Help Prevent Spread Of Pink Boll Worm In Texas

All cotton farmers of Briscoe County are urged by Agriculture Commissioner John C. White to cooperate this month in the initial phase of a program aimed at preventing the spread of the dreaded pink bollworm in East Texas.

Commissioner White recommends that only sterilized or fumigated seed be planted in the fields in 1953. In order to make this possible fumigating stations are being set up at gins or other places designated by county agents in each of the 45 eastern counties where the pink bollworm quarantine was recently put into effect.

Fumigation of seed which farmers are holding back for spring planting will be done without cost, White stressed. Growers are asked to contact their county agent immediately to learn the location of the nearest point where free fumigation is offered.

This is the first all-important step designed to "get a head start" on checking the cotton insect. Later releases by the Texas Department of Agriculture will contain further recommendations for good insect control during the coming season.

In this first phase, gases from a methyl bromide solution will kill most of the pink bollworms which feed inside the cotton seed. The seed is the "pinkie's" favorite food, White points out, and the worm later emerges as a moth which flies to adjacent cotton fields to lay more eggs. The descendants from a single one of these moths could, under favorable conditions, wipe out an entire 30-acre field of cotton in one season.

"I believe most farmers of East Texas realize the danger of allowing the pink bollworm to get a firm footing in this area," said White. "Extreme South Texas is a good case in point. Down there, one out of every four bales was sacrificed to the insect last year."

"The Texas and United States Department of Agriculture are cooperating in the fumigation program. We will furnish the necessary equipment and labor free of charge. All we ask the farmer to do is to bring the seed to the fumigating station for treatment before the planting season starts. Your county agent knows the details."

Mr. and Mrs. Veral Vaughan took his parents, Mr. and Mrs. John Vaughan, to Hollis, Oklahoma, on Tuesday where they will visit several days with another son, Mr. and Mrs. Herschal Vaughan, and children.

Service Men to be Guest of Lions Club Tonight

The Lions Club are inviting all the service men who have served in the recent war and are home to be their guest Thursday night. So far they have nine names on their list of boys who are home. If there is some one they have overlooked, they are extending the invitation and want them to come.

They hope to have an out of town speaker, but they had not secured anyone early Wednesday morning.

Funeral Services Held for Grandys Sue O'Neal Friday

Last rites were held Friday afternoon at the Silvertown Methodist Church at 3 p. m. for Grandys Sue O'Neal, age 24, daughter of Mr. and Mrs. D. O'Neal. Rev. H. M. Secord, local pastor of the Methodist church conducted the services, assisted by Rev. G. A. Elrod and Bailey Hill. Interment was made in Silvertown Cemetery under direction of Douglas Funeral Home.

Rev. Secord read a poem "Child of Shadow"; Cantwell Quartette sang "Will the Circle be Unbroken?" and "What a Friend We Have in Jesus."

Deceased was born March 26, 1929 at Silvertown, Texas, and passed away March 12, 1953 at 1:30 p. m. at the home of her parents. She had been an invalid most of her life. She was dedicated to the Lord at the age of three years at the Methodist Church at House, New Mexico.

Survivors include her parents, Mr. and Mrs. D. O'Neal, one brother, Douglas, three sisters, Dearwood, Mary Blanche and Chestina; two grandmothers, Mrs. J. T. O'Neal of Paducah, and Mrs. E. O. Hedrick, of Roswell, New Mexico, and a host of other relatives and friends.

SCF CLOTHING CRUSADE FOR NEEDY CHILDREN TO LAST FIVE DAYS

Silvertown schools will take part in the state-wide Save-The-Children "Bundle Week" drive to collect used clothing for needy children, it was announced today by Superintendent of Schools M. G. Moreland. The drive, which is part of the Eleventh Annual Children's Clothing Crusade, will take place here on March 23rd and will last for five days.

Three million pounds of wearable children's clothing have been set as the national goal. Last year in the Tenth National Children's Clothing Crusade, nearly four million pounds of clothing, a total of 2,161,638 pounds of clothing, approximately five million garments.

"We cannot stress too much the desperate need for clothing that exists among children in this country and overseas," Superintendent M. G. Moreland said. "I am sure the citizens of Silvertown will want to lend a helping hand. Bundle Week provides a practical and effective means of clothing collection, and at the same time, teaches youth in our schools to share with the less fortunate. Participation in the National Children's Clothing Crusade will help foster a sense of brotherhood and lay a foundation for international good-will."

A large number of shipping bags have been received from the Federation, and leaflets will be given to all children in the school system to take home during the week, stating the purpose of the drive and asking the cooperation of parents.

Jim Hardin Serving On USS Consolation in Far Eastern Waters

Off Korea (FHTNC) March 13—Serving aboard the hospital ship USS Consolation in Far Eastern waters is Jim Hardin, fireman, USN, son of Mr. and Mrs. Willie R. Hardin of Silvertown, Texas.

Hardin who attended Droughons Business College in Lubbock, Texas, entered the Naval service in November, 1951.

The Consolation has the distinction of being one of the most famous of all the Navy's "white angels."

It was this floating hospital that arrived in Korea in July, 1950, and established the first medical support for United Nations Forces. She was also the first one to be selected for, and fitted with a helicopter landing platform.

During her second tour of duty in the Korean area, the large white ship with the red cross, began an unprecedented mission in medical history when she received the first battle casualty ever to be flown directly from the front lines to a hospital ship moored in a bay. A few months later, casualties were able to receive full medical treatment within minutes after being wounded.

Back in the Korean area for the third time, the Consolation is again rendering aid to fighting men of all nations.

The next meeting will be with Katy Turner March 26.

Haylake Club Met Thursday with Mrs. Shorty Bingham

The Haylake Club met Thursday, March 12, with Mrs. Shorty Bingham in an all-day meeting. The day was spent quilting and painting. Mrs. Brumley, of Quitaque, met with the ladies in the rooming and demonstrated the ball pen type of paints. At noon a delicious covered dish luncheon was served. Names were drawn for "peanut pals" which will be revealed every three months.

Those present were: Mary Rampley, Bessie Wheelock, Blanche Newman, Bill Hill, Betty Curby, Eudean Crow, Ruby Brannon, Ella Leah Riddle, Fay Jean Rampley, Mary Lee Waters, Gladys Brannon, Lillian Ruth McJimsey, Iky Bingham and Maxine Donnell.

The next meeting will be an all day quilting at Ruby Brannon's on March 26.

CUB SCOUT DEN NO. 3 MEET

Cub Scout Den No. 3 met with their temporary mothers, Mesdames John Lee Francis and Edwin Crass, last Wednesday afternoon, at their club room. Six members were present. The boys practiced on a song and a yell for the pack meet. They made plans for some other future activities. Refreshments were furnished by Mrs. Ben Bingham.

Lyle Brothers Begin Construction of New Gin Here

Lyle Brothers, cotton gin owners and operators of Texas and Oklahoma have completed plans for the erection of a 5-80 Hardwicketter Gin in Silvertown. Their new gin here will be located at the northeast corner of the town section. They have secured six acres of land for the gin location.

Douglas B. Lyle will have charge of the local gin, and will move his family to Silvertown as soon as he can find a place to live.

The new gin plant will use natural gas motor power and electricity for their fans. The plant will be constructed of all-steel throughout.

The three brothers have four gins including the one here. A. C. Lyle operates the one at Brownfield, Texas, and M. K. Lyle is manager at Stillwater, Oklahoma. The fourth gin is located at Canton, Oklahoma.

Work will be pushed as fast as possible and with fair success everything will be ready before this year's cotton crop will be ready to harvest.

TO THE WORSHIPFUL MASTER, WARDENS AND BROTHERS OF SILVERTON

Lodge No. 754, A. F. & A. M. Silverton, Texas.

We, your committee, duly appointed to draft resolutions on the passing of our Brother John S. Fisher, beg leave to submit the following:

The ways of men are not the ways of God and we would have been glad to have our deceased brother with us tonight; but the All Seeing Eye, who sees and doeth all things well, has seen fit in His great wisdom, in carrying out His plans for the universe, remove from our midst our beloved brother and to relieve him of all further worry and troubles, and to translate him into that celestial land above, where the Supreme Architect of the Universe presides.

Brother Fisher was a real man and a real Mason at heart. He was Worshipful Master of his lodge before coming to Silverton, and he held the offices of treasurer and secretary of this lodge for many years with credit to himself and with satisfaction to all members of our beloved fraternity.

Brother Fisher was a kind and compassionate man, with confidence in himself, but never bigoted or conceited, fair minded and always willing to hear the other side of any question.

We know where he is, and the life we will have to live on this earth if we are to be with him in the Great Lodge above where the Supreme Architect of the universe presides.

Therefore, be it resolved that in the passing of Brother John S. Fisher, we have lost a very worthy brother, who was always discharging his duties with distinction to himself and honor to the fraternity.

Be it Further Resolved, that we extend to his widow, Sister Jennie V. Fisher, our heart felt sympathy in this, her darkest hour, and that we pledge to her our loyal support in all the trials and tribulations she may encounter, and always be anxious and ready to extend to her the helping hand that Mr. Johnnie was always glad to give to those who needed it.

Be it further resolved, that a copy of this resolution be sent to his widow, Mrs. Jennie V. Fisher, and a page set aside in our minutes sacred to the memory of our beloved brother John S. Fisher, and a copy sent to the Briscoe County News for publication.

Respectfully submitted by your committee.

Dee McWilliams,
C. D. Wright.

Mr. and Mrs. Carl Lewis, of Lubbock, spent the week end here with her parents, Mr. and Mrs. Travis Marshall.

Mr. and Mrs. Marion Wiles and family, of Lakewood, California, recently brought her mother, Mrs. Bill McGavock, home from an extended visit in California with various friends and relatives. Mrs. McGavock reports a wonderful trip with happy memories stored away to last a long, long time.

Mrs. Doyle Watkins, of Sudan, Texas, says—

"I Like ELECTRIC COOKING BECAUSE IT IS FAST, Clean and Dependable!"

"And I especially like the convenience of automatic cooking, made possible by my oven timer", Mrs. Watkins adds.

A prize winner in the McCall's Magazine Kitchen Planning Contest, Mrs. Watkins is already teaching her young daughter to follow in her footsteps. She knows, as do many mothers, there is no safer range than an electric range on which to teach young future homemakers.

Fast, clean, dependable, accurate and safe cooking can be yours, too, on the matchless, modern range. Of course, it's electric.
