All Around the Town

by Mary Ann Sarchet

I'm still daydreaming about a dam across the Tule Canyon. Last week I tried to point out some of the recreational benefits and values to the local merchants. Just as important as these would be having the water, without which we cannot survive.

Just how much is water worth? Competent engineers appraise water as being worth \$62.50 per acre foot when applied to cotton at today's current prices. If water from these heavy rains we have been receiving were caught for immediate use on crops or to augment the underground storage, it is estimated that it is worth eighteen cents per 1,000 gallons or \$3.50 per acre foot.

Water consumed for municipal and domestic purposes is in the order of about one per cent of the total pumped. It is not too unreasonable to suggest that water from nearby lake could be used for irrigation, saving much of the diminishing underground water reserve.

We are reminded by Surgeon General Lerol E. Burney that the nation's fresh water needs will exceed the natural supply by 85 billion gallons a day within 20 years. Why so much water?

We know that a quantity is required for irrigation. We know water tables are declining. We know per capita consumption is rising.

The national chart shows per capita consumption has risen from 69 gallons per capita daily in 1900 to 177.4 in 1960, for all purposes industrial, agricultural and domestic. Total household water consumption advanced from 66 gallons daily per capita in 1900 to 99 gallons in 1959 and is now estimated at 206 gallons for 1960.

When we ask why we need only consider four recent household appliances for a large part of the increase. Dishwashers, air conditioners, garbage disposals, and washing machines are great water users. Over the United States, the more frequent practice of having private swimming pools accounts for a measurable increase.

One who realizes the great worth of water might almost enviously stare at the wasting water today in the bathrooms of the Canadian and the river that rise on or cross the handle.

By now everyone is conscious of the economic value of our underground water, and it is only an archaic person who fails to realize that our supply is diminishing as we use it.

During this past week have flooded area tributaries, even to the extent of washing out a dam and flooding Palo Duro Canyon. Tule Lake at Tulia has gone over the dike almost every day last week. Water has been running through the Tule at Silverton crossing at a very nice rate.

To handle water, through the Red River and Arkansas, flowing through or along three other states to two great rivers to maintain the flow of these and the great Mississippi and to help sustain the economy. It doesn't make sense, or does it?

Our Tule can be compared to the Canadian which is so much in news these days. It is intermittent. It is here today and gone tomorrow. It has been swollen with flood waters, but will soon dry again.

On our way, we need a dam on the canyon as badly as the Canadian River project is needed. The ability of irrigating by pumping water out of such a lake is not known by me, but the water could, seems, be used for irrigating by lands below the dam with a minimum of problems involved.

All Around the Town
We noted Connie Alexander this week looking over one of the little dirt racers that have been so popular in Silverton this week.

New Disaster Reports from Chile

A current report from the disaster area in Chile indicates a new and ominous flood threat to Valdivia, which is already reeling from the recent earthquakes and tidal waves. Continued rain may force evacuation of a major part of the population and unleash new destruction on the City. Everywhere the brave Chilean people are working desperately to survive and to begin to rebuild their shattered homes and towns. They need help.

There is continuing great suffering and resultant needs. More than 4,000 are dead or missing, more than 250,000 are homeless, and more than 50,000 homes have been destroyed or damaged so that they are uninhabitable. This is greater destruction than any disaster in this country in the past 20 years.

In order to assure help to the disaster victims we must appeal to our citizens to give to the relief effort. Your contribution should be made payable to the American Red Cross and can be left with your pastor, the local Red Cross Committee, or with the First State Bank of Silverton who act as collecting agencies.

Mrs. C. O. Washington of Tulia, was an overnight guest of her daughter and family, Mr. and Mrs. Farris Martin and daughters on Sunday night. Mmes. Washington and Martin went to Flomot Monday morning to attend sunrise Memorial services.

John C. Turner Buried Here

John C. Turner, 78, died June 13, at 4:30 p.m. in Newsom's Boarding Home in Silverton.

He was born May 3, 1883, at Lookout Mountain, Tennessee. He and Mrs. Turner were married at Whitewright, Texas, in 1905, and moved to Briscoe County in 1926. He was a retired farmer, and a member of the Baptist Church.

Funeral services were held at the First Baptist Church in Silverton June 15, at 3:00 p.m. with Rev. G. A. Elrod, pastor, and Earl Cantwell, of the Rock Creek Church of Christ, officiating.

Surviving are his wife; one son, J. C. Turner, Jr., of Memphis, Tennessee; one daughter, Mrs. Mabel Mercer of Silverton; one brother, S. R. Turner, of Silverton; one sister, Mrs. Lizzie Badgett of Lebanon, Oregon; three grandchildren and two great grandchildren.

Palbearers were nephews. Burial was in Silverton Cemetery with arrangements by Roberts Funeral Home of Silverton.

Applications for Cotton Classing Service Are Due by August 1, 1960

Cotton farmers who wish to receive free classing service and market information for their 1960 crop have until August 1 to apply for these services.

Applications should be filed with Charles E. Cox, Jr., Box 249, Altus, Oklahoma. Mr. Cox is in charge of the Agricultural Marketing Service's cotton office which includes the Oklahoma counties of Greer, Harmon, Jackson, Kiowa and Tillman and the Texas counties of Armstrong, Briscoe, County, Childress, Collingworth, Cottle, Donley, Foard, Gray, Hall, Hardeman, Hemphill, King, Motley, Wheeler, Wichita and Wilbarger.

Procedure for preparing and filing applications has been considerably shortened and simplified this season. "However,

We thought: Aha! We bet he is calculating his chances of beating H. Roy Brown in a matched road contest.

All Around the Town

4-H Clubbers Attend Round-Up

Nine 4-H Club members from Briscoe County, their leaders and County Agent Ledbetter attended the 4-H Round-up and State Contest at College Station last week. The Farm Safety team of Sandra Mercer and Ann Wingo was accompanied by Mrs. Frank Mercer. These girls and leader went on the chartered bus from Lubbock. They were one of the higher placing teams with their demonstration on "Boat Safety."

The Livestock Team composed of Bob Saul, John Burson, Dewey Estes and Joe Kitchens placed sixth. There were 20 teams.

Mr. Johnnie Burson of Silverton took these boys and their coach to the round-up. They report a very educational trip. This group left early Monday morning and visited the R. F. Ledbetters near Breckenridge.

They practiced on sheep classes at Tarleton State College and spent Monday night in the College Dormitories. Early Tuesday morning, the boys and their leaders went to the famous Flat Top Ranch at Walnut Springs. Here the boys were taken on an educational tour to see the grass and lakes that Flat Top is famous for along with its Registered Hereford Cattle and Yorkshire Hogs. Mr. Burson inspected the cattle and purchased a herd bull while County Agent Ledbetter and the team practiced

judging Yorkshire hogs. They traveled from there to College Station to arrive for the opening of 4-H Round-Up Tuesday night. All the teams and their leaders returned Thursday with increased determination to go back and win the Coveted State Championship and the scholarship to the International in Chicago.

New Cotton Planting Problems Found

Briscoe County cotton problems seem to mount with each succeeding year. Last year we thought we had all the cotton planting problems possible and the same was true the year before. This year has brought even more. What was a good crop of cotton two weeks ago for many is a shambles this week. This applies to a large part of the cotton over the area.

County Agent Ledbetter reports that there are generally three things causing the damage and in many instances four. First, there is seedling disease. Sometime called ore-shin and big shank, it is caused by a fungus that invades the cotton plant from the soil. Favorable temperatures (around 65 degrees) permit this organism to cause much damage.

Acreation of the roots and hot weather is the only remedy for this now. Many will be interested in the "in the row fungicides" for controlling this disease next year.

Sand damage has been severe and is one of the major factors causing the leaves to turn brown and dry up. The third is thrips. These little insects are particularly bad this year.

For some reason, thrips prefer cotton that is in poor physical condition. These may be sprayed with moderate success. There is no sure cure here, but if the job is tried they should be sprayed at four day intervals until they are controlled. The addition of DDT to the commonly used chemicals is a must for any degree of control.

Sam Brown Receives Music Scholarship

Sam Brown of Silverton, has been awarded a Music Scholarship for 1960-61 at Wayland Baptist College, according to an announcement by Donnie J. Adams, director of the International Choir.

Brown, who received a piano and accompanist scholarship, is the son of Mr. and Mrs. Roy S. Brown of Silverton, and is a 1959 graduate of Silverton High School. He is one of 43 Wayland students receiving scholarships based on outstanding ability.

Brown and other Wayland musicians as individuals and in groups are in constant demand to provide music for banquets, concerts, churches, radio and television programs. In July he will go to Glorieta, New Mexico, where he will serve as pianist during the final six weeks period of the Assembly.

Currently enrolled in the first summer term at Wayland, he plans to return on September 12, to register for the fall semester.

Mr. and Mrs. Donnie Perkins, Jerry Perkins and Tobe Riddell were in Plainview Monday afternoon.

All Around the Town

DEATH CLAIMS

H. L. THOMPSON

Mr. J. M. Thompson had word last Thursday of his brother's death, Mr. H. L. Thompson.

He will be remembered here by a number of friends. He was in business here in the 30's. He had lived in Sherman and dealt in the oil business since leaving here.

Mr. and Mrs. J. M. Thompson attended the funeral in Sherman on Friday.

TO ATTEND NATIONAL SCOUT JAMBOREE

Greg Towe, Jay Towe and Larry McWilliams will attend the National Boy Scout Jamboree at Colorado Springs in July.

Seven buses will transport the three hundred scouts from this area, leaving from Lubbock on July 18 and returning on July 29. Side trips will include Pueblo and Denver.

The Jamboree site is located across the highway from the Air Academy. The Jamboree Scouts will also have the opportunity to go to the top of Pike's Peak.

Ted's Restaurant to hold Grand Opening

Pictured is Alvin Redin, as he officially presents the doorknob to Ted Strange, the owner and operator of Ted's Restaurant.

Quitaque Choir to Attend Assembly

Thirty Baptist Chapel Choir members and their sponsors leave Quitaque Thursday morning for Glorieta Baptist Assembly in New Mexico. For nearly a year now, these Intermediates and Young People have planned the day when they could spend a week at the encampment. A chartered bus is to leave at about 5:00 a.m. so the group will arrive in time for supper.

Glorieta is in the mountains near Santa Fe, and is one of two summer assemblies operated by Southern Baptists. Because of its gardens, planned and supervised by the former gardener at Buckingham Palace, the grounds have become one of the scenic spots of the southwest.

The Quitaque choir will go during Training Union week, which features classes, conferences, workshops, and seminars, in addition to the commitment services. The young people are looking forward to the inspiration of the bus trip and will meet hundreds of other youth from over the nation.

Besides the pastor and his wife, sponsors are Mrs. O. R. Stark, Jr., and Mrs. Cora Gragson. The group will return about sundown Wednesday, June 22.

WITNESSES TO HOLD ASSEMBLY

Preparations are well under way for the coming four-day "Peace Pursuing District Assembly" of Jehovah's Witnesses to be held at the Will Rogers Memorial Coliseum in Fort Worth on June 23 to 26, presiding minister, V. D. Tiffin, of the local congregation announced today.

"The assembly will be Jehovah's Witnesses largest in Texas since their gathering at Houston in 1957. Twelve-thousand delegates are expected," Tiffin said, adding, "14,000 hours must be spent before June 22, to complete arrangements which will include reservations for 5,000 rooms for delegates." Local delegates will write for reservations.

Tiffin said, "The program is designed to improve all men, women and children mentally and morally by Christian missionary work and by charitable and benevolent instruction of the people on the Bible and incidental scientific, historical and literary subjects. All meetings are free."

Celia, Cenci and Felice Franks came on Wednesday of last week to visit their grandparents, Mr. and Mrs. John L. Francis and Dale, and other relatives. Their parents, Mr. and Mrs. Cecil Franks of Amarillo, spent the week end here and took Felice home leaving Celia and Cenci for a longer visit.

There are only two kinds of parking nowadays - illegal and no.

Bible School to Open at Church of Christ

The Silverton Church of Christ Vacation Bible School will begin Monday, June 20, at 9:00 a.m., and will be over each morning at 11:00.

Eighteen months through adult ages are invited to attend these classes. The school will be a five day school closing on Friday, June 24th.

Masonic Rites Held for Oliver Savage

Oliver Savage, age 71, Pioneer Farmer and Rancher of Briscoe and Swisher Counties for 70 years died in a Plainview Hospital Sunday June, 12 at 3:00 a.m. following a lengthy illness.

He was born February 4, 1889, at Howe, Texas, in Grayson County, the son of the late Mr. and Mrs. Richard Savage. He and his parents came to Briscoe County when he was one year of age.

He was married to Annie Applewhite at the Lone Star Community on November 7, 1915. She survives him.

He was a 32nd degree mason with membership in the Scottish Rite, the Shrine, and the Lockney Masonic Lodge.

Besides his wife, he is survived by two daughters, Mrs. Samuel E. McClung of Washington, D. C., and Mrs. H. D. Walters of Columbus, Ohio; two brothers, Adam Savage of Plainview and Vince Savage of Hemet, California; one sister, Mrs. Clyde Bramlett of Lockney.

Funeral services were conducted at 2:00 p.m. Monday, June 13, from the First Baptist Church of Silverton, with the Rev. G. A. Elrod, pastor, and the Rev. Anderson Windecker, pastor of the Trinity Lutheran Church of Providence, officiating. Graveside masonic rites were held under the auspices of the Lockney and Silverton Masonic Lodges.

Palbearers were Masons. Interment was in the Silverton Cemetery with arrangements by Roberts Funeral Home of Silverton.

4-H GIRLS PLAN CLOTHING CLASS

Members of the Silverton Senior 4-H Club and the Briscoe County-wide 4-H Club who are taking a Clothing Project met Wednesday morning, June 1. The Clothing Leader, Mrs. Don Garrison, gave all the girls a copy of the goals and requirements for this project.

The girls are to attend a six-session sewing course conducted by Mrs. Buster Miller, the home economics teacher, in the Homemaking room of the Silverton High School.

The course began Tuesday, June 14, at 1:00 p.m. After the first two sessions, the course will be taught in the mornings.

Girls enrolled in the Clothing Project are Diane Davis, Camellia Comer, Raye Garrison, Sheryl May, Doris Estes, Carolyn Garrison, Sandra Mercer and Ann Wingo.

A airy dining room, prepared by expert chefs to meet the physical needs of healthy growing youngsters.

Kenneth Tate, camp chairman for Silverton has been busy for several weeks selecting boys, those who otherwise would not have an opportunity to spend a full week in camp where there is fun, recreation, companionship, relaxation, crafts, organized sports—all under the guiding hands of men whose lives have been dedicated to the task of helping others.

Mr. and Mrs. Robert Ledbetter and Barbara hosted a barbecue chicken supper Saturday evening. Guests included Mr. and Mrs. James Priddy, Joe and Ann of Hereford, former Silverton residents, and Mr. and Mrs. Joe B. Harris, Don and David.

Mr. and Mrs. Bill Baird and Mr. and Mrs. Dyrle Maples left early this week for a vacation in California. They planned to spend some time in Las Vegas.

Mrs. J. D. Johnson of Erick, Oklahoma, and her daughter and husband, Mr. and Mrs. Lew Brown, of Hayward, California, spent Monday night with Mr. and Mrs. George Seaney.

Mr. and Mrs. Paul Neese, Connie and Alan, of Canute, Kansas, visited her parents, Mr. and Mrs. Olos Chitty, from Wednesday until Sunday. The entire party attended the

funeral of Mrs. John J. Neese of Amarillo, in Lubbock Thursday afternoon. Paul Neese and John J. Neese are brothers, and are the sons of Mrs. J. T. Neese and the late Mr. Neese, who lived here many years. Mrs. J. T. Neese has been staying in Inez's Rest Home in Clarendon for the past few months.

Mr. and Mrs. John L. Francis and Dale visited a day or two last week with her cousins, Mr. and Mrs. Claude Garrett, at Clayton, New Mexico.

Mr. and Mrs. Ben Whitfill and family, Mr. and Mrs. Charles Whitfill and Mr. and Mrs. Jim Whitfill and Scott attended the funeral of

LITTLE LEAGUE SCOREBOARD

Indians 12—Blue Sox 9
Comer, winning pitcher

White Sox 10 — Gold Sox 9
Walker, winning pitcher

The Little League schedule of games was changed due to the completion of the field not being as scheduled. The games will be played in the order originally given, with the first game being on June 14, the second on June 16 and the third on June 21. A new schedule will be given in next week's paper.

Mr. and Mrs. Dean Allard called on Mr. and Mrs. Rex Rogers last Wednesday. Rex had been to Florida to attend the funeral of his brother, Sam Rogers.

Mr. and Mrs. John J. Neese of Amarillo, in Lubbock Thursday afternoon. Paul Neese and John J. Neese are brothers, and are the sons of Mrs. J. T. Neese and the late Mr. Neese, who lived here many years. Mrs. J. T. Neese has been staying in Inez's Rest Home in Clarendon for the past few months.

Mr. and Mrs. John L. Francis and Dale visited a day or two last week with her cousins, Mr. and Mrs. Claude Garrett, at Clayton, New Mexico.

Mr. and Mrs. Ben Whitfill and family, Mr. and Mrs. Charles Whitfill and Mr. and Mrs. Jim Whitfill and Scott attended the funeral of

J. Floyd Howe in Panhandle on Tuesday of last week. Mrs. Howe is a sister to Messrs. Charles and Ben Whitfill.

Tillman Reeves and daughter, Melinda, of Crosbyton, visited his aunt, Mrs. John Arnold, and Mr. Arnold, on Friday of last week.

Mrs. J. T. Gilkeyson is recovering rapidly from her recent surgery. Betty and Red were in Lock-

ney on Friday of last week for a checkup. The doctor reported she is doing fine and can begin to do a few light tasks.

Increases in maize yields up to 2000 lbs. per acre

Well-known West Texas farmers like **W.C. LACY and SON** side dress 90 to 100 lbs. ammonia on maize

W. C. Lacy of Hart, who farms 575 acres with his son, Bill Lacy, reports: "Side dressing Phillips 66 Ammonia on our maize crops has given us yield increases of 1500 to 2000 pounds per acre. We apply 90 to 100 pounds of ammonia per acre on maize land. Last year I didn't apply ammonia on 8 rows of maize. When this maize was about knee high it started firing at the bottom. We went back and put ammonia down on the rows, and they greened up right away. Believe me, ammonia makes a

big difference on crops around here." Thousands of Texas farmers are using Phillips 66 Ammonia to help assure top net profits per acre. Actual field reports prove that Phillips 66 Ammonia (1) produces more high grade lint (2) increases maize yields (3) boosts wheat and small grain yields (4) stimulates forage production.

See your local Phillips 66 Ammonia Distributor now. You can depend on better ammonia service.

MRS. PERRY J. CATES

ELMS, CATES VOWS EXCHANGED IN PRETTY DOUBLE RING CHURCH CEREMONY

At 3:00 o'clock last Sunday afternoon, June 12, in the First Baptist Church of Silverton, Miss Shirley Jean Elms, daughter of Mr. and Mrs. Gilbert A. Elms of Silverton, became the bride of Mr. Perry James Cates, son of Mr. and Mrs. Joe B. Cates, Sr., of Amarillo. Rev. G. A. Elrod, pastor of the church, was officiant for the very pretty double ring ceremony.

Mr. Dale Preston of Plainview was accompanied at the piano by Mrs. Raye Brown of Tulia, as he sang "Because" by D'ardelot. Mrs. Fred Mercer of Silverton sang "Whither Thou Goest" by Singer and "Wedding Prayer" by Dunlap, accompanied by Mrs. L. B. Garvin, organist for the First Baptist Church.

The candles were lighted by Larry Elms of Silverton, brother

of the bride, and Ronnie Cates of Amarillo, nephew of the groom.

Miss Betty Cates, sister of the groom, attended the bride, wearing a pink brocaded taffeta dress fashioned with short sleeves, bouffant skirt, and basque waist. She carried a bouquet of white gladioli.

Mrs. Bill Gray of Amarillo was matron of honor, wearing an identically styled dress of lavender. She carried a bouquet of white gladioli on a heart-shaped base of pink net.

Betty Elms, cousin of the bride, and Clinton Cates, Jr., nephew of the groom, were ring bearers. Both carried white heart-shaped satin pillows trimmed with lace. Kathy Cates was flower girl. Both girls wore similarly styled dresses of taffeta. Betty's in mint

green, and Kathy's in yellow.

Best man was Bill Gray of Amarillo, and Clinton Cates of Amarillo, brother of the groom, served as groomsmen. Ushers were M. J. Layman and Joe B. Cates, Jr., brother of the groom, of Amarillo.

The altar area was enhanced by eight candelabra holding lighted tapers. On either side they were accented by large baskets of white and orchid gladioli.

Wearing a waltz-length gown of white valencia lace and net over satin, the bride was given in marriage by her father. Her fitted bodice came to a point at the waistline and her long sleeves terminated in petal points over her hands. The gown was styled with a scalloped neckline, and her veil of tulle fell from a crown of seed pearls and iridescent sequins. She carried a white Bible covered with lace and satin topped with a white orchid and cascading carnations.

A reception was held immediately following the ceremony in the fellowship hall of the church.

Mr. and Mrs. Cletus Grady and three sons have moved into the Black home in northwest Silverton recently. They formerly lived on a farm near Tulia, from which Mr. Grady has been commuting for some time. He is employed by the local Soil Conservation Service.

Mrs. M. L. Welch and Mrs. Bill Long and Diane are visiting Mr. and Mrs. D. McElmurry in Taft, California. Mrs. Welch is the mother of Mmes. Long and McElmurry.

Mrs. D. Swann, Susan and Doug of Dallas, arrived here Monday for a visit with Mrs. Una Burson, mother of Mrs. Swann, other relatives and friends.

Mrs. E. C. Newman took Mrs. T. G. Olive and Betty to Plainview on Wednesday of last week. Mrs. Olive went to see her doctor. She has not been well for some time.

Patsy Fitzgerald served the three-tiered wedding cake which was topped with sugar wedding bells. A sherbet punch was served by Jettie Hamilton, Mrs. Don Garrison, and Helen McJimsey. Others in the house party were Mrs. Woodrow Bice, Mrs. Bud McMinn, and Miss Lawanda Reid.

The bride is a 1955 graduate of Silverton High School and is a 1959 graduate of West Texas State College. She has been employed as a teacher at William B. Travis Junior High School in Amarillo.

Mr. Cates is a graduate of Hereford High School, and is presently engaged in the building contracting business.

For their wedding trip to Colorado, the bride chose a blue dress with white accessories.

The couple is now at home at 1119 South Lipscomb in Amarillo.

Methodist News Notes

The Methodist Men met Tuesday morning with fifteen members present. After a breakfast prepared by Bro. Jimmy Webb and Bro. Orville Turner, a few minutes of business was attended to.

The Rev. J. C. Holman, pastor at Quitaque, was the speaker. His theme was "Attaining through Christ."

The scripture basis was Phil. 4, 13. He emphasized the importance of the individual in the work of the Kingdom of God. We hope he comes our way again soon.

The Vacation Church School will begin Friday morning at 9:00 a.m. and will run through Friday morning, June 24. The actual closing will be with a program and classroom display Sunday evening, June 26. Mrs. James Davis is the superintendent.

Rev. and Mrs. Story and a group of Laymen and Women attended the District Setup Meeting for our District at Trinity Methodist Church, Plainview, Tuesday, June 14. This meeting set up a general plan for our work for this conference year. Dr. J. E. Shewbert is the new District Superintendent.

The Commission on Missions and Evangelism will meet Sunday, June 26, at 8:00 p.m. Mrs. Orville Turner is the Chairman.

The local MYF attended a Sub-District meeting of the Caprock Sub-District at White Flat, Tuesday June 14. Mrs. Gene Morris is Superintendent of the Youth Division and Mrs. Hugh Nance and Mrs. Glen McWilliams sponsor the local MYF.

Mr. and Mrs. R. L. (Hank) Brown, Ronnie and Pax, have recently moved here from Sudan for the summer, as is their custom. They are living in the Fowler apartments. Mr. Brown teaches in Sudan and also has farming interests here.

Mrs. Lige Freeze, a teacher in West Texas State College at Canyon, visited Mr. and Mrs. J. E. Arnold Sunday afternoon. Mrs. Arnold is a cousin to the late Mr. Freeze who was born near Silverton and grew up here.

SOIL CONSERVATION DISTRICT NEWS

The recent heavy rains in this area have again proven the value of adequate conservation measures on the land. Of course, with as heavy rains as we had, we can expect some damage to such structures as terraces, ponds, diversions, and others. A fairly extensive check last week showed only minor damages to structures completed under the Great Plains Program last year and the first part of this year.

Jack Edens and Roland Salmon in the Antelope Flat area had some damage to their terraces, but it was minor considering the very heavy rains which they had. A very very good comparison of damage on a place with adequate treatment and one with no terraces or other protection can be seen in the Antelope Flat area. On a place close to Edens and Salmon that had no protection, a gully large enough to hide a pickup in almost across the farm resulted from the flood.

Most new farm ponds and erosion control dams had some damage either to the dam or to the entrance to the pond. We have not found any as yet, however, that had serious damage.

The rains have benefitted the rangelands and pasture crops such as sudan. Of course, extensive damage was done to young cotton over the county and it would be best if the rains would cease for about three weeks before coming again.

Mr. and Mrs. Ray C. Bomar were in Plainview on Thursday and Friday of last week. They attended the funeral of her paternal uncle, T. O. McCallan, 83, a resident of Plainview for half a century, there Friday afternoon. He was formerly in the produce and grocery business and was in Silverton frequently before his retirement several years ago.

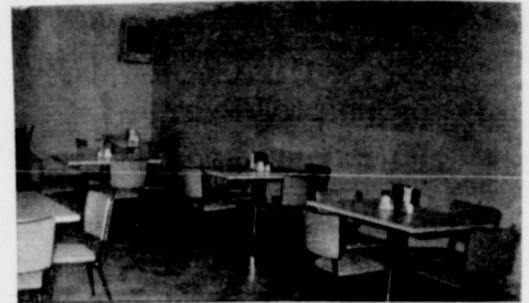

Safety sign: "Watch out for school children . . . especially if they're driving."

AMARILLO, TEXAS

We have always heard that "Great minds run in the same channel" and words to that effect. Now it seems that the writers of at least two columns are thinking along the same line. Mary Ann Sarchet, in her column "All Around the Town" in the Briscoe County News keeps thinking along with us of the possibilities of cashing in on the beauty of our canyons. Both Palo Duro and Tule Canyons are unique in the natural splendor given to each by nature. One can't help but think what would happen if these blessings from nature were enlarged upon and taken advantage of by those of us who live near by.

In her column, she points out the value of a large dam which would back water up for several miles to give room for boating and skiing; not to mention fishing and camping out. She points out that according to estimates, 15,000 people spent some time at Conchas Lake near Tucumcari over the Memorial Day week end. We have the beautiful scenery, we have the surplus water drifting toward the Gulf, now if we could find a reasonable reason and a practical plan for helping out nature by adding a giant lake to the area we would have something to rival Conchas or most any other location.

At least, this gives us something to think about until it gets dry enough to cut wheat or plant over the row-crops. It does us good to dream about scores of channel cat, lurking along the banks waiting to be taken. Claude, Clarendon, and Silverton would form a triangle with this big lake in the center. Even if we are just dreaming, it is fun.

Mr. and Mrs. D. T. Northeutt attended the funeral of J. W. Miller in Tullia on Wednesday afternoon of last week. Mr. Miller was R.E.A. director for this area for thirteen years.

HARVEST QUEEN
GRAIN CO.

1952, is at least partly to blame for the substantial loss in population in 145 Texas counties shown in the census just completed.

The farm problem is one of the most complex and vital problems now facing the Congress. It is not, as some think, just something for the farmer to worry about. When farm income falls off while other income rises, the only possible longterm result can be that all other business also will suffer setbacks and losses.

The reason is clear. American agriculture uses more finished steel in a year than consumed in the annual output of passenger cars. Farm operations use more oil and gasoline than any other industry, and farmers constitute a major user of electrical power.

When farm income in Texas and America declines, virtually every business—particularly those in the rural areas, declines proportionately. That's a major reason the farm counties of Texas have lost population these last 10 years and that we had 350 small business failures in Texas last year.

The farm program, as it is now administered, is a failure to the farmer and to the American taxpayer. This is true despite the fact the government is spending three times as much money in the name of agriculture as it was eight years ago, and Agriculture Secretary Benson has increased his staff by 28 percent in that period.

Price support cuts advocated by Secretary Benson and forced by Administration vetoes have resulted in a 20 percent cut in price support levels and a 15 percent increase in production. This has meant a buildup of fantastic grain surplus and staggering storage costs to the government.

A House Appropriation Committee study, which was signed unanimously by Republicans as well as Democrats, found that farm problem "cures" urged by Secretary Benson have cost American taxpayers nearly \$30-billion. To achieve a balanced and healthy economy, the Congress must legislate and the Agriculture Secretary must administer in good faith, a new farm program which will:

- (1) Allow farmers a reasonable return on their work and investment in line with income of other jobs and businesses, and
- (2) Permit American families to purchase food in the market place at prices within their reach.

This, I am confident, can be achieved and at considerably less expenditure of tax money than is now being spent.

The Adams and Zeb's

(taken from Republic Steel adv.)
Once upon a time there were two men, Adam and Zeb.

Adam risked all his savings to set himself up as an independent neighborhood merchant.

Zeb took a factory job which required no risk from him.

Neighborhood competition finally caused Adam to go broke and give up his store. He was out of

Hi-Plains Hi-Lights

NEWS from the High Plains Research Foundation

An in-furrow fungicide test to determine the efficiency of 12 different chemicals used in the prevention of seedling diseases on cotton is underway at the High Plains Research Foundation. Each of the 12 chemicals has been applied in four row plots, 300 feet long. A 13th plot has been planted with no chemicals applied to be used as a check plot for comparison. This test is being conducted by Dr. Harry Lane of the Lubbock Experiment Station and Delbert R. Langford of the Foundation staff.

A comparative date of planting test on cotton is in process at Halfway to secure further information desired by area farmers so they can achieve higher quality yields.

Cotton was planted on April 20 and May 20, and will be planted on June 20 and 30.

A climatology test on cotton is included with the date of planting research program. This test consists of cotton planted on (1) dryland, (2) irrigated land with no fertilizer, and (3) irrigated land with various rates and combinations of fertilizer. Air temperature, relative humidity, and solar energy are to be recorded throughout the growing season to determine the effect of these factors on the cotton yields. These tests are being conducted by Dr. J. D. Bilbro, ARS, Lubbock, and Delbert Langford of the Foundation.

Those projects are being conducted and out of savings.

Circumstances eventually made Zeb's job unnecessary. He was out of work, but he had his savings, and his severance pay, and his unemployment compensation.

Nobody felt sorry for Adam. The neighborhood shoppers felt justified in patronizing the most efficient merchant. It was Adam's own responsibility if he couldn't keep up. Let him retrain himself and find another job.

Many people felt sorry for Zeb. They said the factory should let Zeb stand beside the new equipment and be paid even though he was not needed. By assumption he owned the job which he had not created.

America was built by the Adams.

Is it going to the Zeb's?

News From Quitaque

"the Queen of the Valley"

reported by Mrs. Charles Gowin

Mrs. Myrtice Gillespie and Ven-us, Jr., went to Crosbyton Satur-day for his checkup with the doc-tor.

Mr. and Mrs. Lee Griffin of Fort Worth spent the week end with his brother and family, Mr. and Mrs. Bill Griffin.

Mr. P. P. Rumph of Durango, Colorado, arrived Thursday to visit his mother, Mrs. E. P. Rumph and to assist in moving her to a rest home in Amarillo.

Mr. and Mrs. Ike Reed left Fri-day to spend several days at Saint Jo.

Mr. and Mrs. Travis Morrison and family went to Estelline Sun-day to visit her parents, Mr. and Mrs. E. G. Johnson.

Mrs. John King and her father, Mr. Levi Bedwell, went to Plain-view Friday where they were joined by Mr. and Mrs. Lawrence Bedwell of Plainview, Mrs. Imo-gene Bethel and Mrs. Chris Grundy, who all spent the week end with their sister, Mrs. Opal Brox-son.

Mr. Otis Wilson spent the week end with his son and wife, Mr. and Mrs. Marvin Wilson at Pampa.

Mr. and Mrs. Frank Hawkins and Joe Frank of Lockney were visit-ing in town Saturday.

Mr. and Mrs. Lee Pharr, Karen and Debbie of Lubbock, were week end visitors with their parents, Mr. and Mrs. Lee Driver. Karen and Debbie remained for a longer vis-it.

Mrs. Boone McCracken is visit-ing her daughter, Mr. and Mrs. Joe Young and family at Tucson, Arizona. Mr. Young is quite ill.

Mrs. J. R. Lusk, Gary and Dee of Eastland, spent the week end with relatives.

Mr. and Mrs. Wilson Wyly, Billy Wilson, Donnie, Mackie and James of Pierre, South Dakota, have re-cently spent several days here vis-iting Mr. and Mrs. Bill Watters and Glenn, Mr. and Mrs. Virgil Crow and family, Silverton; and Mrs. A. F. Van Meter, Jr. and daughter, Quitaque, other relatives and friends in the area.

Mr. and Mrs. Don Leath and Rusty spent the week end at Ran-ger with her grandparents, Mr. and Mrs. J. R. Ervin. They brought home lots of nice, fresh, home-grown vegetables.

Mr. and Mrs. Jack Cantwell and baby granddaughter of Slaton, were week end guests of his mo-ther, Mrs. J. N. Cantwell, and his sister, Mrs. Katie Hill.

Robert McJimsey, David Tip-ton, Bobby Durham and Freddie Dunham have been at Crowell working in the wheat harvest for several days.

Mrs. R. M. Hill and her daughter, Mrs. Troy Burson, spent the week end in Grandbury with Mrs. Hill's sister, Mrs. O. L. Campbell. On Sunday the group attended a home-coming at Lipan, the childhood home of Mrs. Hill and Mrs. Camp-bell.

Mr. and Mrs. Gene Clary and Debbie of Tulia visited Mr. and Mrs. D. E. Broxson Sunday and attended church here.

The ladies were in Grandbury from Saturday through Monday.

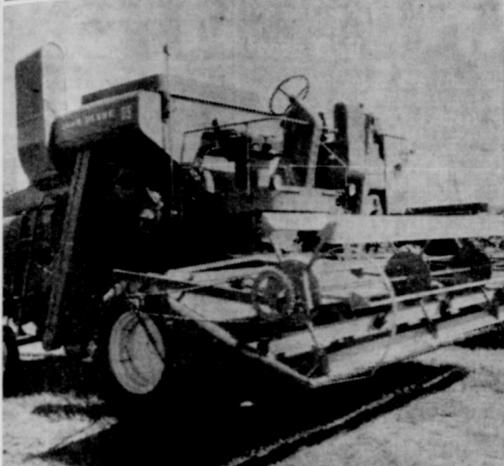

Mr. and Mrs. Ed McMurtry of Vigo Park, came home from Lub-bock on Friday. Mr. McMurtry has been a patient there in Methodist Hospital for a couple of weeks. He is recuperating from recent major surgery.

Dr. and Mrs. W. A. Sedgwick hosted a Smithee family dinner on Sunday. Those present were Mr. and Mrs. Will Smithee, Mr. and Mrs. Bob Dickerson, Mrs. Cora Donnell and Mrs. Lloyd Meeker. Mmes. Sedgwick, Dickerson, Don-nell and Meeker are sisters to Mr. Smithee.

Mr. and Mrs. Darrell Fleming and son of Amarillo, were Sunday guests of his siter and family, Mr. and Mrs. Elton Cantwell and fam-ily.

Mr. and Mr. Marshall Claunch of Borger, were week end guests of his sister and family, Mr. and Mrs. L. A. McJimsey. Mr. and Mrs. Chafe Tipton and son and Mrs. Robert McJimsey and Sue were also Sunday dinner guests in the McJimsey home.

Mrs. Virgia Dennis is spending a visit in Amarillo with her daugh-ter an dfamily, Mr. and Mrs. Fred Buck and children. The Bucks have a son, Roger, and welcomed an-other son, Stephen Randell, into their family on Thursday, June 9.

Miss Miller, Mr. Smith Wed in Pretty Service

Bonnie Watters left Saturday for Flagstaff, Arizona, where she will attend school this summer. Miss Watters, who teaches in Williams, Arizona, had been here visiting her father, Walter Watters, and sisters, Mmes. Maxine Morris and Edwin Dickerson, other friends and relatives since May 30.

Mr. and Mrs. Joel Nance and Mr. and Mrs. Albert Poole of Lockney, Mrs. P. D. Jasper and Mrs. L. B. Garvin, Sr., visited relatives from Arkansas in the home of W. A. Smith, near Quitaque, on a recent Saturday morning. Mr. Smith is an uncle to Mmes. Nance, Jasper, and Garvin and to Mr. Poole.

Mrs. P. D. Jasper and Dawn and Mrs. Lowell Calloway recently attended a Wilson family reunion at the Hub Community house south of Friona. The reunion was held on Sunday, June 5.

Floyd Perkins, son of Mr. and Mrs. Tom F. (Bud) Perkins, has recently joined the National Guard. He left for Fort Ord, California, May 27, for six months' training. Larry Storms and Sis Hutson of Tullia, also went to Fort Ord for the training. Floyd's address is Pvt. Walter F. Perkins, Co. B, 2BG 1 BDE 3rd Plt., Fort Ord, California.

Marion Walter Perkins, son of Marion Perkins, arrived here on Wednesday for a 30-day leave before going to Germany. Walter has been in Colorado with the army for some time. This is his second hitch. He has served in Germany previously.

Mr. and Mrs. W. S. Wylie, Jr. and daughters of Claremore, Oklahoma, were recent week end visitors with his uncle and family, Mr. and Mrs. Glenn Jones, and other relatives. Susan Wylie remained here for an indefinite visit.

Mr. and Mrs. Glenn Jones, Susan Wylie, and Debbie Verden spent a long week end in Oklahoma City with Mrs. Susie Jones, mother of Mr. Jones and other relatives. They were met there by Mr. and Mrs. Reggie Wells, of Fort Worth. Mrs. Wells is the former Linda Jones, the daughter of Mr. and Mrs. Glenn Jones. Gary and Randell Merrell returned home with their uncle,

J. M. Burlon Real Estate Insurance - Loans Office Phone WY 5-3076 Res. Phone WY 5-2103 132 W. Broadway Tullia, Texas

Rev. Henry Russell of Floydada, officiated in the double ring service at 8:00 p.m. Saturday, June 4, in the Assembly of God Church at Cedar Hill, uniting in the holy bonds of matrimony Miss Carla Dean Miller, daughter of Mr. and Mrs. Lark Miller of Silverton, and Mr. James Smith, son of Mr. and Mrs. J. A. Smith of Roaring Springs.

The ceremony was read before an arrangement of baskets of white carnations and white crysanthemums, and candelabra bearing white tapers. Edith Joan Miller, sister of the bride, was the bride's only attendant. Allen Smith served as his brother's best man. Sandra Smith and Steve Miller, sister of the groom and brother of the bride, were candlelighters. Joe Martin of Matador and Jerry Williamson of Silverton, were ushers.

Edith Miller and Sandra Smith wore identical dresses of blue nylon taffeta. Miss Miller carried a bouquet of white carnations.

The bride, escorted to the altar and given in marriage by her father, wore a white nylon lace dress over white taffeta, featuring a short fitted jacket buttoned down the front, with long sleeves ending in petal points over the hands and a bouffant street length skirt. She wore a fingertip veil of tulle and carried a bouquet of white carnations atop a white Bible.

A reception was held immediately following the wedding, hosted by the pastor and his wife, Rev. and Mrs. R. P. Bernard. The refreshment table was laid with a white lace cloth over blue.

The Maid of Honor and bride's bouquets were used as table decor. The wedding cake, a three-tiered square cake trimmed with blue flowers, was served by Mrs. Derrel Fortenberry. Fruit punch was served by Miss Shirlene Teeple.

Tradition was broken when a boy, Roy Varner, of Lockney, caught the bride's bouquet. Among those from Silverton attending the wedding were Mr. and Mrs. R. E. Stephens, Mr. and Mrs. R. E. Brooksheir, and Mrs. Lee Deavenport.

Mr. and Mrs. Smith are at home near Roaring Springs where he is engaged in farming.

Mr. Jones, Susan, Gary and Randell are attending Vacation Bible School at the local First Baptist Church.

Mr. and Mrs. Raymond Adams, and children, have moved to Canyon where Mr. Adams is attending WTSC this summer. He is also working in Amarillo.

Word has been received of the death of Lois Witherspoon, 53, at Patton, California, on Monday, June 6. Lois, the youngest son of the late Claude Witherspoon, was born and grew up in Silverton. He left here in 1933.

Mr. and Mrs. Cecil Welch and children, who have lived on the Cogdill ranch north of town for several months, have recently moved to Canadian.

The man who weighs his words retains his balance.

Mr. and Mrs. M.E. Smith and Mr. and Mrs. R.L.O. Riddell and Ann Smith spent the week end at Decker, near Sweetwater, the former home of the Smith family. Mr. Smith's sister and family, Mr. and Mrs. Albert Roglitz, of Fort Worth, and many other former residents of the community were present. The many relatives enjoyed visiting with their friends. Local folk visited the graves of Mr. Smith's parents. They enjoyed camping out while there. Mr. Smith was saddened by the loss of a gift from Mr. Smith some forty years ago—his Masonic ring.

Jerry Perkins of Amarillo, is spending a visit with his brother and family, Mr. and Mrs. Donnie

Perkins and Debbie.

Mr. and Mrs. Roy Montague, Mr. and Mrs. Wayne McMurtry and Ty and Mr. and Mrs. Don Brown, Steve and Trent spent the week end at Lake Altus.

Mrs. Oneal Watson of Amarillo, was here from Wednesday through Saturday of last week helping care for her father, S. R. Turner, who has been confined to his home for some time. Her mother, Mrs. Turner, enjoys having Cleora come. She also visited Mr. and Mrs. J. S. Watson, her husband's parents, who are also confined to their home.

The Law Of Moses And The Gospel Of Christ

The church of Christ differs from almost all others in regard to the binding effect of the Old and New Testaments. We believe the Old Testament scriptures to be inspired and necessary to a proper understanding of the New Testament which reveals the gospel of Christ; but the Bible clearly teaches that Christians are under the authority of the New covenant of Christ and not under the old law of God given through Moses for the government of the Jews, exclusively. No Gentile was ever required, or permitted, to keep the law of Moses (except, of course, the few cases of Gentiles proselyted to the Jewish faith). It was a wonderful law and contained, among its provisions, the basic moral principles which were taught in the patriarchal dispensation preceding the law of Moses and are also taught under the gospel.

At the close of this article we list a group of scriptures showing that with the coming of Christian dispensation the authority of the law of Moses was abolished and taken away. Though it will forever stand as a part of the eternal purposes of God and as an invaluable aid to our better understanding of Christianity, yet as a book of authority to tell it what to do it is not. The gospel is not found in it except in type and in promise. No apostle or preacher or writer of Christ's gospel ever taught Christians to observe the law of Moses. We sincerely believe that if this simple lesson could be learned by believers in Christ, it would remove a world of confusion and division. The way of salvation in Christ is so clearly set out in the New Testament that every student of the Word of God may learn for himself the true doctrine which has been given to follow. But if we attempt to find the way of salvation in the law of Moses, or to take part of the Old and part of the New, we shall never be able to find and embrace the great salvation of grace through faith which Christ, our blessed Lord, has provided for all men. (Heb. 7:12; Heb. 8:6-7; Heb. 10:9; Gal. Chapter 3; Col. 2:14-16; Gal. 5:1-4; Rom. 6:14; Rom. 7:14; Eph. 2:15; II Cor. 3:1-11).

You are invited to the services of the Silverton Church of Christ.
