All Around the Town

by Mary Ann Sarchet

The John Birch Society, which has been a focus of national controversy, has been discussed to some extent here in Silvertown. Several students of the local high school have expressed a desire for more information concerning the society. The concern of the American people about the spread of communism, the tension of the cold war and political unrest create a situation.

What is disturbing about the organization is not that it exists, which it has every right to do. Extremist and even subversive organizations have arisen, flourished for a time and then died throughout the nation's history, and this one undoubtedly will have successors in the future. The good sense of the American people invariably has prevailed and consigned them to the oblivion they deserve.

What is most disturbing is that, at a time when freedom faces its greater challenge, a substantial number of people, including some who should be among the most enlightened and best informed, should be willing to repudiate the basic principles and values which support the American philosophy. It is not that the John Birch Society is a dangerous group but that it is a potentially dangerous one because it rejects freedom and either unwittingly or by design, serves the interests of an ideology which would destroy the very things that they really want to protect and preserve.

Many of those who support the society are confused. Whether because of fear, frustration, emotional lack of knowledge, unwillingness to think or deception is important. This confusion is manifested in their indiscriminate use of such terms as "democracy", "republicanism", "socialism" and "communism," apparently without any clear conception of what those terms in the light of today's thinking. Socialism is compared with Communism, but it would appear that to many "Socialism" is anything that government does. By logical extension, it could include all civilization, and the only ideal situation would be one in which each person lives alone on an island apart from all others," states a recent Houston Post editorial.

Democracy, which by definition means self-government by the people, and without which there can be no truly representative government, is rejected in favor of authoritarianism. It matters little whether the authoritarianism is of the left or the right. Both are hostile to and destructive of freedom. Basically, the reason that Communism is rejected by the American people is that it cannot tolerate or permit individual freedom. It is this value, rooted in our Christian tradition, that is the basis of our civilization and differentiates it from all others. To be meaningful and to survive, freedom must be shared by all, restrained only by the rights of others.

Individual freedom cannot exist without the right of dissent, and it is a right which must be extended to all. It follows that members of the John Birch Society have a right to disapprove of and to oppose, by lawful means and use of democratic procedures that have been provided for the people to exercise control over their government, anything they wish to propose or get changed. They have the same rights as other citizens to a free society to assemble, to organize, to petition and to exercise free speech. They have the right to advocate and to work for anything they wish. They have a right to demand the impeachment or removal from office of any public official they believe has acted illegally or unconstitutionally in the performance of his duties.

Appreciation Day Planned For Rev. and Mrs. Elrod

MRS. TUCKER BURIED AT CANYON

Funeral services for Mrs. Alie Virginia Tucker, 75, were conducted Friday in the Assembly of God Church in Canyon. The Rev. A. J. Pettit, pastor, officiated, assisted by the Rev. Strauss Atkinson, pastor of the First Baptist Church of Canyon.

Burial was in Dreamland Cemetery with services under the direction of Mrs. Tucker, a native of Stephenville, died Tuesday morning in Nebbett Hospital at Canyon. She had lived in Canyon since 1916, and was a member of the Canyon Assembly of God Church.

Survivors include three sons, four daughters, a brother, G. M. Landon of Van Horn, and a sister, Mrs. Mary Allard of Silvertown, 22 grandchildren and 12 great grandchildren. Mrs. W. Allard, Mr. and Mrs. C. O. Allard and Mr. and Mrs. Dean Allard, Silvertown, and Mr. and Mrs. Roy Allard of Brice, attended the funeral.

Gene Morris

MORRIS IS NEW LION BOSS

Election of officers was held by Silvertown Lions Club on April 6, 1961. Elected Boss Lion was Gene Morris, who will succeed Alvin Redin, who has served the club this past year.

Robert Ledbetter was elected to serve as first vice president, second vice president will be Kenneth Tate, and George Miller will

Rev. G. A. Elrod, pastor of the First Baptist Church of Silvertown, having spent forty years preaching and teaching the word of God, is retiring April 30, 1961. Sixteen of those years have been spent serving the Baptist Church and the community of Silvertown.

Some of the outstanding spiritual projects during the tenure of the pastor include the construction and support of two Baptist Missions, planning and construction of an Educational Building, additional Sunday School rooms, additional building space, and a new parsonage.

MISS BULLOCK DIES IN CLARENDON

Funeral services for Miss Emma L. Bullock, 65, resident of the Brice Community for 55 years, were held Monday in the First Baptist Church of Clarendon.

Officiating was the Rev. G. C. Applewhite, pastor of the Lockney Baptist Church, and the Rev. W. R. Lawrence, pastor of the First Baptist Church of Clarendon.

Miss Bullock died at 4 p.m. Saturday in Adair Hospital in Clarendon after suffering a stroke while shopping in Clarendon Friday morning.

She was born July 6, 1895, at Ardmore, Oklahoma, in Indian territory. She was a member of the First Baptist Church of Clarendon.

Survivors include two sisters, Mrs. Tricie Rhea and Mrs. Cleo Cothran, both of Tucumcari, New Mexico; five brothers, Earl Bullock of Brice, Walter, Charlie and Oscar Bullock of Amarillo, and Loyd Bullock of Vigo Park.

Burial was in Citizens Cemetery at Clarendon under the direction of Murphy Funeral Home of Clarendon.

Mr. and Mrs. Gail Bullock of Silvertown attended the funeral of his aunt.

CENTURY OF PROGRESS STUDY CLUB TO HONOR PRESIDENT

Century of Progress Study Club will honor their president, Mrs. George Long, with a luncheon on April 26, in the P.C.A. recreation room. The yearbook committee will serve as hostesses to this luncheon.

Others elected were Bill Baird, secretary-treasurer; Farris Martin, Lion Tamer; Glen Lindsey, Tail Twister; Hugh Nance and Bill Long, Directors.

Sorghum Indexes Computed

Post Office Littering Must End

Postmaster Grady Martin has brought to the attention of residents of Silvertown this week that considerable littering of the U. S. Post Office lobby has been occurring at night. Government bulletins and social security pamphlets have been scattered over the post office and out into the streets. It will be an inconvenience to postal patrons, but if this litter

County productivity indexes ranging from 885 to 4,267 pounds per acre have been established for grain sorghum on the High Plains under the new feed grain program.

The indexes, announced by Agricultural Stabilization and Conservation offices, were computed on the basis of average or normal yields for each county, officials say. Average Payment Rates They were established by the Agricultural Marketing Service and were relayed to the state ASC office at College Station to be used in computing rates for retired acreages in each county. Farmer County led this area with the highest productivity index of 4,267 pounds per acre. The lowest index was in Garza County, which was set at 885 pounds per acre.

BRISCOE COUNTY LAND JUDGING CONTEST HELD

The annual land judging contest in Briscoe County was held on Thursday, April 13, at Quitaque. This contest tests the ability of the boys to determine the correct soil unit class, correct land treatment, and other soil conservation practices on different types of soils.

Fifty boys from the Silvertown FFA, Quitaque FFA, and Briscoe County 4-H were entered in the contest.

Quitaque FFA won first place honors with a total of 856 points. Silvertown FFA was second with 722

points. The Briscoe County 4-H took third place with 665 points. Woodrow Bice, chairman of the Board of Supervisors of the Cap Rock Soil Conservation District, presented plaques to the winning teams and ribbons to the top ten high individuals as follows:

1st, Terry Woods, Quitaque FFA, 299; 2nd, Sammy Johnston, Quitaque FFA, 296; 3rd, Lee McDonald, Briscoe County 4-H, 270; 4th, Gary Edwards, Silvertown FFA, 267; 5th, Kenneth Vines, Quitaque FFA, 261; 6th, Phil Barefield, Quitaque FFA, 259; 7th, Dwin Davis, Silvertown FFA, 246; 8th, Carl Woods, Quitaque FFA, 239; 9th, Robin Harmon, Quitaque FFA, 240; 10th (tie) Gwinn Turner, Silvertown FFA, and Jack Johnston, Quitaque FFA, 239.

Red Cross Drive Is Extended

The Red Cross Drive has been extended, according to George Seaney, local chairman. The Briscoe County goal is \$1,120. About half of this has been raised. The county gets to keep half of the funds raised only if we exceed our goal.

Spray Pilot Escapes Injury In 2 Crashes

Boris Moore, of Bakersfield, California, employed by Clayton Spraying Service of Silvertown, has escaped injury in two separate airplane accidents which occurred within 72 hours. Sprayers have been waging an almost-constant war against the greenbug population which has threatened wheat crop prospects in the county.

The first crash occurred on the Oscar Weeks farm, just over the Swisher County line west of Silvertown, shortly after 10:00 a.m. last Friday. The accident took place after Moore attempted to fly under highline wires. Part of the airplane's tail section caught in the wires, causing the plane to nose into the wheat field.

Derron Thompson of Silvertown, who was flagging for the pilot, said he saw the plane catch the wires overhead. He immediately lay flat on the ground, and the hot wires flipped only inches over his head as they were dragged

past by the plane. Moore was examined at Muckleroy Clinic and was found to be suffering from no injuries. However, the plane suffered extensive damage to the nose, motor area, and to the tail section.

The second air accident occurred Monday morning on the Claude Allison farm, near the scene of the first crash. It was reported that the plane engine died in mid-air. Moore coasted the plane in for a landing and would apparently have been successful in his attempt to land had it not been for an irrigation ditch in his path. The plane struck the ditch and flipped over on its back. Again the pilot was uninjured but the body and wings of the plane were heavily damaged.

Bob Clayton, owner of the spraying service, says he is now in the process of securing another plane, and spraying operations will begin again in the next few days.

Mrs. Alvin Redin

LOCAL TEACHER AWARDED SCIENCE SCHOLARSHIP

Mrs. Alvin Redin, mathematics teacher in the local high school, has been awarded a scholarship by the National Science Foundation, which entitles her to six weeks' training in Texas Woman's University, Denton, Texas.

Mrs. Redin, a graduate of the local school, holds a BS and a Masters degree from WTSC, Canyon, and has been a teacher in the Silvertown School System for a number of years. She began her teaching career in the Rock Creek Community before coming to Silvertown as a teacher.

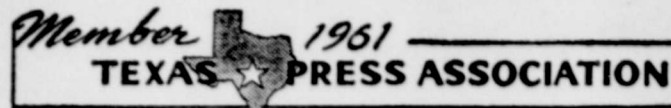

FIRST DOWN — This plane was the first of two downed in our immediate area during the past week. The pilot, Boris Moore, flying for Clayton Spraying Service of Silvertown, escaped without injury. He rode the plane to a stop, shut off the fuel to avoid a fire, and was out of the plane before the nearest witnesses could reach him. —Briscoe County News Photo

ties. But, as members of a free society, they also have an obligation to act with responsibility, with prudence and with full respect for the rights and views of others. The rules of a free society demand that they support their positions and their activities with facts rather than suspicion, unsupported belief or blind emotionalism.

There is no place in a free society for smear techniques, reckless and irresponsible accusations, misrepresentation or concealment through secret infiltration or use of misleading "fronts". These are, in fact, intolerable, because they are destructive of freedom.

The success which the John Birch Society has had in attracting followers is a manifestation of a deeper ill that has profound implications of a most serious nature. That is a deep distrust and lack of confidence in free government

and in democratic processes. Whether this is the product of prolonged indoctrination, instinctive reaction to governmental controls or oversimplified political sloganeering can be a subject for speculation. But the society and other organizations like it, far from curing the ailment, aggravate, promote and foster it.

Most of the rank and file members of the John Birch Society undoubtedly are good people who believe the things the organizer of the society has told them and who have been disturbed thereby. But when a number of people become badly frightened, frustrated and disturbed, there are always those who are quick to sense the possibilities for the exploitation and to make the most of it.

They will use the fears of these people as a foundation on which to build power for themselves, and their offerings will be tendered in wrappings designed to mislead, confuse and entrap.

SILVERTON TO HOST NAZARETH BALL CLUB HERE SUNDAY

- Saturday, July 29, All-Star game at Amherst, 8:00 p.m.
- Thursday, August 3, Amherst at Silverton, 8:00 p.m.
- Sunday, August 6, Silverton at Umbarger, 2:30 p.m.
- Thursday, August 10, Silverton at Amherst, 8:00 p.m.
- Sunday, August 13, Hart at Silverton, 2:30 p.m.

Mrs. Watson Douglas returned home from a Plainview Hospital on Monday after having been a patient there since Wednesday of last week. She is thought to be improving.

Mr. and Mrs. Kenneth Tate, Mike Gaylia and Terry visited Mr. Tate's parents, Mr. and Mrs. D. D. Tate, at Sandhill Sunday afternoon.

Sheriff Johnnie Lanham transacted business down state over a long week end; his daughters, Celene and Sue, accompanied him as far as Austin where they had a close look at the State Capital and at the State University.

Mart Lea, of Roswell, New Mexico, flew over Sunday and enjoyed lunch with his mother-in-law, Mrs. J. B. Lanham. He reported all the Roswell relatives as being ok.

E. Posey returned home early last week from Uvalde and has not heard from his father there since which indicates that he is doing as well as usual.

GASOLINE FARMERS UNION TO MEET MONDAY NIGHT

March of Time Study Club Meets

"Your Own Schiaparelli in Picture Frame," modeling of original hat creations was featured at the regular meeting of the March of Time Study Club held on Thursday, April 6, in the clubroom. Mrs. Troy Burson told of the "Origin of Hats" after which each member modeled the hat which she designed and constructed. Mrs. Alvie Mayfield's hat was judged the best and she was presented the prize.

A short business meeting was conducted, at which time Mrs. Alvie Mayfield, president, reported on the district meeting held in Lamesa recently.

The Lord's Prayer was repeated by the members led by Mrs. D. T. Northcutt. Plans were made for club members to visit the museum at Texas Tech college on April 20.

Those present were Mrs. Ben Whitfill, Mrs. Marvin Montague, Mrs. True Burson, Mrs. Rex Dickerson, Mrs. Clarence Anderson, Mrs. D. T. Northcutt, Mrs. Alvie Mayfield, Mrs. G. W. Lee, Mrs. Troy Burson, Mrs. Fred Mercer, Mrs. R. L. Hill, Mrs. Roy Mayfield, Mrs. J. V. Self, Mrs. T. T. Crass, Mrs. W. E. Schott, Jr., Mrs. Tony Burson, Mrs. J. S. Hinds, Mrs. J. W. Lyon, Jr., and Miss Anna Lee Anderson.

Mrs. Carver Monroe spent Tuesday in Canyon visiting her daughters, Marsha Monroe and Mr. and Mrs. Robert Haley Hill.

Mr. and Mrs. R. E. Stephens spent a recent weekend in Mangum and Erick, Oklahoma, visiting her sisters, who are ill.

Mr. and Mrs. Elbert Dickerson, Mrs. Winston Hamilton and Mrs. Bryant Eddleman attended the funeral of R. L. Knox in Lockney on Friday of last week. They were formerly neighbors in the Lone

The sponsor of our school paper feels that there is too much wrangling going on between members of the paper's staff and has asked that it be stopped. She doesn't feel that the subject of juvenile delinquency can be settled by any teenager. Since I agree with her and we are both firm believers in the scripture given in Matthew 7:1, which says, "Judge not, that ye be not judged," I am going to write on the subject of "Thinking."

We have a choice in our daily lives of two ways of approaching the days as they come. We can be a positive thinker or a negative thinker. As you all know, there are plenty of people who just speak or write without thinking at all. A person who takes a positive approach to life might be called an optimist. He is a person who looks on the bright side of things. He looks for the good in other people, in situations, and he is continually looking for ways to do a good deed or say a kind word for other people.

On the other hand, we have the person who adopts a negative attitude toward life happenings. He might be called a pessimist. Webster defines a pessimist as a person who has a gloomy outlook on life or an inclination to put the least favorable interpretation on actions and happenings. He is always ready to criticize everything and everyone but himself.

What are you, a positive thinker with a cheerful smile and a kind word for everyone or are you a gloomy Gus who takes a negative thought about everything?

Junior And Chapter

H'making Degrees

by Becky Thomas

The Junior and Chapter Homemaking Degrees are the first two degrees that a girl can receive in homemaking. The two things which signify these degrees are the Key for the Junior Degree and the Scroll for the Chapter Degree.

The ones who are working on their Junior Degrees are: Raye Garrison, Gloria Wallace, Sharon Weaver, Jerry Sue Sweek, Sue Neeley, Shirley Myers, Mary Beth McWilliams, Mary Monroe, Sheryl May, Linda Harvell, Susie Hill, Sandy House, Sandra Kitchens, Hellen Lewis, Jealeta Eddleman, Evelyn Gamble, Jerry Lynn Garrison, and Becky Thomas. All of these girls are enrolled in Homemaking I at Silverton High School.

Robbie Sue McJimsey, Sue Lanham, Peggy Mercer, Carolyn Garrison, and Lou Brannon are working on their Chapter Degrees.

These girls are enrolled in Homemaking II and III at Silverton High School.

As everyone has to have qualifications to do a job in life, so do the Homemaking girls have qualifications they have to meet in obtaining their degrees. The qualifications for Junior and Chapter Degrees are quite similar, although the Chapter qualifications are more difficult. Here are the basic qualifications for Junior Degree achievement:

- (1) Getting a Better Understanding of the F.H.A. Organization.
- (2) Growing as an Individual, a Member of a Home, a Member of a Chapter, and a Member of a School and Community.
- (3) Indicating the Purpose of the National F.H.A. Organization to Which the Work Done Toward this Degree (Junior Degree) has Contributed and Explaining How it has Contributed.

The main qualifications for achieving a Chapter Degree are as follows:

- (1) Interpreting the Homemaking Program, including F.H.A. through Helping Other People Have a Better Understanding of at Least Five of the Items Pertaining to the Organization.
- (2) Growing as an Individual, a Member of a Home, a Member of a Chapter, and a Member of a School and Community.
- (3) Indicating the Purpose of the National F.H.A. Organization to which the Work Toward this Degree (Chapter Degree) has Contributed.

There has been several girls through the past few years receive the Junior and Chapter Degrees. It looks as if there will be several girls receiving their Junior Degrees this year, however, there are only a few who are getting the Chapter Degree this year. We truly hope that during the next years to come there will be more and more obtained by S. H. S. Homemaking girls.

SILVERTON WINS SECOND IN LEAGUE COMPETITION

Friday, April 7, the District Interscholastic League Meet was held at Ralls. Several Silverton students competed in various divisions.

Silverton took the following places in the meet: Celene Lanham, first in shorthand; Darla Peugh, second in shorthand; Sheila

SILVERTON PLAYERS CHOSEN FOR ALL-DISTRICT TEAM

Silverton placed two boys on the 4-A All-District Basketball team. According to the list which was released last Wednesday, Larry West, who also received an honorable mention in the all-state team, led the field which included Joe Anderson. Dave Schott was placed on the second team, and John Burson received an honorable mention.

Silverton placed two guards, Brenda Cornett and LaJuen Curby, and one forward, Jimmy Nell Reynolds, on the girls All-District team. Reba Maples and Celene Lanham received honorable mention.

Both teams did well throughout the season. The girls won the District Championship and the boys were District Runnersup after having tied with Idalou for first place and losing the playoff game.

FHA WEEK

FUTURE HOMEMAKERS OF AMERICA in 10,000 chapters throughout the United States, Puerto Rico, and Virgin Islands designate the week of April 9-15 as a time to recognize the contributions FHA makes to personal, family, and community living.

Through their chapter and individual activities, the 500,000 members of this national organization for high school students studying homemaking work toward four objectives:

1. To develop potential abilities.
2. To develop a better understanding of family members and to contribute to their well-being.
3. To interpret the value of home economics as a basic part of total education.
4. To promote good will through getting to know neighbors at home and abroad.

FBLA ENJOYS SALAD SUPPER

On Tuesday night, April 11, the Future Business Leaders of America had its annual salad supper and party. There were thirty-two present. Besides the regular members, Mr. and Mrs. O. C. Rampley, Mr. and Mrs. J. S. Hinds, Miss Faye Bonifield, Mrs. Leona Miller, Mr. and Mrs. Charles Sarchet, honorary members, and Mr. and Mrs. George Miller, honorary members, were also present.

Every kind of salad from fruit to tuna was served those present, and everyone ate heartily, many returning for seconds. The salads were served buffet style.

After the meal, the group was entertained by Ronnie Hester, who sang and played his guitar, and a choral ensemble composed of Lou Brannon, Laquetta Chitty, LaJuen Curby, Larry Elms, David House, Becky Mallow, Sue McJimsey, Jay Towe and Ronnie Hester. They were accompanied by Dale Francis at the piano.

Later several games were played, and a "kangaroo court" was held in which charges were brought against several, including Mr. Rampley and Mrs. Miller.

The salad supper was described as the best ever held.

Jarnagin, first in typewriting; Gerald Smith, first in number sense; Robert Rhode, second in number sense; Robert Hughes, first in extemporaneous speaking; Robert Rhode, second in senior boys' declamation; Barbara Fisch, second in girls' poetry reading; Bill Schott and Joe Anderson, second in debate. Lester Grabbe and Jerry Williamson, second in spelling.

The results of the ready writing contest which Jerry Williamson entered have not been announced yet.

The students and faculty are proud of those who entered the events, of those who placed and of those who did not place. The school was well represented by all the students and was second in over-all points awarded.

The district track meet was held this last week in Lubbock. A report on that contest will be carried in next week's paper.

The Regional Meet will be held in Lubbock, Saturday, April 22. Best of luck to all students from our school who will be competing there.

PEEPIN' TOM

Sandi House and Sandra Kitchens seem to be doing their utmost to promote a romance between Sue Neeley and Van Breedlove. We wish them luck.

What man in high school is now referred to as "Mr. Crumb?"

We have heard that Mrs. Rampley misplaced her milk stole one day last week and never would have found it if she hadn't opened the closet in the Homemaking Room.

Someone said that Miss Bonifield waters the post office box when she doesn't get a letter from Wayne. Even if her tears aren't in vain, she had better stop before she rusts the door shut and can't get anything at all out.

We think that John Burson should own a beauty shop—he does such a good job on Robbie Sue's hair.

Last week it was said that the Sophomore girls always managed to get at the head of the lunch line even though they started out at the back. Well, Tom decided to survey the problem and see if they were the only hungry ones in high school. It seems that he saw a certain Senior sneak to the head of the line and he noticed a few Freshmen sneaking around, too.

Joe Kellum seems to have acquired a new nickname, "Barney." We wonder if this is a reference to the Barney of the "Andy Griffith Show."

Several interesting things were brought out into the open during the "kangaroo court" at the FBLA Salad Supper. Here are a few of them:

Mr. Rampley changes the wrong tire on his pickup while the other one goes flat.

Mrs. Miller really has thirteen children among whom are Wilma, Osgood, and Herman.

Celene Lanham has been taught the fundamentals of how to protect herself from a smooth-talking Frenchman.

Sue Lanham has been intruded upon.

Thought of the week: What if Truman Loyd didn't chew chewing gum?

ANNUAL COVERS ON SALE

The FHA Chapter is now selling strong, durable plastic covers for annuals. The price is only 30c. Buy now!

Covers may be purchased during Activity Period in the Annual Staff room.

HAPPY BIRTHDAY!

MEET THE SENIORS

David Tipton

David Tipton is a Senior who really bears acquaintance. The longer you know him, the more you appreciate him.

Going to school seems to be strictly business with David. He knows he needs a high school education and plans to get it. Although he participates in few extra-curricular activities, he is well liked by his classmates who consider him courteous, friendly and dependable.

MEET THE SENIORS

Benny Bingham

Benny Bingham is friendly and enthusiastic. His appreciation for school has increased through the years.

Benny was a member of FFA his first three years in high school, and he is a member of FBLA this year. He was on the land judging and chapter conducting teams his sophomore year. He was reporter for his freshman class and class favorite his junior year.

Cheerleading Tryouts To Be Held

Tryouts for 1961-62 cheerleaders will be held April 25 during the activity period.

The tryouts will be conducted in the same way as last year. Each person interested will be responsible for one individual yell and one group yell with other members of his class. If anyone needs any help, he should feel free to call on one of the present cheerleaders.

Remember, a cheerleader should have enthusiasm, magnetic personality, good sportsmanship, leadership, ability, showmanship, and good physical health. Consider each of these qualities in choosing the cheerleaders.

If time permits, there will also be an election of the incoming officers and sponsor. All elections will be by secret ballot.

What I Have Gained As An Area FHA Officer

Doris Estes

Last year in February I accepted a dare given by my FHA Advisor, Mrs. Buster Miller. The dare? To run for an Area FHA office. No one else from the Silverton Chapter had done this before, but just for "kicks" I accepted her dare. I didn't think I would be elected anyway, but sure enough I was. I must admit I was scared to death when the Area I meeting was over. I felt like I had just jumped in a lake of water, and I didn't know how to swim! But I soon found out that there were eleven other officers who were just as "green" as I was. So we all tried to learn together. Getting to know the other officers was a wonderful experience.

But to get down to the real reason I have written this article, I want to dare you Future Homemakers to put forth better than your best. Run for that Area or State office: work for a Junior, Chapter, or State Degree! All it takes is a little effort and a lot of desire. You have dreams. They will come true—I ask you WHEN?

In William A. Danforth's book, "I Dare You," I found these words and thought them worth repeating here.

"I Dare You, who think life is humdrum, to start a fight. I dare you who are weak to be strong; you who are dull to be sparkling; you who are slaves to be kings."

"I Dare You, whoever you are, to share with others the fruits of your daring. Catch a passion for helping others and a richer life will come back to you!"

Future Homemaker, won't you accept this dare?

HOMEMAKING GIRLS ARE STUDYING FIRST AID

by Laquetta Chitty

The Homemaking I, II, and III classes are very busy learning the why's and how's of first aid.

First aid is defined as the immediate and temporary care given to the victim of an accident or sudden illness until the service of a physician can be obtained. The good first-aider deals with the whole situation, the person, and the injury. General direction for the first aid includes: (1) Lay the victim down (2) check for injuries (3) plan what to do (4) carry out your plans.

Some of the selective pointers for first aid are: (1) Find all the injuries (2) give first aid to minor as well as major injuries (3) do not give fluids to an unconscious or partly conscious person (4) do not left a gasping person by the belt (5) with indoor accidents use judgement about opening windows (6) be reluctant to make statements to the victim and bystanders (7) obtain the victim's name and address (8) reassure the victim (9) if the victim is unconscious, loosen clothing about the neck.

A wound is a break in the skin or mucous membrane. The four wound classifications are: abrasions, incisions, lacerations, and punctures.

Although many people study first aid in order to help others, the training primarily helps the student himself. It enables him to give proper immediate care to his own injuries.

These are only a few of the things the classes are learning, but it does give a general idea.

FHA WEEK NEWS

by LaGuan Thompson

Last week was FHA Week and a different project was chosen for each day. Here is our chapter report day by day:

Monday: Plans are being made to have a Silver Tea honoring the next years new FHA'ers.

Tuesday: We write letters to our adopted girl in Italy.

Wednesday: Plans are being made to have one of Cotton John's films shown in assembly.

Thursday: A Civil Defense division will speak in assembly on April 19.

Friday: Made final preparations

FHA GIRLS EXPRESS THANKS TO CHAPTER SPONSOR

Mrs. Buster Miller

The Silverton FHA Chapter recognizes and appreciates the many contributions of their Chapter Sponsor, Mrs. Buster Miller. Mrs. Miller has worked for higher standards for the FHA Chapter and because of this, FHA'ers have searched for high ideals. Besides teaching Home Economics, Mrs. Miller sponsors Student Council, Annual Staff and FHA. She is a busy person, but never too busy to help anyone who needs her assistance. The FHA girls say "Thanks, Mrs. Miller! You will long remain in our memories as a leader, teacher and friend."

EIGHTH GRADE NEWS

by Kathy Peugh

We've had a change in the class period. In order for the girls to take P.E. with the high school, we take spelling and science before we take P.E. The only thing is that we go to eat 15 minutes later. But after all that exercise, we have better appetites.

EIGHTH GRADE NEWS

by Garner Garrison

The eighth grades had a class meeting Tuesday to discuss the end-of-school picnic. We think we may have come to a conclusion.

The Junior High track team went to a meet at Lubbock Thursday. We won fourth place. We brought back six ribbons, different places.

SIXTH GRADE NEWS

The Sixth Grade has been studying acids in science this week! Buddy Comer made a soda-acid fire extinguisher to demonstrate to the class.

Those who made 100 in spelling last six weeks are Marcia Alexander, Connie Dudley, Kathy Hughes, and Gary Crow.

FIFTH GRADE NEWS

by Patricia Grabbe

We are very proud of Terry Lee who got to go to ePetersburg for fourth. Those who took Spelling Picture Memory. Her team was were as follows: Terry Grinstead, Joe Mercer and Brenda Strandridge.

We have a new pupil. His name is Jesse Perez. Our room is decorated with flowers, rag dolls, and all other signs of spring.

We got our report cards last week. Many were pleased.

THIRD GRADE NEWS

Mrs. Hinds

Max Hamilton brought us some frogs for science. We are watching them change into tadpoles. Steve Brown is the only one left on the Red Highway in spelling for the year. We hope he gets the spelling trophy.

We are busy making oral and written book reviews about the books we like. We are putting the best ones in a book to leave on the third library shelf called BOOKS WE LIKED by Third Grade 1961.

We hope it will help someone to find a book to read next year.

SECOND GRADE

Miss Anna Lee Anderson

In our science reader we have been reading about birds. We wrote little stories about the different kinds of birds. We found out many interesting things about birds. We also learned how to use reference books that we have in our library in writing our stories. Mary Calvio is absent today. Most of the week we have had perfect attendance.

FIRST GRADE

Mrs. Trout

We are really enjoying the fruits of our labors. We worked so patiently and hard while learning to read, spell and write. Now we are so happy about being able to read an entire book in a very short time.

Those pupils who have perfect spelling lessons to the present time are: Tonda Montague, Randy Monk, Ronny Vaughan, Carolina Campos, Luis Castillo, Quin Montague, Pam Vaughan, Dan Gamble, Diane Long, Doug Arnold, Freddie Hill, Ellen Thomas, Jackie Tiffin, and Paula Montague.

FHA DELEGATES TO ATTEND STATE MEET

by Laquetta Chitty

Becky Thomas and Raye Garrison have been selected as delegates to the State FH A Meeting in Dallas April 27, 28 and 29.

The delegates for this meeting are selected on a point system. The bake sales, tickets for different activities, and many other things are some of the ways these girls obtain points. A point is given for each penny given to the chapter. Becky Thomas had 7,800 points and Raye Garrison had 10,000 points.

These girls have worked very hard to get this opportunity to attend. If you have seen them selling tickets, baking cakes or working in the concession stand at the basketball games, you can well see why they won. We would like to congratulate these girls on their hard work; they certainly deserve this trip.

AUXILIARY RADIO operators are trained at the underground, fallout and blast-resistant Du Page County Civil Defense control center near Wheaton, Ill. Instructor Robert S. Ritz, a training officer for the Illinois Civil Defense Agency, shows one of the trainee operators how to adjust his transmitter. Ritz was hired recently under a new program which provides Federal funds from the Office of Civil and Defense Mobilization to pay half the cost of new civil defense employees' salaries. Its purpose is to build up State and local CD to meet a possible attack. (OCDM Photo)

GRAIN SORGHUM —

Continued from Page One

will be set for each farm within the community. County and community ASC committees will be responsible for establishing productivity indexes on local levels.

Under the new law, a farmer who complies with the one-year program can qualify for price supports only on the amount of grain he produces within the productivity index limits set for his farm.

Any portion of his production that is above the index set for his farm must be sold on the open market. He still would qualify for price supports on that portion of his crop which didn't exceed his productivity index.

Qualifications Noted
The total amount of grain on which a farmer can qualify for price supports will be determined on the basis of his actual planted acreage, which must not exceed an allowable allotment for his farm.

To qualify for the new, higher price supports on grain sorghum, as well as corn, farmers must cut their base acreages for those grains by at least 20 per cent. Planted acreages in 1959 and 1960 are used to determine these base acreages.

In exchange for reducing their planted acreage by the required minimum, complying farmers will be eligible for the support price on half the average crop they would have produced on the retired land.

Could Reduce Acreage
They also could further reduce their acreage up to a total of 40 per cent of their base and get a payment equal to the support price on 60 per cent of the average crop on the second 20 per cent of the land they took out of production.

Farm productivity indexes along with the support price in each county, will be used to determine the payment rate on retired acreages for complying farmers.

In lieu of a payment on the retired acreage, farmers will be allowed to plant sesame, castorbeans, safflower, or sunflower on the land they take out of production and harvest these crops for market.

Grazing Restrictions
Otherwise, the retired land must be planted in conservation crops which cannot be marketed. Grazing on retired land will be permitted only on wheat planted for harvest in 1962, provided county committee gives approval.

If they desire, farmers could retire more than 40 per cent of their base acreage, but payments on any acreage above 40 per cent would revert back to the same rate as for the initial 20 per cent reduction.

Producers who don't comply with the new grain program would not qualify for price supports on any of the five feed grain crops and would sell their grain on the open market.

No Influence
Non-compliance with the feed grain program will have no influence on a farmer's qualification for price supports on the oil seed crops, cotton or wheat.

Each farmer will receive in the near future a notice of his farm base, minimum acreage reduction required for participation, maximum permitted acreage for planting, payment rate per acre on the retired land and conservation requirements on layout acres.

John Montague, manager of the Briscoe County ASC office, said that this information should be in the hands of farmers between now and the first of May.

Montague added that a deadline of May 31st has been set for farmers to sign up under the new program.

National Average
A national average price support of \$1.93 per hundredweight has been established for grain sorghum under the new program, with corn set at \$1.20 per bushel.

National average support prices last year were \$1.52 per hundredweight for grain sorghum and \$1.06 per bushel for corn. Support rates vary by regions and coun-

ties because of freight differentials and similar factors.

The Cleaners and Friendship classes of the local First Baptist church finished a Friendship quilt last week for Mrs. G. A. Elrod,

the ladies met in Fellowship Hall at the church on Tuesday but were unable to finish the quilt that day so that some went back later in the week to finish it.

ARE YOU FAITHFUL

Two things are necessary to please God and to win souls. The first is to teach the truth and the second is to live the Christian life. If we do not teach the truth we cannot please God (Gal. 1:8,9), and if we do not live the Christian life we cannot win souls.

It will do little good to teach the Bible unless we show that we are sincere by doing our best to live faithfully. There is little use in our contending for the Bible if we are not doing our best to do what the Bible says. There is no need to maintain that the Bible must be studied (2 Timothy 2:15) so long as we remain away from Bible Study on Sunday morning and Wednesday evening. There is little value in contending that men must worship regularly (Hebrews 10:25) unless we are doing our best to do so. We cannot convince others to partake of the Lord's Supper upon the first day of the week (Acts 20:7) unless we are doing so regularly ourselves. There is little accomplished by our affirming that the New Testament church is the greatest institution in the world unless we are making financial sacrifices for it (1 Corinthians 16:1; 2 Cor. 8:5).

Contending for the truth will not make up for our own ungodly lives. Unless we intend, to be faithful we have no business contending for the Lord's way for we are not in it. We must be right ourselves before we can be successful in showing others the way. We must be faithful and true before our friends and our children are impressed.

The Bible is the sword of the spirit (Hebrews 4:12). But to be used successfully the wielder must be a consecrated Christian soldier. Otherwise, others can see that the sword needs to be turned upon him who hopes to wield it.

You are invited to worship with us at the Silvertown Church of Christ.

BRISCOE 4-H PLACES SECOND IN PLAINVIEW LAND CONTEST

More than one hundred members of FFA teams and 4-H Clubs over the area were represented last Saturday at the eighth annual Land Judging Contest sponsored by the Plainview Chamber of Commerce.

Placing second in the contest was the Briscoe County 4-H Club team composed of Lee McDonald, Jim Saul, Joe Kitchens and Gerald Smith.

Lee McDonald tied Jimmy Martin of the Hockley 4-H team for second place honors. Gerald Smith tied Dudley Sharp of the Hale County team for fifth place in the individual scoring.

Midwestern U. Choir To Present Program

The Midwestern University Choir is a selected concert group of sixty voices. It represents a cross section of the MU campus since membership is open to students from all departments. The choisters, with their intense spirit of dedication to loyalty and service, have established a long tradition of fine choral singing marked by tonal elegance, musical refinement, and consistently high standards of performance. Robed in their traditional gowns of maroon velvet and gold satin, the Choir represents Midwestern University before many important conventions and other gatherings throughout Texas and the Southwest.

The repertoire of the Midwestern University Choir includes sacred music of the highest type, songs for a man's chorus and woman's chorus, spirituals, madrigals, folk tunes, and even encore selections from Broadway shows. The choir concert will be held on Monday, April 24, at 8:00 p.m. in the Quitaque High School Auditorium, in Quitaque. No admission will be charged.

Mrs. W. E. Lackey of Floydada, spent Tuesday night and Wednesday of last week here with her daughter and family, Mr. and Mrs. J. C. Fowler and Clayton, who have recently moved into town.

Mr. and Mrs. Mart Norris and daughter, Mrs. Jack Davis, visited his sister, Mrs. Eric Malone, near Tullia on Thursday of last week.

Mr. and Mrs. Leonard Williams and sons of Amarillo visited his brother and family, Mr. and Mrs. Floyd Williams, Martina and Annette, Sunday and Monday.

Mr. and Mrs. J. E. Wheelock, Mr. and Mrs. A. H. Chappell, Mr. and Mrs. W. A. Holt, Mr. and Mrs. W. A. Stephens, Mr. and Mrs. Berie Fisch, Linda and Barbara, Mrs. H. P. Howard and Mrs. Ennis Autry attended the annual meeting of the Lighthouse Electric Cooperative in Floydada last Saturday.

Mrs. Cornett Is Haylake Club Hostess

The Haylake Club held its regular meeting in the home of Elsie Cornett with an all-day affair. Dinner was served at the noon hour.

Refreshments were served to the following members, Dorelene Montague, Blanche Newman, Ikie Bingham, Ruby Brannon, Ella Leah Riddell, Lullus Ruth McJimsey, Vivian Merrell, Maud McJimsey, Mary Rampley, Peggy Garvin, June Anderson, Eudean Crow, and the hostess, Elsie Cornett. The children attending were Brent Brannon and Debbie Montague.

The next meeting will be an all-day affair in the home of Peggy Garvin, on Thursday, April 20.

Dannie, young son of Mrs. Billie French, recently spent a couple of days in the Tullia hospital. He is recovering from pneumonia.

STUDY CLUB MEMBERS TO ATTEND LUNCHEON

Members of the March of Time Study Club will attend a luncheon in the Tea Room at Hemphill-Wells in Lubbock at 12 o'clock noon on Thursday, April 20. After this they will visit the museum at Texas Tech College.

Renee Gaunt of Plainview, is spending a visit with her grandparents, Mr. and Mrs. Don Garrison, Raye and Roy. Mrs. Carl Gaunt, Renee's mother, is recuperating from surgery which she underwent in the Plainview Hospital on Friday of last week. Mr. and Mrs. Garrison were there for the surgery and she spent the night at the hospital. Renee visited Mr. and Mrs. Pascal Garrison Friday and Saturday.

Mrs. H. E. Curtis is visiting her daughter and family, Mr. and Mrs. Glenn McWilliams, Mary Beth and Jim.

It Pays to Plant P.A.G. —

MAN... that's sorghum!

In tests conducted at the High Plains Research Foundation and by County Agents throughout West Texas, P.A.G. Hybrids have proved to be TOP YIELDING varieties.

WHO'S NEW

Mr. and Mrs. Dyrle Maples are parents of a baby boy, Stephen Russell, born Friday, April 14, 1961, in the Tulia hospital. He weighed 8 pounds, 7 ounces.

Grandparents are Mr. and Mrs. O. C. Maples and Mr. and Mrs. Marvin Stephens of Silverton. Great-grandparents include Mrs. Doshie Boyd of Houston, and Mrs. Oda Maples of Silverton.

Mr. and Mrs. Harold Storie and children returned home Friday of last week after a week's visit with her grandmother, Mrs. Alice Young, and other relatives near Lincoln, Arkansas. It rained every day while they were there, but they enjoyed a nice day for travelling home.

Mr. and Mrs. A. M. Kendricks, David and Sherry, of Ludy, spent the weekend here with Mr. and Mrs. J. J. Vardell, parents of Mrs. Kendricks, and other relatives.

Mrs. Bud House underwent surgery in Neblett Hospital in Canyon on Tuesday of last week. Mr. House reported early this week that she is recuperating nicely and expected to come home on Wednesday.

Mr. and Mrs. Carman Rhode,

Sandi and Jackie Durham spent the weekend in Stratford, guests of Mr. and Mrs. Joe Huff, parents of Mrs. Rhode. Mrs. Rhode and the girls attended a junior high school fashion show for girls in Amarillo Saturday.

Mrs. Norman Strange, who underwent lung surgery in Baylor Hospital in Dallas early last week, was doing fine early this week. Her mother, Mrs. C. A. Holt, who was there for the operation, came home Saturday. Norman is still there with his wife.

Recent visitors with Mr. and Mrs. C. A. Holt were her sister, Mrs. Faye Ward, of Amarillo, and Mr. Holt's daughters, Mrs. Norland (Doris) Dudley of Hart, and Mrs. Dick (Gayle) James of Houston.

Mr. and Mrs. Rex Long, Kit and Mike of Alanreed, were Sunday guests of her parents, Mr. and Mrs. Dick Bomar.

Mr. and Mrs. Freeman Tate and Jackie Carol spent Sunday at Dozier with his mother, Mrs. E. A. Tate, and his brothers and sisters and their families.

Mrs. Mollie Riddle and Mrs. Jim Brooks were in Tulia Monday afternoon visiting their daughters, Mrs. Robert Caraway and Mrs. Chris Ward.

Mrs. Bud Couch and baby of Kress, visited her parents, Mr. and Mrs. Glenn McWilliams, Mary Beth and Jim, on Wednesday and Thursday of last week.

A way to save money that's as easy as pushing a button

You become an automatic saver when you sign up at work for Savings Bonds.

If you could push a button that would automatically save \$5 for you each payday, you'd do it, wouldn't you?

There is such a "button," you know: the Payroll Savings Plan for U.S. Savings Bonds. More than 8 million Americans save this automatic way for new homes, college degrees, va-

cations, retirement income, and a host of other things worth saving for.

You can't spend it if you don't get it. Your payroll clerk sets aside whatever amount you wish, buys your Bonds, and arranges to get them to you.

After a month or two, you actually forget you're saving—except when you add

a Bond to your growing bundle.

Guaranteed to grow. A U.S. Savings Bond that costs \$75 grows to \$100 in 7 1/4 years—faster than ever before. Your Bonds are replaced free if you lose them. And every Bond you buy is a share in a stronger America.

Push the button now, and start saving for the things you want.

Buy them on the installment plan! The average payroll saver puts about \$20 monthly into Savings Bonds. You can get made as little as \$2.50 a week.

You save more than money with

U.S. SAVINGS BONDS

Buy them where you work or bank

For 20 years America's newspapers have published Savings Bonds ads at no cost to the Government. The Treasury Dept. is grateful to The Advertising Council and this newspaper for their patriotic support.

DEKALB ANNOUNCES

FREE Sorghum SEED for Replanting Use

Bred into DeKalb Sorghum Seed are such profit-making features as full, open heads; stiff stalks; early vigorous growth; quick drying; easy combining; big yields of heavy test weight grain.

But sand, crusting, flood or other disasters can make replanting necessary. If this happens this season, DeKalb will supply its customers, replant grain sorghum seed FREE of charge, if all requirements are met. See your DeKalb Dealer for full details.

SATURDAY, APRIL 22, 1961 - 2:00 P.M.
REGISTRATION STARTS AT 12:30 NOON
A Great Assortment of Prizes To Be Awarded
SWISHER COUNTY ELECTRIC COOPERATIVE, INC.
"Owned By Those We Serve"

Mrs. Lloyd Meeker, of Culver City, California, arrived here on Wednesday of last week for a visit with her sister and family; Dr. and Mrs. W. A. Sedgwick, and other local relatives. Merle McMurtry, of Vigo, met his aunt in Amarillo and brought her to Silvertown.

A group of local ladies enjoyed a gettogether in the home of Mrs. Clyde Lightsey on Thursday afternoon of last week; they made plastic flowers and enjoyed a happy afternoon. Those present were Mmes. E. C. Newman, L. A. McJimsey, M. C. Kitchens, A. T. Bingham, John Montague, W. J. Hyatt, Sr., Milton Perry and Herbert Stephens.

Mr. and Mrs. R. C. Cooper and her daughters, Mrs. Jeri Goss and baby and Mrs. Jaunita Clark, Nancy and David, of Dallas, visited local relatives here from Tuesday through Thursday of last week.

Mr. and Mrs. Gaston Owens and Eddie of Quitaque; Mr. and Mrs. Ewing Vaughan and Ronald and Mr. and Mrs. Bud McMinn enjoyed a basket dinner Sunday with Eural Vaughan on Sunday.

Rev. Cecil Vaughn, of San Angelo, spent Friday and Saturday here with local relatives; his mother, Mrs. John Vaughn, returned home with him for an extended visit.

Mr. and Mrs. Bailey Henderson, of Lockney, former Silvertown residents, were honored Sunday on their fortieth wedding anniversary in the home of their daughter, Mr. and Mrs. Sidney Rogers, in Plainview.

Mr. and Mrs. Paul Leibetter and Mr. and Mrs. Bud McMinn were recent Sunday visitors with Mr. and Mrs. Elma Eaney in Mortan.
