

Mrs. Chas. Walker presented her music pupils in a recital last Wednesday at her home. Eight children played, featuring solos, duets, and Hymns. The mothers and several friends were guests. The music was good and the afternoon enjoyed by all.

Sgt. F. M. Hill Jr. is home on furlough visiting his mother and father Mr. and Mrs. F. M. Hill.

Pvt. Arnold Schuster is visiting his parents Mr. and Mrs. Otto Schuster. Arnold is stationed at El Paso.

Grace Cope enrolled in the Tulia

High School last week. She is a junior this year.

Mr. and Mrs. Dee Castleberry and family of California are visiting his mother Mrs. Lela Castleberry and his uncles Rob and Charley Sudguy. They are also visiting his sister Mrs. Don Foster and family of Happy and other kin in these parts.

Brother L. W. Allen a student of Wayland College, preached here Sunday. He was a dinner guest in the Woodrow Bice home.

Staff Sgt. T. J. Rogers is at home with his parents Mr. and Mrs. C. H. Rogers and Jackie for a 21 day furlough. We are glad to have all these boys come back home for a visit and hope and pray that it will not be long before they can come back to stay.

Rev. and Mrs. M. M. Robinett of Floydada are visiting in the parsonage home with the Menefees his week. Rev. Robinett is the grandfather of Rev. Menefee.

Little Misses Connie Jayree Welkens and Margaret Ann Mcnitt celebrated their fourth and third birthdays with a party at the R. F. Mcnitt home Sunday afternoon. Several children were present and all had a good time.

Rock Creek News

Mr. and Mrs. Warner Ward of Dallas and Mrs. Allen Dickerson and daughter of Lubbock spent Wednesday night in the Gardner home.

ents. Louis received a medical discharge from the Navy.

Mr. W. W. Martin returned last week from Corpus Christi, where he has been working.

The Rock Creek Club met with Mrs. Gardner Tuesday. The place of the next meeting will be given in the paper next week.

In the lounge car of a New York bound train a young Signal Corp Lieutenant was discussing the crowded conditions on trains. "You know," he said, "there was a time when I'd get on the train and pick out the best looking girl and strike up a conversation. Times change," he continued, "Now I watch for the girl with the biggest lunch box. You'd be surprised at the good meals you can get that way."

The man-power shortage makes these words of wisdom a timely tip to traveling girls.

The Value Of Milk In Your Diet
By Jessie Mae Watson

A good source of protein, milk can supplement the inadequate proteins of cereals and breads. Under normal conditions it is the most completely digested and absorbed of all food proteins. As a tissue builder and growth promoter it is essential in a child's diet. Normal milk requirements for children and adults have much more food value than many foods that take hours to cook and prepare. It needs no preparation, involves no waste and may be used in or on solid foods or may be consumed in cooking.

balanced with phosphorus; both essential for good bones and teeth. When present in the right amounts and right proportions, these minerals prevent rickets in growing children. Volume for volume, milk contains more calcium of the diet it was shown in 1942, when a nation-wide survey by the Bureau of Human Nutrition and Home Economics showed that the diet of at least one-third of American families the diet is probably more often lacking in calcium than in any other single thing our food has to supply.

Milk also contains all other minerals known to be needed for normal nutrition. Listed as one of the "protective" foods, milk also contains all the known vitamins which are needed for normal nutrition, but is our best source of riboflavin. Riboflavin is that substance which increases youthful vitality of the human body and aids in keeping up the health of the eyes. The riboflavin content of milk will be destroyed by light, so in order to retain this important element, the homemaker should take special care to take milk bottles in out of the sunlight immediately after the regular delivery is made.

A normal moderately active adult man who gets one pint of milk a day can expect it to supply him with more than 1/4 of the day's calcium requirements; about one-third of his riboflavin needs; 1/4 protein needed and about one-fifth of the Vitamin A for the day. It is vitamin A which builds up bodily resistance and which is required for normal vision. One quart of milk will provide for the average child the amount of calcium contained in about four pounds of vegetables that are relatively high in calcium content. Although a shortage of calcium does not affect growth as quickly as a shortage of calories, proteins or some vitamins, a lack of it will cause children to grow up "calcium poor." A quart of milk a day for every and at least a pint for every adult is

one of the most important teachings of nutrition and if the milk supply is sufficient these amounts should be used in some form.

OPENING EXERCISES

The Silvertown School opened Monday, September 4, 1944 at nine o'clock. Rev. A. C. Hamilton gave the devotional. Betty Burson and Thelma Gene Mercer played a piano duet and June Wimberly sang "The Holy City". Supt. McCarty outlined the years work and introduced the teachers as follows: Mrs. Otto Denton King, High School Principal and Algebra; Miss Opal Cross, Mathematics and Science; Miss Josephine O'Neal, English; Miss Leota Rampey, Home Economics; Miss Leville Montague, Business Education; Mrs. Laler Wilkerson, Music; Claude Freeman, Eighth Grade; Mrs. Otis Tidwell, Seventh Grade; Miss Amanda Seale, Sixth Grade; J. WE'LL GET YOUR FARM WORK DONE!

War makes your farm equipment almost priceless. With help hard to get and new equipment scarce, you have to rely on your tractor and tools to get the big job done. And you can rely on us to put your tractor and tools in A-1 shape and keep them that way. This is work we know how to do because farm equipment is our business.

Our shop is loaded with work. It's going to get worse. But we'll take care of your repairs on the dates you set if you'll give us advance notice.

We're set up now to schedule your service work. We'll do it right with factory standard methods and genuine IHC parts. Stop in and say when!
