Hallowe'en Festival to be Held Oct. 31

Meeting of P-TA was held Monday night, October 7, at the high school auditorium. H. Black, president, conducted the business session. The supper committee received from the P-TA \$32.40 for the purchase of chile, pie and coffee. The committee "thank you" to those who helped and those who helped and serve the meal. The carnival committee reports complete for the carnival held Thursday night, October 3, at 5 p. m., in the high school auditorium. The queen's coronation service will begin at 8:30 p. m., in the high school auditorium. An admission of 10c per person will be charged at the auditorium. The carnival grounds as the custom in previous years.

George Long, general chairman of the carnival appointed the following assistants for P-TA:

James Davis, director of booths for hot dogs, coke, and coffee.

Norman Strange and Mrs. Dickerson, directors for the selling booth.

Verlin Towe, director for the selling booth.

Fred Mercer, director for the selling booth.

School classes will keep the proceeds from booths and contests in the receptive hands.

A place room count prize to Mr. Wilmet's room with Wilmet, Mrs. Turner, and Martin's room tying for second.

Carroll Garrison gave the discussion on "Partner-ship." This well given topic challenge to all adults present opportunity, responsibility and pleasure is living and learning with youth.

In mind the next meeting, October 4, and the program "Our Room" to be directed by Grady Martin.

Membership goal for the year 250 members. Won't you be paying your dues now?

Reporter.

Jeff Simpson spent Wednesday night and Thursday of last week in Turkey with her sister, H. Turner.

Mrs. Lem Weaver and Mrs. H. Turner were in Lubbock on Tuesday. Weaver attended Field Day at Experiment Station. Mrs. Doug and Max visited Mrs. Doug and Doug, Jr.

Mrs. Alfred Spalding, called on her sister and Mrs. Jack Stafford Saturday evening and afternoon as they were to and from Lubbock.

Mrs. Alvie Morris, of Oklahoma, arrived here Saturday for a few days visit with parents, Mr. and Mrs. H. A. and other relatives and friends.

Mrs. Gordon Montague parents of a baby son, Jene, born Friday, October 4, in Texas Hospital, Lubbock; 15 pounds and 13 ounces. Mrs. Will Smithee are the parents.

C. H. Black and Susan plan to leave Thursday morning for Falls, Wisconsin, where they are guests of Mrs. Black's parents, Mr. and Mrs. Joseph Gropp; expect to be gone about ten days.

Mrs. Jim Mercer and Mrs. Wayne McMurtry will attend the WTSC vs Mississippi football game in Amarillo Saturday evening.

Winners In Picture Contest

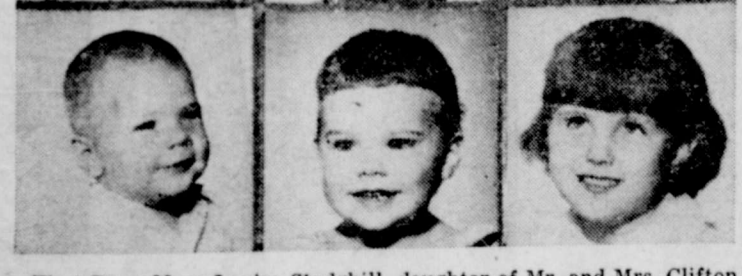

The three winners were chosen from the many children photographed in the newspaper contest in July. Prizes awarded were: First, large bronze portrait; second, sepia tone portrait; third, portrait.

1—Donna Lynn Stodghill, daughter of Mr. and Mrs. Clifton Stodghill.
2—Kent Mercer, son of Mr. and Mrs. Jim Mercer.
3—Scott Hutsell, son of Mr. and Mrs. F. E. Hutsell.

First row: Ann Welch, Frankie Welch, James Welch, grandchildren of Mrs. J. L. Webb.
Second row: Victor Weaks, son of Mr. and Mrs. Oscar Weaks; Tracy Hall, grandson of Mrs. J. L. Webb; Ronnie Strange, son of Mr. and Mrs. Fred Strange.
Third row: Laquita Weaks; Shirley Weaks, daughters of Mr. and Mrs. Richard Weaks; Albert Hall, son of Mr. and Mrs. Carl Hall.

First row: Mary Louise Stodghill, daughter of Mr. and Mrs. Clifton Stodghill; Linda Ray Baird, daughter of Mr. and Mrs. John D. Baird; Susan Black, daughter of Dr. and Mrs. C. H. Black.
Second row: Zane Mayfield, daughter of Mr. and Mrs. C. W. Mayfield; Kaedean Bomar, daughter of Mr. and Mrs. J. L. Bomar; Kathy Perkins, daughter of Mr. and Mrs. Bud Perkins.

First row: Barry Gene Francis, son of Mr. and Mrs. Alvie Francis; Reba Lois Chappell, daughter of Mr. and Mrs. G. W. Chappell; Riley Dean Ziegler, son of Mr. and Mrs. Riley Ziegler.
Second row: Nanette Fitzgerald, daughter of Mr. and Mrs. Guinn Fitzgerald; Tommy Perkins, son of Mr. and Mrs. Bud Perkins; Mark Hutsell, son of Mr. and Mrs. F. E. Hutsell.

Important Hospital Meeting to be Held October 15th

A meeting of the Briscoe County Clinic Association will be held in the county courtroom on October 15, 1957, for the purpose of discussing the sale of the local hospital to Dr. C. H. Black.

At this meeting a proposed sale contract which has been drawn to sell the hospital building, and property of the association will be read to the crowd present and a discussion will be held so that all interested parties may have an opportunity to express themselves and also to understand what the proposed contract covers.

Also at this meeting they will elect three board members.

All interested people are urged to be present at this meeting.

W. E. SCHOTT UNDERWENT SURGERY AT AMARILLO

W. E. Schott has been a patient in Northwest Texas Hospital since Tuesday of last week. A kidney stone was removed on Monday.

Mrs. Schott went on Tuesday to stay with him. He was thought to be doing all right but quite uncomfortable.

Mrs. Gene Berry, of Tulia, came down on Tuesday to spend a few days with the W. E. Schott children, John, Dave, Bill and Mary, while their parents were in Amarillo. Mesdames Berry and Schott are sisters.

Mr. and Mrs. John Hand, of Friona, were Sunday guests of Mr. and Mrs. K. M. Fleming.

Local Boys and Girls And Sponsors Attend Dallas Fair

Thirty six boys and twenty eight girls, students from the local high school, and Mr. Glynn Bunch and Mr. and Mrs. Grady Martin, teachers in the school, and Mrs. Jean Grundy attended the Dallas Fair on Saturday. The group left here in two chartered buses at 11:30 p. m. Friday evening. They arrived at the fair grounds about 7:30 Saturday morning.

The group attended the exhibits during the morning and in the afternoon and evening they were on their own for entertainment which attracted them. They started home at 11:15 Saturday evening and arrived in Silvertown about 7:00 Sunday morning, a tired but happy bunch, all having spent a memorable week end.

BRISCOE COUNTY FARM BUREAU MET THURS. NIGHT

The regular monthly meeting of Briscoe County Farm Bureau met Tuesday night in the basement of the Methodist Church. At this time they discussed membership drive and also policy development.

The next meeting will be held Tuesday night, October 22, when they will discuss and act upon policy development.

Elsewhere in this issue appears an ad by Farm Bureau.

Mr. and Mrs. Alvie Morris, of Cushing, Oklahoma, and Mrs. H. A. Morris visited Mr. and Mrs. Glen Green and Mrs. Ann Grimland in Amarillo on Saturday.

County Receives General Rain Sunday Evening and Night

A general rain over Briscoe County was reported Sunday afternoon and night. Silvertown received 1.49 of moisture. Several farmers said they received as much as two inches of moisture. No damaging wind or hail accompanied the rain.

Beth Joiner reported two inches at his farm south of town, and Mrs. M. J. O'Neal said they had two inches of moisture on their farm.

Others reported one inch and over. Cloudy weather has prevailed most of the week, and farmers would like to have hot, dry weather on their cotton and row crops. Some cotton had been gathered, and a few farmers had started on their row grain crops, mostly on the dry land.

Mr. and Mrs. Milton Perry Observe 50th Wedding Day

Mr. and Mrs. Milton Perry celebrated their golden wedding anniversary at their home on North Main Street, Silvertown, on Sunday, October 6, with an open house from 2:00 to 5:00 p. m. for their friends.

Mrs. Perry, the former Zireda Clayton, came from Tennessee to Dublin, Texas, with her widowed mother, the late Mrs. A. H. Clayton, in 1901. Mr. Perry came with his widower father, the late Rev. E. H. Perry, to Dublin also in 1901. They were married there in 1907 and continued living there for the first five-years of their marriage.

The Perrys say they moved about quite a bit but came to Silvertown in April, 1928, bringing their four sons, Otha, Hubert, Clayton and W. L., with them. Clayton died in 1937 and Hubert in 1945. Otha Perry now lives in San Bernardino, California; W. L. lives in Port Arthur. The Perrys have three grandchildren and six great grandchildren. W. L. was the only descendant able to attend the celebration.

Mr. and Mrs. Perry renew their vows with Rev. G. A. Elrod, their pastor from the local Baptist Church, officiating. The refreshment table was laid with a golden cloth; golden chrysanthemums with streamers bearing "Milton and Zireda" and a golden tiered wedding cake with white roses and green leaves, topped with the numerals "50", were used as decor. Punch and white cake squares with golden icing were served with crystal and China appointments.

Mrs. W. C. Clayton and Mrs. H. G. Fein, of Desdemonia, sister-in-law and sister to Mrs. Perry, and two of her nieces, Mesdames Richard Krapf and Fred Keath, of Fort Worth, and W. L. Perry assisted with the hospitalities; Mr. Keath was also present. Quite a few friends called during the afternoon but many were kept away on account of the steady downpour of rain which started about the same time the reception began and continued into the night.

Mr. and Mrs. Perry lost their home and furnishings in the recent tornado and say they feel that they are experiencing an unusual situation for people celebrating fifty years of married life in that they are setting up housekeeping again. They both feel that this was one of the happiest days of their lives.

Mrs. W. E. Schott, Mary and Bill and Mr. V. L. Self were in Amarillo on Sunday to visit Mr. W. E. Schott, a patient in the Northwest Texas Hospital.

Mesdames W. R. London, H. L. O. Riddell, Minnie Stevenson and Mrs. H. S. Crow were Sunday dinner guests of Mrs. Leona Brooks. All the ladies except Mrs. London attended the golden wedding anniversary celebration of Mr. and Mrs. Milton Perry in the afternoon.

Women Have Choice Of Retirement Time--Age 62 or Age 65

Many women will have an important decision to make when they attain age 62. Under the 1956 Amendments to the Social Security Act women are now able to obtain social security monthly payments three years earlier than under the old law, according to John R. Sanderson, manager of the Amarillo Social Security Office.

The amount of the monthly benefit, however, will be reduced for women workers and for wives of retired workers. The amount of the reduction depends on the number of months between the time payments start and the time the applicant reaches age 65. For example a working woman retiring at age 62 would receive about 80 percent of the monthly benefit she would receive if she waited until age 65. Wives filing at age 62 receive about 75 percent of the amount they may be entitled to at age 65. The percentage goes up every month they wait after reaching age 62. This reduction is permanent even after age 65 is attained. Widows of deceased workers may receive unreduced benefits at age 62. Before making a decision to start getting benefits payments before age 65, a working woman or wife of a retired worker will naturally want to know how long she will be ahead in total benefits paid.

Sanderson said a working woman will be ahead for the first 15 years if she files at age 62, while a wife of a retired worker filing at age 62 would be ahead for the first 12 years.

Mr. Sanderson pointed out that the decision must be made by the women. The Social Security Administration will furnish her with all the necessary information, but the actual decision must be made by the individual.

Sunday dinner guests of Mrs. W. K. Grimland included Mr. and Mrs. Roy Grimland and Joe and Mrs. Maudie Wilson, of Amarillo, Mrs. G. T. Durham and family and Mr. and Mrs. Jesse Grimland and children. Mrs. W. K. Grimland is the mother of Mesdames Wilson and Durham and of the Messrs. Grimland.

Mr. and Mrs. C. R. Badgett returned Sunday evening from a ten day trip to Alamogordo, and Hot Springs, New Mexico. The fish were not biting so Mr. Badgett figured he might as well come home and go back another time. Mrs. Badgett is not a fisherman.

Mr. and Mrs. Robert Mason and children, of Fort Worth, were week end guests of her grandparents, Mr. and Mrs. S. P. Brown, and other relatives.

Mr. Malcolm F. (Mac) Miller, of Albuquerque, New Mexico, visited friends here Sunday night; he was an overnight guest of Mrs. Carl Crow and Jim. He stayed in the Crow home when he was associated here with the SCS several years ago. He is now with the Federal Wildlife Reserve; says he is seldom in Albuquerque.

Mrs. Dave Alexander, of Hereford, underwent major surgery there last Thursday morning. Mr. and Mrs. Gordon Alexander went to Hereford to be with her sister during the operation and Mrs. Gordon Alexander remained there until Sunday. Mrs. Dave Alexander was thought to have stood the operation well and was recuperating satisfactorily.

C. L. Dunn, a student at S.M.U., Dallas, has been ill. His mother, Mrs. Perry Whittemore spent last week there with him when he suffered a relapse; Mr. Whittemore had been there the week before and thought C. L. was recovering satisfactorily. He is thought to be recovering satisfactorily now.

First row: Wendell Hardin, son of Mr. and Mrs. Buck Hardin; Gary Weaks, son of Mr. and Mrs. Oscar Weaks; Tony Thomas, son of Mr. and Mrs. Buster A. Thomas.
Second row: Beth Thomas, daughter of Mr. and Mrs. Perry Thomas, Jr.; Karen Penn, granddaughter of Mr. and Mrs. True Burson; Carol Ann Reeves, daughter of Mr. and Mrs. Raymond Reeves.
Third row: Rhonda Sweek, daughter of Mr. and Mrs. R. E. Sweek; Darla June Strange, daughter of Mr. and Mrs. Fred Strange; Mark Brooks, son of Mr. and Mrs. Joe Wayne Brooks.

Jimmy Wayne Chappell, son of Mr. and Mrs. G. W. Chappell; Robert Youngquist, son of Mr. and Mrs. Clifford Youngquist.

Darrell, Roy Len, Diane Long, Jerry and Jimmy Perkins, sons of Mr. and Mrs. Bill Long, of Mr. and Mrs. Ott Perkins.

Mr. and Mrs. Alvie Morris, of Cushing, Oklahoma, and his parents, Mr. and Mrs. H. A. Morris, went to Benjamin on Monday to visit Mrs. R. J. Kilcrease, sister to Mrs. H. A. Morris.

Mrs. Jay Jones has purchased the Highway Cafe from Mrs. Marie Bishop and took over management first of the week. She had been employed at Silverton Cafe.

Mr. M. J. O'Neal came home from the hospital on Monday. Mrs. O'Neal and their daughter, Mrs. McMillian, of Franklin, brought him. He seems to be doing fine but cannot drive his car for two weeks. Mrs. McMillian plans to go home on Friday.

Mr. and Mrs. R. A. Edwards, Freddie, Gary and Tommie, of Clovis, New Mexico, spent the week end here with her parents, Mr. and Mrs. E. Posey.

Relatives here have learned of the serious illness of H. D. Crow, of Alvarado; he is an older brother to the late H. S. and Carl Crow and has visited here several times.

Mr. and Mrs. Jim Whitfill, of Lubbock, spent the week end here with their parents, Mr. and Mrs. Ben Whitfill and family and Mr. and Mrs. Lester Paige.

Mrs. Carrol D. Welch and Donna have recently gone to Tacoma, Washington, to be with Pfc. Carrol D. Welch who is stationed at Fort Lewis, Washington.

Mrs. P. J. Seaney, of Erick, Oklahoma, who has been here for some time visiting her daughter and family, Mr. and Mrs. E. J. Duncan, and her son and family, Mr. and Mrs. George Seaney, went to Morton on Sunday to visit another son, Mr. and Mrs. Elma Seaney, who came here for her.

Mr. and Mrs. F. L. Weast, of Garden City, Kansas, parents of Mrs. D. H. Davis and Messrs. George and W. N. Weast, observed their 68th wedding anniversary there on October 6. Mr. and Mrs. Weast are the parents of eight living sons and daughters. No celebration of the event was held.

The Methodist men met in regular session Tuesday morning with 14 members present. Messrs. George Seaney and Jack Stafford were cooks for the occasion. Mr. Janeway, of Plainview, head of the Texas Research Foundation, who was supposed to be the speaker of the morning was unable to attend on account of illness.

Tornado Season Approaches Many Parts of America

NEW YORK — Tornadoes, the most violent and spectacular storms produced by nature, are a menace to the life and property of almost everyone living between the Rockies and the Atlantic. They occur in the eastern Gulf states at the beginning of the year, then advance north-westward to reach Iowa and Kansas in June, remaining in that area until late September.

Knowing what to do when a tornado is observed may mean the difference between life and death, even though there is no universal protection against them except in caves or underground excavations, such as the so-called "cyclone cellar." Here are a few suggestions: If you are in open country: 1. Move at right angles to the tornado's path. Tornadoes usually move ahead at about 25 to 40 miles per hour. 2. If there is no time to escape, lie flat in the nearest depression such as a ditch or a ravine. If in a city or town: 1. Seek inside shelter, preferably in a strongly reinforced building. Stay away from windows.

In homes: Usually the safest part of the house is in the corner of the basement toward that from which the storm is coming. However, when you are unable to determine from which direction the tornado is coming, go to the southwest corner of the basement, which usually offers the greatest safety, especially in frame houses. People in houses without basements should find other shelter, preferably in a storm cellar, although a ditch or ravine can offer some protection.

Powerful Gasolines Now Being Tested

SAN FRANCISCO—Fuels of the future—gasolines with octane ratings well above the 100 level—are now being tested on Bay Area streets in a fleet of experimental cars powered by revolutionary high-compression engines of 12:1 ratio.

These complex and costly gasolines, which are being perfected to power the cars and trucks of tomorrow, are undergoing thousands of miles of downtown driving tests to check wear and tear on engines under the most severe operating conditions.

New motor oils, designed to furnish future engines with outstanding lubrication plus the greatest possible protection from harmful deposits, are also being tested in experiments that will consume some 50,000 gallons of specially-prepared 100-plus octane gasoline. At the same time, laboratory specialists are in the process of logging hundreds of hours of indoor tests simulating high speeds and heavy loads under all kinds of weather conditions.

Preparation Important To College Education

ANN ARBOR, MICH.—If you want your children to go to college, you should start working them toward this objective by the time they're in the eighth grade, according to Clyde Vroman, director of admissions at The University of Michigan.

Vroman predicts three trends will emerge from the increasing demand for higher education:

1. Students will become more serious and more competitive for success.
2. There will be an upgrading in the achievement of standards of the student body, and
3. Higher education programs will gradually become more difficult for students unless they possess "good ability and seriousness of purpose in abundant quantities."

Record Traffic Toll Shown in '56 Claims

Motor vehicle fatalities in 1956 resulted in a record 45,000 life insurance death claims, representing aggregate death benefits of \$97,000,000, the Institute of Life Insurance says.

This was 3,000 more claims and \$7,000,000 more in benefits than was paid in 1955.

"These figures reflect the growing carnage on the highways," the Institute said. "The world would be horrified if it were to be reported that every man, woman and child in Council Bluffs, Iowa, died in a catastrophe—and the year's traffic toll is the equivalent. In the years since World War II, the number of traffic deaths has run up to an aggregate greater than the number of battle deaths among U.S. armed forces during the entire war."

Chosen Career

CHICAGO—Medicine as a profession still has a strong appeal among young people.

A recent report by the American Medical Association shows that 7,686 students, a record number, entered medical schools in the 1955-56 academic year.

Mrs. Wright May, of Vigo Park, who has been critically ill at the family home for a long time is not responding to treatment. Mr. and Mrs. H. Roy Brown and Mr. and Mrs. R. C. Bursleson were in Hereford on Sunday.

Webster's new school and office Dictionaries at the News Office.

Mrs. Clara Miller, of Electra, arrived here early this week to work again as bookkeeper in her brother's grain business, H. E. Wilson Grain Company; Mrs. Miller has worked here during the busy season for several years. She says they are looking forward to the largest harvest they have ever handled here. She and Mr. Wilson are at home in the J. W. Brannon, Jr. home in the west part of town.

PORTABLE Typewriter Ribbons, at News Office.

Mrs. Elma Baker, of Plainview, spent the week end here with her brother and family, Mr. and Mrs. Bill Watters.

TYPEWRITER Pencil Erasers with brush, at News Office.

Mr. and Mrs. Fred Mercer attended the WTSC vs Mississippi Southern football game in Amarillo Saturday evening.

Mr. and Mrs. D. T. Northcutt and Mr. and Mrs. True Bursen attended a REA directors picnic at Tule lake on Sunday.

Mr. and Mrs. Joe Mercer attended the WTSC vs Mississippi Southern football game in Amarillo Saturday evening.

Mr. and Mrs. William Lee Toler and children of Abilene called on his mother and family, Mr. and Mrs. Bill Watters, Sunday afternoon.

STUDENTS CARBON Paper, at News Office.

Mrs. W. M. Peugh is visiting her son and family, Mr. and Mrs. Mid Peugh in McAlister, New Mexico; she has written friends that she has been ill since going there.

Colonel and Mrs. Harold Molyneaux, of Columbia, South Carolina, are the parents of a baby son, Mark Reed, born there on Monday, September 23. Mr. and Mrs. G. R. Molyneaux, of Amarillo, and Mr. and Mrs. Beth Joiner are the grand parents.

Richard Wayne Toler spent the week end in Electra with his brother and family, Mr. and Mrs. Billy Gene Toler and Mary La-Juan.

Sunday dinner guests of Mrs. P. D. Jasper and Dawn were Mr. and Mrs. R. E. Ellison and Mr. and Mrs. Aaron Ellison, of Ralls; Mr. and Mrs. Joel Nance and Mr. and Mrs. Albert Poole and Bob, of Lone Star, Mr. and Mrs. Dick Garvin called in the afternoon.

Mr. and Mrs. Pat Northcutt and Christi were Sunday guests of Mrs. Northcutt's brother and family, Capt. and Mrs. E. A. Bellingier, in Altus, Oklahoma.

Mrs. George Weast, of South Plains, who has been a patient in the Lockney hospital for several days with encephalitis is thought to be slightly improved but she is still considered critically ill.

Mr. and Mrs. George Seaney, Mr. and Mrs. Pascal Garrison and Mr. and Mrs. Ware Fogerson attended the formal opening of the Morrow-Thomas Hardware's new wholesale warehouse in Amarillo Sunday afternoon. Mr. and Mrs. Cecil Seaney met his parents there.

Mr. and Mrs. J. W. Brannon, Jr. and Truett, of Canyon, and Mr. Truett Babb, teacher at Slaton, were Sunday dinner guests of Mrs. Brannon's parents, Mr. and Mrs. W. Coffee, Jr.; they also visited Mr. and Mrs. J. W. Brannon, Sr.

Total Construction Should Set New Records in 1957

Chicago—Construction will continue at a record pace this year, although there will be little change in the volume of residential building.

This is the opinion of John M. Neff, manager of the ceramics and minerals research department at Armour Research Foundation of Illinois Institute of Technology, Chicago.

He believes total construction will set a record in 1957, as it did last year, but that private home construction—which failed to live up to expectations last year—will not do much better in 1957.

"This latter point does not reflect a recession in the building industry as some people seem to think," Neff declared. "The building industry is holding its own in the growing economy, but not in the areas that were expected."

The volume of all types of construction last year totaled over \$44 billion, an increase of 3 per cent over 1955. Residential construction in 1956, however, was down 8 per cent from the previous year.

This does not indicate that the supply of housing is catching up to demand, Neff contended. But it does reflect, he said, a more cautious attitude on the part of people who are house hunting.

"The public is standing off and giving more consideration to how long they want to live 20 years from now," Neff declared. It is largely this thoughtful pause in making a decision, he said, that is responsible for the slowdown in private home construction.

Human Body Reacts To Hunger, Pain

Los Angeles—What happens to your body when you are hungry or hurt?

Dr. Bernard Engel, University of California, Los Angeles, psychologist, has made a study of such "abnormal" conditions.

Subjects who fasted up to 24 hours showed a slight drop in blood pressure, a very slight rise in temperature, increased saliva flow, decreased respiration rate, and an increased incidence of stomach contractions.

Subjects who had their feet suddenly plunged into a bucket of ice water showed a marked increase in blood pressure and an increased heart rate. The blood

volume in their fingers also dropped, and a blocking of stomach contractions occurred. Anticipation of pain produced similar but not identical results.

In general, Dr. Engel said, the studies did not support earlier theories which had suggested that the body did not physiologically distinguish between hunger and pain.

Official Asks for— Gets Speedy Service

NEW YORK — One of New York's outstanding optical firms recently had an urgent call from the State Department in Washington. A prominent member of the Department had had his bifocals swept into the Caribbean Sea by a wave while he was struggling with a big fish. The request was that a new pair of glasses be made and shipped by an afternoon plane that same day.

It was 11:30 a.m. when the call came. The manager of the optical firm, who had served this official for 25 years, knew his prescription was a complicated one. Nevertheless, he immediately asked a master technician to drop everything else and grind lenses. The grinding was done with unusual speed, the manager himself set the lens in a suitable frame and made meticulous adjustments. An airline pilot grabbed them and raced to the airport.

The State Department official was wearing his new glasses down in the Bahamas by the time the sun set. His name was John Foster Dulles.

Med Students Liable For Military Duty

CHICAGO—Military service hands like a sword over the lives of students enrolled in the country's 76 approved four-year medical schools.

A recent survey by the American Medical Association disclosed that 83 per cent of all male students enrolled in medical schools during the 1955-56 academic year were subject to military liability. The number cited as liable for service makes no allowance for physical disabilities and other factors that would render an unknown percentage ineligible for service.

Need The Time

LONDON—The House of Lords has decided to give its members 4 minutes instead of 3 to reach the voting lobbies whenever legislation is voted on. "Many of us are getting older," one spokesman commented.

Nation Still Leans On Coal Industry For Power Sources

University Park, Pa.—In spite of recent developments in atomic and solar energy, the coal industry must look forward to a steadily increasing growth to meet our country's needs for industrial and domestic uses.

This is the opinion of Dr. H. Beecher Charnbury, professor of mineral preparation at the Pennsylvania State University, who predicts the constant rise in population and the sharp expansion of our public demand for greater conveniences will continue to supply the impetus for progress in the coal industry.

"When we add to the coal needed for industrial and domestic uses the energy that will be required in the not too distant future to supplement our oil and gas supplies and the coal that will soon be increasingly used for coal chemicals, the long term prospect for the coal industry is good indeed," Dr. Charnbury says.

However, if the coal industry is going to make the progress it must make, it must have help. He cites the need for more technically trained engineers for the efficient production, preparation, and utilization of coal.

Dr. Charnbury also cites the need for more research, not only in the utilization of coal, but also in the field of mining and in preparation.

He points out that in Pennsylvania, where coal is a billion dollar business and more than 75,000 persons are employed in just the mining of it, research is needed to determine more economical methods of extracting the coal.

New Disease Like Scarlet Fever

CHICAGO—An apparently new disease with symptoms resembling those of scarlet fever, but without its seriousness, was reported by a Pennsylvania pediatrician.

Thirty cases were seen at the State Hospital for Crippled Children at Elizabethtown, Pa., according to Dr. Mary D. Ames.

The scarlet fever-like symptoms were fever, soar throat, and a generalized bright red rash. However, no streptococci, the causative agent of scarlet fever, were isolated from the throats of the patients and there was no scaling of the skin as in scarlet fever.

Dr. Ames pointed out that it is

very important to distinguish between the new disease and scarlet fever because of the hardships that would follow wrong diagnosis. A diagnosis of scarlet fever means that the patient must be quarantined for at least seven days. In Pennsylvania, other persons residing on the premises cannot handle or sell food, milk, candy, beverages or tobacco. The child loses time at school and the adults may be cut off from necessary income, she said.

More Americans Take To Wheeled Housing

The steadily growing trend to life on wheels (mobile homes) has made this industry a booming billion-dollar business, with nearly 200 manufacturers and 3500 dealers.

Sales of the wheeled houses have rocketed from a little over \$1,000,000 in 1930 to approximately \$500,000,000 last year, according to figures released at the 20th annual National Mobile Home Show in the New York Coliseum.

Another \$500,000,000 is invested in mobile home parks, some of which cost as much as \$500,000—each.

Mobile home occupants now number 3,000,000, with another quarter of a million people joining their ranks every year.

There are more than 1,000,000 of the wheeled houses in use today. Average annual income per family exceeds the national average by more than \$1,000.

Chinese Reds Invent American Staplers

NEW YORK—The Red Chinese, while disavowing most of the philosophies of our free enterprise system, are not a bit hesitant about borrowing its more concrete benefits.

Latest thing to come out of a China that's force-feeding itself industrialization is a stapling machine for the use of the thousands of bureaucrats the communist system requires. It's hailed as an all-Chinese step forward, but even a casual examination proved it to be a copy of the familiar device produced by a Long Island firm.

New Steel Stamp

WASHINGTON—The Post Office Department will issue a centennial postage stamp in May commemorating the start of the "Age of Steel" in this country.

The "first day" of the new issue is to be timed to coincide with the Sixty-fifth General meeting of the members of American Iron and Steel Institute.

STATEMENT REQUIRED BY THE ACT OF AUGUST 24, 1912, AS AMENDED BY THE ACTS OF MARCH 3, 1933, AND JULY 2, 1946 (Title 39, United States Code, Section 233) Showing the Ownership, Management, and Circulation

Of Briscoe County News published weekly at Silverton, Texas for October, 1957.

1. The names and addresses of the publisher, editor, managing editor, and business managers are: Publisher, M. B. Cavanaugh, Silverton, Texas. Owner, M. B. Cavanaugh, Silverton, Texas.

2. The owner is: (If owned by a corporation, its name and address must be stated and also immediately thereunder the names and addresses of stockholders owning or holding 1 percent or more of total amount of stock. If not owned by a corporation, the names and addresses of the individual owners must be given. If owned by a partnership or other unincorporated firm, its name and address, as well as those of each individual member, must be given.) M. B. Cavanaugh, Silverton, Texas.

3. That the known bondholders, mortgages, and other security holders owning or holding 1 percent or more of total amount of bonds, mortgages, or other securities are: NONE.

4. Paragraphs 2 and 3 include, in cases where the stockholder or security holder appears upon the books of the company as trustee or in any other fiduciary relation, the name of the person or corporation for whom such trustee is acting; also the statements in the two paragraphs show the affiant's full knowledge and belief as to the circumstances and conditions under which stockholders and security holders who do not appear upon the books of the company as trustees, hold stock and securities in a capacity other than that of a bona fide owner.

5. The average number of copies of each issue of this publication sold or distributed, through the mails or otherwise, to paid subscribers during the 12 months preceding the date shown above was: (This information is required from daily, weekly, semiweekly, and triweekly newspapers only.) weekly 885.

M. B. Cavanaugh, Owner. Sworn to and subscribed before me this 7th day of October, 1957.

(Seal) BERTHA PAVLICEK, Notary Public, Briscoe County, Texas. (My commission expires June 6, 1958.)

Mr. and Mrs. Johnnie Ted Bingham, of Amarillo, spent the week end here with his parents, Mr. and Mrs. J. F. Bingham and sons. Mr. and Mrs. Raymond Reeves and Carol Ann, of South Plains, were Sunday dinner guests of her parents, the J. F. Bingham.

PLANTING VETCH

The following cooperators have been planting vetch:

Bray Cook, Brice; Bill Thornberry, Brice; Troy Burson, Silverton.

There are possibly others which we do not know about at present. These plantings have already one thing to their advantage—early planting.

FIELD DAY

Dr. C. E. Van Doren, Superintendent of the Southwest Great Plains Station at Bushland announces their annual field day for 9:00 a. m. Thursday, October 10.

The station is doing research in conservation cropping systems, testing grasses, moisture conservation under both dryland and irrigation.

TO SPUR STATION

Don Leath of the local Work Unit Staff attended the annual field day at the Spur Experiment Station on Friday of this week. The Spur Station is also devoting research to cropping systems and moisture conservation for the rolling red plains.

Dr. W. A. Sedgwick worked in Tullia on Monday, Tuesday and Wednesday this week; Mrs. Sedgwick went along with him. She helped him some and visited friends; Tullia was their home before they came here.

Mr. Walter Watters and daughter, Mrs. Edwin Dickerson visited his sisters, Mesdames Elma Baker and J. H. Lovett, and Mr. Lovett in Plainview on Wednesday of last week.

Messrs. and Mesdames Edwin Dickerson, Charles Whitfill, Verlin Towe and George Long spent the week end in Amarillo; they attended the WTSC vs Mississippi Southern football game there Saturday evening.

School News

FIRST GRADE—MRS. TROUT

We have been painting some new pictures and decorating our room for October.

Our new "Tip" pre-primers and the workbooks that are used with them are very interesting.

We are hoping that we all keep well and are in school every day. Five of our pupils have been absent the last two days of this week.

FIRST GRADE—MRS. ELMS

We are all very excited over our new practice workbooks which we work in as we read our pre-primers, "Tip."

Each of us is making some black cats, witches, owls, and Jack o'lanterns for our room and are planning to have a good time on Halloween night.

Several of us have had to be absent from school due to colds. We surely did enjoy the watermelons brought to us last Friday by Mr. Roy Saeuedo. Thanks a lot.

SECOND GRADE—MISS ANNA LEE AND MRS. BOMAR

The children in the second grade feel they are really second graders this week for they have their first second grade workbooks and new spelling books.

THIRD GRADE—MRS. WILMETH

Buddy Comer has been out three days this week because of illness. The rest of us are hammering along in the same old way.

FOURTH GRADE—MRS. McMILLAN

Monty Smith had a birthday on Friday, October 4th; he is ten years old.

FIFTH GRADE—MRS. RHODE AND MRS. ELMS

Gregory Towe, Larry McWilliams and Mr. Elms were flu victims this week; Martina Williams, Tony Allison, Brenda Martin and Billy Minyard were absent because of sore throats and colds while Janice Lewis missed school because of a sprained ankle.

Kathy Peugh went with her family to Canyon last Saturday to bring Deleath home for the weekend.

Freddy Stafford is wearing a beautiful new jacket which is an award given to carriers of the Amarillo Globe-News.

Dianne Reynolds is the proud aunt of little Miss Terri Sue Hamilton.

SIXTH GRADE—MRS. TURNER

The sixth grade elected the following officers: president, Dick Reid; vice president, Riley Harris; secretary, Jimmy Smith; and treasurer, Raye Garrison.

The student-council representatives are Susie Hill and Dickie Williams.

Jimmy Smith was ill two days this week.

SEVENTH GRADE—MR. MARTIN

The seventh grade elected the following class officers: President, Sue Lanham; vice-president, Shelia Jarnagin; secretary, Lynda Williams; treasurer, Jimmy Reid; reporter, Louie Strange.

Jimmie Nell Reynolds is the aunt of the baby girl, Miss Terri Sue Hamilton.

Eight seventh grade boys played in the game against Matador on Thursday night.

EIGHTH GRADE—MR. WILMETH

The eighth grade class has quit selling shampoo so now the citizens of Silverton won't have to keep opening the door only to find an eighth grader selling shampoo. Jimmy Perkins won the prize of \$5.00 for selling the most Lanolin shampoo. Thanks to everyone for cooperatin with us while we were selling.

The junior high football team played Matador here on October 3. The boys got to wear their new suits. We thank the Quarterback Club and the merchants of Silverton for them. We thought we looked better than we played since Matador beat us 20 to 0.

Mr. and Mrs. Milton Perry are spending a vacation trip down state. They will visit relatives in Desdemonia, Fort Worth and other points.

Mr. and Mrs. J. M. Thompson spent from Friday to Sunday evening visiting in the home of Mr. and Mrs. Dick Franklin at O'Donnell, and Mr. and Mrs. G. D. Schmidt at Lamesa.

For that wonderful
21 year old feeling!

If you need vitamins—This big booster potency of vitamins and minerals costs only 6¢ a day!

Work can seem almost play when you are full of bounce and pep! So don't let vitamin or iron deficiency fatigue drag you down—leave you tired, nervous, lacking in hearty appetite, a prey to minor ills.

* If your trouble is not functional, but the result of prolonged vitamin and mineral deficiencies—take Bexel Special Formula Vitamins. One capsule—every day—brings you abundant B12, all essential B vitamins—plus 5 times your daily iron requirement. So, build rich, red blood with Bexel—for that wonderful 21 year old feeling!

Children need bounce and pep, too. So remember, there is a member of the Bexel Vitamin Family—at the right potency and price—for every member of your family!

OWLS DEFEAT EAGLES

On Friday, October 4, the Silverton Owls upset the Lakeview Eagles in a startling 46-6 defeat. In this game, Donnie Stephens and J. E. Patton were outstanding players.

In the first quarter, Donnie Stephens ran two touchdowns for the Owls—one from the 29, and the other from the 9 yard line. Billy Baird ran 36 yards for a touchdown, but it was recalled because of clipping. Lakeview fumbled the ball once, allowing Douglas Forbes to cover it for Silverton.

No scores were made by either team during the second quarter. Silverton fumbled once, and Malloy covered the ball for Lakeview. A pass by Baird was intercepted by Wilson for the Eagles. Silverton blocked a kick which Forbes covered. The first half ended; Silverton 12, Lakeview 0.

T. D. West made a touchdown early in the third quarter. Stephens made another touchdown (his third.) Bill Baird again ran 36 yards for a touchdown. It was good this time. West made two extra points in this quarter. The score at the end of the third quarter was 32-0 in Silverton's favor.

Kenneth Sanders, from Lakeview, was injured during the first play of the fourth quarter. Schott and Jerry Patton scored during this quarter. Extra points were made by Smith and Durham. During the last four minutes of the game, Mollay scored for Lakeview. The try for extra point failed. The final score was Silverton: 46, Lakeview 6.

The Owls will journey to Wheeler for their game on October 11.

TYPEWRITER Pencil Erasers with brush, at News Office.

Mr. and Mrs. E. Posey returned home last Friday from a visit of several days with relatives down state. They spent Sunday night in Rotan and ate dinner Monday with her nephew and family, M. and Mrs. Doyle Huntsman, in Saras Angelo; Monday afternoon they went to Uvalde for a visit with her father, R. A. Posey, who will be 92 years old on November 23. They found him quite ill but he was better when they left on Wednesday. They called on her aunt, Mrs. Miller, in Lampasas and spent the night with her brother and family, Mr. and Mrs. Dennis. They came back to Rotan Thursday and his brothers and families, Messrs. and Mesdames Bill, Fann, and Dave Posey, and their sisters and family, Mr. and Mrs. R. L. Dennis, had prepared a huge feast fry which everyone enjoyed.

Mr. and Mrs. Donley Darnell, of Vigo Park, visited her uncle and family, Mr. and Mrs. W. Coffee, Jr., on Friday morning of last week.

Mr. and Mrs. Fred Brannon, Susan and Butch visited Mr. and Mrs. J. W. Brannon, Jr. and Truett in Canyon on Saturday; the entire party attended the TSCW vs Mississippi Southern football game in Amarillo Saturday evening.

To Help You Get More For Your Cotton In '57

WE HAVE INSTALLED AN ALL ELECTRIC GIN

Our policy has always been founded on service... That's why we use only the best equipment and latest and most efficient Ginning Methods. To serve you better we have the latest type ginning machinery installed for the 1957 season.

In times of high production costs it is imperative that you get the most out of your cotton that you possibly can. Our gin will enable you to do just that and our HARDWICKE ETTER lint cleaner will also do much to get a better price for your cotton. We have installed the latest and best stick and green leaf machines. These machines should do a lot of good on machined cotton.

We know your problems and will work with you in every way we can. We are ready to go, so come to see us when you have a bale.
