MHS to hold annual awards program

Muleshoe High School faculty and administration invite all parents and interested individuals to the annual MHS Awards Program. The program will be held Monday, May 16 at 7 p.m. at the high school auditorium.

Students will be recognized with academic and achievement awards. It will be an opportunity for the faculty to share the many successes of MHS students with family members and friends.

Muleplex to conduct auditions for plays

Muleplex will conduct auditions for summer plays which have been set for June 30 and July 1. Auditions will be held Tuesday, May 17 from 7 to 8:30 p.m. at Muleshoe High School auditorium.

There will be a number of cast parts for several men and women. For more information contact Kerry Moore at 272-3297.

Teacher's scholarship deadline draws near

MONTGOMERY ELECTED MAYOR - (Left) Robert Montgomery was sworn in as Mayor of Muleshoe after winning the Mayoral Election on Saturday. He ran unopposed

Voter turnout low in unopposed races

Voter turnout was low on Saturday as the area was busy with six uncontested election races.

The Muleshoe Independent School District had two seats open for three-year terms on the board of trustees. Incumbents Arnold Price garnered 19 votes while Curtis Shelburne, also an incumbent, garnered 15 votes.

The two took their oaths of office and were sworn into their new positions at a school board meeting Monday night.

In the Muleshoe City May-

oral Election, acting mayor Robert Montgomery received 28 votes. He took his oath of office during a special City Council meeting on Monday morning. He will serve as mayor for a three-year term.

In the Muleshoe Area Medical Center Board of Directors for District #1 received five votes. Darrell Jennings, incumbent for Place #5, received 24 votes and newcomer Victor Leal, received four votes for District #3. The new board members are ex-

pected to take their oaths of office at the next Board of Directors meeting on May 19.

In Sudan, voter turnout was a little higher, with incumbents Greg Lance receiving 150 votes, Haldon Messamore receiving 144 votes and Gaylon Burns receiving 140 votes. The new board members took their oaths of offices on Monday night.

In Lazbuddie, incumbents Randy Thomas received 23 votes and Gail Morris received 24 votes. Newcomer Tommy

MHS to enhance food services

By Helena Rodriguez

The Muleshoe Independent School District Board of Trustees on Monday night approved a recommendation to add a new point of service in the Muleshoe High School Cafeteria.

Muleshoe Schools Superintendent Bill Moore said the school would like to do this, regardless of the outcome of the proposal to close school campuses.

The MISD board is currently considering closing campuses at DeShazo and Watson Junior High Schools during lunchtime. Students who are fed at the high school cafeteria include junior high students.

Liz Tipps, a school teacher at DeShazo was the only person on Monday night to give her comments concerning the closing of the campuses. She said, "Our major concern has to be the safety of children. Bailey County ranks #19 in the state a study on drug and alcohol abuse."

Tipps added, "We need to supervise kids as much as we can and keep them on campus. I am also worried about them crossing American Boulevard. Also, I think the kids will get a more nutritious lunch in the cafeteria."

Getting back to the subject of adding another point of service in the cafeteria, Moore said, "We have been trying out new recipes and feel we can better serve students by having another point of purchase."

Buck Johnson, superintendent for operation at Muleshoe Schools said, "This will give us more flexibility by putting in another point of purchase. We want to put in an Itza Pizza stand and one with a Fiesta concept."

Under the plan discussed Monday night, MHS would like to install the additional point of purchase area in an atrium area which they would like to build just outside of the cafeteria. The school would also like to install picnic tables in the vicinity of the atrium.

Board trustee Max King said, "My hesitation is utilization of these services on good and bad days."

According to Meek, students could eat in the atrium area on nice days. On bad weather days, he said students could still purchase items for the point of purchase service and eat in the cafeteria.

MHS principal Al Bishop said, "I think that anything that

MHS, Friona rained out; rescheduled for Friday

Playoff berth hangs in the balance

The Muleshoe Mules have their backs to the wall and they'll have to wait until Friday to decide their fate.

The Mules were scheduled to play Friona Tuesday in the final game of the regular season, but rain forced postponement of the contest.

The game has been rescheduled for Friday at 5 p.m. at Mule Field.

On the line for the Mules is a trip to the Class 3A playoffs. After a 3-0 loss to Tulia last Saturday (May 7), the Mules dropped into a tie for second place in the district with Dimmitt. It was the second-

straight loss for the Mules, who until Saturday had led the District 2-3A standings all season.

Tulia, which had a game at Dimmitt rained out Tuesday, now leads the district with a 7-2 mark, while Dimmitt and Muleshoe are tied at 6-3. Friona, with a rained out game still to make up from a week earlier, is at 5-3.

The Mules can clinch a playoff berth with a victory over Friona, but need help to win the district. Tulia would have to lose to Dimmitt in its final

SCHOOL BOARD MEMBERS RE-ELECTED - (Left) Curtis Shelburne and Arnold Price were sworn in as board members after being re-elected to the Muleshoe Independent School District Board of Trustees on Saturday. County Judge Marilyn Cox conducting the swearing in of the board members on Monday night.

School board discusses closing street, approved funding for classes

By Helena Rodriguez

The Muleshoe Independent School District Board of Trustees on Monday night discussed the possible conversion of Ave. G, between the high school and junior high, into a parking and bus loading lane. No action was taken on Monday night.

"We have concerns about safety all year long," said Bill Moore, Muleshoe Schools Superintendent.

Under the proposed plan, the street between the high school and junior high will be closed and made into a bus

loading and parking lane. The board discussed placing concrete bumpers or a gate around the area to block it off.

Buck Johnson, Muleshoe Schools Superintendent of Operation, said that with the closing of the street, the school would lose close to 22 parking places.

Board member Edwin Cox said, "I would encourage the schools to try to do without a gate because kids and teachers are there late at night and they need easy access to the area."

The board will study the

process and have a public hearing before any action on this matter is taken. The board simply approved a recommendation by Moore on Monday night to consider closing this street.

After considerable discussion, the school board on Monday night approved adding three classes to the school's budget for next year. Two of the classes, Success for All and Saxon Mathematics, are already being taught. The board also voted to implement the teaching of Spanish in elementary schools.

The implementation of these three classes will cost the school district more than \$5,000 over what was originally budgeted.

"We have looked at money we have available for program development and we know that math is an issue," said Adrian Meador superintendent of instruction for Muleshoe Schools. Students in Muleshoe have scores low on TAAS tests in the past, he said.

Meador said Muleshoe Schools have been pleased with the Saxon Mathematics program.

He said, "We have found out over time, that with this program, more and more kids are taking advanced math classes." Saxon Mathematics focuses on early learning concepts, improved attitudes and reasoning and retention.

The teaching of Spanish classes on the elementary level will be something new next year at Muleshoe Schools.

Board member Edwin Cox said, "There is no argument about it. The earlier a child starts learning a foreign language, the easier it is."

Shipman deeds land back to county

The Bailey County Commissioners Court on Monday worked on correcting a warranty deed which was made to Danny Shipman on Feb. 14.

On Feb. 14, Shipman had requested the county give him the deed on his property, which is a .47 acre tract, located on the old While Highway. Shipman said he would give the county an easement for the road.

According to County Judge Marilyn Cox, Shipman had requested the deed, which was drew up by former county attorney Luther Thompson. However, the deed became ultra virus, outside of the county's authority because the proper procedures were not followed.

Shipman deeded this track of land back to the the county so it would be recorded.

Cox said that if the county decides to sell this land, they have three optional ways to go about it. The court on Monday decided, that in the event the property is sold, it would be done by taking bids.

Cox said that years ago, when the road by the old While Highway was built, people who

senior currently pursuing a degree in education is Monday, May 16.

Applications may be returned to Linda Marr or Alice Liles at Muleshoe High School. For more information contact Marr or Liles at 272-7571.

Food services

Continued from page 1

will give students a change of serve, atmosphere from their school day, is good for them."

While plans for the new point of purchase area have not been finalized, Meek said that additional personnel would be needed, as well as equipment for the new services.

Meek stated in a memo to the board, that in addition to selling pizza and Mexican food, Coke products alone would increase sales dramatically.

The estimated capital improvement cost of this operation would cost MISD about \$6,000 to \$6,500.

With the new point of purchase service MHS expects to have \$9,906 in total sales. Total costs, which include labor, food and administrative costs, are estimated at \$5,539. This will leave MHS with an estimated profit of \$4,367.

Elections

Continued from page 1

Martin received 21 votes. The new board members were sworn into office on Wednesday night at the school board meeting.

In Three Way, there were also three seats up for election.

Deed

Continued from page 1

lived in that area gave the county right of way. But the person who owns the land Shhipman now owns deeded the land to the county for the right of way. Shipman was just wanted the deed back.

The commissioners also approved granting an easement to C.J. Gatewood for a waterline which will be buried under a road located in Precinct #1.

School board

Continued from page 1

Superintendent Bill Moore said that another reason the school should teach the classes is because the state will begin including tests on foreign language on TAAS tests in a few years.

Barbara Finney, principal of DeShazo school, said, "We have talked about what do with children who speak English as a Second Language (ESL). And we have found that if students can begin to form ideas at an early age, they will learn quicker."

Spanish will be taught to elementary students for one hour a week, beginning the 1994-95 school year.

In other business Monday, the board approved another recommendation by Moore to purchase hardware and system software from the IBM Corporation and Caprock Data Systems. The costs of the installation for this system will be \$75,600 to the school district.

The current school budget will need to be amended to pay for this data processing vendor. The school's previous vendor,

Reception to honor Watson and Miller

A retirement reception to honor Pat Watson and Marilyn Miller will be held Wednesday, May 18. It will be held from 4 to 5:30 p.m. at the Muleshoe High School library.

Meek said that all profits or losses made will stay with the school district.

In the event of the campus closing at DeShazo and Watson, Meek said the food service department will not need to adjust the current operation. With the current staff and resources, he said they will be able to service the additional 40-50 students in the cafeteria without the need for a new point of service or increased seating.

The estimates above are based on feeding approximately 100 new junior high students and 30 new high school students. Labor costs would increase by the addition of three new hourly employees at the secondary level.

The board expects to make a decision on closed campuses at the next meeting on May 23.

James Kindle received 12 votes, Terry Pollard received 11 votes and Robert Kindle, Jr., received 13 votes. They were all incumbents. They will be sworn into office on Thursday.

In other business Monday, the commissioners accepted a health insurance proposal from Ted C. Parker and Associates of Muleshoe, who will continue to provide health insurance for county employees. The commission will discuss with Parker on the May 23 meeting on what options and plans they can choose.

Service Corporation has informed the schools they will no longer be able to service them.

Under the new system, data will go straight from the service center at the school, to Austin.

In other business Monday, the board accepted a resignation from Ruth Locker, a teacher at DeShazo Elementary School.

The board also voted to hire Rob Lovett of Ruidoso as the new band director at MHS. The board did not hire a junior high principal on Monday night.

On Monday, the board also swore in new officers and reorganized the board. All board officers were re-elected to their previous offices: Cindy Purdy, president; Sam Harlan, vice-president and Curtis Shelburne, vice-president.

The board also honored MHS University Interscholastic League (UIL) participants and winners Monday night.

LAZBUDDIE MAY STUDENTS OF MONTH - Students of the month for May were recently chosen at Lazbuddie Elementary School. Students were chosen based on exhibiting outstanding quality of character, leadership, and citizenship. Students chosen were: (Back, left) Savannah Black, Fabian Guzman and Jesus Marquez. Penpals In U.S. sought

The organization "SAPE" (formerly "The Soviet-American Penfriend Exchange in New York") is looking for 100,000 Americans between the ages of 10 and 40 who would like to strike up a penpal friendship with someone in the former Soviet Union.

Individuals, classes, scout troupes or religious youth groups who would like to participate in this program should send a self-addressed, stamped envelope to: SAPE- Dept. N 1400 Midvale Ave., #408 Los Angeles, CA 90024-5498

Over the past five years, the following organizations have referred persons in search of a penpal to SAPE: The United States Information Agency, The Embassy of Russia, ISAR(Institute for Soviet-

American Relations), Voice of America and The Peace Corps. Since 1989, more than 300 U.S. schools have participated in this program. SAPE is not a branch of any other organization and has no political or religious affiliation.

Bikeathon dampened by rainy weather

After a week of rains and cold weather, the weekend turned out sunny and pretty for the annual Jennyslipper Walk-a-Thon - Bike-a-Thon which raises funds for Muleshoe's 4th of July fireworks display.

Although 28 youngsters had signed up, only five turned up to participate, along with some friends who rode their bikes along the route, enjoying the outing.

The Jennyslippers and the bikers enjoyed the afternoon and the refreshments. Those earning their pledges were Stephanie Kirk, Nikki and

Jordan Bonds, Mylissa Thompson and Amber Thompson.

Most surrounding towns have discontinued their fireworks display. The whole area enjoys a festive 4th of July in Muleshoe, concluding the day with entertainment in the park and the spectacular fireworks display.

The Jennyslippers will be placing jars in local stores for those who would like to donate to this effort. People may also mail a donation to the Jennyslippers. P.O. Box 153, Muleshoe, TX 79347 and mark it Fireworks!

Enochs News

By Mrs. J.D. Bayless

Mr. and Mrs. Harvey Blackstone spent the weekend at Odessa with their son, Mr. and Mrs. Thomas Blackstone and baby.

Guests in the home of Mr. and Mrs. Jack Stanley Saturday were their daughter and husband, Darlene and Alton Jones of Shallowater.

Mr. and Mrs. Craig Kirby and children of Three Way visited her parents Mr. and Mrs. Goldman Stroud Sunday and were supper guests.

Mrs. Ellen Bayless flew from Phoenix, Ariz. to Odessa Friday April 22, to visit a daughter, Myrtie and Deland Finley. I got to visit with all of the grandchildren and great-grandchildren. Mr. and Mrs. Kevin Jones, Christopher, Aaron and Kayla. Larry Finley, Mr. and Mrs. Ernest Jones. With a nephew, Mr. and Mrs. Bill Cunningham and daughters, all of Odessa. Myrtie brought me home Thursday the 28th and she spent the night with me.

Our weather has been cold for this time of the year. It was 28 degrees Thursday morning. In the 30's the rest of the week.

Monday morning Mr. and Mrs. Ira Brown of Morton visited his sister Mrs. Bonnie Blackstone at the Elevator, where she works.

Mrs. Mary Milsap of Dumas died April 14th. She was a former resident of Enoch. Graveside services were at Resthaven Memorial

Park in Lubbock.

Cleo and Leta Hall left for home April 13th. Ellen Bayless went home with them for a visit. We stopped in the Mountains in New Mexico to visit Cleo's aunt, Mrs. Mary

We received 2/10 of rain Thursday night was cloudy and misted a little Friday morning.

Mr. and Mrs. Dale Nichols drove to Canyon Sunday p.m. for the birthday party of a grandson, Mark Nichols as he celebrated his 2nd birthday.

The area missionary, Rev. Jim Hancock, of Plainview, preached at the Enoch, Baptist Church Sunday morning April 17th. Mr. and Mrs. J.E. Layton took him. We are proud of the 3/10 of rain received Thursday wishing for a good rain soon.

Mr. and Mrs. Dale Nichols did some fishing at Lake Ivie. They came home for the funeral service of Mrs. Breashears funeral service at Resthaven Funeral Chapel in Lubbock.

Blackshear. Then spent the night at Show Low at their mountain home. The next day we drove to Phoenix, Ariz. at their winter home. I got to visit all the grandchildren. Belva and Gene Barrick and Katie, Jerry

Hall, Kenny and Karen Hall, Sherri and Dale Oxley.

Mr. and Mrs. J.E. Layton drove to Dell City and visited

his brother Harold Layton during the weekend.

Zeta Rho honors Muleshoe resident as First Lady

The Zeta Rho chapter of Muleshoe honored Kay Graves as First Lady Kay recently.

Kay was born in Pampa, and grew up in Lefors, graduating from Lefors High School.

She is the daughter of Clark and Ruby Stanton of Pampa, having one sister, Karen Bolt.

She and her husband John, who works at Tolk Station for SPS, have two children Courtney, age 20, attending WTU and Adam, age 14, a 9th grader.

Kay met John in Amarillo while she was attending WTU and he was working for SPS. They have been married 21 years.

The couple moved to Muleshoe from Dumas in 1984, where Kay worked as Secretary for State Representative Phil Cates in around '71 and '72.

Her hobbies include cross-stitch, needlework, genealogy, reading, and learning new

Kay Graves things.

Kay's honors include being a Muleshoe CTA Parent of the Year and Parent Volunteer award for Muleshoe Schools.

She has held many offices since moving to Muleshoe. She is a former Bailey County Democratic Chairperson, Lifetime member of PTA, Vice President of Muleshoe PTA, Past President of Muleshoe Elementary PTA,

Past President of the Muleshoe Blood Drive Board, Driver for Meals on Wheels, served on Mr. Moore's Citizen Board for Better Schools, former member Paster-Parish Committee for United Methodist Church, and a member of Fine Arts Boosters.

She is also a member of the United Methodist Women, Co-Chairman of Muleshoe Methodist Cookbook, Secretary of Wesleyan Guild, a member of Friends of the Library, member of United Methodist Church Choir, member of Education Committee for Methodist Church, and does volunteer work with Muleshoe Area Healthcare Center.

Kay is an environmental activist, an avid gardener who raises herbs, makes her own vanilla, herbed vinegars, etc. She believes in recycling to save space in terms of land fills and to save energy.

She recycles and conserves

in her home to do her part for the environment.

She has been instrumental in probably every blood drive held in Muleshoe since she has been here, and has helped organize church turkey dinners for several years.

She helped extensively with the Junior-Senior prom when Courtney was a junior in high school, and also helped with Project Graduation when she was a senior.

Also, Kay shows a great gift for organization. Her husband says she can take a group of people and have them all pull together, but she can't organize Courtney or John.

Kay is the kind of person who enhances the quality of life in a small town such as Muleshoe, because of her willingness to help and work where she is needed.

Zeta Rho is proud to honor Kay Graves as their First Lady for the year.

County eligible for emergency haying

Bailey County has been approved for emergency haying and grazing of ACR and CU/PAY acres. This means that you can now hay or graze your lay out or conserving use for pay acres during the 5 months period beginning May 15 and running through October 14, 1994.

Anyone wishing to hay or graze these acres will need to come into the ASCS office and sign a register as well as designate the acreage to be hayed or grazed. Producers who request emergency haying or grazing of approved cover on 1994 ACR and CU for payment acreage shall not:

Remove the cover to the extent that the land is exposed to wind and water erosion.

Harvest the approved cover for grain or seed.

Permit haying or grazing of: wildlife food plots, alfalfa that is irrigated or could be irrigated, locally approved program crops or mixtures containing program crops, any cover established with ACP funds until the growth is well established, or small grains allowed to remain standing. This would include any acreage that a producer has paid the \$10.00 fee to leave a crop standing or to "reseed" itself.

However, producers have the option to withdraw the "left standing or reseed" request and be refunded the filing fee of \$10.00. This must be requested by Monday, May 16th in order to qualify for haying and grazing of the applicable acres. The acreage must be "destroyed" by Monday, May 16th and recertified.

Consumers warned about crayons

The Texas Department of Health (TDH) has warned that some imported crayons sold in Texas stores have been found to contain lead, posing a serious health threat, especially to children who may nibble on or swallow them.

Cumulative effects of low-level lead exposure can cause permanent damage as severe as the effects of higher single doses and may include: learning and hearing disabilities and nerve, blood, kidney and reproductive abnormalities."

Parents, teachers, day care operators and other s caring for children are warned that at least 12 types of lead-containing crayons by 10 distributors were banned from sale by the U.S. Consumer Product Safety Commission (CPSC) on April 5.

Charles Branton, director of the Product Safety Program of the TDH Bureau of Consumer Health, said, "All 12 crayon products were manufactured in China, although they are sold by American companies, including the Toys R US chain."

APRIL STUDENTS OF THE WEEK — Students of the week at Dillman Elementary during the month of April are (back row, not in order) 2nd grade: Tina Lopez, Alejandrina Contreras, Theran Edler, Amanda Gonzalez, Chase Winkler; 1st grade: Adam Pierce, Shalisa Ladd, Charissa Conner, Bradley Henry, Brady Radford; Kindergarten: Cecilia Reyna, Corey Wallace, Brady Black, Wendy Cino, and Joey Iuliano; Early Childhood and Pre-K: Irma Torres, Daisy Estrada, Pedro Contreras, Julio Bustillos.

Fine wine exposition planned

Fine wines from around the world will be featured at Vin Expo '94, Friday, May 13 from 7:30 to 10:30 p.m. at the McIntruff Conference Center at Lubbock's University Medical Center. The international wine exposition is being held as a fund raising event for the Lubbock Community Theatre.

Over 45 wineries and wine marketing firms are participating in the exposition. Vin Expo '94 will feature the finest wines from every major wine

producing area in the world. Representatives from the visiting wineries will be on hand to discuss all facets of their wines with guests.

Martin Sinkoff, an internationally recognized wine writer and expert will be a special guest. Sinkoff is president of Val D'Orbieu, the North American subsidiary of France's second largest wine group.

Film and television star G. W. Bailey is also scheduled to attend Vin Expo '94. Bailey,

who was once the director of the old Lubbock Theatre Centre, is currently filming Police Academy VII.

Lubbock Community Theatre is sponsoring the event to raise money for the theatre. Crossed Keys, Inc., is providing major sponsorship for the event. Since 1989, LCT has provided theatregoers in the region a variety of musicals, comedies, and dramas. The funds generated from Vin Expo '94 will allow the theatre to upgrade the theatre's building.

THE NEW EXPLORERS in New Mexico
"On the Trail of a Killer Virus"

Bill Kurtis hosts the search for a deadly virus when *The New Explorers* accompanies doctors and scientists "On the Trail of a Killer Virus."

May 14, 1993: Doctors in Gallup, New Mexico, receive an alarming call, a report of several sudden and unexplained deaths in the Four Corners region. What at first resembles a simple flu soon turns fatal. The "Navajo disease," so designated because it has affected the Navajo nation primarily, quickly becomes the focus of world attention.

Doctors from the Centers for Disease Control and Prevention (CDC), the New Mexico State Department of Health, the University of New Mexico, and the Indian Health Services collaborate to find the cause of the deadly outbreak. These physicians and scientists are the "new explorers," rushing to solve the mystery with high-tech equipment and the advice of Navajo medicine men.

The New Explorers' Bill Kurtis joins the science team in Albuquerque to examine the x-rays of five healthy young patients who died suddenly after their lungs filled with fluid.

May 27, 1993: There are 16 cases of the mysterious disease; the CDC is called in to help. Within its enormous complex in Atlanta, many of the world's top virologists and molecular biologists experiment with viruses and bacteria to identify a disease, discover its cause, and find a cure. The CDC usually sends one epidemiologist to

consult on an emerging virus case. To New Mexico, they send 10.

The CDC and New Mexico health authorities diagnose the disease as a reemerging form of hantavirus, a virus that has plagued humans for centuries. This new strain attacks the lungs, filling them with fluid and "drowning" the victim.

June 3, 1993: Hantavirus has attacked 19 new victims and killed 12. Three hundred medicine men meet for five hours to perform healing ceremonies. Meanwhile, the science team tracks down the source of infection — tiny deer mice.

Kurtis visits a researcher in the New Mexico mountains who has studied the habits of these mice for 15 years and learns that the range of the deer mouse now extends from Canada to parts of Mexico. The deadly hantavirus is not limited to the reservation.

With the diagnosis, older cases are pinpointed and new ones identified throughout the United States. Over 30 victims died in the past year — only half of them Navajo. The team efforts of these "new explorers" is a model of diagnostic detective work — it has taken only 19 days from the time the New Mexico investigation began to identify the illness.

"On the Trail of a Killer Virus" on *The New Explorers* will be broadcast Wednesday, May 18th at 8:00 p.m., 2 Saturday, May 21st at 7:00 a.m./9:00 p.m., and Sunday, May 22nd at 12:00 midnight.

Channel 3 Television from Eastern New Mexico University, Portales, New Mexico

Auditions to be held

Ever dream of being on stage in a musical even though you can't sing or dance?

Well, previous experience is not necessary, though it will be accepted, for open auditions of "The Music Man," which will be held May 11-12 at South Plains College.

Jay Brown, theatre instructor at South Plains College, hopes to make community theatre productions an annual event in Levelland.

The auditions, open to anyone age 5 to 75, will be held at 7 p.m. each day in the Theater for the Performing Arts.

Written by Meredith Wilson in 1956, "The Music Man" is set in the early 1900s and is the story of fast-talking Harold

Hill, who cons the good citizens of River City, Iowa, into buying musical instruments by promising to create a band for boys.

Brown will serve as director, with Jon Johnson, chairperson for the Fine Arts Department and associate professor of music at South Plains College, serving as music director.

The play features 23 speaking parts, including speaking parts for two children.

Anyone wishing to audition for a part is asked to have a song prepared. Audition participants also must be prepared to dance and should also be prepared to read from the play.

For more information about auditions, call 894-9611, ext. 260 or ext. 266.

Invest Wisely. Plant These High-Interest Hybrids.

There's a lot of interest in these great sorghum hybrids. Because they produce great yields.

DK 58

- Medium-full hybrid, excellent stalk strength
- Biotype C and E greenbug resistance
- Disease resistance and tolerance to iron chlorosis, high pH soils

DK 66

- The top yielding grain hybrid for irrigated fields
- Excellent standability, medium-full maturity
- Full resistance to Biotype C and E greenbugs

CONCEPT

Property Tax Protest and Appeal Procedures

The law gives property owners the right to protest actions concerning their property tax appraisals. You may follow these appeal procedures if you have a concern about:

- * the value placed on your property
- * any exemptions that may apply to you
- * the cancellation of an agricultural appraisal
- * the taxable status of your property
- * the local governments which should be taxing your property
- * any action taken by the appraisal district that adversely affected you.

Informal Review

Contact the Bailey County Appraisal District at 104 E. Ave. C, Muleshoe, TX 79347 (806) 272-5501

Review by the Appraisal Review Board

If you can't resolve your problem informally with the appraisal district staff, you may have your case heard by the appraisal review board (ARB).

The ARB is an independent board of citizens that reviews problems with appraisals or other concerns listed above. It has the power to order the appraisal district to make the necessary changes to solve problems. If you file a written request for an ARB hearing (called a notice of protest) before the deadline, the ARB will set your case for a hearing. You'll receive written notice of the time, date and place of the hearing. The hearing will be informal. You and the appraisal district representative will be asked to present evidence about your case. The ARB will make its decision based on the evidence presented. You can get a copy of a protest form from the appraisal district office at 104 E. Ave. C, Muleshoe, TX 79347

Note: You shouldn't try to contact ARB members outside of the hearing. The law requires ARB members to sign an affidavit saying that they haven't talked about your case before the ARB hears it.

Review by the District Court

After it decides your case, the ARB must send you a copy of its order by certified mail. If you're not satisfied with the decision, you have the right to appeal to district court. If you choose to go to court, you must start the process by filing a petition within 45 days of the date you receive

the ARB's order. If the appraisal district has appraised your property at \$1,000,000 or more, you must file a notice of appeal with the chief appraiser within 15 days of the date you receive the ARB's order.

More information

You can get more information by contacting your appraisal district at 104 E. Ave. C, Muleshoe, TX (806) 272-5501. You can also get a pamphlet describing how to prepare a protest from the appraisal district or from the State Comptroller's Property Tax Division at P.O. Box 13528, Austin, Texas 78711-3528.

Deadline for Filing Protests with the ARB*

Usual Deadline

On or before May 31 (or 30 days after a notice of appraised value was mailed to you, whichever is later).

Late protests are allowed if you miss the usual deadline for good cause. Good cause is some reason beyond your control, like a medical emergency. The ARB decides whether you have good cause.

Late protests are due the day before the appraisal review board approves records for the year. Contact your appraisal district for more information.

Special Deadlines

For change of use (the appraisal district informed you that you are losing agricultural appraisal because you changed the use of your land), the deadline is before the 30th day after the notice of the determination was mailed to you.

For ARB changes (the ARB has informed you of a change that increases your tax liability and the change didn't result from a protest you filed), the deadline is before the 30th day after the notice of the determination was mailed to you.

If you believe the appraisal district or ARB should have sent you a notice and did not, you may file a protest until the day before taxes become delinquent (usually February 1). The ARB decides whether it will hear your case based on evidence about whether a required notice was mailed to you.

* The deadline is postponed to the next business day if it falls on a weekend or holiday

ENMU gets funds for summer programs

Eastern New Mexico University has been selected by the Commission on Higher Education to receive \$26,000 in Eisenhower Math and Science Program funds for the "Hands-on Mathematics and Science Summer Institute" initiative.

The Dwight D. Eisenhower Mathematics and Science Program awards federal funds to states for improving teacher skills and higher instructional quality of mathematics and science.

The Hands-on Mathematics and Science Summer Institute provides elementary and junior high teachers (grades four through eight) with training methods and materials to teach hands-on activities in math and science.

Two workshops will be available during the Summer of 1994. "Mathematics Across the Curriculum" focuses on probability and statistics which includes data collection and analysis, graphic techniques and the utilization of technology. "Physical Science Which You Do Safely and Easily in the Classroom" emphasizes chemistry using household chemicals and materials; safety, disposal and concepts will be stressed.

Teachers within the state of New Mexico are eligible to apply for the two-week program. For more information call Dr. Sae at 562-2463 or Dr. Lyon at 542-2334.

JOURNAL PHOTO/ANNETTE BOTTELMAN

MAY STUDENTS OF THE WEEK — Students of the week for the month of May at Dillman Elementary are (back row, not in order) 1st grade: Ricardo Ruvalcaba, Eric Newton, Kelsey Beggs, Betty Diaz, Shanna Remp; Kindergarten: Rashida Norman, Cody Black, Randall Radford, Vanessa Lopez, Jenna Rasco; Early Childhood and Pre-K: Joshua Toscano, Brittini Torres, and Bronson Arington.

Student Community Action Club meets

The Muleshoe Student Community Action Club held its monthly meeting on April 23 in the home of Kristen Weatherbie.

Donna Puckett opened the meeting and Jenna Glover gave the prayer. Shane Schuster gave the treasurer's report.

Jenna introduced Victor Leal as citizen of the month. The main topic of his speech was on trying to restore the old Wallace Theatre. If anyone is

interested in helping this cause, please contact Victor Leal.

There will be a meeting later on to discuss restoration details.

A suggestion was made to put doll furniture in the small room beside the little girl's room in the Jane's Ranch House.

The traveling bake sale will be held on May 7th at Leal's Restaurant. Club members will also pay visits to local

businesses with numerous baked goods. For more information, call Donna Puckett at 965-2881 or Jean Allison at 965-2491.

New members' party was set. It will be held at Shane Schuster's home on Tuesday, May 17 at 6 p.m.

Brooke Sinclair and Emily Harris volunteered to distribute invitations.

The meeting was adjourned and refreshments were served.

Mules

Continued from page 1

game and the Mules and the Hornets would end the season tied. A one-game playoff for

District 2-3A standings

	Overall	2-3A
Tulia	15-11	7-2
Muleshoe	17-8	6-3
Dimmitt	13-11	6-3
Friona	17-6	5-3
Floydada	7-17	1-7
Littlefield	1-14	1-8

Results

Saturday, April 9
Muleshoe 28, Floydada 18; Dimmitt 4, Littlefield 0; Tulia 8, Friona 1.

Tuesday, April 12
Muleshoe 19, Littlefield 2; Friona 9, Dimmitt 4; Tulia 14, Floydada 11.

Saturday, April 16 — Muleshoe 11, Dimmitt 4; Friona 10, Floydada 6; Tulia 13, Littlefield 3.

Tuesday, April 19 — Muleshoe 5, Tulia 0; Friona 12, Littlefield 2; Dimmitt 15, Floydada 5.

Saturday, April 23 — Muleshoe 13, Friona 10; Littlefield 5, Floydada 3; Dimmitt 4, Tulia 3.

Tuesday, April 26 — Floydada 11, Muleshoe 10; Tulia 5, Friona 3; Dimmitt 12, Littlefield 2.

Saturday, April 30 — Muleshoe 21, Littlefield 7; Dimmitt at Friona, Floydada at Tulia, ppd. due to rain.

Tuesday, May 2 — Dimmitt 6, Muleshoe 4; Tulia 5, Littlefield 1; Friona at Floydada, ppd. rain.

Saturday, May 7 — Tulia 3, Muleshoe 0; Friona 17, Littlefield 0; Dimmitt 5, Floydada 4.

SCHEDULE

Tuesday, May 10 — Friona at Muleshoe; Tulia at Dimmitt; Friona at Floydada, all ppd. rain.

Friday, May 13 — Friona at Muleshoe, 5 p.m.

the district title would break the tie.

The Mules played well, but couldn't get the hits when they needed them in the loss to Tulia. Muleshoe, which has averaged in excess of 10 hits per game in district play, got just two off Tulia starter Jamie Culwell.

The Hornets got three runs

in the first off MHS starter

Andy Perez, who scattered seven hits and did not give up a run the rest of the way. His team backed him with errorless fielding, but couldn't get the runs back.

In other action last Saturday, Dimmitt snuck past Floydada 5-4, while Friona

hammered Littlefield 15-0.

Friday's game with Friona could be a bitter match. The Mules scored seven runs in the final inning to beat the Chieftains in Friona 13-10 on April 23. Earlier in the year, the Chieftains rallied for a win over the Mules in the finals of the Friona Tournament.

Public roads can be dangerous situation

Most farmers and ranchers who use public roads to transport farm equipment can tell about scary traffic situations they've encountered. Cars and trucks bear down on them, people try to pass them on hills

or curves, and some drivers even rudely blast their horns, angered by a farmer's mere presence on public roads.

"Unfortunately, some incidents are not close calls but the real thing," Agriculture Com-

missioner Rick Perry said. "The National Safety Council estimates that each year farm machinery is involved in approximately 23,000 accidents and nearly half of them involve a collision with another vehicle." Much can be done to reduce the number of roadway mishaps.

Vise named USAA All-American scholar

The United States Achievement Academy announced today that Jana Vise has been named a Collegiate Scholastic All American.

The USAA has established the Scholastic All-American Collegiate Award Program in order to offer deserved recognition to superior students who excel in the academic disciplines. The Scholastic All-American Collegiate Scholars must earn a 3.30 or better grade point average. Only scholars selected by a school official or other qualified sponsor are accepted. These scholars are also eligible for other awards given by the USAA. These are awards few students can ever hope to attain.

Jana who attends McMurry University, was nominated for this National Award by Jung Meyer, Dean. Jana will appear in the Scholastic All-American Collegiate Directory, which is published nationally.

The Academy selects

Jana Vise

Scholastic All-American Collegiate Scholars upon the exclusive recommendations of professors, instructors, deans, and other qualified sponsors. Once awarded, the students may be recognized by the USAA for other honors.

Jana is the daughter of Mr. and Mrs. Dale Vise. The grandparents are Mr. and Mrs. M.W. Vise of Muleshoe, TX, and Mrs. Betty Faw of Big Timber, Mont.

 WE RESERVE THE RIGHT TO LIMIT QUANTITIES IN TEXAS

Bivins in support of trucking deregulation

State Sen. Teel Bivins (R-Amarillo) said he was pleased with the Texas Motor Transportation Association's announcement that it would support deregulation of most Texas trucking rates in the next legislative session.

The TMTA, which represents trucking businesses before the Legislature, has previously opposed reforming rates, which are set by the Railroad Commission. The organization will support deregulation of all rates except those for specialized carriers.

Bivins sponsored major trucking reform legislation during the 1993 legislative session. He has vowed to continue reform measures when the Legislature meets in 1995.

"I was extremely pleased to learn of TMTA's plans to support rate deregulation for gen-

eral commodity trucking. This will be extremely helpful in my efforts to reform the state's antiquated, overly bureaucratic, anti-competitive trucking regulations," Bivins said.

Bivins' reform bill last year addressed high intrastate rates by allowing a 40% deviation from the base rate set by the state for general commodity truckload freight.

"Further deregulation of these rates will allow companies to better compete within the marketplace, thus driving down rates for everyone. All consumers will benefit from lower trucking rates, because virtually everything you own has ridden on a truck," Bivins said.

The senator's reform bill was the product of negotiations with the TMTA and other representatives from the trucking industry.

STUDENT COUNCIL CHOSEN AT WATSON JUNIOR HIGH — Student council officers recently chosen at Watson Junior High School for the 1994-95 school year are: (Back, left) Landon Black, historian; James Barrett, vice-president; and Rhett Green, reporter. (Front) Tarrah Bell, parliamentarian; Robin Cowart, chaplain and Lysie Black, secretary (Not pictured are Amber Bruns, president and Crystal Wheeler, treasurer).

Conference to focus on cotton data

The seventh annual Engineered Fiber Selection Conference will be held in Greenville, SC, on May 16-18 at the Embassy Suites. EFS is a system of computer software developed by Cotton Incorporated as a High Volume Instrument (HVI) cotton fiber data management system.

Conference topics include new directions for HVI, rapid advancements in cotton biotechnology, EFS applications and new developments, GINnet for producers and ginners, understanding quality and new market developments.

The agenda features speakers from textile mills, universities, the USDA, merchants, producers and Cotton Incorporated. Anyone interested in attending the conference should contact Chewning at 901-782-6330 or Cotton Incorporated, 4505 Creedmoor Road, Raleigh, NC., 27612.

New degree to be offered

The fall 1994 semester will provide West Texas A&M University agriculture majors with a new degree emphasis option.

"Students will have an equine industry and business option," Dr. John L. Pipkin, WTAMU's director of the equine industry program and associate professor of animal science, said. "It will be an integration of business and science principles to horses and the horse industry."

Pipkin said the program will provide students with a broad base of horse and horse industry knowledge as well as animal science and business training.

National Hospital Week to be observed in Texas

Gov. Ann Richards has declared May 8-14 as Texas Hospital Week, coinciding with the national celebration honoring hospitals and health care professionals.

This year's theme, "Where Miracles Happen Every Day," emphasizes both the technological miracles that have become commonplace in medical facilities and the miracles of life. In the proclamation, Richards recognizes hospitals and health care professionals for the vital role they play in the community by caring for the sick and injured, and for being a part of health care miracles.

"Miracles happen every day in hospitals throughout Texas and the rest of the nation," Richards notes in the procla-

mation. "They are visible, large and small, in every corner of a hospital—a baby born, an illness conquered, friendships made, a new step taken, a heart-beat begins...again, a child smiles, a vaccine is developed, a wound healed."

"It is fitting that we salute Texas hospitals and health care professionals for their roles as miracle-makers. We also recognize Texans across the state who support hospitals by volunteering their time, using hospital services and programs, and making charitable contributions."

Texas Hospital Week is celebrated in conjunction with National Hospital Week, which originated in 1921.

Mammograms to be given

On Friday, June 17, 1994, from 10 a.m. to 2:30 p.m. the Don and Sybil Harrington Cancer Center and High Plains Baptist Hospital Mobile Mammography Unit will be in Muleshoe at South Plains Health Providers, Inc., 208 W. 2nd. Exams are done by appointment only. For information or to schedule an appointment, call 1-800-377-HOPE (4673) or (806) 359-4637.

Screens include the x-ray, physical breast exams, and the radiology fee for reading the mammogram. Funding has been provided by the Texas Department of Health to allow for free breast screenings for women who qualify.

The major goal of the clinic is the early detection of breast cancer.

The clinic provides low cost screening which includes a breast exam by a Registered Nurse trained in breast cancer detection, teaching of breast self examination, and a mammogram.

Currently, the most effective method known to win the battle against breast cancer is early detection. Early detection is best done by following the guidelines recommended by the American Cancer

Society for breast cancer screening for women who have no signs or symptoms of breast cancer. The guidelines are:

1. Learn and perform breast self examination every month.
2. Have a physical examination every year.

Holt finalist in Teenager Scholarship Foundation

Miss Christy Lyn Holt, age 17, and the daughter of Mr. and Mrs. Cecil Holt of Muleshoe has been selected to be a Finalist in the 1994 West Texas National Teen-ager Scholarship Program to be held on the campus of Wayland Baptist University in Plainview, on May 27 and 28. The Texas representative will receive an expense paid trip to compete for a \$10,000 cash scholarship at Opryland USA.

There will be a Regional Winner and 4 runners up in two age divisions: 13, 14, 15, Jr. division; 16, 17, 18 senior division. Our sr. West Texas Teenager will also receive a full tuition to Mary Hardin Baylor, worth \$4,000 and a scholarship to Wayland Baptist University, among other

Christy Lyn Holt

schools. The West Texas Teenager Program will also be awarding over \$5,000 in tuition scholarships from various universities during the weekend event. Every participant will receive a \$200 scholarship to both Barbizon and John Powers School of Modeling.

Each contestant accepted has the option to participate in the volunteer Community Service Program of America's National Teenager. This program teaches teenagers to share and to participate in school and civic activities. Students will be judged on scholastic achievement-leadership, personality, and individuality. There is no swim suit competition. An oral may be presented or an oral essay on the subject of "What's Right About America."

Christy has been involved in 4-H for 8 years. During these years, she has led cooking classes, modeled in the Texas 4-H Fashion Show for 4 years, was the 4-H Sweetheart, and is now serving as President of the Bailey County 4-H. She is in

the 4-H Exchange group and was involved in the exchange with Penn. last summer. In school activities, she was Student Council Rep. her Freshman and Sophomore year of the Mighty M Band and this year is serving as Vice President of the Band. Her Senior year will be very special as she was placed on the Varsity Cheerleading Squad.

Christy was Class President and Class Favorite her Sophomore year. Christy is very proud to be sponsored by these businesses and friends: Joe's Boot Shop, Leal's Restaurant, First Baptist Church, J&L Fashions, Damron Drug, Carol Tutt, Trent & Devon Cox, Jim Pat Claunch family, and Tom Bowen family.

PUBLIC RECORD

Obituaries

Chester Francis Wilson

A graveside service for Chester Francis Wilson, 85, of Plainview was held Monday, May 9 at Rose Hill Cemetery in Bells. Dr. Floyd Bradley, retired director of Caprock Chapel in Plains Baptist Area Center, officiated.

Funeral arrangements were handled by Lemons Funeral Home of Plainview.

Wilson died Friday, May 6, 1994, at Methodist Hospital in Plainview.

He was born June 10, 1908 in Whitewright. On Sept. 10, 1938, he married Katie Bell Herring. She died on Nov. 22, 1985 in Plainview.

Wilson grew up in Bells and graduated from Bells High School. After graduation, he worked for a road construction company. After his marriage, he moved to Plant City,

Fla., where he did truck farming and worked in the ship building yards.

He moved to Sherman in 1944 and operated a moving company. In 1948, he moved to Slaton, where he farmed. In 1958, he moved to Muleshoe, where he farmed until he retired in 1970.

He moved to Snyder in 1974 and to Breckenridge in 1978 before moving to Plainview in 1984. He was a member of the Methodist Church.

He is survived by two daughters, Kay Black of Plainview, and Mrs. Stan (Gayle) Robison of Seagraves; two brothers, Guy Wilson of Duncanville and Hubert Wilson of Bells; three sisters, Mrs. Ruby Strawn of Arlington, Georgia Bamberger of Jet Moore, Kan., and Mrs. Johnnie Fay Mitchen of Ft. Worth; six grandchildren and six great-grandchildren.

LEADERS IN FHA - (Left) Muleshoe High School students Jamie Bohler and Lissa Leffler attended a state FHA Leadership Conference in Dallas on April 29-30. More than 5,000 participants attended the conference. Jamie is FHA historian and Lissa is the FHA vice-president.

MHS to offer class in driver's training

The Muleshoe Independent School District is considering a third drivers Education class this summer. To be eligible for this class the student must be 15 before July 8, 1994. There must be at least 25 students for a class to be offered.

If the class makes it will cost \$125. and will begin on Monday, June 20. There must be 35 hours of classwork; 7 hours of driving and 7 hours of observation. Behind the wheel driving for all students will be finished by July 23, 1994.

Students who plan to enroll in the class may call the curriculum office at 272-3325 to sign up by Friday, May 13. Students may also call this office after this date to find out if the class made. The money and a copy of your birth certificate will need to be brought to the curriculum office at the

School Administration Building by Wednesday, June 1.

Questions can be directed to Randy Adair at 272-7571 or the curriculum office at 272-3325.

Birthday policy

The Muleshoe and Bailey County Journals publish birthday announcements free of charge for babies one year old or for people ages 90 and over. A photo may also be included with the announcement. Complete guidelines and forms are available at the Muleshoe Journal office.

Dear Friends,

Thanks so much for your love, friendship, prayers, cards and food and expressions of sympathy, during our time of sorrow in the loss of our beloved Mother - Myrtle Yerby.

*Love
Chester & Elinor*

BLM has horses, burros for adoption

The Bureau of Land Management (BLM) is now accepting applications for adoption of wild horses and burros.

The Oklahoma Area Office of the Tulsa District will, over the next several months, develop a schedule for adoptions to be conducted in the four state region of Oklahoma, New Mexico, Texas and Kansas.

In order to determine the most appropriate locations for these adoptions, the BLM is requesting that those individuals interested in adopting a living symbol of the Ameri-

can west call (405)794-9624.

People may also write to the Bureau of Land Management, Oklahoma Resource Area Office, 221 North Service Road, Moore, Okla., 73160 for an application packet.

Details on the adoption process, as well as the requirements for adoption, will be included with the requested applications.

The bureau gathers excess wild horses and burros from public lands in 10 western

states: Arizona, California, Colorado, Utah, Idaho, Colorado, Montana, Nevada, New Mexico, Oregon and Wyoming.

Since 1973, over 142,000 animals have been adopted through the BLM's Adopt-A-Horse or Burro Program.

The adoption program provides an excellent way to maintain an ecological balance between the wild horses/burros, other wildlife and domestic animals of the western rangelands.
