THURSDAY, AUGUST 4, 1960

PUBLISHED EVERY THURSDAY AT SILVERTON, BRISCOE COUNTY, TEXAS

VOLUME 52 NUMBER 31

**All Around the Town**  
by Mary Ann Sarchet

**VOTERS ATTENTION**  
In this issue of the NEWS there appears the full text of one or more of the Constitutional Amendments to be voted on at the upcoming General Election (Nov. 8). So that you may be fully informed, we urge that you read each proposed measure in its entirety, and study all of them carefully before you go to the polls to cast your vote.

A brief digest of the four proposed constitutional amendments follows:

**NUMBER ONE ON THE BALLOT**  
(HJR 39)—Authorizes the legislature to create hospital districts co-extensive with Lamar County, Hidalgo County, and County Commissioners Precinct No. 4 of Comanche County, and sets forth certain powers, duties and limitations.

**NUMBER TWO ON THE BALLOT**  
(SJR 6)—Increases the maximum permissible interest rate on bonds hereafter issued by the Veterans' Land Board to three and one-half per cent.

**NUMBER THREE ON THE BALLOT**  
(HJR 3)—This bill is known as the "Annual Salary Bill" for legislators. It provides for an annual salary of not to exceed \$4,800 for each legislator, and a per diem allowance of not to exceed \$12 a day for the first 120 days of each regular session and for 30 days of each special session as maximum compensation for members of the Legislature. Also it limits the regular session to 140 days.

**NUMBER FOUR ON THE BALLOT**  
(HJR 6)—Authorizes the legislature to classify loans and lenders, license and regulate lenders, define interest, fix maximum rates of interest, and provide for a maximum rate of interest of ten per cent per annum in the absence of legislation setting maximum rates of interest; provides that the rate of interest shall not exceed six per cent per annum in contracts where no interest rate is agreed upon; provides for the right of appeal and trial de novo in the event of cancellation of or refusal to grant any permit.

## Silverton Scouts Return From Jamboree

Jay and Greg Towe and Larry McWilliams were among seven bus loads of Scouts from the South Plains Council which left Lubbock on Monday, July 18. The boys camped in a park in Pueblo, Colo., that night. They went to Denver Tuesday and camped in the Field House at the University.

On Wednesday, they set up a camp at Colorado Springs, where the Fifth Annual Jamboree, celebrating the Golden Anniversary of Scouting, was held through Friday, July 29.

Some 56,000 scouts attended the Jamboree. The South Plains Council had five Japanese scouts as guests. Jay, Larry and Greg enjoyed having one of the foreign boys in their troop.

While sightseeing, the boys visited Pike's Peak, Garden of the Gods, Seven Falls, and the Air Force Academy. President Eisenhower surprised the campers by visiting them during the Jamboree. The boys report a memorable time.

## WINNER OF GO-CART

**ENJOYING HIS PRIZE** is Gene Morris who was the holder of the winning ticket when this dashing red go-cart was given away for the benefit of the Little League last week. Morris, who was not on hand at the drawing, says that he and his son, Joel, are enjoying the go-cart tremendously.

## Texans Vote 8-1 For Wheat Quotas

Texas wheat farmers voted 6,593 to 842 in favor of wheat marketing quotas for 1961. The final returns were announced by the Agricultural Department which held the vote.

Nationally, farmers voted overwhelmingly for the quotas and accompanying acreage controls. The final vote was 148,766 for continuation of the program to 21,631 against.

States supporting the controls were New Jersey, Delaware, Georgia, Maryland, Wisconsin, North Carolina, Virginia, Iowa, South Carolina, Illinois, Indiana, Ken-

tucky, Kansas, Oklahoma, Texas, New Mexico, Arkansas, Tennessee, Minnesota, Missouri and Colorado.

Farmers in New York, Pennsylvania, West Virginia, Alabama, Michigan, Ohio, Arizona, California and Utah rejected rigid controls by filing to muster the needed majority.

## Attend Baptist Camp

Raymond McJimsey, counsellor, and several boys from the local First Baptist Church, attended the Plains Baptist Camp at Floydada from Wednesday through Friday of last week.

Boys attending the camp were Butch Maples, Cliff Walker, Jimmy Burson, Tommy Edwards, Weldon Tipton, Jimmy Polsey, Gary Crow and Bailey Loyd.

Five generations of the Sumner family are Mrs. Nancy E. Sumner, 80, of Silverton; her daughter, Mrs. R. T. Clark, 55, of Clarendon; her daughter, Mrs. Marie Farmer, 35, of Phillips; her daughter, Mrs. R. E. Salmon, 18, of Phillips, and little Miss Roxanne Salmon, 7 weeks old, who fell asleep before the picture-making was begun.

## Mrs. Sumner Honored On 80th Birthday

At a family dinner held in Clarendon on Sunday, July 10, the children of Mrs. Nancy E. Sumner honored her on her eightieth birthday. Mrs. G. W. Sumner baked a huge tiered birthday cake for her mother-in-law with the numerals "80" on it. Mrs. Sumner is the mother of Mrs. Marvin Reynolds and Mrs. Arthur Bingham both of Silverton. They and their families and some

thirty others gathered to help celebrate the occasion. Among those present were Mr. and Mrs. G. W. Sumner of Wichita Falls; Mr. and Mrs. L. T. Smith of Earth; Mr. and Mrs. O. E. Sumner of Carlsbad, New Mexico; Mr. and Mrs. Rex Tillery of Stratford; Mr. and Mrs. Jerry Reynolds of Electra; and Mr. and Mrs. Z. Q. Bingham of Canyon, and all their families.

## School to Open in Silverton on September 5

The Silverton Schools will open September 5, with all school buses running that day. A general faculty meeting will be held Thursday, August 31, at 4:00 p.m.

High School Registration will begin August 31 and September 1. Wednesday, Aug. 31: Sophomores 1:00 - 3:30

Freshmen 9:00 - 12:00  
Thursday, September 1:  
Juniors 9:00 - 12:00  
Seniors 1:00 - 3:30  
Grade School and Junior High pupils will register the morning of September 5.  
Notice to all students taking car-

respondence courses: please have these courses finished before September 5.

The faculty is now complete except for High School English. Assignments for teachers will be given at a later date.

Holidays for the year will be as follows:

- Thanksgiving, Nov. 24-25
- Christmas, Dec. 22 to Jan 2
- Easter, March 31 and April 3
- The second semester will begin January 18, 1961. School will close on May 19.

## Daughter Of Mrs. Rowell Buried At Odessa

Funeral services were held on Sunday, July 31, for seven members of the family of Lee K. Letterman in Odessa, his wife, Mrs. Inabeth Letterman, 30, and their children, Johnny Lee, 8; Linda Sue, 7; Mary Frances, 9; David Paul, 1; Joy Beth, 5; and Ramona Jean, 3.

Mrs. Letterman, the daughter of Mrs. Charlie Rowell of Silverton,

and her children lost their lives along with Mrs. Peggy Roberts and her daughter, Marcyln, age 6, in what has been described as one of the worst traffic tragedies ever to occur in Ector County.

John Bostick, driver of the 60,000-ton cement pump truck which collided with the automobile driven by Mrs. Roberts, was admitted to an Odessa hospital in a state of severe shock and with possible neck injuries.

Little 18-month-old Connie Roberts, the lone survivor of the car, suffered multiple cuts and bruises and was described in an Odessa hospital on Friday as improving.

The car-truck collision occurred at the intersection of West 27th Street and Farm-to-Market Road 1936, three miles west of Odessa, as the women and children were on their way to the home of a

Continued on Page Two

## Quitaque Eastern Star Holds Initiation

The Eastern Star Chapter met on July 28, with Bessie Saul, Worthy Matron and Bill Saul, Worthy Patron.

The following were initiated: Mr. and Mrs. Leon Elliott, June Ware, Mattie Mae Cogdill, Opal Edgar, and A. L. Morris.

The following visitors were present, Mrs. Frances Crass, Mrs. Winnie Wimberly, Mrs. Lillian Lindsey, Mrs. Lula Bellinger, of Silverton; Jessie Coker, Zula Bell, Vivian Cooper, Turkey; Neta Sue Chadwick and Flora McElyea, of Quitaque.

Twenty-four members were present. Ice cream and cake was served.

The family's cross-country drive usually gets more so on the way back.

## Father Of Mrs. Birdwell is Buried

Funeral services for Paul J. Collins, 62, who died Sunday in a Snyder Hospital were held Tuesday, July 26, with burial in Snyder Cemetery. Collins, a native of Weatherford, was a retired farmer and stockman. He had lived in Seurry County for twenty-five years.

Survivors include his wife and a daughter, Mrs. E. A. Birdwell, of Silverton.

Rev. and Mrs. G. A. Elrod, Mr. and Mrs. Johnnie Burson, Mrs. R. L. Brown, Mrs. Roy Mack Walker, Messrs. Jack Strange, Perry Whittemore, W. E. Schott and Glen Lindsey were among those from Silverton who attended the funeral.

## Attend District 4-H Dress Review

Mrs. Don Garrison, Raye and Roy and Camellia Comer, attended a District 2, 4-H Club Dress Review in Lubbock Saturday.

District 2 is made up of 17 counties and 17 girls were entrants in the Junior Division. Raye, an entrant in the Junior Division, received a second place ribbon.

Genia Brazeale, assistant Home Demonstration Agent of Hale County, was commentator at the meeting. Luncheon was served in the Student Union Building at Texas Tech College.

He who hesitates is not necessarily lost, but he may not find another chance to get off the freeway for quite a distance.

## 4-H TO HOLD ENCAMPMENT

The annual Briscoe County 4-H Club Encampment will be held again at Roaring Springs the 10th, 11th, and 12th of August. This announcement was made in light of the Briscoe County Council's decision to either attend Camp Kiowa near Canadian, Texas, or Roaring Springs. After much study and deliberation the Council decided that Roaring Springs would be the better choice because of distance. Certain committees were appointed that will need to start preparations for the encampment. These committees are as follows: Program: Dewey Estes, Doris Estes, Bobby Saul, and Raye Nell Garrison; Camp Food Committee: Carolyn Garrison, Bill Long, Mrs. Bill Long, L. H. Nance, Mrs. L. H. Nance, and O. C. Rampley; Transportation Committee: Joe Kitchens and Ann Wingo; Recreation: Sandra Mercer, Ray Gene Hutcheson, and Gerald Smith. The County 4-H Camp is always looked forward to with a great deal of anticipation by County Club Members.

## Quitaque Bank Observes 40th Anniversary

One of the few banks in the U.S. which can claim "continuous operation for 40 years," the First National Bank of Quitaque this week celebrated its 40th birthday. The bank is counted among the great minority remaining open and in operation during the depression years.

Open house was held at the bank Tuesday, free prizes were awarded to visitors, and refreshments were served.

Orlin Stark is president of the bank, having served in this capacity since 1927. O. R. Stark, Jr., is executive vice president, associated with the bank since his graduation from Tech eleven years ago, and Bob Ham, cashier, has been with the bank four years.

The First National was organized in August, 1920, with Amos Persons, president; J. B. Russell, vice president; Orlin Stark, cashier; and Gladys Persons, bookkeeper.

The monthly newsletter edited by O. R. Stark, Jr., notes the

## Enjoy Vacation In Colorado

Mr. and Mrs. Berton Hughes and Randy went to Boulder, Colorado, on Friday of last week to bring home Robert, who had been there for a month.

Robert escorted them over the campus of the University of Colorado, where he had attended a speech school, and the town. They saw many places of interest in Boulder. They spent Saturday night in Colorado Springs and visited the camping site of the Boy Scout Jamboree.

They visited Cave of the Winds, and Garden of the Gods. A highlight of the trip was their drive up 14,110 foot high Pike's Peak and being snowed on. As they sat eating their picnic lunch, a man spoke to them, saying, "You Silverton folks are a long way from home." They were surprised to see Dr. and Mrs. J. M. Shy and daughters of Corpus Christi, former Silverton residents, who were also vacationing in Colorado.

The Hughes family returned home on Tuesday.

## West Takes East In All-Star Game

In a semi-pro all-star game played in Tulsa last Saturday, the west scored 11 runs to the tallied for the east to win the ballgame. Dale Weaver was the winning pitcher and Jesse Huron was the losing pitcher.

In the Little League all-star game, the west again tripped the east by an 11-4 margin.

Gary Johnston of Amherst was the Little League winner who won the \$25 savings bond presented by Taylor-Evans, for selling 138 tickets to the game.

A fan from Sudan won the Pol-oroid Land Camera given away by the merchants of the sponsoring towns.

Raymond Aiken was announcer for the game. An estimated 800 attended the game.

The N.B.C. Tournament begins Thursday night in McKenzie Park at Lubbock. The Irrigation League All-Star team will meet the Lubbock Rebels at 9:00 p.m.

## Directors - Managers To Attend Conference

The directors of the Plainview Production Credit Association and their general manager will meet with five other production credit associations in this area for the purpose of discussing Credit, Loan Supervision, Advertising and Public Relations, Membership Education and New Business Developments, Personnel, Internal Control, and Annual Meetings. Those on the

program will be Mr. W. N. Stokes, Jr., President Federal Intermediate Credit Bank of Houston; Mr. Sam N. Hardy, First Vice President Federal Intermediate Credit Bank of Houston; Mr. Alton Strickland, General Manager Lubbock Production Credit Association; Mr. James Van Felt, General Manager Memphis Production Credit Association; Mr. W. H. Calkins, Treasurer, Federal Intermediate Credit Bank of Houston; and Mr. Olan Alexander General Manager, Plainview Production Credit Association.

## Hamilton Family Enjoys Reunion In Amarillo

The eleventh reunion of the Hamilton family was held at the Ramada Motel in Amarillo, on July 30 and 31.

This is the third consecutive year that Amarillo has been chosen for this occasion. Other meeting places have been in Quitaque, Lubbock, Floydada, Craterville (Okla), and Wichita (Kansas).

Many guests registered at the spacious, luxurious Ramada Friday night, while Mother Hamilton (Mrs. Clara Hamilton) and other members of the family arrived early Saturday. Children, grandchildren and great-grandchildren honored Mother Hamilton with two days filled with gaiety and reminiscence. An attractively appointed party room was selected for visiting, fun-provoking games, and viewing movies of previous reunions. The children and parents enjoyed the refreshing swimming pool. Meals for the group were pre-arranged in private dining areas in Amarillo's famous eating places.

Members of the family who attended were: Mrs. Clara Hamilton, B. K. Hamilton and family, N. V. Hamilton family, Paul Hamilton family, Mr. and Mrs. E. J.

Mr. Alexander will lead the discussion on Member Education and New Business Developments.

Other associations to be represented at the meeting will be Western Production Credit Association, Stanton; Lubbock Production Credit Association; Amarillo Production Credit Association; Memphis Production Credit Association; and Canadian Production Credit Association.

This is a series of six meetings sponsored by the Federal Intermediate Credit Bank in Texas for the purpose of discussing subjects outlined above.

Directors of Plainview Production Credit Association are: L. R. Durham, Henry Hayes, D. S. Anderson, Grady Shepard, and Don Garrison.

When vacation's over you'll often, as you give it a backward look, you could have made out with half the clothes and twice the money you took.

Election Year: When the air is filled with speeches and vice versa.

Hamilton, Mr. and Mrs. Norman Hamilton and Mr. and Mrs. Keltz Garrison and family.

Mrs. Sabra Self of Portales, sister of Mother Hamilton, and Victor T. Hall, Levelland, brother of Mother Hamilton, were both present.

Other members of the family registered from the following towns: Grand Prairie, Portales, Sudan, Oklahoma City, Lubbock, Tyler, Dallas, and Denver.

Mr. and Mrs. N. V. Hamilton were chairmen of the occasion.

friend to attend a Bible Study Class.

The giant truck, which maintains a constant load of pumping equipment, slammed broadside into the 1957 model car and crushed the car beneath it after both vehicles plunged into a six-foot ditch alongside the farm-to-market road. The vehicles came to rest with the car on its top, pinned under the upright truck just to the rear of the cab.

Passersby and officers attempting to free those still trapped in the car were forced to try to reach them through the trunk. At one time, as estimated 50 men gathered around the wreckage in an attempt to lift the truck enough so that the bodies could be pulled free, but they failed. It was believed that at least three of the children were alive while rescue attempts were being made.

Mrs. Letterman was born in Eldorado on March 31, 1930. She is survived by her husband; her father, W. W. Trotter, Corpus Christi; her mother, Mrs. Charlie Rowell, Silverton; two sisters, Mrs. Pearl Hooten, Silverton and Mrs. Lige Hooten, Hereford; six brothers, Chester Rowell, Denver, Colo., J. W. Rowell, Plainview, Orville Rowell, Sapulpa, Okla., and Dale Rowell, Dean Rowell, Clifford Rowell, and Charles Rowell, all of Silverton.

It's a smart politician who can keep the note of envy out of his voice while accusing his opponent of fooling the public.

A politician is a man who, when he comes to a parting of ways, takes both of them.

What is Truth? Pilate asked this question of Jesus before allowing Him to be crucified. No doubt af-

DR. RALPH T. GREEN

## Degrees To Be Conferred On 200 At WTSC

Speaker for the more than 200 West Texas State College summer convocation degree candidates will be Dr. Ralph T. Green, director of the Texas Commission on Higher Education. The convocation will be held August 19, at 8:00 p.m. in the new Buffalo Stadium.

Dr. Green, while visiting on the WT campus, will also evaluate the new West Texas Student Teacher Center Project, a two-year experimental program in student teaching practices established in the fall of 1959. The program is due to continue another year and is seen as a guide for other college student teaching practices in the state.

Dr. Green became director of the new Texas commission in 1956 after a one-year stint as professor and chairman of the department of economics and finance at Baylor University. He has previously been financial economist for the Federal Reserve Bank of Dallas from 1949 until 1955. He was a professor at Duke University, where he earned his Ph.D., and at Texas A & M, where he earned his B.A. and M.A. degrees.

Dr. Green has written a number of articles for publication in the areas of finance, economics and public higher education. He is the Texas member of the Southern Regional Education Board and of the Research Advisory Committee of the board. He is currently a member of the advisory committee to the Virginia Council of Higher Education and is past chairman of the national Conference of Executive Officers of State-wide Boards of Higher Education.

ter listening to the leading politicians of his day and trying to separate the truth from the falsehoods in the charges that were being brought out he had some grounds for being confused. The simple truths as expressed by Jesus likely would scarcely ring a bell in his hardened brain.

Today, in our world of political confusion we find ourselves asking for some way to know the truth. Of course most of us in America believe that the Bible is true but so many of us do not know how to apply its principles to our daily life. Neither can we fit the happening of our day into the pattern of right and wrong and be able to know the truth.

We find our politicians talking of saving money, and at the same time wildly spending the taxpayers money in order to perpetuate themselves or their group in office. Most of our leaders seem to know that a nation can spend its way into poverty, but none that we think of are able to say no when the roll call vote is heard. Where will it all end?

If we help other nations, they hate us for being rich, and for demanding certain things in return. If we refuse to help them they will turn to the communists for affection.

The voter is urged to be faithful in his duty to vote, and the politician tries to rig the convention before the polls open. We are all hollering about high taxes and at the same time we have our hands out for more doles. We wonder, What is Truth?

## FIRST AID COURSE UNDERWAY IN SILVERTON

Silverton's Chapter of the American Red Cross is sponsoring a First Aid course this week in the basement of the Methodist Church. A good crowd has been on hand for each of the two-hour courses.

Miss Gay Lynn Calloway is the instructor for this very worthwhile project. While you won't receive a certificate if you have not been attending, the course continues tonight and tomorrow night, beginning at 7:30, and you are urged to participate in these two remaining sessions.

## Participates In Drama Tour

AnnWingo has returned home after attending the Speech Work Shop for high school students at West Texas State College and participating in a Drama Tour. The Work Shop closed Friday night and Saturday morning the forty-five college students and six

high schoolers left by chartered bus for Denver on their Drama Tour. In Denver Saturday night they saw a production of "The Reclining Figure" at Elite's Garden.

Sunday afternoon they toured Central City and saw Thurber's "Carnival." Later in the afternoon they went on to Boulder to see a production of Shakespeare's "Antony and Cleopatra" presented by the University of Colorado students in the Amphi Theatre.

On Monday they toured Denver and the capitol.

## NOT FORSAKING THE ASSEMBLY

Hebrews 10:25 teaches that Christians are not to forsake the assembling. This refers to ANY gathering of Christians whether on Sunday morning, Sunday night or Wednesday night or at any time when the congregation meets. Only man thinking he can live a faithful Christian life attending only one service per week does not understand God's will on this point. And any man knowing that he is to assemble but who refuses does not love the Lord with all his heart and soul and mind (Matt. 22:37).

There are providential hinderances but just being tired or not being in habit or arranging to visit or planning on watching some favorite program at the time Christians assemble does not show the love and respect that faithful Christians have for God's will.

If we truly love God we will want to please Him. His word teaches us to assemble. We all need to make the sacrifices necessary to assemble every Wednesday night, will you not be present? We will be looking for you at the Silverton Church of Christ.

L. L. Thornton, Minister

### Limes Add a Touch of Perfection

As you walk into a grocery store, one of the bright spots of color in the produce department is the beautiful green, seemingly shiny-polished Persian limes. This is probably one of the loveliest fruits we have, and its versatility is something that lends the lime touch of perfection to salad, glass of tomato juice or a bowl of chilled consommé.

These Persians limes come from Dade County. Oodly enough they grow almost all of them in just one section. Dade County.

They make the most delightfully refreshing drink, or a wedge of bright green lime served with a cocktail or squeezed in a glass of iced tea is just the final touch of perfection. Here are two recipes for limeades that you might like to try.

solved. Simmer 10 minutes. Remove from heat. Add the lime juice. Fill six tall glasses with ice cubes. Divide spiced-lime mixture between the glasses, fill the glasses with sparkling water and garnish with lime slices. This will serve six.

#### FLORIDA LIMEADE

1/2 cup sugar  
1 cup water  
6 limes  
Carbonated or plain water  
Fresh mint  
Finely crushed ice

Combine sugar and water in a saucepan. Place over low heat and stir until sugar is dissolved. Cool. Cut limes in half and juice. Add juice to sugar syrup. Divide mixture in six tall glasses. Fill to the top with crushed ice. Pour in carbonated or plain water. Stir, garnish with mint sprigs and lime wedges. Makes six servings.

You'll find that lime juice added to any fruit punch gives it a very special zip. It's particularly good with pineapple juice, orange juice and Hawaiian punch. Use the 46-ounce cans of juice and spark up the punch with thin slices of Persian limes and lime juice to taste.

Lime juice adds a wonderful touch to salad dressing and to dessert sauces, too.

#### SPICED LIMEADE

1/2 cup sugar  
1 cup water  
teaspoon whole cloves  
1/2 inch piece stick cinnamon  
ice cubes  
carbonated water

Cut limes in half and juice. Combine sugar, water, cinnamon and cloves in saucepan, and place over heat. Stir until sugar is dissolved.

## Hi-Plains Hi-Lights

NEWS from the High Plains Research Foundation

The 1960 yield data from two wheat fertilizer tests were released by Delbert Langford, associate agronomist, of the High Plains Research Foundation. The two varieties were Early Triumph, a standard high yielding variety, and Tascosa, a new hard red winter variety with exceptional adaptability for the High Plains area.

The following observations were made in these tests: (1) nitrogen alone increased yield an average of 19.08 bushels per acre above no fertilizer; (2) phosphate alone gave an increase of 16.66 bushels per acre; and (3) potash in combination with nitrogen and phosphate did not increase yield.

While the phosphate alone was not the most profitable fertilizer application, this is the first time at the Foundation that phosphate alone has given a significant increase in yield. This indicates that as these Pullman clay loam soils are cropped heavily year after year, there is a greater need for phosphate fertilizer.

The average yield of the Tascosa variety in fertilized plots was 61.56 bushels per acre and the early Triumph averaged 52.17.

The fertilizer treatment which produced the highest yield in the test was not the most profitable. The fertilized treatment giving the highest average yield was 120 lbs. nitrogen and 80 lbs. phosphate. This returned \$23.99 per acre above the cost of the fertilizer, but with only 40 lbs. of nitrogen alone, the yield was almost as high and the net return per acre was \$30.55.

This year's wheat fertilizer data at the High Plains Research Foundation are good indications of what results can be expected from fertilizing wheat on Pullman clay loam soil. The application of fertilizer on winter wheat is indicated to be a profitable practice, but additional research is required to determine specific fertilizer recommendations.

Irrigation on barley increased returns \$29.56 per acre over dryland barley at the High Plains Research Foundation in the 1959-60 test. Cardova barley was used in the test which compared yield and returns between dryland barley and that of irrigated, fertilized barley.

The dryland barley yielded 9 bushels per acre compared to 67.5 bushels per acre from the irrigated barley.

Their irrigated barley received two four-inch applications of water along with 200 pounds of 10-20-0 fertilizer per acre.

At 75 cents per bushel, income from the dryland acreage was \$6.72 per acre. Irrigation cost was \$6.00 per acre and the fertilizer cost totaled \$7.72 per acre. Deducting

## News From Quitaque "the Queen of the Valley"

reported by Mrs. Charles Gowin

Mr. and Mrs. Frank Hawkins and Joe Frank of Lockney were visitors with relatives and friends Saturday.

Mr. and Mrs. Marion Roberson and Mr. and Mrs. Morris Wilson left last Wednesday on their vacations to points in Colorado.

David Seaney of Masterson spent last week visiting his grandparents, Mr. and Mrs. Arthur Barrett and other relatives. He went to Silverton Sunday afternoon to visit Mr. and Mrs. George Seaney.

Danny received a number of gifts. Those present were Seretha Helms, Jimmy and Frida Stockton, Jimmy

Interested in architecture or in fine homes?

Across from the Courthouse in the town of Corsicana stands the Victorian Mansion of the great evangelist, Abe Mulkey. This well-known showplace amazes all its viewers with its preserved youthful appearance.

Corsicana is a famous oil center and is located approximately 50 miles south of Dallas, Texas.

Texas has been the home of many great and courageous men. A few words describing their feats often can imply the magnitude of their character.

Such are the words on a marker on the highway southwest of Llano, in Central Texas, which reads: "Enchanted Rock. From its summit in the fall of 1841, Captain John C. Hays, while surrounded by Comanche Indians who cut him off from his ranging company, repulsed the whole band and inflicted upon them such heavy losses that they fled."

Sam Houston was converted and baptised in Rocky Creek in 1854, 18 years before they built the Old Baptist Church that now stands at Independence, in Central Texas.

A monument stone on the bell tower by the church reads, "She sleeps within its sound." Reference is to Mrs. Nancy Lea, mother of Houston's wife. She donated her silver service to be melted into the tower.

A family reunion was held in the City park Sunday, July 10, honoring Mr. and Mrs. Jack McDaniel and family of Canoga Park, California. A picnic dinner was enjoyed and costume dancing by Jaunita McDaniel was very entertaining. Those attending were Mr. and Mrs. Jack Fore, of Littlefield; Mr. and Mrs. Gordon Fore and Janice, Mr. and Mrs. Bobby McDaniel and children, of Amarillo; John Fore, Mr. and Mrs. C. A. Simmons and Mr. and Mrs. Tom McDaniel, of Plainview; Mr. and Mrs. Joe McWatters and Glen; and Mr. and Mrs. R. N. McDaniel and Wanda Sue.

Open house for "The Country Girl", a beauty shop at Claytonville was held from 3:00 until 6:00 P. M. Sunday. The shop is owned and operated by Mrs. Wayne Crawford. Mr. and Mrs. Crawford and Mary Ann are former Silverton folks.

Davidson, Veda Payne, Jana Jo and Neal Payne, David Johnston, Darrell Ramsey, Danny Ray Mayfield and Ronnie Fulton. Mothers present were Mrs. Joe Edd Helms, Mrs. Freddy Stockton, Mrs. Jimmy Davidson, Mrs. J. R. Payne, Mrs. Joe David Payne, Mrs. Odell Johnston, Mrs. Ray Doyle Ramsey, Mrs. John Fulton, and Joyce Mayfield. Refreshments of pop and cookies were served.

The tower was erected with stones from the ruins of the original Baylor building. Judge Baylor's hearthstone is said to be included in the tower.

Historic old Fort Bliss, established in 1848, was rebuilt by the city and county of El Paso in 1948. They built it as an exact reproduction of the original fort, but on a miniature scale.

The miniature fort is now on permanent display at the new Fort Bliss in El Paso.

We all knew Texas was big but we didn't know it was so old until the discovery of the Midland Skull in 1954.

Scientists estimated this human skull, found in a prehistoric water hole, to be over 12,000 years old. This may be the oldest skull ever discovered on earth. If so, it means that human beings lived in the Ice Age with the huge Mammoths.

It's an art lover's paradise. But you really don't have to be a lover of art to enjoy the Indian Pictographs drawn on the rock cliffs of INDIAN SHELTER CLIFF. This pictorial cliff is located about 25 miles north of Fredericksburg, near Doss, Texas — and close to the scenic old Lange's Water Mill.

Take your camera with you, as you'll want to remember this trip.

er Silverton folks. Guests attending the opening were from Lubbock, Plainview, Tullia, Kress, Lockney and Silverton. Local folks were Mrs. Charles Cowart and Chryel, Mrs. Lee D. Bomar, Mrs. Lowell Calloway, Mrs. Joe Lee Bomar and Mrs. Guinn Fitzgerald.

## Local News

reported by MRS. CARL CROW

Mr. and Mrs. Roy Mayfield returned home early last week after a visit with their son and family. Mr. and Mrs. Charles Wayne Mayfield and sons in Fort Collins, Colorado. Zane and Roy Dane returned home with their grandparents, the Roy Mayfields, for a visit. On Sunday, the Mayfields, Mrs. Watson Douglas and the grandsons, met Mr. and Mrs. Charles Mayfield in Lamar, Colorado. Mrs. Mayfield and Roy Dane returned home with the Silvertown relatives for a week's visit while Charles Wayne, a student at the University, is away on a field trip. Zane accompanied his father on the trip.

Mr. and Mrs. George Wayne Rampley and children of Roswell spent the weekend here with their parents, Mrs. H. P. Rampley and Mr. and Mrs. Albert Mallow and Becky. Sandra and the children remained here for a longer visit.

Mmes. H. E. Fowler and Bessie Offield were business visitors in Plainview one day last week.

Mr. and Mrs. Verlin Towe and Mr. and Mrs. Dee McWilliams, Paul Ray and Gary Hunt, have recently enjoyed a vacation in Denver, and points of interest in that area they visited Jay and Greg Towe and Larry McWilliams at the Scout Jamboree in Colorado Springs on Sunday. Twenty-five thousand visitors were present at the camp that day.

Mr. and Mrs. Edgar Morrison visited with Uncle Luther Grundy at Stanley Hospital Monday afternoon. They report that he is better, and we wish him a speedy recovery.

Mr. and Mrs. Curtis McGee of Wayside spent Saturday evening with Mrs. Joe H. Smith, bringing a 50th Wedding Anniversary gift.

Mrs. Henry McWaters, who had a heart attack two weeks ago, was thought to be doing fine this week. She was still at the Lockney hospital. Mr. and Mrs. Ross McWaters, of Ventura, California, and Mr. and Mrs. Ray McWaters, of Davison, Oklahoma, who came here to be with the men's mother and the other relatives have returned to their homes.

to Mr. and Mrs. Doodle Zachry in the north part of town.

### Double Birthday Party Enjoyed

Annette Williams and Gaylia Tate celebrated their birthdays with a party in City Park Monday afternoon. Annette's actual birthday was Sunday, July 31, and Gaylia's was really Monday, August 1.

Helping the girls celebrate were Roy Dale Garrison, Marilyn Minyard, Rhonda Drewery, Lynette Martin, Diana Strange, Leila Jo McPherson, Barbara May, Terry Tate, Mike May, Martina Williams, Brenda Martin and Alicia Watson. The group enjoyed looking at the gifts and playing games.

The children were served refreshments of cup cakes and punch by the honorees' mothers, Mrs. Floyd Williams and Mrs. Kenneth Tate.

Each child was given a favor.

Mr. and Mrs. Milton Perry were in Midland from Monday until Friday of last week visiting their son and family, Mr. and Mrs. W. L. Perry, Milton Lynn and Debbie. They also visited Mr. and Mrs. Rawls Peacock of Dublin, who were guests of their son and family, Mr. and Mrs. Douglas Peacock and daughter in Midland.

A Claunch family reunion was held recently in Chandler Park, Purcell, Oklahoma. Heads of twenty-eight families registered from Texas, Tennessee, and various places in Oklahoma. Most of the relatives are cousins and their descendants of the original Claunch family. Mr. and Mrs. Arthur McJimsey and Sherry and Mr. and Mrs. John Crumm of Dimmitt, and Mr. and Mrs. L. A. McJimsey attended the picnic and reunion.

Carolyn Martin of Lubbock spent the weekend with her parents, Mr. and Mrs. W. H. Martin and family and other homefolks.

Mr. and Mrs. J. S. Hinds and her mother, Mrs. Frank Kendall, have recently moved here from Hedley. Mr. Hinds is Superintendent of the local schools. Mrs. Hinds will also teach in the school system. They are at home in the house belonging

Mr. and Mrs. Eugene Long went to Littlefield on Thursday last week where her stepuncle, John Tolbert, 89, had broken his leg in a fall at his home. On Friday they went to Sweetwater and were guests of her brother and family.

Mr. and Mrs. W. E. Tait, until Monday. Enroute home they stopped to see a friend whom Mrs. Long had not seen for 43 years.

Mr. and Mrs. Cecil Franks and children, of Amarillo, were weekend visitors with her parents, Mr. and Mrs. J. Lee Francis.

Mr. and Mrs. Bob Copeland and son, of Floydada, were dinner guests of Mr. and Mrs. John Gill and children Saturday.

## Report Of Accreditation Committee

BRISCOE COUNTY

Silverton ISD

VISITING TEAM: Walter Labay, P. E. Hutchinson

DATE OF VISIT: November 4, 1959

The Silverton Independent School District is located on the high plains near the Cap Rock Escarpment. It is in an agricultural area with extensive farming of cotton and grain sorghums, but the larger portion is devoted to raising of livestock.

This district is comprised of 468 square miles with an assessed school tax valuation of about \$6,300,000. A total tax of \$1.40 is levied for maintenance and bond purposes, with \$1.05 of the rate for local maintenance and operation. The school district will collect about \$60,000 for the latter purpose.

The local fund assignment for the 1959-60 school year will be about \$18,700. This will provide about \$40,000 for enrichment fund. The district has an outstanding bonded indebtedness of \$337,000.

At the time of the accreditation visit, the high school enrollment was 113 pupils and the elementary enrollment 396, making a total enrollment of 514 students. The few Negro pupils living within the district were transferred to the Quitaque school.

1. School Plant Facilities. New classrooms have been provided for the first and second grade sections. Other classroom space in the school was adequate with the following exceptions:

- a. Four classrooms in the elementary school were badly in need of better lighting fixtures. (This situation has been corrected.)
- b. Space provided for storage of clothing and other items in four of the classrooms was undesirable and unattractive. (The school is now working to correct this situation.)
- c. The shower room in the gymnasium and restrooms visited were not in good order. (This situation has been corrected.)

2. Instructional Facilities. Funds spent for library books during the current year was much less than \$1 per pupil.

- a. Arrangement of the high school library was poor and materials difficult to obtain. Books were not catalogued, and many were old and in need of repair. (School officials are working to correct this situation.)
- b. Additional equipment was needed for instruction in biology and physics and in the vocational agriculture shop. (Over \$1,200 worth of new science equipment has been purchased by the school.)
- c. The science department storeroom lacked adequate lighting and was in disorder. (This situation has been corrected.)

3. Instructional Program.

- a. The high school physical education program was incomplete and appeared in need of more formal organization in order to serve all pupils. (Steps are being taken for the correction of this situation.)
- b. Some faculty members appeared to have neglected formal instruction planning. (This situation is being corrected.)
- c. The school had no formal counseling and guidance program.
- d. Teachers were working under the handicap of overcrowded conditions in the 5th, 6th, 7th, and 8th grades:
 

5th grade - 40 enrolled	7th grade - 46 enrolled
6th grade - 38 enrolled	8th grade - 45 enrolled

 Student interest appeared to be good in spite of the fact that attendance was almost 100 percent in the rooms which were overcrowded. (This situation has been corrected. Silverton schools gained two additional teachers for the coming year.)

### RECOMMENDATION

Because of the deficiencies described in this report, it is recommended that the Silverton Independent School District be warned of violations of accreditation standards.

(ED. NOTE: Above is the full report of the accreditation visit made to our schools in November, 1959. Another visit is expected sometime this fall, and if the corrections made in our school meet the approval of the committee, our schools will remain fully accredited. Judging from the number of recommendations that have already been taken care of, we should say that the Silverton Schools are in no danger at all of losing accreditation.)

## Proposed CONSTITUTIONAL AMENDMENT NUMBER FOUR ON THE BALLOT

PROPOSED CONSTITUTIONAL AMENDMENT TO BE VOTED ON AT AN ELECTION TO BE HELD ON NOVEMBER 8, 1960.

HOUSE JOINT RESOLUTION NO. 33 proposing an amendment to Article XVI of the Constitution of the State of Texas, so as to give the Legislature authority to classify loans and lenders, license and regulate lenders, define interest, fix maximum rates of interest, and provide for the right of appeal and trial de novo in the event any regulatory agency cancels or refuses to grant any permit; providing for the necessary election and the form of the ballot; and providing for the necessary proclamation and publication.

BE IT RESOLVED BY THE LEGISLATURE OF THE STATE OF TEXAS:

Section 1. That Section 11, Article XVI of the Constitution of the State of Texas be amended so as to hereafter read as follows:

"Section 11. The Legislature shall have authority to classify loans and lenders, license and regulate lenders, define interest and fix maximum rates of interest; provided, however, in the absence of legislation fixing maximum rates of interest all contracts for a greater rate of interest than ten per cent (10%) per annum shall be deemed usurious; provided, further, that in contracts where no rate of interest is agreed upon, the rate shall not exceed six per cent (6%) per annum. Should any regulatory agency, setting under the provisions of this Section, cancel or refuse to grant any permit under any law passed by the Legislature; then such applicant or holder shall have the right of appeal to the courts and granted a trial de novo as that term is used in appealing from the justice of peace court to the county court."

Section 2. The foregoing Constitutional Amendment shall be submitted to a vote of the qualified electors of the State at an election to be held on Monday in November, 1960, at which election all ballots shall have printed thereon the following:

"FOR THE CONSTITUTIONAL AMENDMENT GIVING THE LEGISLATURE AUTHORITY TO CLASSIFY LOANS AND LENDERS, LICENSE AND REGULATE LENDERS, DEFINE INTEREST, AND FIX MAXIMUM RATES OF INTEREST; AND PROVIDING FOR THE RIGHT OF APPEAL AND TRIAL DE NOVO IN THE EVENT ANY REGULATORY AGENCY CANCELS OR REFUSES TO GRANT ANY PERMIT; PROVIDING FOR THE NECESSARY ELECTION AND THE FORM OF THE BALLOT; AND PROVIDING FOR THE NECESSARY PROCLAMATION AND PUBLICATION."

"AGAINST THE CONSTITUTIONAL AMENDMENT GIVING THE LEGISLATURE AUTHORITY TO CLASSIFY LOANS AND LENDERS, LICENSE AND REGULATE LENDERS, DEFINE INTEREST, AND FIX MAXIMUM RATES OF INTEREST; AND PROVIDING FOR THE RIGHT OF APPEAL AND TRIAL DE NOVO IN THE EVENT ANY REGULATORY AGENCY CANCELS OR REFUSES TO GRANT ANY PERMIT; PROVIDING FOR THE NECESSARY ELECTION AND THE FORM OF THE BALLOT; AND PROVIDING FOR THE NECESSARY PROCLAMATION AND PUBLICATION."

Section 3. The Governor shall issue the necessary proclamation for the said election and have the same published as required by the Constitution and laws of this State.

## COMBINE FRUITS FRESH & FROZEN

With a variety of frozen fruits and fruit juices in the freezer compartment of your refrigerator, you can combine frozen with fresh fruits for some delightful effects.

Try frozen lemonade over fresh blueberries, partially thawed frozen strawberries over seedless grapes, frozen limeade over freshly sliced peaches, pink lemonade over fresh pineapple or melon balls. Let the fresh fruits marinate in the frozen juice concentrate for a few hours before serving.

Mrs. Jimmie Price and children, of Dallas, were visitors last week with her brother and family, Mr. and Mrs. John Gill, Cris and Bret.

## ORANGE PASTRY

Ever make one of the basic sweet pastries for fruit pie? You can vary the flavor of the dough by using orange juice instead of water and adding a little grated orange rind.

Claude Loudermilk has been in Truth or Consequences, New Mexico taking treatments.

## Proposed CONSTITUTIONAL AMENDMENT NUMBER ONE ON THE BALLOT

PROPOSED CONSTITUTIONAL AMENDMENT TO BE VOTED ON AT AN ELECTION TO BE HELD ON NOVEMBER 8, 1960.

HOUSE JOINT RESOLUTION NO. 33 proposing an amendment to Article IX of the Constitution of the State of Texas, so as to provide that the Legislature may authorize the creation of Hospital Districts co-extensive with Lamar County, Hidalgo County, and Comal County Commissioners Precinct No. 4 of Comanche County, having certain stated powers and duties and subject to certain stated limitations; providing that any enabling Acts shall not be invalid because of their anticipatory character; providing for an election; prescribing the form of ballot and providing for the necessary proclamation and publication.

BE IT RESOLVED BY THE LEGISLATURE OF THE STATE OF TEXAS:

Section 1. That Article IX of the Constitution of the State of Texas be amended by adding the following Sections which shall read as follows:

Section 6. The Legislature may by law authorize the creation of a Hospital District co-extensive with Lamar County, Hidalgo County, and Comal County, having the powers and duties and with the limitations presently provided in Article IX, Section 5(a), of the Constitution of Texas, as it applies to Wichita County, except that the maximum rate of tax that the said Lamar County Hospital District may be authorized to levy shall be seventy-five cents (75c) per One Hundred Dollar (\$100) valuation of taxable property within the District, subject to district taxation.

Section 7. The Legislature may by law authorize the creation of a Hospital District co-extensive with Hidalgo County, having the powers and duties and with the limitations presently provided in Article IX, Section 5(a), of the Constitution of Texas, as it applies to Wichita County, except that the maximum rate of tax that the said Hidalgo County Hospital District may be authorized to levy shall be ten cents (10c) per One Hundred Dollar (\$100) valuation of taxable property within the District subject to district taxation.

Section 8. The Legislature may by law authorize the creation of a Hospital District to be co-extensive with the limits of County Commissioners Precinct No. 4 of Comanche County, Texas.

"If such District is created, it may be authorized to levy a tax not to exceed seventy-five cents (75c) on the One Hundred Dollar (\$100) valuation of taxable property within the District; provided, however, no tax may be levied until approved by a majority vote of the participating resident qualified property taxing voters who have duly rendered their property for taxation. The maximum rate of tax may be changed at subsequent elections so long as obligations are not incurred, and not to exceed the maximum limit of seventy-five cents (75c) per One Hundred Dollar (\$100) valuation, and no election shall be required by subsequent changes in the boundaries of the Commissioners Precinct."

"The foregoing notwithstanding, bonds hereafter issued by the Veterans' Land Board pursuant to the authority of this Section 49-b of the Constitution may bear a rate or rate of interest not to exceed three and one-half percent (3-1/2%) per annum.

"This Amendment shall become effective upon its adoption."

Section 2. The foregoing Constitutional Amendment shall be submitted to a vote of the qualified electors of this state at an election to be held on the first Monday in November, 1960, at which election all ballots shall have printed thereon:

"FOR THE CONSTITUTIONAL AMENDMENT AUTHORIZING THE LEGISLATURE TO CREATE A HOSPITAL DISTRICT CO-EXTENSIVE WITH LAMAR COUNTY, HIDALGO COUNTY, AND COMAL COUNTY COMMISSIONERS PRECINCT NO. 4 OF COMANCHE COUNTY."

"AGAINST THE CONSTITUTIONAL AMENDMENT AUTHORIZING THE LEGISLATURE TO CREATE A HOSPITAL DISTRICT CO-EXTENSIVE WITH LAMAR COUNTY, HIDALGO COUNTY, AND COMAL COUNTY COMMISSIONERS PRECINCT NO. 4 OF COMANCHE COUNTY."

Section 3. The Governor shall issue the necessary proclamation for the said election and have the same published as required by the Constitution and laws of this State.

## Proposed CONSTITUTIONAL AMENDMENT NUMBER TWO ON THE BALLOT

PROPOSED CONSTITUTIONAL AMENDMENT TO BE VOTED ON AT AN ELECTION TO BE HELD ON NOVEMBER 8, 1960.

SENATE JOINT RESOLUTION NO. 49-b proposing an amendment to Section 49-b, Article III of the Constitution of Texas, increasing to three and one-half percent (3-1/2%) the maximum rate of interest on bonds hereafter issued by the Veterans' Land Board; providing for an election and the issuance of a proclamation therefor.

BE IT RESOLVED BY THE LEGISLATURE OF THE STATE OF TEXAS:

Section 1. That Section 49-b, Article III of the Constitution of Texas, be amended by adding thereto the following:

"The foregoing notwithstanding, bonds hereafter issued by the Veterans' Land Board pursuant to the authority of this Section 49-b of the Constitution may bear a rate or rate of interest not to exceed three and one-half percent (3-1/2%) per annum.

"This Amendment shall become effective upon its adoption."

Section 2. The foregoing Constitutional Amendment shall be submitted to a vote of the qualified electors of this state at an election to be held on the first Monday in November, 1960, at which election all ballots shall have printed thereon:

"FOR THE CONSTITUTIONAL AMENDMENT AUTHORIZING THE LEGISLATURE TO INCREASE TO THREE AND ONE-HALF PERCENT (3-1/2%) THE MAXIMUM RATE OF INTEREST ON BONDS HEREFTER ISSUED BY THE VETERANS' LAND BOARD; PROVIDING FOR AN ELECTION AND THE ISSUANCE OF A PROCLAMATION THEREFOR."

"AGAINST THE CONSTITUTIONAL AMENDMENT AUTHORIZING THE LEGISLATURE TO INCREASE TO THREE AND ONE-HALF PERCENT (3-1/2%) THE MAXIMUM RATE OF INTEREST ON BONDS HEREFTER ISSUED BY THE VETERANS' LAND BOARD; PROVIDING FOR AN ELECTION AND THE ISSUANCE OF A PROCLAMATION THEREFOR."

Section 3. The Governor of the State of Texas shall issue the necessary proclamation for the said election and have the same published as required by the Constitution and laws of this State.

## Proposed CONSTITUTIONAL AMENDMENT NUMBER THREE ON THE BALLOT

PROPOSED CONSTITUTIONAL AMENDMENT TO BE VOTED ON AT AN ELECTION TO BE HELD ON NOVEMBER 8, 1960.

HOUSE JOINT RESOLUTION NO. 33 proposing an amendment to Section 24 of Article III of the Constitution of the State of Texas allowing an annual salary of not to exceed Four Thousand, Eight Hundred Dollars (\$4,800) per year and a per diem allowance of not to exceed Twelve Dollars (\$12) per day for the first one hundred and twenty (120) days only of each Regular Session and for thirty (30) days of each Special Session of the Legislature. No Regular Session shall be of longer duration than one hundred and forty (140) days.

BE IT RESOLVED BY THE LEGISLATURE OF THE STATE OF TEXAS:

Section 1. That Section 24 of Article III of the Constitution of the State of Texas be amended so as hereafter to read as follows:

"Section 24. Members of the Legislature shall receive from the Public Treasury an annual salary of not exceeding Four Thousand, Eight Hundred Dollars (\$4,800) per year and a per diem of not exceeding Twelve Dollars (\$12) per day for the first one hundred and twenty (120) days only of each Regular Session and for thirty (30) days of each Special Session of the Legislature. No Regular Session shall be of longer duration than one hundred and forty (140) days.

"In addition to the new term the Members of each House shall be entitled to mileage in going to and returning from the place of session, which mileage shall not exceed twenty dollars (\$20) per year."

"AGAINST THE CONSTITUTIONAL AMENDMENT ALLOWING AN ANNUAL SALARY OF NOT TO EXCEED FOUR THOUSAND, EIGHT HUNDRED DOLLARS (\$4,800) PER YEAR AND A PER DIEM OF NOT EXCEEDING TWELVE DOLLARS (\$12) PER DAY FOR THE FIRST ONE HUNDRED AND TWENTY (120) DAYS ONLY OF EACH REGULAR SESSION AND FOR THIRTY (30) DAYS ONLY OF EACH SPECIAL SESSION OF THE LEGISLATURE."

Section 2. The Governor of Texas shall issue the necessary proclamation for the said election and have the same published as required by the Constitution and laws of this State.

## Pimientos Flavor Luncheon Casserole

By Betty Barclay

Tasty food served attractively is the goal of every hostess. Flavor-mates like spicy pimientos, fluffy rice, and hard-cooked eggs not only provide delicious taste contrast, but their colors make a pretty presentation in the Pimiento-Rice-Egg casserole. Served up in a pretty oven-proof casserole, this easy luncheon dish is certain to do any hostess proud.

- Pimiento-Rice-Egg Casserole
- 1 can or jar (4 oz.) whole pimientos
- 4 or 5 hard cooked eggs
- 1 1/2 cups uncooked white rice
- 1 cup chicken consommé
- 2 cups cold water
- 1 teaspoon butter or margarine
- 1 teaspoon salt
- 3/4 teaspoon celery salt
- Parsley

Put the water, rice, seasonings, and butter into a heavy saucepan and bring to a boil quickly. Reduce heat to simmer, cover pan tightly, and cook rice for 15 minutes; then uncover and let steam evaporate. Slice two or three eggs and cut the pimientos into large pieces. Spread half the rice in bottom of a 2-quart oven-proof casserole, topping first with a layer of sliced eggs and next with a layer of pimiento pieces. Add another layer of rice and nestle the rest of the eggs and cut the pimientos into large pieces. Pour the chicken consommé over this and heat bubbly hot in a 350 degree oven for 15 to 20 minutes. Garnish casserole with sprigs of parsley. 4 to 5 servings.

**Mrs. Patton Is Honoree At Bridal Shower**

The pretty home of Mrs. Glenn McWilliams was the scene for a miscellaneous bridal shower given from 7:30 to 9:00 p.m. Saturday, July 30, honoring Mrs. J. E. Patton, nee Mary Jane West, a recent bride. The bride's chosen colors of pink and white were used in bouquets of garden cut flowers throughout the receiving rooms and in serving table decor.

Mrs. McWilliams greeted the guests and presented them to Mary Jane, her mother, Mrs. J. L. West, and to Mrs. James Patton, mother of the groom. Miss Gay Lynn Calloway registered the guests. Misses Shirley Fitzgerald and Paula Reid served refreshments. Other hostesses alternated in the hospitalities of the home.

The bride's table was laid with a white, handmade drawnwork cloth over pink. The table was centered with a mirror on which stood a handmade and dressed ceramic bride and groom in the midst of artistically-wrapped miniature gifts. Greenery formed a background for the beautiful arrangement.

White iced cake squares with pink flower decoration, punch, nuts and mints were served with silver and crystal appointments.

Mrs. Patton received many useful and pretty gifts for their new home. Many sent gifts who were unable to attend.

**A REFRESHING FRUIT DESSERT**

For a quick and refreshing dessert, spoon partially-thawed frozen raspberries over juicy, golden canned cling peach slices. Serve the fruit in a sherbet glass with a topping of lightly-sweetened sour cream.

People count up the faults of those who keep them waiting.

**Easy and Excellent**

By Betty Barclay

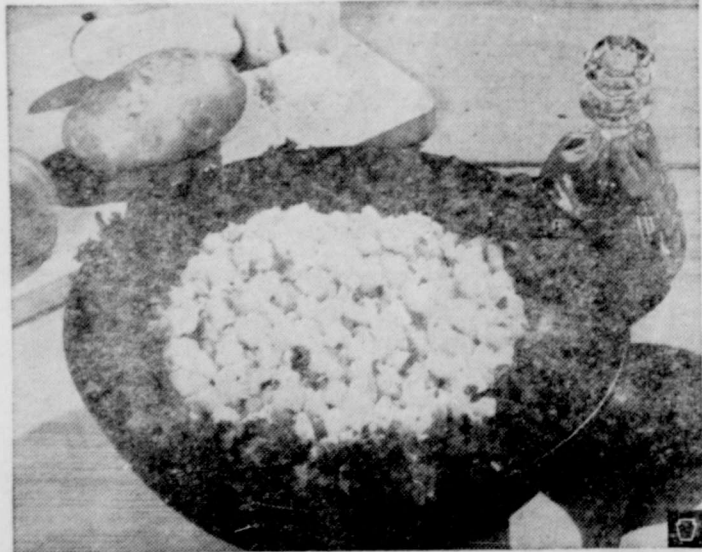

HERE'S a chocolate sauce so easy and quick—and so delicious—it should be in every woman's bag of kitchen tricks.

**Chocolate Sauce**  
1 package (8 squares) semi-sweet chocolate, cut in pieces; 1/2 cup hot water; 1/4 cup sugar; dash of salt; 1 tablespoon butter or margarine.

Combine chocolate, water, sugar, and salt in top of double boiler. Place over hot water and stir constantly until smooth and blended. Remove from heat. Add butter and blend. Serve hot or cold. Makes 1 cup sauce.

Note: When hot, this sauce is excellent for ice cream.

**Washington White Rose Potatoes Are Ideal For Summer Salads**

Are you looking for a potato salad that is new and different? Try this recipe with a spicy, tarragon vinegar and Romano cheese dressing. It will add variety to picnics and patio meals. Be sure to choose Washington State White Rose potatoes, grown in the green valleys of Washington State, where the soil is rich in minerals. Their texture and flavor are ideal for salads and they hold moisture and shape after cooking, qualities so essential to a good potato salad. According to home economists for the Washington State potato growers, the method of cooking is also important. Because Washington White Rose are so clean and fresh, they are easy to cook. Rinse under the faucet, cook with jackets on for easy peeling, then cool with a cover on the pan after draining off the liquid. To save time when using this recipe, you may stir the dressing into the peeled, diced potatoes while they are still warm.

**WESTERN POTATO SALAD**

- 4 medium Washington State White Rose potatoes
- 1 can consommé
- 1 clove garlic
- 3 tablespoons vegetable oil
- 3 tablespoons tarragon vinegar
- 1/3 cup grated Romano cheese
- 1 small onion, chopped
- few sprigs parsley, chopped
- 1 teaspoon salt
- 1/4 teaspoon pepper
- greens for garnish

Cook Washington White Rose potatoes in consommé and garlic until tender. Drain off liquid and garlic; cool potatoes. Mix remaining ingredients to make salad dressing. Peel and dice potatoes. Place in bowl and pour over dressing. Stir gently until potatoes are coated with dressing. Chill for several hours or overnight. Place in serving dish and garnish with salad greens or parsley. Serves four.

**HAHN-GREUBEL VOWS RECITED IN PHOENIX**

MRS. COLLIN HAHN

Decorations of white gladiolas formed the background for the wedding of Miss Natalie Greuble, daughter of Mr. and Mrs. E. W. Greubel, and Collin Hahn, son of Mr. and Mrs. Roy Hahn, all of Loveland, Saturday, July 9, in Phoenix, Arizona at the First Methodist Church.

**Mrs. Garvin Honored With Miscellaneous Shower**

A bridal shower honoring Mrs. Kenneth Garvin, nee Miss Louise Corgill, was held in the home of Mrs. Seymour Brannon on Saturday, July 16, from 3:30 to 5:00 p.m. Mrs. Brannon greeted the guests and presented them to Louise, her sister, Sue Corgill, and to Mrs. L. B. Garvin, Sr., mother of the groom.

The refreshment table was laid with a lace cloth over pink, carrying out the bride's chosen colors of pink and white.

Various hostesses assisted in the hospitalities of the home.

The hostesses were Mmes. Kate Turner, Jaye Turner, Bill Verden, Glenn Jones, James Ross Alexander, Lem Weaver, Ronald Dale Kitchens, Leona Brooks, Barney Stephens, and Seymour Brannon. Louise was the recipient of many pretty and useful gifts. Twenty-one guests were registered and many sent gifts who were unable to attend.

Mr. and Mrs. Howard Autry and children, of Odessa, visited his parents, Mr. and Mrs. W. E. Autry Sr., from Tuesday through Friday of last week.

**Bridal Shower Honors Mrs. Tommy Strange**

Mrs. Tommy Strange, the former Oma Lee Parrish, was honored with a miscellaneous shower on Saturday, July 23, 1960, from 9:00 to 11:00 a.m. in the pretty farm home of Mrs. Albert Mallow.

Mrs. Mallow greeted the guests and presented them to the honoree, Mrs. Strange, and to Mrs. Bryan Strange, mother of the groom. Mrs. Norvell Breedlove presided at the registry, securing names for the bride's book. Other hostesses assisted in the hospitalities of the home.

The bride's chosen colors of blue and white were carried out in the refreshment table decor and in cut flowers throughout the home. The serving table was laid with a blue and white floor length net cloth, centered with a beautiful arrangement of blue and white styrofoam, net, white roses and a miniature bride and groom.

Date and banana bread, coffee and orange juice were served.

Oma Lee received many nice gifts for her home, which is in Tulia.

**One Out of Every Four is Employed**

One out of every four homemakers in the United States is now employed outside the home. Recent surveys indicate that employed wives serve their families meals which are as nutritionally well balanced as their housewife neighbors.

Mrs. Steve Huseman has recently undergone surgery in the Plainview hospital; she was expected to return to her home on the J. H. Burson ranch early this week.

**Handle Ground Beef Lightly**

Handle ground beef as lightly as you would French pastry to retain all the juicy tenderness of the beef. Add a little water, milk or tomato juice to hamburger patties for extra juiciness, and turn only once while cooking.

**How to Make Garlic Bread**

Cut rolls or French bread into thick diagonal slices, cutting through almost to the bottom crust. Brush outside of bread and inside cut surfaces with Italian corn oil dressing. Put bread in a paper bag or wrap in foil. For really crisp brown crust leave top of foil turned back.

Bake in a moderate oven (375 F) 15 to 20 minutes, or until bread is hot and crisp.

**Night Circle Meets In Bomar Home**

The Night Circle of the First Baptist Church met in their regular monthly meeting at 7:00 p.m. in the home of Mrs. Ray C. Bomar. Members came dressed in their housecoats and enjoyed a "hobo" supper tied in red and blue bandanas and eaten on the back lawn.

A very interesting program was given on Japan.

Members present were Jewel Lyon, Lillian Patton, Lillian Lindsey, Zollie Brown, Lottie Clemmer and Winnie Wimberly.

J. H. Denton, 73, stepfather to Mrs. Obra Watson, underwent surgery in West Texas Hospital in Lubbock on Friday of last week.

Some blondes never fade—they just dye away.

**Miss Hamilton Marries in Church Ceremony**

Mrs. Bobby Eugene Rainer

In a beautiful setting in the First Baptist Church Miss Noma Lou Hamilton recently became the bride of Bobby Eugene Rainer. She is the daughter of Mr. and Mrs. Norman Hamilton and his parents are Mr. and Mrs. A. C. Rainer of Abilene. Miss Hamilton is the granddaughter of Mrs. Clara Hamilton of Quitaque and is a former resident of this area.

The Rev. C. Chalon Meadows officiated at an altar decorated with two baskets of white gladiolas and wide leaved comador fern flanked by seven branched candelabra. A large sunburst of comador fern was in the background. Large bows of white satin ribbon and maline completed the altar decorations.

The bride, given in marriage by her father, wore a gown of pure silk organza designed with portrait neckline outlined by appliques of re-embroidered alcon lace extending over the shoulders to form very brief sleeves. A crushed cummerbund highlighted the flowed into a chapel train. She wore a pearl necklace, gift of the bridegroom. A crown of pearlized orange blossoms held the fingertip veil of silk illusion.

Her bouquet was Frenched carnations over the edge of her white Bible in a shower of nylon tulle and satin ribbon.

Bridesmaids were Mrs. John Humphreys of Cactus, Texas; Miss Willo McCoy and Miss Rosalynn Aurbach of Carlsbad. Matron of honor was Mrs. Lamar Bridges of Odessa, Texas. They all wore identical dresses of blue cotton silk organza over taffeta. The fitted bodices were enhanced with bateau necklines, and bouffant skirts with crushed cummerbunds. They carried white colonial bouquets of white carnations. Plumosus fern and tufts of white maline accented the bouquets adding a staccato note to the blue dresses. Their headpieces were of the same material as their dresses, and were wide flat bows with circlets of tulle attached.

Traditional wedding music was furnished. Approximately 350 persons attended the reception which followed the wedding in the Fellowship Hall. A basket of gladiolas was at each end of the receiving line. The bride's bouquet graced the registration table which was covered with a blue net cloth. Centering the table was a round mirror surrounded by greenery and small white daisies reflected the complete wedding party in ceramics. The figurines were made by the bride's cousin, Mrs. Clayton Hicks, of Albuquerque.

The three tiered wedding cake was topped with a miniature bride and groom, with inscription from Matthew 19:6 at the base.

The bride has her B. A. Degree from Hardin-Simmons University in Abilene, where she was named best supporting actress in 1958; Miss Speech and Drama in 1959. She was a member of Alpha Psi Omega; Sigma Tau Delta, Speech and Drama Club, Player's Club, New Mexico Club and Life Service Band.

The bridegroom is attending Hardin-Simmons and will graduate in August with a major in business. At H-SU he was named best supporting actor in 1959; best actor in 1960. He won best technical award; was a member of the Cowboy Band; Alpha Psi Omega, Theta Lambda chapter of Phi Mu Alpha; University Business Association and Player's Club.

Following a wedding trip to Abilene the couple will be at home in Floydada. The bride is a former teacher at Pate School. Far traveling the bride chose an off-white cotton lace two-piece suit with three-quarter length sleeves. Her accessories were white, and she wore a blue corsage.

**BETTY LU BALLARD IS BRIDE OF GEORGE HOWARD FLOWERS, III**

MRS. GEORGE FLOWERS III

Miss Betty Lu Ballard and George Howard Flowers III were married July 2, 1960, at the First Presbyterian Church in Mission, Texas. The Rev. William H. Arnold of McAllen solemnized the double ring ceremony.

The bride is the daughter of Mr. and Mrs. Charles Virgil Ballard of Mission and the bridegroom is the son of Mr. and Mrs. George Howard Flowers, Jr. of Covington, Tennessee.

A large arrangement of flowers on the altar was flanked by candelabra. Mrs. Leona Firebaugh, the organist played traditional wedding music and accompanied Roscoe Watkins when he sang "Wedding Ring", "Through the Years" and "The Lord's Prayer." The bride was given in marriage by her father. She wore a floor length gown of moussaline de soie with an overskirt of satin re-embroidered with white silk and silver threads. The fitted bodice featured a portrait neckline appliqued with lace, similar applique being used on the long, fitted sleeves. She wore a Juliet cap with re-embroidered lace, which held the veil of French silk illusion. The wedding gown was worn

by her sister, Mrs. Sheldon W. Dow, when she was married in 1957. She carried three orchids on an heirloom Bible. The traditional "something old" was the Bible, carried by her great, great uncle, Fred Greer, through the Civil War. She "borrowed" an old handkerchief from her mother and she wore a blue lace garter. Her satin slippers were "new."

Mrs. Dow, of Lacona, N. H., served her sister as the matron of honor. The Misses Barbara and Jennie Lee Flowers of Covington, Tennessee, sisters of the bridegroom, Miss Dorothy Duderstadt of Corpus Christi, and Miss Sue Mast of Midland, cousin of the bride, were bridesmaids.

The attendants wore identical costumes of yellow and white Irish linen. The sheath dresses had yellow linen skirts and white portrait necklines and short sleeves. They wore hatlets of garlands of daisies and each carried a noegay of daisies. Their slippers and gloves were yellow.

The father of the bridegroom served him as best man. Groomsmen were Robert A. Blank of Pittsburgh, Penn., Billy Trowham of Covington, Tenn., Sheldon W. Dow of Lacona, N. H., and Billy Farley of McAllen. The ushers were Bill Harris of Covington, Tenn., and Edward Zey of Mission.

For her daughter's wedding Mrs. Ballard chose a Dior blue pure silk faille Empire sheath, the neckline appliqued with Alencon lace, and matching blue accessories. The mother of the bridegroom wore a melon colored pure silk chiffon gown with softly draped bodice, the sheath skirt with drape of chiffon and matching blue accessories.

The reception which followed the ceremony was at the Cactus Tea Room. The bride's table was covered with a Normandy lace cloth made by her great aunt who was a member of the reception house-party. The table was centered with an arrangement of white daisies and the tiered wedding cake was decorated with candy daisies. After the reception for a wedding trip to Las Vegas, Nev. For traveling, the bride chose a beige silk and linen suit dress with matching hat of silk chiffon. Her accessories were bone.

They will make their home in McAllen. The bride is a graduate of the University of Texas, where she was a member of Gamma Phi Beta. The bridegroom graduated from Bowling Green College in Kentucky and the University of Tennessee. He is a member of Alpha Tau Omega.

Mr. and Mrs. George Owens and Betty, of Quitaque, were among out-of-town guests. Gretchen was the recipient of many useful and pretty gifts with which to begin housekeeping.

Mrs. R. T. Kirby, of Whitesboro, came Saturday to stay a while with Mrs. U. D. Brown while Mr. Brown is in the VA Hospital in Amarillo.

By **RUDY EVINS**

Wood beds and rock piles are some very likely places you'll catch those lunkers but many a time you'll have trouble with weeds and snags if you're not using a weedless rig.

It sometimes happens that your favorite deep-running lure doesn't come equipped with a weedless rig. If this is the case take your eyes away from the television set for a minute and do a bit of rigging yourself.

Actually, there isn't much to do to make a weedless lure from your favorite artificial bait. Just connect a rubber band to the eye of the hook and slip the other end over the barb. If you have a double hook just slip the rubber band through the eye and slip the ends of the rubber band to the barb of their respective hooks. It won't keep the fish from being hooked because when they strike the rubber band slips from the barb.

One thing you have to remember about hooks, says the Evinrude Boating Foundation. There is no single hook that suits all situations. Hooks come in different sizes and shapes. Hooks with long shanks are usually used for tying streamers and other artificial bait or for live bait when fishing walleye or northern. Short-shanked hooks are used for panfish and certain short-bodied flies.

What type of hook a fisherman uses is a matter of preference. Some anglers feel that an offset hook—one with the point bent out of a flat plane, hooks fish best. Others contend that the flat bend—one with the whole hook in one plane, is the best.

The shape of the hook, the size of the wire, and the type of barb to use is a matter for debate among all fishermen. Whatever hook you prefer be sure that it will hold up under the stress and strain of the fish for which it is intended and that it is secured to your line properly.

Happy boating... and fishing, too.

American teams of about a half dozen magazines.

**Cards, Cards, Cards!**  
Cards! Cards! And more cards! Mother's Day! Father's Day! Graduation! Get Well, and dozens of other kinds!

These are all important and serve a good and useful purpose according to Hai Geldon, Manager of the Amarillo Social Security Office. But there is another card that is more important and this is a person's social security card.

Geldon stated the number on the social security card is the key to social security payments to the worker and his family. Consequently it is important that the worker show his card to his employer at the time he goes to work. It is equally important that the employer copy the number correctly for his payroll records so that the social security reports he makes can be credited to the worker's individual account.

The amount of the social security payment is to be made to the worker and his family is based on the earnings that have been properly credited to his social security account. Geldon advised that an application for a card can be obtained from the local post office, if needed.

Mrs. Bill Sims, Dora and Sandy, recently visited in the home of Mr. and Mrs. Ashel McDaniel and family. The Sims are from Phoenix, Arizona.

**Tech Announces 1960 Grid Schedule**  
Lubbock, Aug. 1—If there's a home stadium advantage in football, Texas Tech's Red Raiders could spoil the Southwest Conference chances of two teams prominently mentioned for 1960 laurels.

Baylor University, the dark-horse choice of many, will be played in expanded Jones Stadium Oct. 15, and defending champion Arkansas will be met here Nov. 19. A third Southwest Conference member, Southern Methodist, is slated for the Red Raiders' homecoming Oct. 22.

Rounding out a home card of six games are West Texas State Sept. 17, Tulane Nov. 5, and Wyoming Nov. 12. West Texas State and Baylor are the only night games at home.

On the road the Raiders play Texas A&M, Texas, Texas Christian, and Rice.

Coach DeWitt Weaver's Red Raiders will be making their Southwest Conference football debut, a goal set back in 1927.

For the first time in history, Texas Tech will have a major All-American first team selection in the person of center E. J. Holub. The choice of the Football Writers Association and NEA Service last year, Holub, 6-4, 215, has been picked on the pre-season All-

The above figures are interesting if you will just study them for a minute. You will not have to wonder why all the big companies depend upon newspaper advertising for their success.

This reminds me of a joke I read the other day: "A man went broke in business said: 'I blame it all on advertising.' His friend said: 'What do you mean — you never did much advertising?'" "I know!" was the answer, "But my competitor did."

**Good Housekeeping On the Farm**

House cleaning for livestock by the stockmen can be profitable activity. A clean up can head off expensive losses. Wire ends, nails broken bottles, paint and insecticide cans or other containers, old batteries are all hazards for livestock as well as their owners. Good housekeeping on the farm is just as important as it is in the home.

**ATTENDED HOMECOMING**

Joe H. Smith and three sons, Joe, Jr. of Hereford, Vinson of Silvertown and J. B. of Lubbock, went to Ringgold Friday to attend Homecoming. Joe, Sr. saw old schoolmates he had not seen in 60 years and all enjoyed a good visit.

They traveled into Oklahoma, where Joe, Sr.'s father died 67 years ago on August 1, and returned home Saturday evening.

**CHILDREN NEED PROTEIN DAILY**

Children need as much protein during the summer vacation months as during school days, mothers are reminded. Active bodies grow EVERY day, and beef is one of our best sources of essential protein.

**Serve a Variety of Meats**

Restaurant chefs have made national reputations for their Kidney en Brochette, Broiled Sweetbreads, and Tripe a la Creole. These meats are as rich nutritionally as standard cuts of beef, and some of them are very fine sources of vitamins and minerals.

Mrs. H. P. Howard and Mrs. Floyd Williams and Annette spent from Thursday until Saturday in Lubbock with Mr. and Mrs. R. L. Bigham and Rickey. Martina Williams, who had spent the week there with her aunt and family, returned home with her mother.

Jamie and Alicia Watson of Springlake, are spending the week with their cousins, Brenda and Ginger Martin.

Mr. and Mrs. D. T. Northcutt left on Friday of last week for Torrington, Wyoming, for a visit with their daughter and family, Mr. and Mrs. Dave Kellam. They returned home Lou Kellam who has been here with her grandparents for sometime.

Rev. and Mrs. Travis McMinn and children of Wichita Falls, and Mr. and Mrs. Melvin Watkins and daughters, of Amarillo, spent considerable time here and in Plainview with relatives when their grandfather, Ed Vaughan, underwent surgery in a Plainview hospital recently.

Wouldn't it be wonderful to find some way of keeping politics out of politics?

**THE Beatitudes of Many People**

Happy are the "pushers"; for they get on in the world. Happy are the "hard-boiled"; for they never let life hurt them. Happy are those who "complain"; for they get their own way. Happy are the "slave-drivers"; for they get results. Happy are the knowledgeable men of the world; for they know their way around. Happy are the "trouble-makers"; for they make people take notice of them.

Ivor McClendon, who has been a patient in the Tulia Hospital for some time, was moved to Lubbock on Thursday of last week where he is still in a serious condition.

K. M. Fleming and Shellie Tomlin have been spending considerable time in Byers, where they are building a cotton gin.

Mrs. R. C. Green spent Thursday of last week with her parents, Mr. and Mrs. Will Smith.

Mr. and Mrs. Carol D. Davis and Alex of Hart, spent Sunday with her parents, Mr. and Mrs. Milton Dudley and Connie.

Mrs. Norland Dudley and daughters of Hart, are visiting Mr. and Mrs. Milton Dudley and Connie and Mr. and Mrs. Charlie Holt for a few days.

**IT PAYS TO ADVERTISE**

The Texarkana Gazette has run full page ads the past two weeks just to get the following information over to its readers:

When you add up the money advertisers spent in 1959 for:—

ALL their television commercials	\$1,525,500.00
ALL their magazine ads	866,200.00
ALL their radio commercials	638,000.00
ALL their outdoor-billboards	193,200.00
<b>TOTAL</b>	<b>\$3,222,900.00</b>
and you compare the total with the amount they invested in Daily Newspapers alone	\$3,517,900.00

You'll understand just how much advertisers RELY on newspapers.

The best way to know a man, reflects the Arcadia (Wis.) News-Leader, is to play a game or attend a convention with him.

**Control Ants With Insecticides**

Ants can be a real household nuisance but applications of the right insecticides will bring them under control in a hurry. Entomologists of the Texas Agricultural Extension Service say that chlordane or dieldrin, sold in many stores as roach and ant sprays, are very effective against ants.

The entomologists point out that several species of ants can become pests in the home. Some may nest in the house, but most build their nests outside and find their way inside through openings. Once they find a food supply they set up a regular route between the food and their nest.

The most common species found in Texas are the Pharaoh, thief, black crazy, fire and Argentine ants. They range in size from the tiny Pharaohs to the much larger fire ants. They feed on any kind of food material in the home including sweets and greasy foods. The thief ant prefers greasy food.

For inside the home application, the entomologists recommend a two or three percent chlordane or a five-tenths (.5) percent dieldrin household spray. Special attention should be given to drainboards, window sills, door openings and pantry shelves.

For outdoor applications, the entomologists recommend a ten percent chlordane, 2 percent dieldrin or 5 percent heptachlor dust. If an emulsion spray is used, they strongly urge that label directions be followed. They suggest that a band of insecticidal dust or spray be applied around the foundation wall and that all ant nests in the yard be treated.

They point out that repeated application of the insecticides may be needed to give complete control of ants. They suggest that a copy of L-311, "Texas Guide for Controlling Household Insects" may be obtained from our local county extension agent. The Guide lists control measures for the more commonly found household insects including those attacking fabrics, foods, structures and humans.

**New Cavern Open For Viewing**

A fabulous new cavern in Sonora, Texas, called one of the world's most beautiful and fantastic, was opened for public viewing July 16. Official dedication opening of the Caverns of Sonora has been set for Saturday, July 16, with a weekend of celebrations planned for official dignitaries, members of the press and cave enthusiasts.

The cavern is located 15 miles west of the West Texas town which is on two major transcontinental highways, and is the largest cavern in Texas open to the public.

Holding a constant temperature of 70 degrees, the cavern is described by speleologists as having beauty and color in profusion, a variety not known to exist anywhere else in the world. Not given some of the cavern's spectacles by their discoverers include the sights to be seen: Devil's Light, Antler Room, War Room, Halo Lake, the Diamond Room.

No other cave has helictite, the perfect "butterfly" formation, giant four-inch calcite crystals, perfect crystalline faces, soda "soda-straws" (3/16 inch in diameter) with paper-thin walls constantly dripping water. Formations of fluorescent and phosphorescent and are still growing since this a "live" cavern.

A full 90-minute tour will be conducted this year by developer Jim Pappadakis and Jack Burch who plan to supplement this with a "ternate" "long" tour in 1961. Smooth trails in the cool, quiet atmosphere of the cavern offer easy viewing of one of nature's greatest masterpieces.

Mrs. L. C. Yates and Mrs. E. Newman were in Tulia Wednesday of last week. They visited Mrs. L. McWilliams, Sr., and Ivor McClendon, patients in the Swiss County hospital.

**Control Ants With Insecticides**

Ants can be a real household nuisance but applications of the right insecticides will bring them under control in a hurry. Entomologists of the Texas Agricultural Extension Service say that chlordane or dieldrin, sold in many stores as roach and ant sprays, are very effective against ants.

The entomologists point out that several species of ants can become pests in the home. Some may nest in the house, but most build their nests outside and find their way inside through openings. Once they find a food supply they set up a regular route between the food and their nest.

The most common species found in Texas are the Pharaoh, thief, black crazy, fire and Argentine ants. They range in size from the tiny Pharaohs to the much larger fire ants. They feed on any kind of food material in the home including sweets and greasy foods. The thief ant prefers greasy food.
