Annual Land Judging Contest To Be Held At Silverton Thursday, April 11

4-H Boys And Girls Receive Good Prices For Their Stock

Briscoe County 4-H Club Boys and Girls finished their club demonstrations at the District Plain-Fat Stock Show March 27, 28, and 29. Boys that took steers, hogs and lambs to the Plain-Fat show were well paid at the auctions that were held.

Warren Merrill received 28c per pound for his 7th place steer, Roy Estes received 31c per pound for his 9th place steer, and Anderson got 24c on his 19th place steer. Other steers selling were John Burson's steer at 23.30c per pound and Max Garrison's two steers that sold for 22.40 and 22.10 respectively.

Boys showing barrows were Harris, Leon and Wayne Wiley, and Joe Kitchens. These boys brought 18c per pound.

Wanda Cornett sold one of her barrows for 21.20 at the show.

Prices this year were much better than last year's on all classes of livestock sold at the show. This marked the first time that local buyers participated in the auction.

The First State Bank of Silverton bought Dewey Estes' steer.

County Agent Ledbetter remarked that we didn't do nearly so well with our placings this year as last but the prices were much more favorable. He reported that not a 4-H Club Boy lost money on any livestock project this year and most of them did quite well financially. This has caused a revival of interest in feeding steers for next year. Indications are that there will be 20 or 25 4-H steers in the county.

Some of the boys are making plans to exhibit barrows at the Central Texas Fair at Waco and then take them on to the State Fair at Dallas.

Briscoe County Favored Yarborough in Tuesday's Election

At noon Wednesday all returns were in except Antelope in the election held Tuesday. Ralph Yarborough carried Briscoe County.

Three leading candidates in the election were: Dies, 114; Yarborough, 47; Yarborough, 231. The vote cast Tuesday amounted to date was 417, with a total party strength of 633. Antelope is a small box and is not expected to change the returns very much.

Other candidates in the race to receive one or more votes were: Golofsky, 1; Bracewell, 4; Curran, 1; Hammonds, 2; White, 11; and 1.

Donald R. Bean Nominated at Pedricktown

Donald R. Bean, son of Mr. Mrs. J. K. Bean, Silverton, is a member of the 738th Antiaircraftillery Missile Battalion's Headquarters Battery in Pedricktown, Tenn.

clerk typist in the battery, entered the Army last May completed basic training at Chaffee, Arkansas.

He is a 1956 graduate of Texas Agricultural College.

Lions Club Will Elect Officers April 4

The local Lions Club will elect officers at their meeting April 4 in the Fellowship Hall of the Methodist church. All members are asked to attend this important meeting.

Mr. and Mrs. Will Smithee Observe Wedding Anniversary

Mr. and Mrs. Will C. Smithee celebrated their 50th wedding anniversary on Sunday, March 31 with an open house from 2:00 to 4:00 p. m. They were married on Sunday, March 31, 1907, in the home of the late Mr. and Mrs. R. F. Stevenson, who then lived a block north of the Presbyterian church. They left immediately after the ceremony, by horse and buggy, for Rock Creek where they were overnight guest of her brother and family, the late Eph Stevenson, and Mrs. Stevenson.

Several who attended their wedding also attended the anniversary celebration. Guests for the celebration included only relatives and a few close friends. Their son, Willie Amel Smithee, of Memphis; and daughters, Mesdames Kathleen Green, of Turkey; Gladys Strickland, of Denton; and Einell Montague and their families were members of the house party. A granddaughter, Miss Anita Kay Green, of San Antonio, was the only descendant absent.

White cake squares decorated with golden bells, nuts and punch were served with crystal and silver appointments from a table covered with a golden cloth; the refreshment table was centered with golden iris flanked by lighted golden tapers; a miniature horse and buggy and a wedding picture of Mr. and Mrs. Smithee as they left for their wedding trip was the focal point of interest.

Mrs. Smithee wore her original engagement and wedding rings; a daughter, Mrs. Gladys Strickland, wore a locket and bracelet which Mr. Smithee had given his wife before their marriage. These articles were purchased from Dr. W. A. Sedgwick who was then in the Jewelry and Optical business here; he did the engraving on each of these pieces.

Mr. and Mrs. Smithee came to Silverton when they were children and have lived here continuously since that time with the exception of a few months now and then spent other places for health or business reasons.

Mrs. Hutsell Goes to Norfolk, Virginia

Mrs. R. Clyde Hutsell left by plane from Lubbock for Norfolk, Virginia, Friday evening. She has gone to stay with Cor. Riddell Hutsell and children while Mrs. Riddell Hutsell undergoes major surgery.

F. E. Hutsell took his mother to Lubbock and went on to Dell City to spend the week end and return home his wife and children who had been there a week visiting her aunt and family, Mr. and Mrs. Clayton Wood and Jan.

Boy Scouts Will Meet on Monday Night, April 8

Silverton Boy Scout Troupe No. 62 Court of Honor Monday night, April 8, at 7:30 at the Scout Hut.

There will be a number of special awards made, merit badges and rank advancements presented; also tenderfoot investitures. The meeting will be under the leadership of senior patrol leader, Joe Anderson. Troop Committeemen and Scoutmaster will present the awards. The Public is invited to attend.

Dinner Guests of Mrs. W. W. Martin on Friday

The Stamps Quartet, of Dallas, Messrs. Arthur Watson, Loy Kooker, Jerry Barnett, Jimmy Grisham and Cecil Pollock, pianist, were six o'clock dinner guests of Mrs. W. W. Martin last Friday. Other guests were Mr. and Mrs. George Martin and children, Mrs. Mary Cross, Mr. and Mrs. Datis Martin and children and Mr. and Mrs. Leon Martin. The group went to Lone Star for a program of fine singing during the evening.

The quartet will be here again on April 12 and will go to South Plains for a program during the evening.

Mr. and Mrs. Fred Mercer, Mike and Ann attended the show, "The Ten Commandments" in Amarillo on Sunday.

Carbon Paper at the News Office

Recent Activities In Silverton Schools; Enrollment Increase

The Parent-Teacher Association purchased an Opaque Projector for our schools which was received Monday and demonstrated to all who were at the P. T. A. meeting Monday night. This machine is a very good teaching aid and will be used by our teachers in their work. Our teachers want to thank the P. T. A. for this fine piece of equipment which they feel will be very beneficial in their class work. We have some of the best equipment to be found in any school of this size and we must give credit to the School Board, The P. T. A. and other local clubs for this. It is through such cooperation that we are able to make progress.

At this time we do not have a complete report on our Interscholastic League Spring Meet. Grade School events will be held at Matador on the 27th of April. No final report can be made before this time. We do have this to report on the High School part of the Meet which has been completed except for Tennis. We now have 209 points and we won the Spring Meet last year at Lakeview with 225 points. We won in 1955 with 370 points. It appears that we will win this year but this is not official at this time. We will report on this at a later date. At that time we will give you a list of who won and what they won.

We made a report to The League as to how many pupils were in High School at this time. There are enough to put us in Class 'A' in Athletics. That means that we will compete this next year in 'B' and the next in Class 'A'. The delay of a year is because of the fact that our Football Schedule has already been made. The Schools are reclassified each two years for athletic purposes and is done according to the number in High School.

Supt. M. G. Moreland.

Land Judging teaches the participant the nature and properties of soil, how it may be improved, what crops may be grown with conservation in mind, and good management practices.

Last year the Silverton FFA team won the contest by one point over the Briscoe County 4-H Club. The contest had sixty boys entered. Officials for the contest will be the board of supervisors for the soil district. These are: Lem Weaver, Edwin Crass, Merle Montague, Bill Cushing and Glyn Morrison. The Silverton Work unit for the SCS is getting a soils man from the district office to assist with setting the contest up.

Agriculture Teachers Glenn Bunch and Joe Holmes and County Agent Ledbetter are getting their teams ready for the contest.

A good crowd of adults are expected to finish out the group.

MEMBERSHIP CLASSES TO BE HELD AT PRESBYTERIAN CHURCH

Classes for those preparing for church membership will be scheduled between now and Easter by the Presbyterian Church. A class for children and young people will meet on Thursday afternoons at 3:45. Instruction for adults intending to become church members and others interested in the basic beliefs of the Christian faith will be given on Sunday nights at 7:30.

Applications Being Accepted Here For Airforce Service

The Air Force is rapidly filling to capacity and a waiting list has become the practice for the first time since the Korean conflict, according to Sgt. O. L. Roberson of the Childrens Recruiting station.

Young men graduating from High School in June should visit the nearest Air Force Recruiting Station and make application if they desire to enlist this summer. This application does not constitute an obligation, but merely establishes a "first come, first serve basis of selection".

Applications are being accepted now for enlistment in April and May by Sgt. Roberson at the Post Office in Silverton, Texas every second and fourth Wednesday.

Oscar Weaks, who was injured in a car-school bus wreck near Tulia several days ago, is now in the Tulia hospital. It has been determined that his left arm is fractured in three places above the elbow; his hand is partially paralyzed and it is thought that a nerve is pinched. Mrs. Weaks, who was badly bruised in the accident, has recovered. Their children were not with them at the time of the accident.

Mr. and Mrs. Eugene Long returned home, on Tuesday of last week from a ten day trip. They visited his brother and family, Mr. and Mrs. Earl Long, at Vian, Oklahoma; at Dubach, Louisiana, they visited Mr. and Mrs. Hillie Mitchell. They were guests of Mr. and Mrs. Tom Ziegler and other relatives at Mineral Wells. All of whom they visited are former Silverton residents; there was evidence of abundant rains wherever they went.

Mrs. Donnell Alexander and Donnelly returned home last Friday from Turpin, Kansas, where they had spent several days with Mr. Alexander who is working there. They were in Turpin during the recent blizzard and snow-storm.

Silverton Group Attends Meeting In Galveston

Robert Hill, Brad Wilson, James Brown and Bobby Stafford were delegates to the State Student Council Convention held in Galveston on March 28 and 29. They were accompanied on the trip by O. C. Rampley, administrative advisor to the Silverton Student Senate.

The group went by way of Austin and visited the Texas Legislature in action. They were greeted from the floor of the Senate by Senator Andy Rogers.

They spent Thursday and Friday in Galveston where they attended different sessions of the Student Senate. They enjoyed various forms of entertainment which included a political rally and a fish fry.

On the return trip the group stopped at the San Jacinto Battle Grounds and visited the Battle-ship Texas.

They all enjoyed the trip very much and the boys came home with several new ideas to try out on their own high school group.

Winners in County Spelling Bee Are Announced

The following students from Silverton and Quitaque schools who took part in the spelling bee held at Quitaque, Wednesday, March 27, have been announced. The winners will represent the county at the spelling bee to be held in Amarillo.

From seventh and eighth grades: Betty Turner, Silverton, first; Anita Stout, Silverton, second; Carlyn Garrison, Silverton, third; Dellis Monk, Quitaque, fourth; Bobby Saul, Quitaque, fifth and Becky Mallow, Silverton, sixth.

From fifth and sixth grades: Seratha Stephens, Silverton, first; Jimmy Saul, Quitaque, second; Lawrence E. Norris, Silverton, third; Bobo Morrison, Quitaque, fourth; Lester Grabbe, Silverton, fifth, and Travis Gilkeyson, Silverton, sixth.

CEMETERY CARE-TAKER C. S. JAMES TURNS ON WATER FRIDAY MORNING

C. S. James, caretaker of the local cemetery turned on the water out there and wishes to advise folks who want to plant flowers and shrubbery. It is time to start work of caring for plants already growing at the cemetery.

Mr. and Mrs. Alvin Crow, of Temple, Oklahoma, and Mrs. Mary Hutchins, of Wichita Falls, were guests of Mr. and Mrs. H. S. Crow from Wednesday until Friday of last week. All were dinner guests of Mrs. Carl Crow and Jim on Thursday. Mrs. Hutchins is a sister to the Messrs. Crow and the late Carl Crow.

Mrs. J. H. May, Mrs. Jackie Stafford and Mrs. Elmer May were in Tulia on Tuesday of last week.

Mr. and Mrs. George Long and Nicky were in Lubbock one day last week.

Mr. and Mrs. Melvin Heckman and family, who recently moved to Floydada, were visitors with his aunt, Mrs. Mary Cross, and Mr. and Mrs. George Martin and family Sunday afternoon.

Six Million Onion Plants Being Transplanted On Bomar Farm Joining Silverton

Sweetheart Banquet Held Friday Night at High School

One hundred and eight Future Homemakers and their guests attended the Sweetheart Banquet at the high school study hall last Friday evening at 7:00. Miss LaWanda Reid FHA president welcomed the guests. Robert Hill FFA president gave the response.

The theme of the banquet was Down Mexico Way. The program included the Mexican song Cielito Lindo by Carla Miller and Nora LaRock. Betty Penn accompanied them at the piano. The group sang Chiapaneacs. Ronnie Hester played and sang Mexican Joe and other guitar numbers.

Miss Tina Weaver and Marsha Alexander entertained the group with the Mexican Hat Dance. The FHA Sweetheart, Donnie Stephens, was recognized by Marjorie Autrey, chapter secretary.

A delicious meal of Mexican foods was prepared by the FHA mothers and served by the eighth grade girls.

Miss Ann Hastings, of Plainview, who is a graduate of Texas State College for women was the speaker of the evening. Miss Hastings showed with group colored slides which she made while visiting Mexico City last summer. High school teachers were guests of the FHA at the banquet. Miss Vaneta Cross of Plainview was also a guest.

Onions are being grown for the first time on a commercial scale in Briscoe County this year. Plantings are nearing the 70 acre mark. This will also mark the first year that any commercial vegetable has been grown on this scale in this county.

Plantings on the Roy and W. V. Bomar farm just south of Silverton is nearing sixty acres as Mr. Bomar said they were nearing the time they would be finished planting. He indicated that he only lacked another acre or two. Mr. Bomar is using the Grano variety that was developed for the winter garden area by the Texas Agricultural Experiment Station. This is one of the better onion varieties for this section. Onions are transplanted with hand labor. Mr. Bomar said that he was sent six million plants for his plantings.

There has been much interest in this planting and is best described in Mr. Bomar's words of "That half of the people from Briscoe County have been out to observe the plantings."

Other planting in the County is on the F. O. Barrett place on the county line south. Mr. Barrett had grown cabbage last year. He has ten acres this year.

Onions may be expected to yield in the neighborhood of 80 to 100 fifty-pound bags per acre.

Marketing, the largest factor in vegetable production has been worked out in both cases with brokers.

THREE COUNCILMEN ELECTED IN TUESDAY'S VOTING

In the City Election Tuesday to select three city councilmen, C. O. Allard, Hugh Nance and Perry Whittemore, present incumbents, were re-elected.

C. O. Allard, 52 votes; Hugh Nance 56, Jean Grundy 48, W. Arnold Brown 19, Perry Whittemore 63, and Conrad Alexander 37.

SILVERTON RIDING CLUB TAKES PART IN QUITAQUE JUNIOR RODEO

The Silverton Riding Club were in Quitaque on Friday, Saturday and Sunday to attend the Quitaque Junior Rodeo which was sponsored by the senior class of the Quitaque high school. They participated in the parade Saturday and grand entries each day.

Mr. and Mrs. Jack Loudermilk, former Silverton residents, were hosts to the riding club members at a picnic near the gravel pit on Sunday. A large crowd attended.

SCHOOL JUNIOR-SENIOR BANQUET TO BE APRIL 4

The Silverton High School Junior Senior Banquet will be held at the local high school, Thursday, April 4. The banquet will honor the 1957 seniors and faculty members. The junior class is preparing for some 80 guests.

MOVE INTO NEW HOME

Mr. and Mrs. Seymour Brannon and sons, Joe, Jerry and Wade, moved into their new home east of town last Friday. The house is of frame construction with stucco; there are three bedrooms and one and one-half bath rooms. It has a living room, den and utility room.

Mrs. Harold Seefeldt and children, of Midland, were guests of her mother, Mrs. Grady Wimberly, from Thursday through Saturday.

Mrs. Garma Ingram, of Lubbock, and Mr. and Mrs. Paul Gaither and children visited Mr. and Mrs. Bill Bolling and Debra on Sunday. Mr. Gaither is a brother to Mesdames Bolling and Ingram.

DOYLE HUNTSMAN FAMILY VISIT RELATIVES HERE

Mr. and Mrs. Doyle Huntsman, Doyleene and Barbara Lois, of San Angelo, visited Mr. and Mrs. E. Posey and their daughter and family, Mr. and Mrs. R. A. Edwards and sons from Friday through Monday.

On Sunday a family dinner was served in the Posey home honoring the birthday anniversaries of Mr. Posey, Mrs. Edwards and Barbara Lois Huntsman. Mrs. Virginia Dennis and Rose Ann were also dinner guests.

Mesdames Posey and Dennis are sisters in law and Mr. Huntsman is their nephew. Mr. Huntsman formerly lived here and operated the tailor shop.

Mrs. J. W. Lyon, Sr., mother of Judge Lyon is thought to be recuperating satisfactorily at her home in Quitaque since her recent major surgery. Judge and Mrs. Lyon have made several trips to Quitaque to see her.

Mr. and Mrs. T. S. Stevenson, of Canyon, visited Mrs. Minnie Stevenson Sunday afternoon.

Mrs. James Stevenson and Mr. and Mrs. Dean Allard attended the funeral of Mr. J. W. Fox in Kress Monday morning.

Mrs. Wood Harcastle, of Skellytown, was a dinner guest of her sister and family, Mr. and Mrs. Dean Allard, on Monday.

Mr. and Mrs. Bert Flowers, of Crosbyton, attended church services at Rock Creek Sunday morning and were dinner guests of their daughter and family, Mr. and Mrs. Grady Martin.

Rev. James P. Patterson and Mr. Edd Thomas were in Plainview on Monday to visit Mrs. Thomas who had been a patient there for several days. Mrs. Thomas was thought to be doing all right but was low on blood so Rev. Patterson donated a pint for her.

Rev. and Mrs. James Patterson planned to go to Lubbock on Tuesday where he would attend a conference training institute at St. John's Methodist Church through Thursday. Mrs. Patterson planned to visit her brother and family, Mr. and Mrs. Garland Newsom.

Mr. and Mrs. Odum and Pat Sullivan, of Hereford, were Sunday guests of Mr. and Mrs. Clyde Mercer and family. The Odums are parents of Mrs. Mercer and Pat Sullivan is her daughter.

Mr. and Mrs. Jim Whitfield spent the week end in Lawton Oklahoma, guests of Dr. and Mrs. N. L. Powers and children.

Mr. and Mrs. Omer J. Washington and children spent the week end in South Plains with her parents, Mr. and Mrs. John Hinsley. Several local folks attended the Six County Singing Convention in Floydada on Saturday night and Sunday. Among those who were there were Mrs. W. W. Martin, Messrs. Lee Deavenport and Omer J. Washington, Messrs. Wade Steele, J. Lee Francis and Dale, Gabe Garrison, H. P. Howard and Buck Lancaster and family.

Mrs. Berton Hughes, Robert and Randy were recent week end guests with her parents, Mr. and Mrs. R. E. Renfro, in Whitesboro; due to weather conditions they remained there until Monday when Mr. Hughes met them in Wichita Falls.

Mr. and Mrs. Other Vardell and family, of Dimmitt, and Mr. and Mrs. Hilton Vardell, of Quitaque, were Sunday dinner guests of the men's parents, Mr. and Mrs. J. J. Vardell.

Mrs. Lawrence Cox and David, of Wichita, Kansas, are spending this week here with her brother and family, Mr. and Mrs. J. T. Smith and children.

Mr. and Mrs. H. R. Fulton, Jr. and children, of Canyon, visited her parents, Mr. and Mrs. Joe B. Mercer, and her grandparents, Mr. and Mrs. H. C. Mercer, on Sunday.

William B. Davis, grandson of Mrs. J. H. Burson, who is working on his masters degree and is also serving as research assistant in hydro-dynamics at MIT in Boston, Massachusetts, designed and figured out the hydro-dynamics for the model of a fountain, two of which will be used in the plaza of the fabulous Seagram building new under construction in New York City. He designed the gadget which makes the water come out in a circular spray. William is the son of Mr. and Mrs. Clifford Davis, of Amarillo; Mrs. Davis, his mother, is the former Jesse Burson who grew up here.

Mr. and Mrs. Guin Fitzgerald are the parents of a baby girl, Nannette, born at 7 a. m. Monday, April 1, in the Lockney hospital; weight 7 pounds. Mr. and Mrs. Lee D. Bomar and Mr. and Mrs. W. H. Fitzgerald are the grandparents. Mrs. J. C. Morton, Goree, and Mrs. Dan Montague are the great grandparents.

Lieut. and Mrs. Carol D. Davis and Alex, of Columbus, Georgia, arrived here on Saturday. He returned to camp early this week but Mrs. Davis and Alex will remain here for several weeks while he takes special training. They were guests of his parents, Mr. and Mrs. D. H. Davis, and other relatives.

SCRIPTO PENS \$1.00, at The Briscoe County News Office.

Mr. and Mrs. Garvin Long and family and his mother, Mrs. Olja Long, of Maple, former Silverton residents, visited relatives and friends here from Friday through Sunday. They were house guests of his aunt and family, Mr. and Mrs. Clyde Lightsey, and uncle, Spencer Long; they were Sunday dinner guests of his uncle and family, Mr. and Mrs. Eugene Long.

Mesdames Keyth Tiffin, Fred Arnold and children left here on Wednesday, March 20 for a visit with relatives and state; Mrs. Fred Arnold and children visited her parents, Mr. and Mrs. Jimmy Cantwell, at Brownwood. Mesdames Tiffin and L. G. Arnold and children went on to Corpus Christi. Mrs. Tiffin visited her brother and family, Mr. and Mrs. Jack Pyron and they all went to Brownville to visit another brother and his family whom Mrs. Tiffin had not seen for seven years. Mrs. L. G. Arnold and children were guests of her brother and family, Mr. and Mrs. F. A. Petty and Mrs. Petty's parents, Drs. Portila.

Mrs. Garland Francis attended the club sale at Flomot on Tuesday of last week.

Mrs. O. T. Bundy returned home on Wednesday of last week after having spent several days with her daughter and family, Mrs. Clarence Mast and children, in Midland.

Mrs. Bill Carter, Bobby, Sharon and Kay, of Amarillo, former Silverton residents, spent the week end here with Mr. and Mrs. H. A. Morris and other friends.

Mrs. Virgil Crow, Gary and Philis met Mrs. Crow's brother, Glen Watters in Amarillo last Friday. Glen went to San Francisco, California, about two weeks earlier and got the full benefit of the quakes there; he has three broken ribs as a souvenir of the quakes.

Otto Owen is spending this week in Dallas on business.

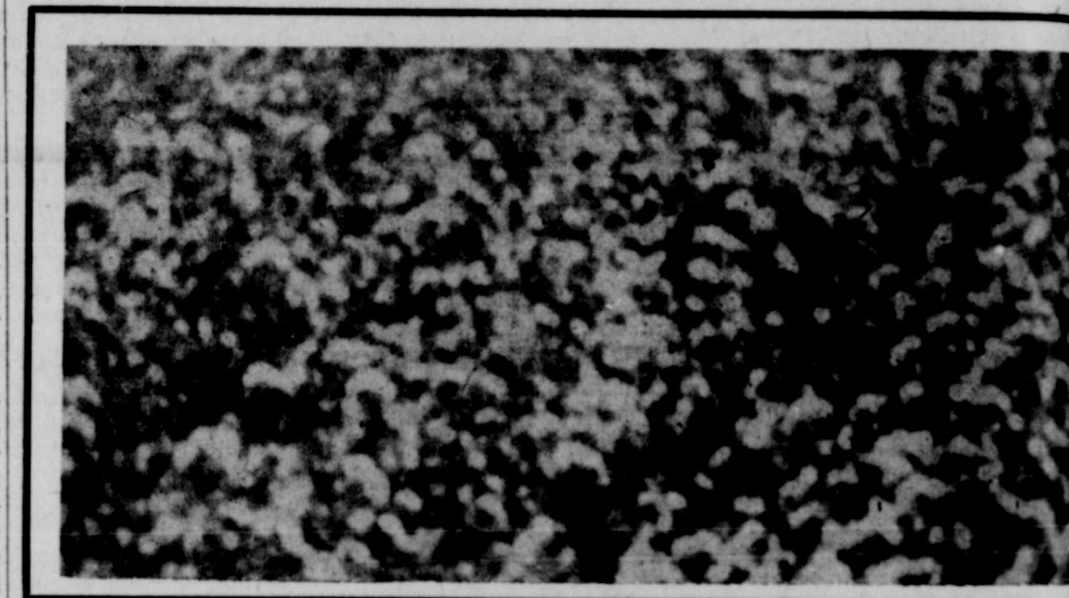

Mr. and Mrs. John Cory children spent a visit last week with her grandparents and Mrs. H. A. Morris, and relatives. Mr. Coryell is a graduate of the University of Chicago, Illinois, to San Diego, California.

Mr. and Mrs. J. E. Minton children spent Sunday with sister and family, Mr. and Mrs. J. V. McCarty, in Phillipsburg, Missouri. Mrs. Minton who had spent two weeks in Lips with her aunt, Mrs. McCarty.

Mrs. Grady Wimberly spent week end in Tulia with her husband and wife, Mr. and Mrs. Hodges. She also visited Brown at the Tulia hospital day afternoon.

GREGG COTTON

The happy farmer who has grown the field of Gregg cotton shown in the picture above has nothing to distract his mind from the satisfaction of knowing his cotton has IT — an excellent yield with good grades. The pleasure of growing a field of cotton like this is not only a joy to be experienced in a year like 1956 — a year in which we have had an unusual amount of heat to mature cotton here on the Plains; but cotton fields of similar appearance should be grown on the Plains on almost any year with Gregg cotton. Gregg has been bred to produce under the adverse conditions of our cooler weather, and especially with its cooler nights; it should shine the brightest and show its colors the most on the really bad years; it should in a large measure cure those cotton headaches which are very common in our section of the country.

Early Maturity
Yes, cotton headaches are not a myth; they are a fact; for we have seen farmers in the midst of summer standing and discussing the problem of whether to water cotton, for fear that it would go to stalk and fail to fruit. Gregg with its close, quick, rapid fruiting has solved this problem for our farms. For the past six years we have made it an experiment to water a small block of our cotton five times, finishing around the 25th of August, with excellent results even upon the coolest of years. Each year it fruited heavily and the maturity was good. With results like these there are no headaches in the summer, and there are no headaches in the fall either for you or anyone else who may have an interest in your crop. Maturity is not a problem for the Plains only; many cotton sections or communities under the Cap could grow a better-maturing cotton to a good financial advantage.

Clean White Seed
Clean white seed is an indication that white cotton came off the seed. Examine our seed in bulk at our farm or an open bag of our fuzzy seed which have been partially delinted, and note the absence of lemon or orange colored seed.

It is a matter of public information that the classing office in Lubbock handled 1,622,000 bales the past year with 47.1 per cent of the grades light spots and 2.5 per cent spots. This percentage figures 763,900 light spots, and 40,500 spots. It has been estimated by an authority that the average price over the entire season for light spotted cotton above the loan was 100 points; but even allowing 140 points there was lost on light spotted cotton \$22, making a total of twelve million three hundred and fifty thousand dollars. The point that should be of interest to farmers in this connection is that on our own farm we had less than 2 per cent light spots, with the rest white cotton; and we have had the report from many growers of Gregg that their grades were this good or better.

High Yield & Grade
As to the tremendous importance of both yield and grade to the farmer let us take the example of a field of cotton that makes a bale and a quarter to the acre and another field that makes a bale to the acre, but brings \$15 a bale less when marketed. Figuring the extra lint and seed with the extra price and you have almost \$60 an acre increase for the first field of cotton.

Storm Proof
Our cotton is stormproof not only from the standpoint of its staying in the burl, but also the bolls remain on the stalk well. As an experiment we have left cotton in the field until late spring, with no great loss from the wind storms.

Stripping
Since nearly all farmers are using the mechanical stripper in the harvesting of their cotton, either partially or completely, they are naturally interested in a cotton that strips well. When you consider the fundamentals of a good stripping cotton, you will find Gregg ranks high. Its stalk configuration is well suited to the stripper, and because it is a close, heavy-fruited variety there is less trash, limbs, and leaves.

Staple Length
Our growing season on the Plains will not permit the growing of long staple cottons satisfactorily. Gregg has been bred to the optimum length to give the best results on the Plains, combining with staple length, fiber qualities of high character; for Micronaire, strength, and uniformity. Staple lengths, under irrigation, are generally from 31-32 to 1-1-32 for early hand pulled cotton, with slightly shorter staples for late machine-stripped cotton.

Our cotton is a close, heavy fruiting variety and this fact generally results in the stalks bending with their load of bolls, but when the cotton opens the stalks will straighten again, thus making it possible to do an excellent job

Self Defoliation
While Gregg cotton is green and up till the time it begins to open, it will hardly lose a leaf when it starts opening, a self-defoliation sets in, which far greater than in any other cotton which we have seen or heard of. This self-defoliation together with the natural tendency of Gregg to go to fruit and not to make for a maturity in which is highly desirable in who grow cotton under the conditions we have on the Plains.

Blight Resistance
Self-defoliation in respect to cotton, however, may vary what with conditions of heat, moisture, there being a difference in defoliation between dry and irrigated cotton. Under irrigation on the Plains and with weather after the middle of September, the self-defoliation of Gregg cotton is near perfect.

Highly Resistant
We have found our cotton highly resistant to bacterial (angular leaf spot) as we bred it and have observed while growing on our farms at Plainview. This quality helped us to secure the many grades which we have received. With Gregg the solution of problem lies in the quality grades you can generally expect under the worst of conditions. Cause of its blight resistance, its ability to take a frost and cover exceptionally white afterward makes it, no doubt, a kind of cotton you have been looking to plant and harvest. Seed. Farms confidently of their cotton to perform according to the information given, and you purchase seed from whom you believe you will get the results which they have secured and other growers have achieved.

Visit The Gregg Farms
We cordially invite you to our farms any time during growing season, to inspect cotton for yourself and see its resistance to leaf blight or any other points you may wish to consider. From the farms of our customers we have received many reports of high yields and grades which are the factors that determine the farmer's production. You realize that it is feasible to improve cotton production on the Plains, Gregg is commended as something different in a cotton. Contact your agent for seed, or come to our miles east of Plainview on Lockney highway (Paid)

You can paint a room in 1/2 a day with SPRED SATIN
100% Latex Formula
The New Wonder Paint
all America is talking about!

SPRED SATIN is the most beautiful, most washable, easiest-to-use paint ever made. It has the magical paint ingredient of pure latex, developed by Glidden paint research.

- Will not show laps or brushmarks! Dries in 20 minutes. No disturbing odor; paint comfortably with windows closed.
- Stands extreme abuse without chipping or cracking. Ideal for homes with active children. If it gets soiled or marked, simply wash with mild soap and water! Dirt can't cling as easily to its smooth surface. Won't show streaks or spots.
- Available in dramatic deep colors as well as delicate pastel hues. Covers most surfaces; no prime coat necessary.

Self Defoliation

Gregg cotton is the only cotton that will hardly lose a leaf until the time it begins to open. It starts opening, a leaf sets in, which is heavier than in any other cotton. We have seen or felt self-defoliation together with the natural tendency of Gregg cotton to fruit and not to drop for a maturity in the field. It is highly desirable to grow cotton under the conditions we have on the Plains. Defoliation in respect to Gregg cotton, however, may vary with conditions of heat, moisture, there being a difference between dry land and irrigated cotton. Under irrigation on the Plains and with irrigation after the middle of the season, the self-defoliation of Gregg cotton is near perfect.

Blight Resistance

We have found our cotton resistant to bacterial blight (leaf spot) as well as to other blights and have observed our cotton growing on our farms in view. This quality of Gregg cotton is due to its ability to secure the maturity which we have seen in Gregg cotton. The solution of the blight problem lies in the quality of the cotton. You can generally get the worst of conditions of blight resistance by taking a frost resistant variety. An exceptionally white plant makes it, no doubt, a highly desirable cotton you have been growing. Farms confidently recommend Gregg cotton to perform according to information given, and purchase seed from us. We believe you will get the best which they have seen in other growers.

Visit The Gregg Farms

cordially invite you to visit our farms any time during the growing season, to inspect our cotton yourself and see its resistance to leaf blight or any other blight. You may wish to observe the farms of our cotton. We have received many orders of high yields and quality which are the factors which make the farmer's production. It is feasible to improve cotton production on the Plains. Gregg cotton is something different. Contact your agent, or come to our farm at Plainview on Highway 101.

Preventive Medicine

Thousands of people know by experience the benefits obtained in the spring time taking baths, drinking mineral water and enjoying the comforts of the Crazy Water Hotel in Mineral Wells. These benefits are often referred to as "Preventive Medicine." Rates, by the week, for room, food, bath, massage and mineral water range from \$40.00 to \$52.00 and for two people from \$70.00 to \$92.50.

Another feature is the 5-Day Special where two may enjoy a choice room, complete daily bath and massage and anything desired for breakfast—for only \$36.00. For one person this rate is \$24.25 for five complete days.

Since 1878 Mineral Wells has been a mecca for health seekers from the entire Southwest. Crazy Water became famous generations ago. More than 40,000,000 people have used Crazy Water in natural or crystal form, satisfactorily.

You can visit this great hotel now. Time and a small amount of money spent there will be an investment in pleasant living and good health. For reservations write today to Fred Brown, Manager Crazy Water Hotel Mineral Wells, Texas. Adv.

Vacancies in the Second Armored Cavalry Regiment

A limited number of vacancies in the Second Armored Cavalry Regiment will be filled during the next three months by volunteers from the Fourth United States Army area, it was announced today by M/Sgt Frank E. Lockman, U. S. Army recruiter.

The Regiment, now stationed at Fort Meade, Maryland, is scheduled for reassignment to Europe this summer under the Army's unit rotation policy.

"Only men who have not had prior military service are being accepted at this time," said Sgt Lockman. "Volunteers must enlist for a minimum of three years, and must meet high mental and physical qualifications."

Those qualifying will be enlisted for direct assignment to the 2nd Armored Cavalry Regiment, and after initial processing will proceed to Fort Meade for both basic and advance training.

The new enlistment option enables a young man to join a distinguished Army unit, assures him of foreign travel opportunities, and enables the volunteer to have complete knowledge of his assignment while in the army. The plan also allows buddies to enlist together and remain together throughout their tour of duty.

Announcement of the 2nd Armored Cavalry Regiment as a "Gyroscope Unit" in the rotation policy offers men two enlistment options for European assignments. The 4th Armored Division, currently stationed at Fort Hood, Texas, is also accepting direct enlistments for its ranks prior to transfer to Europe this fall.

Complete information on enlistment for direct assignment to these two units, and information on the other options available to volunteers for the Regular Army or Army Reserve Component duty, may be obtained at the local Army Recruiting Station, 3rd Floor Court House, Plainview, Texas.

Mr. and Mrs. J. L. Webb spent a recent weekend with Mr. and Mrs. C. B. Welch and children on the McMurry ranch near Claude. They were caught there in the snowstorm and did not get home for a day or two later than they had anticipated.

Mrs. M. E. Loving, of Quitaque, visited her sister, Mrs. Keyth Tiffin, on Wednesday of last week.

MISS HARLAN RESIGNS AS TEACHER IN LOCAL SCHOOL

Miss Jeniece Harlan, who has taught the seventh grade in the local school for the past four years, has recently resigned because of continued ill health. Her brother and wife, Mr. and Mrs. Paul Harlan, of Ulman, Missouri, were to arrive here on Tuesday to drive Miss Harlan to the home of her mother, Mrs. J. S. Harlan, in Ulman.

Mrs. John Gill, nee Wilma Francis, daughter of Mr. and Mrs. J. Lee Francis has taken the place of Miss Jeniece Harlan. Mrs. Gill has been teaching for the past two weeks. She is a graduate of the

Silverton High School and of W. T. S. C., Canyon. She taught here in 1949-52, and one year in Alaska where Mr. Gill was stationed in the army.

Mr. and Mrs. A. M. Timmons, of Levelland, visited her niece and family, Mr. and Mrs. L. G. Arnold, Susie and Doug Saturday morning.

Mr. and Mrs. Fred Logan, Susan and Randy, of Amarillo, and Mrs. Jack Frizzell, of Plainview, were Sunday dinner guests of Mr. and Mrs. George Long.

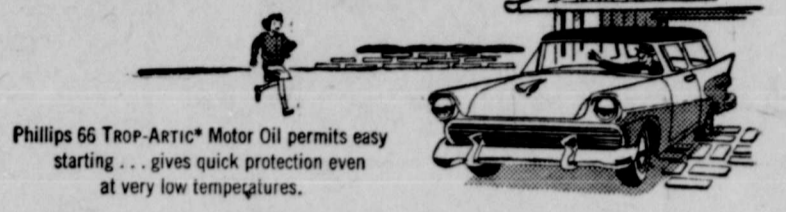

Mr. and Mrs. Bud McMinn visited Mr. Oscar Weak and Mrs. Ed Brown in the Tulia hospital Sunday afternoon.

Mr. and Mrs. Bruce Womack spent Sunday afternoon in Lubbock with their granddaughter, Le Anne Womack, and her mother, Mrs. Doug Sewell, and Mr. Sewell.

Mike Edens, of Amarillo, spent last week here with his grandparents, Mr. and Mrs. H. A. Morris, other relatives and friends. Mike has joined the army and will leave on his seventeenth birthday, April 4, for Fort Food.

AIR CONDITIONING—TEMPERATURES MADE TO ORDER—AT NEW LOW COST. GET A DEMONSTRATION!

Who rates what for performance and smoother riding in the low-priced three? Chevrolet has laid the answer and the proof on the line!

First, Chevrolet won the Auto Decathlon over every car in its field, and over the higher priced cars that were tested, too. This rugged ten-way test (right, below) showed Chevrolet was the champ in handling ease, braking, acceleration, passing ability, smoothness of ride and other driving qualities you want in a car.

Then, Chevy won the Pure Oil Performance Trophy at Daytona (left, below) as "best performing U. S. automobile."

It's quite a feeling to know that you are driving a car that performs so well, responds so beautifully and is so finely built. You feel proud, of course. But you also enjoy a surer, smoother, steadier way of going, a keen cat-quick response of power, and the easiest handling you've ever experienced behind a wheel. Just try this Chevrolet (V8 or Six) and see!

CHEVROLET

PAUL A. RAMSEY STATIONED IN EL MONTE, CALIFORNIA

El Monte, California, (AHTNC) Pvt. Paul A. Ramsey, son of Archie Ramsey, Quitaque, is a member of the 983d-Antiaircraft Artillery Battalion in El Monte, California.

Ramsey, a radar operator in the battalion's battery A, entered the army in February, 1956, and received basic training at Fort Chaffee, Arkansas. He was stationed at Fort Bliss, Texas, before arriving for duty in El Monte.

Mr. and Mrs. William Moore and children, of Hamlin, were weekend guests of her sisters and their families, Mrs. Georgia B. Thornton, Joyce, Royce and Kenny and Mr. and Mrs. Jim Clemmer and James; they came especially to see Mr. and Mrs. Milton Thornton and Rhonda as Mr. Thornton has recently returned home after serving in the army in Korea.

Mr. and Mrs. Omar Milner, of Kress, and Mr. and Mrs. O. K. Woodall, of Tulia, were guests of Mr. and Mrs. D. T. Northcutt Saturday evening.

CAP ROCK SOIL CONSERVATION DISTRICT NEWS

JAMES H. PRIDDY

More About Water Sheds

I am advised by Lem Weaver who is chairman of the Cap Rock Board of Supervisors that the Regional Projects Engineer and small Project Loan Coordination Bureau of Reclamation, Amarillo, will meet with the board tomorrow, April 5, to inspect and discuss the potentialities of the Cottonwood Creek area south of Quitaque.

Terraing Team Work

One of the best examples of team work in terraing is noted down at Quitaque on the Jake Merrill farm. This system has been started with district equipment, Tab Morrison as operator, fills made by Glenn Morrison and channels smoothed and shaped with county maintainer. Lines were laid out by Alvin Jackson, and Carl Marrison of the S. C. S. A., part of the costs will be shared by the ASC.

This is a fine looking job—stop by and see it. Why shouldn't it be? Teamwork is the key to real progress. The system will be completed this summer.

Panic Planting Pointers

Some of the pointers on planting blue panic have come to me, directly and indirectly, from men like Bud Vaughan, Gerald Smith and others are:

1. Always plant in rows.
 2. Keep your planting out of a hole—heavy rain will cover the seed too deep.
 3. Plant on top of a flat bed that has been pushed off with a large sweep.
 4. When you can see part of the seed you are covering about right—a 15 inch long link, trace chain drag behind the planter is a good covering tool.
 5. If it has not washed in on the seed, don't be discouraged if your stand is spotted after the first rain, more will come with following rains.
 6. Spray your weeds while tender and growing.
 7. Run the middles if it tries to blow.
- The 15th of April to May is a good time to plant. You have got to have a rain to get it up, so get in before April showers or May rains—if you can't water it.

SCRIPTO PENS \$1.00, at The Briscoe County News Office.

HELPING HAND CLUB MEET

The Helping Hand Club met in the home of Mrs. Virgil Bandwin on March 28, 1957.

Mesdames Lenton Lanham, Aubrey Rowell, Lowell Calloway, A. J. Rowell, Garland Francis, J. Lee Francis, J. D. McGavock and the hostess were present for a business meeting.

Two guests were present, Mrs. Gail Arnold and Miss Glenna Mercer.

CARD OF THANKS

To my friends and neighbors, my deepest gratitude for the phone calls, visits, cards, flowers, food and many kind favors shown me in every way, during my shut-in days. May God's richest blessings be on each and everyone.

Sincerely, Mrs. Jennie Fisher.

MR. AND MRS. R. D. RIVERS SELL LAUNDRY TO MORRIS

A deal was closed last week in which Morris Laundry purchased the B & B Laundry from Mr. and Mrs. Rivers. Mr. Morris plans to consolidate the two businesses and operate the one on the south side of the square. He will appreciate your continued patronage.

Mr. U. D. Brown was a patient in the Lockney hospital several days last week; it is reported that he suffered a heart attack.

HY-LANDS STUDY CLUB MARCH 26 IN CLUB ROOM

The Hy-Lands Study Club met in the club room Tuesday, March 26, for the Texas Day program. Roll call was answered by mous Texas men.

After a short business session the group sang: "The Eyes are Upon You," and "Our Texas," led by Mrs. Hughes, pianist, Mrs. Bill E. Mrs. G. Mayfield gave an interesting talk on "Texas Fashion Center."

Special guests: Mrs. J. Hill, Mrs. Melva Jean Mar, Miss Rose Ann Dennis sang "Yellow Rose of Texas," "Who and I Were Young Maestros" "Swanee River."

Those present were: Mr. Arthur Arnold, J. K. Bean, Cornett, Milton Dudley, Eddleman, Bill Edwards, Morrison, Berton Hughes, G. J. E. Minyard, Arnold Turner, Johnnie Burson.

Mrs. Alva Trout spent the weekend at her home in Brinkman, Oklahoma. Mr. Trout came on Friday and brought home Monday morning.

Mrs. Lucy Sims and Sgt. Hurst, of Clovis, New Mexico, six o'clock dinner guests and Mrs. J. Lee Francis at Sunday evening.
