Owls Triumph Over Panthers

The Silvertown Owls played their third district game last Friday night with the Quitaque Panthers to win 38-7.

No. of plays	69	53
No. of first downs	12	9
No. of passes	2	7
Passes completed	1	2

To begin the game, Brad Wilson's kick was returned to the 26 by Johnny King. When the Panthers failed to progress, the Owls took the ball on the 48 on a kick. On the second play Bill Stephens made a first down; and again on the fifth, he did the same. On the seventh play, C. L. Dunn drove across the 10 yard line for a first and goal. Then after C. L. crossed the 1, Deleath made the touchdown. The kick for the extra point was not good. Brad's kick was returned to the 38 by Murry Wise. After 4 first downs, the Quitaque Panthers had progressed to the Owl's 6 yard line. Felix Johnson then made the 6 points, and he also ran the extra point to make the score late in the first quarter 6-7 in the Panther's favor. Jim Foster's kick was returned to the 41 by Bill Stephens. Silvertown failed to make any ground, so C. L. made an excellent (first play of the second quarter) of 56 yards to the Panther's 2 foot line. Then on Quitaque's second play, Bill Mayfield's lateral was intercepted by Norman Chitty, who continued on to make the Owls a touchdown. C. L. passed to Bill Stephens for the extra point to make the score 13-7 in Silvertown's favor. Brad's kick was returned to the 37. After Jimmy Don and Troy stopped Murry Wise on the fourth down to keep the Panthers from making a first, Mayfield kicked. It was returned by Deleath Peugh to Quitaque's 36 yard line. On the second play, Bill Stephens made a first. On the fourth play Deleath went to the 10 for another first and ten. C. L. then ran the touchdown to make the score 19-7 in Silvertown's favor. The kick for the extra point was blocked. Brad's kick was returned to the 28 by Jim Foster. On the next play Johnson was tackled after a 50 yard chase by Norman. The Panthers fumbled letting Bill Stephens recover on the Owl's own 8 yard line. On the third play Robert Hill went to the 20 for a first. Then on the sixth play, Bill Stephens went to the 34 for another first and ten. C. L. Dunn on the ninth play ran 58 yards for a touchdown making the score 25-7 in the Owls favor. The extra point kick wasn't any good. The Panthers got to the 50 when the half

time came.

The Silvertown Pep Squad marched at the half. Vaughn Rowell led the girls in a colorful performance. Formations of an S and then a Q were made symbolizing the two schools. The white of the drum majors, the red and white of the pep squad costumes, the efficient forging of letters, and the marching were greatly appreciated by the fans.

Jim Foster's kick was returned to the 24 by C. L. The Owls failed to make a first; thus the ball went over on downs. After Johnson's pass was incomplete on the fourth play, the ball went back to Silvertown on the 26. The Owls had to quick-kick on the fourth, Johnson's pass was intercepted by Jim Scott Whitfill. C. L.'s pass was incomplete to Norman on the fourth play letting the ball go over to Quitaque on the 40 yard line. After the Panthers made a couple of first downs, Jim Whitfill intercepted a pass by Mayfield on the 37. Robert Hill went to the 49 for a first and ten before the third quarter closed. On the third play Robert went to the 36 for another first. Bill Stephens on the ninth play ran 27 yards on a reverse play to score a touch-

Edwards - Grundy Marriage Read in Matador Church

Matador, October 20 (Special)—The marriage of Miss Lucretia Edwards and Roy D. Grundy was solemnized Saturday at 6 p. m. in First Methodist Church. Rev. Woodrow Williams officiated for a double ring ceremony.

The bride is the daughter of Mr. and Mrs. Benjamin F. Edwards and Mr. and Mrs. J. L. Grundy of Quitaque, are parents of the bridegroom.

Palms and floor baskets of white gladioli and pompon mums formed a background for an arch of branched candelabra, forming the wedding setting. Mrs. John Stevens, organist, accompanied Miss Frances McMahan, who sang "Always," "I Love You Truly" and "The Lord's Prayer."

Given in marriage by her father, the bride wore an original model of white silk chiffon taffeta, embellished with appliques of Alencon lace over nylon tulle. The fitted princess bodice had short puffed sleeves and terminated with a long torso waistline. It was designed with portrait neckline which was outlined with velvet ribbon bands which tied in bows at the shoulders.

For the waistline stemmed a skirt of taffeta, fully shirred and encircled by bands of velvet ribbons, between which were scattered appliques of lace. The immense fullness of tulle swept into a short graceful train at back. Her veil of silk illusion was joined to a pillbox type cap of taffeta and Alencon lace enhanced with embroidery of seed pearls. She carried a bouquet of green cymbidium orchids, white stephanotis and white carnations.

Mrs. Bill Seale was matron of honor. Bridesmaids were Miss Kay Norman and Mrs. Jody Graham, who also lighted candles. They were attired in identical dresses of turquoise velveteen, fashioned with princess lines and a slight flare at the bottom of the skirts. Boat necklines dipping to V's at the back and matching headpieces completed their attire. Mrs. Seale carried a bouquet of white carnations and the bridesmaids wore floral wristlets.

Wayne Lowe of Amarillo was the bridegroom's best man. Jody Graham, Dayton Graham and Jerry Edwards, cousins of the bride, were ushers.

At a reception in the home of the bride's parents, Mrs. Roger Kingery registered the guests. Mrs. L. B. Campbell of Dougherty served the wedding cake and Mrs. Jack Case presided at the punch service.

The bride's table was laid with a white linen cloth and a centerpiece of white and turquoise carnations featured her chosen colors.

Following a short wedding trip, the couple will live in Quitaque. For traveling the bride chose a brown wool suit with matching accessories.

Mrs. Grundy graduated from Matador High School and has attended West Texas State College. Grundy graduated from Quitaque High and West Texas State. He is mathematics teacher and coach at Quitaque.

1925 Study Club Sponsoring Library Emphases Day Nov. 7

Library Day is being sponsored by the 1925 Study Club November 7th. A book shower, silver offering, also arts and crafts exhibit will be held in the library and club room at 2:30 to 5 o'clock p. m.

Everyone is urged to bring their hobbies, arts, and crafts to the club room Wednesday morning, November 7.

Briscoe County Library serves a large number of people each week. Mrs. G. R. Dowdy, the librarian, secures new books and magazines monthly.

A public library is to be appreciated, for it is one of the foundation stones of human freedom. Without the right to know, the right to learn, the citizens cannot be free, and without the place to learn the right is empty. The public library as distinguished from others, offers that place freely to all citizens.

All of the vast body of man's accumulated learning were it simply stored in vaults would be practically valueless. But on the shelves and in the files of your library the world's treasury of wisdom is classified. So without libraries the magnificent technical advances of our age would have been impossible. Without public libraries the ordinary citizen would be denied his right to participate in them.

Doleful Senators Due Shock When Ike Wins, Fears Doc

One of the strongest Eisenhower men in our town is Doc Brown. Doc says he just can't put up with Stevenson's socialized medicine program; there are a lot of other things he doesn't like about Adlai, but that one is enough for him, he says. Doc is a pretty outspoken cuss, but he's a good doctor. At least, he's the best one in town, being the only one, and our people always call him when they get sick whether they like his politics or not.

The other day several of us were standing around in front of the post office, talking politics—some Eisenhower men and some for Stevenson—when Doc walked up looking glum. One of the Stevenson men said: "Hey, Doc, what's the trouble, did Ike just call you in some bad news?"

Doc Brown said no, he hadn't heard from Ike this week, but he was worried.

"Not about Ike, you understand," he told the Stevenson fellow. "Ike has got it made. Even the Stevenson people are beginning to admit that. Poor old Adlai isn't going to get any farther in this race than he could throw Kefauver's coonskin cap with the tail cut off.

"The ones I am worried about are these out-of-state senators who are coming down here to Texas to tell us how to vote. I sure feel sorry for those boys. It must be tough to face life with their attitude.

"To hear them tell it, this country is in a terrible shape. All the farmers are starving, all

the businessmen are going broke, and all the working people are just barely making enough to keep body and soul together. The only reason some little country doesn't step in and whip us tomorrow is that they know they can just wait a few days and the United States will fold up of its own accord. That's what I understand from listening to the visiting senators.

"Of course, they know how to correct the situation overnight. Elect Adlai, and let him abolish the draft and do away with the H-bomb, and let Estes establish the Atlantic Union which he has made speeches about all over the country, and everything will be all right.

"These things are too important, of course, for these senators to waste time telling us Texans why they voted against the Texas tidelands bill.

"As a medical man, I am worried about the great shock these senators are going to get, after the election is over and Ike is re-elected and this country keeps on being peaceful, prosperous and progressive. It's liable to put them all in bed."

And Doc Brown walked on off, shaking his head. Of course, the Stevenson man caught on that Doc was hurrahing him, and he didn't like it much, but he'll still have to call him the next time one of the kids gets the croup, because like I said he's the only doctor in town.

Yours Truly,
Tex
