BELLINGER'S DEPARTMENT STORE

CARD OF THANKS
The thoughtfulness and kind deeds and prayers and sympathy, extended by many friends and neighbors during our recent sorrow occasioned by the death of our beloved mother will always remain with us as a precious memory. Especially we wish to thank the members and staff of the Christian Church in our bereavement.
The Family of Benjamin F. Smith.

Bailey Loyd, son of Mr. and Mrs. Truman Loyd, has been a patient in the Plainview Hospital suffering from pneumonia for several days. Rev. G. A. Elrod and Mr. and Mrs. Loyd took him there on Thursday of last week. She has been staying at the hospital with him.

Mrs. Virginia Dennis and Mrs. Farris Martin and Brenda were in Tulia on Monday. They were luncheon guests of Mrs. Martin's mother, Mrs. May Washington.
Dictionaries at the News Office.

Mrs. A. G. Stevenson returned home early last week after having spent several weeks in California. She visited her daughter, Gloria June Stevenson, in San Francisco, and her sister and family, Mr. and Mrs. D. E. Phillips, in Los Angeles.

Mark Jennings is spending this week in the home of his uncle, Mr. and Mrs. Neil Jennings and children, while his parents, Mr. and Mrs. Alvin Jennings, of Montreal, Quebec, Canada, are attending lectureships at ACC in Abilene.

Mrs. Lewis Gilkeyson is visiting her son and family, Mr. and Mrs. Leldon Gilkeyson and daughters, in Roswell, New Mexico.

EVERYTHING SET OUT FOR YOU WITHOUT ADDITIONAL COST

We fix yards. Set African bermuda, sow other grasses. I will replace free any tree or plant that does not grow during entire growing season. I will come and give you a landscape free. You will be under no obligation to buy anything.

Hi-Plains Hi-Lights -- How Valuable Is Irrigation Water

How valuable is the irrigation water applied to the various crops? A study of the efficiency of water usage as affected by fertilizer was conducted at the High Plains Station at Halfway in connection with fertilizer research on both grain sorghum and cotton during 1958. Dr. T. C. Longnecker, head of the station, stated today.

In the series of tests the dryland grain sorghum produced 2,299 pounds per acre. The same variety with 9 inches of water applied and no fertilizer produced 3,623 pounds per acre, in this test the water was worth \$2.37 per acre inch. When 120 pounds of nitrogen was applied to this variety with 9 inches of water the yield totaled 6,056 per acre making the value per acre inch of water \$5.71 after the cost of the fertilizer was deducted. The same variety of grain sorghum was used in each of the above studies.

Dryland cotton with no fertilizer applied produced 356 pounds of lint per acre. Three inches of irrigation with no fertilizer produced 526 pounds of lint cotton per acre. In this case the water applied was worth \$15.87 per acre inch applied.

Fertilizer applied to the dryland test at the rate of 26 pounds of nitrogen and 78 pounds of phosphorus per acre produced 301 pounds of lint cotton. With 3 inches of irrigation and the same fertilizer application the yield rose to 621 pounds. Profit on the water applied, after paying for the fertilizer, was \$26.92 per acre inch.

In the third test, dryland cotton had a fertilizer application of 66 pounds of nitrogen and 78 pounds of phosphorus which had a yield of 311 pounds of lint cotton per acre. To this same fertilizer application three inches of irrigation water was applied with a resulting yield of 897 pounds of lint cotton per acre. Here the value of an acre inch of water applied was \$35.15 after paying the fertilizer cost.

With no fertilizer and 6 inches of water the cotton yield was 611 pounds of lint making the water worth \$14.34 per acre inch applied. The addition of 26 pounds of nitrogen and 78 pounds of phosphate increased the yield to 775 pounds and value of an acre inch of water to \$20.68. With 66 pounds of nitrogen and 78 pounds of phosphate the yield jumped to 899 pounds of lint per acre and the value of an inch of water to \$25.00.

TAX MAN SAM SEZ :

The newspaper publishers in Texas are always interested in the general welfare. You will usually find your local newspaper interested in the things which hold together people interested in doing something for themselves, and striving to keep down issues which tend to destroy trade in their community. The Internal Revenue Service relies heavily on the newspaper business to keep taxpayers informed. Your editor realizes that paying income taxes is a shoe we must wear in spite of the pinch. He joins thousands of other newspapers throughout the country every year in attempting to pass along information on tax law requirements and tax benefits to his readers. We want to take our hats off to our nation's editors. The fact that the voluntary income tax system works is due in a large part to the helpful advice that you read in your newspaper. April 16 would be a day of great embarrassment to thousands of taxpayers who had forgotten to file their income tax return on April 15 if your editor was not kind enough to remind you.

Mr. and Mrs. Farris Martin, Brenda and Ginger and Mr. and Mrs. Alva C. Jasper and Vicki were overnight guests of Mr. and Mrs. Arthur Starks in Lubbock.

Mrs. William Garrett and Mrs. Kenneth Bain, Sr., of Floydada, visited Mr. and Mrs. Bob Dickerson Sunday afternoon.

Alaska has the highest birth rate and the lowest death rate of any state, according to the 1959 Annual Supplement of The World Book Encyclopedia.

Alaska's flag was designed by a 13-year old schoolboy, according to The World Book Encyclopedia. The flag shows seven gold stars, representing the gold mining industry, in the shape of the Big Dipper in a field of blue. An eighth star in the corner represents the North Star, symbolizing Alaska's far northern location.

Funeral Held Tuesday At Flomol For Rollie Crawford Smith

Funeral services for Rollie Crawford Smith, 77, a retired farmer, of Flomol, were held at 2 p. m. Tuesday, March 3, in The First Methodist Church in Flomol with Rev. Luther Baker, pastor, officiating, assisted by Rev. G. A. Elrod, pastor of the First Baptist Church in Silverton.

Burial was in the family plot near his home. He died Sunday in the Stanley Clinic in Matador. He was born November 8, 1881 in Texas and moved to Briscoe County in 1918.

Survivors are his wife, Jessie Mae, of Salem, Oregon; three sons, Rollie J. Smith, of Richland, Washington; Isaac W. Smith, of Flomol, and Charles F. Smith, of Mason City, Iowa; a daughter, Mrs. Hazel M. Ellis, of Portland, Oregon; two sisters, Miss Neomi Smith, of Flomol, and Mrs. Mattie Skinner, of Roswell, New Mexico; and two brothers, Edgar Smith, of Flomol, and Floyd Smith, of McLean.

Mrs. G. A. Elrod, Mrs. Gabe Garrison, Mr. and Mrs. Carl Kitchens, Mrs. Bill McGavock, Mrs. Snooks Baird and Mrs. Carl Tidwell attended the funeral.

Rattlers Shipped For Club Dinner; of the Vicious Type

Sweetwater, Texas—After a day of checking to learn what the shipping rates—and rules—would be on a barrel of live rattlesnakes, shipment was finally made by Game Warden M. T. Reinhardt.

The snakes, all large and very much alive, were captured by Edwin Aiken, Sweetwater rancher, and friends on his Claytonville ranch. They captured a total of 65 of the reptiles, but only 25 were shipped.

The shipment was made to the Anderson County Sportsman's Club for its "wild" dinner on April 1. The dinner will include all kinds of game meat, with rattlesnake steaks as a "vicious" item.

Mrs. Jack Stafford's Father Injured In Car Collision

D. B. Leach, 74, of Hedley, father of Mrs. Jack Stafford, was severely injured Monday about 2 p. m. when a car driven by Leach collided with a refrigerated trailer truck. The car was smashed as the trailer section of the truck turned over on it. The truck driver escaped injury. Both vehicles were traveling east on Highway 287 at the time of the collision.

Attendants at Goodhall Hospital in Memphis issued an urgent call for AB negative type blood necessary in the treatment of Leach's badly mangled leg. One pint was rushed from Amarillo and Pampa answered the plea with three more pints.

Mr. and Mrs. Jack Stafford spent Monday night in Memphis and Mrs. Stafford remained there and at Hedley on Tuesday. Mr. Stafford reported early Tuesday that Mr. Leach was doing as well as could be expected at that time.

HUMAN INVESTMENT

A Human Investment of \$3.35 will return with high dividends in any one of ten ways when invested as a contribution for Red Cross. It may return as life saving skills in the hands of three persons, and or as the life of your child or another parent's child saved through use of proper Red Cross skills.

To help more—Give more.

B. D. Fanning Dies At Plainview

B. D. Fanning, a former Silverton resident, died of a heart attack at his home in Plainview about 10 o'clock Tuesday morning. Mr. Fanning had been in failing health and under a doctor's care for several months but had not been bedfast. He had not felt well for several days and had not been able to eat as usual but gotten up to eaten breakfast and gone outside. He fell in the kitchen door onto a chair with his head on the kitchen table. She went to a nearby home and asked that they phone for his doctor who came immediately and pronounced him dead.

Mrs. Fanning's sisters, Mrs. H. Crow and Miss Ida Griggs, Mr. and Mrs. Virgil Crow, Mr. and Mrs. K. Bean, Mrs. H. P. Rampley, Mr. Carl S. Crow and Mr. and Mrs. H. McPherson went to the Fanning home Tuesday afternoon but no funeral arrangements had not been completed at that time.

Mrs. Mattie Perry, who fell and broke her hip recently, was taken from a hospital in Arlington to a private home at Kress, Texas, in Arlington. She thought to be doing as well as could be expected.

Mrs. Mary Bragg has returned home recently after an extended visit with her daughter, Mrs. George Edmonds, and Mr. Edmonds and other relatives near Happy.

DOCK WALLACE, OWNER

Brownfield, Tex., Man Reports—

2 3/4-Bale Cotton

L. H. (Howard) Wheeler, prominent Texas farmer, says: "I farm 1,840 acres. With that much land I have to maintain high yields, year after year. Phillips 66 Ammonia helped me to do that. This past year we watched our cotton carefully, then when conditions looked right, we went in and side dressed it with Phillips 66 Ammonia. The cotton came right on along, setting a high count of squares—and of course that meant a good yield, averaging 2 3/4 bales per acre. I use Phillips 66 Ammonia with excellent results on my maize, too." Other successful Southwestern farmers have discovered that they make more profit per

acre, using Phillips 66 Ammonia. They get more cotton that classes higher at the gin... yields of sorghum grain and ensilage are increased... profits on wheat and small grains are increased through higher grain yields and improved forage... more marketable vegetables are harvested.

Phillips 66 Ammonia can be applied pre-plant or as a side dressing. It can be easily applied either by you or your distributor. See us today about your supply of Phillips 66 Agricultural Ammonia... it gives you more nitrogen per dollar than any other form of fertilizer—a full 82%.

Order Your Supply of Phillips 66 Agricultural Ammonia Today!

Mrs. G. A. Elrod, Mrs. Grady Wimberly, Frankie Hunt and Helen McJimsey attended a YWA house party at Hardin Simmons College, Abilene, on Friday and Saturday, returning home early Sunday.

Mesdames D. T. Northcutt and William Strange were in Lubbock on Friday of last week.

LEGAL NOTICE!

SHERIFF'S NOTICE OF SALE
THE STATE OF TEXAS, County of Briscoe:

WHEREAS by virtue of an Execution issued out of the County Court of Briscoe County, Texas, on the 26th day of July, 1957, in Cause No. 442, where B. D. Lyles, d/b/a Lyles Cotton Company was Plaintiff and Lee D. Bomar was Defendant, on a judgment rendered in said Court against Defendant and in favor of the said Plaintiff, for the sum of One Hundred Seventy Three & 55/100 DOLLARS, with interest thereon at the rate of 6% per cent per annum, from date of judgment, together with all costs of suit; I did on the 16th day of February, 1959, at 10:00 o'clock a. m., levy upon the following described lots, tracts and parcels of land situated in Briscoe County, Texas, as the property of Lee D. Bomar to-wit:

Lots 1 (one), 2 (two), 3 (three), 10 (ten), 11 (eleven) & 12 (twelve) in Block 104 (One Hundred Four) in the Original Town of Silverton, Texas, and on the 7th day of April, 1959, being the first Tuesday of said month, between the hours of 10 o'clock a. m. and 4 o'clock p. m. on said day, at the courthouse door of said County, and I will offer for sale and sell at public auction, for cash to the highest bidder, all the right, title and interest of Lee D. Bomar in and to said above described property.

Witness my hand this the 16th day of February, 1959.
10-3tc JOHNIE LANHAM,
Sheriff, Briscoe County, Texas.
